The Pheromone
Syndrome

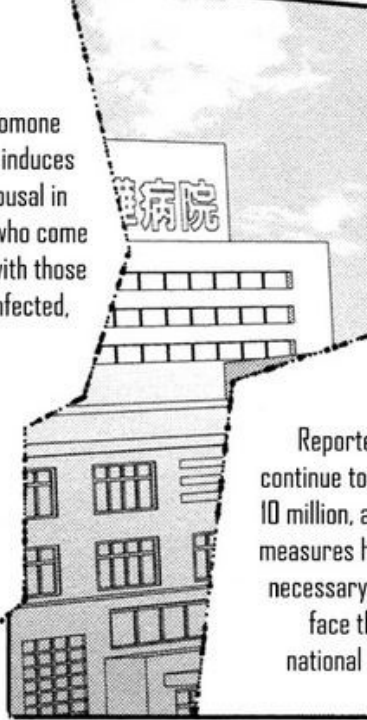

Next on the news—

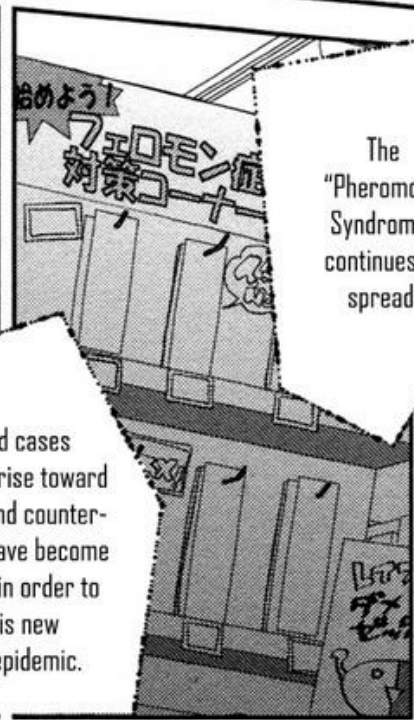

THIS IS WHAT
DEFINES THE
PHEROMONE
SYNDROME.

The Pheromone
Syndrome induces
sexual arousal in
individuals who come
in contact with those
who are infected,

regardless of
gender.

Reported cases
continue to rise toward
10 million, and counter-
measures have become
necessary in order to
face this new
national epidemic.

The
"Pheromone
Syndrome"
continues to
spread.

PLEASE BE
CAREFUL.

they can still
be triggered

depending on the
level of desire emit-
ted by the other
individual.

Although the
symptoms can be
greatly reduced
with these
prescription
drugs,

I'M PUTTING
YOU ON A
SUPPRESSANT
THAT

YOU WILL
NEED TO TAKE
THREE TIMES
A DAY.

IT'S NOTHING.

MY APOLOGIES FOR ARRIVING LATE TODAY.

YOU WERE AT THE HOSPITAL, RIGHT?

AH, HINOKI-SAN.

THERE'S NO NEED TO WORRY.

IF YOU'RE NOT FEELING WELL, YOU SHOULDN'T—

The official statement is that the Pheromone Syndrome epidemic is under control.

Stupid

THAT'S WHY I TOLD YOU TO LEAVE HIM ALONE.

Whisper

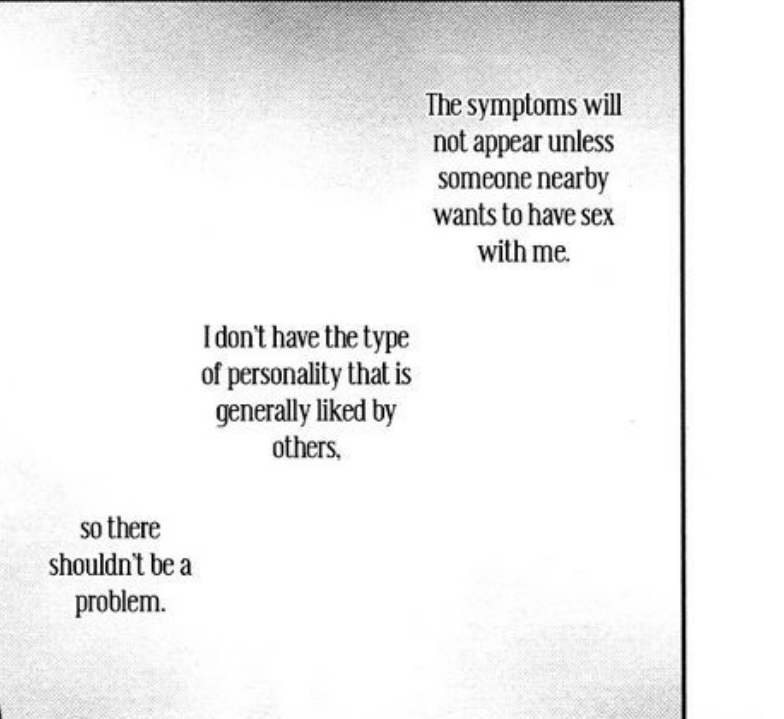

HE MUST BE FEELING TERRIBLE...

