A certain small country suffered from a rarely seen famine due to the newly enthroned monarch's oppression and a sudden apparition of a swarm of locusts.

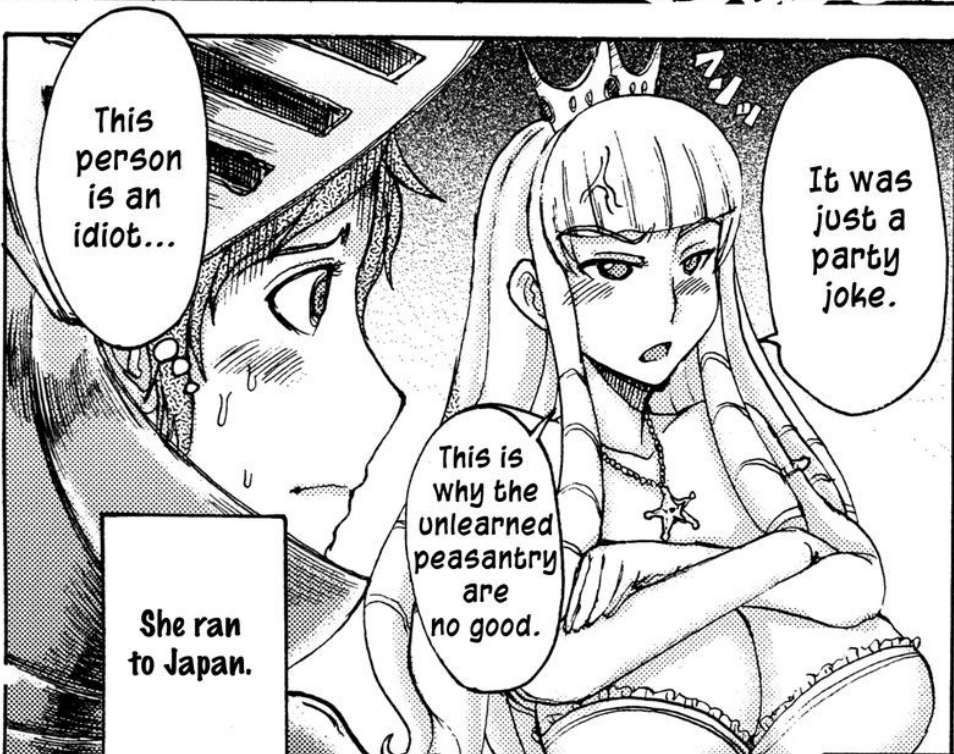

The anger of the citizens reached a critical point at the country that did nothing, and that anger was pointed at the newly enthroned Queen.

And then the newly enthroned Princess Stella, who was a wasteful, neglectful tyrant, thus spoke...

おんぶおんぶ

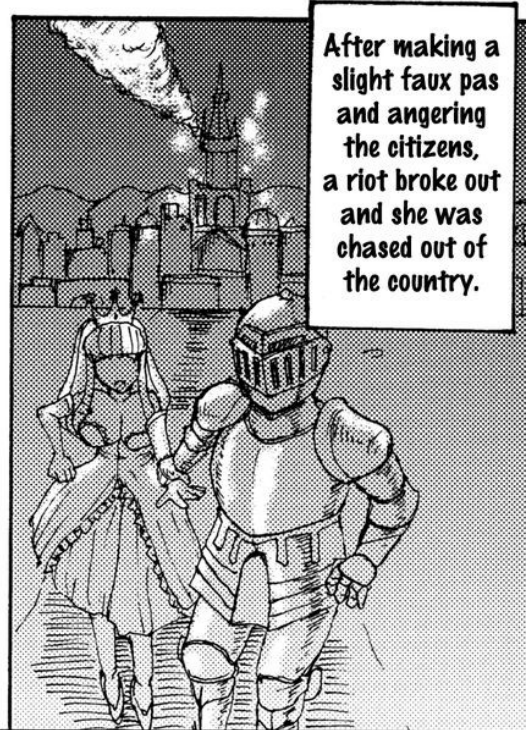

This person is an idiot...

It was just a party joke.

This is why the unlearned peasantry are no good.

