みみ様 おっきいで! 第1話

The god of the Earth-worm is worshipped here.

Prefecture O, Village X, the Sekiryū shrine

Mimi-sama, make me Big! Chapter 1

This little girl that only I can see

Great, then I hope you will hear my request!

is Mimi-sama, the Earth-worm god.

Please make my penis big once more!

What, so you can boast before the other brats again?

This way! This way!

Hey, wait for me.

He was a brat just a moment ago and now he wants to go to Tokyo to do it with a girl.

I guess they would make fun of him if it's small.

...so it's to have more sex appeal ...

H a a !?

PLEASE!

I'm not that little boy anymore!

Well, in celebration of my eighteenth birthday I plan to go to Tokyo and get rid of my virginity.

It would be bad if we were seen like this.

Thank you, Mimi-sama!

Hmhm. All right, then go ahead and pee on me.

Though we've done this lots of times before ...

You're the only one who sees me.
To any other people it would look like you were just peeing standing up.

Hmm, I guess that's fine for my outer body.

Mh... it's hot.

Ok, I'm letting it out now.

Come on, if you pee properly I'll make it stay big for a whole month.

Let's get some inside my body now.

I was thinking, why does my penis grow when we do this?

But what I know for certain is that my power increases with pee.

I don't know, this has always been my power...

Why are you drinking it!? You never drank it before!

Sluurp

Don't move or you'll spill it.

Wha! Mimi-sama!?

Well, we have to get you erect first. ...uhum.

I allow you to use me to do your deed.

It'll get small if you cover me with your sperm...

Then shall we make it small again?

I wanted it to be only a little big.

Look, in just a second it became like this.

To get more power out of it.

Whoaa! This is too big. That's bad.

It's stuck in the zipper.

Oww!

Is it really ok to see her like this?

Well, look.

Let's go

しゃあ

I can change my body when I use my own pee.

I will definitely make it small for you again.

But your clothes could get dirty in the process so please remove them.

Eh! What are you doing, Mimi-sama!?

What! Ah ah~ Ehm, right, yes.

You have a point there.

That's impossible! I'm not sexually interested in little girls!

Better get inside the shrine before anyone sees that member of yours...

ふふふふ

How's this, Mister Impolite?

Eh! Mimi-sama!?

The parts I covered like this became plump.

It became so irregular

Mh! Mmm~

This is bad, let go!

Isn't the balance off?

Eh ehehm.
I'm hitting your pussy!
Are you really fine with this, Mimi-sama?

Doesn't it feel good?

My ass, too.

Haven't you said you couldn't get excited with a little girl?

Is that so? Looks like it became erect.

Kh...
when it gets pressed with such soft boobs.

WAIT!

Hoho, and my private parts are even softer.

Hmhm.
Let it all out!

Cover me with lots of cum.

When I think about it, the last time I had an affair was about a hundred years ago.

Ah, no. Mimi-sama, I think I'm going to...

What choice do I have.
But... it feels really good.

It's pretty erect compared to your statement.

Hm..., well, I feel good too.

There is even some getting into my asshole. ♡

Mhmm. That's some amazing force.

Spurt it on me ♡

Oh ♡ Hooo ♡

Uaa. I'm letting so much out.

ルルル

Can it be you are a bitch god?

Ehm, Mimi-sama.

Huaaa. After a hundred years, sperm still stinks so much ♡ ♡

How is it? Did your member get small?

Yes. But only a little.

Shrink

Shrink

Yes, I see ...

Well, then you have to cover me more.

S

f

Actually, in the old times I had sex with the people that could see me.

They were all nice people.

But how come you know the meaning of "bitch"?

I just had a quick look at a porn mag that was dropped here...

You cannot call a god a "bitch"!

Un♥real - I love cat ears

Ecstasy Z - I came with a stick

Yes, that's it.

Ah... is that all.

I do this only so that you don't get laughed at by the girls in Tokyo.

No, that's ...

Mhm! So Mimi-sama wants to do it with me too...

No, when we had sex I changed into my adult form.

Hard to imagine that they all had sex with this small Mimi-sama.

So the people from the past were all lolicons?

I mean big like this.

I need a ritual for this, but yes.

What a wild stick.

Eh!? You can become an adult?

...

It's a pretty easy ritual actually. You just have to let me pee into your mouth...

... well you're honestly horny now.

Y E S !

Then lie down on your back and open your mouth.

I get it, I get it.

We are doing this ritual! Mimi-sama, please become an adult.

Eh? Wait a-

Relax. My pee is clean like spring water.

...mix it with your saliva and spit it on me.

Wait. That's actually a big thing...

but will he get used to being on the receiving end?

かほお

Spray it on me. Hmhm. Looks good.

Uuuu. He's used to being on the giving end,

If you drink it, we will have to do it over again.

!!
You're so sexy, Mimi-sama!

More important, what do you think of this body?

Can you not spit a bit less forcefully?

Hhm, all right. It's been a long time for me too.

I want to cum from a titty fuck.

It's because your sexual preferences, that were mixed in through your saliva, reached me.

Well, that's how it goes.

Your hair grew too ...

Jackpot!

We have to make your member smaller first, it won't fit even in my new body.

L-like this I can finally get rid of my virginity.

you loosen my p-pussy.
While I use my breasts ...

Leave it to me, Mimi-sama.

E-eh

Yes, but your titty fuck feels good too, because they're so soft.

Do you want to put it in so much?

An adult pussy, looks like it's overflowing.

Uwaaa
Haaa
Haaa

and pussy hair

It really became big again.

So this is what a pussy feels like!?

