

HENNOJIN

Scanslated by Hennojin

I'm not saying that we shouldn't have sex until we're married, but...

But we still haven't gone that far physically.

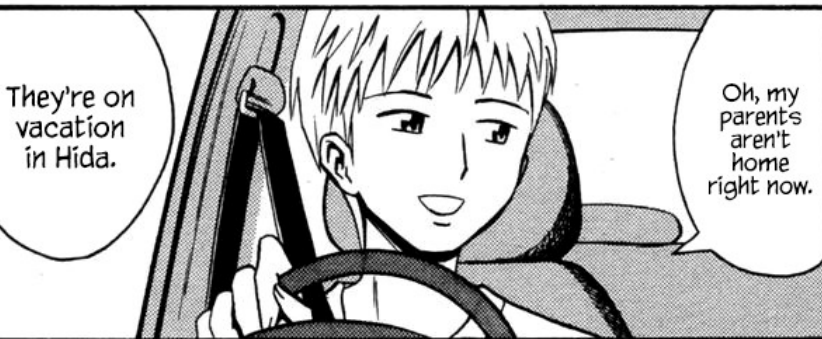

It's been eleven months since I started dating Hiroki-san.

A good girl that raises her hand when waiting for traffic lights.

"Live a clean and proper life".

Was always the class representative throughout all her years in elementary, middle, and high school.

My motto is essentially to

They're on vacation in Hida.

Oh, my parents aren't home right now.

How about you come to my place today?

...Oh?

Maybe I should... I haven't talked with your mother much lately, after all.

It's finally
come
to this
moment!!

I-It's
come
to this!

妄想が暴走中

I bet there are
all kinds of dirty
passionate thoughts
clouding his mind
right now under
that seemingly
nonchalant face of
his! I'm sure of it!

Hiroki-kun
might be a fine
gentleman,
but even he's
a bona fide
heterosexual!

How
about we
go and
just enjoy
some of
that tea.

You said
you had
some good
Kyoto tea,
right?

I'm
not that
easy of a
woman!

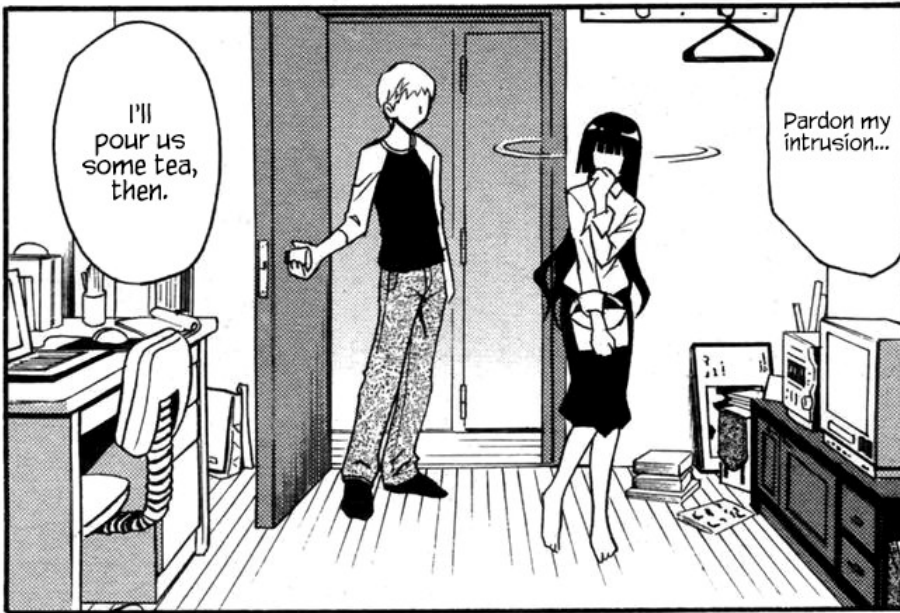

I'm not
going to
let things
turn out the
way he's
expecting
them to.

