Arabian Nights Happy ever after

麗人 ウーノ! REIJIN
uno!

I picked up a dirty lamp from a dried up well...

And from it, a genie appeared...

So you were the one that called me...

モフ...

I am the genie of the lamp, Jamal.
What is your wish?

モフ...

千夜一夜 ハッピーエバーアフター

Arabian Nights Happy ever after

AMAZING!

This is the first time I've ever seen a genie in a lamp!

Hey, are you even listening?

Ama...

7016 7016...

So they really do exist!!

The name's Lute!

Let's get along, Jamal!

What's up with this kid...?

Looking at him, he seems poor...

...Alright then. Now, tell me what it is you wish for.

And it doesn't appear as though there's family around...

7016...

... What is?

Ah, y'see...

I probably know what he wants already.

But this is kinda surprising.

I had this image in my mind that genies were all old men with long beards.

But you're so cool and beautiful, Jamal!

And it's also the first time I've ever seen such beautiful hair...
Sorry for touching it so suddenly.

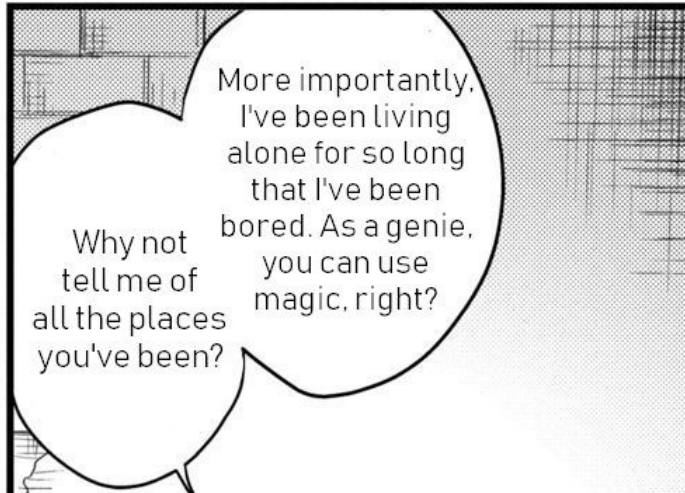

Nnh...
My wish,
huh...

None of
that
matters!
Just tell me
what your
wish is
already!

No, no!
It's just
smalltalk!

...Is
that
your
wish?

More importantly,
I've been living
alone for so long
that I've been
bored. As a genie,
you can use
magic, right?

Why not
tell me of
all the places
you've been?

He cares about
something
more than just
a wish? How
troublesome...
But if it's to move
on, I'll do what I
must...

スッ
スッ

Whenever someone like you is lucky enough to call upon me, I appear to grant their wish.

I have been trapped in this lamp for hundreds of years due to a curse.

You may ask that, but,

Yeah!

Places ... I've been?

As a result, I don't remember the varying places I've been.

Not even a genie can break it?

How many years?! Always in that lamp? That's such a terrible curse!

...Only one thing can break this curse.

Until someone wishes for that, I cannot truly exist in this world.

It's unlikely to happen, but it's my only chance.

The person who summons me has to wish for my freedom. That's the only way.

You're the only human I've ever spoken to about such a thing.

Why are you consoling me?

I already decided what I want.

For you to be free...

That's my wish!

How foolish...

You know there is no undoing this wish...

But surely...

there is something you want as well?

With this, you're free, right?

You don't really have to thank me or anything.

He's scrawny...

I'm stronger than I look!

Like money? I don't really want to be rich or anything.

And I'm in good health, too.

You've probably made so many different people happy by granting their wishes.

Being confined in such a small lamp...

Your powers made things hard, didn't they?

Well, now it's your turn to be happy, Jamal!

Because even though I live off the bare minimum, I've still got work, so I'm still alive.

Ah, hey...

...Feh.

Just don't regret this.

...What is he thinking, just looking at me and saying something like that?

