OP

Today
let's do
it like
this.

...you really
are picky.

If you keep doing this, then I won't be able to become a bride...

No! I'm saying that you're like a marshmallow, I could keep playing with you forever ♡

...So you're saying I'm like a saggy old woman?

Sempai, your body is so soft, and full, and yet so smooth. It's the greatest ♡

I'LL NEVER LET YOU GET MARRIED.

No! Kissing is not allowed!!

So, when I first asked if I could touch your bare breasts, why didn't you refuse?

I didn't think it would escalate to this...

Plus...

You're fine with hugging while naked and sleeping together, why not kissing? I don't get it!

We've been living together for half a year.

DOING THIS ISN'T OKAY, BUT KISSING IS EVEN WORSE!

玄鉄絢先生のドキドキ百合ワールド、次回もお楽しみに♡

Miko-chan, who are you to call me a snob?

Sempai, are you the kind of snob who thinks a person's worth is determined by their appearance?

What?

It's a view bath. Please don't lump it in with something so cheap.

the room comes with an installed bath-

...So,

So that's how a bath like this works...

In this darkness, if you move even a little, the image won't come out cleanly.

YOU WERE PEEP-ING!?

I tried taking pictures from over there beforehand, and faces were indistinguishable even with a 500mm.

It's fine.

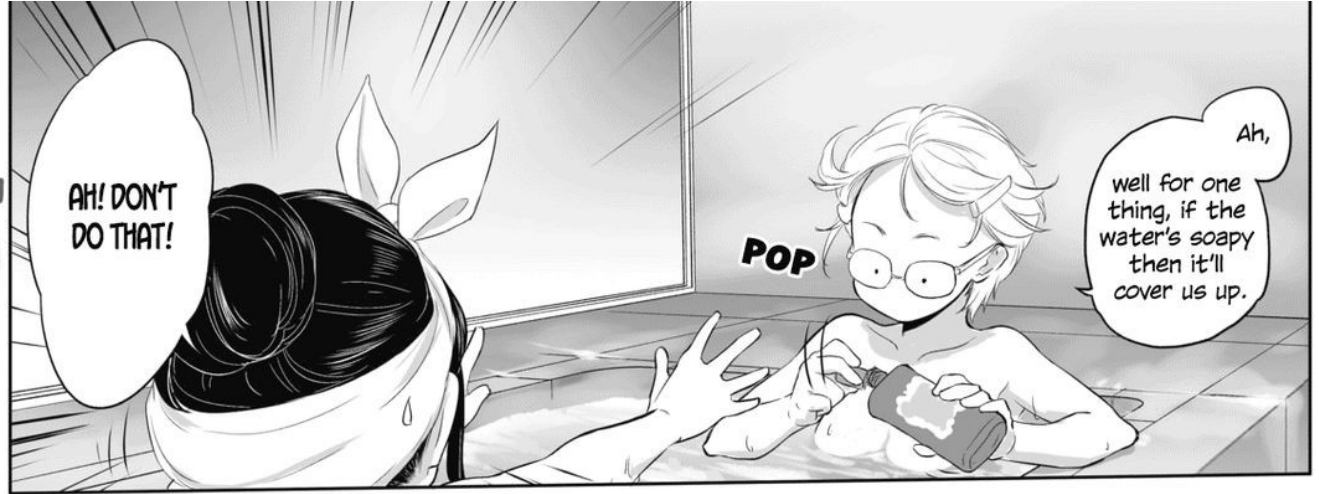

BUT IF WE CAN SEE SOMETHING FROM HERE, DOESN'T THAT MEAN THEY CAN SEE US FROM THERE!?

Ah, well for one thing, if the water's soapy then it'll cover us up.

.....

SOAP'S BITTER, YOU KNOW!?

Oh... is this really expensive or something?

S-Sorry.

DON'T TOUCH ME WITH YOUR FEET!

if I use my hands would it be okay?

Then... umm...

But even if I say no, you'll do it anyways, right?

...it's not okay.

