

Thanks.

Mm...

so beautiful...

Yuna, your naked body is...

Scanslated by Hennojin

So...

But I...

don't really have much of a chest...

That doesn't matter!

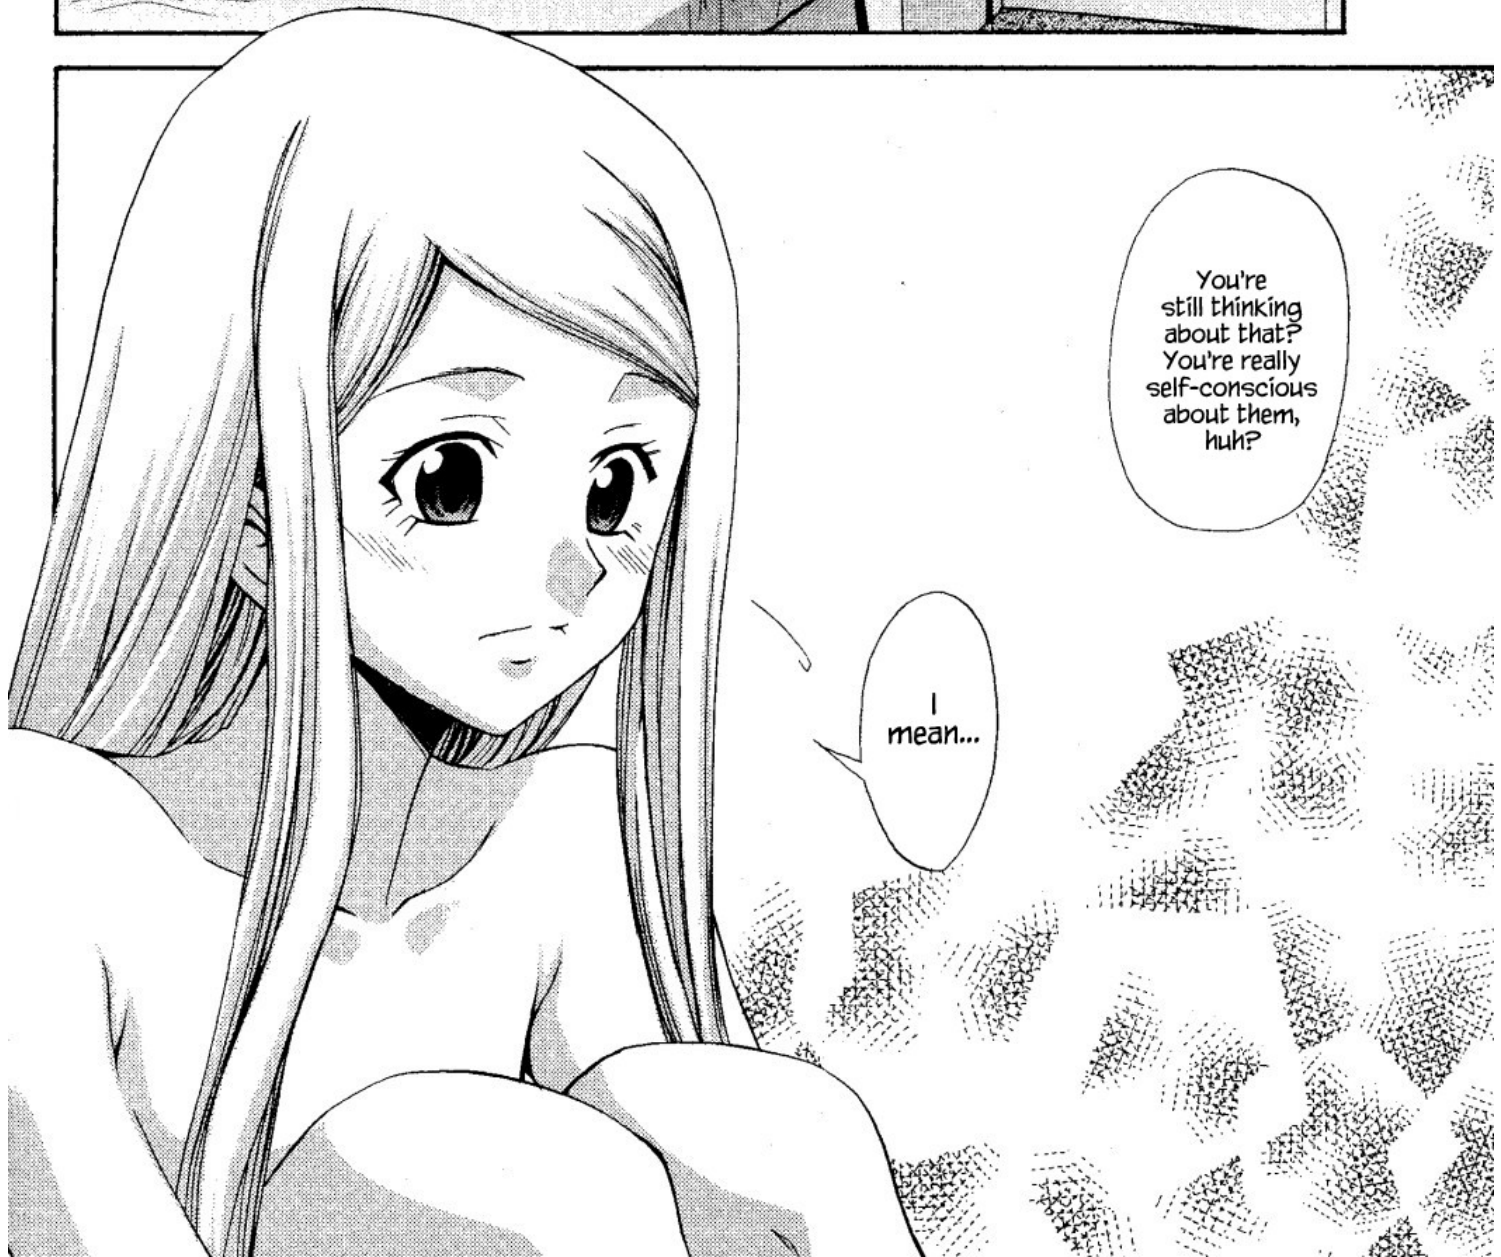

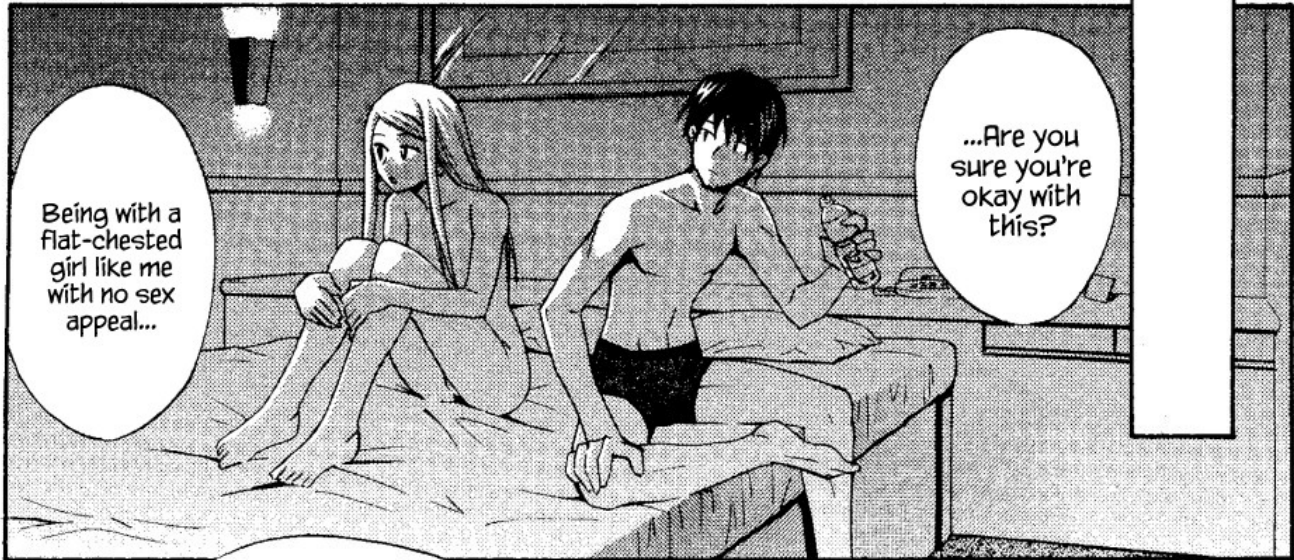

Uwah... Ahh!!

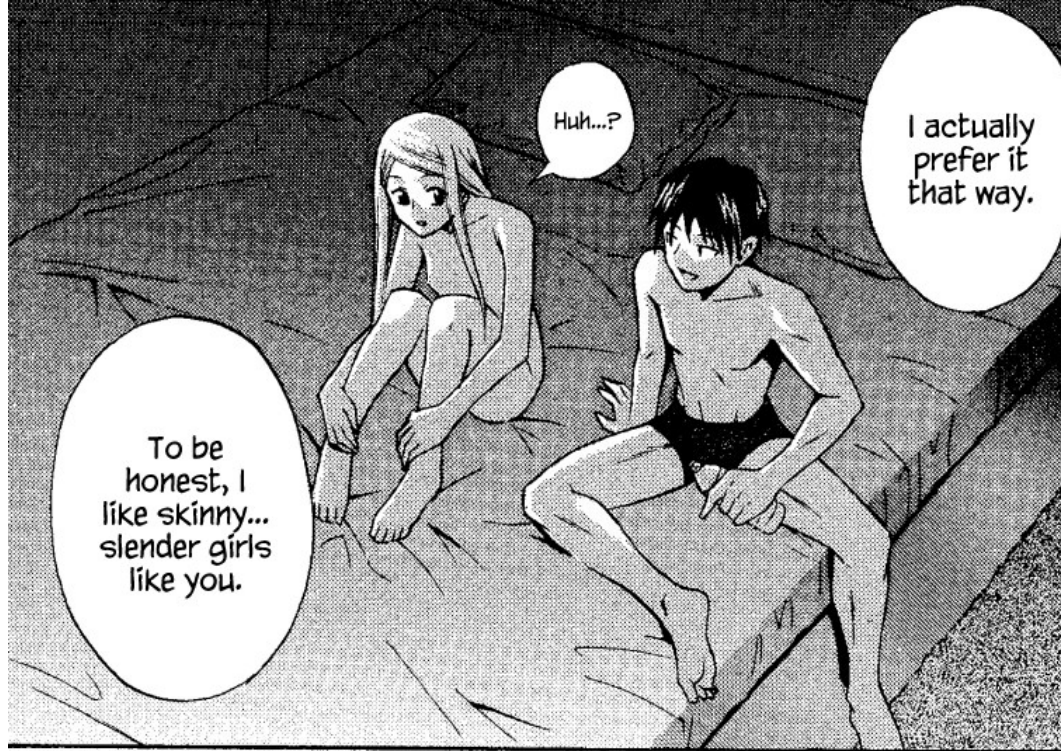

GASH!