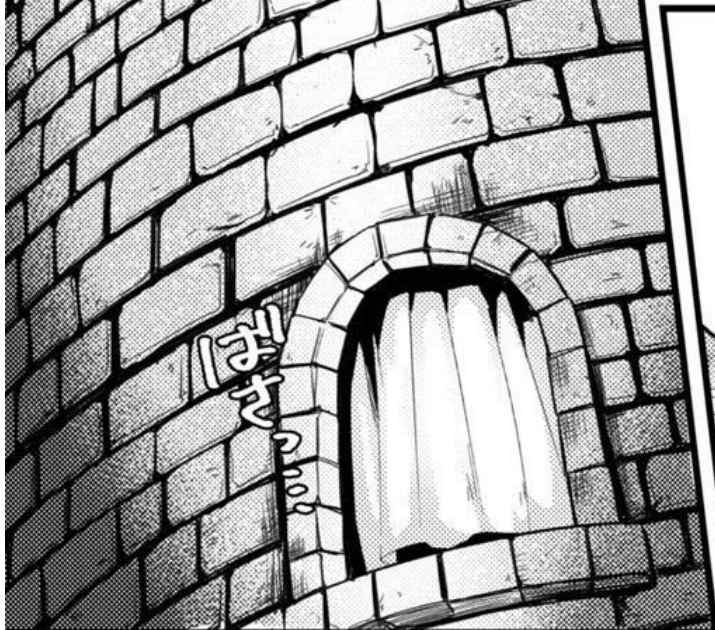

I still wanted to talk a little longer...

Guess that's it, then. I've gotta get to sleep so I can wake up early...

He already left, huh...

.....

"Now it's your turn to be happy"...

That's the first time anyone's ever said that to me.

And that's normal. But he...

Is he different than all the other humans I've met?

Up until now, all the humans who have found me change their tune...

once they realize what I can do for them.

