Mysterious Exhibitionist Flasher Girl

For having lost against the All-Boy Monster Academy, was remodeled as the Mysterious Exhibitionist Flasher Girl. After escaping, she used the powers she earned from the remodeling process and was able to bid farewell to the days of fighting.

But, having faced defeat once again, she was remodeled into the Mysterious Exhibitionist Flasher Girl once again as well.

After that, her life as a baby-making machine and as a lust-reliever meat urinal, not only for the All-Boy Monster Academy, but also for the city, began...

Mysterious Exhibitionist Flasher Girl

◎Remodeled Womb&Ovaries
The remodel reduced the period between conception and delivery from 10 months and 10 days to just a few hours!!
Since they have astounding strength, it's all right for her to conceive and deliver countless times!
Has a side effect of being able to give birth only to male orcs.

◎Amazing growth speed
The growth speed of the orcs she delivers is extreme.
In just a couple of days they grow to the size of an adult.

For more details, please check "Pepo"'s CG work 'Kyounyu Sukeban Marimo Kaihou sarete rigai baishun sekusu ni dohamari ochishita J○'

MONSTERZ ACADEMY'S UNDERGROUND FACILITY
AS YOU WISH! THEN, COME WITH ME...
I'LL HAVE YOU SLEEP HERE TONIGHT.
.....!!

In this room you can have a regular night of sleep and let your pussy rest!
It's currently 11:02pm! If you can stay in this room until six in the morning without masturbating, it's your win! And if you win, from now on, your nights will all be rape free!
Just what is this challenge already?
A-And if I lose?
If you lose, I'll have your body transformed into one that will continue having climaxes for the rest of your life. On top of that, you'll be, without a doubt, kissing goodbye to any kind ofordinary life.
Plus, you'll be throughly raped even more than you've ever been until now. Don't even think you'll be getting any rest at all. And if that happens, your pussy will need to be ready!
It's simple.
I'll ask you once again. Do you want to take this challenge? Or will you bail out?
Of course I'll take it!
I just have to resist from masturbating for one night, right?
That's an easy task! Everything will work out as I want!
I'm going to sleep now. We'll check the footage from the surveillance camera in the morning.
Give your best resisting as much as you can.