Slender Girl

Kanji Aoki Presents スレンダーガール

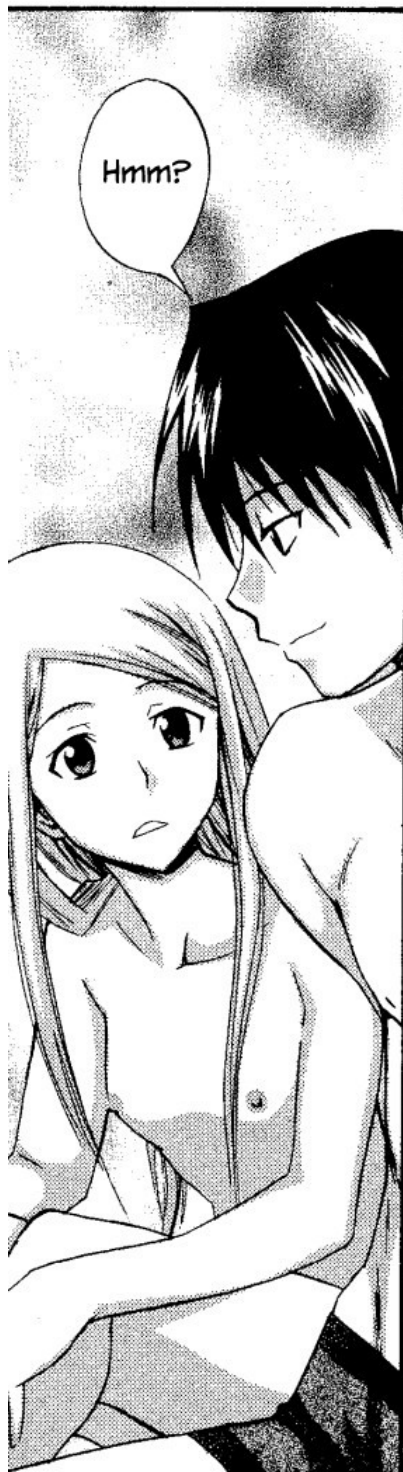

Huh...?

I actually prefer it that way.

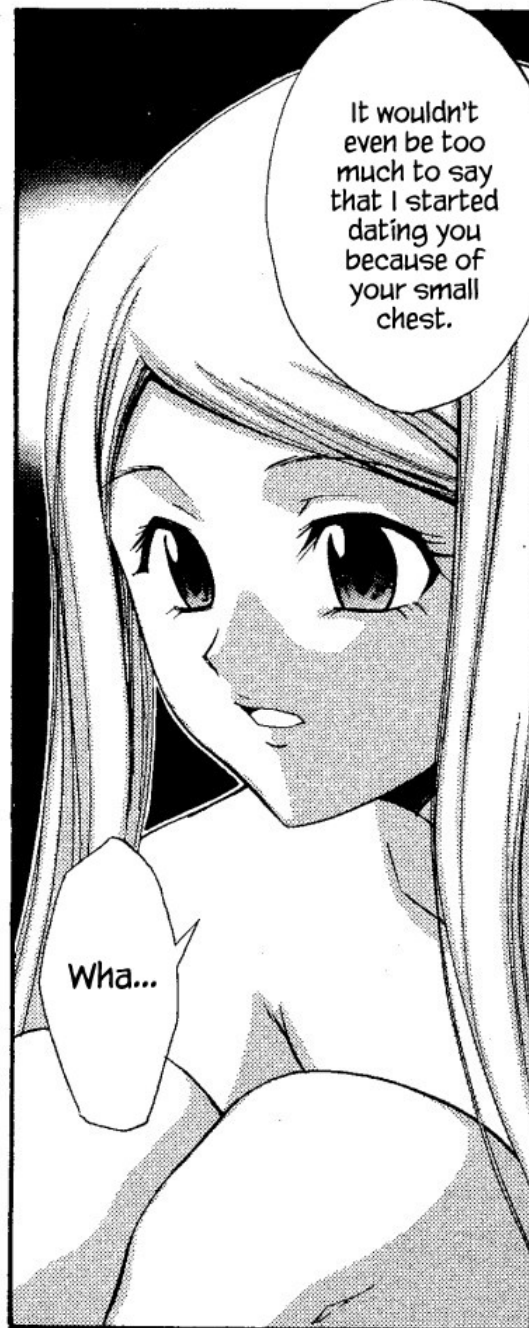

To be honest, I like skinny... slender girls like you.

Don't worry about it!

Hmm?

It wouldn't even be too much to say that I started dating you because of your small chest.

Wha...

