本編 38P + 差分 26P

アルマロツソ

Saeko (33 years old). Haruto's mother. Works along with her husband.

You forgot your water bottle.

Ah, thanks!

Haruto, wait.

Haruto

I'm off!

Be careful, okay?

Okay!

You're walking around with your phone out again!

Hey!

Ah... Good mom-

Gon-ta

M-Mom...

Shou-kichi

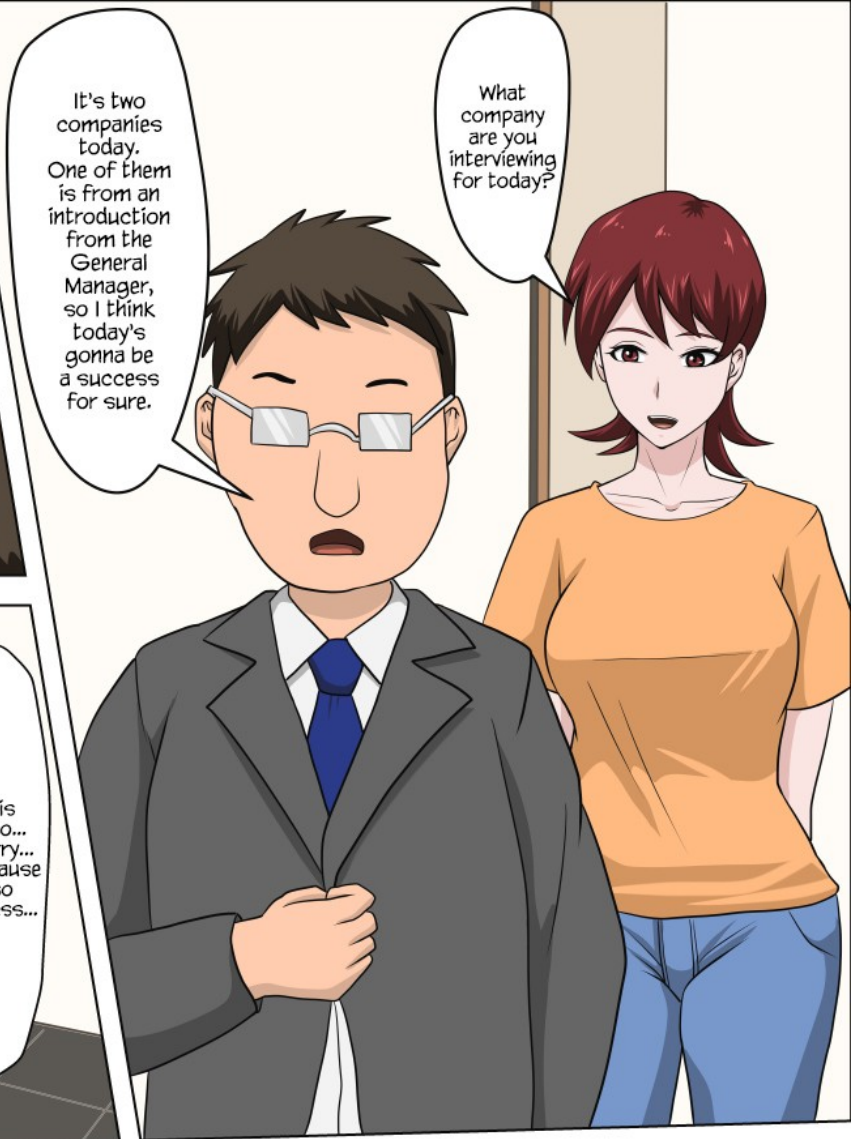

Scanslated by Hennojin

Ah... I, uh... Have a meeting today...

That's right! How about we eat out tonight? It's been a while.

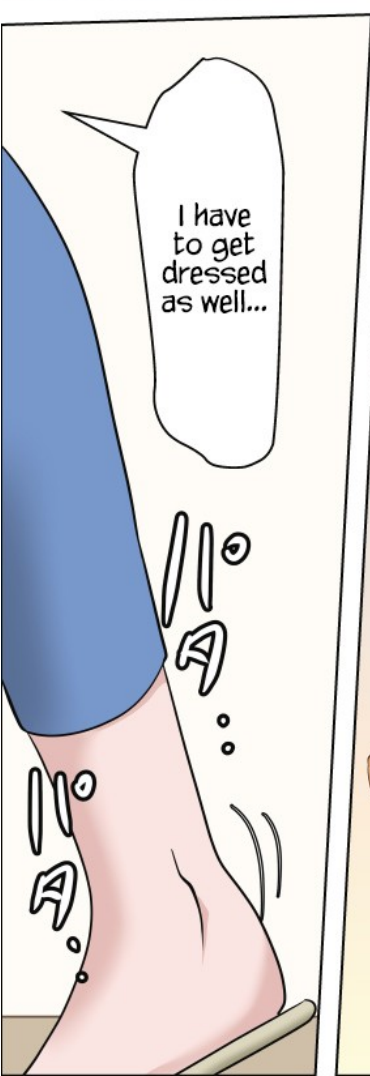

It's two companies today. One of them is from an introduction from the General Manager, so I think today's gonna be a success for sure.

What company are you interviewing for today?

It's... not your fault that I have a meeting, you know...

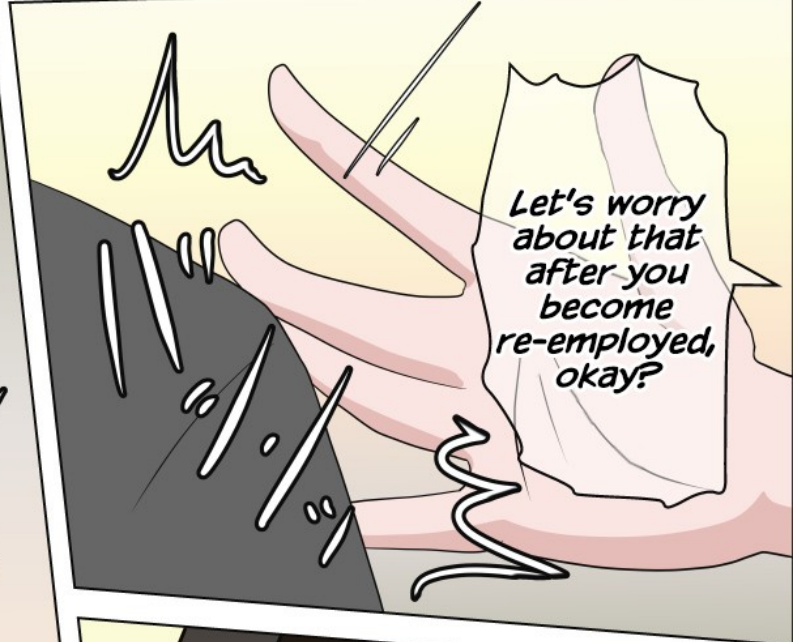

Ah... is that so... I'm sorry... It's because I'm so powerless...

I have to get dressed as well...

Please do your best... If not, then I'm...

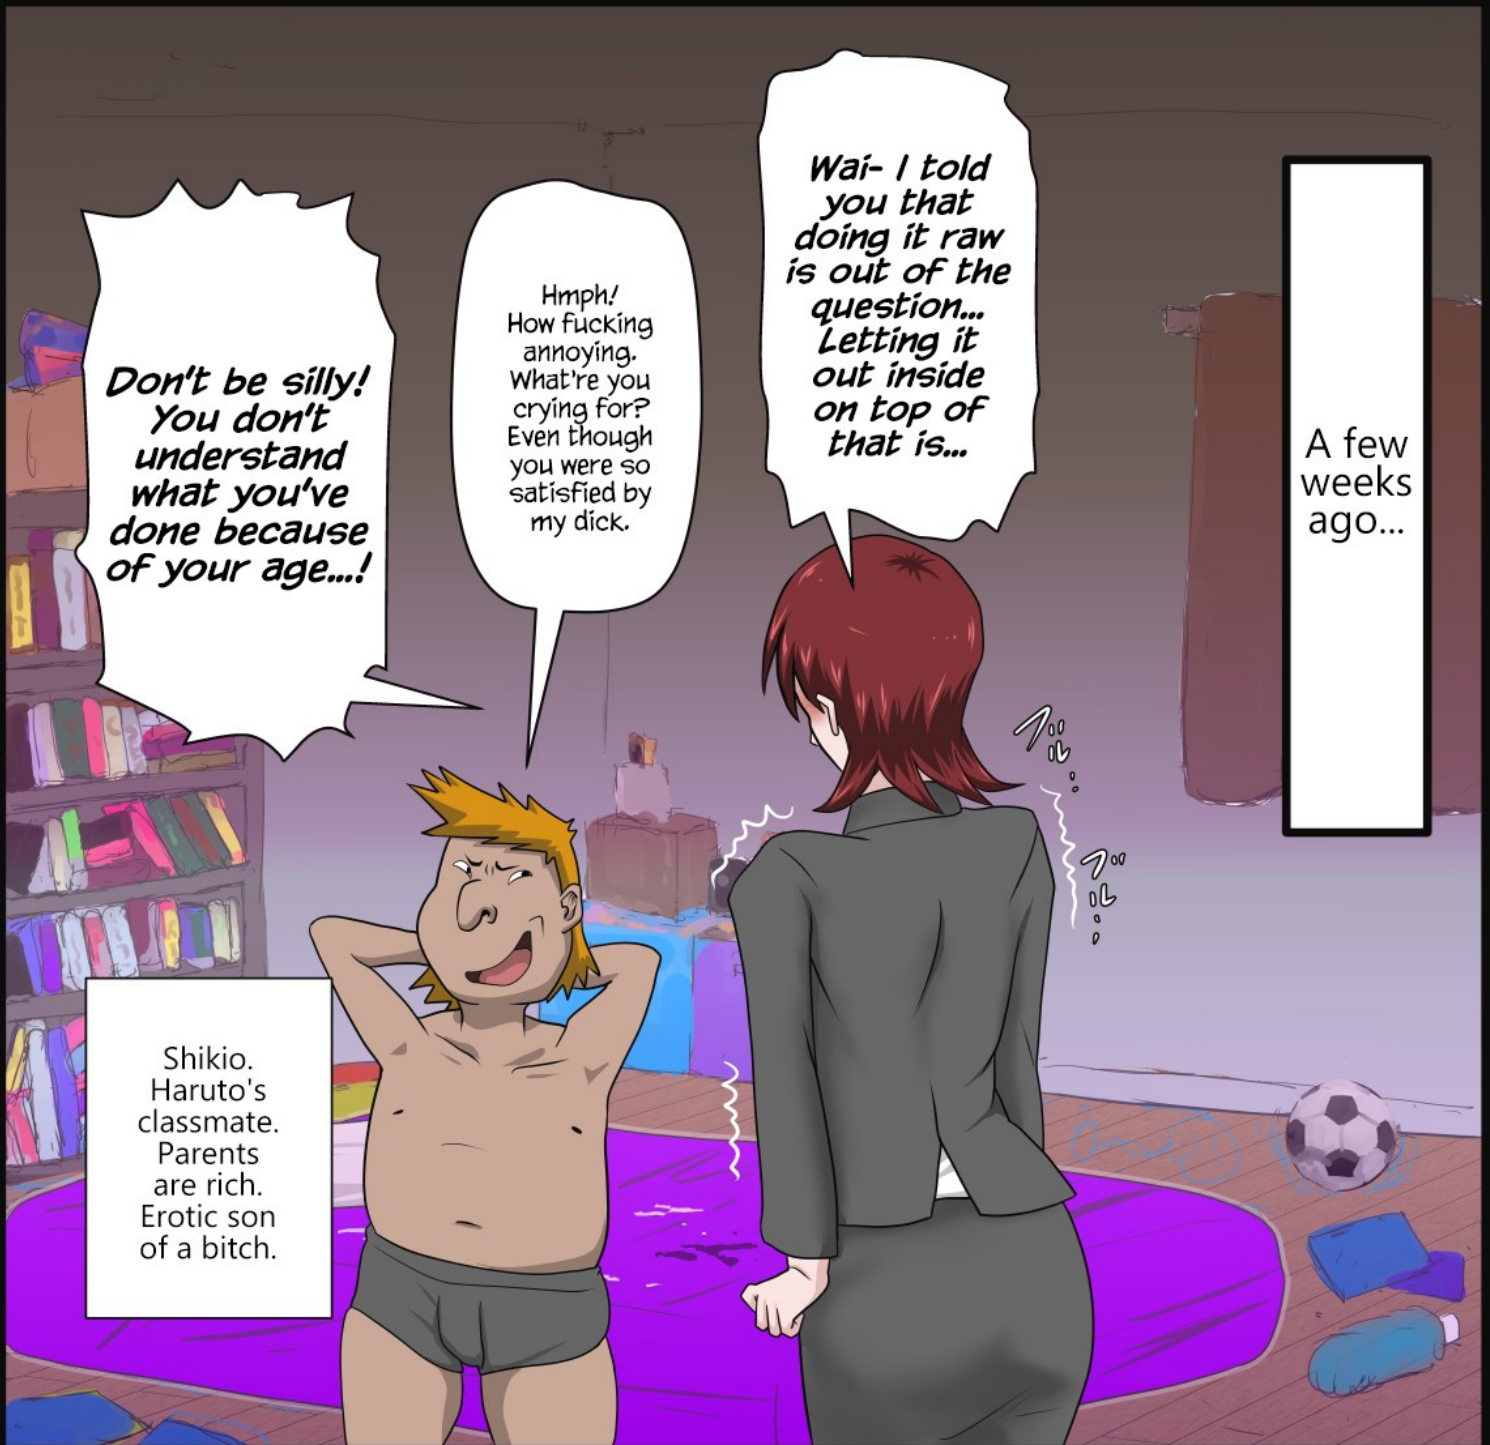

Let's worry about that after you become re-employed, okay?

Yeah! Do your best!

Yeah... you're right! I'll do my best!

**Don't be silly!
You don't
understand
what you've
done because
of your age...!**

Hmph!
How fucking
annoying.
What're you
crying for?
Even though
you were so
satisfied by
my dick.

**Wai- I told
you that
doing it raw
is out of the
question...
Letting it
out inside
on top of
that is...**

A few
weeks
ago...

Shikio.
Haruto's
classmate.
Parents
are rich.
Erotic son
of a bitch.

So...
Come
again,
okay?

Keke... I stole
it from my
dad's room...
I can cum
inside you all
I want now.

