The original trip to a tropical island with my ex-girlfriend has now become a trip to heal my broken heart.

got taken away by a colleague who returned from an overseas position.

My girlfriend, whom not only was I engaged to, but also worked with under the same company,

It all began when...

Dammit! I'm gonna die here!

After that, I just wanted to disappear into the seaweed-filled blue ocean...

Bo-
Bo-Bo-
Boobs!!

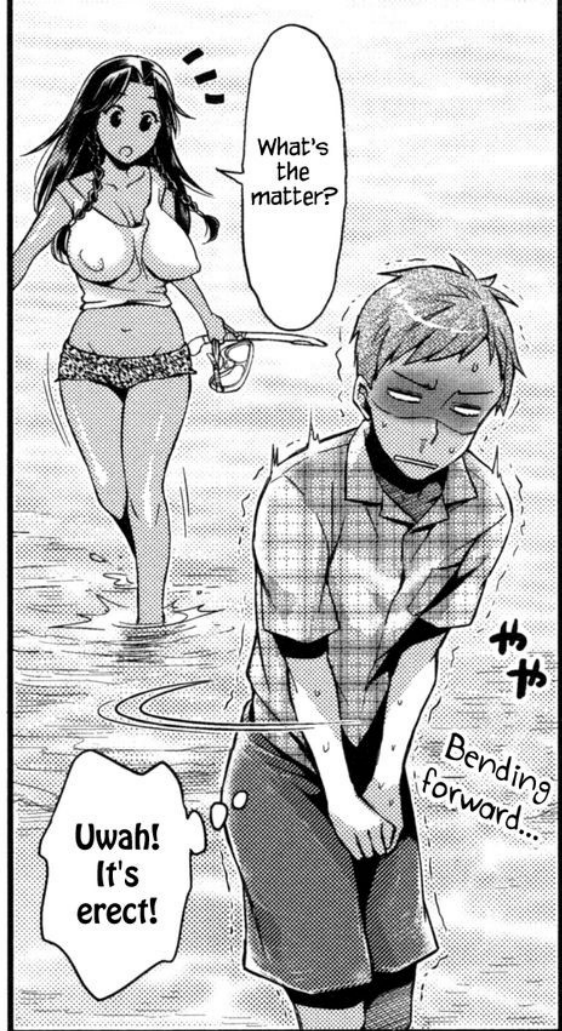

Kyah!
Th-This is horrible!
Are you swelling
really badly
there!?

I-It's
just a
bug
bite... I
think?

Ouch... It'll
be bad if
the venom
doesn't get
sucked out
immediately,

or not
I was just
kidding.
(lol)

What's
the
matter?

Uwah!
It's
erect!

Bending
forward...

You're
right!!

I must
suck the
venom out
before
it's too
late!!

Huh
!?

In order
to treat
my broken
heart,
I actually
tricked an
innocent
local girl to
give me a
blowjob...

Aaaah!
Jeez! I'm
really the
lowest!!

Ahh,
sorry for
causing a
commo-
tion~!