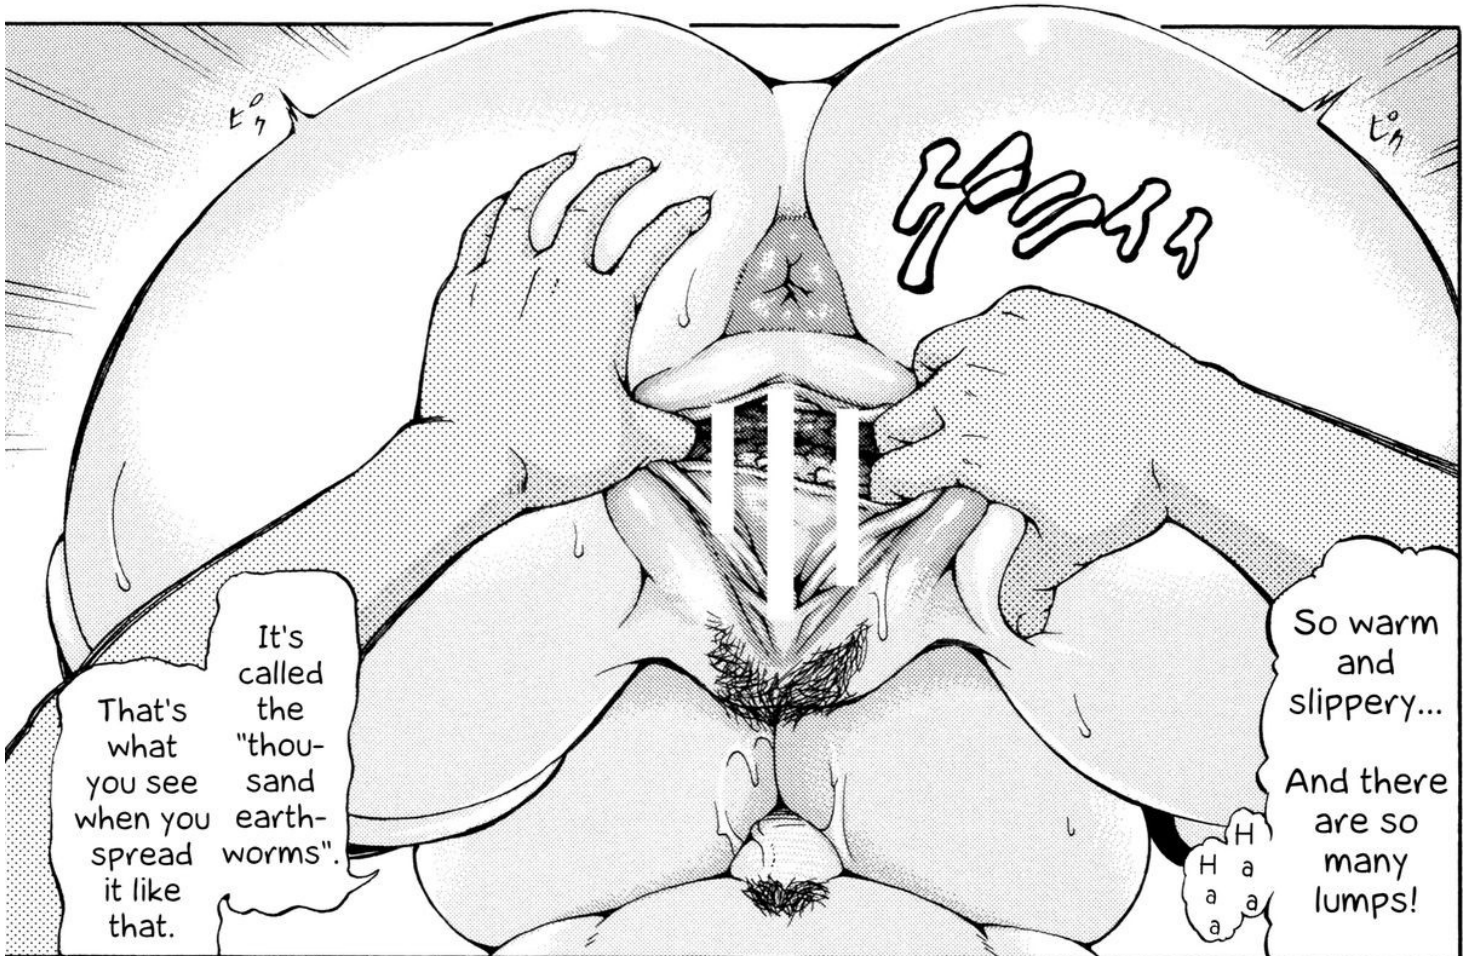

Ah, sorry, I was lost in the titty fuck.

Don't you want to loosen my pussy?

What's up?

K h a a

M m h

That's what you see when you spread it like that.

It's called the "thousand earthworms".

So warm and slippery... And there are so many lumps!

H a a

TN: A Thousand-Earthworms pussy (ミニヌ千匹) describes a vagina whose inner walls wriggle a lot and feel like a thousand earthworms moving during intercourse, a rare condition said to be found in only one women out of several thousand

Mmmm. Maybe I should be a bit more vigorous, ah.

I can't endure it like this.

A n u

Mimi-sama you're too lewd. You're giving me a boob job while I'm looking inside your pussy.

h

Hugh!

No, don't!

It's coming out!
I'm cumming.

トゲトゲ

Then I'll do this.

My body is covered with the smell of sperm. ♡

Unbelievable.

But somehow I feel happy.

You came even more than before.

make the insides of me smelly too.

Now that your member finally got smaller,

That's because... it's a smell I like, I guess.

shrink shrink

ほお

U f f !
no ... problem
Don't worry, this size is...

It became smaller, but it's still as big as an arm.

I get it. ...Mimi-sama, please go a bit slower.

It's your fault Shō, it's like you set my heart and body on fire.

o u t !

Hhmh... I too thought my pussy would get dragged

It-it's so tight, I thought for a moment my penis would get peeled.

I see. Let it out inside ♡

It's coming out!
♥
So much is pouring into my womb!
♥

Uhi ♥
カッ
カッ

You don't have to tell me.

See, I get it.

カッ
カッ

Ehm, is that bad?

So you're saying your pussy comes before my penis?

That's because ...

I want to feel Shō's member more.

Ugh!
Despite my penis getting smaller,

your pussy feels as tight as before.

ハハ

Ah ♥

Because I was penetrated so much by your member,

I'm so loose now.

Haa

Haa

Many hours later

Ah, it popped out.

In the end, even though you got rid of your virginity, you still behave like a child.

Mn

Uwah. A loose pussy is sexy too.

It will go back to normal when I return to my little girl form.

But it made it wide open, is that okay?

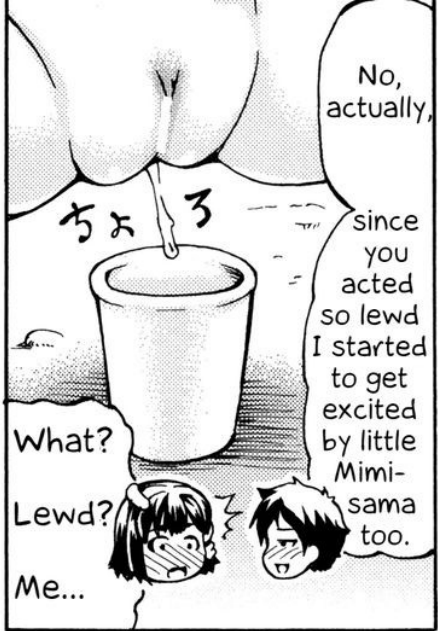

But before that we need to get the sperm out me.

Is it ok when I tease your pussy like this?

Anyu

No, actually,

since you acted so lewd I started to get excited by little Mimi-sama too.

What?

Lewd?

Me...

I thought you wouldn't get excited by little girls?

No, that's not a problem. But this way I can better watch you peeing.

Hm? But why would you want to watch?

Ah, and please, before you change into your adult form..

Ah, I spilled a bit because he was looking at me.

Don't watch me I-like that...

Please wear this, Mimi-sama.

What... is that...

かあ

Oh?
What's that?

Eek!

Don't pinch it.

Hu hu

These lumpy walls feel great, right?

Hya!
What are you doing?

Hey, don't pull on it! Put it back!

Looks like I can enter.

Stop, you can't put it...

That's my womb.

Because my vagina got stretched out so much, it slipped down.

Hee, it can come down so far.

Mnnn nhooo!?

A h :

Hiaaaaa!

Don't move.

My womb will slip out.

Oh Ah h h

I'm inside!

Xmas

It's squeezing my penis.

No, not good.

Hiii! Ah

...actually the opposite.

It feels so good that I'm afraid.

Ah, sorry. Does it hurt?

Yes! Yes!

Should I stop?

Don't worry, I'll cum soon.

V h

V h

V h

Well, then only a little bit more.

Hiii!

V h

V h

V h

V h

I have to make the best use of Mimi-sama.

Don't try and escape, Mimi-sama.

Nooo, you say that but aren't stopping.

N h i i i

Only a little, a little bit more.

Hey, can you feel me cumming?

Ugh, Mimi-sama, I'm done.

Then hear me out.

I'm at my limit, my brain is getting strange.