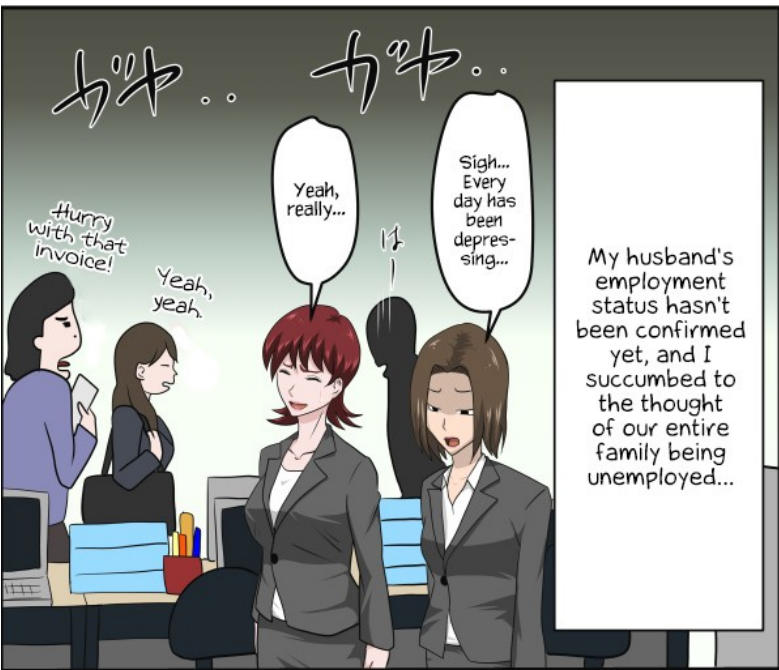

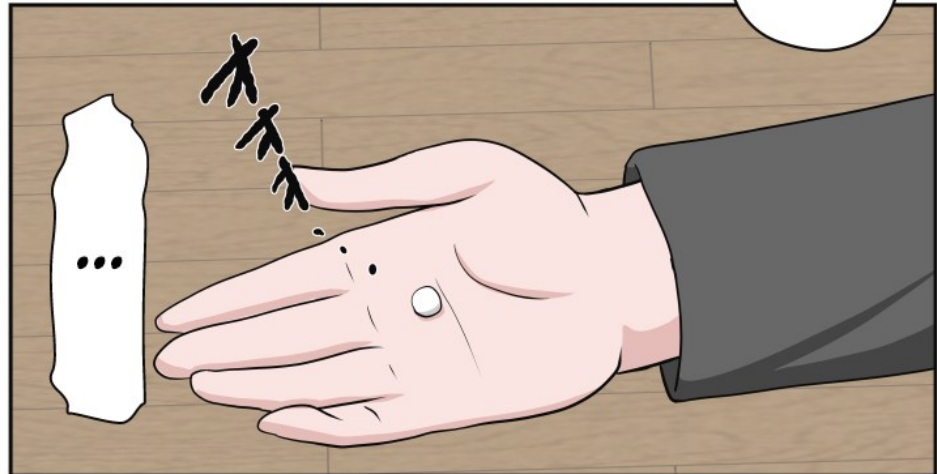

**!? Wh-
Wha-!!
This...
This is...
Where did
you get
something
like this...**

Fuck's
sake...
Alright then,
take these
every day
from now
on.

I'm crazy...
I'm actually crazy...

クワ...

Keke...
Don't worry. I'll buy you the products every time.

Hurry with that invoice!

Yeah, yeah.

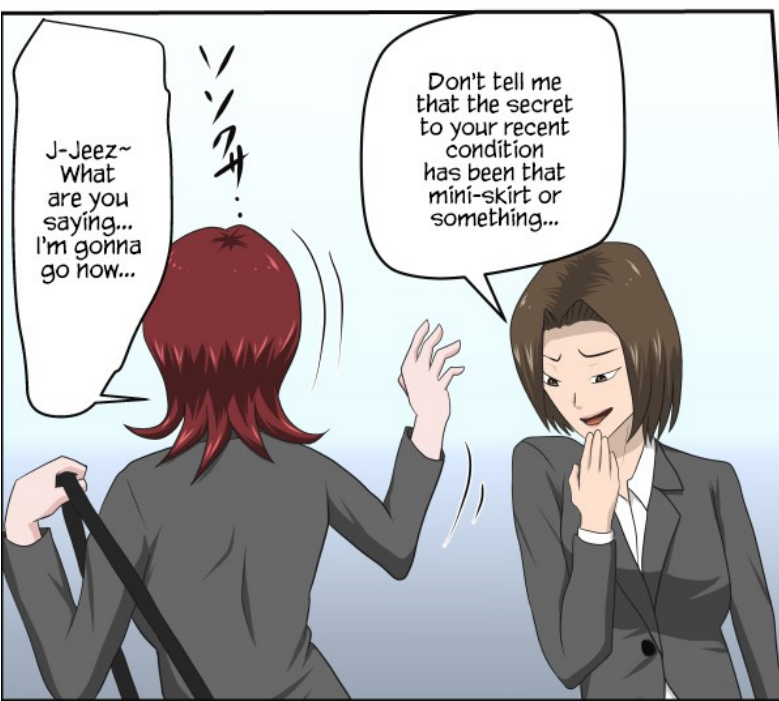

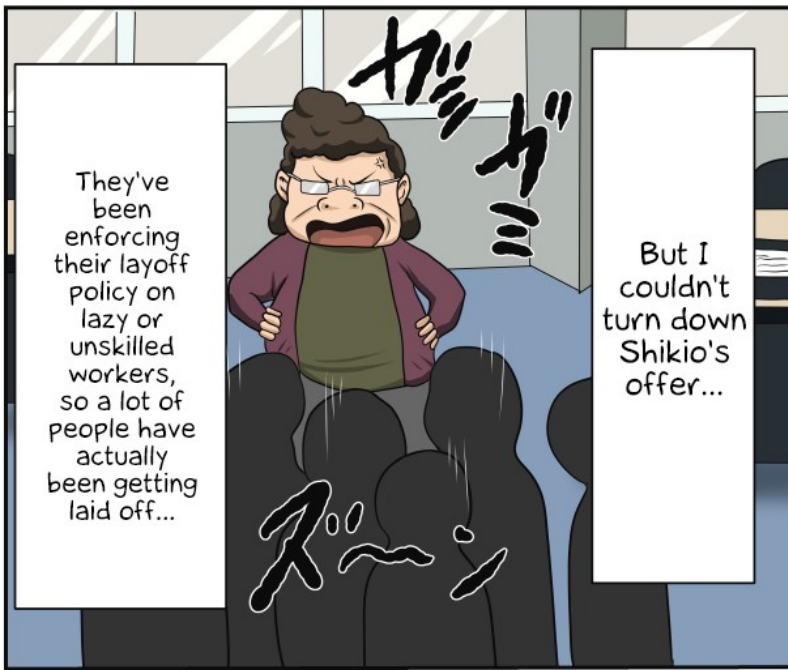

Yeah, really...

Sigh... Every day has been depressing...

My husband's employment status hasn't been confirmed yet, and I succumbed to the thought of our entire family being unemployed...

They've been enforcing their layoff policy on lazy or unskilled workers, so a lot of people have actually been getting laid off...

But I couldn't turn down Shikio's offer...

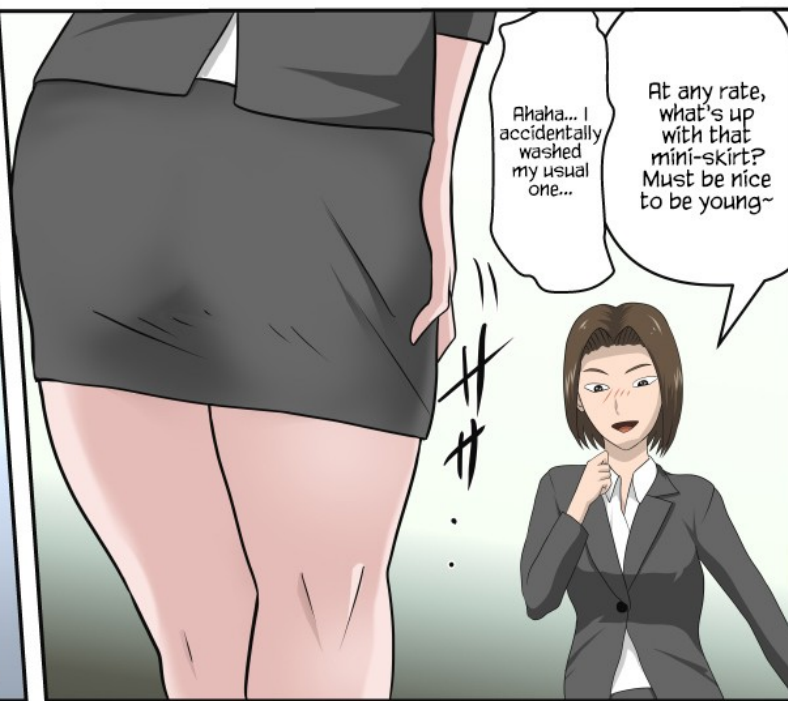

J-Jeez~ What are you saying... I'm gonna go now...

ソソ...

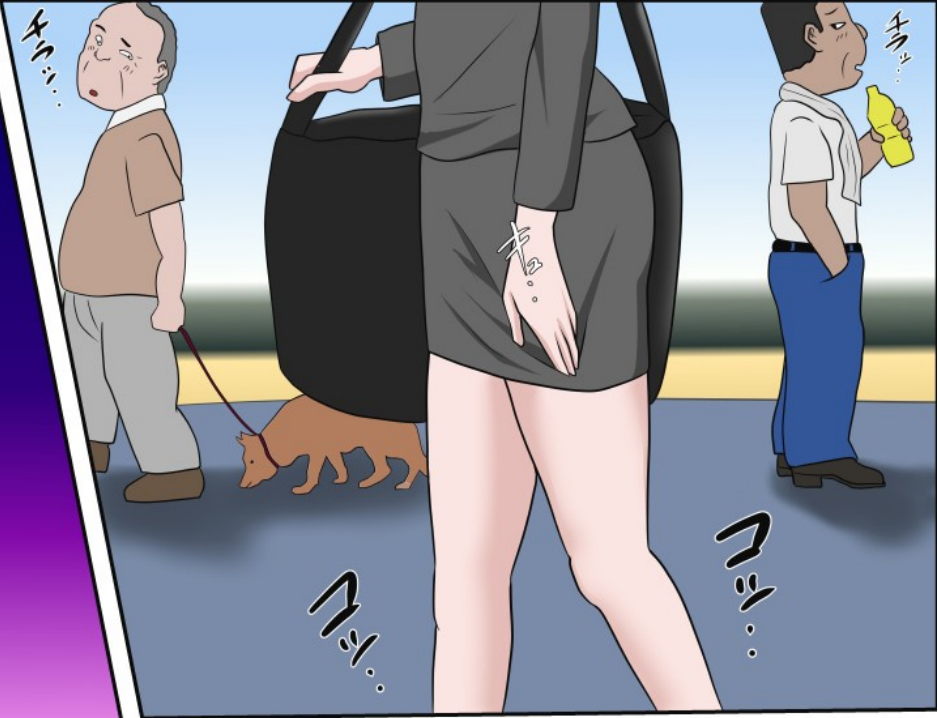

Don't tell me that the secret to your recent condition has been that mini-skirt or something...

Ahaha... I accidentally washed my usual one...

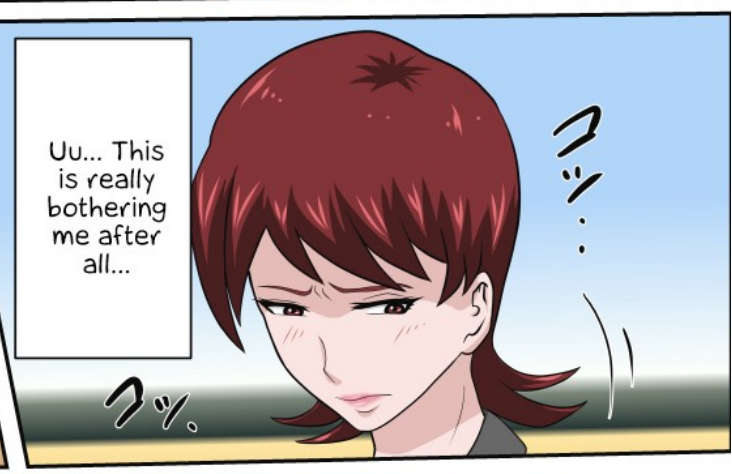

At any rate, what's up with that mini-skirt? Must be nice to be young~

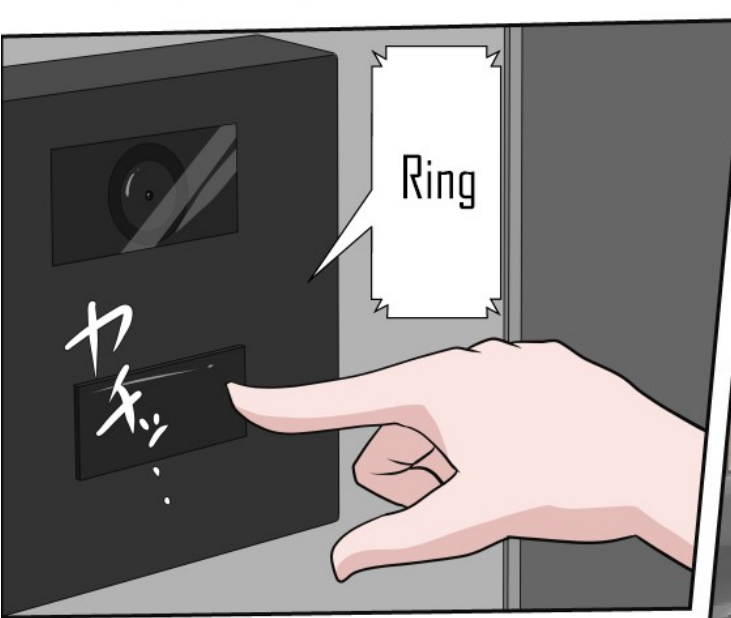

Keke...
Hey, next
time... come
wearing a
dangerously
short
mini-skirt!
You gotta!

Ergh...
Perverted
son of a
bitch...!

Uu... This
is really
bothering
me after
all...

Ring

Keke...
Come
to my
room...

Today
was the
promised
day with
Shikio...

