Hello!

Before starting reading, please **be aware** this is **only one of the chapters** of « Dragless Sex »!

I don't know how things are going for the people translating this manga, but I couldn't help myself when I saw that wonderful story (@ ρ @) (which is not related to the other Dragless Sex stories).

My translation may have some slight errors, but nothing that would change the meaning of the story.

If you start smiling in such a cute way...

It's no good...

Ha a...

Ha a...

If...

If I'm being watched like this...

Aa... If you look at me with such eyes...!

You're loud,
can't you
come
normally you
pervert!!

Aaaaaaaa
I'm
getting
raped by
all of
Masumiii!

Haa...

...Because it obviously arouses me...?

Why do you have to look at pictures of me when I was smaller...

Today's sex too gave me goosebumps ...

Only you!

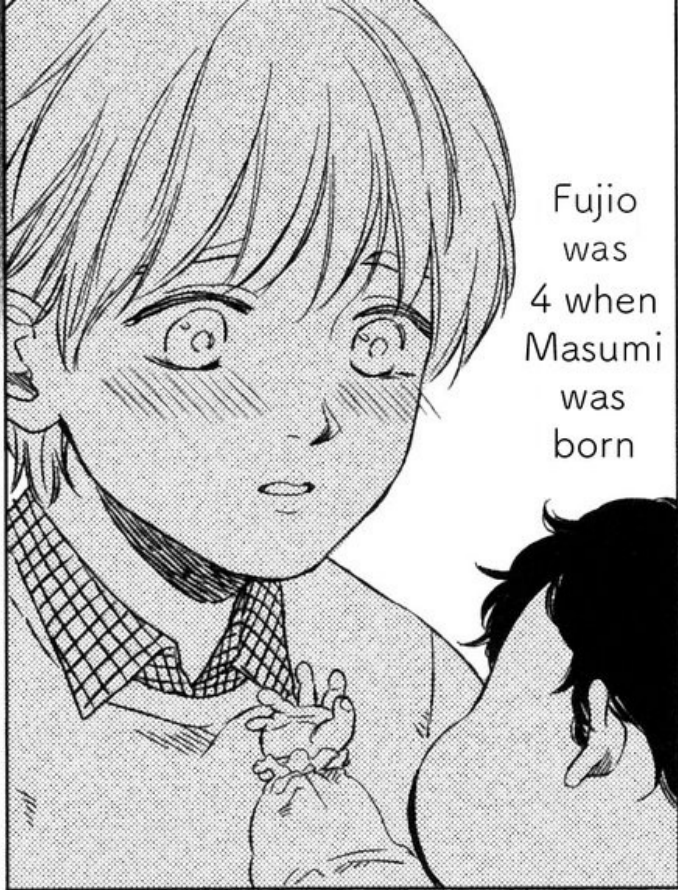

Today's sex too was the best, right Masumi-chan

Fujio

Masumi

and

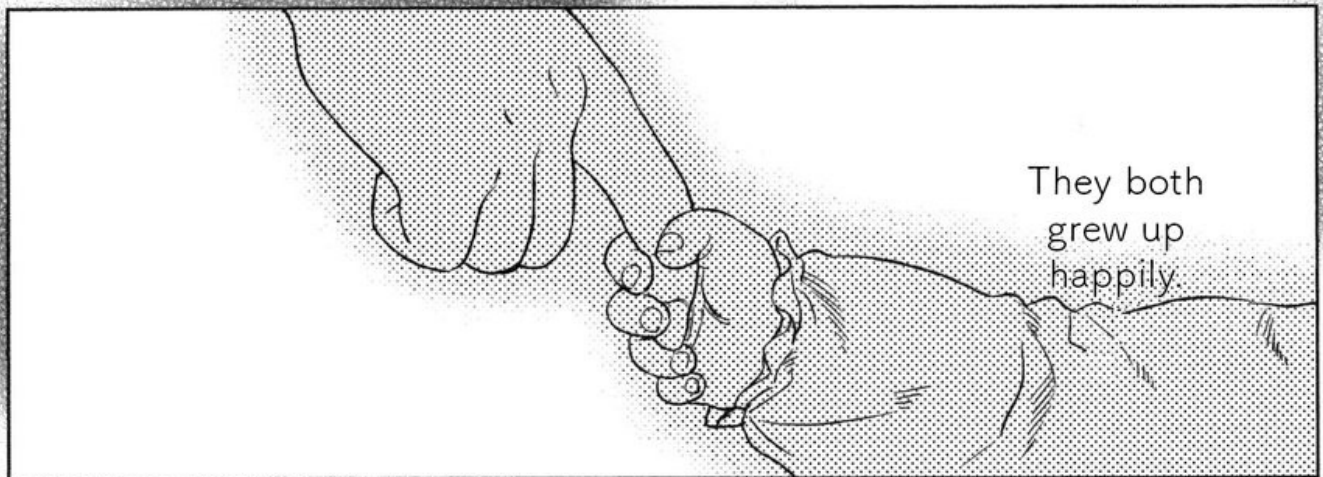

Huhu
This face too is cute.

Fujio
was
4
when
Masumi
was
born

Their
parents
were
neighbors

They both
grew up
happily.

Mmh
...

Haa...

What
a waste
...

Aa...

Ha

Haa...

More
...

Haa...

I want
more of
Masumi's
spit...

You...

Aaaaa
It's
delicious
...

You're
really a
perv...

Being close is one
thing, but it was
not the same as
with our parents.

Look, look!
Masumi-chan
around 2 years
old.

Have you noticed there are more pictures in the room?

...If I've noticed ...

Cute Too cute ♡ ♡

At that time I had snuck into your house and brought it.

You've never been an angel...

...By the way, wait.

As expected, you cast a glance at me and I became a fallen angel...

Even though you really looked like an angel around that time...

After doing it, it becomes sticky...

oh

The 4 year old Fujio offered his first love to the newborn Masumi.

At that time, I just borrowed it from your house.

Give it back, you thief!

but how come the pics of me were in your house?

Ok you were sneaking in,

Eh, no way.

...
You're bad.

They were both happily disowned.

You can do whatever you want to me...

A miracle-like dainty...

...
Anyway, I should take you to the ophthalmologist.