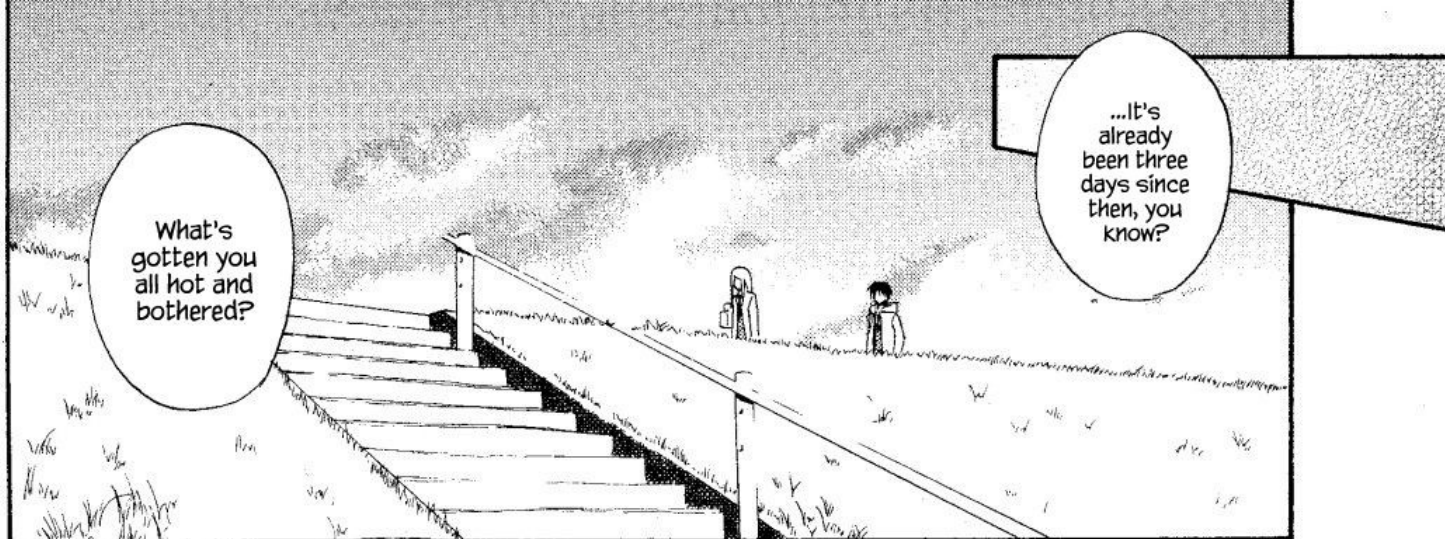

That ever so slight curvature!

The supple elasticity!

There is no other beauty like it!

Ah...

What's
gotten you
all hot and
bothered?

...It's
already
been three
days since
then, you
know?

Get over
that bad
mood
of yours
already!

Back in
middle
school...

...

I can't really
believe you
when you're
making
that face.

I'm not
in a bad
mood or
anything
like that!

Shut
up,
will
you?

It was really frustrating.

Told me
"What are you
thinking, why
would I date
someone with a
boy's chest?"
and I became
their laughing-
stock.

The first
boy I
confessed
to...

As a guy
myself, I
apologize
on their
behalf...

and I
do mean
all of
them,

And ever
since then,
all the
guys that
rejected
me,

But I
wonder
if she
really was
rejected
because
of her
chest...?

chose
women
with big
breasts
over me.