But...
Fufu
fu

You don't
have to
say it like
that, you
know...

I know you have no intentions of going to that level, Momo-chan.

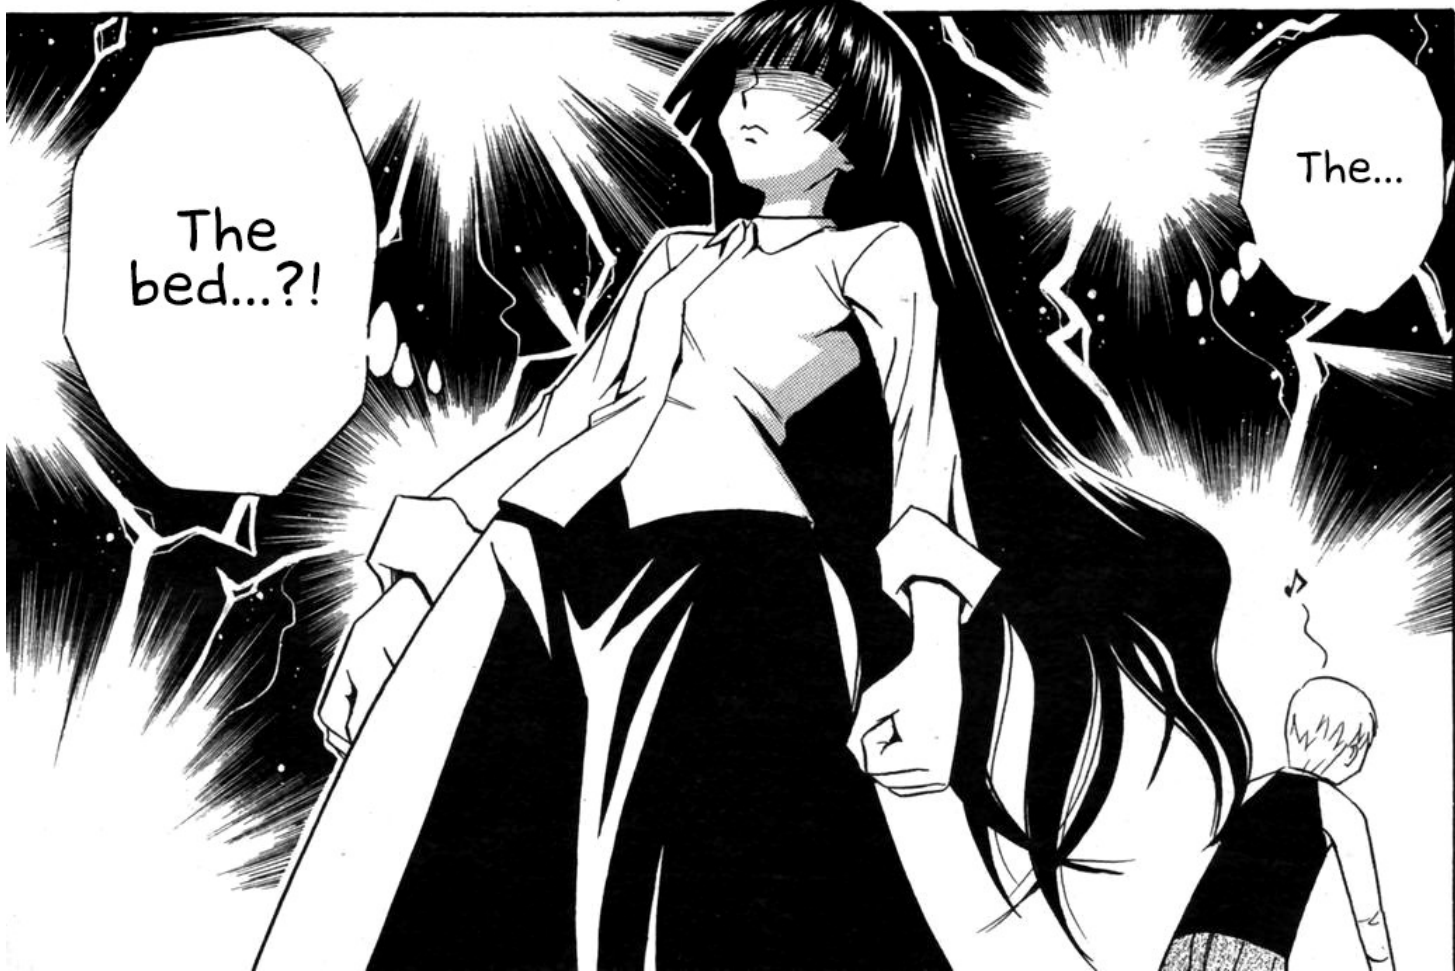

I'll pour us some tea, then.

Pardon my intrusion...

Huh...?

I don't have any cushions available, so feel free to sit on the bed.

The bed...?!

Marriage!!
...Or maybe that's too soon.

Hiroki-san... So you were planning this all along!

I'll gracefully dodge all your advances!

Momo-chan... We can do this, right?

No, not yet, we can't, Hiroki-san...

I'll take you on.

Fu... Fufu fu

Very well, then.

How about that! There's no way he'd be able to get past that!

That's exactly why I want to treasure our time together...