You've been cute, beautiful, handsome and angelic ever since you were a baby...

To me...
I love these hair so much that, one by one...

I'm gonna shave.

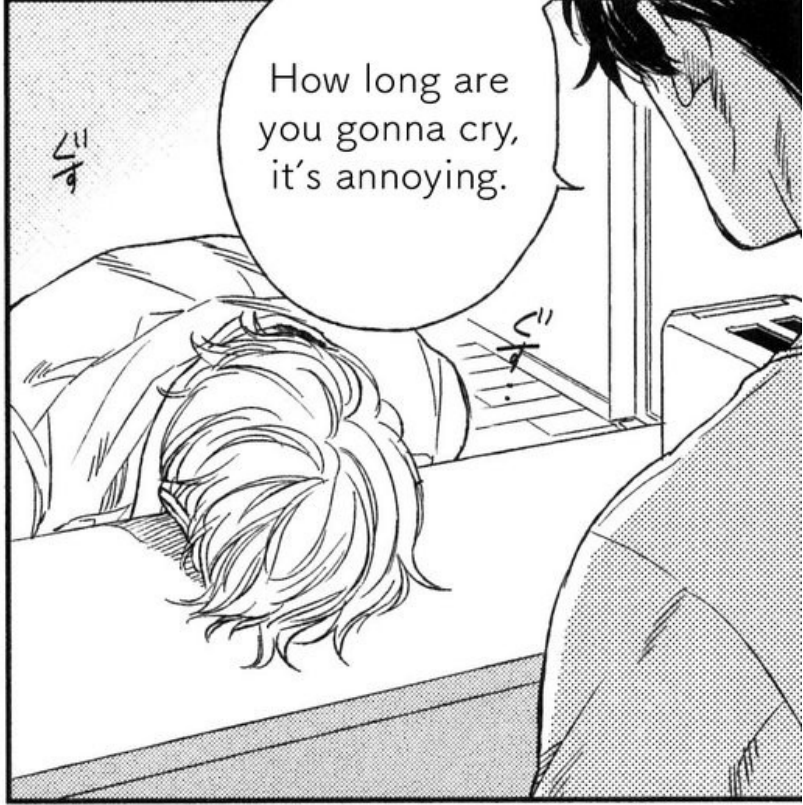

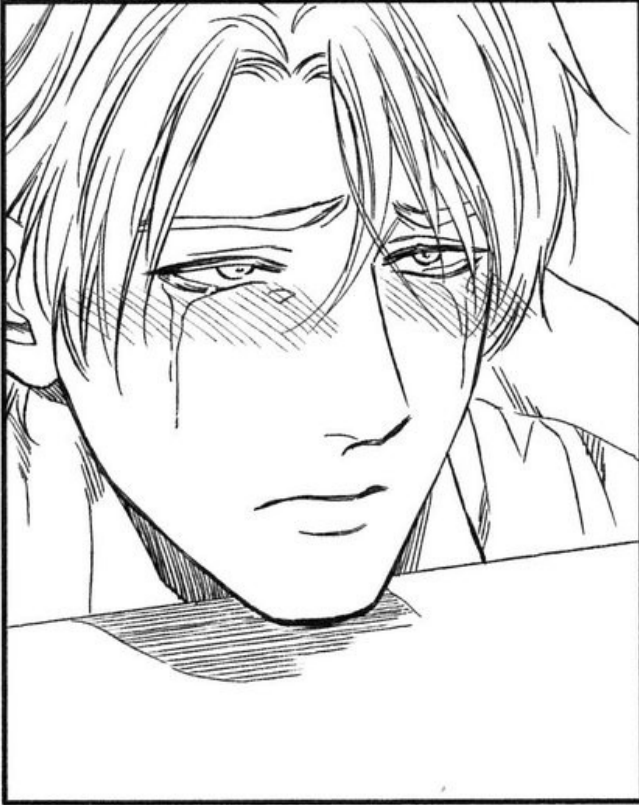

No!
Don't!!!
What a waste! If you don't need it let it grow!

Can I pull it out?
Can I pull it out?

Aa...
I feel like I might end up eating them...

HEY

How long are you gonna cry, it's annoying.

... Masumi

Huh?

