Ta-da~! A cheerleader who's come to cheer on my pathetic brother!

Wait a sec. I'm gonna get changed!

See?

It became hard right away!

One-two!

One-two!

74

My spoiled older brother's dick will now become harder~!

Ketch

But... I won't allow my disobedient brother to cum again!

Looks like you're ready to go again!

Some juices are even leaking from the tip.

First, I'll make it all slippery with this lotion.

He'll have to give me an apology by cumming between my breasts!

I made a super soft boob pussy for you.

I know you love this one, Onii-chan!

And I love it too, because I can see the spot where your dick goes in and out.

Go on and cum, I know you can do it!

ズル

That felt a lot better than an onahole, you say? I guess that's not really something I'd be super happy about, you know-

ズル

I'm having anal

in such an embarrassing pose...!

But it feels so good!

Your dick is... so hot...

So thick... going in and out...

I love your lively dick so much, Onii-chan!
