Mother was taken from us by an illness. And then, without warning...

Father used to rule this world, and we lived happily, until...

Theree Puff-Puff♪ Puff-Puff♪

Oh nooo ♡

My, my ♡ You're so spoiled.

My father, the King, found himself a new wife, a new mother for me.

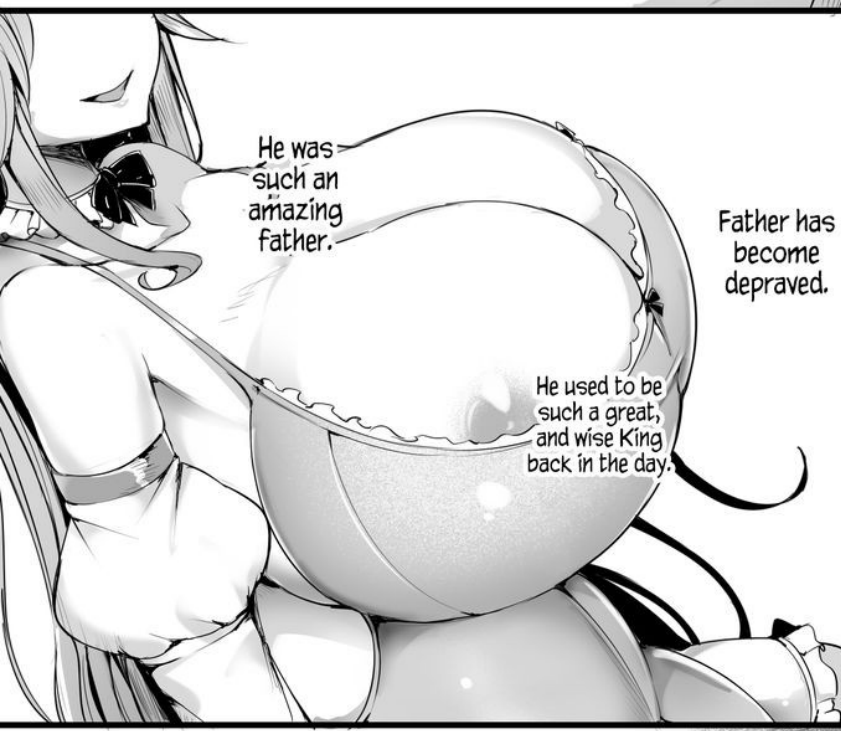

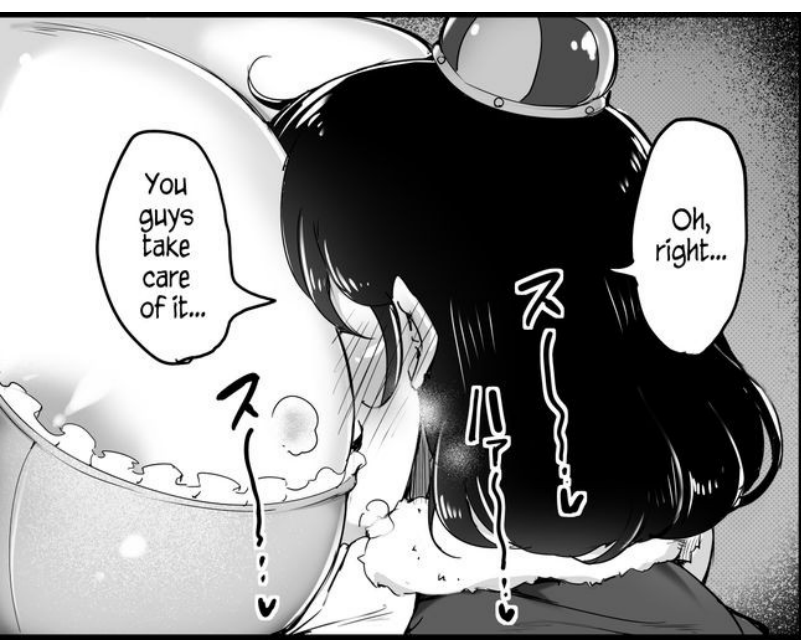

...

Who cares? Boobies come first♪

But everyone's watching us, dear ♡

Muhohoh~ You've got some great tits, as always♪

There's something fishy going on here, I'm certain of it.

I won't accept her as my Mother.

Something that can seduce Father... I won't forgive this.

She must be some kind of she-fox... Or a demon.

Then, even if the current King were to disappear...

