

さつよ presents
「まずは友達から」

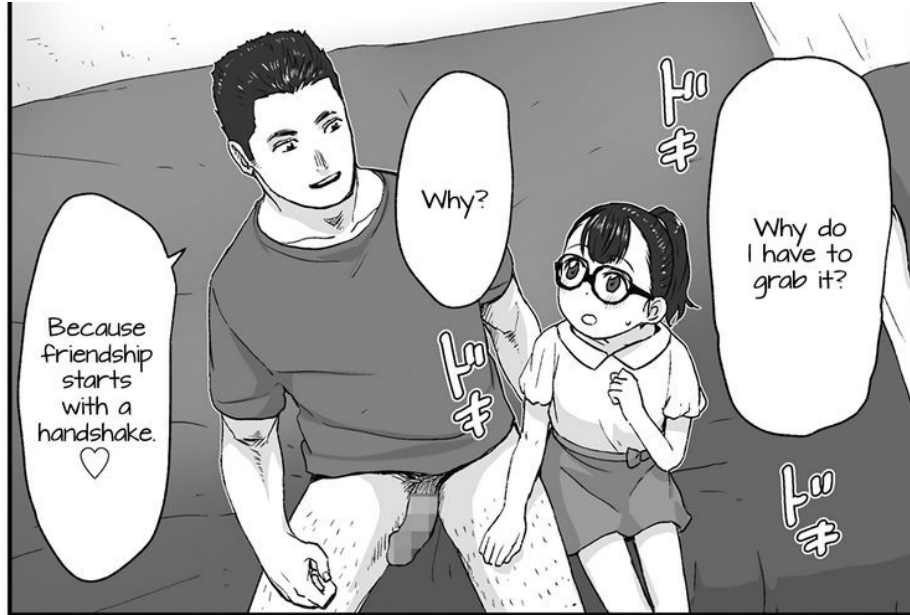

So...
Hard...

Because
friendship
starts
with a
handshake.
♡

Why?

Why do
I have to
grab it?

Uugh...

Your hand is
really soft,
Momoka-chan.

I think I'm
gonna cum
just from the
handshake.

Yeah...
That's
really
good.

Like...
This?

Move
your hand
back and
forth.

Friendly
hand-
shakes
are
amazing!