「か〜...」

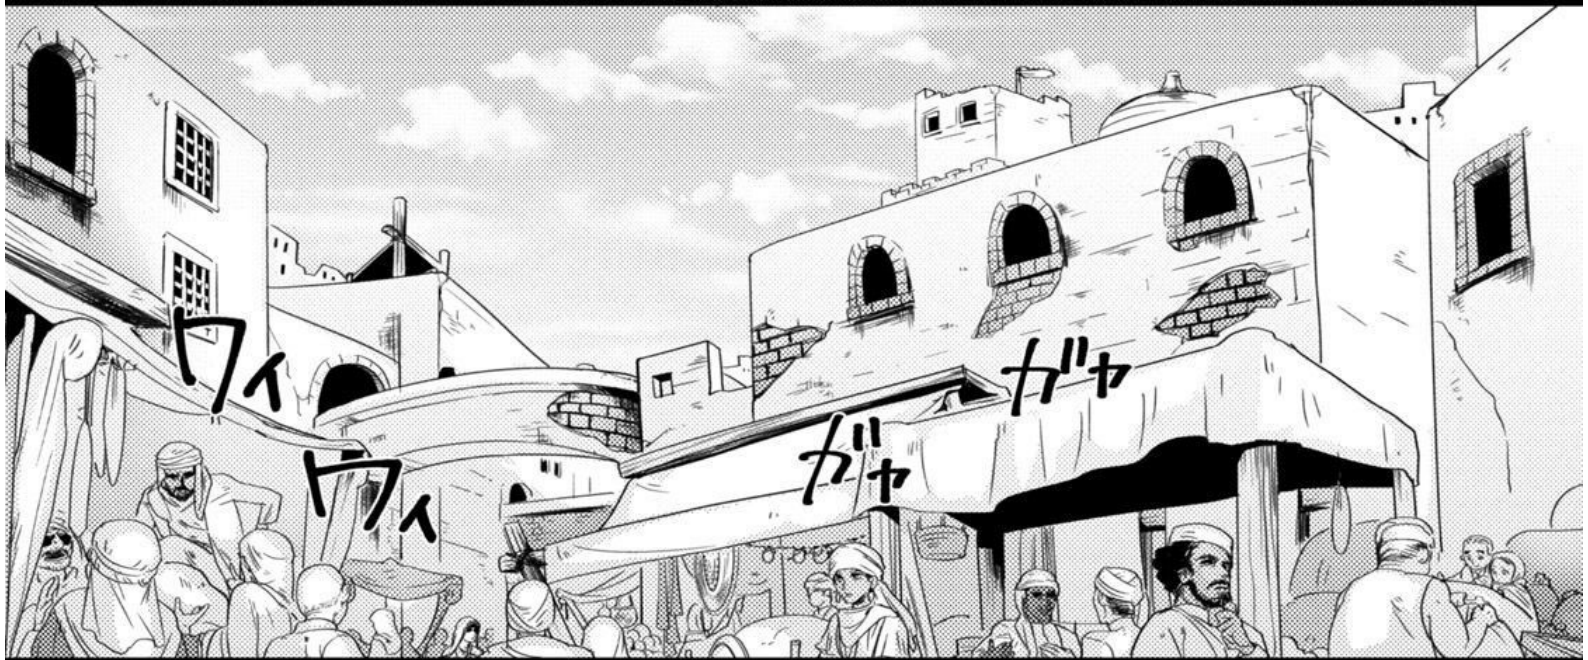

He's the last man I'll ever serve, so I have plenty of time...

ズン

No, no, he must have some kind of ulterior motive!

I won't be deceived!

...I'll get to the bottom of this.

ワイ

ワイ

ガガ

ガガ

It's not polite to stare~

Staaaaare...

I'm here for my own reasons.

Jamal?!

Why're you still here?! Even though I freed you...

や
?

ヒッ

N-No, that's not it...

Uh... ..

Oh, I get it. You were in that lamp for so long...

What the hell is wrong with you?

Sorry, I didn't really realize that'd happen...

that you don't have any place to actually go to.

Hey, listen when I'm talking...

Oh, your hair.

That reminds me, when you got your freedom, your hairtie disappeared.

I know it's not the best substitute, but...

Like this?

It's fine, it's fine!

Come, come!

Jamal, come close for a second!

What is it now?

ザッ
ザッ

...and there we go!

All done!

You've got such beautiful hair, but it'd be bad if something happened to it because it was loose.

...Why is he so friendly toward others?

...Feh. My hair can be any way I please because of my magic.

So there you go.

Of course, you WERE the one to free me, so...

...I say that, but it doesn't exactly suit my tastes...

However, this hairtie is another thing I've received. I've come to return the favor.

Ha ha ha

Yeah, I guess so, huh.

Hey, Lute! What oils are you selling?!

Anything's fine, so just tell me your...

I told you not to worry about it~
You're so sincere, Jamal!

Ghh! I won't be played by you!

But don't use any powers, or else you'll surprise everyone.

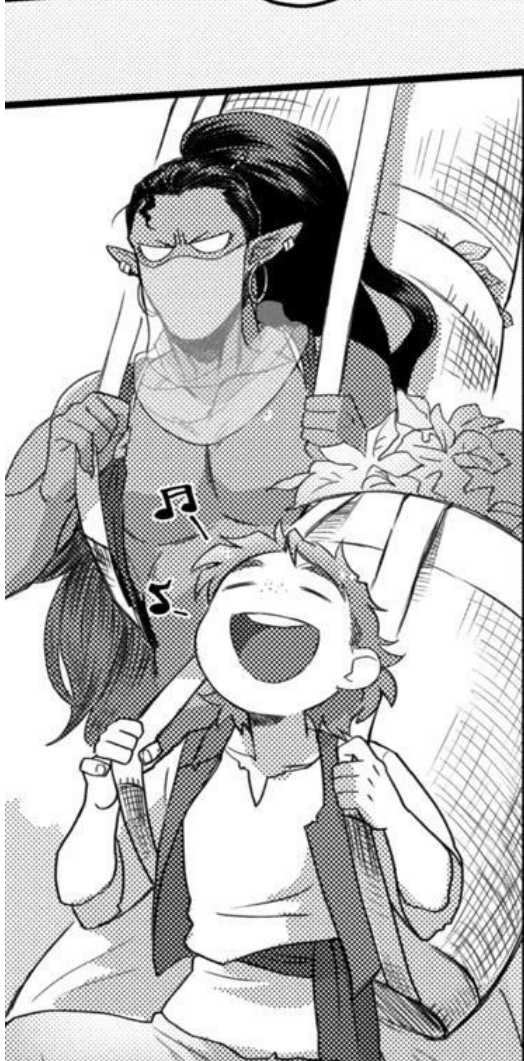

Jamal, you seem like a handy guy, so help me out!

