

I can't
mastur-
bate!!!

It's been
ten days
since I've
been stuck
in this
hospital
after
breaking
both of
my arms.

New Japan
Hospital

Scanslated
by Hennojin

But what's
most
frustrating
of all is
that...

I can't
even eat
or use the
toilet by
myself
with my
arms like
this.

My days
are being
spent just
sitting
here doing
nothing in
complete
boredom.

Kyah!!
Nobita-
san, you
pervert!!

After ten
days of no
masturbating,
it got so bad
that I even
got a boner
from seeing
a fanservice
scene from
Doraemon.

Sorry for the wait, Takagi-san~

Beep

Thinking about all this reminded me I needed to pee...

I'm busy, so hurry up and get it over with!

The only saving grace of this hospital life

is that the nurse who tends to me is an old woman in her 60s, so I don't have to suffer in shame.

Excuse me!

makes my boner shrivel up instantly...

Man, just thinking about how that hag's going to continue touching my man parts

It's not healthy for men to hold it in for so long~

Besides, you won't be able to pee like this.

I help out with this kind of stuff every once in a while, you know~

What do you think you're doing?!

There we go.

...Wait, what?! Whaaat?!

Seriously...?

Or would you prefer for Motomiya-san to do it instead?

Not at all! By all means, I'd like to leave it to you!

Just think of it as a light massage.

You don't need to be so nervous~

...Thank you very much.

All right! Let's get right to having you shoot your stuff out!

The Second Day

You asked for me to come in today too, huh?

I'm so happy!

Excuse me~

Ufufu, you were just so cute yesterday, Takagi-san,

I couldn't help but feel like teasing you a bit~

I can even see your butt-hole~

It's called Chinguri-gaeshi~

I wasn't asking what it's called!!

This is super embarrassing!!

What's with this posture?!

Wait...

It's just
as I
thought~

W-
What
do
you...

Uwah!!

T-That's
dirty for
you to be
licking
there!

Y-You're
using your
hands like
you were
yesterday...

Nnah!

I've barely
licked
your balls,
and you're
already
this hard~

The
balls
are your
eroge-
nous
zone,
aren't
they?

You're
letting
out such
a girly
voice,
it's so
cute~

y-
You're
wrong,
that's
not-

She's...
messing
with my
balls
again?!

Ghh!!
This is...
seriously
way too
embar-
ras-
sing...!

But I
can't
help
but...

The more
your
butthole
squeezes
down, the
tighter
your balls
start to
get~

I can't
believe
you'd get
off from
something
like this...

You must
really be
a huge
masochist,
huh?

She was no less than an angel to me after my days of no masturbation, but...

Wait, wait!!
What's with that device?!

The Fourth Day

This is a massage machine usually used to send electricity for those that have back pain,

but it'll be all right, I'm sure it'll feel really good-

So you've never tested it out before...?!

...Can you really hear it saying that?

Of course~

Your sperm is telling me that it really wants to come out~

The Third Day

Since then, she's continued to come by to help me every day.

You were so energetic today too!

I was starting to get exhausted being ~~squeezed dry~~ relieved every day like this...

The Fifth Day

Hmm...

Well yeah, you've made me cum so much these past few days...

I didn't even ask for you to come in today...

It doesn't seem to be that lively today~

Huh? Wait, what are you...

This might sting a bit~

A secret weapon...?

But that's all right!

I thought this might happen, so I prepared a secret weapon~!

What do you mean by something...? Don't tell me it's something bad...!!

I injected something into your balls so that they'd liven up~

His raw
dick
that's
been
waiting
for so
long!!!

Takagi-
san's
thick,
fat
dick!

Dick!

It's
inside
!!!

It's
banging
against
my
womb!!!

It's
reaching
all the way
inside my
pussy!

Does
it feel
good
for
you?!

Takagi-
san...

How
does
my
pussy
feel?!

I've
never
felt
some-
thing
so good
before!

I... feel
like I'm
already
going to
cum....!

y-
yes
!!

The sperm inside your balls

is practically begging to splash into my womb!

Amazing! Your balls have expanded so much!

Urgh!

NOT YET!!!

I-I can't cum...! Let go, please!!!

You need to make me feel good, too!!!

ALL RIGHT, THEN!

I'm at my limit!! I need to cum, please!!!

CUM AS MUCH AS YOU CAN...

RIGHT INTO MY PUSSEEE!!!

So let's...

have you cum one more time. ♥

You won't be able to pee like this...

yet you're still so hard...

You came so much...

Those days without masturbation are going to continue once again...

This is the last day that nurse is going to be servicing me...

ほーい

Sorry, I need to use the toilet...

What is it, Takagi-san?

The Seventh Day

Oh? You want me to rub it out for you, huh?

Excuse me.

But thanks to that weird drug she put in me yesterday, I feel rejuvenated... I'll ram her good today!!

Do you think you could do something about it for me?

Oh, thanks for coming. I've actually gotten all hard again today~

Didn't realize she'd be gone for six days.

aaaaahhhh! It was just a joke, so stop! Please! Aaaaaa aaaaaa aaaaaa aaaaaa aaaaaa

No, no, no, no!! I was just kidding, wait!

Geez, I just finished recovering, and you already feel like troubling me, huh?

All right! Let's get it out for you!!

End