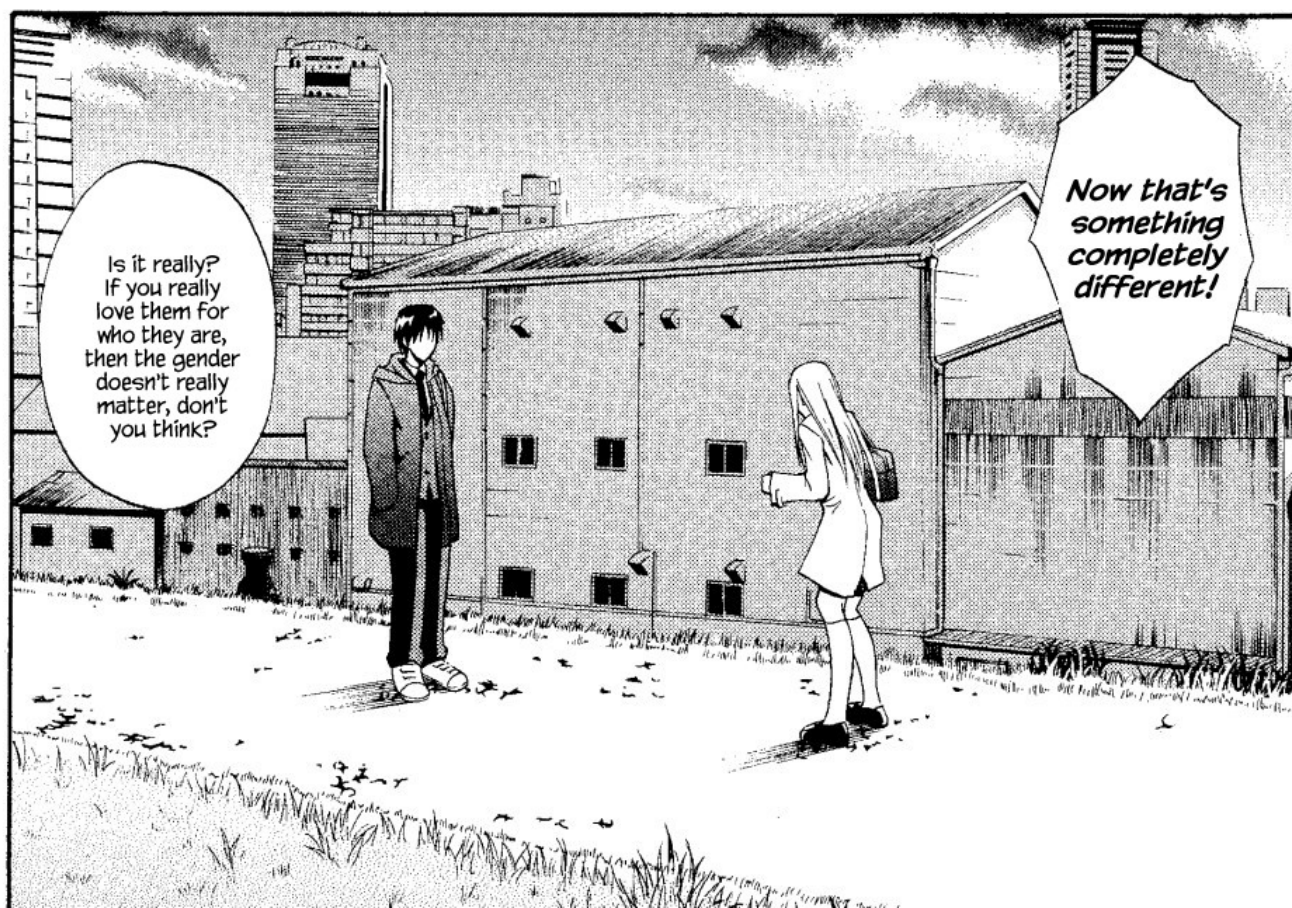

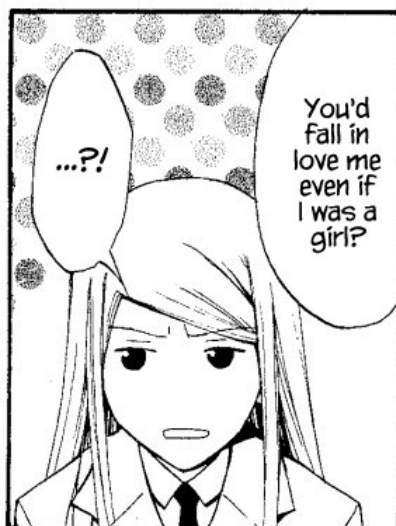

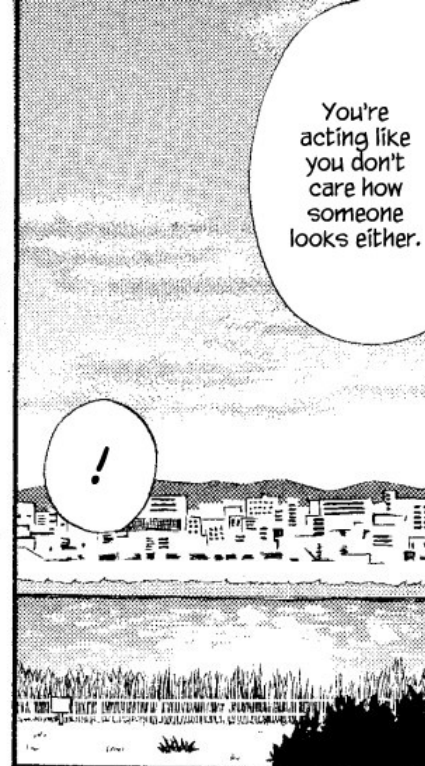

That's why
I ended up
falling in love
with you,
Kazuya.