**That's it!
That's what I'm talking about, you're an idiot!**

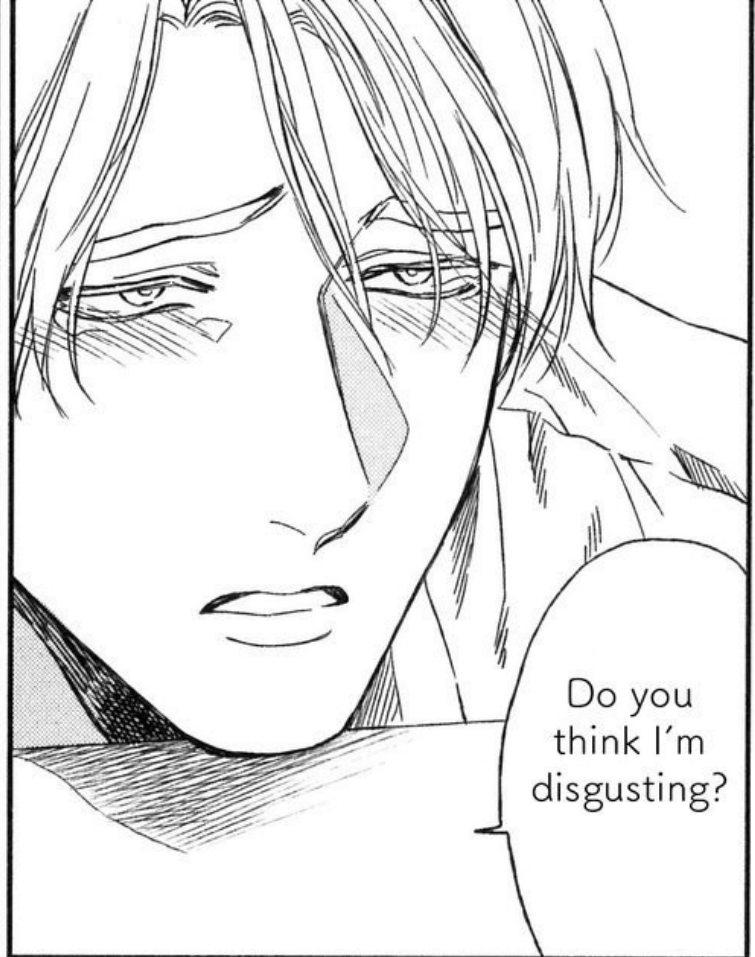

Enough

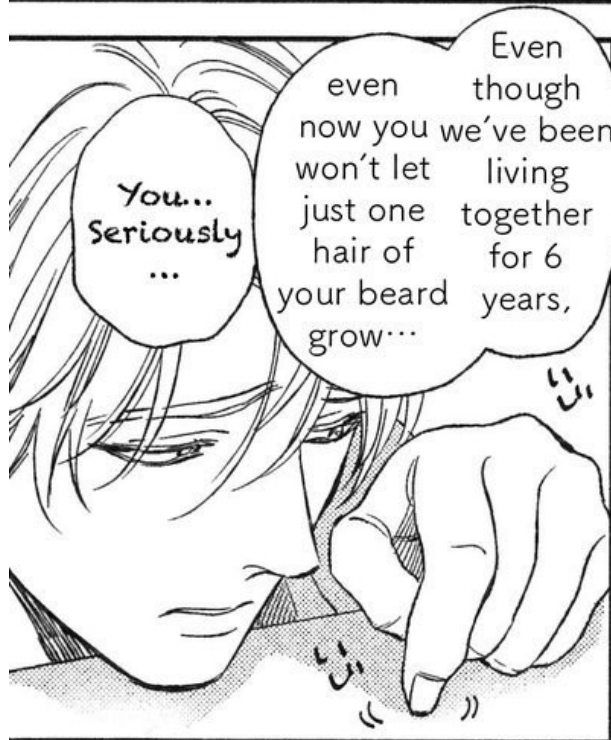

.....So you really were crying...

Eh..

Do you think I'm disgusting?

You... Seriously ...

Even though we've been living together for 6 years, even now you won't let just one hair of your beard grow...

When things concern me you do that face like you're holding back...

Masumi, you're always cold towards me...

You hold back but ...

Now ...?

I've been in Love with Masumi, but

For ever, and ever, and ever, and ever,

For Masumi,
it's only
about
imprinting,

and brain-
washing,

and you're
mistaken.

In the end,
you're
apart from
me...

Today too,
I've
suddenly
came to my
senses.

Actually
...

.....

in the end,
was
holding
this fear
...really...

Even
only I,

.....

I like this
side of
you too

Wait, are
you
listening
Masumi-cha

Hm.

!!!

...it's a heavy breakfast...

Our first (hard and deep) kiss, first fellatio, first penetration, first thrust.

The anniversary

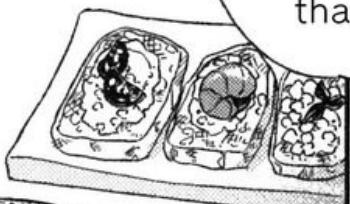

No way! I could never forget our anniversary!

Please die.

What is it really...?

Hmm ...?

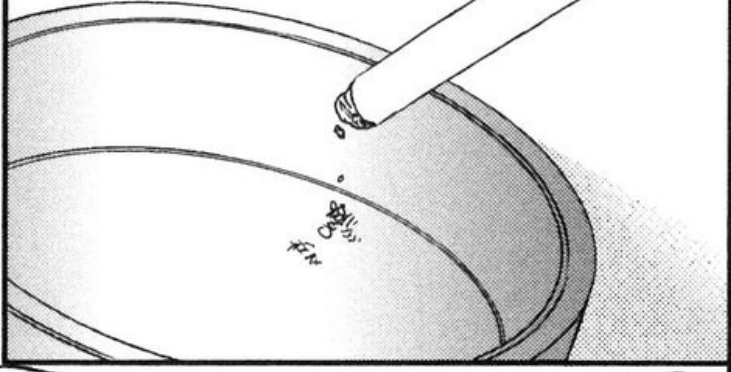

You let me be by your side before that.

and cohabiting, doing an anniversary now somehow ...

For 6 years we've been living together

I continued to feed you with my meals.

...For human cells, it's roughly been 3 months but,

T/N since cells regenerate fast (ゝ)

cerebrospinal fluid included, then it's almost been a 6 year period, and everything has changed.

...Today, it makes exactly 6 years.

Those muscles

and hair

and bones
and blood

represent
the things
I molded.

I've had
fun
throughout
those 6
years.

Don't you

is
considerable,
Onii-chan*?

It's cunning ...!

If I am reborn I want to become your red blood cells...

No! Rather, I want to become! Each cell that forms you... The blood running around until the depths of the depths of your body... I am envious...

Ca.. carrying out such a project by yourself...! I want to shape you too...!

Well.. As expected that's a bit repulsive...

Shaping that body for you, really... What do I do, my erection won't stop...

Well ...

SFX: bright smile

By the way, is it okay if I keep the semen of this rubber?

That's too much !!