Nooo,
I'm
becoming
a biiiitch

Uwawa!
It's so
soft, it
looks like
I can get
my wrist
inside.

I put
it
back
inside.

I'm sorry, Mimi-sama!

Besides, my determination to go to Tokyo has vanished.

I can't believe it!
That you showed such shameful behavior in front of me!
Leave for Tokyo or anywhere, I don't care!

Are you not just after my body?

That's not it... not...

Because I want to be together with Mimi-sama...

I realized my own true feelings...

And why?

Hm? Hm?

eh?

As I seem to be a bitch god.

Wah! Mimi-sama.

Well, whatever. ♡

Aah... we sure had fun at those times.

Geez, the next time it'll work.

Ehh

Ahaha. Mimi-sama is clumsy.

But was I really that scary...

To save the village there were times when I had to switch to my true form.

Ooh! The red dragon Mimi-sama has stopped the landslide!

I just wanted to show him...

N-Nou, do you want to play spinning top with me...

Good worshipping...

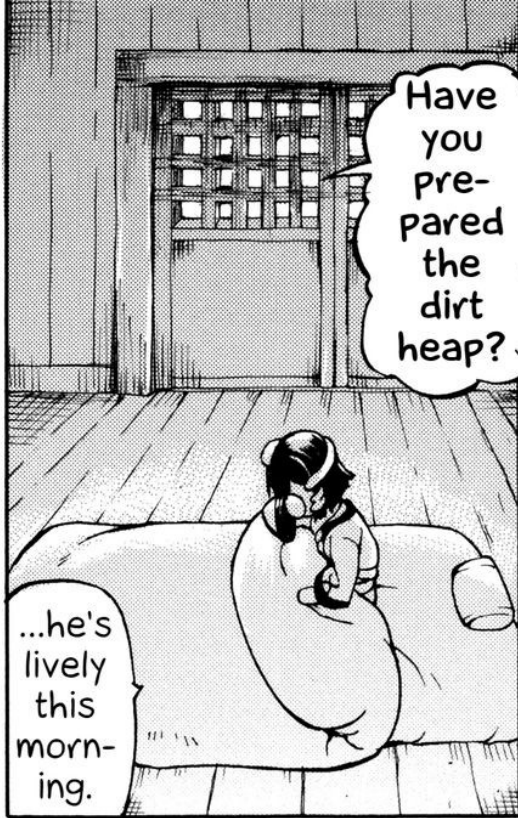

Ah

Waah!

Sorry, I have to work in the fields.

みみ様おっさんで! 第2話

Have you prepared the dirt heap?

Mimi-sama, good morning.

...he's lively this morning.

That :

I've become skilled ...

You can mix it with the dirt in the fields.

Waha, so soft.

He wants to use the good dirt I produce on the fields.

Well, "produce" might not fully describe the process...

This fellow is Shō.

The dirt heap is right here, can't you see it?

Thank you Mimi-sama! I'll go get the wheelbarrow now.

Well it is, but...

Hey, can I see how you produce the dirt?

Don't smell it!

Eh, it's just dirt, what's the problem?

The thing is, this dirt is actually my, an earth-worm's...

Hee, it smells like dirt right after the rain stops.

Mimi-sama, you love Ōya tuff stones, right?

You said you can't withstand the delicious crispy sensation.

It's enough if you show me the pose without actually producing it.
And it would be even better if you can show me in your adult form...

I hate that idea!

H

Then I give you these dirt balls decorated with Ōya tuff stones*.

*Ōya tuff stones: Soft stones collected in Ōya, Utsunomiya city, Tochigi prefecture

But, do you hate to touch my pussy with your mouth?

Well, that might be true...

Mimi-sama can adapt her body's form to the liking of her partner if she gets sprayed with the mixture of her urine and her partner's saliva.

I will let you drink my pee.

...okay, I will change into my adult form.

Great! But can you please pee in this cup?

It shouldn't be necessary to pee directly into my mouth, right?

ぽかぽか

コト

ズ

Well, I guess this is fine in its own way.

I-Is this what is called "cosplay"?

But the measurements don't really fit?

Woa, almost too sexy. It suits your adult form very well, Mimi-sama!

So pretty! And cute! And sexy too.

It looks like you don't really seem to see me as a god.

もじもじ

もじもじ

I know from porn mags what maids really are.

...Okay, but only the pose, ... Master.

I'm so happy that I can see a pure maid even though I didn't go to Tokyo.

Mimi-sama, thank you! And now, please show me how you produce the dirt.

Eh... What did you just say?

Will you do whatever I desire?

Yes.

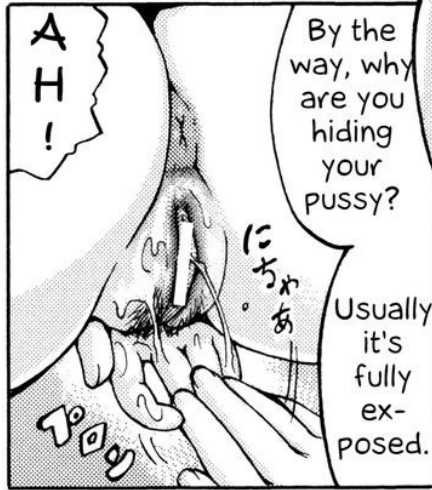

I will.

Look, this is my pose for producing dirt, like you wished for.

What shall I do next?

They are female servants that fulfill the desires of men.

Hmm... she's not really right, but I'll stay silent.

By the way, why are you hiding your pussy?

Usually it's fully exposed.

H u a !?

Well, then let's get even more perverted.