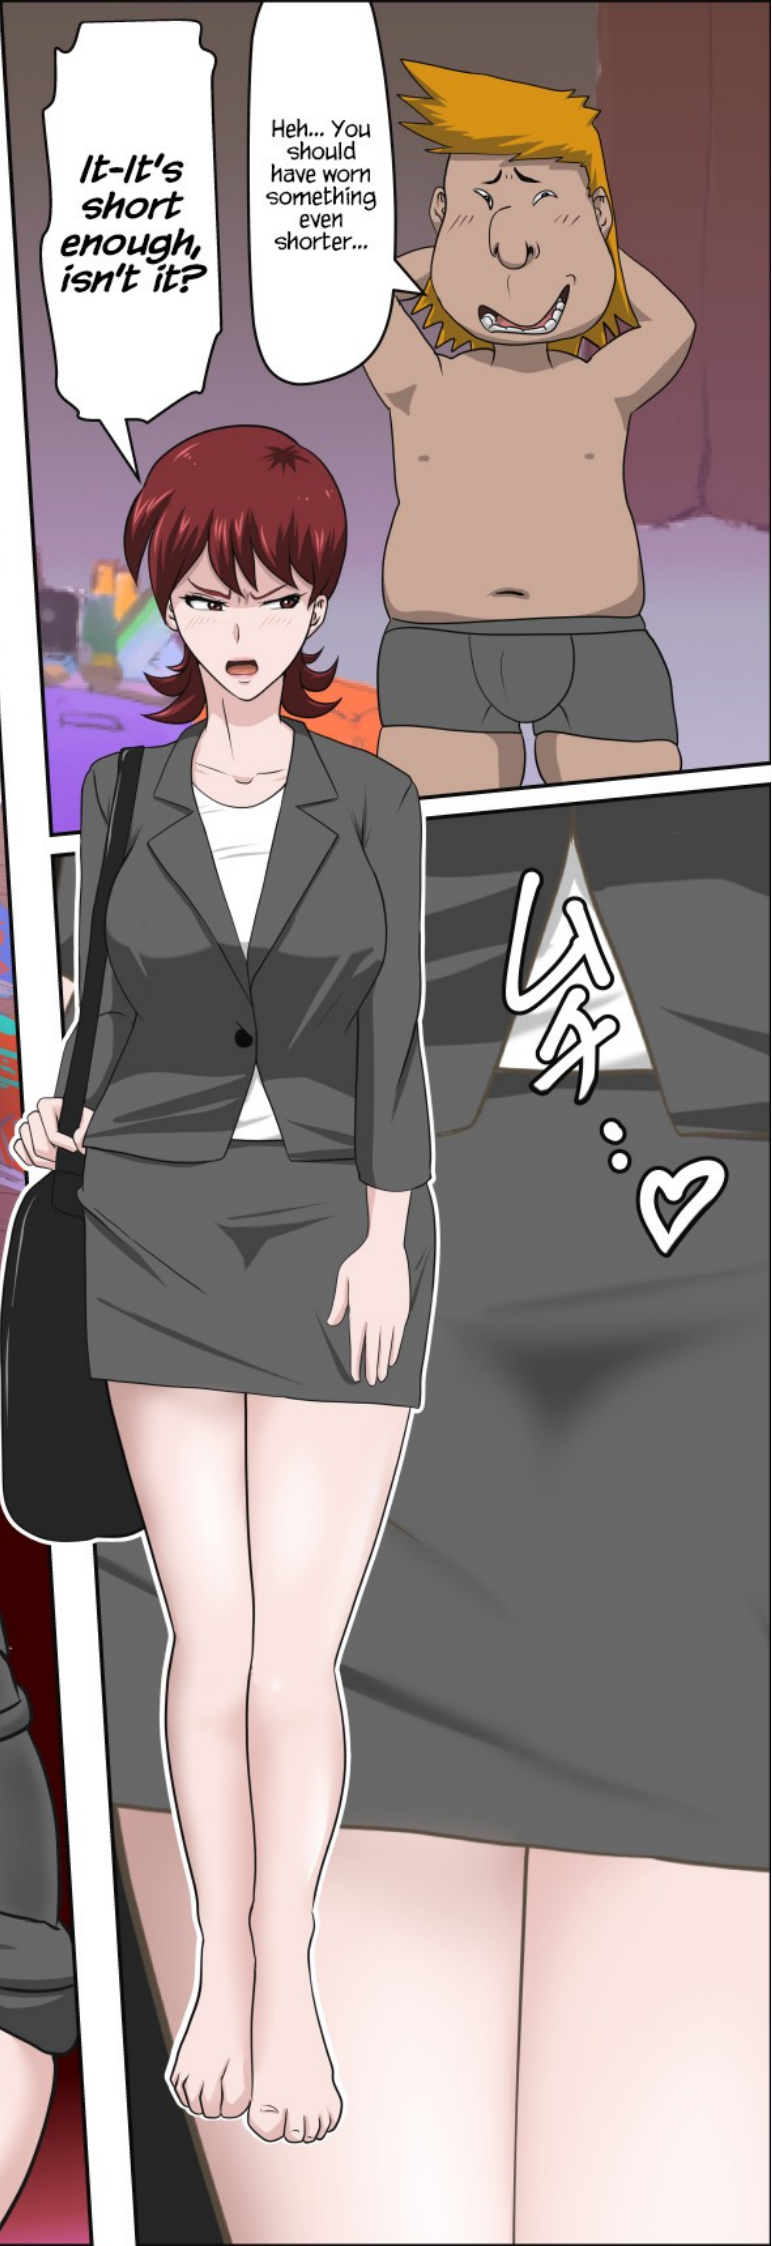

Gehehe... Well, whatever... I'll treat you nicely today as well...

Kuh...

Gehe... Come on... Let's go to my bed...

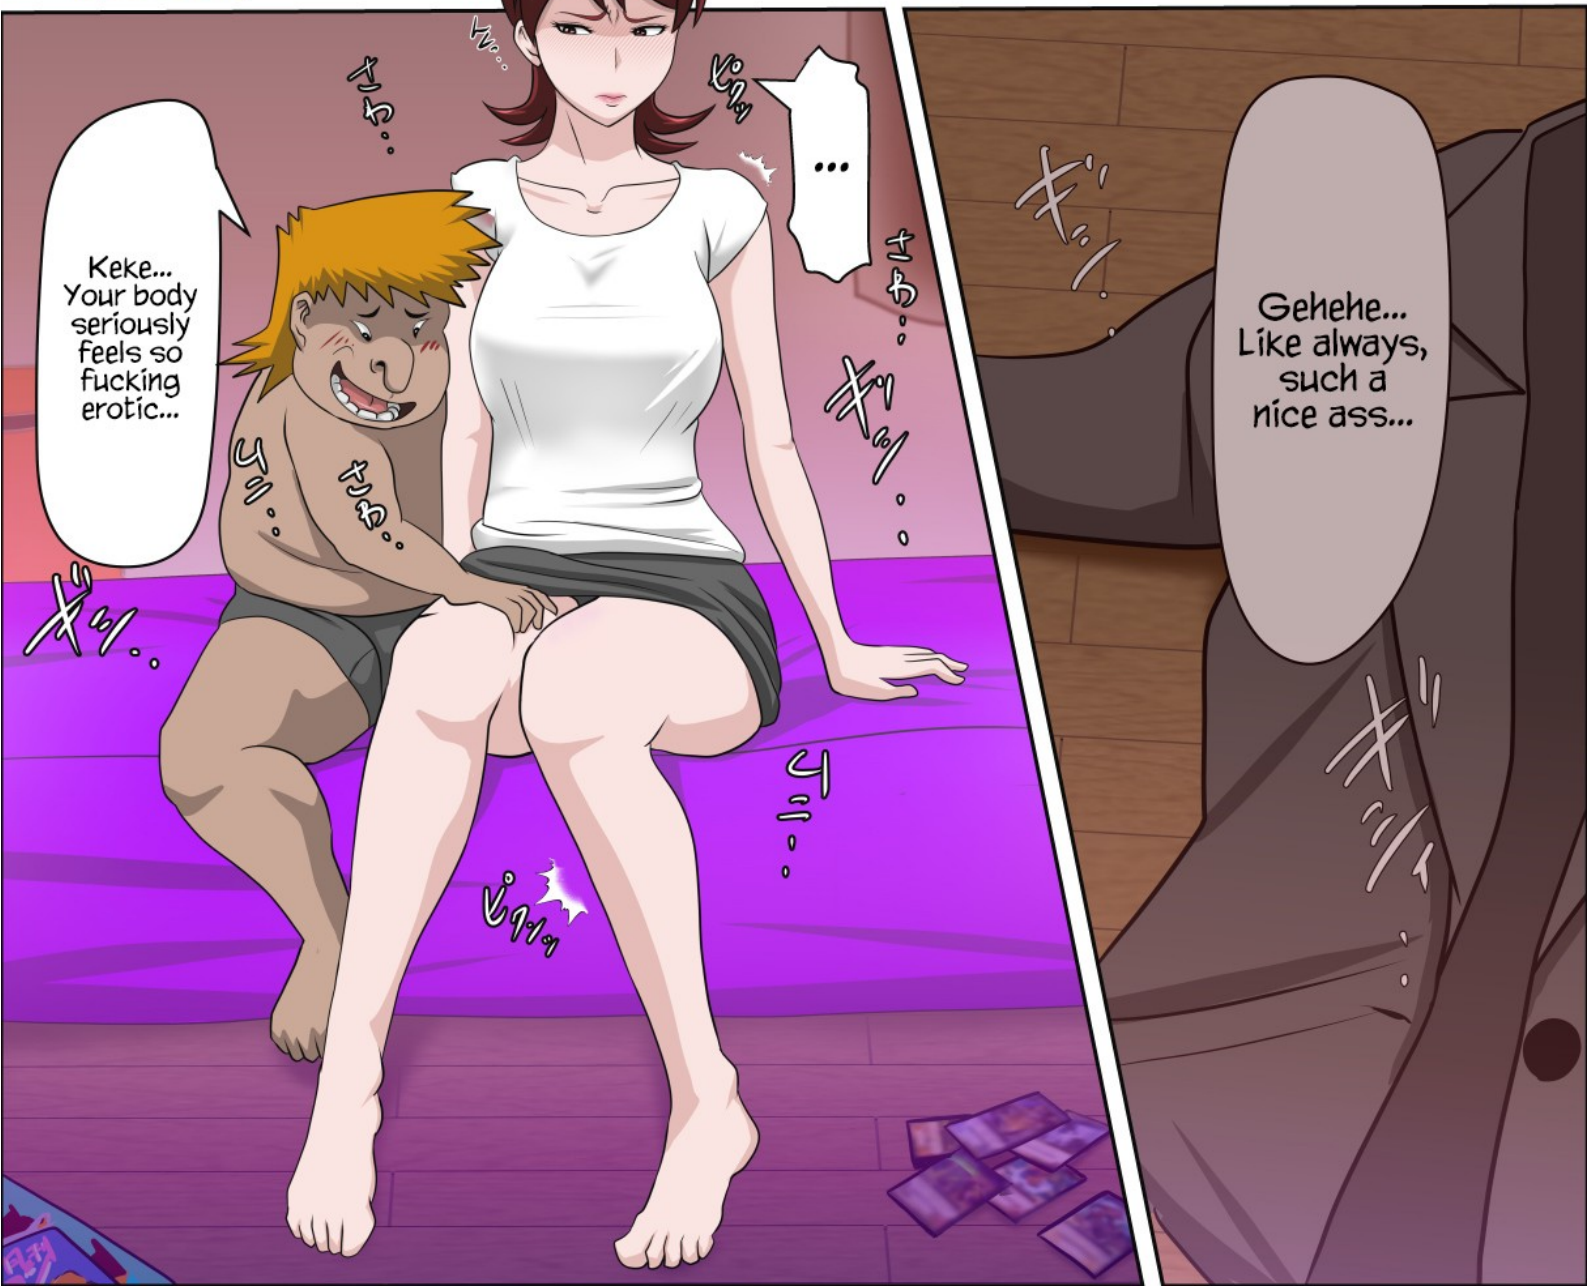

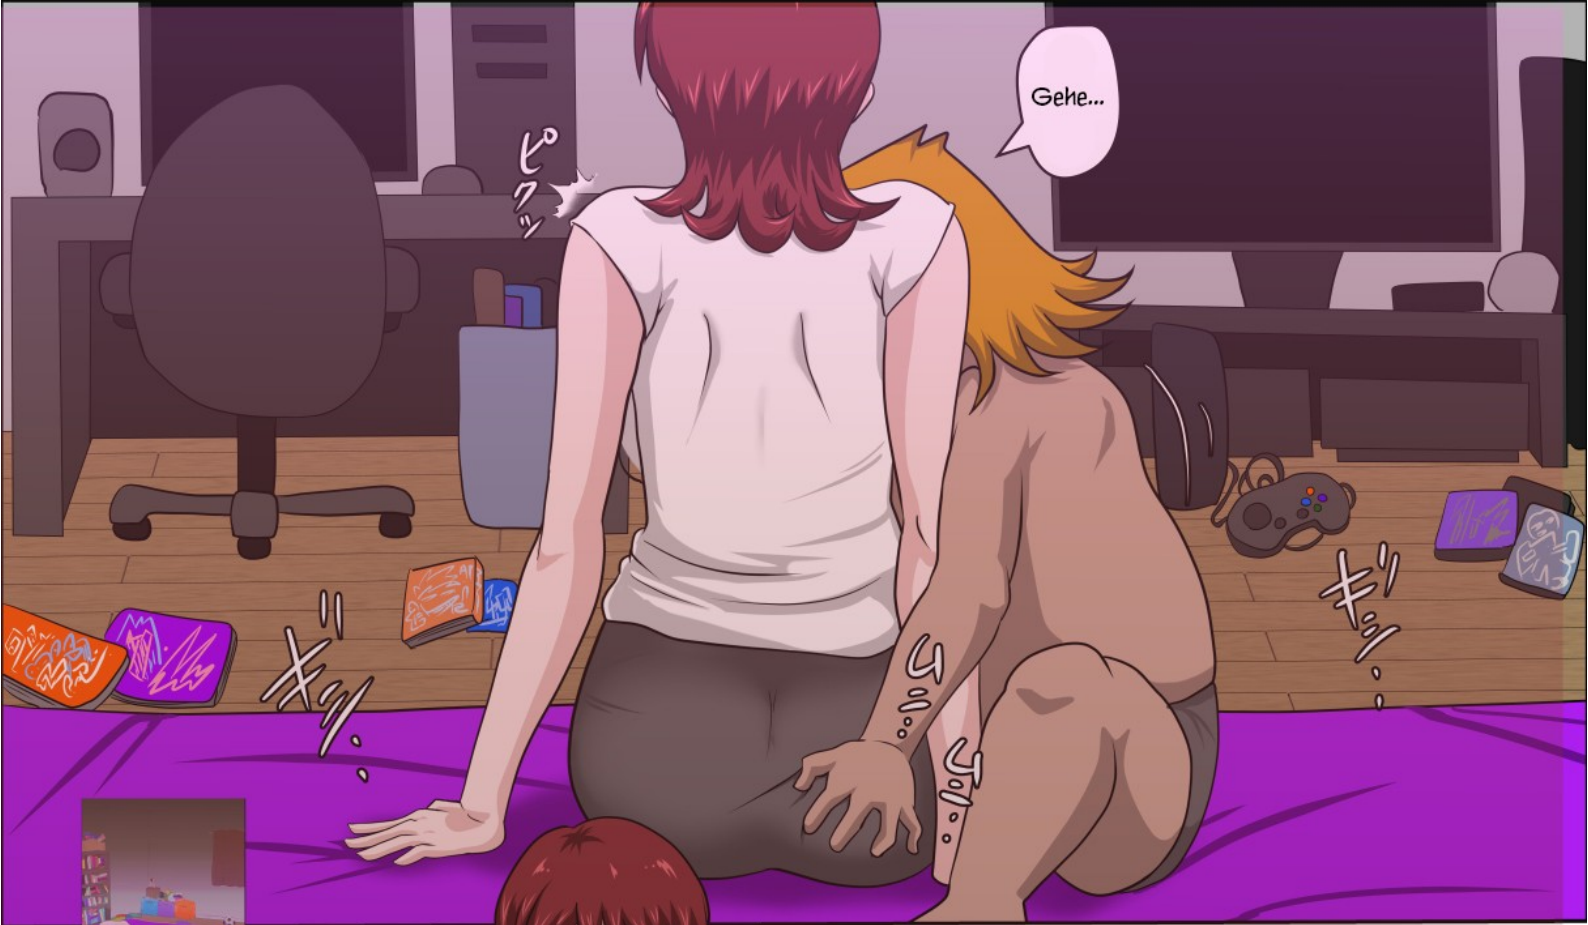

Mm...

It-it's short enough, isn't it?

Heh... You should have worn something even shorter...

シッ...♡

What?
Why?
I gave
you the
pills.

There's
still a
chance
that...

Shi-
Shikio-kun...
You have to
make sure
to put on
a con- a
condom
today,
okay!?

Even if I
can't get
pregnant,
I don't
want him
cumming
inside
me raw
anymore!

ちわ...

ちわ...

ちわ...

Whaaat? What are you saying right now? Even though you were cumming so much from my raw creampie... Even now, you're getting turned on by me rubbing your boobs, aren't you?

Who... would ever...! I'm... only doing this because... I have no other choice...

Keke... I'm telling you, it's fine... It feels better raw. You love my dick too, don't you, Oba-san?

...

Yeah, yeah... Alright.

ゴ

Well then... type your pin number here...

ゴ...

What~? But you came so much and squeezed on my dick so much. That's actually so fucking erotic.

I didn't... do that...

I'm... gonna leave the product here, so!

It's because you begged so much for my semen.

