あとがき

サークル無限軌道Aのトモセです。
この作品は以前イベントで描いたものに10ページほど足したり修正して色をつけてみたものです。
時間的な制約をなくして気ままに自分なりに好きなだけ作りこんでみたいなと思ひましてこういった形で仕上げてみました。
個人的に好きなテーマのものをまたこのような形でいくつか定期的に作っていきけたらと思います。
このたびは手に取っていただきありがとうございました。

HENTAI_DOCTOR TRANSLATIONS

Hey guys, it's been a while. School work has really started piling up on me, so you might not hear from me for a while. As usual, Shunsaku-sensei's artwork is flawless. This doujinshi is a remastering of his earlier work, "enko-sei". Enko is a shortening of the word "enjo-kousai", which means compensated dating, though in this doujinshi it's pretty much just prostitution. I tried to make you guys feel kinda bad for the male protagonist at first by making the bullies seem horrible, but then it turned out he's actually even worse. What's with Shunsaku-sensei and bbm?