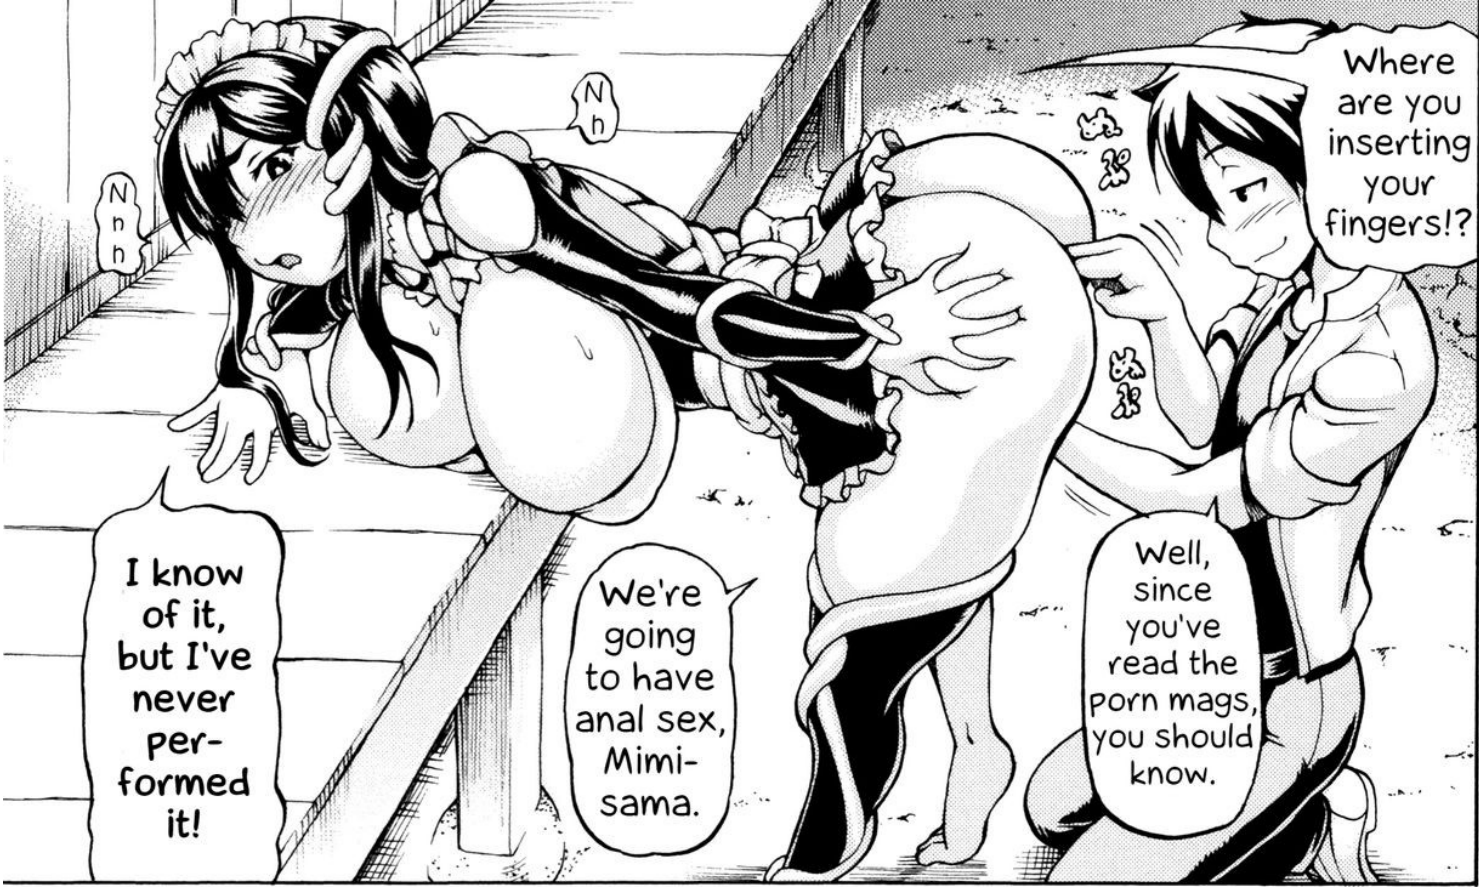

That's strange. You only looked at it...

Am I becoming more and more perverted?

Ha? I haven't done anything yet,

how come it is already wet?

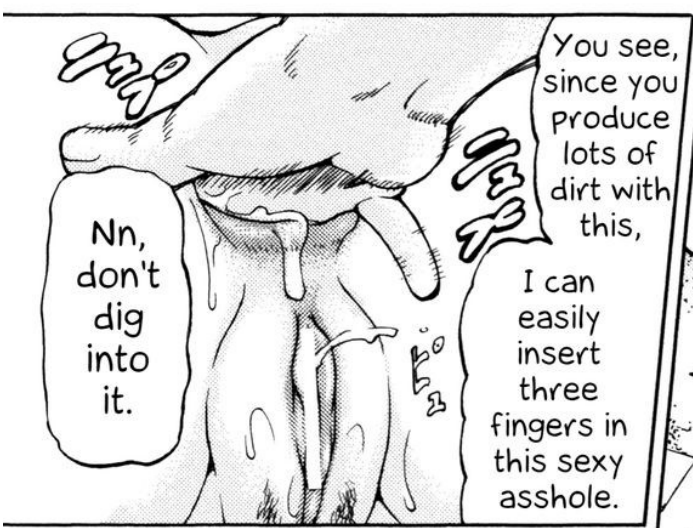

Where are you inserting your fingers!?

I know of it, but I've never performed it!

We're going to have anal sex, Mimi-sama.

Well, since you've read the porn mags, you should know.

Nn, don't dig into it.

You see, since you produce lots of dirt with this,

I can easily insert three fingers in this sexy asshole.

Shō... Master, but it's your first time too.

Great! That means I am your first!

It's different from your pussy, right?

Ah, sorry, it felt so good, I unconsciously ...

Hy a a !? This is...

There are no lumps here,

but it should be really fluffy deep inside...

It is, but that's fine.

...how come?

Huaa,
my
intestines
are being
spread
apart!

Aah,
because
of my
erection I'm
split peeing.

Please
make
it big.

I
endured
it for a
long
time,
so I
can pee
a lot
now.

Anal
sex!?

More
import-
antly,
you know
what
happens
when you
pee inside
me...

But
when I
ejaculate
it comes
out in a
huge
load, I
wonder
why not
now.

I'm inside...
But as my
penis is so
small...

It's ok.
Because
it's inside
my body
it will stop
growing
when it
doesn't fit
anymore.

That's

It
becomes
even bigger
than when I
pee on you
from the
outside!
Mimi-sama,
are you
okay!?

When
urinating
on
Mimi-
sama
one's
penis
grows.

Haaa,
I don't know...

But I'm surprised that this size, bigger than an arm, is still "fitting" your body.

Sorry, I will be careful, Mimi-sama.

Though we would be in an awkward situation if you had sprayed my body on the outside too.

M m

Yeah, your thousand earthworms pussy is great too.

Isn't my pussy better?

Will we continue with anal like this?

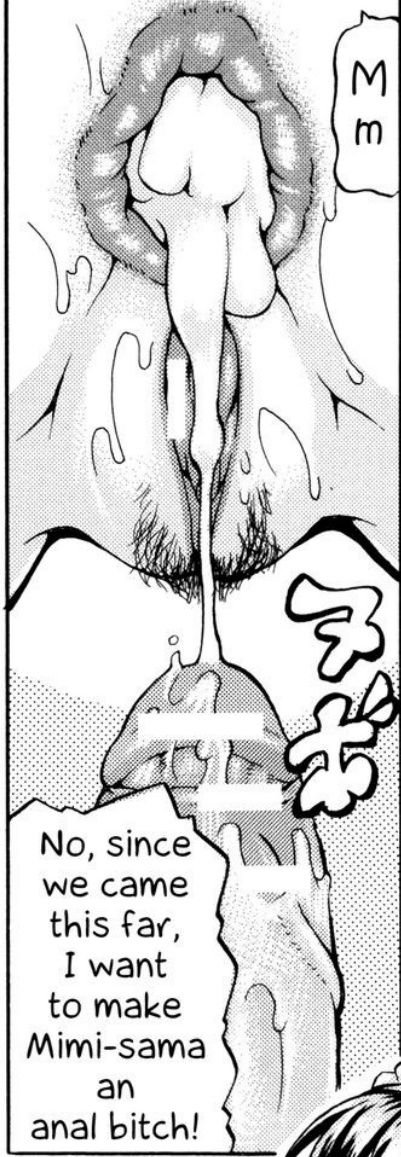

Ngh... It feels that good!

Nh ♡
Something hot is coming out ♡

But the tightness of your anus and the softness of your depths...
A a h !

When ejaculating on Mimi-sama, one's penis shrinks.

Sorry Mimi-sama, you didn't have a chance to cum yet, and my penis already got smaller.

No problem...
It's fine for my pussy...
♥

No, since we came this far, I want to make Mimi-sama an anal bitch!

フホ

お

お

You're right, it's actually a pleasant feeling to have something stuck inside, but shouldn't it be enough by now...

You can be pretty zealous with some things.

H a a !?

フホ

H y a a

Having it gaping wide open like this is sexy and nasty.