I understood you too like me from the bottom of your heart,

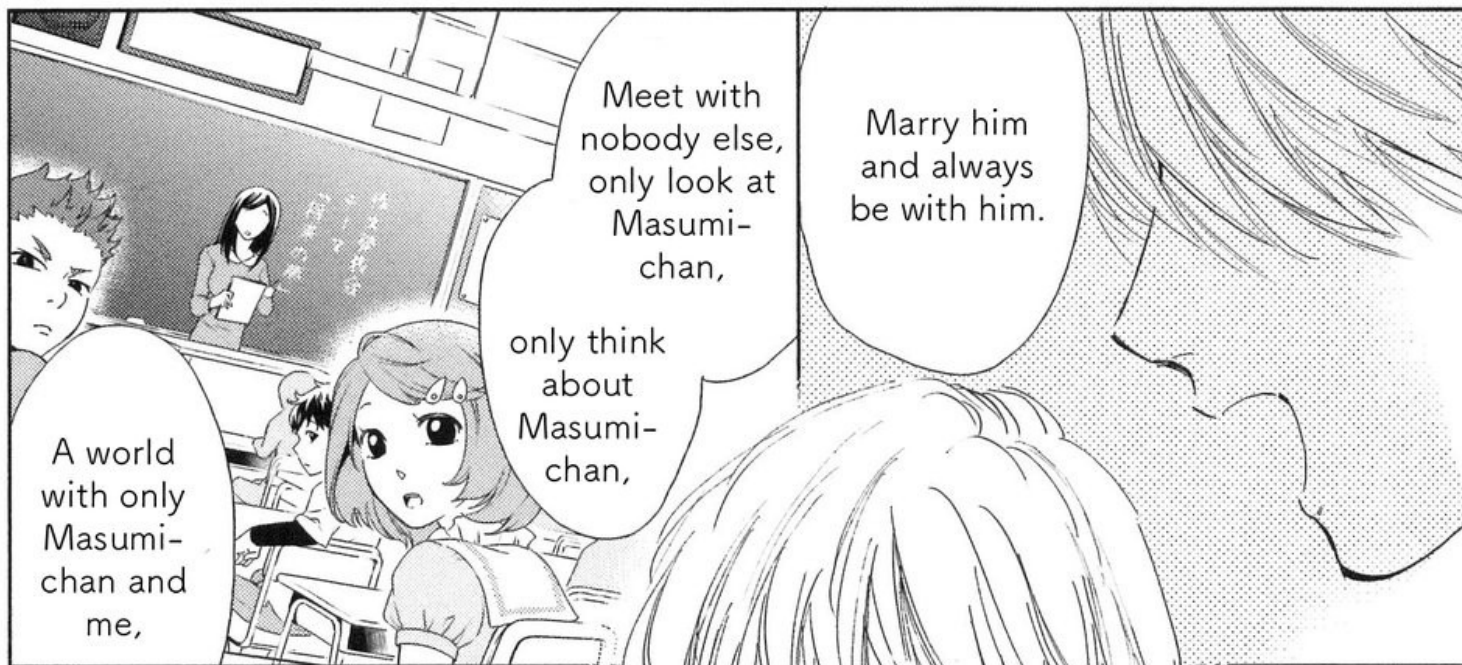

so from now on, I won't be prudent, I'm going to express the Love I have for you.

Hey, hey, you're over-thinking it.

Somehow it worries me...

Even though he already turned 10? And still it's only this stuff...

It's cute right?

Well... Isn't it just being close friends?

No matter how many times I tell him, he only writes such compositions about Masumi-kun...

You came here in secret again? Aren't you gonna get yelled at?

...hey, today, Masumi-chan already said good night to his papa and mama?

That's because lately my mother is strict.

You can't think about anyone else.

Sleep after you've seen me ok.

Yes, I'm about to sleep.

Today too, I will be the last person Masumi-chan saw. Huhuhu I'm glad.

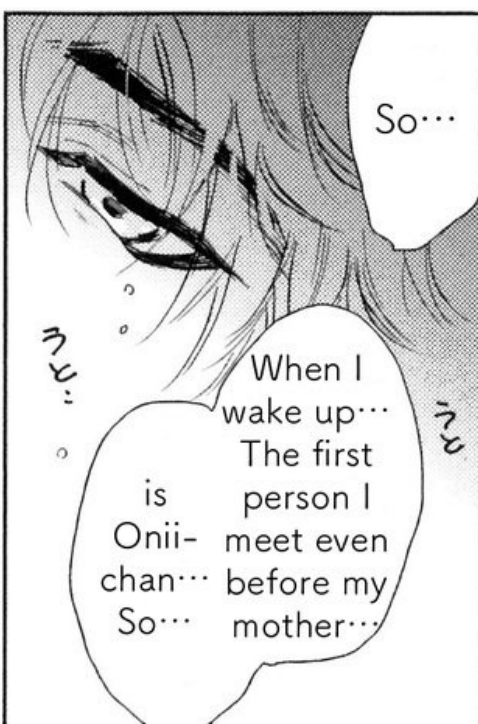

And then, I,

when Masumi-chan wakes up, I'll be the first person he sees...

...I want to become an adult quickly.

When I grow up, I'll marry Masumi-chan and we'll live together ...

So...

When I wake up... The first person I meet even before my mother... is Onii-chan... So...

Everyday I see Fuji-onii-chan in my dreams.

...It's okay

It's... fun...

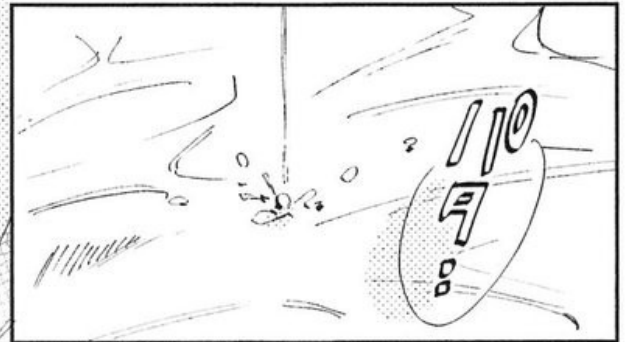

I'll be meeting... with... Onii-chan...

Today too...

Fujio and Masumi

.....
...
God
...

Fujio was 4 when Masumi was born.

Thank you very much ...

Thank you very much ...

...Thank you very much for letting me meet Masumi-chan ...

They met as next-door neighbors. Later they—

You're annoying

SFX Waaa

うわ

That's what's annoying, and disgusting with ya!!