She ran to Japan.

After making a slight faux pas and angering the citizens, a riot broke out and she was chased out of the country.

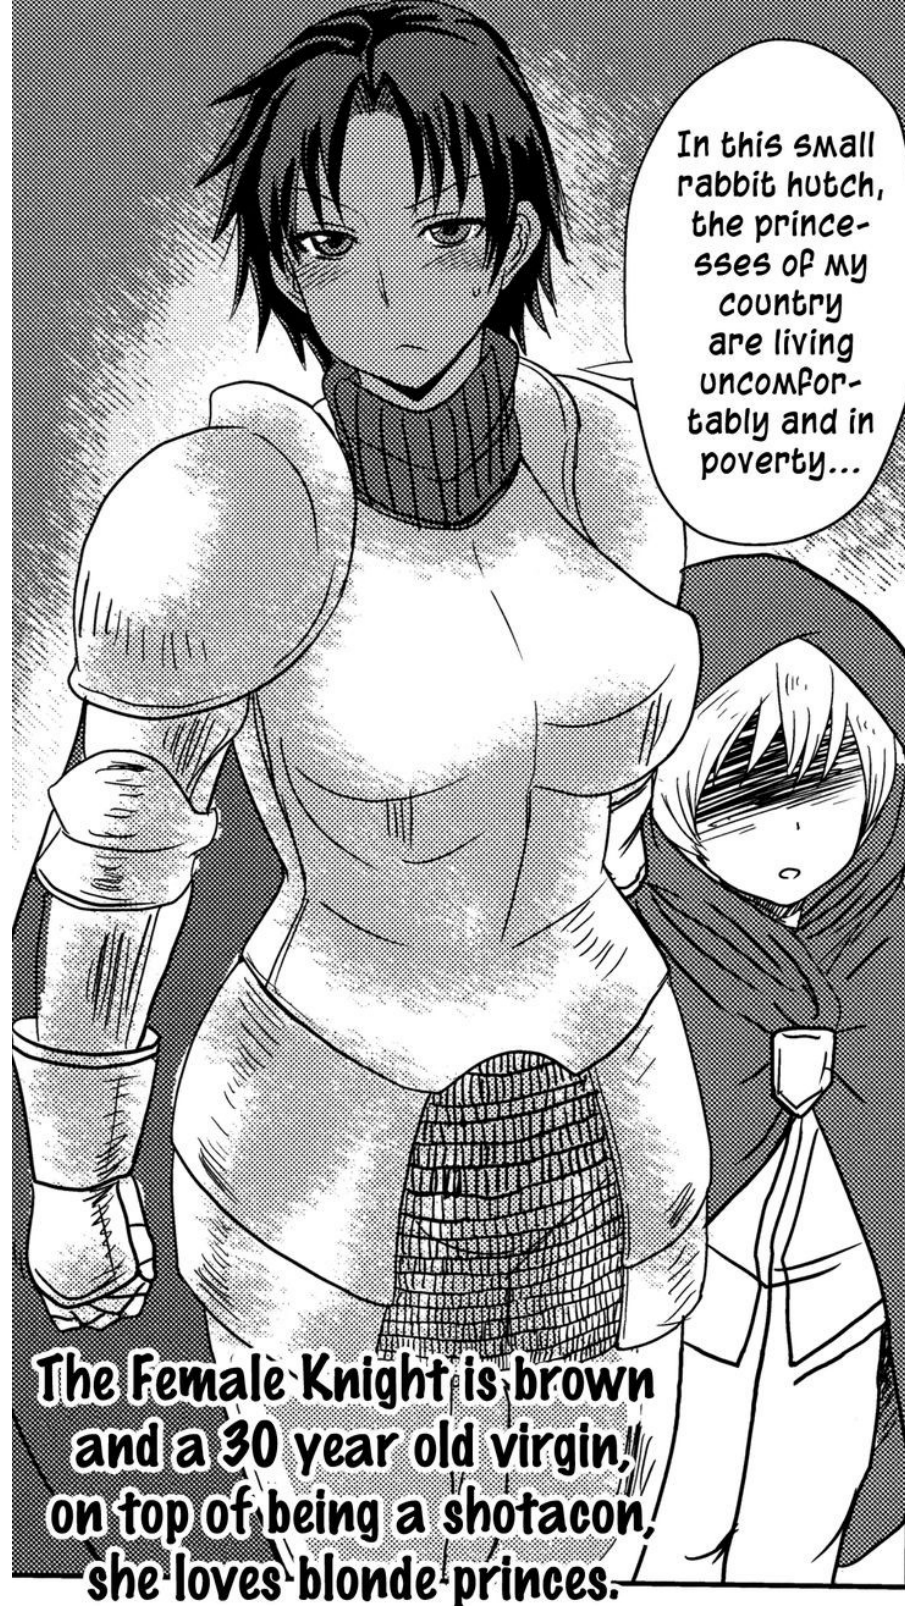

In the far eastern land, Japan, she is deceived and loses her virginity!!!

But unexpectedly, at Japan the egotistic princess lets herself loose and fucks the hell out of her retainer!!!

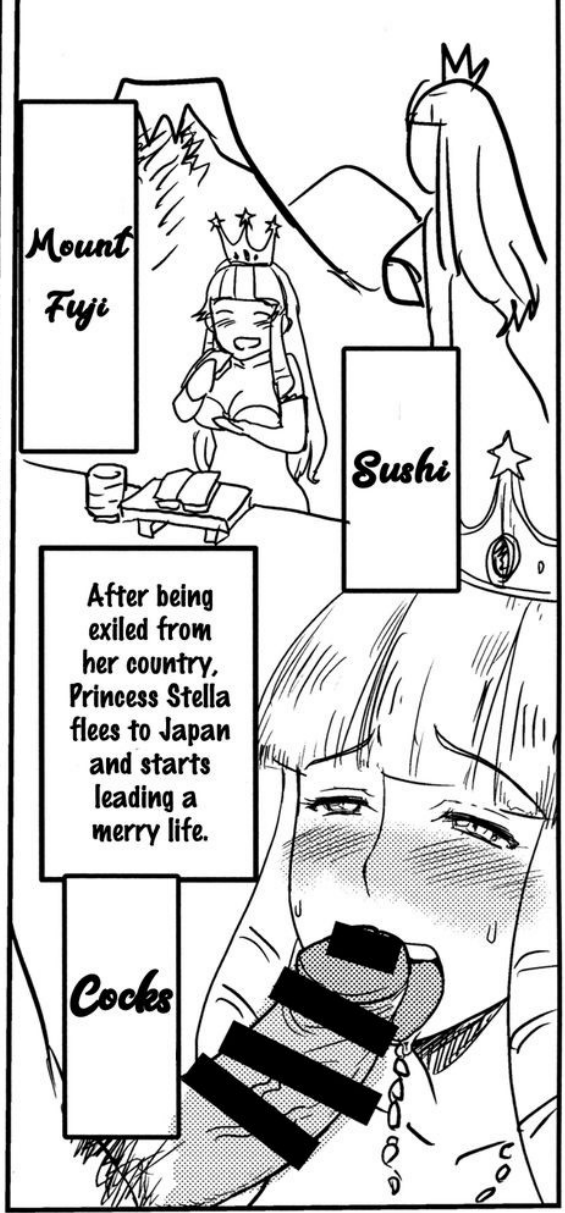

This is the story so far.

Her beloved younger sister, the big-breasted loli, Princess Artemis flees alone to Japan to look for her!

In this small rabbit hutch, the princesses of my country are living uncomfortably and in poverty...

The Female Knight is brown and a 30 year old virgin, on top of being a shotacon, she loves blonde princes.

After being exiled from her country, Princess Stella flees to Japan and starts leading a merry life.

But soon you'll be able to meet your elder and younger sister, Prince!

CAN'T YOU IMAGINE HOW MUCH APOLLON-SAMA WOULD BE SADDENED TO SEE HIS ELDER SISTER'S UNBECOMING STATE!

Forgive me Princess, I can't have more sex...

INVITING MEN IN AND PARTAKING IN HARLOTRY!