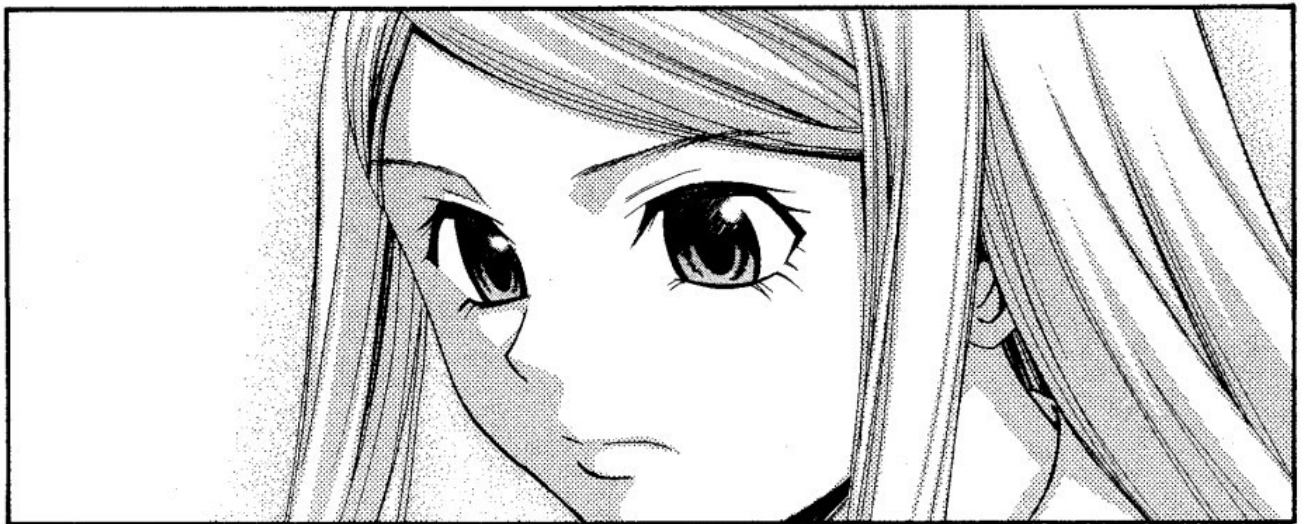

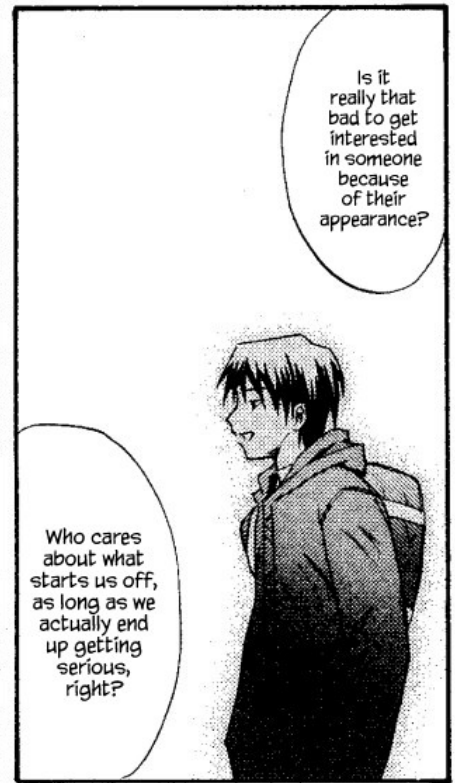

That's why
I've been
looking for a
guy who would
appreciate me
for who I am
and not my
breasts.

you were
just into me
because of
my breasts
anyway.

But
in the
end,

Don't they say that...

breasts get bigger when you fondle them?

then you won't mind continuing to fondle them, right...?

If you really don't care about me getting big boobs,

How long do you want me to keep fondling them?

I still want you to keep going...

I can take this as her forgiving me, right?

Ah
I'll have you fondle them every day from now on, just so you know...

C'mon, don't be like that.

N-No pinching my nipples!

I just want you to fondle my breasts....!!