Whisper

WELCOME!

However, perhaps I should...

The symptoms will not appear unless someone nearby wants to have sex with me.

I don't have the type of personality that is generally liked by others.

so there shouldn't be a problem.

If he finds out now, it'll be troublesome.

I'll just avoid him.

This is Sugino Kouichi, a deli worker from "Office Deli," who provides bentou for our office.

I'm normally not very well-liked by other people,

YOU CAME TO BUY A BENTOU AGAIN TODAY, RIGHT?

but he's different.

HINOKI-SAN! WHY ARE YOU STANDING OVER THERE?

wave

...
HINOKI-SAN,
YOU WENT TO THE HOSPITAL THIS MORNING, RIGHT?

I took my prescribed medication,

but I wonder how effective they are actually going to be...

HOW DO YOU...?

I OVERHEARD ONE OF THE GUYS IN YOUR DEPARTMENT SAY SO EARLIER.

of course you did.
WELCOME!

.....

What could he possibly like about someone like me?

He's such a meddling and irritating man, and he's always on my case.

I'M WORRIED. YOU HAVE A TENDENCY TO OVERWORK YOURSELF, HINOKI-SAN.

I'LL TAKE THIS ONE, PLEASE.

...NO, NOT REALLY.

IS IT SOMETHING SERIOUS?

Please take medicine as soon as symptoms occur!!

I SERIOUSLY ENVY YOUR PHEROMONE SYNDROME.

I WISH I COULD GET IT.

NEWS FROM THE MINISTER OF HEALTH

WHAT IS PHEROMONE SYNDROME?

Pheromone Syndrome is the newest national health crisis since hay fever. The Syndrome causes those who feel affection for the sufferer to experience a sudden onset of sexual arousal. Symptoms are more severe depending on the degree of affection. If you experience such symptoms, please go to the hospital for medication and the appropriate treatment plan!

EVEN IF YOU DID, I DON'T THINK YOU'D GET ANY.

What did ya say? You SOB!

Let's protect our chastity!!

The Pheromone Syndrome Committee Mascot Misao-chan.

Mura and Yakushiji

THE ENZYME I'M CREATING WILL BE ABLE TO CORRECT THE SIGNALS THAT ARE TRANSMITTED.

DON'T WE HAVE TO DEAL WITH THIS ABNORMAL SEXUAL PROBLEM FIRST?

IF YOU AREN'T ABLE TO BE ABSOLUTELY CLEAR...

SHUT UP AND GIVE US YOUR MONEY!!

IF YOU WANT TO ELIMINATE SEX CRIMES BY YOUNG PEOPLE ALL OVER THIS COUNTRY,

HOW MANY PEOPLE IS THAT NOW FROM THIS RESEARCH LAB?!

WHAT?!
AGAIN?!

IF IT KEEPS GOING THIS WAY, OUR WORKLOAD WILL JUST KEEP INCREASING!

ugh!

NOT TO MENTION GETTING TO WORK UNDER THE GENIUS DR. MURA, WHOSE STOCK IS SO HIGH IN THE WORLD OF BIO-CHEMISTRY RIGHT NOW...

I MEAN, IT WAS AN HONOR TO JOIN AN EXPERIMENTAL TEAM THAT WAS LOOKING FOR THE KEY TO SOLVING THE PROBLEM THAT'S SHAKING THE ENTIRE NATION!

chuckle

YES, YOU'RE RIGHT...

Wah!

BUT I NEVER KNEW HOW HARD IT WOULD BE!!