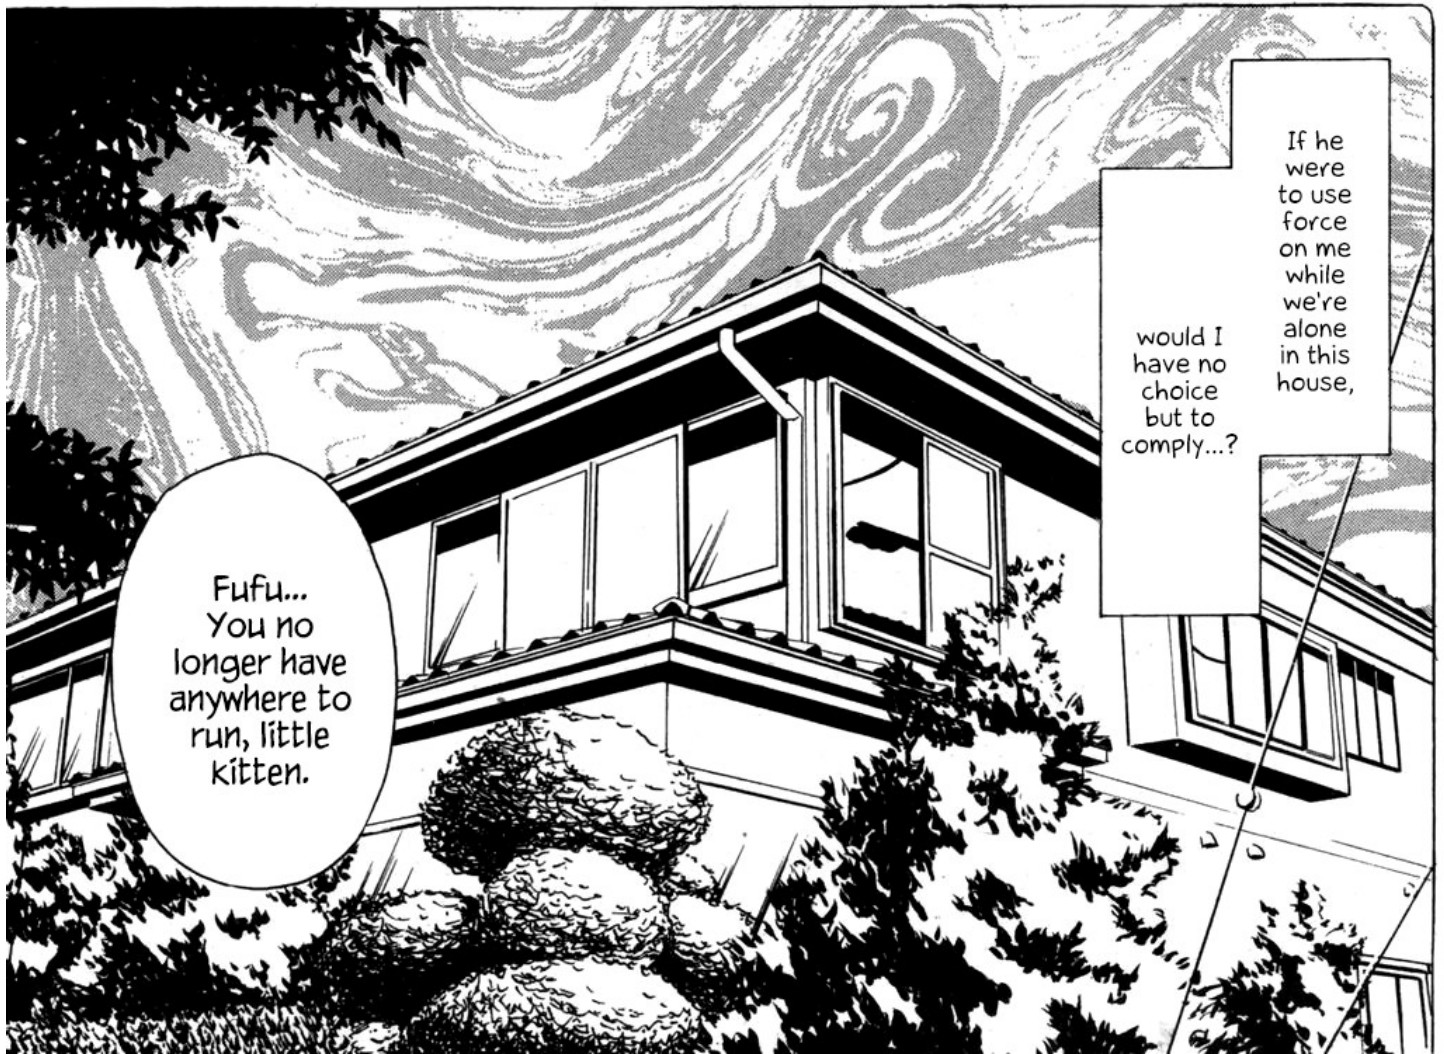

I love you too, but...

But I really love you!

暴発イグニッション

Fufu...
You no longer have anywhere to run, little kitten.

If he were to use force on me while we're alone in this house, would I have no choice but to comply...?

Blame your own carelessness for putting you in this situation.

You waltzed right into a man's house...

He's the man I chose!

Momo-chan!

That's right! I need to believe in him!

Hiroki-san would never do something like that.

Momo-chan.

He's beautiful in her memories

Momo-chan?

He's someone

I'm fine...

Why'd you trip over yourself all of a sudden?

A-Are you all right?

は、か

W h a?!

I had no idea Hiroki-san was so skilled...

H-How could this be!
I got like this just from him holding my hand...

I've... I've never suffered such humiliation before...

You're not having a seizure... right?

Are you okay?

Oh no... he's looking at me. He's looking at me while I'm so embarrassed...

Can I go for it?!

Could this mean that she's giving me the OK?
Her legs are wide open!