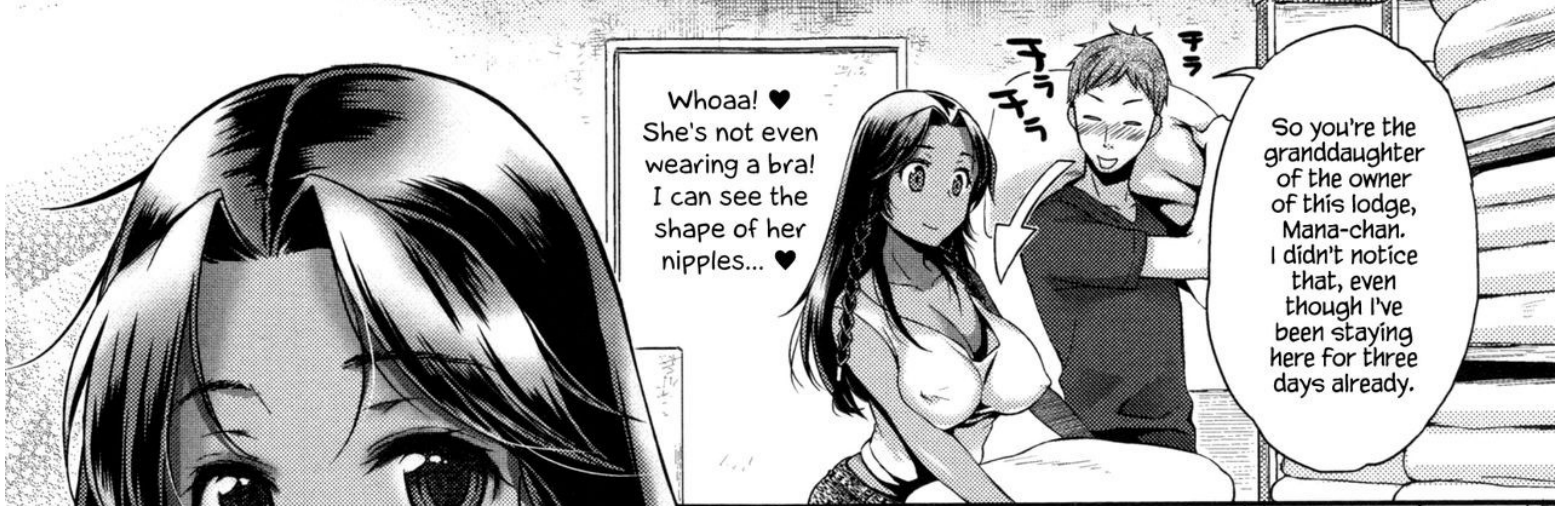

Are
you all
right...?
Do you
need a
hand?

It's so
noisy
outside...

But... that
girl was
really cute. I
should have
asked for
her name.

Eh...
No way!!
She's
the girl
from that
time...

Sorry for
disturbing
you when
you're on
vacation...

Whoaa! ♥
She's not even
wearing a bra!
I can see the
shape of her
nipples... ♥

So you're the
granddaughter
of the owner
of this lodge,
Mana-chan.
I didn't notice
that, even
though I've
been staying
here for three
days already.

I'm at the
beach most
of the time
during the day,
so I don't see
the customers
much during
that...

time!

To-
Tougo-san,
that same
place is
swelling
again!

I shouldn't
tell her
the same
lie twice...

Ah~~
I-I'm
sorry!

Thi-This
isn't
actually
caused
by a bug
bite...

FWAAAH!

Tougo-san,
you came
here because
you were
dumped
by your
girlfriend,
right?

How
did you
know!?

!?

Ho-
Hold
on...
Uwah!!

Rub
Rub

I'll
comfort
your pain.
♥

D-D-
Don't

fun of

adult
!!

Kyah

What's up
with these?
This amazing
elasticity!!
They're so
squishy!!

Tougo-san,
you're
sucking so
frantically...
just like a
baby. ♥

Fuh

Mnn

Ahn

Aah

Do you
like my
boobs?

Don't
laugh!!

Ahaha/
Tougo-
san, this
kinda
tickles.
♥

I love
them.

I want to
give you
even more
treatment,
Tougo-san...

Mana-
chan.

I wonder where that girl went, skipping her work like that. We're so busy right now that a cat's help would be fine too.

Mana, where are you~?

Someone's looking for you, so maybe we should stop...

Wait....!! She's getting even tighter!!

Mana!? We're going to be found out if you move like... that!!

Mana-chan!

Granpa, I bet Mana went to the beach again!

Jeez~

and enjoy yourself with my pussy!!

Just forget about your girlfriend

I thought you wouldn't notice me if I hadn't done this...

I... just couldn't forget about you ever since our meeting at the sea, Tougo...

I'm gonna
want to
be even
rougher
with you
if you say
that kind
of stuff!!

I didn't even have the energy left to masturbate before this, and yet, now I'm...

Hurry up and pump out all of your

The illustration is a dynamic black and white manga panel. It depicts two young women in a state of intense sexual arousal. The woman on the right is lying on her back, her head tilted back, eyes closed, and mouth open in a gasp. She has long, dark hair and is covered in sweat. The woman on the left is positioned on top of her, leaning over and performing oral sex. She also has long, dark hair and is sweating profusely, with her hands gripping the first woman's thighs. The scene is filled with numerous sound effects in Japanese, such as 'ぐわん' (gwan) for sucking, 'ぐわ' (gwa) for swallowing, and 'ぐわんぐわん' (gwan gwan) for rhythmic sucking. There are also large, stylized sound effects like 'ぐわんぐわんぐわん' (gwan gwan gwan) and 'ぐわんぐわんぐわんぐわん' (gwan gwan gwan gwan). The background is simple, with some lines suggesting a room or a bed. The overall style is typical of Japanese manga, with detailed shading and expressive character designs.