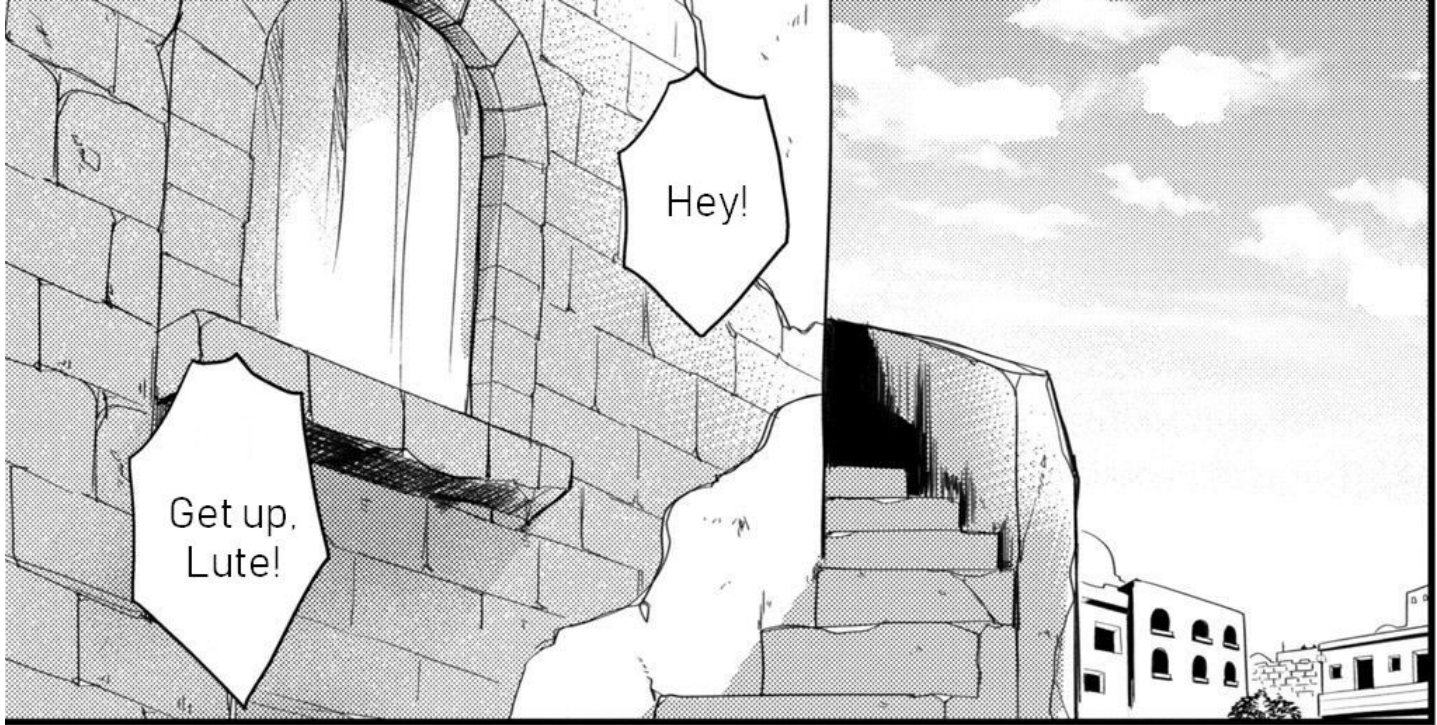

Ah, shoot! I forgot I said I'd do some work carrying barrels...

I'll think about my wish while I work!

Hey!

Get up, Lute!

Hey!

Take it easy, we've finally got a day off!

「ムキムキ」...

Why're you raising your voice so much~?

「イラッ」

You still have not decided on your wish!

.....

I've been living with you for long enough. You keep saying you'll think on what you want, so shouldn't I have an answer by now?!

I've had a lot of fun with you by my side, Jamal.

It's too bad, then, that we weren't together for long.

...Yes. And what of it?

Well, once I tell you, you'll up and leave, won't you?

Someone to say "I'm off!" or "I'm home!" to... I've always been by myself, y'see...

It's nice to have someone at home.

.....