Keke... Ah, I came too fuckin' much~

ゴ

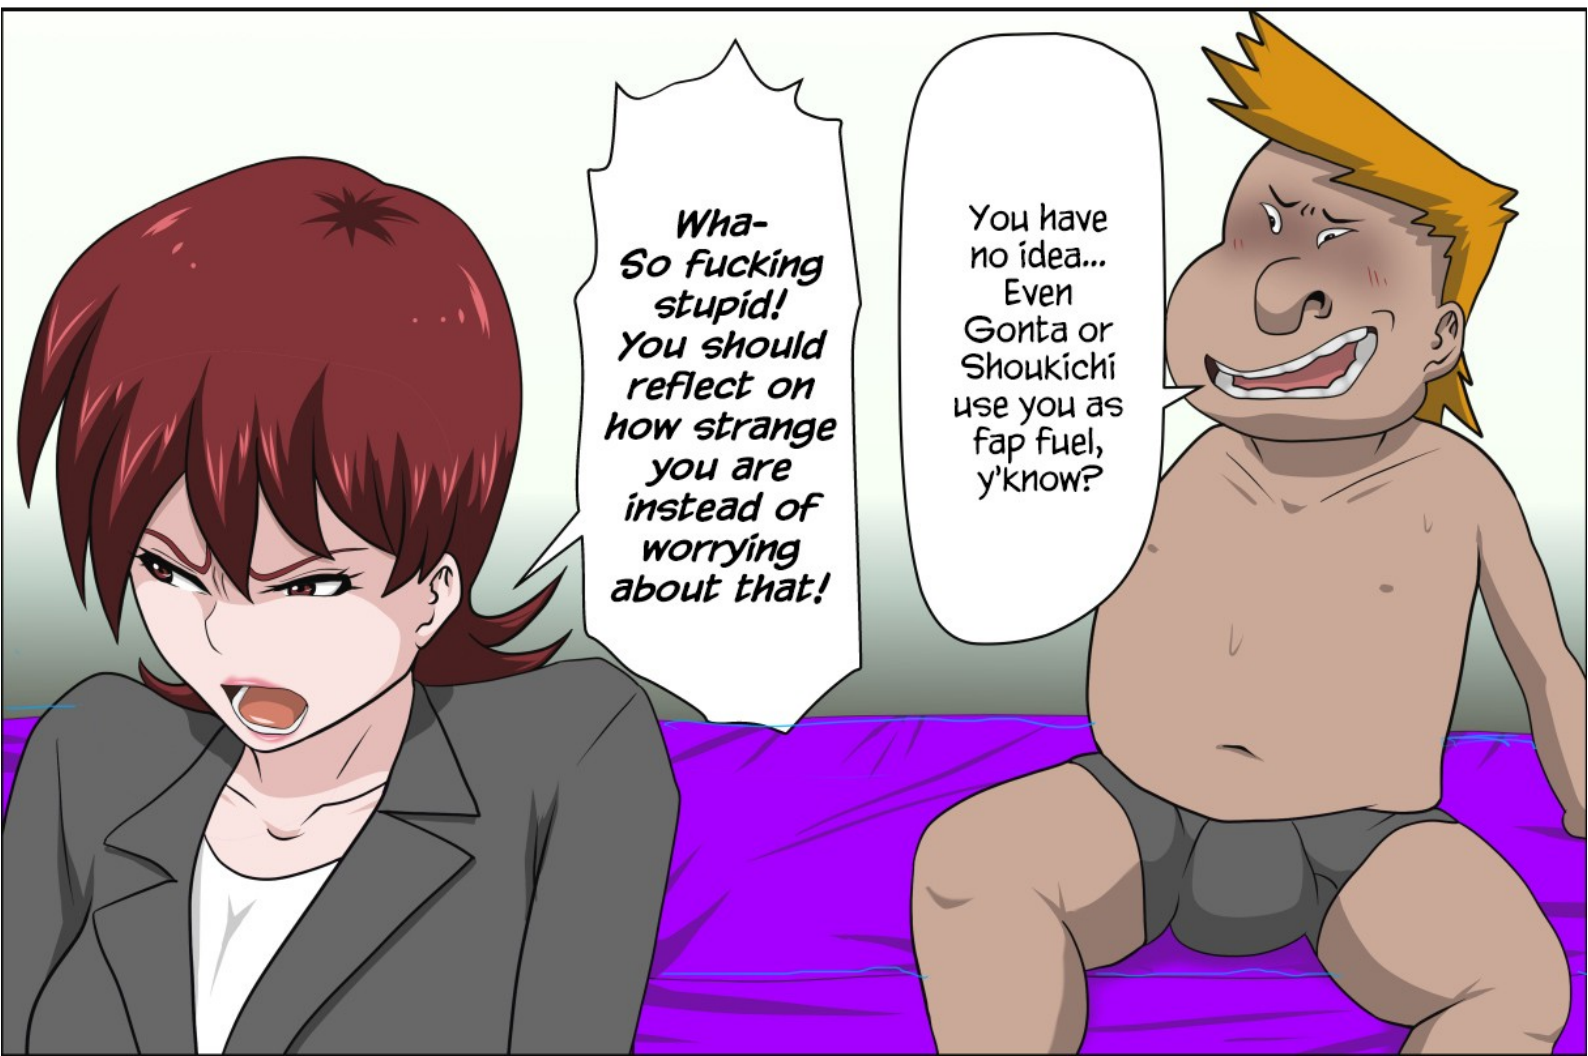

You're the weird one here!

What...? There's no way that's true.

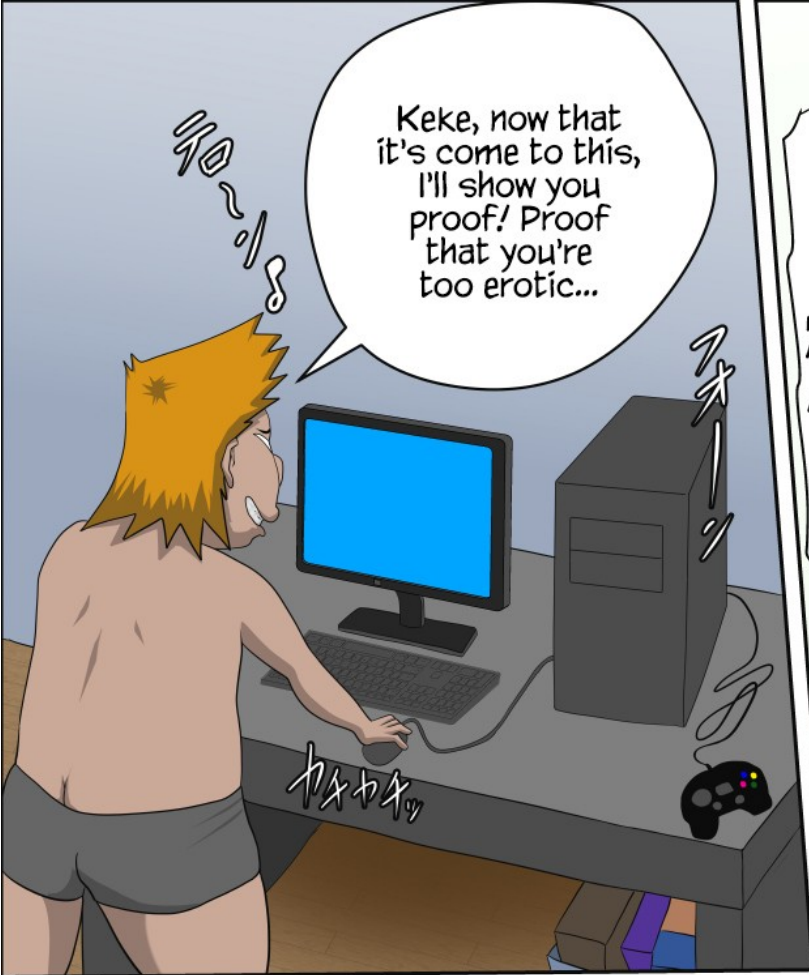

You're seducing men left and right just by walking around.

Y'know, about your body... First off, it's so sexy on the outside... I was turned on when I first saw it...

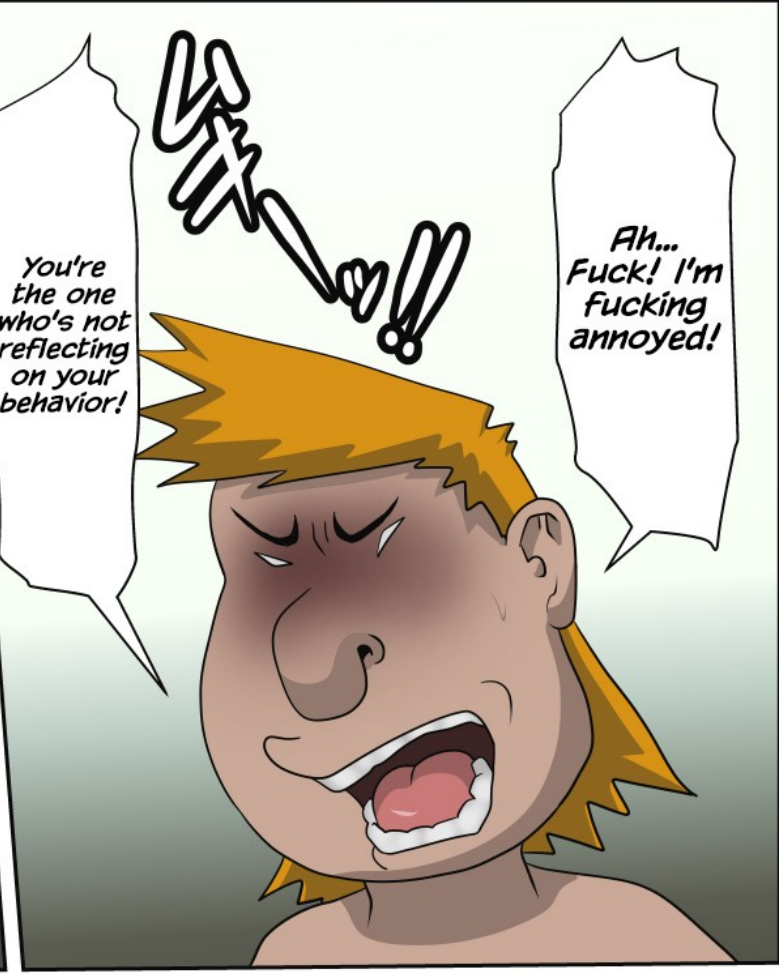

**Wha-
So fucking stupid!
You should reflect on how strange you are instead of worrying about that!**

You have no idea... Even Gonta or Shoukichi use you as fap fuel, y'know?

Keke, now that it's come to this, I'll show you proof! Proof that you're too erotic...

You're the one who's not reflecting on your behavior!

Ah... Fuck! I'm fucking annoyed!

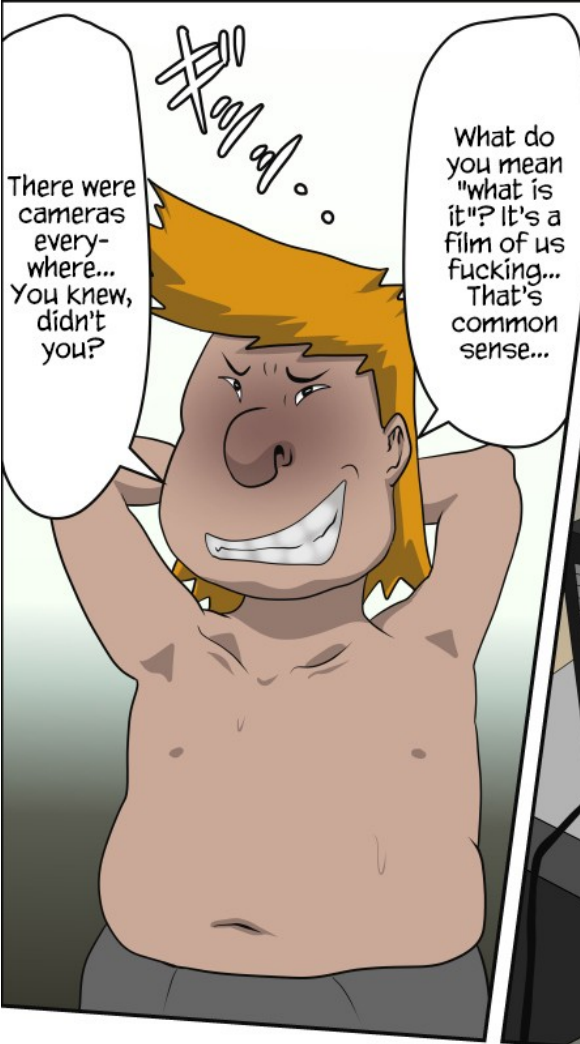

See~? Look at this~

Nn... Ah... Haa ♡ Ah ♡

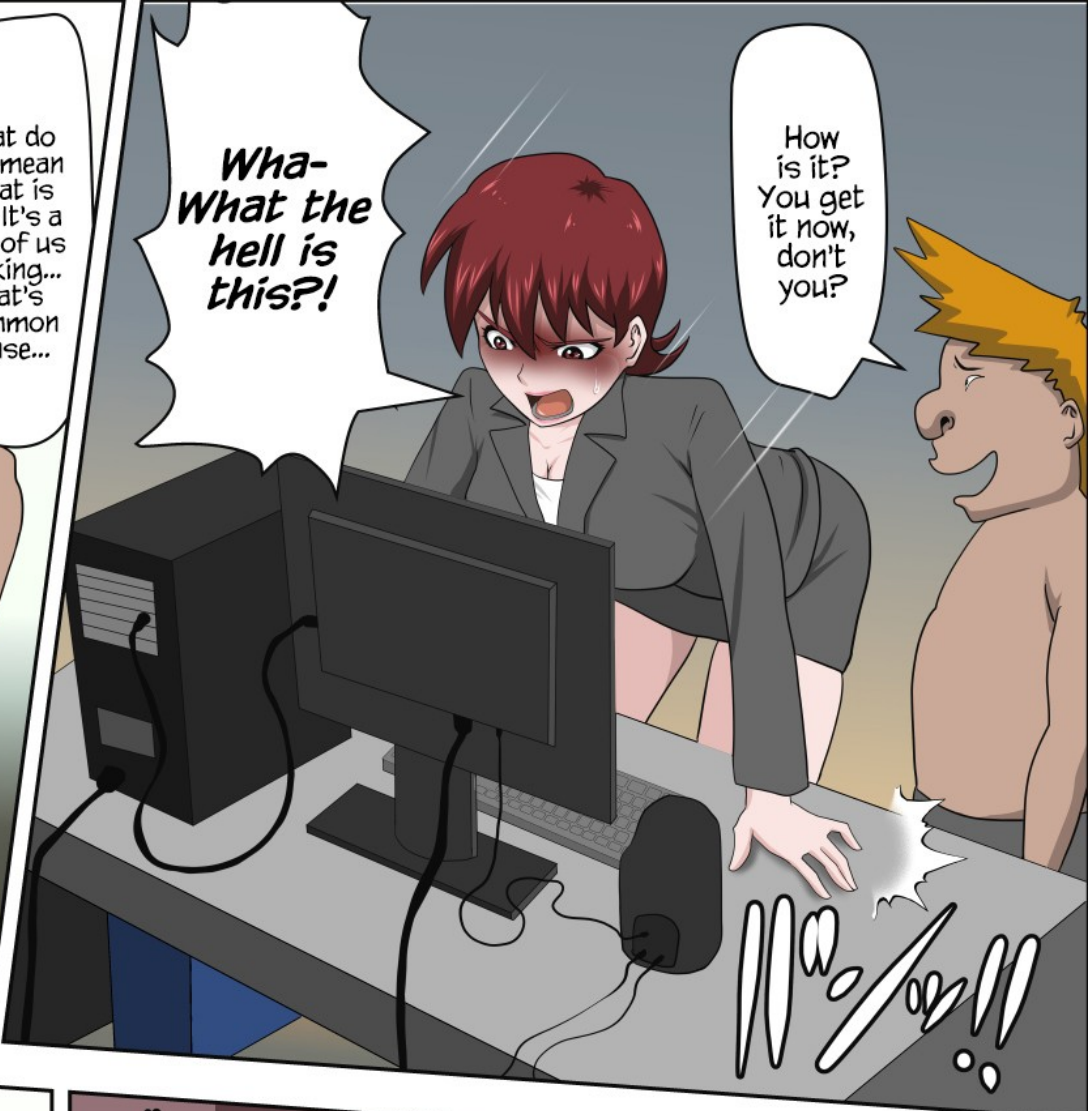

...? Uh... I'm gonna go now, so...