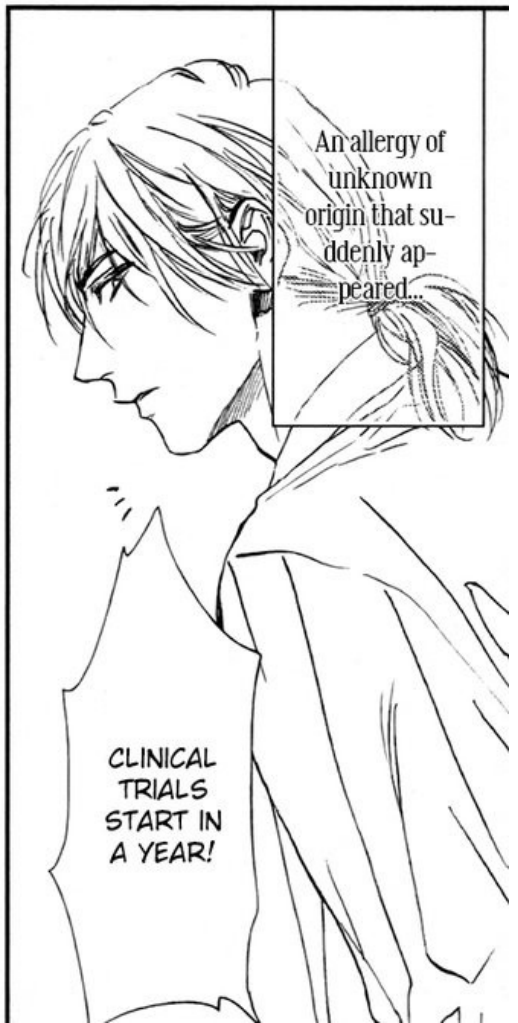

I WANT TO GO HOME!!

AND WE WON'T EVEN GET THERE WITHIN A YEAR IF OUR FUNDING STOPS.

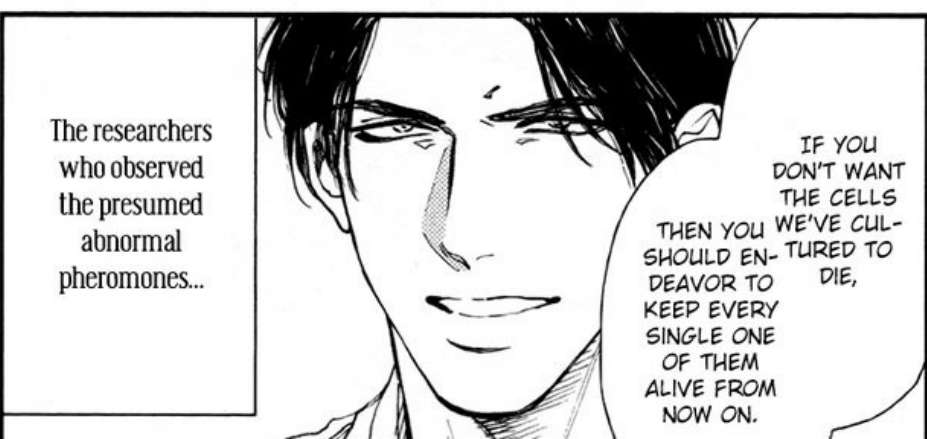

mutter...

And because of that, more and more men and women in their teens through 30s will be sexually assaulted!

An allergy of unknown origin that suddenly appeared...

CLINICAL TRIALS START IN A YEAR!

The researchers who observed the presumed abnormal pheromones...

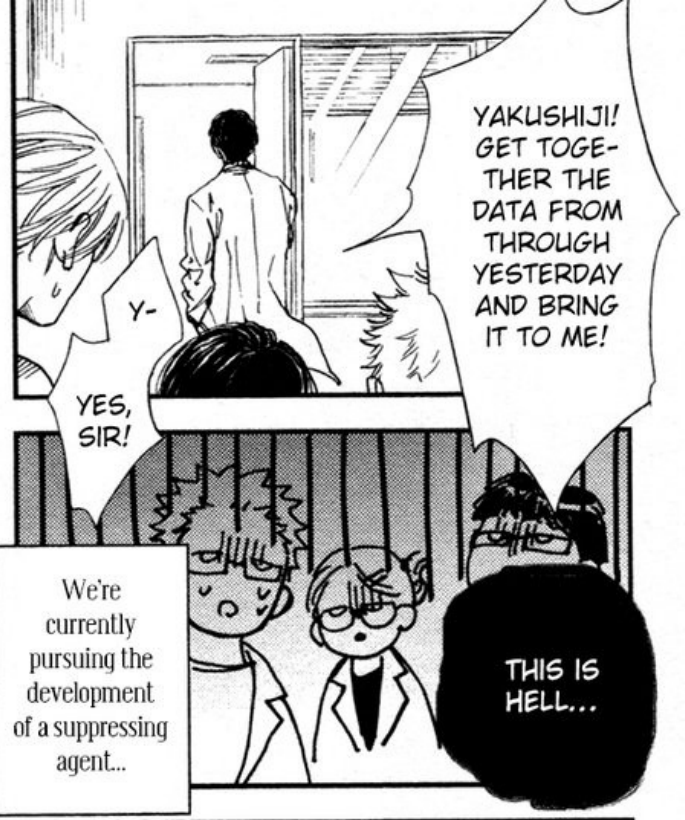

IF YOU DON'T WANT THE CELLS WE'VE CULTURED TO DIE, THEN YOU SHOULD ENDEAVOR TO KEEP EVERY SINGLE ONE OF THEM ALIVE FROM NOW ON.