It's a pity that you couldn't cum with such nice anal play.

ク

Don't dig deep inside... my ass.

But my arm should feel good too.

That's why I'm telling you...

If you spread it like that...

H o o a a

Because you penetrated it with that fat penis.

Like I thought! Anal fisting is possible.

H a a a

What!?

W-What are you doing!

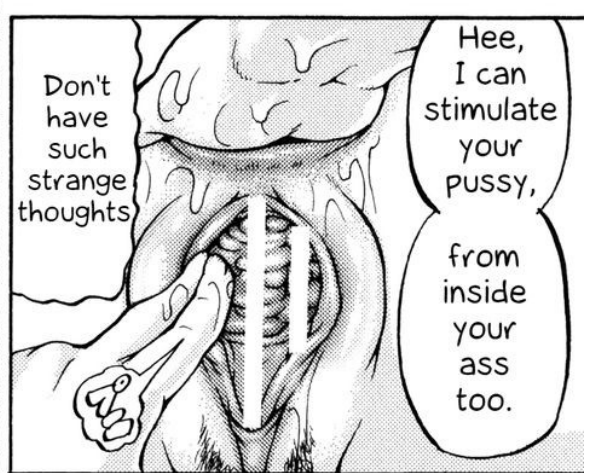

That's not-

But your pussy got soaking wet...

Mimi-sama, can you feel it already?

And I can tease Mimi-sama's weak point, her womb, like this too.

Don't have such strange thoughts

Well, I'll do that later. Now I want to see you cum like this.

This feels better than only anal, doesn't it?

But you said you wanted to make me a bitch that can cum through anal alone...

Didn't you?

H-Honestly ... with my ass and my womb ...

Ha Nn

Uah! It's tightening so hard, my arm is going numb!!

I don't know

with which part I'm cumming ♡

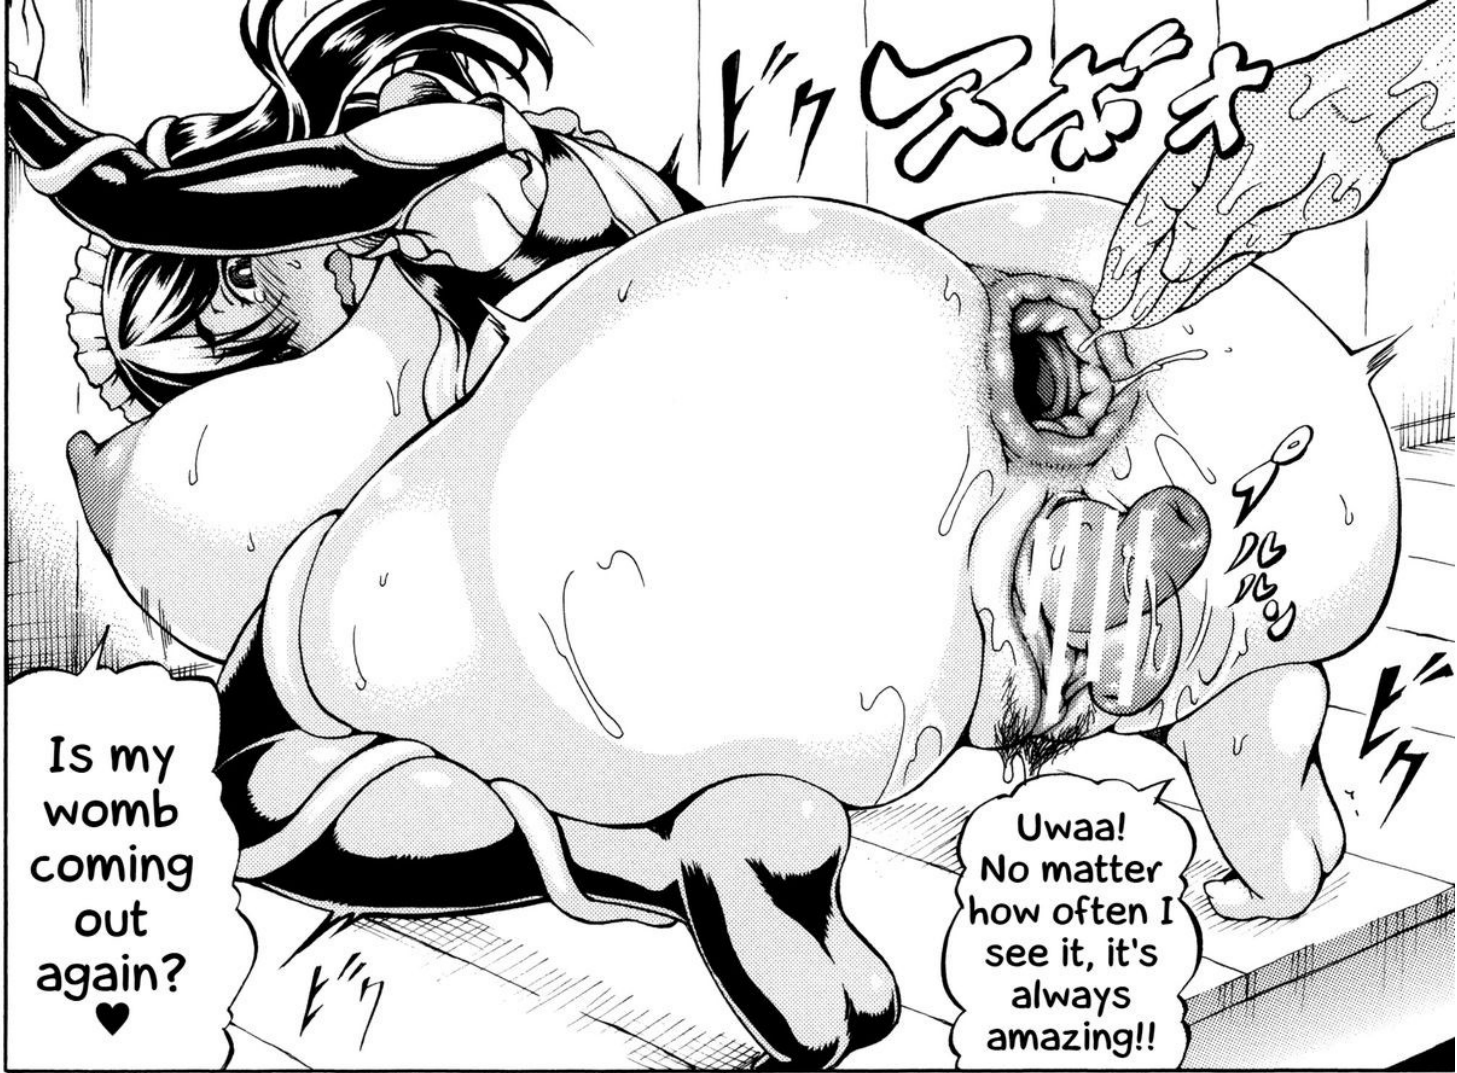

When I press it from inside her ass like this ...

!? Nooo!