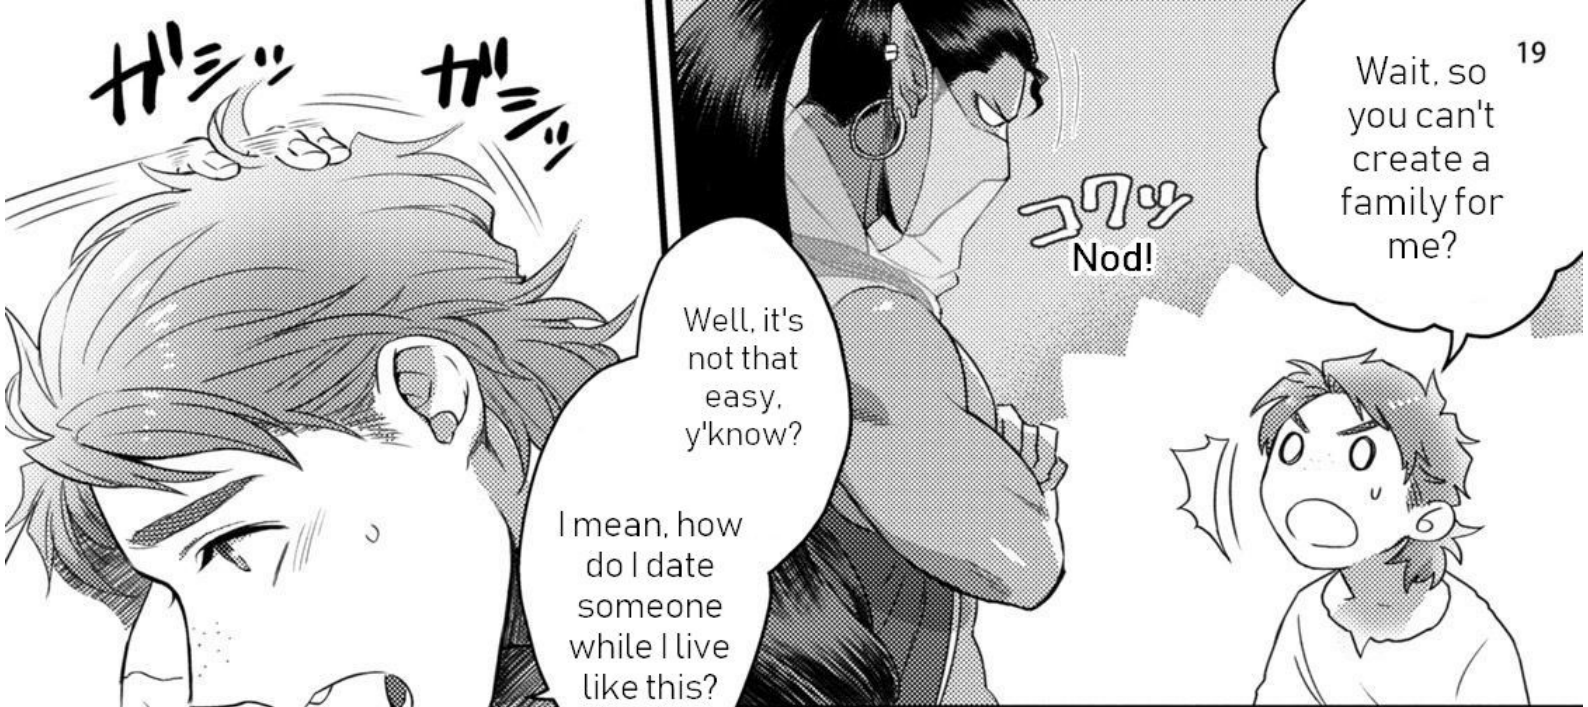

...I see.

If only I could grant this wish...

This is the first time I'm admitting it, so it's kinda embarrassing.

ガシッ ガシッ

コトウ
Nod!

Wait, so you can't create a family for me?

Well, it's not that easy, y'know?

I mean, how do I date someone while I live like this?

I don't think there's a person out there that'd be okay with me.

.....
Have you never been with a woman before?

Well, you've certainly lived a pure and innocent life thus far.

Like for example, a princess or something!
I've never dated one, but maybe I could!

は
.....
ゴッ

ゴッ

So, as to repay you...

I'll teach you.