ああああああ

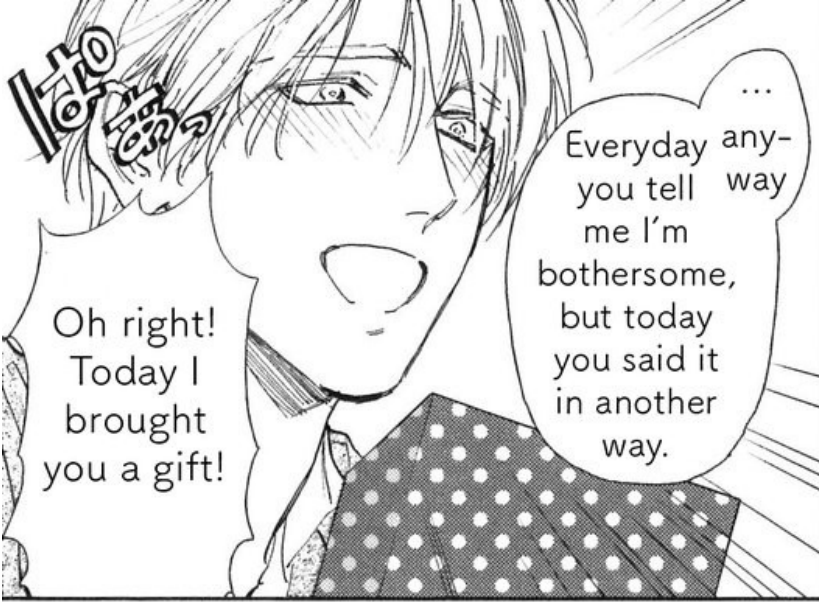

That's harsh Masamiiii!!! Why are you saying such cold things! Even though I was so looking forward when you'd come back from school as I was masturbating while looking at your album, I ejaculated the moment I heard the sound of your bicycle and then hurried to come to plaacayyyy!!

That's weird ...

Even though you used to look like such an honest and cute angel...

They peacefully grew healthily—

Oh right!
Today I
brought
you a gift!

...
Everyday any-
way you tell
me I'm
bothersome,
but today
you said it
in another
way.

What
are
you
saying
...

And even now.
You're cool and
tall
Even though
you're a
student your
sex appeal is
real...

What are you
saying! Today is
the anniversary
of when you
appeared in my
dream and
welcome me in
your home for
the first time!

.....
Today, is it the
anniversary of
the first
time we held
hands? or of
when we first
took a bath
together?

What's
this?

To begin with,
why are you
offering me a
gift for that?...

Quick,
open,
open.

SFX: that's a scenery!

絶景だね〜

by the way, I've removed all of the fingerprints but yours!!

I did it in my room too, I applied it and turned off the lights and the room changed when it went dark.

By doing that your hundreds of fingerprints will sparkle like they are covered in a starry sky, it's so exciting...

You can see the traces of what you've touched!? The places you've touched will remain vivid and you can identify them, don't you think it's cool!?

I mean ... Why fingerprints ...

That's awesome! When the light is put on the places where you apply the fluorescent powder the fingerprints come up!

I absolutely want to enjoy this emotion and climax with Masumi-cha

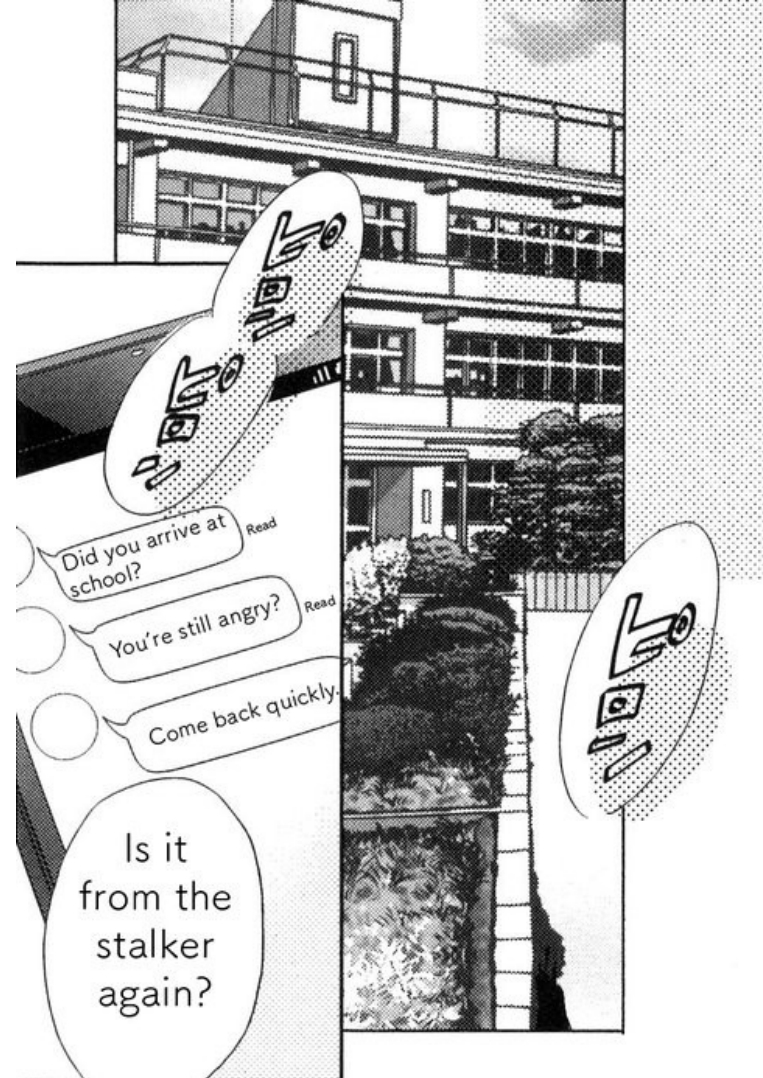

The 4 year old Fujio offered his first love to the newborn Masumi.

Even though I tell you each time! Today too, don't you ever come to my house!!

You, you're always disgusting!

Why!? Why are you mad Masumi-chan!?

Did you arrive at school? Read

You're still angry? Read

Come back quickly.

Is it from the stalker again?

While growing up he became a fine stalker...

No! Such a thing! I made a record, I gotta listen to today's voice otherwise I won't be able to sleep!

Why were ya eavesdropping!!

Remove the data until now.

... shut it

tch

Oh, but wait..

He was in the same middle school as me so I can tell you, he's shady.

This guy, ever since he was born he's been followed by a guy from the neighbor's house.