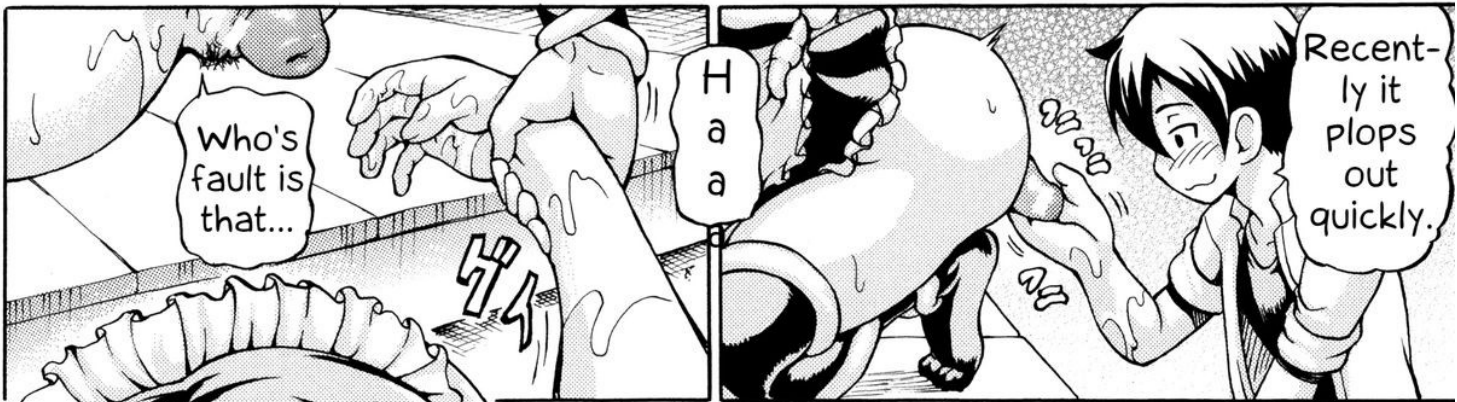

Ah! Your womb is coming out again.

A...aah. I experienced a strangely pleasant feeling ♡

Is my womb coming out again? ♥

Uwaa! No matter how often I see it, it's always amazing!!

Who's fault is that...

H a a

Recently it plops out quickly.

Let's continue inside the shrine ♥

I'm not angry, but you have to take responsibility for what you did with my womb.

Ah, sorry Mimi-sama, are you angry?

I can't pay attention to my back when you tease my womb.

Then I'll make you pay even less attention to it...

Good thing that I brought a futon here.

Your back doesn't hurt this way, right?

No, it does not ...

Where did you learn such a thing ♡

Nowhere, I just wanted to suck on it.

So it's your idea!

Really, you can be voracious some times.

Sh-Shō! Master, is so goood.

What are you doing there?

おっ

it pretty much looks like a penis this way, so let's...

Ah, when I see it like this I find myself thinking,

おっ

Nhoyo?!

お

おっ!

they can titty fuck your womb.

As expected, because your breasts are so big,

...I'm astonished by your way of thinking...
...mh

But it looks like I'm not able to cum by my own breasts.

Doesn't it feel good?

How is it?

How is it?

The titty fuck which made me cum so many times?

My breasts are stretched out too much.

It hurts a little.

Drive the maid mad with your penis alone, Master.

You're just over-doing it.

Why are you so disappointed?

Sorry

If that is so...

I just thought it would be a good idea.

Next time be more considerate.

Good grief, is this thing here only for decoration?

Ouch! What are you doing Mimi-sama!

Haha, that's what you mean.

That's my Master ♡

N n n n ♡

Well then, I'll make you a penis loving bitch.

You're so skilled ♡

Not only my womb, you're doing my breasts too at the same time...

Yes, I'll give it my best.

Penis sucking wombs are bad.

It's coming out again, put it back deep inside ♡

Thanks to you, Mimi-sama.

I can't withstand the crunchiness of Ōya tuff stones~

...Mimi-sama, how come?

I'm really skilled.

Got you...

... yeah, but ...

Ah! Mimi-sama, there you are!?

Don't cling to him!!

Uwa

...Tokyo is terrifying.

How much it can change people.

Sex is what I'm best at.

I'm currently a porn star.

You're mean.

Well, but you're actually right~

But she looks like a bitch now.

I told you to keep that a secret.

I can also give you a titty fuck.

I told you I'd help you get rid of your virginity~

You! You wanted to seduce Shō!!

Ah! Speaking of that, why didn't you come to Tokyo, Shō?

You're going to have a lot to explain to me later, Shō. Like about those Blu-rays.

D-Don't squeeze me.

I see, that's the reason you requested that from me yesterday.

It's all true. He said he's fapping to my Blu-rays, so I thought I could do as much.

Wait, wait, Mimi-sama shouldn't know about those Blu-rays.

And I'm going to film and upload that~

That's your part, Shō... You can play Menko*, for instance.

Huh? Not to play with Mimi-sama?

Nope, I came to film Mimi-sama.

That's the reason you came back to the village, Toyoko?

*TN: Menko is a Japanese card game where one has to flip over cards laying on a surface by slamming one's own cards next to them.

No way!

Don't make Mimi-sama a tourist attraction!

What, isn't this a good idea? People who see the video might even come to this village.

Also shut down your phone!

Mimi-sama hates radio waves!

You can't do that!

People can't see Mimi-sama.

So the video will go viral when they see the Menko cards moving by themselves.

Aaah...

I was wondering where this tingling I've been feeling for a while came from.

Whoa!
What is this!?
I suddenly

My plan to make her go home quickly backfired.

Eh!
By me?

Impossible.
It's so sensitive, I can't even wear pants like this.

I can't even walk, so I can't go home.
I need to be comforted by Shō until it turns back to normal~

...
...
yeah.

Eh...
you really did it with Mimi-sama?
For real?

Well, we did even more...

Ah, I get it now.
That's why Shō had that huge cock.
But don't you hate it when you get sprayed with semen?

Yes
Ouch!

Eh?
So a man would spray you with his semen?

Spray me with lots of your love juices.
I'm here.

I love Mimi-sama.
Because, not as a god but as a woman,
What!
I didn't do anything...

Maybe... my heart may have been stolen.
That's bad!
She's a god!
You'll get cursed!
I won't curse him!

Ah~
I see, I'm just an annoyance.

I never said it properly, right?

Turn my clit back and I'll return to Tokyo.

why did you have to say it right now?

No... but...

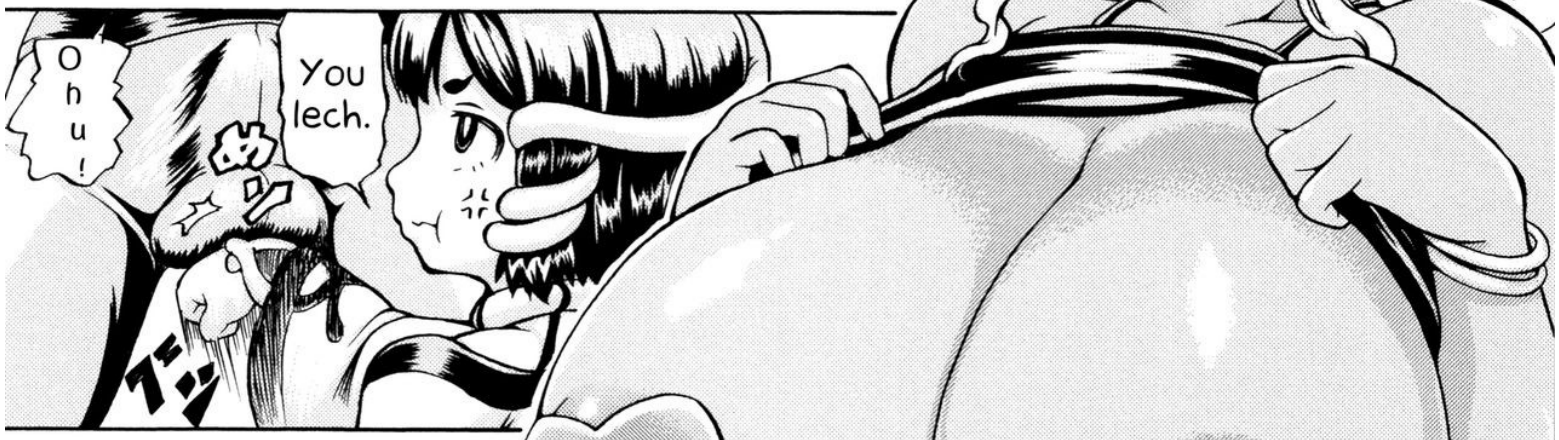

I dressed for the occasion.
Clever, right?