EVEN MAKING ARTEMIS-SAMA, A MINOR, DRINK BEER!

Oh... you're awake...

As his older sister, it is my responsibility to relieve him of his lust, right?

"What"? My brother says he wants to have sex

にきゅにきゅ

Siblings can't do such a thing!

Ouch!

What do you think? My brother's ferociously and wonderfully grown penis.

びきゅびきゅ

Well, if you won't do anything...

I'll gladly welcome the incest

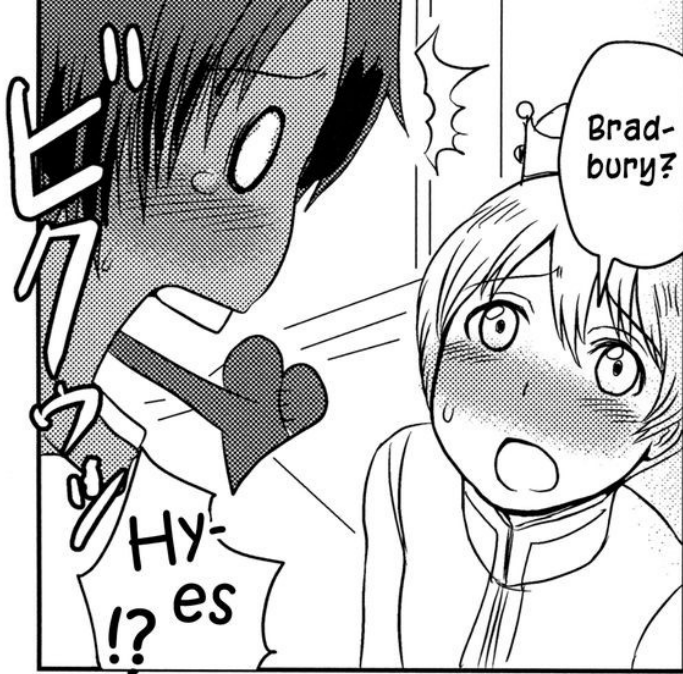

びきゅびきゅ

What are you going to do? Apollon is suffering this much, you know?

My heart is beating fast, it feels like it's gonna burst at any moment...

トキ...

Oh, the Prince is so gentle...

If you don't want to, you don't need to force yourself, okay?

By no means! It is far too big an honour for the likes of me!

To be honest I have no experience at all, I'm a complete virgin but I'm older so I have to guide the Prince who is younger... It's shameful for a man not to eat the meal set before him, I mustn't let the Prince suffer such shame, uuh oh mama...

トキ...

I'm utmost happy to be able to lay with the Prince but, I'm not very experienced in this so I'm not sure if I'll be able to satisfy you...

トキ... トキ...

Aah...
It's melting,
the Prince's kiss
is melting away
the 30 year old
virgin curse
that had been
cast on me...

30 years
since I was
born, I have
been so
devoted
to my job
I was even
called the
Virgin of
Steel...

That the
day when
I would be
able to be
with such
an ideal
partner
would
come...

I'm so
happy
I might
die...

The Prince looks like he is enjoying himself...

Even
after
letting out
that much,
the
Prince's
dick!!!

I-Is it really okay?

P-please do not hold yourself back!

It's me who should be asking that...

ドキドキ

Was a virgin thus far because of her obsession with her shota fetish.

That the day when I would be able to lose my virginity to a rosy-cheeked cute boy like the Prince would ever come...

ほあ♡
Now, come here Prince ♡

♡お♡

♡は♡♡

A-Are you okay? Bradbury! If it hurts too much we can stop, okay?

I'm fine... I'm so tough an elephant could step on me and I wouldn't break...!

As if I could let this once in a Millennia chance slip by...

So this is the pain of defloration, huh...

I had heard about it but...

And with the prince's dick being that huge it feels like he's gonna tear my pussy apart...

Aah...♥
Right now,
I'm having sex
with the Prince...

Hey,
can I
Move?
Bradbury?

May I partake in my brother's huge cock too?

I heard some loud moans so I got curious.

Sister!?

Princess! Since when!?

Guess I won't say it...

Prince! We're going to do it one more time!

Eh, in front of my sister?