However, I can help you grasp the family you seek in another way.

I cannot fulfill this desire of yours.

"Teach" me?

How to properly carry out a romantic relationship with someone.

Lute, remove my veil.

Aah, okay.

Nnhah?!

ビィン

あー

?

You can't just do only that to the one you love.

You must do it like this.

あー

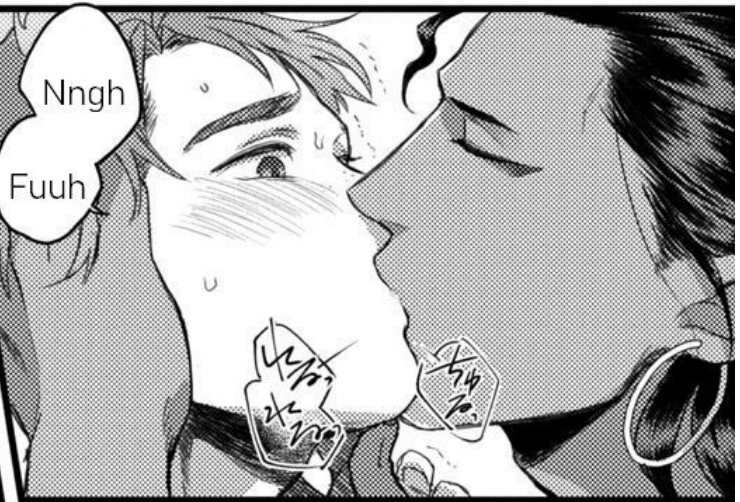

Nnn

ん

ん

Nnh...

Nngh
Fuuh

ん

ん

...Y-Yeah. Let me try...!

あ

あ

あ

あ

Well? Think you can do it?

あ

Ah? Whuh...?

ヒッヒッ

ヒッヒッ

Don't be afraid.

ヒッヒッ...
ヒッヒッ

You use this to copulate.

Ahh!!

Jamal, that place...!

ヒッヒッ

アッロオ

J-Jamal, y-you're amazing...

Aahh...!

Aaahhh!!

ヒッヒッ
ヒッヒッ
ヒッヒッ

ヒッヒッ
ヒッヒッ
ヒッヒッ

Wha...?

のい

Nnhah...

Next is my preparation. Don't be intimidated.

あははは

トキッ

Ah...!

クッ

For women, they have one more called a vagina. When you're erect, you put your penis in it.

...Between men, this hole is used during sex.

O-Okay!

Nnh.

Lute, I need you to put your drool on mine.

ま

ま

So I need to loosen it up...

As of right now, you can't.

It seems so narrow, though... how am I going to enter...?

Don't just look. Try it yourself.

Amazing, it's spreading so much...

You've already got two fingers in...

Okay!

Uuu... Kkh...

Ahh, hah...!

Wow, incredible...

Nnh hhh!

Get it?

If you do this with a woman you love...

you can make a family.

.....

Nnh... If you put your semen in a vagina, you can produce a child, and...

Nnha?!

All I want is someone who loves me, and would stay by my side...

I-It's not like I have to have kids...

Hey! Lute?!