There were cameras everywhere... You knew, didn't you?

Handwritten scribbles.

What do you mean "what is it"? It's a film of us fucking... That's common sense...

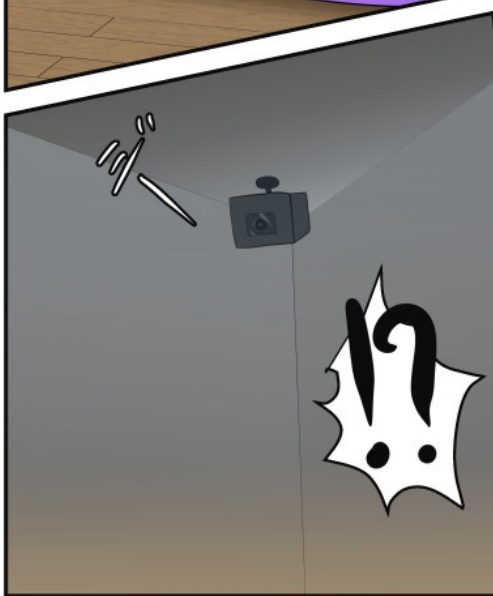

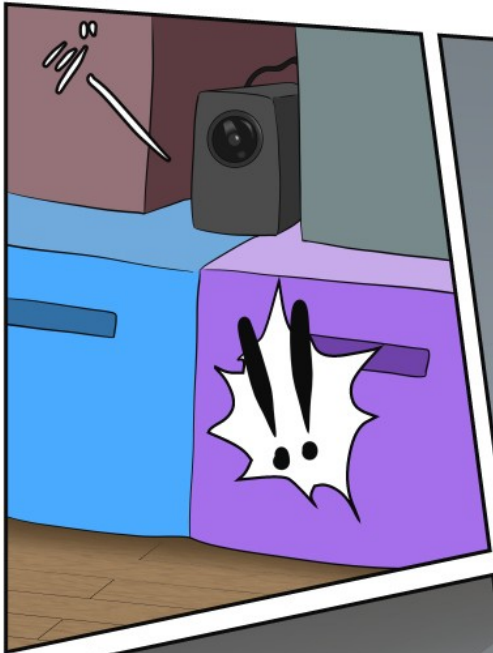

Wha- What the hell is this?!

How is it? You get it now, don't you?

So... How 'bout it? You're really lewd, aren't you? It's 100 times better than some shitty AV...

Ah ♡ Haa ♡

Th-That's... Cameras...?

Wai-
No...

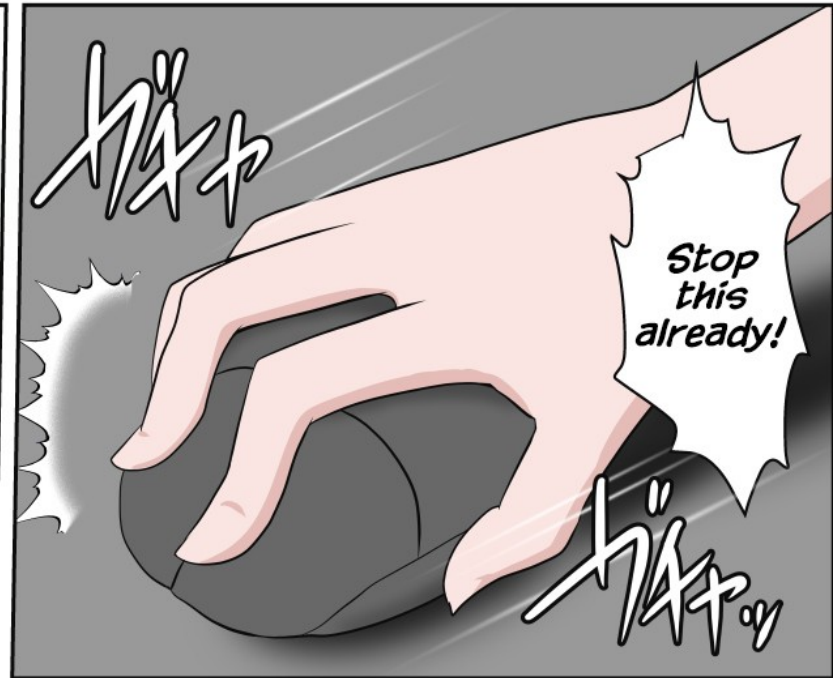

So good ♡
Mm... Ah... ♡
Cumming ♡
Mmph.. ♡
Aaahh ♡

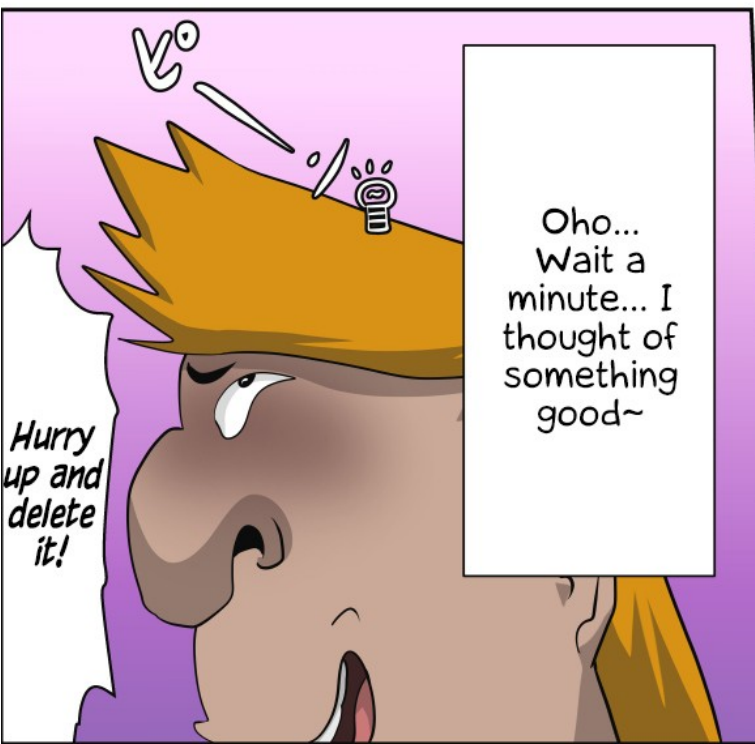

You
pervert!
XXXX!
Delete it

now!

How
fucked
up are
you?!

Stop
this
already!

Oho...
Wait a
minute... I
thought of
something
good~

Hurry
up and
delete
it!

Huuuh?
Fuck did
you just
say to
me?!

Do you
fucking
understand
what kind
of position
you're in?!

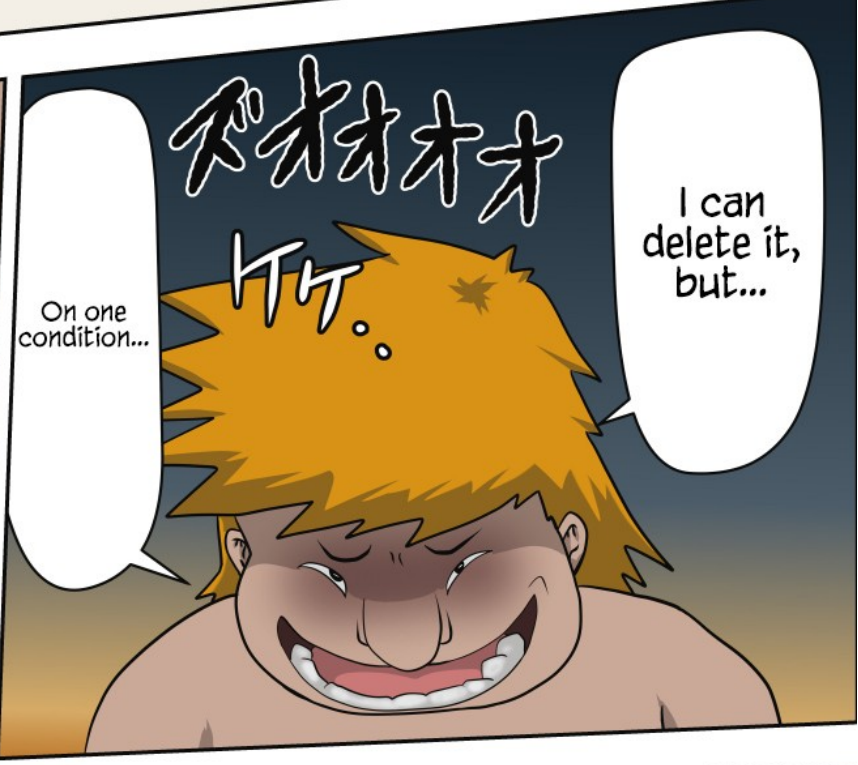

Saeko's house...

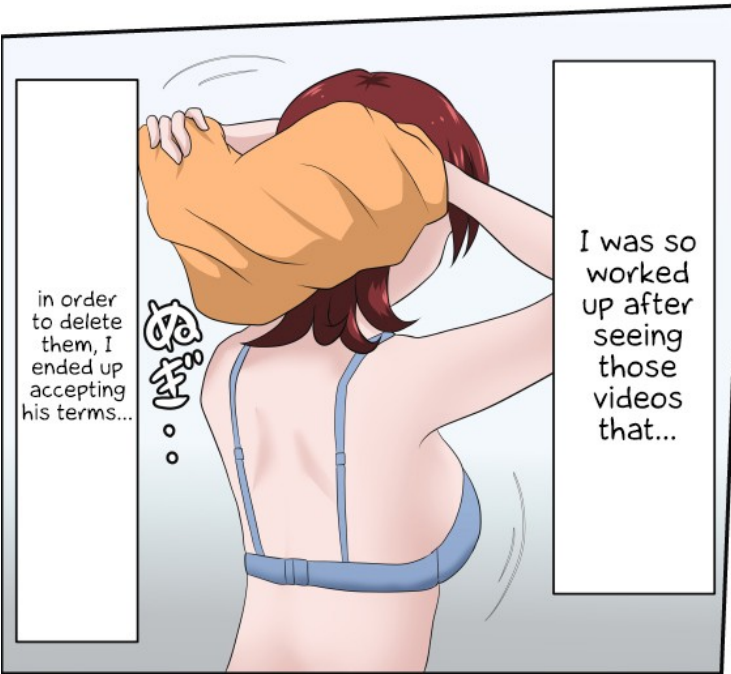

About ten days later...
After dinner...
Before evening...

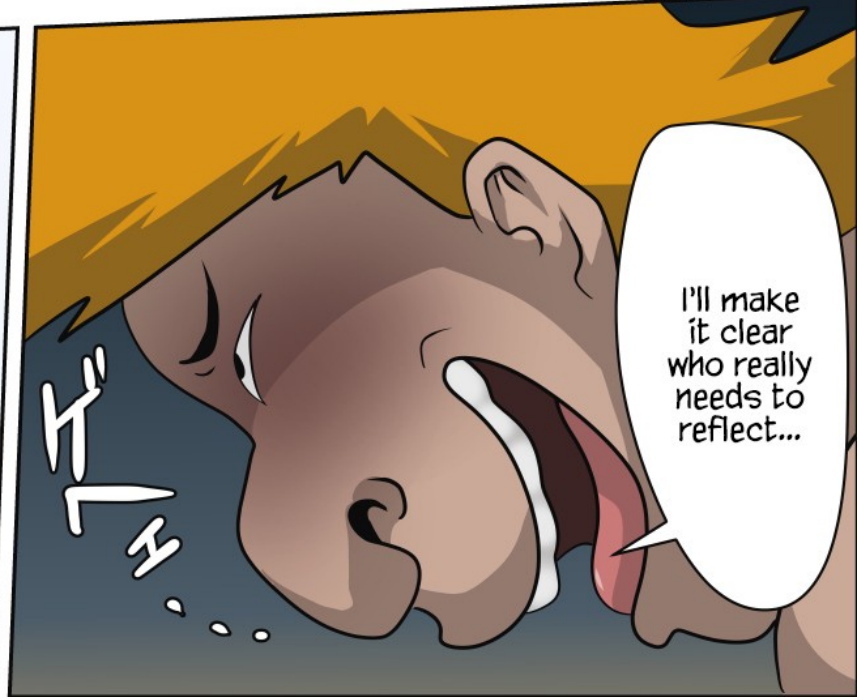

Shikio gave me a certain condition in exchange for deleting the videos... An outrageous condition...