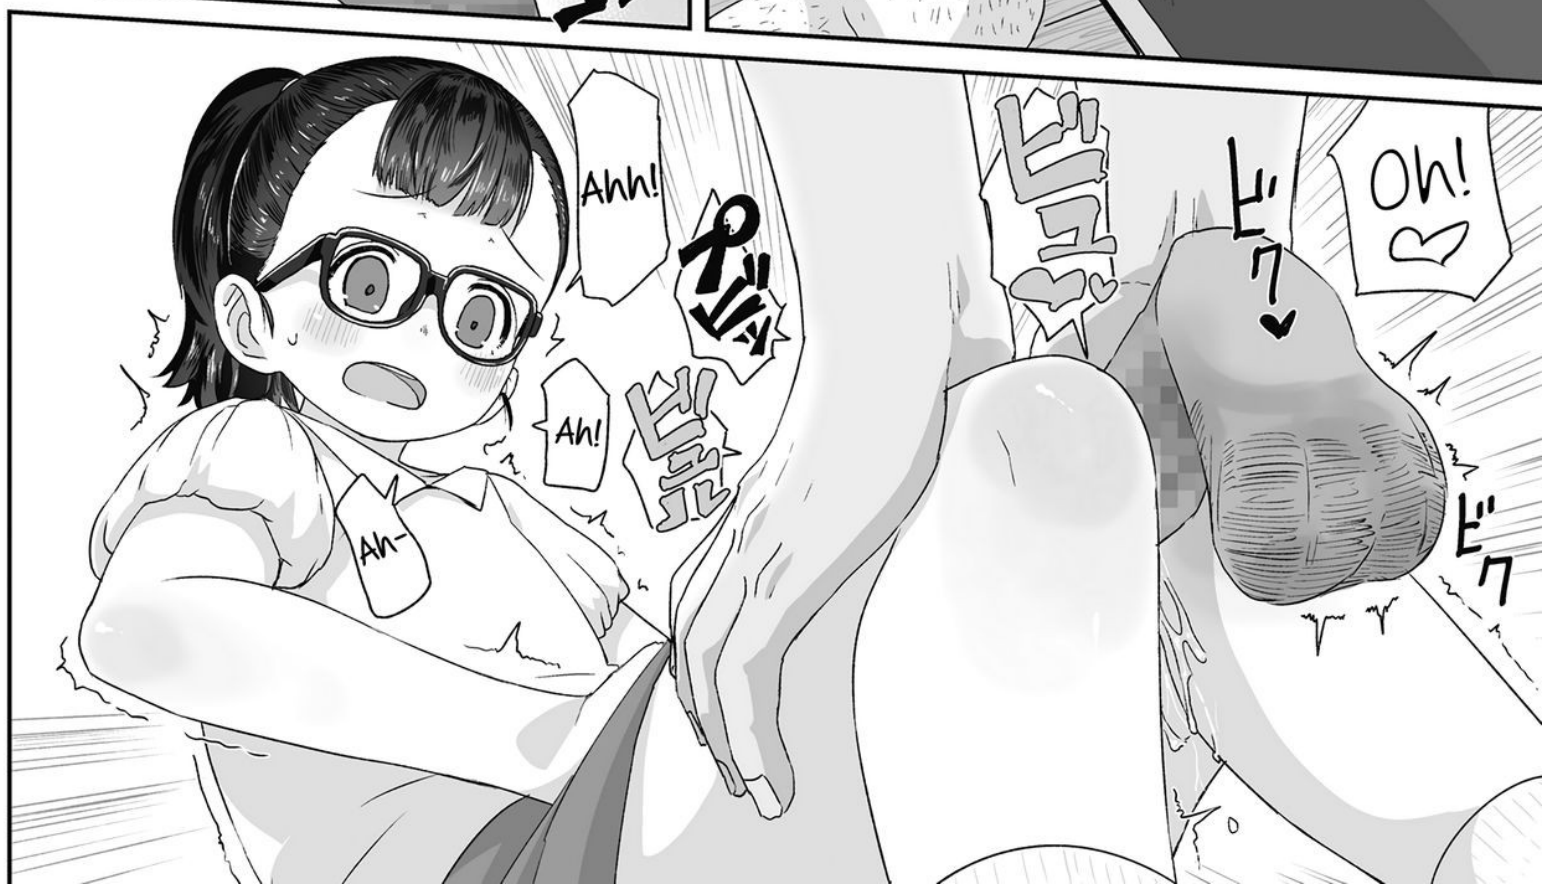

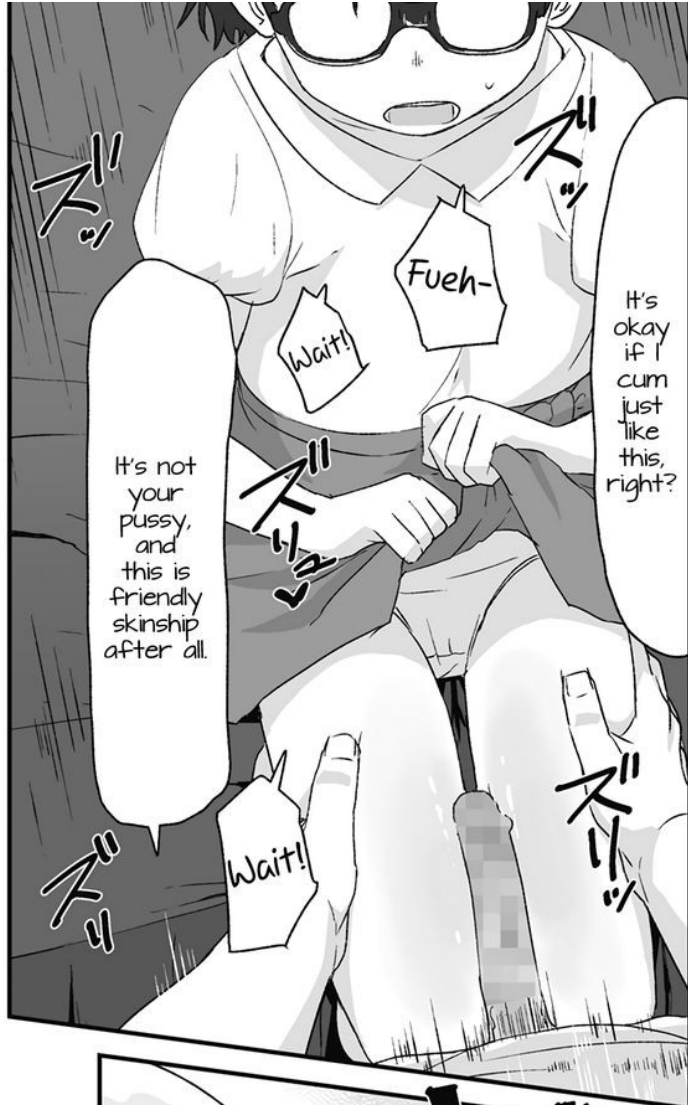

おす...