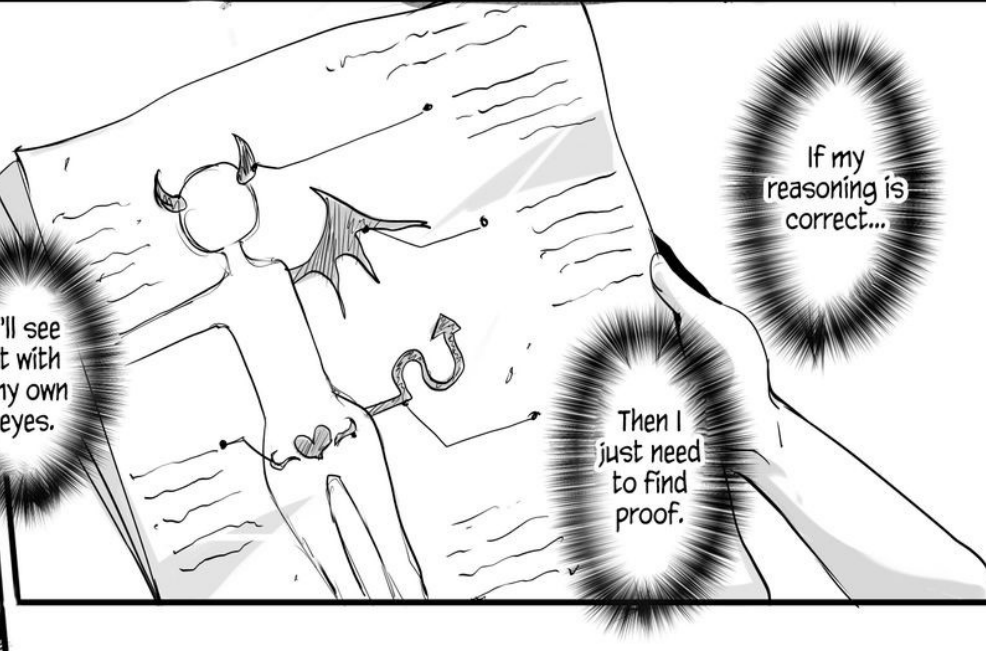

Indeed, even the scholars admire him.

Prince Raka really is smart.

Shh~ keep it down.

I'll save my Father...!

I'll see it with my own eyes.

If my reasoning is correct...

Then I just need to find proof.

I'll find proof...

There she is...

I knew she'd be here.

Of her evil...

May I help you in any way?

Prince Raka ♡

Fufu... Why don't you come in?

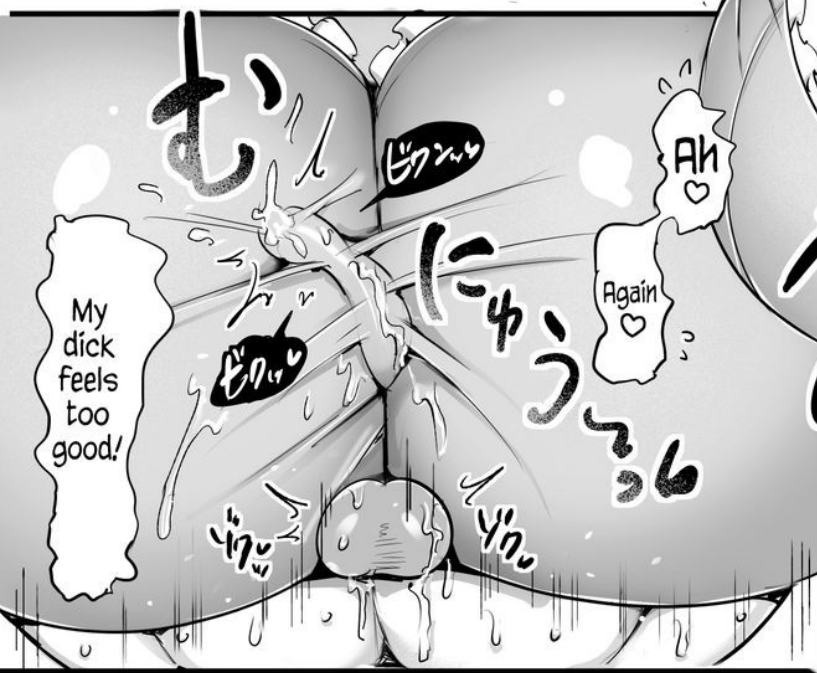

I'll wash your back.

Th- This isn't... uu

I mean I wasn't... uu