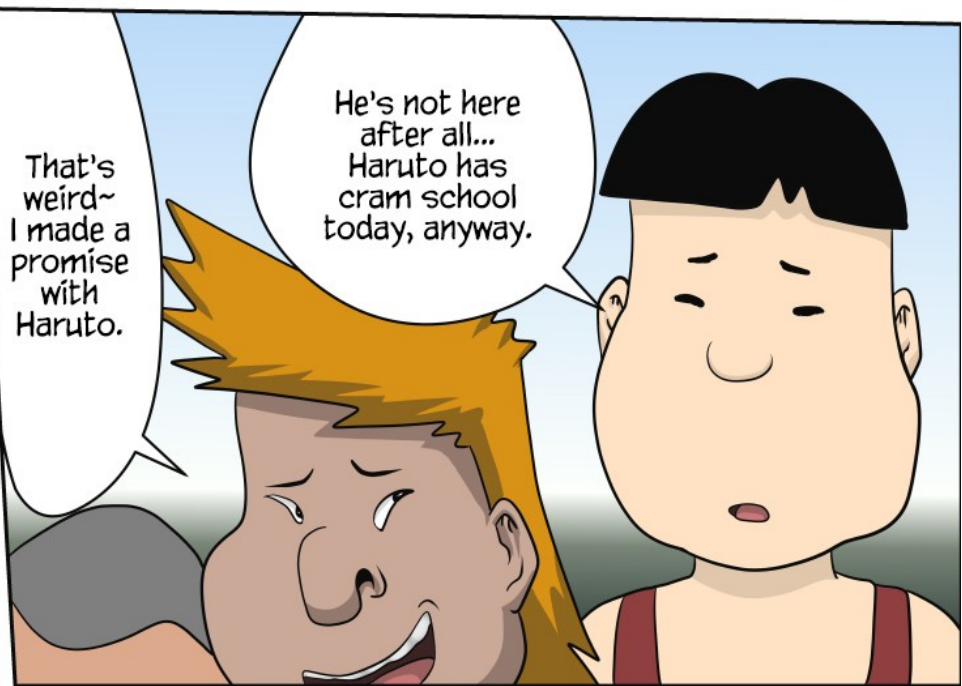

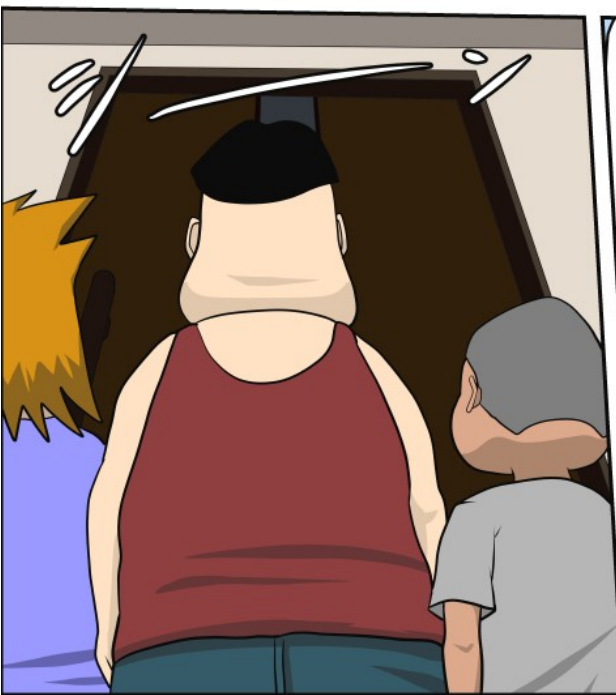

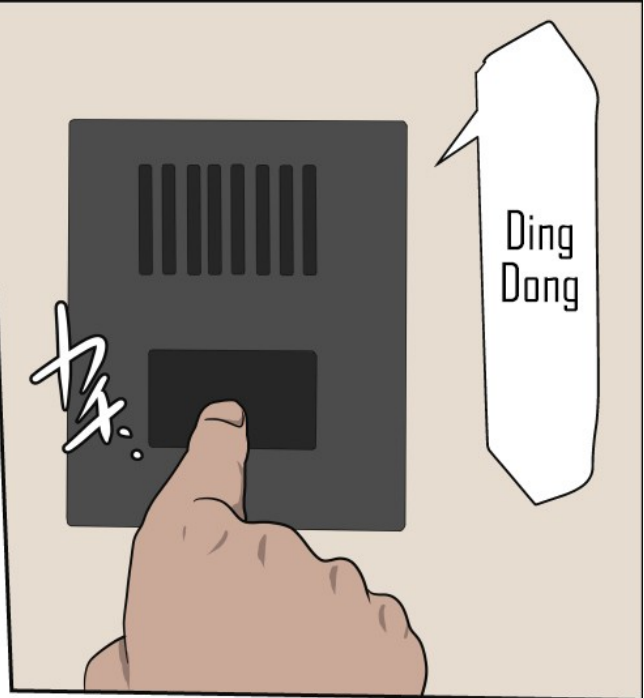

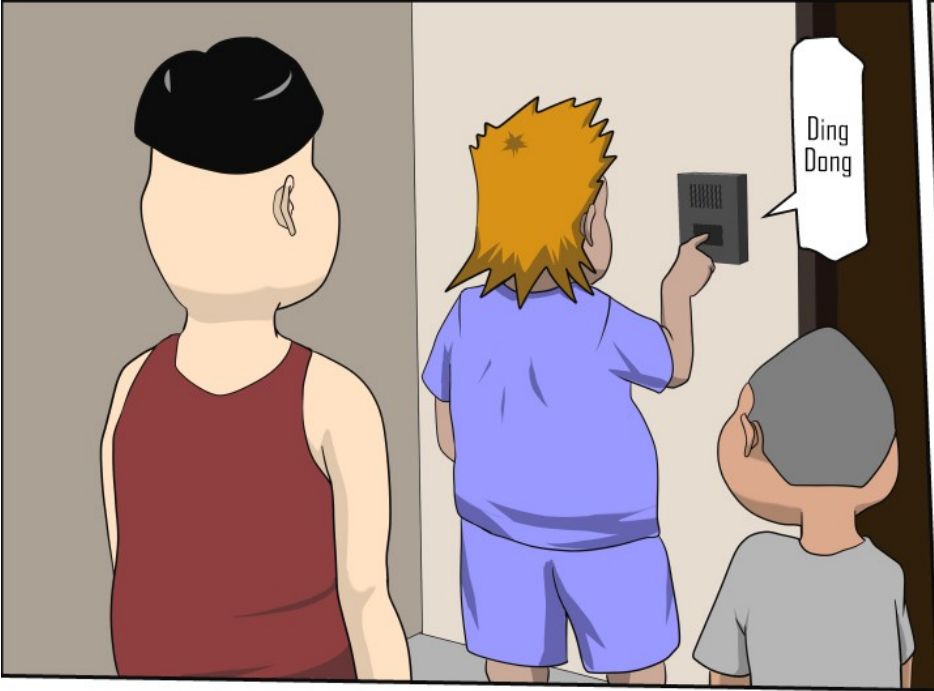

I can delete it, but...

I was so worked up after seeing those videos that...

I'll make it clear who really needs to reflect...

He-Hello...

ケケ

Ge he!

Oh... Oh my... Hello, you all...

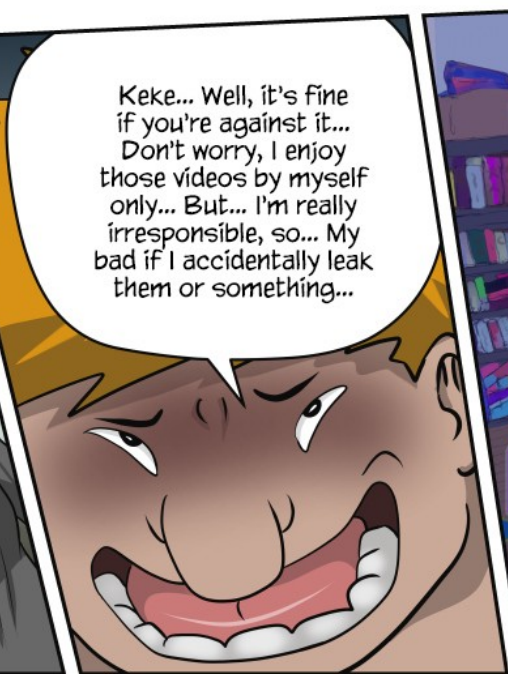

ケケ...

Gehya, that's right!

Guh... You... Al... right...

I... have to delete them at all costs...

Keke... Well, it's fine if you're against it... Don't worry, I enjoy those videos by myself only... But... I'm really irresponsible, so... My bad if I accidentally leak them or something...

It's fine, isn't it? If it's as you say it is, then they won't care at all, much less look at you, right?

Wha-

I'm not gonna delete the videos then-

There's no way I could do that!

I'm on paid leave for today... I've completed all my tasks, so that should be flexible...

It's a lie... Haruto and my husband won't be back until late today...

えええ

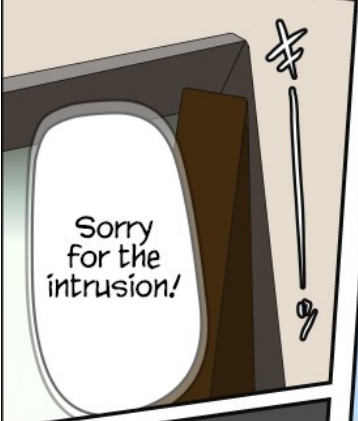

Everything, including this outfit, is according to Shikio's instructions...

Uhm... Ha... Haruto's at cram school, but he'll be back soon...

Eh... Is... that so...

えええ

Sorry for the intrusion!

Oh... Okay... Then...

Ooh, let's do that!

You guys can... all wait inside...

Uu... If my neighbors see me like this... I need to go inside quickly...

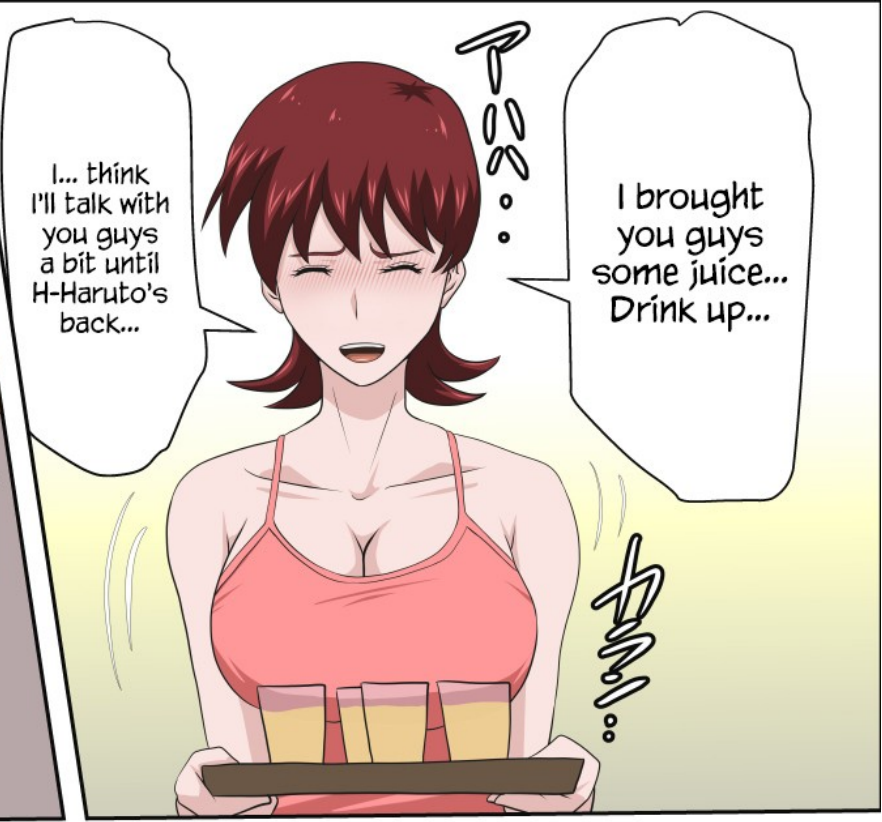

Ah... Thank you...

Sigh~

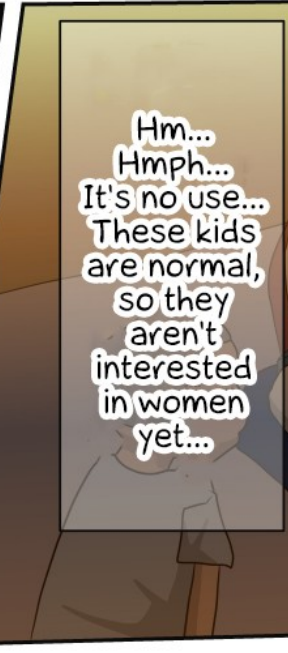

Th... You...

Alright... Mmph...

I... think I'll talk with you guys a bit until H-Haruto's back...

I brought you guys some juice... Drink up...

Hm... Hmph... It's no use... These kids are normal, so they aren't interested in women yet...

After this, Shikio's planning on enticing them...

Ahaha, really?

Heh... Heh...

No... It can't be... I'm imagining things...

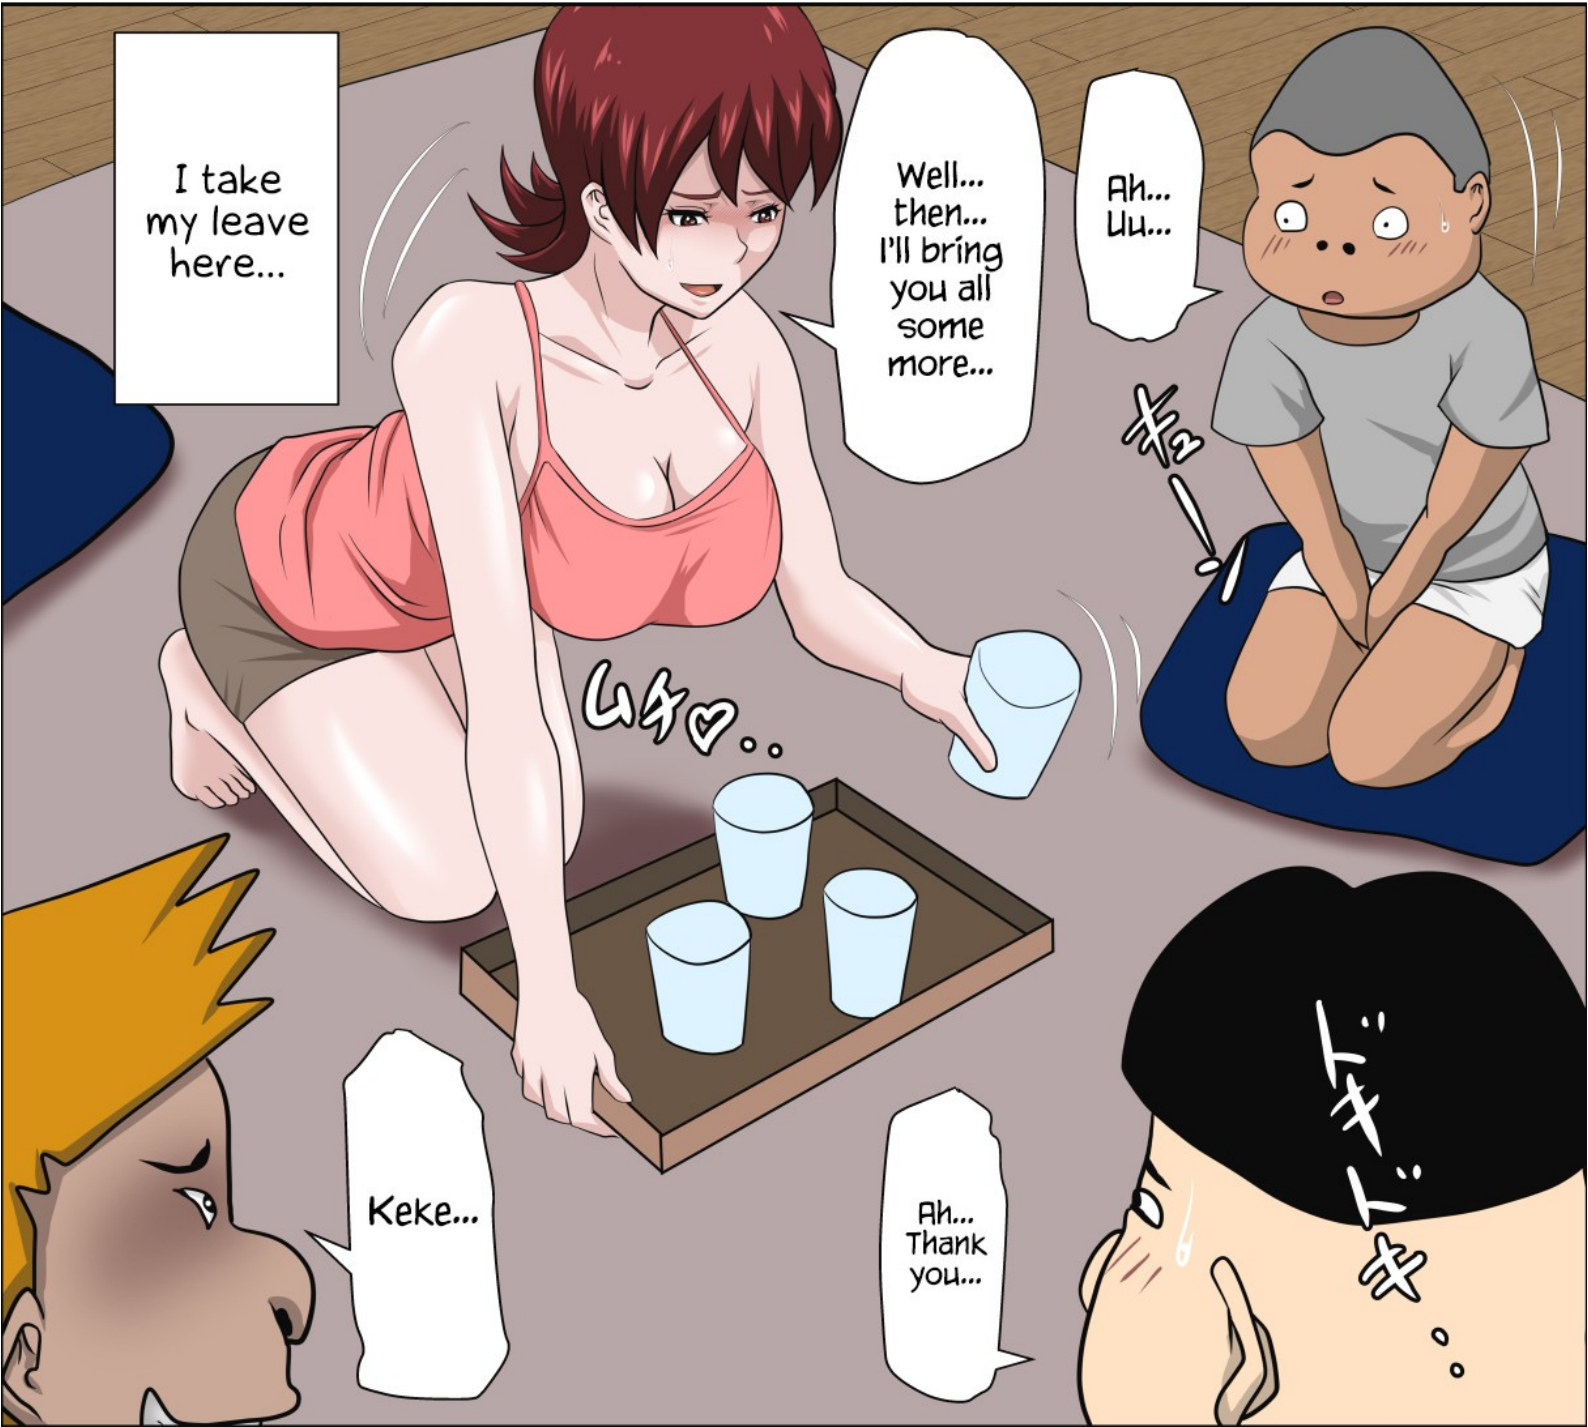

It feels like they've been glancing at me...