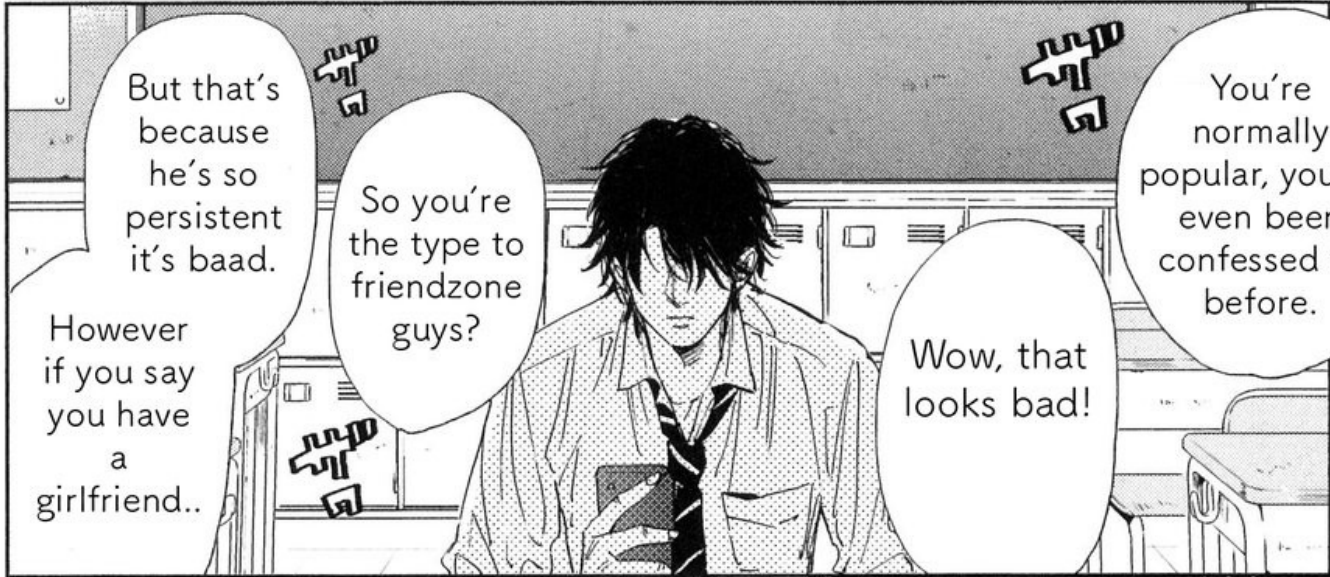

Eh, that looks scary. Wait, he's a man lol, isn't that bad lol

Morning after morning, that's a calamity huh.

Eh, what's that, a stalker?

What would that guy do if he was told you now have a girlfriend?

But that's because he's so persistent it's baad.

So you're the type to friendzone guys?

You're normally popular, you've even been confessed to before.

Wow, that looks bad!

However if you say you have a girlfriend..

Welcome home Masumi-chan

Ah

Masumi, isn't it stinging?

tch..

.....
how did you get in my room?

Hehe, I came after my morning lecture,

Since Masumi-chan's room is filled with Masumi-chan's smell, I spent the afternoon usefully masturbating...

That's bad...

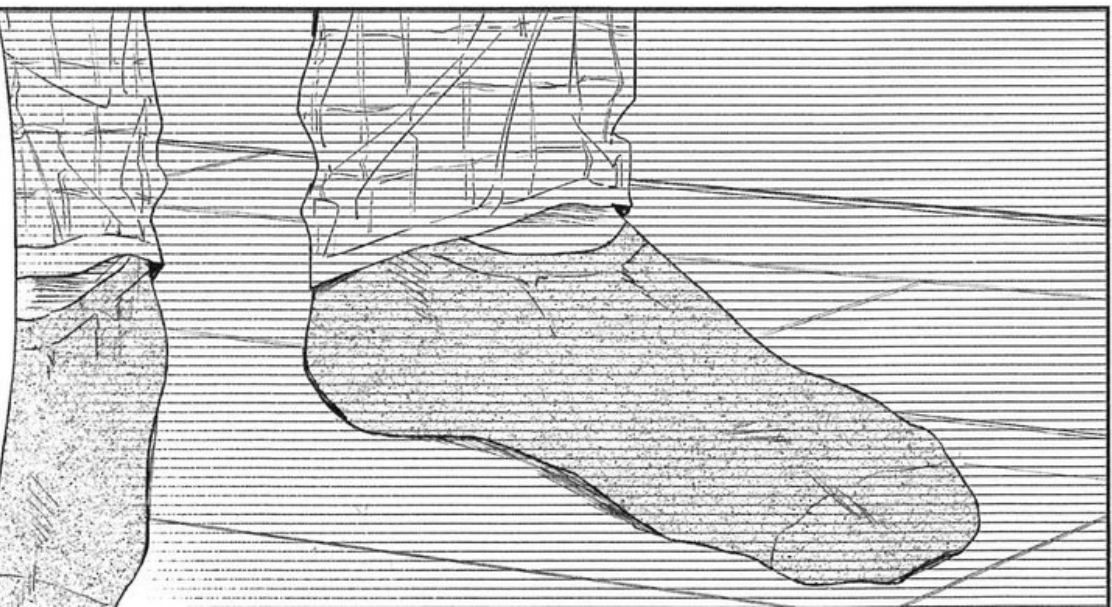

Even though this smell could be pleasing too...

オオオ

Let's air.

« Masumi, isn't it stinging? »