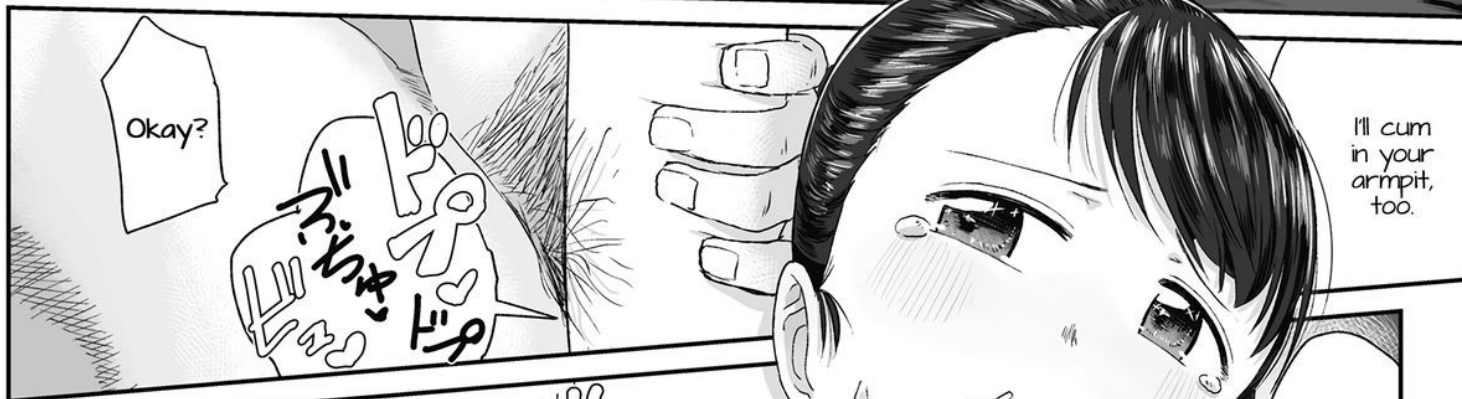

Oh-
Amazing!
♡

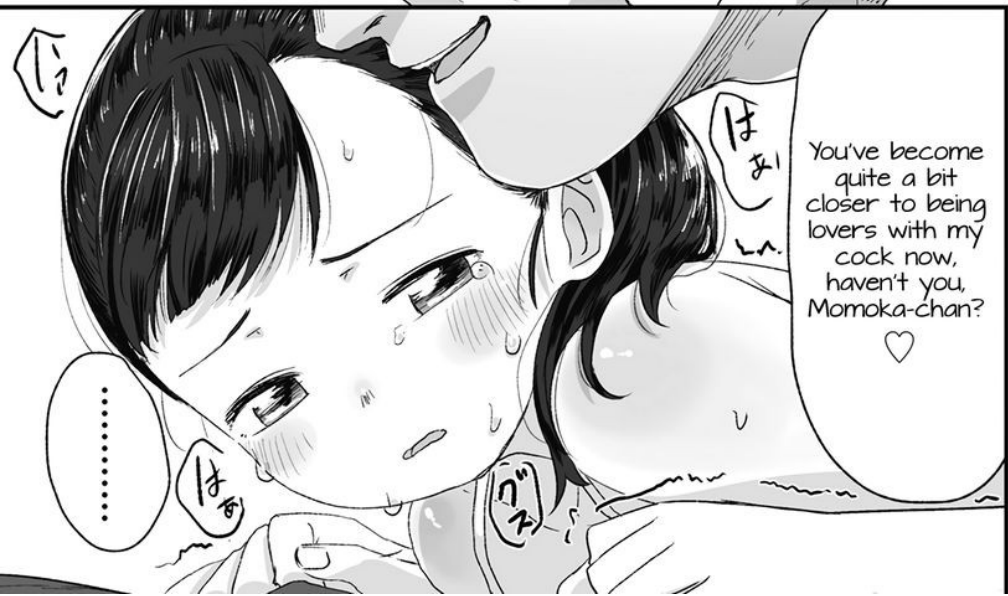

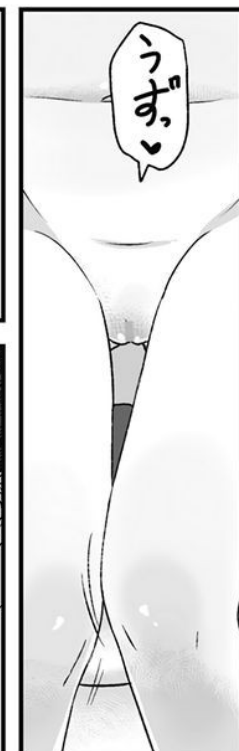

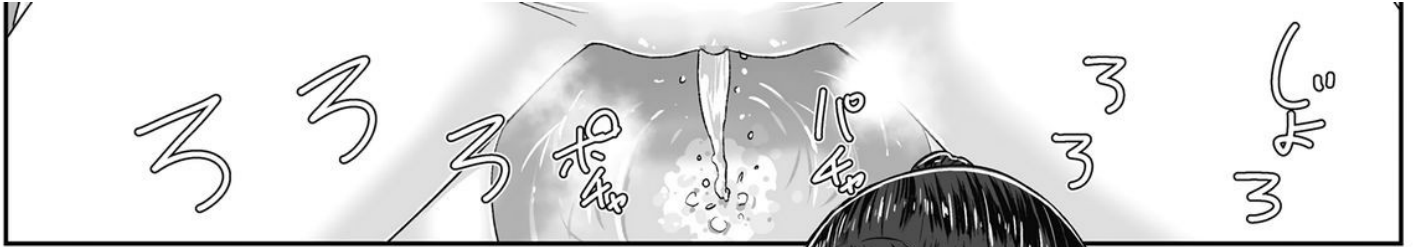

Eeh...

Both
hands...
Try
using
both
hands.

If I become
lovers with it,
will I do it
like this...?

Is this
about
the same
size as
a penis,
I wonder...