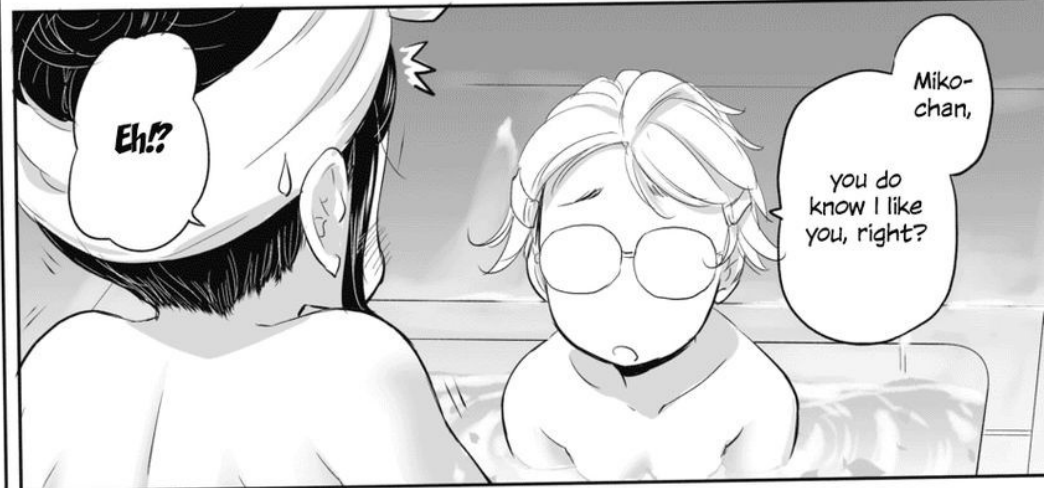

YES!

Plus, then I won't be able to see your body.

I GET

Wow, your

completely

I've never
looked at

Woah

He can hear you!!

No! The person in charge of accounts there is being transferred, you have to settle before they're switched out!

SHE'S A SNOB.

HER NAME IS TERAJI MIKO.

AND HER ROOMMATE IS WASHI-NUSHI TAE.

Roommate?

I'M FINE WITH JUST GETTING THE STUFF THAT'S LEFT-OVER AT THE SUPERMARKET ON THE 15TH!

I HAVE LEONIDAS TOO!

I don't need something fancy like this...

I missed my chance to buy this last year.

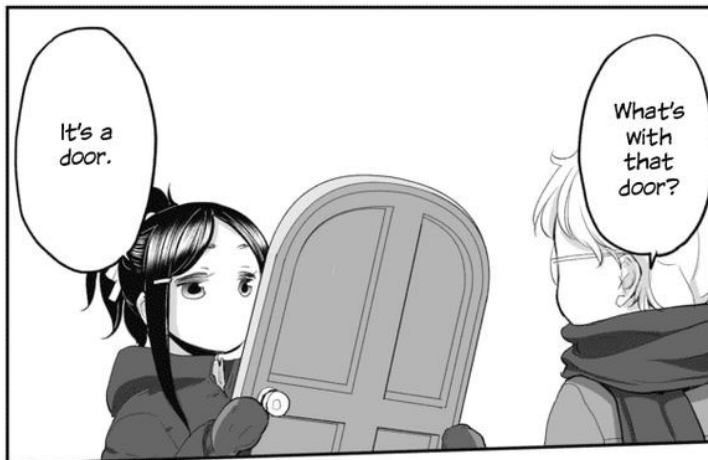

This could probably stand for days, right?

Well, maybe you're right.

I never thought there'd come a day where I'd be making something like this in Tokyo.

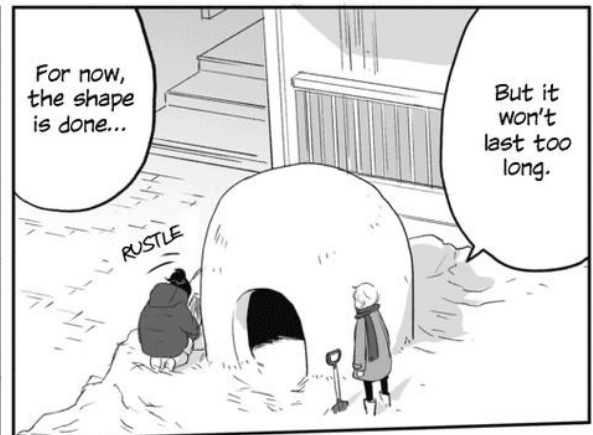

Haah...