THIS IS WHAT THE WHOLE COUNTRY'S WAITING FOR.

WE'LL RUN OUT OF LAB STAFF BEFORE WE ATTAIN THE CELLS.

ONE YEAR, YOU SAY...
ISN'T THAT TOO FAST?

We're currently pursuing the development of a suppressing agent...

THIS IS A PROBLEM THAT REQUIRES US TO ALTER OUR APPROACH NIMBLY...

I'M CERTAIN OF IT.

MY THEORY WILL BE SELECTED.

BUT NO MATTER HOW MANY OTHER COMPANIES CREATE A TREATMENT, THEIR THEORIES DON'T RESULT IN AN EFFECTIVE PRODUCT.

IT LOOKS AS IF ANOTHER COMPANY'S RESEARCH TEAM HAS DEVELOPED TWO TYPES OF SUPPRESSING AGENTS...

BUT BASED ON THE DATA I'VE COLLECTED UP TO THIS POINT AND THE UNEDITED REMARKS OF THE VICTIMS, THIS PROBLEM...

SHALL WE CALL IT "PHEROMONE SYNDROME" FOR NOW?

IN ACTUALITY, ALMOST NONE OF THE RESEARCHERS WILL HAVE CONTACT WITH THOSE INFECTED...

I'VE FORMULATED TWO HYPOTHESES ON THIS ILLNESS.

Pheromone Syndrome brings with it recurrent sexual problems. Those infected must also be aware of the level of their attraction toward other sufferers...

Pheromone Syndrome is an epidemic that has swept the country in recent months. It induces sexual arousal in individuals who come in contact with those who are infected, regardless of gender.

HEH... THAT'S VERY DEDICATED OF YOU.

...He is Sugino Kouichi.

IT'S MY DUTY TO TAKE APPROPRIATE MEASURES AGAINST PHEROMONE SYNDROME.

Thanks as always!

WELL... I WAS JUST CURIOUS.

IT'S NOTHING ...
IGNORE IT, PLEASE.

Our relationship is that he raped me once.

He suffers from Pheromone Syndrome, just as I do.

He comes to this company as an employee of Office Deli.

Even though I took my medicine this morning as I should.

I HAVE TO...
HURRY AND TAKE MY AFTERNOON PILL.

WELL, IT'S A LOT LIKE YOU, THIS ROOM.

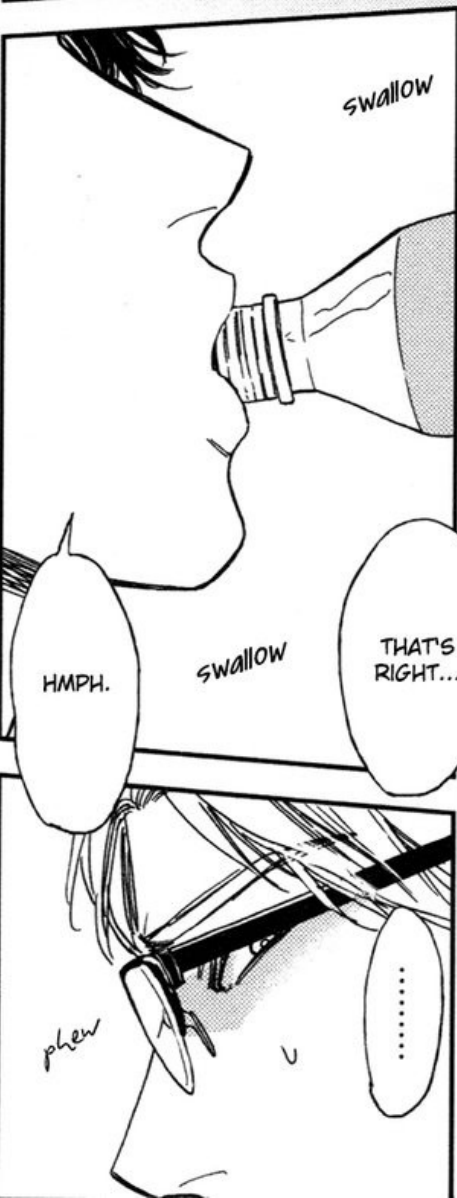

OHH, YOU REALLY KEEP IT NEAT.

It feels a little lonely...

Just how much do I like him? ...It's scary, yet at the same time...