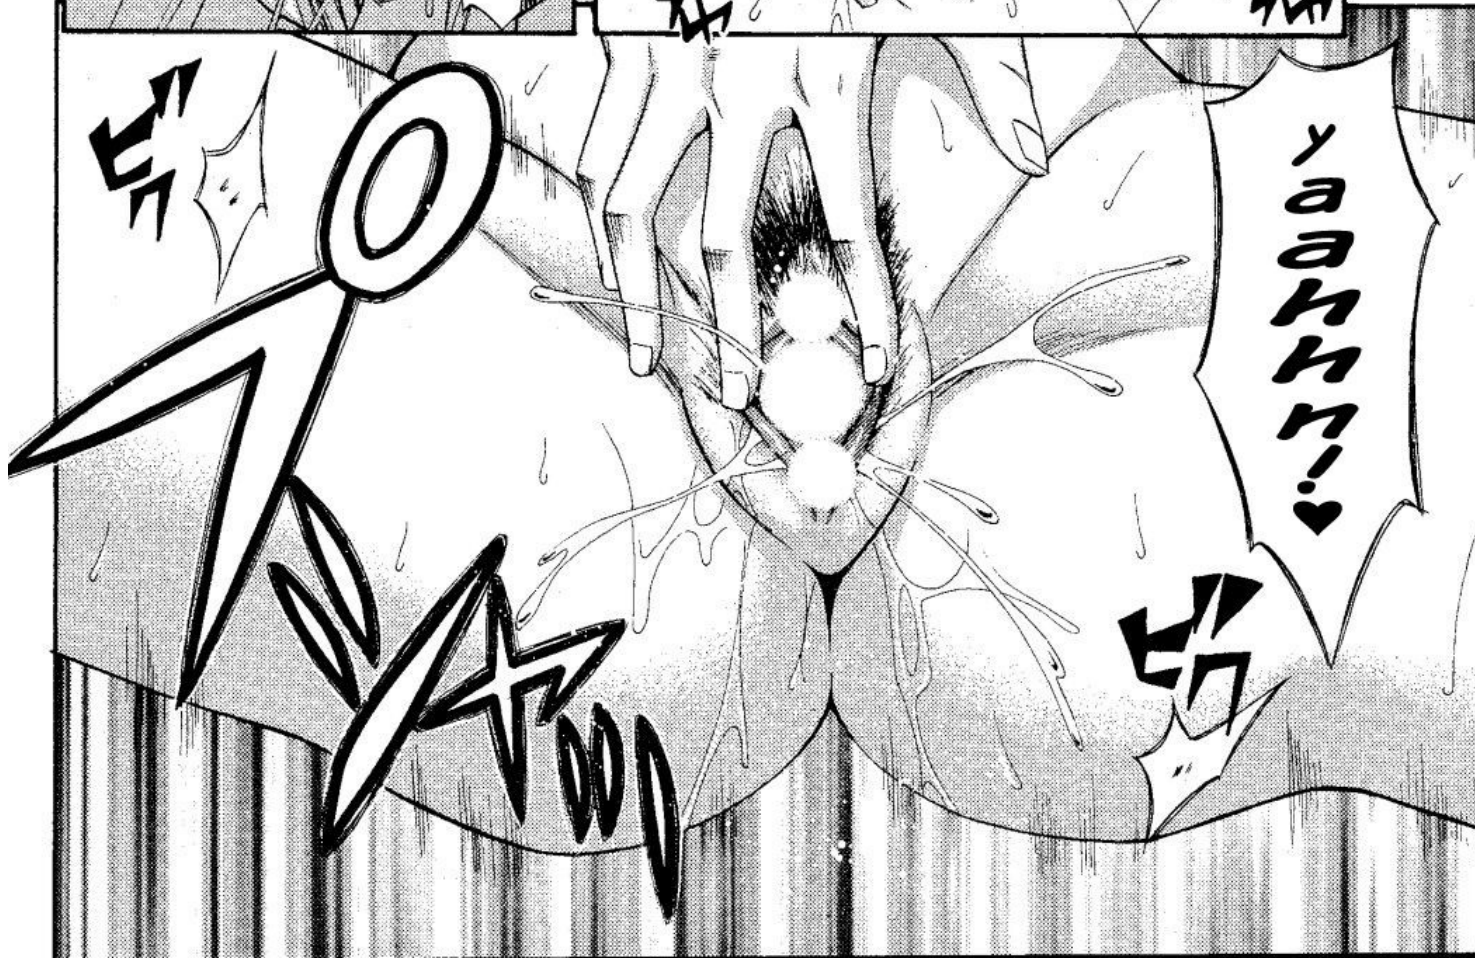

TWITCH

Hahn!!

Don't!

Ah!

TWITCH

Aeah!

Thrust me
harder!!

Hah!

Yahn...
Harder...

Heah!

Eaaaah!

Shut...
up!

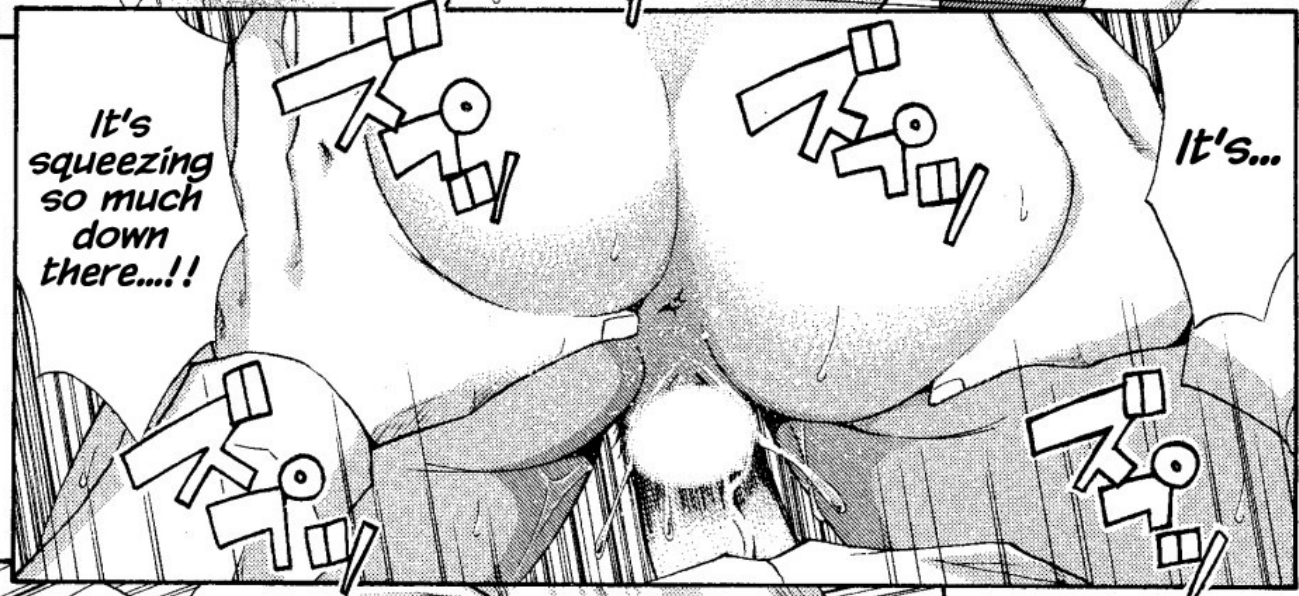

Yuna...

does it
really
feel that
good?

Just
keep
going!

Shh

Hold on...

Wait...

