No way no way no waaaay!

Speaking of which, your dick's already reacting to my boobs!

My chest will rat me out!

Oops.

Hmm, are you sure?

But you gotta calm this buddy down or we can't even think about the pool... ♡

Can't be helped, huh...

I do have one more thing prepared.

Don't worry, don't worry.

The locker's covering you.

Make sure you keep watch, okay?

You didn't like it at first, but you've been getting used to sucking dick, huh? ♡

Ahh, it seems like they're coming over here! Let's hide!

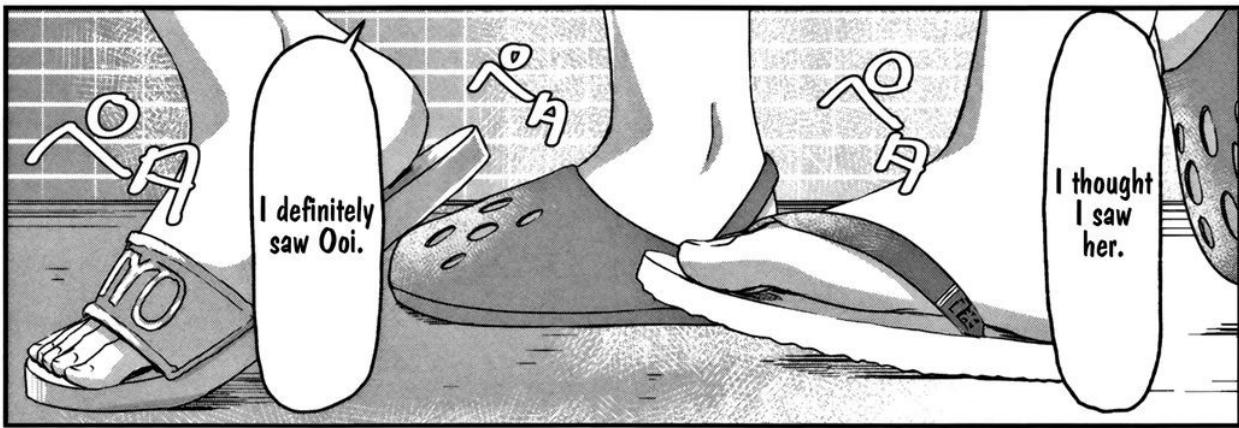

Shaddap~
I can't hear anything outside.

Is there an elementary grade schoolgirl who would hide in the men's bathroom out of habit...?

Aauu...
It was a habit...

...So.
Akira-chan...
Why did you hide in the men's bathroom...?

I definitely saw Ooi.

I thought I saw her.

Well, if they're here, you can relax because they didn't see you.

There's no way I can try to get out now...

Gyah-
Those guys came in!

Uh... Akira-chan...?

Startle

Akira-chan, don't pay any attention to them...

If we see her, she'll definitely kick us.

Gorilla in a swimsuit, huh~

Geez, I guess brats like them can't comprehend the appeal of a boyish little girl...

They're gonna regret it when they get older.