It's a door.

What's with that door?

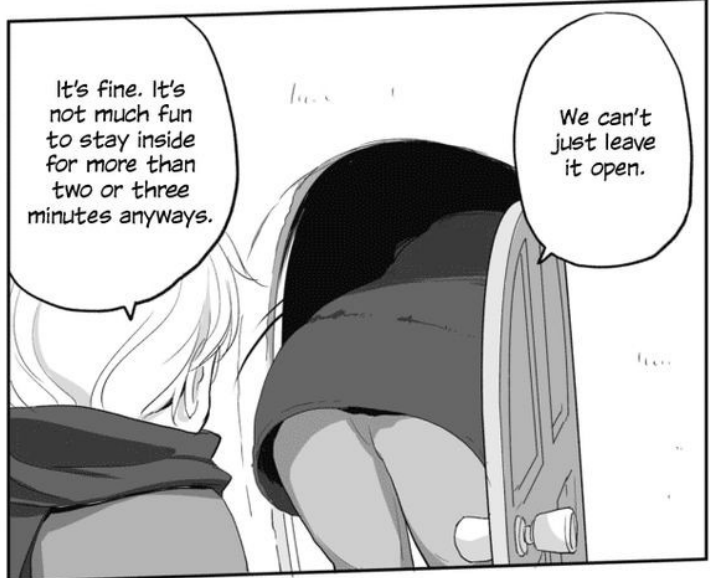

For now, the shape is done...

But it won't last too long.

WHERE'D YOU GET THAT FROM!?

I think a kotatsu will be nice.

It's fine. It's not much fun to stay inside for more than two or three minutes anyways.

We can't just leave it open.

Now give that back to Palette-chan.

Miko-chan, I can tell you're trying, but it's not normal to put a kotatsu in a snow hut.

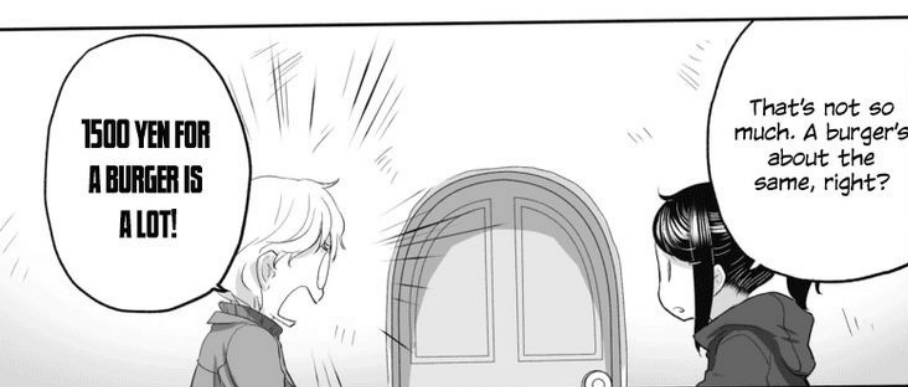

It was 500 yen at the used goods store.

If you keep living this degenerate lifestyle, you'll set a bad example for our new employees.

Miko-chan, you're a mentor from this year on.

That too!

This sex life?

We can't keep up this life.

SQUEAL

Could you bear it if we were seen doing something like that?

No one's seen us.

You never went to those your-self

I don't care about their drinking habits.

Two people who won't come to company drinking parties no matter how many times they're invited, three people who can't drink beer, one who is rumored to be able to drink a lot, but commutes to work in a car for some reason.

how are the new people this year?

So,

BUTT HAIR!?

No, the hair on her head.

That girl with hair down to her butt.

Who?

Are you always like this?

Doing something like this.

...This is my first time.

So when you smelled just like Teraji-sempai...

it really got my imagination going...

It's my first time being stared at like that by a woman...

Shock

You're always looking at my breasts or my butt...

Y-YES!

Miko-chan is reaaally sexy.

Instead of imagining, would you like to come watch?