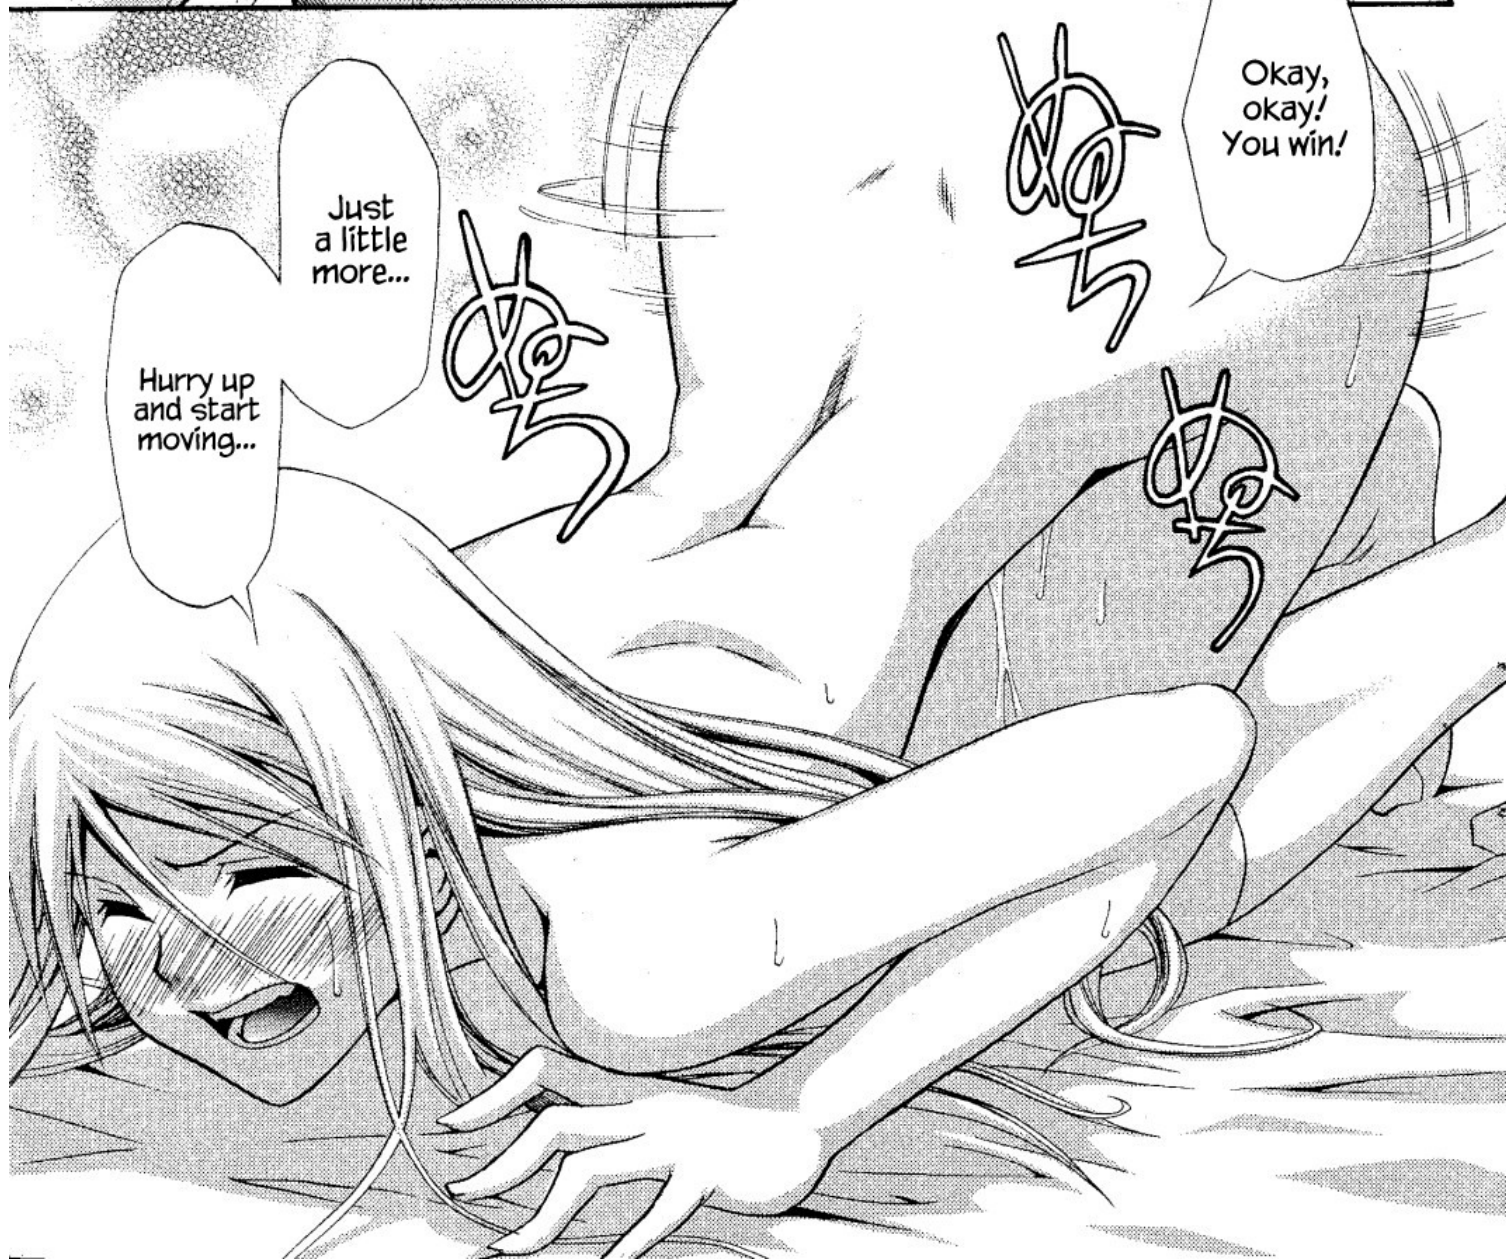

Slip...

Huh...?

Oh, okay then. I guess this is enough for today.

Okay, okay! You win!

Just a little more...

Hurry up and start moving...

I'm going to cum again... ♥

Aha ♥

I'm going to cum.

Just shut up about that and keep going...

It's so much better to be honest to yourself, don't you think?

Keep shoving it

inside me like that...! ♥

Yu... Yuna!

I'm going to cum!!

If that ever happens, I'm sure I'll learn to appreciate your big breasts too!

Don't worry!

if I found someone cuter than you, I'd probably switch to them.

As for me,

...Oh yeah?

Huh?

Hey, now that's just cruel!

The weight on her chest has been lifted... or has it?!