To prevent my nipples from standing out.

! What?
Why do you have these heart pasties?

Looks more like you overdid it...

You lech.

Oh u!

We might be seen here.

Come, let's go behind the shrine Toyoko.

Y e e s

Is it really fine? Well then...

Come Shō, tease my pussy.

I'm totally sensitive when I get fingered.

Then I guess I should hurry and ejaculate.

What an amazing clit...

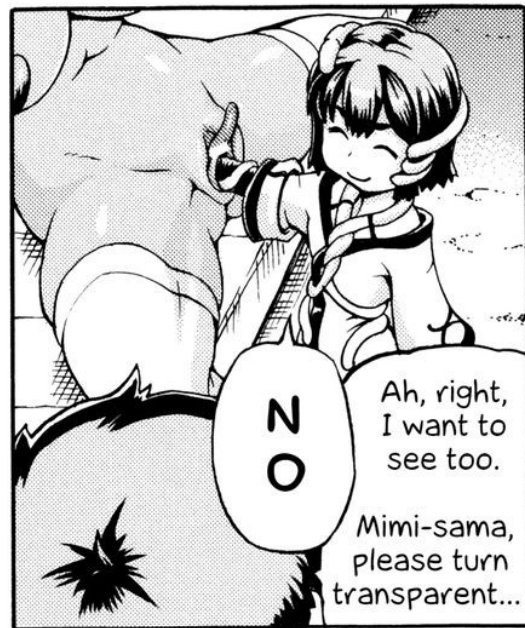

Well then, Mimi-sama, how much love juice do I need to cover you with to turn my clit back?

Hum, I guess it's enough when you cover my breasts completely.

Ah, yeah.

I'll do that.

NO

Ah, right, I want to see too.

Mimi-sama, please turn transparent...

Nhhaa.

Is this Mimi-sama's arm?

What's with this pussy!?

Even for a little girl my whole arm went inside too easily!

Since you're transparent, my womb is on display ♡

I. Said. No!

... okay.

There, there's my G-spot, you're hitting my G-spot ♡

Yeeeah, you're so good, Mimi-sama ♡

Hey, Toyoko, aren't you going to cum at any moment?

I know, I know.

If you touch it right now, I could become incontinent before I ejaculate ♡

But don't touch my clit.

Your womb seems to have come down. Arent you about to cum any second now?

Cum... I'm cumming!

Just a little bit should be fine.

Huaaaa, my portio* is hitting my G-spot. Ah! But you're also stimulating my clit like that.

*TN: Portio - short for "Portio vaginalis uteri", the portion of the womb that is inside the vagina.

I'm ejaculating

Good, this should be enough to cover me...

...sorry I'm making you do something you hate.

Where are you, Mimi-sama?

I'm here.

It's fine, don't sweat it.

Haaa

Haaa

Mh!

What is it, Shō?

Hhm, it's slowly turning back.

Haaa... Thank you, Mimi-sama.

She's right.

If you need to stick it inside, then stick it inside me!

But, I can't stick my fat dick inside the small Mimi-sama...

N h y a !
It's fine by me.

Sorry, I can't endure it any more.

What the hell are you doing!?

Is it because of Shō!?

Though you couldn't see me all this time...

What!? I can see Mimi-sama!?

What in the heavens!?

W a a a

Then you should've endured it just a bit longer.

Don't cry!

U g h

Huh!

This small Mimi-sama can become big?

I'm sorry, that I didn't wait for you to become big Mimi-sama...

I'll pull it out now and endure it.

Hhm !?

Eh? Me?

All I did was stick my dick inside.

ドサ

Ah

My clit is still sensitive!
Whaaaa!
Mimi-sama, I'm sorry.

ヒキキ

H m h m

Hyaa!
Not again!

Covering this cute Mimi-sama in pee.

I'm bad.

So we're back to the start.

Eh, it's not ejaculate?

Oh no...

びしょびしょ

I know from the smell, that is pee.

しっしょ

はあ

But how come Toyo-nee can suddenly see Mimi-sama?

ズ

Hhm... there's no helping it when you're in heat.

I want to do it with the big Mimi-sama!

Sorry!
I really couldn't endure it anymore.

So please, give me your pee!

But more importantly, you did this after you said you loved me!!!

Probably because the penis which has my power inside,

came in contact with her mucous membrane.

It's getting big again

♡

It is because you peed on me while your clitoris was turning back...

I guess.

Whatever.

I guess the method to turn it back is the same as before.

I'll explain it to you.

Unbelievable, have I become a futanari?

Because my clit became like this you have to take responsibility.

Hey, have a look at this.

You have to teach me everything.

It's the first time that it ever became like this...

What is that...?

Hhm, I wonder what would happen with a boy?

...properly mix it with your saliva.

You only have to spray it on my body.

Okay, I get it. We'll make you big first,

Ex-plain-ing

Heh?

Toyo-nee is bisexual.

Are you really fine with fellow girls?

and when I cum inside, my clit-dick will turn back.

Eh, is it also fine when I cum inside?

You get big when we do this...

Shō can do these amazing things all the time.

thrilled
thrilled

You're guessing wrong.

Uhm, yes like this.

M y h

Now that Mimi-sama is changing according to Toyo-nee's liking, will she have enormous boobs?

And now it's mixed with saliva.

Well, they're great for (my) work

but huge breasts have their own problems too.

This is Toyoko's preference...

the body she wished for.

Waha.

A shaved sweet without pussy hair.

Mimi-sama is soooo cute

It's no wonder that Shō fell in love with you.

so cute. But to think that Mimi-sama became

I wonder what face you'll make...

I-Is that so...?

Hya u

Do you feel it?

during your first time?

Did you and Shō do it like this,

Nnn. You're pinching my clit with my skin.

but don't tease me.

It's nice that you are gentle,

My labia,

it feels like it's getting stuck to it. ♡

Ah, your skin feels wonderful, Mimi-sama.

Rather than this...

shouldn't we work on making your clit turn back?

That is... ehm ...

Hey Shō, look closely.

I was not serious at all, but it became wet like this.

Ah, don't look.

But that's good ♡

Amazing, so this is what a dick feels!?

It's actually not as sensitive as a clit though.

M h h

Ah, yeah, that was our goal.

You're really so cute, Mimi-sama.

I'm so happy I can have my first dick experience with you ♡

And Mimi-sama's pussy is a masterpiece ♡

I'm fine with that...

Eh, how about ...

Eh, you two, I'm close to my limits,

is it okay to spray it on you two when you are like this?

Come on and cum already, I'm not so comfortable doing it with a girl...

I wonder how it will feel when I cum like this ♡

What!

