# Character Introduction

## Kousaka Akira

Captain of the Swim Team, Third year.

Contrary to her apathetic facade, she hides a lot of sexual curiosity. She was perplexed by Natsumi's erotic content, but ends up giving in. She hadn't even masturbated once before (with either pair of genitals), but now she fucks Natsumi at least 3 times a day.

A Virgin (female).

## Saitou Natsumi

Member of the Swim Team, First Year.

A girl who loves lewd things, but is also slightly sadistic because the thing she loves the most is her Senpai's face right as she's about to cum. She tries to maintain her role as a sadist during sex, but she ends up falling for her Senpai's dick because she's too compatible with it. She always has her antennae out for any erotic material in order to make her Senpai happy.

# Afterword

Hello, I'm the author, Kiyose Kaoru. This is my first Comiket entry in a while. I'm satisfied that I was able to write a manga with a futanari cumming to her heart's content. I've always wanted to draw that. If possible, I'd also like to write a sequel.

There's a tankoubon coming out from Angel Publishing on 8/17. It's been over 3 years and it's just now releasing, so I'm a bit embarrassed, but... Also, I know that you might be out of money since Comiket is almost over, but please consider this work as well!
