

Using
me as
jerk-off
material?
You bad
boy!

What?!
It's gotten
all soft
already?!

You
don't
listen
at all...

Even though
I said not to
masturbate
when I'm not
at home.

Nnn~

Khum
wuenebaa
hiu rai.

Well then,
I'll use
my magic,
as always.

Wait a sec. I'm gonna get changed!

It became hard right away!

My spoiled older brother's dick will now become harder~!

But... I won't allow my disobedient brother to cum again!

Looks like you're ready to go again!

Some juices are even leaking from the tip.

First, I'll make it all slippery with this lotion.

He'll have to give me an apology by cumming between my breasts!

I made a
super soft
boob pussy
for you.

I know
you love
this one,
Onii-chan!

And I
love it too,
because I
can see the
spot where
your dick
goes in
and out.

Go on
and cum,
I know
you can
do it!

Ufufu

Your hips
are moving
like you're
in a trance,
it's like you
can't even
hear what
I'm saying.

Does
having sex
with my
titties feel
good?

Ahah! You
shot out
your semen
all between
them.

ズバ

That felt a
lot better
than an
onahole,
you say? I
guess that's
not really
something
I'd be super
happy about,
you know~

ズバ

Here! It's
the asshole
you love
so much,
Onii-chan~

If you can't
obey my
orders, my
vagina will
continue
to be mine!

It went
all the
way in...

So
warm...

Nh...

Best
Best

Ahn!

My
butthole
and your
dick are
kissing?

I'm
having
anal

in such
an embar-
rassing
pose...!

But it
feels so
good!

Your
dick is...
so hot...

So
thick...
going
in and
out...

I love your
lively dick
so much,
Onii-chan!

swiftly
moving

Onii-
chan's
big,

ener-
getic,

dick!

Keep on
doing
my butt!

Shoot
all your
lively
semen

into your
sister's
asshole!

Even though I'm supposed to pee in the toilet,

It's-