But... these kids...

That's the signal...

Ah... Oba-san, gimme more!

I take my leave here...

Well... then... I'll bring you all some more...

Ah... Uu...

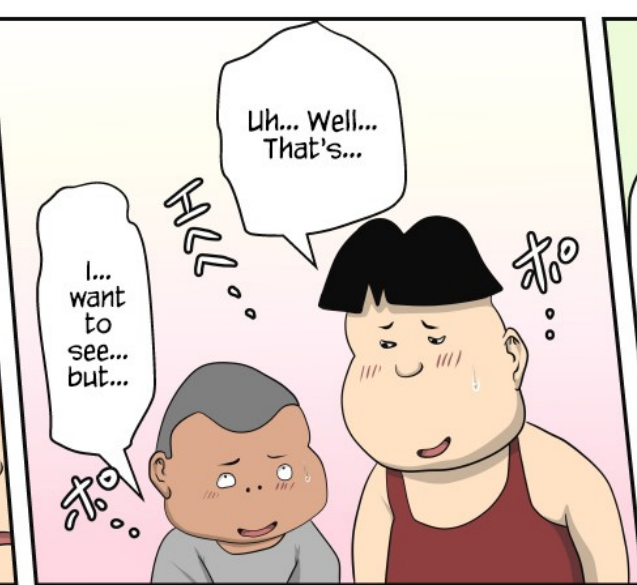

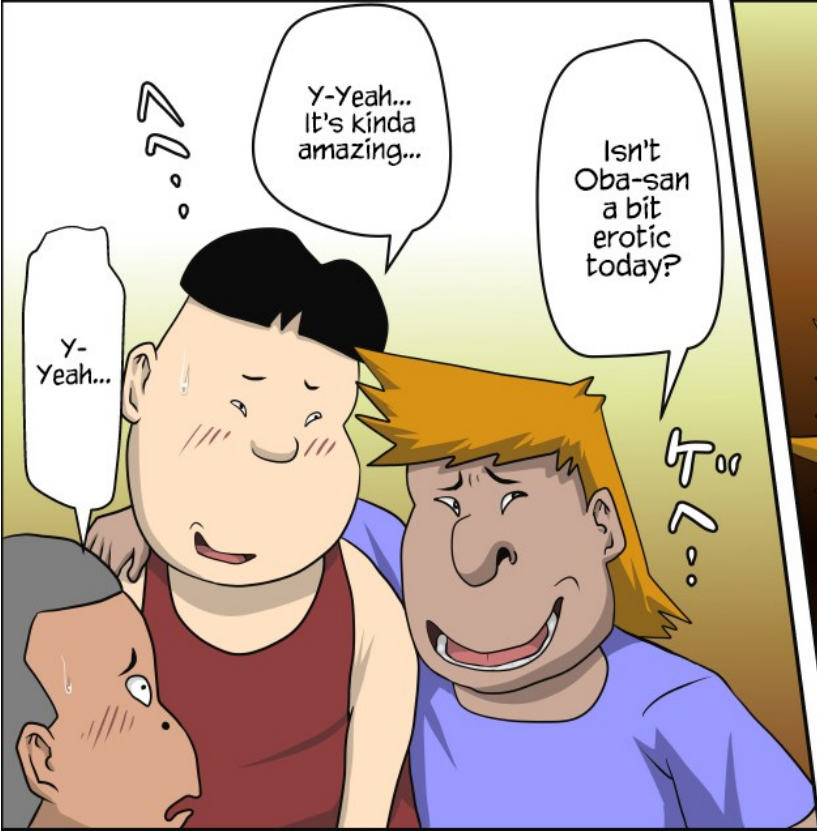

✖

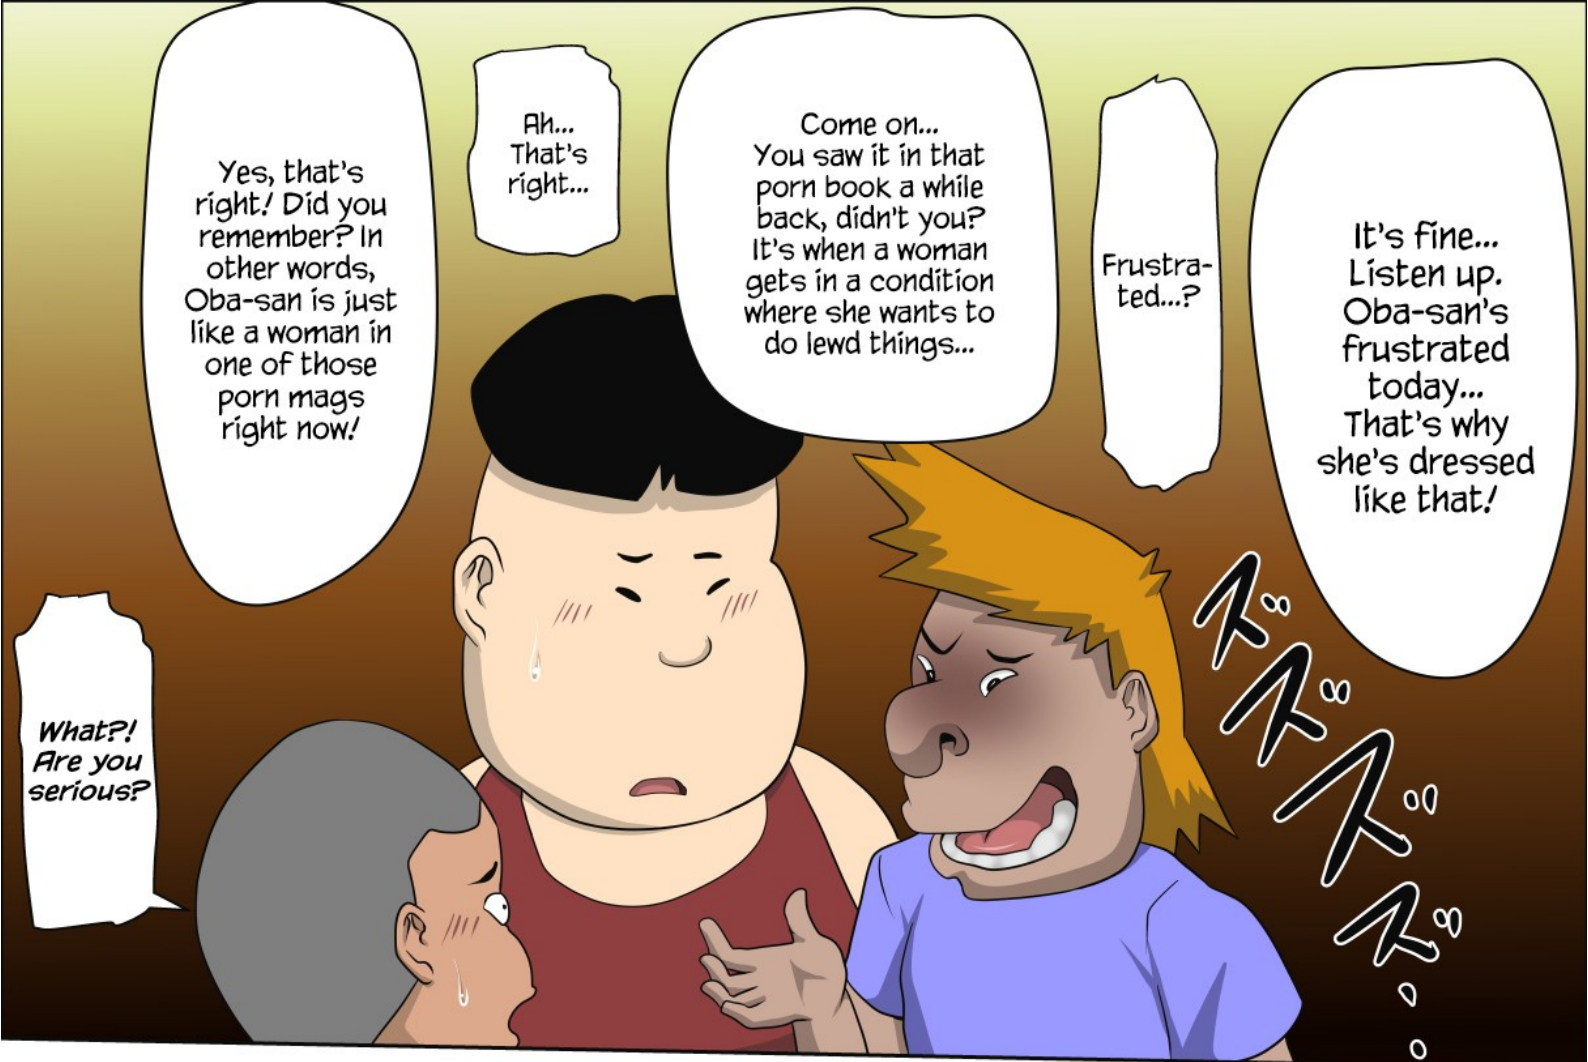

Lily♡..

Keke...

Ah... Thank you...

Yes, that's right! Did you remember? In other words, Oba-san is just like a woman in one of those porn mags right now!

Ah... That's right...

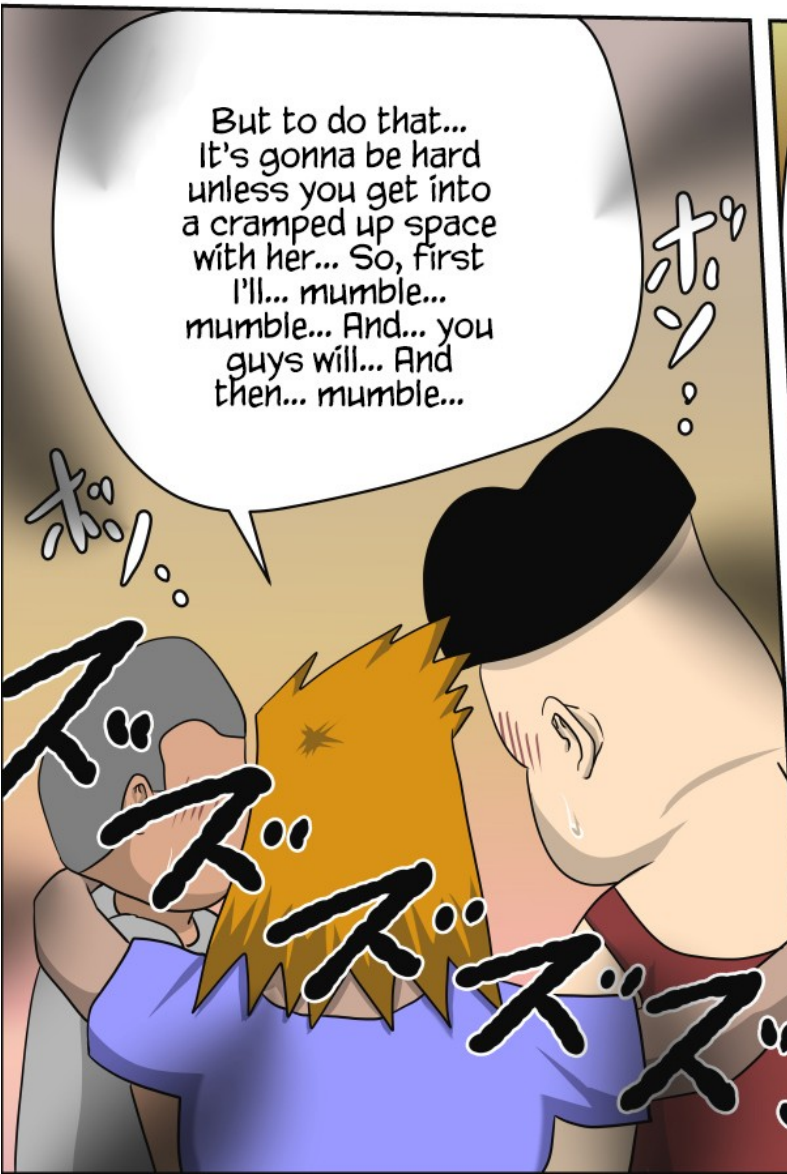

Come on... You saw it in that porn book a while back, didn't you? It's when a woman gets in a condition where she wants to do lewd things...

Frustrated...?

It's fine... Listen up. Oba-san's frustrated today... That's why she's dressed like that!

What?! Are you serious?

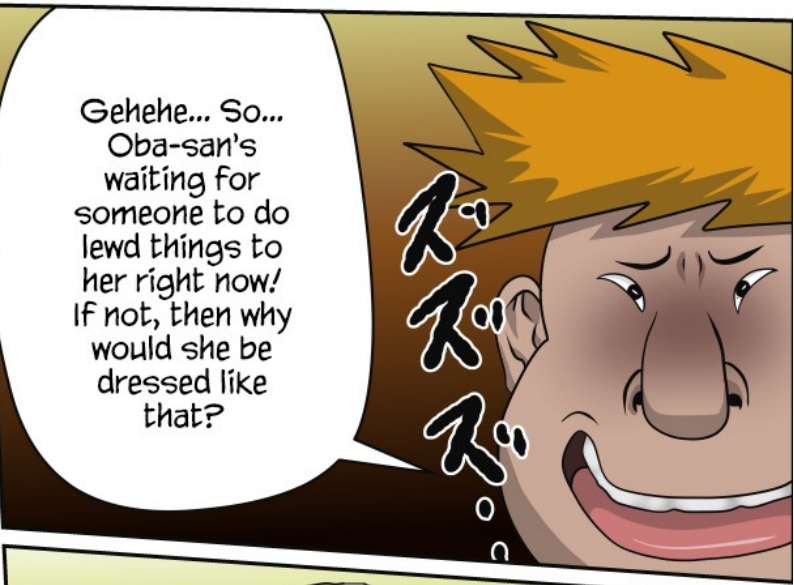

ズズズズズズ

But to do that... It's gonna be hard unless you get into a cramped up space with her... So, first I'll... mumble... mumble... And... you guys will... And then... mumble...

ボン

ホ!

Gehehe... So... Oba-san's waiting for someone to do lewd things to her right now! If not, then why would she be dressed like that?