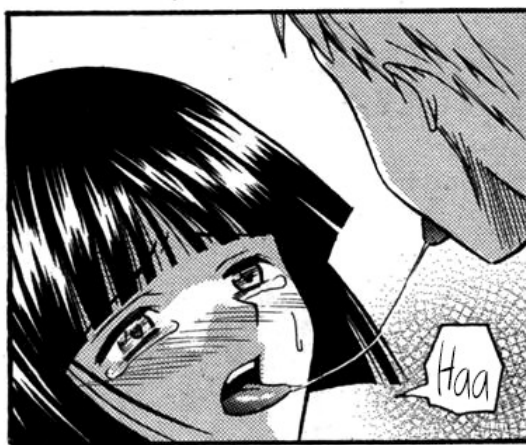

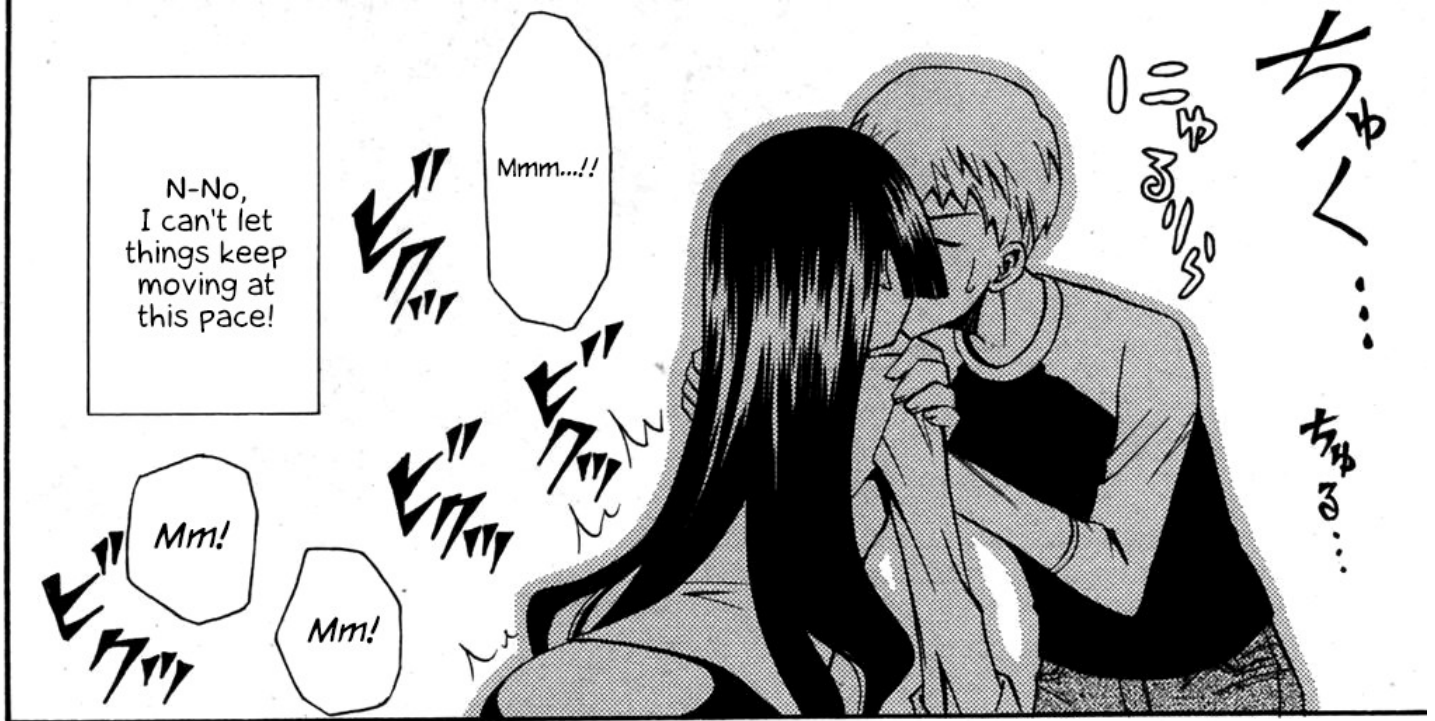

getting so hot?!

But why is my body...

To heck with it, a guy's gotta have guts!