..HEY

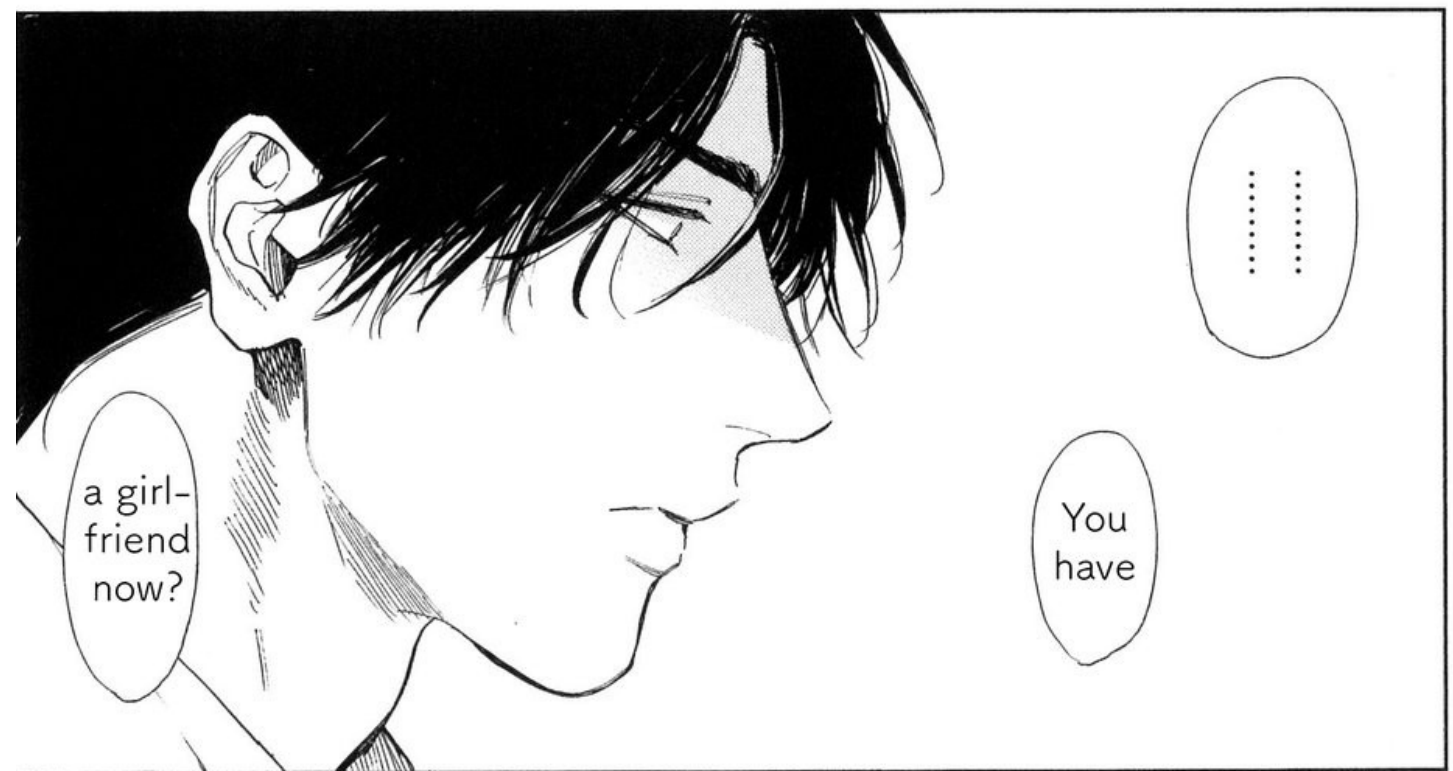

Eh?

.....

a girl-friend now?

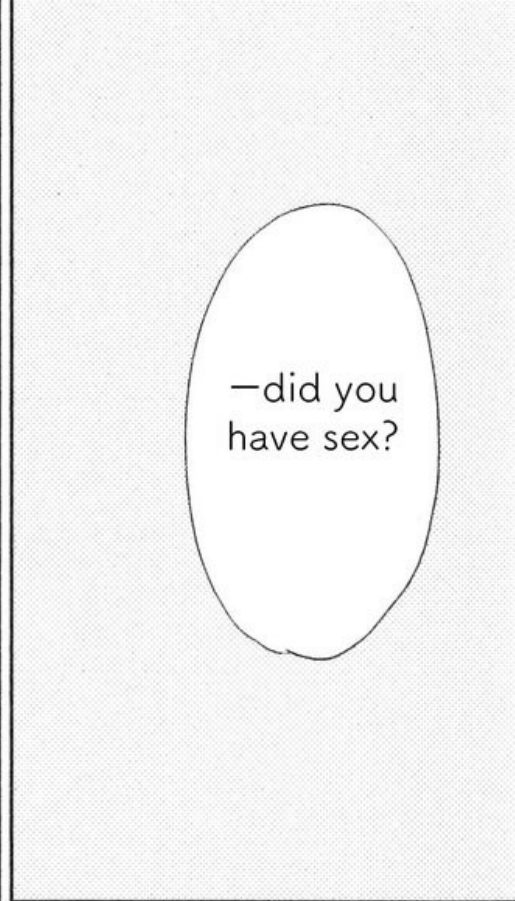

.....

You have

.....
What
?

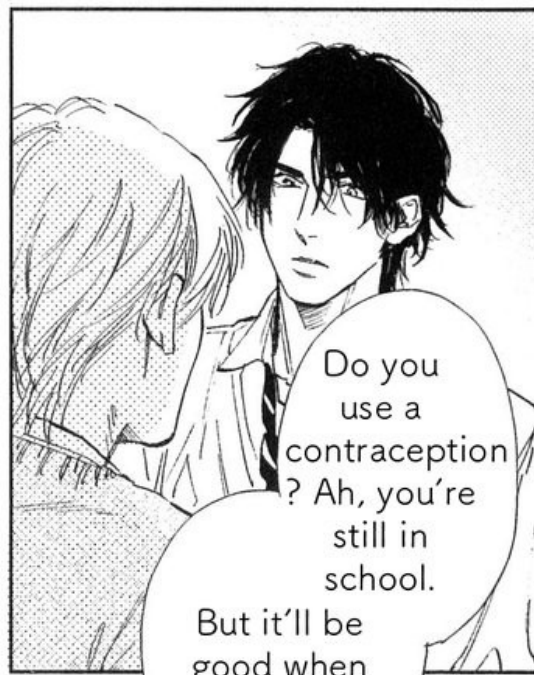

—did you
have sex?

.....
What are
you
saying...

Hm?

Do you
use a
contraception
? Ah, you're
still in
school.

But it'll be
good when
you graduate
from high.

I think it
might be
early but I'm
young too
and I think
that's alright.

So...

Because if you have sex, you'll make kids right?

« He's so persistent it's baad. »

Ma-sumi?

...
**Don't
fuck
with me
Fujio!!**

...
Don't

with
me.

Don't
you like
me?

What's
that...

the point of
being odd.

After that, in the end the problem was solved.