Wait a moment ...

That way I will cum inside a pussy while you're cumming inside my own.

You stick it into my pussy?

Huho!
Your fat dick is hitting my womb
♥

Thank you, Toyo-nee.

What are you inserting into this bitch!

It might be tight, but it feels best with my pussy.

Especially when it's Shō's dick.

Two dicks inside your pussy?

Who's the bitch here?

But Mimi-sama's pussy is already occupied.

I can take two dicks.

I don't like anal so much.

Eh, really?

You'll even do anal?

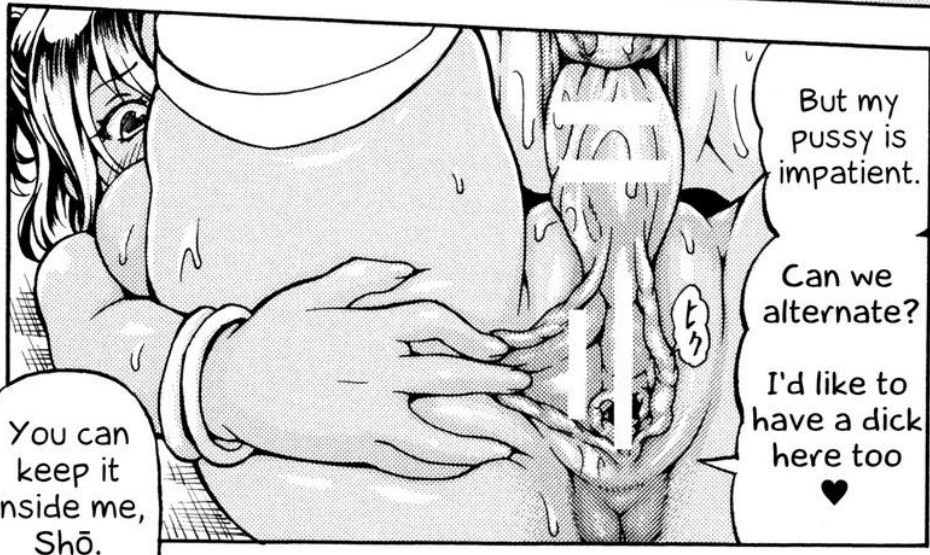

U f f

Hey, Mimi-sama.

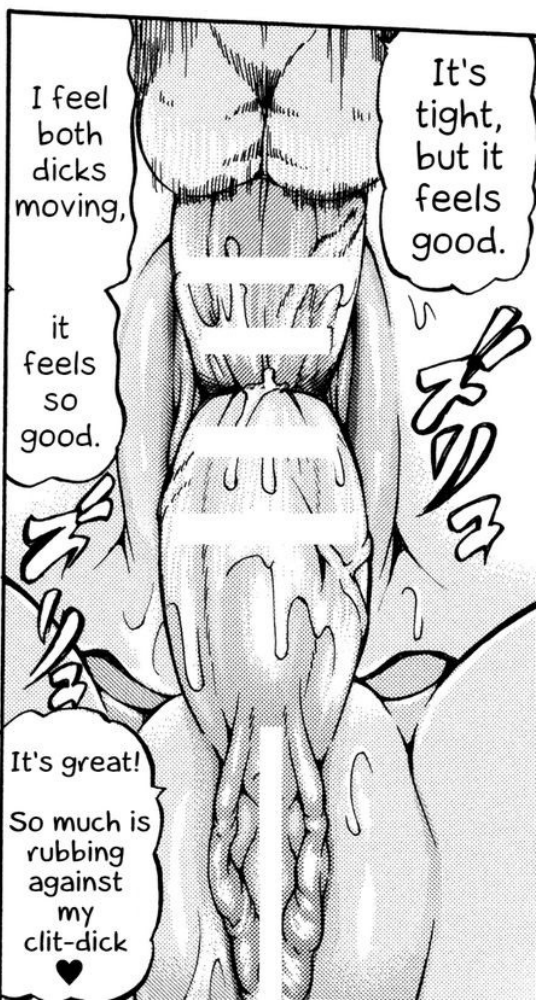

Huaaa, my pussy is spreading because of your dicks ♡

Okay, then I'll make you feel good.

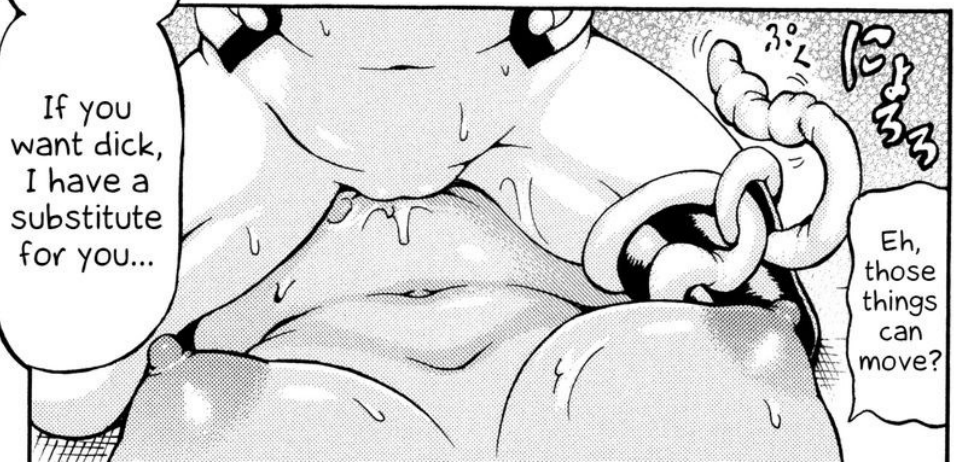

You can keep it inside me, Shō.

But my pussy is impatient. Can we alternate? I'd like to have a dick here too ♡

I feel both dicks moving, it feels so good.

It's tight, but it feels good.

If you want dick, I have a substitute for you...

Eh, those things can move?

It's great! So much is rubbing against my clit-dick ♡

My present for you.

Wow, it's tentacle play!

Me too, Shō... kun

Haa

Haa

Let's cum together ...

Mimi-sama, me too...

I've never been tormented like this.

This is so great, unbelievable ♡

It wants to come out.

I think I'm gonna cum!

I feel something welling up in my dick ♡

It's cumming out

So this is semen ejaculation

Ahiii

We're cumming.

Me and Shō too

Haaa

At any rate,
I'm starting to love this.

Haaa
♥
I could get used to ejaculating like that
♥

And that's not only because of the dick or my tastes.

Hey, Shō...

How come your dick is still hard?

Can you make me another clit-dick, Mimi-sama?

Same for me
♥

That doesn't matter to me, as long as it's you, I'm excited.

Do you even like my form when I don't have big tits?

Ahh, speaking of that, how many Blu-rays did you give him?

Three.

There's also an uncensored special edition for the staff included~

I'm looking forward to your new videos.

Yes, I'll wait for you.

Well, I still have another porn shoot, so I have to return.

Mimi-sama, I'm sorry.

Next time I'll come to play with you properly.

Disheartened

yes

Right?

It should be okay since you love Mimi-sama.

I'm going to take charge of those.

It's not good if you overdo it.

E h h h

Yes, let's make up for the past when I couldn't see you.

And do perverted stuff too.

Good job with the love talk, Toyoko.

When you come next, let's all three of us play together.

Now that you can see me.

Mimi... Make me Big!
Mimi-sama Okkiku Shite!