ズズズズ

Ah... Ah...

So... she's really...

はあ... はあ

They won't understand anything you're saying...

I brought some more!

Those two are just normal kids, so...

トノ

トノ

Hmph... It doesn't matter how much you entice them!

We're gonna play hide and seek now, so... Why don't you join us...?

Heh... Heheh...

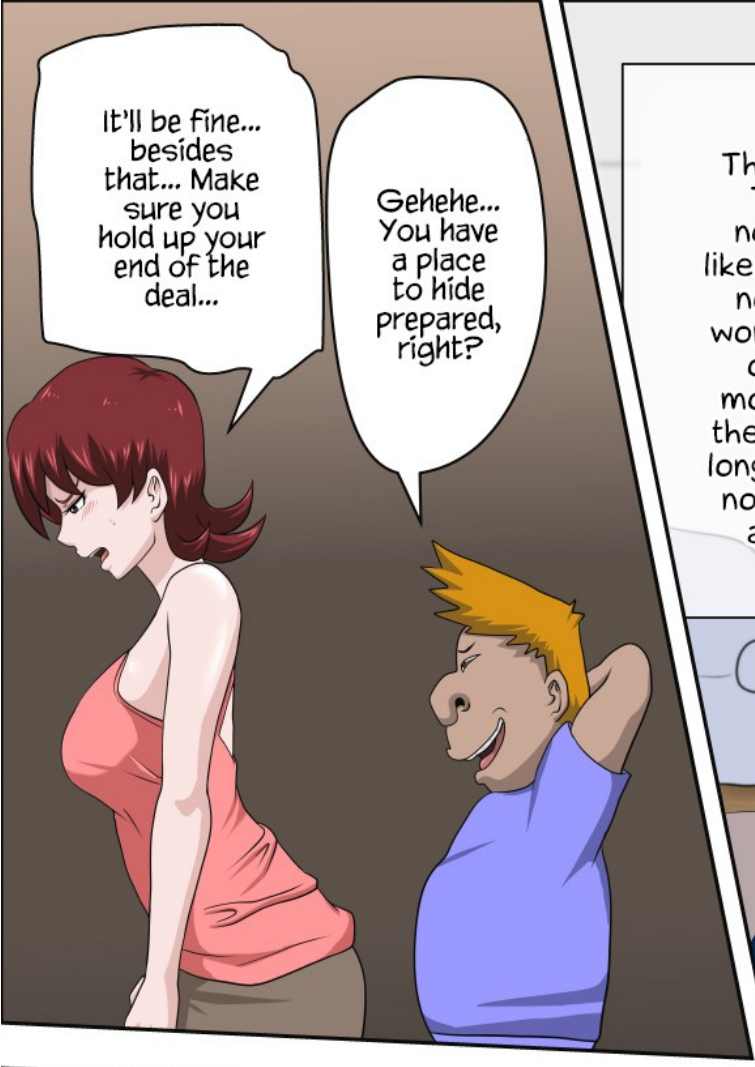

Ha... Haha...

Ah, Oba-san, we've been waiting...

トノ

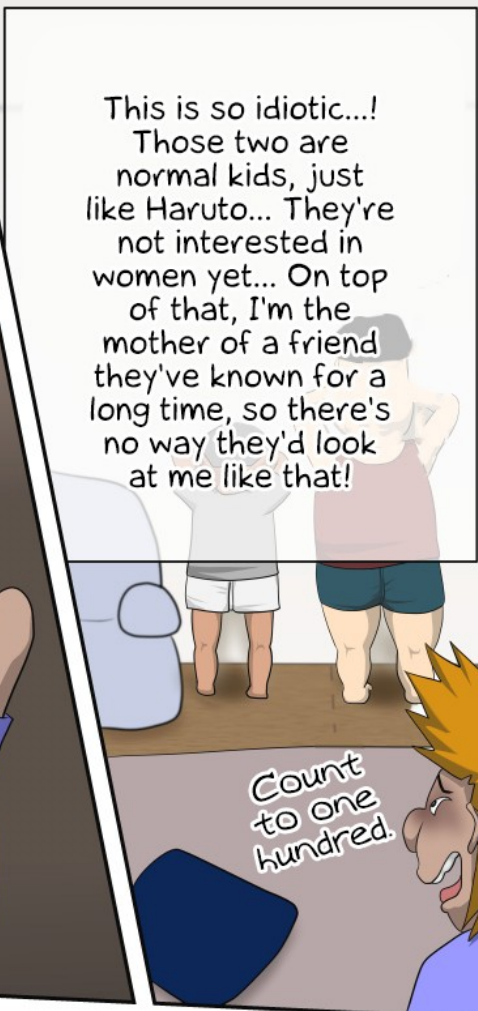

トノ

Al-right...

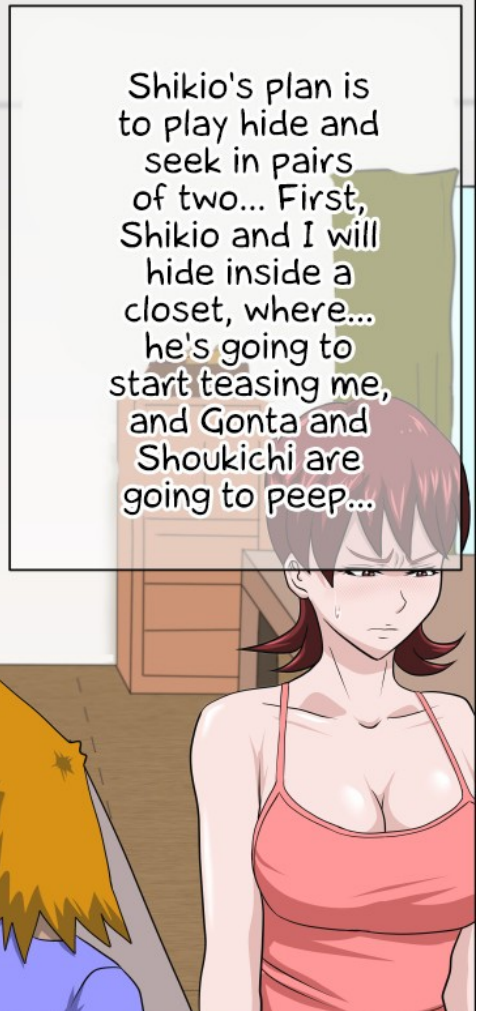

It'll be fine... besides that... Make sure you hold up your end of the deal...

Gehehe... You have a place to hide prepared, right?

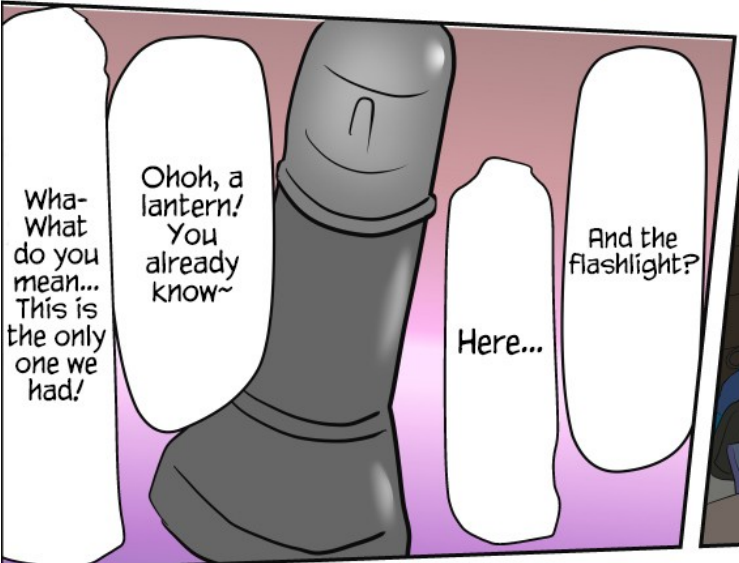

This is so idiotic...! Those two are normal kids, just like Haruto... They're not interested in women yet... On top of that, I'm the mother of a friend they've known for a long time, so there's no way they'd look at me like that!

Shikio's plan is to play hide and seek in pairs of two... First, Shikio and I will hide inside a closet, where... he's going to start teasing me, and Gonta and Shoukichi are going to peep...

Count to one hundred.

Wha-What do you mean... This is the only one we had!

Ohoh, a lantern! You already know~

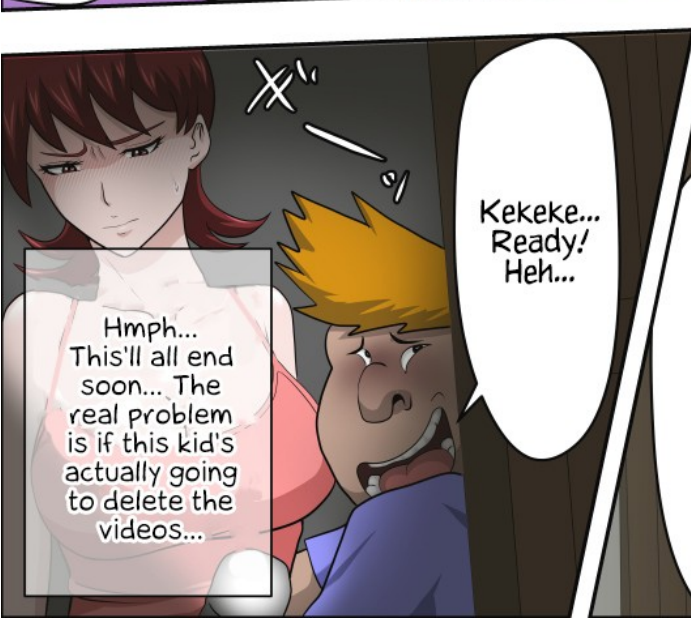

Here...

And the flashlight?

Whoa, that's perfect!

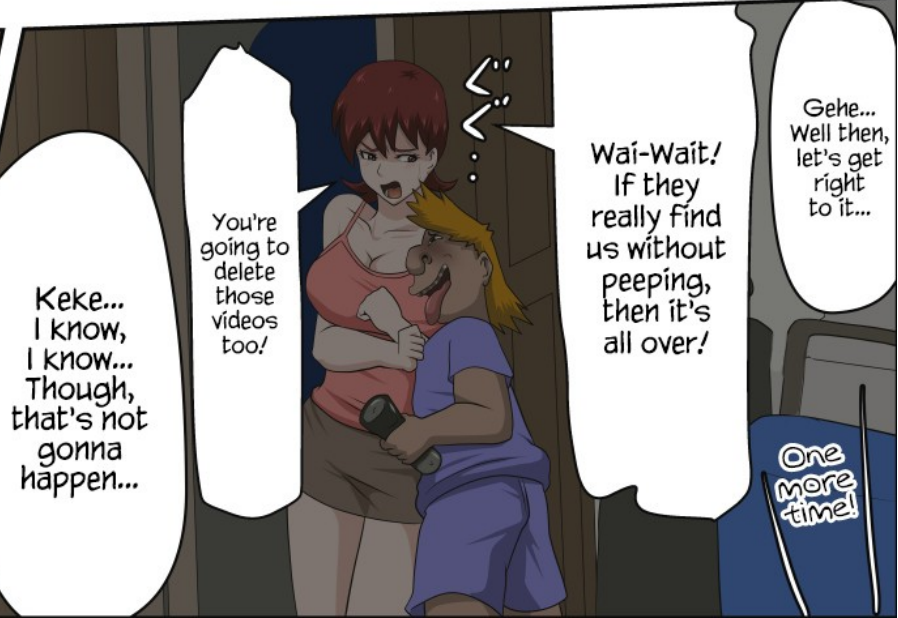

This is fine, isn't it...?

Hmph... This'll all end soon... The real problem is if this kid's actually going to delete the videos...

Kekeke... Ready! Heh...

Keke... I know, I know... Though, that's not gonna happen...

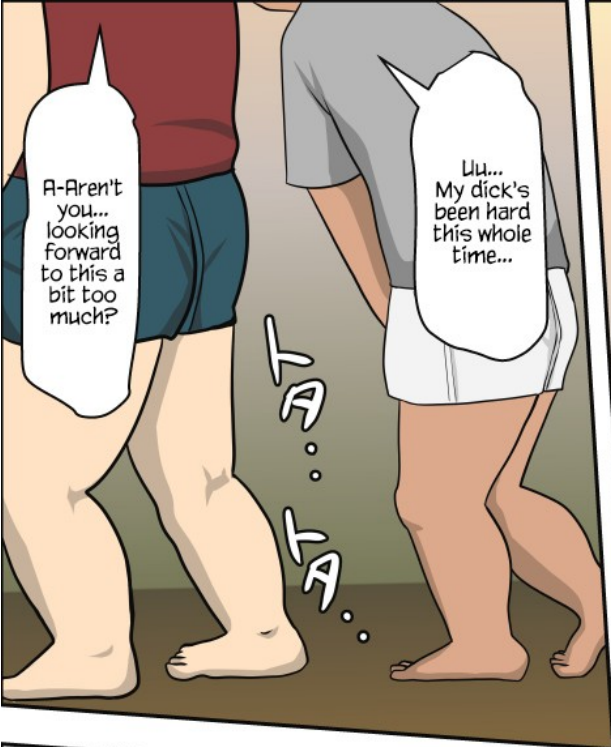

You're going to delete those videos too!

Wai-Wait! If they really find us without peeping, then it's all over!

Gehe... Well then, let's get right to it...

One more time!

A-Aren't you... looking forward to this a bit too much?

Uu... My dick's been hard this whole time...

AT... AT...

It's... upstairs, right...

y-Yeah...

It looks like this is it...

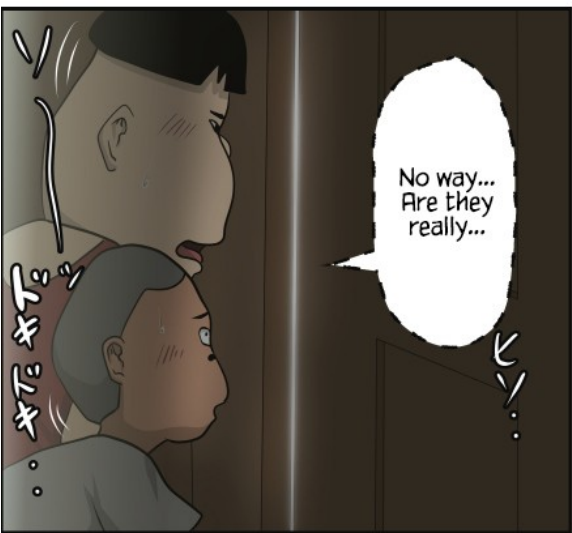

Uu... I don't wanna be yelled at...

Well yeah, but if you think about it...

What about the uh... fursation or whatever...

We're probably just going to be scolded, right?

No way... Are they really...

It's... real... It's just like Shikio-kun told us!

Ah! There's light...

Even though
those kids
are watching...
I can't, no
matter what...

T-That's...
Ah ♡ No...

Ahn ♡
Do that...

Gehehe...
It's your fault
for being too
lewd... They're
gonna let out
their semen
while looking
at you!

C'mon...
They're staring
so much...

In front of
your son's

ズズズズ...

Kekeke...
Well then...
Let's change
up... the
teams...

Aw~
We were
found~

I thought...
these kids would
never peep... I
thought it would
all end soon...
That's why...
I gave him so
much time... I
didn't even think
they'd keep
peeping...

...

...

I promised
Shikio that...
we'd take
this even
further...

If these
kids
were to
continue
peeping
until time
was up...

Sex...
Sex...

Boobs...
Boobs...

Yea...

To be continued...

Up next, the lust
of the two finally
hits Saeko's body...

Thank you sincerely for buying this work.