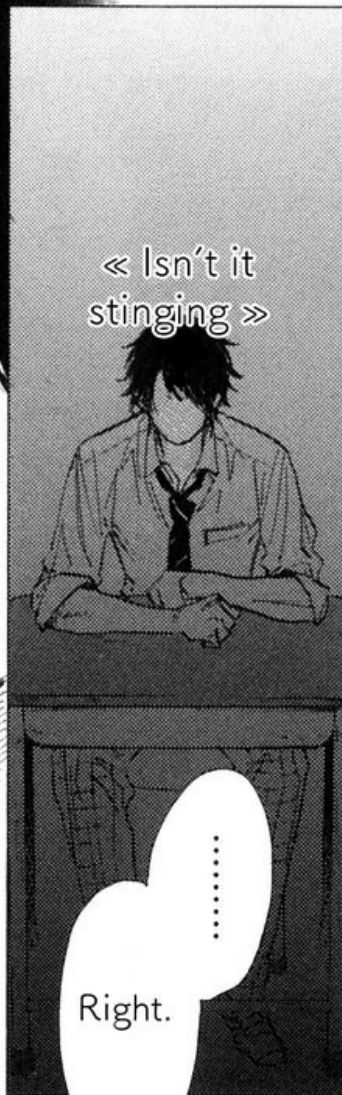

...You know, I was really happy. When you said you'd kill me.

Fu...

Well

I understand.

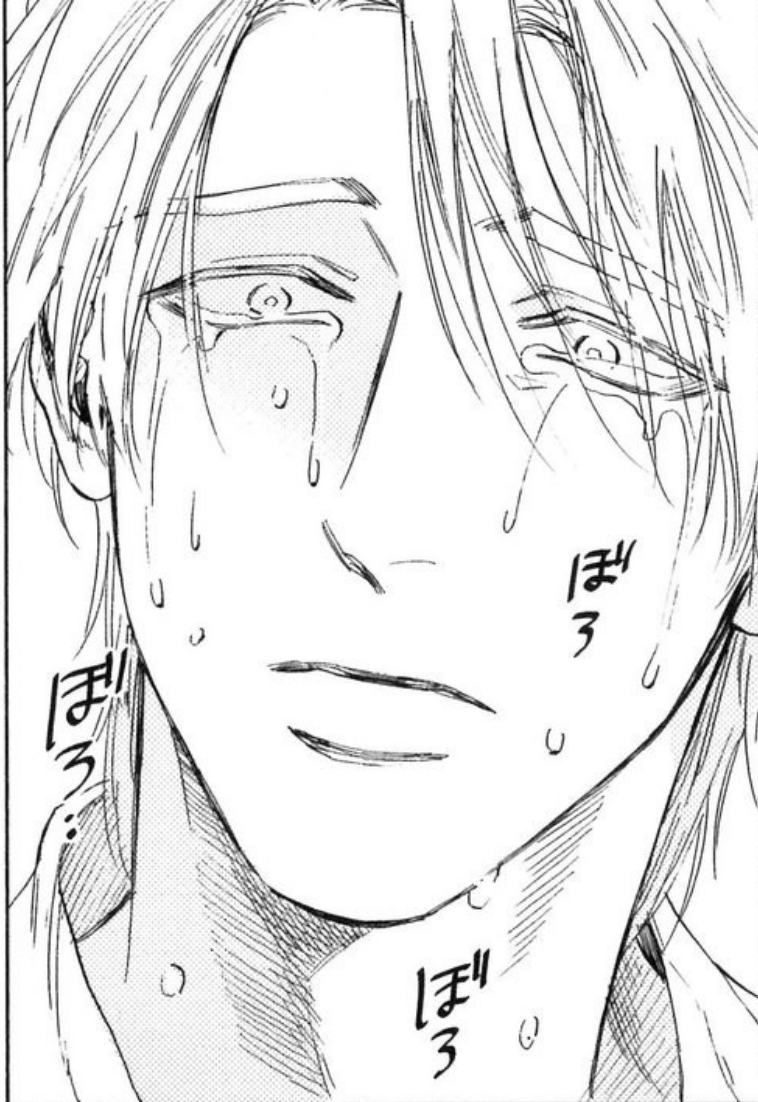

<< Isn't it stinging >>

Right.

It was really, really a bliss.

Being accepted by Masumi-chan...

Because...

...Why so sudden?

Even though you were always acting disgusted and cold ...

...I told you right, My Love is considerable since

I wanna take a step further and not let you leave.

At this rate, I won't let anyone else see you,

I want to shape all of you.

Fuji-onii-chan*

Masumi ...

*onii-chan is a childish way of calling him.

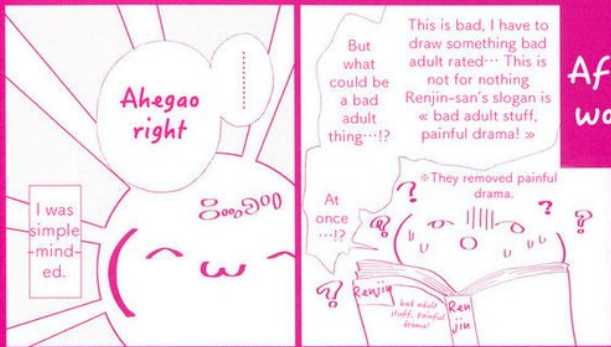

I've thought about this for now... My excitement is at its peak and it won't stop...! Come on! To your heart's content! Confine me!

Come on, use it! Tie me up strictly, restraint me! Ah, but I want Masumi to go see the neighbors since I can't move...! Ah! Where are you going Masumi!? You forgot to handcuff me!!

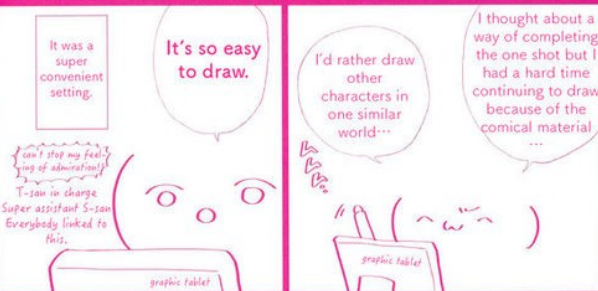

Eh!? The key to the front door too!? Wait! The lock is too loose! Shut it properly! You're too careless Masumi!! Hey, Masumii!!!