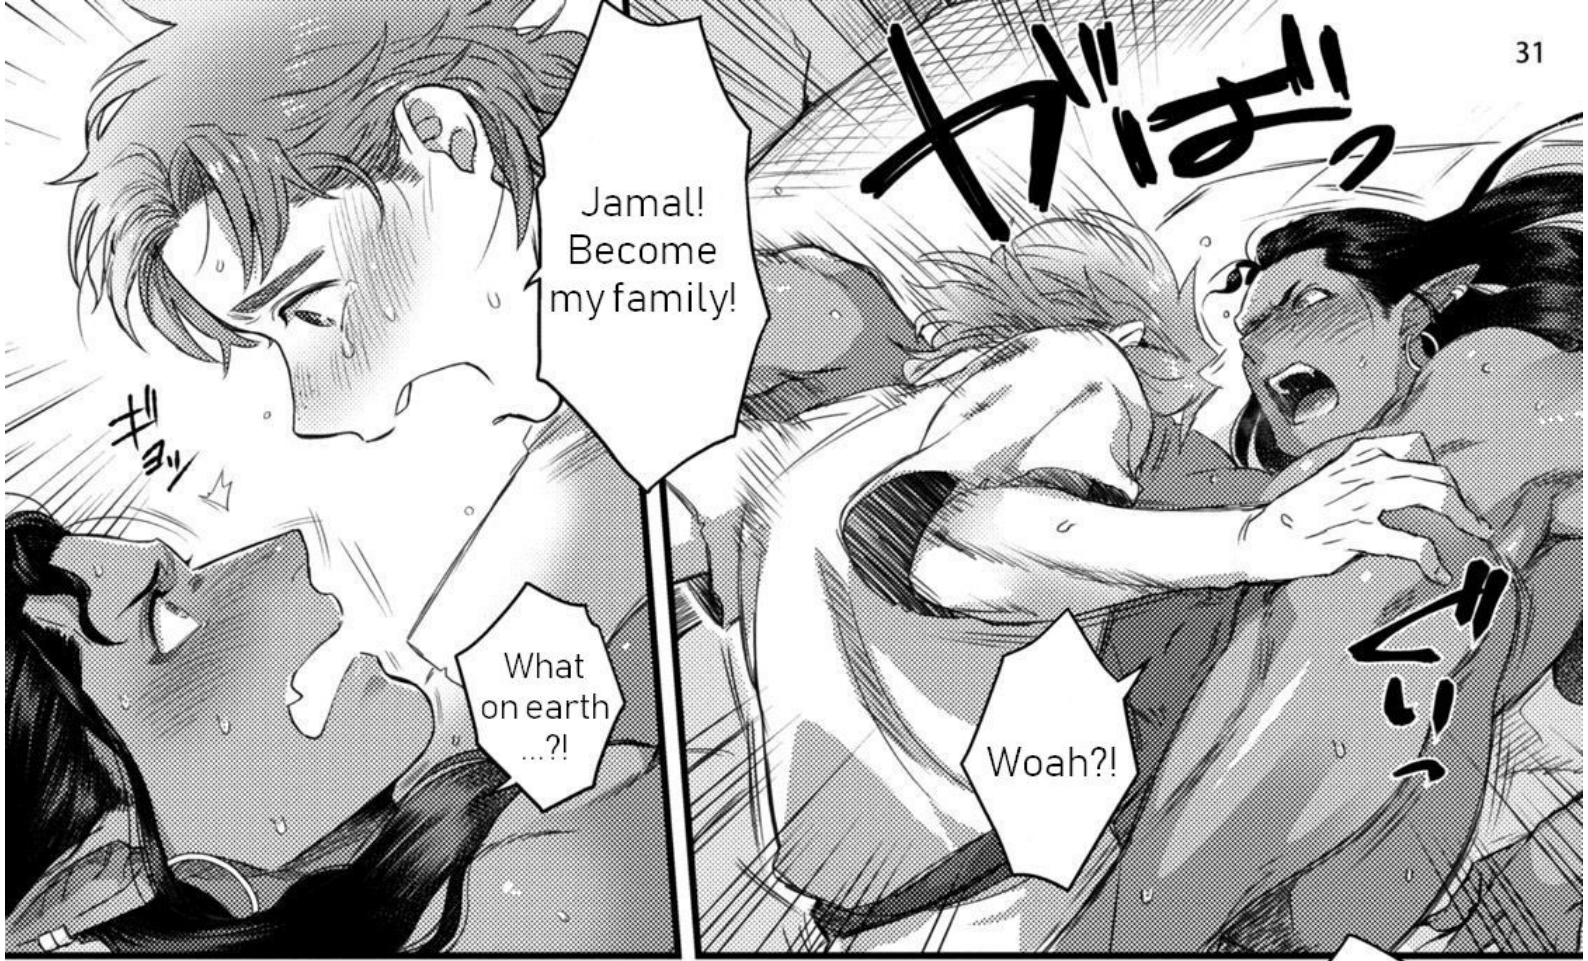

Nhhh... Out of all the men I've ever met, I have never seen one as kind and gentle as you before.

You're a good man, Lute. I guarantee this.

Jamal!
Become
my family!

What
on earth
...?!

Woah?!

I told
you!
I can't
make a
family
for you!

Aa
hhh
...!!

I don't
want
you to
leave!