And finally
in here...

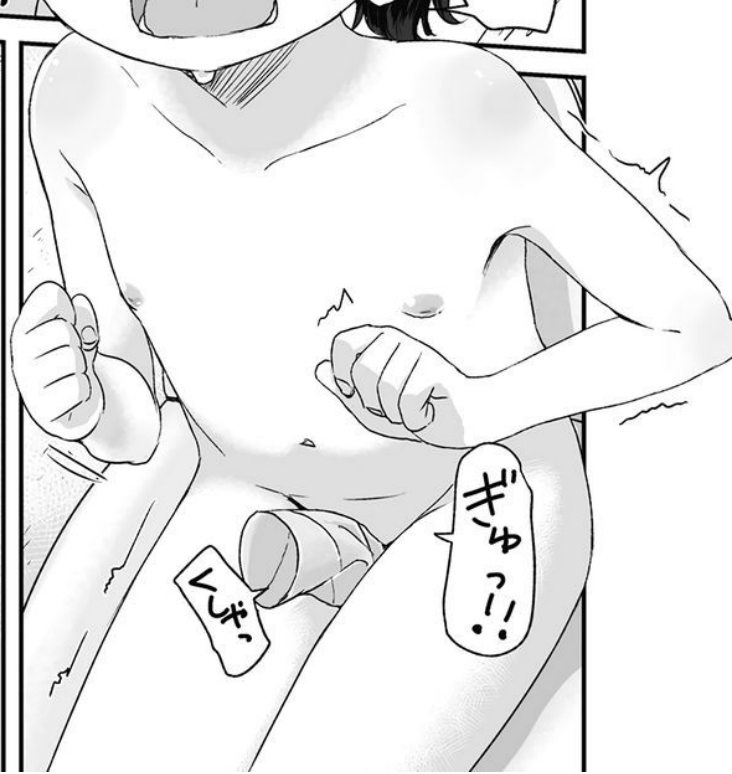

Oh!

It-
It's
too big!

Ah...
He's
asleep.

I wonder if it's tired from ejaculating so much.

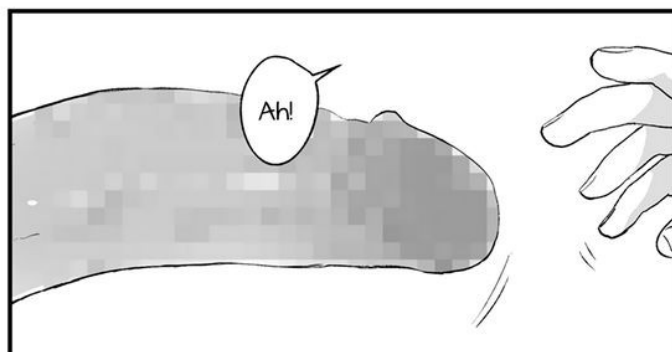

His penis isn't angry...?

So it's soft like this normally.

Is this...

Ah!

Huh?

It went back down.

It must not be very lively...

