

THANK YOU VERY MUCH!

Yes, that's right.

I'LL HAVE THE MANUSCRIPT READY AS SOON AS POSSIBLE.

YES, GOT IT!

UP UNTIL RECENTLY, I'D ALWAYS LIVED BY MYSELF.

I UNDERSTAND.

I'm starving over here!

You're late!

I'M HOME.

BUT YESTERDAY, THIS STRANGE LITTLE GIRL...

SUDDENLY BARGED INTO MY LIFE.

THIS AREA IS INCREDIBLY DANGEROUS!

SIR, YOU CAN'T COME ANY CLOSER!

SINCE THE FIRE.

SHE'S NOT AROUND ANYMORE, THOUGH...

NOT SINCE THAT HAPPENED...

"YOU HAVE TO SAVE HER!" I SCREAMED SO HARD IT FELT LIKE MY LUNGS WOULD BURST.

LISTEN TO ME! THERE'S STILL SOMEONE IN THERE!

SHION!!

SHION!!

SIR! WE CAN'T LET YOU GO IN THERE!

"AT LEAST YOU'RE OKAY!" EVERYBODY SAID THAT TO ME, BUT...

I JUST CAN'T BRING MYSELF TO BELIEVE THAT I'M 'OKAY'.

IN AN INSTANT, EVERYTHING WAS GONE, ALL OF IT.

BUT IT WAS TOO LATE.

Aheh...

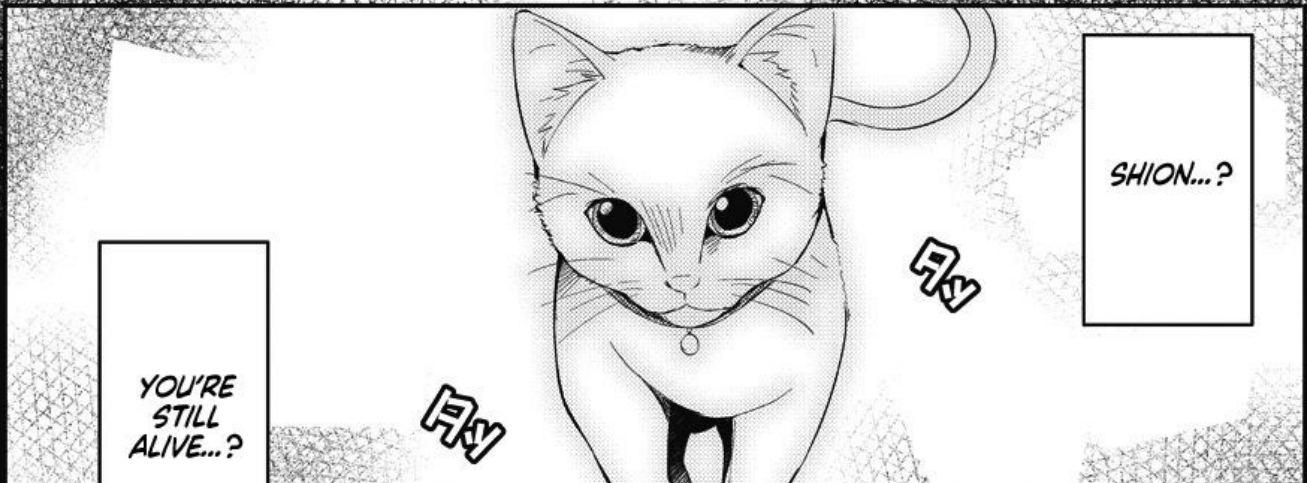

"I'D STILL WANT TO BE WITH HER FOREVER..."

SHION WAS MY FAMILY.

I STILL CATCH MYSELF THINKING, "IF ONLY SHE WERE ALIVE TODAY..."

Editor's Note

As some of you may have guessed, this manga is based on a true story. Nekoi Hikaru's apartment burned down approximately two years ago after a space heater malfunctioned. His two cats were never found, and it is unknown whether they survived the fire that claimed the apartment.

I was able to talk with Nekoi Hikaru during the translation and editing process of this manga. Most of the pain is gone-- he talks about it rather casually, though with a tinge of sadness. These days, he's doing well, still writing manga and publishing books for Comic Market.

Sure, you might take away from this "lol guy fucked his cat" and that's fine. Maybe you'll take away something a little deeper, and that's fine too. Find some meaning in the story.