Having
you by
my
side...
has
been
so much
fun! I've
been so
happy...!

It's
supposed
to be
YOUR
turn for
happiness,
Lute!

Even
though
you can't
make kids
because
you're a
man...
If you
become
my wife,
you'll be
my family!

For you, who's so kind, who helps everyone, who gave me freedom...

Uugh... Dammit...

I want to make you happy...!

Try to understand, Lute... Ah...

Ah?! Why are you...?!

D-Don't grab it like that! I-I can't cum...

Nhhh!!

If you want to give me happiness, Jamal...

L-Let go of me...!
Aah, I can't...!

Lute, t-that placshe ish...!

S-Stohp it...!

Ohhh!!
Ahh!! Hhhi!!

Listen to my wish!

I love you, Jamal!

You're what I want!

Kkh...!

I want to be with you like this every-day!

I want you to be by my side!

Find happiness in me, Lute...

I'll stay with you! I'm not going anywhere...!

Because I love you, as well...!

Hyan!

Aah, Lute!

I'm so happy, Jamal...!

Ah!

I feel so good, Lute...!

Ah!

Nn noh!

Aah, I can't...

I-I'm cumming, Lute!

Nnh, you fool!
I'm still cumming...!

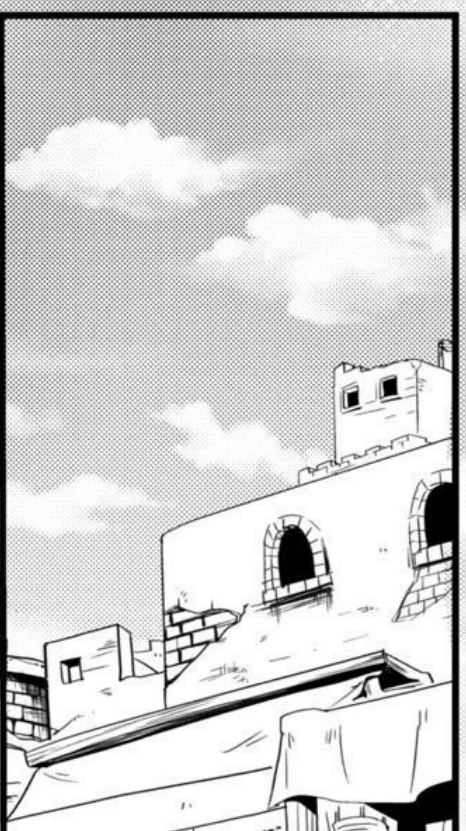

...Let's do it one more time.

毛井 毛井,

Aahn!!

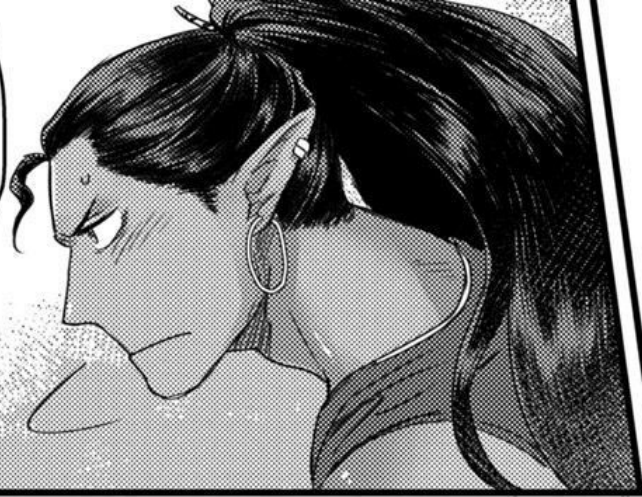

Heyyy. Jamal!

A genie can do whatever he puts his mind to...

フムッ

I told you that you could relax at home!

What?

た、た、たー

I told you it's fine.

What-ever, just give it to me!

Honestly... All you ever do is worry about other people, not yourself...

It's funds for our marriage!

Hehe!

Idiot!

You're pretty riled up today, Lute!

?
What's that? Gold?

Yeah! We need to collect some money right now.

translator's note

i translated lute's name as lute, but as it's spelled ルト (ruto), there could be a chance his name's ruto or something, since that's an actual name as well. lute just felt right though.