Fufu~♡

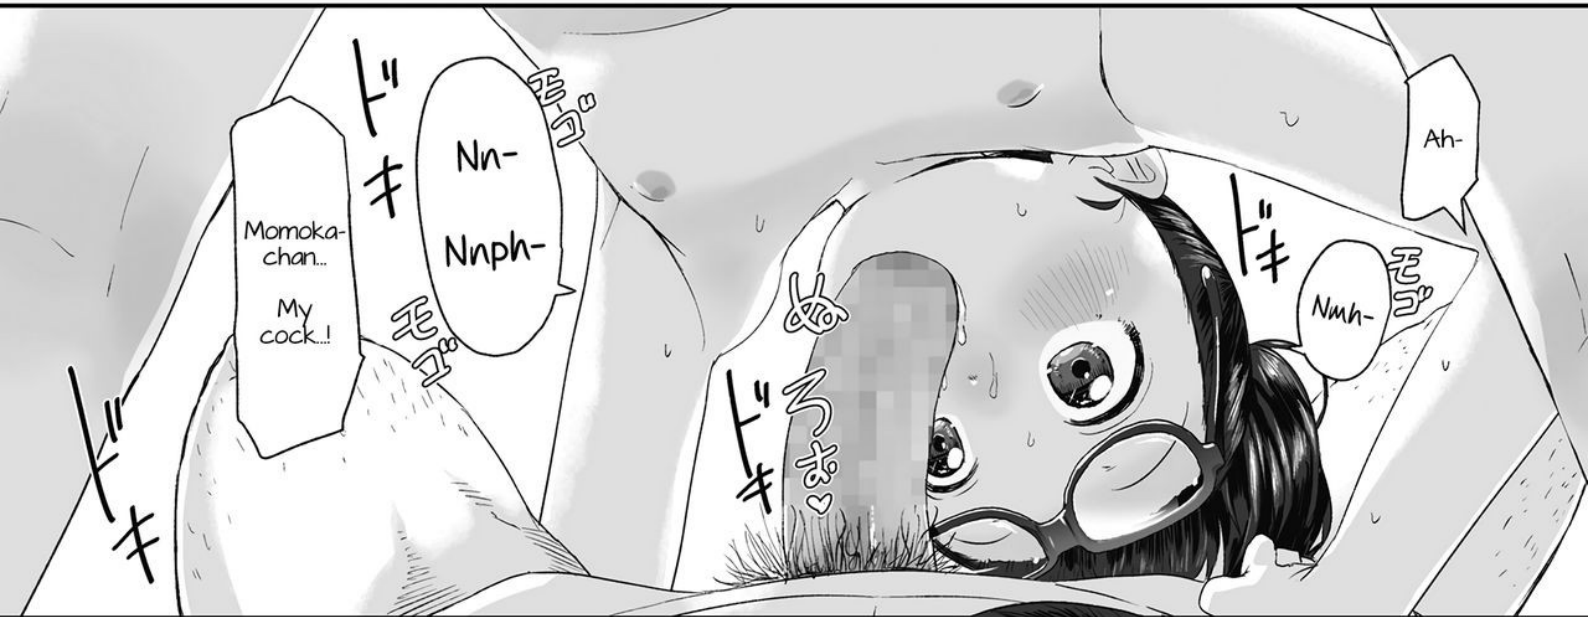

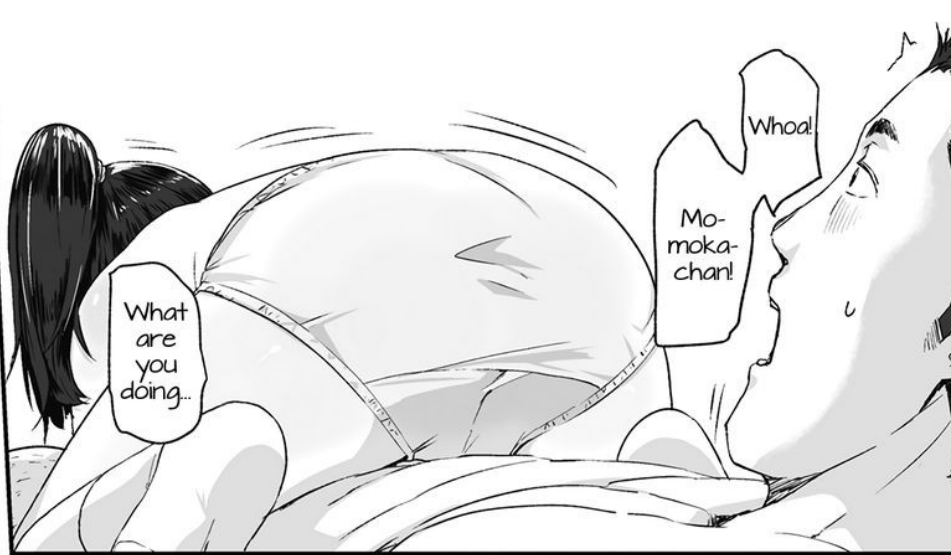

It's not scary like this, it might even be a little cute.

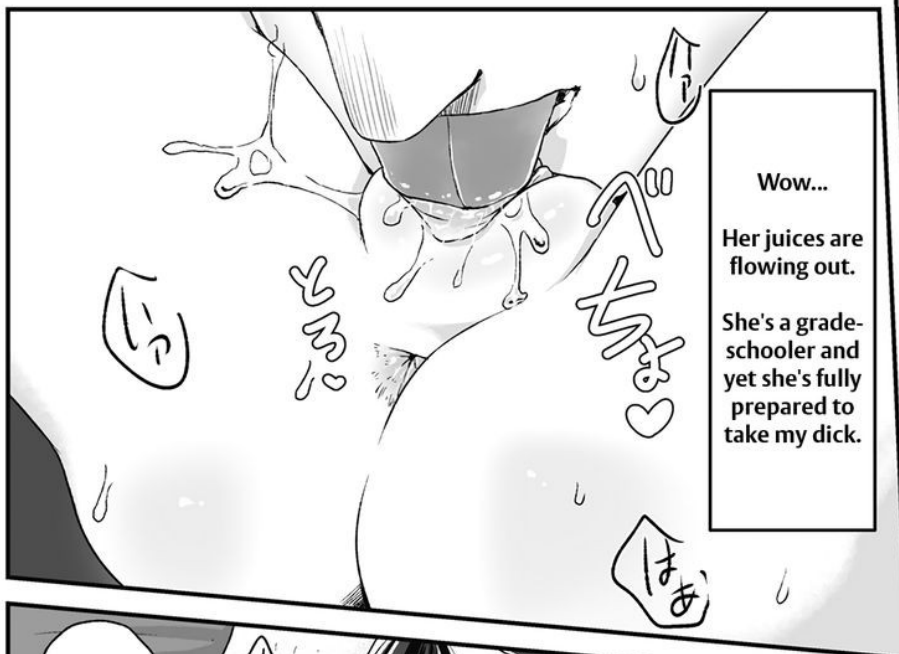

My mouth...

I...
Made
his penis
lively
again...!

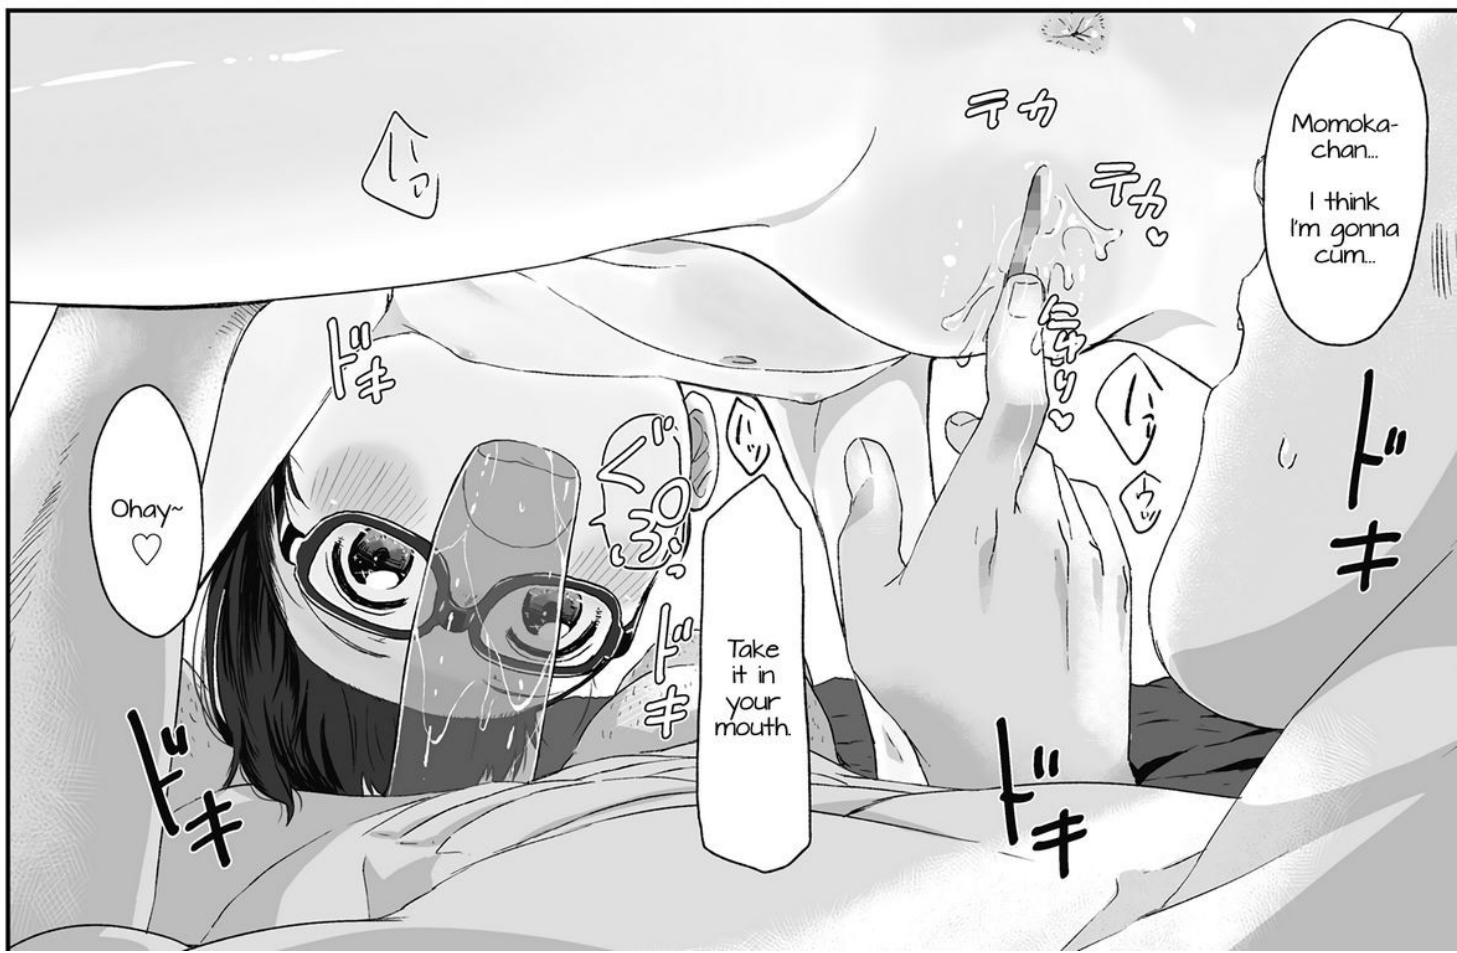

Wow...
Her juices are
flowing out.
She's a grade-
schooler and
yet she's fully
prepared to
take my dick.

The way
you use
your
hands
is pro-
gressing
too...

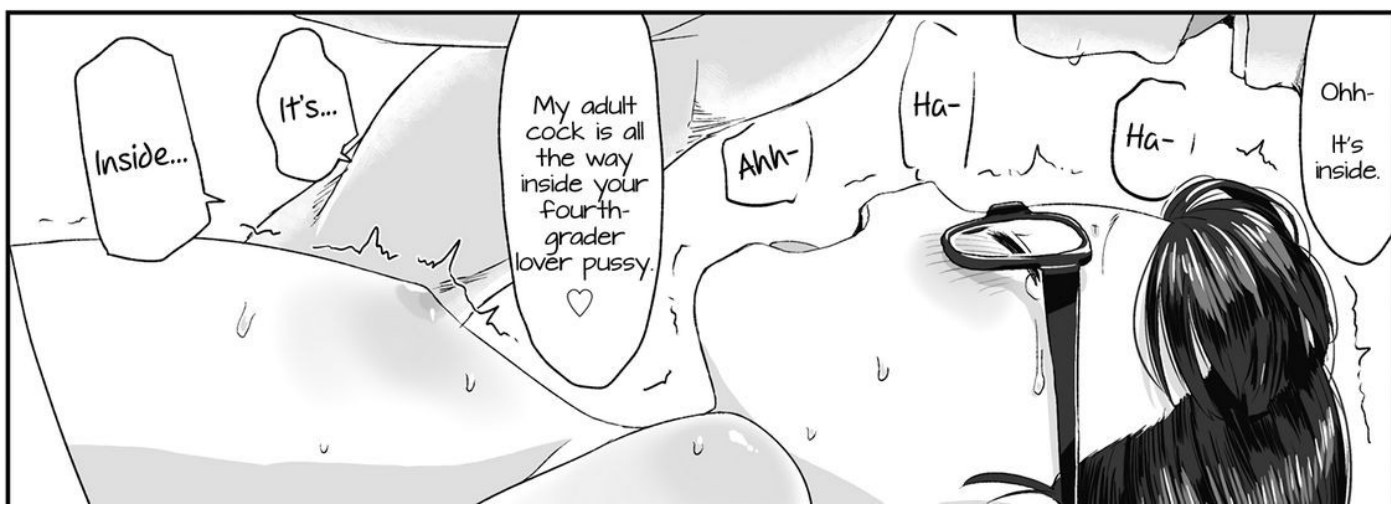

Ugh...
Momoka-
chan,
you're
too
good at
fellatio.

Ohay~
♡

Take
it in
your
mouth.

Momoka-
chan...
I think
I'm gonna
cum...

んは

んむ

んは

I love your penis.

I love...

I like it deep-

Haaa-

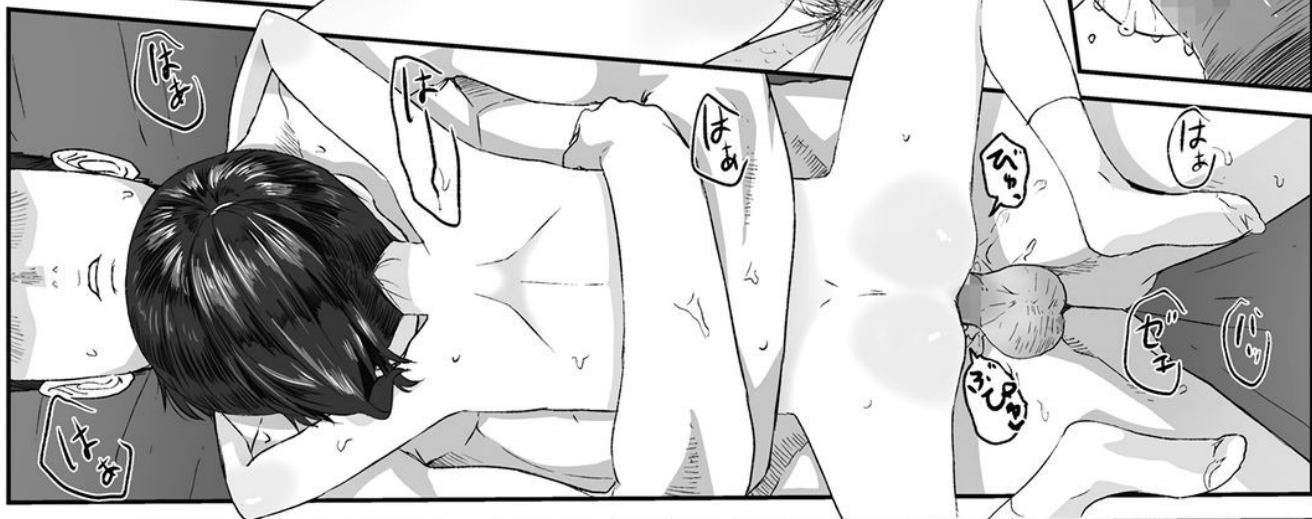

I love your pussy too, Momoka-chan.

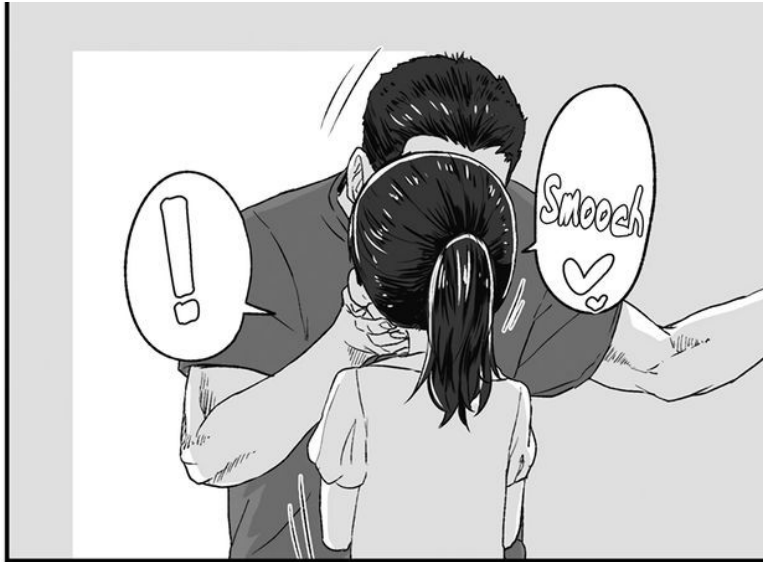

Yes...

I'm cumming inside your pussy.

Because we're lovers...

Yeah
