Good evening.

I'm Kinoshita Touka, 27 and a half years old.

I'm leaving now~

I'm home~

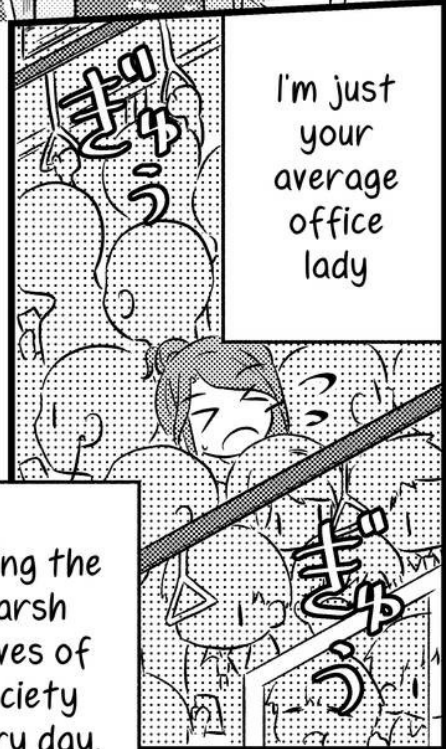

はっ

大根 240円

That's cheap!

ATLター 19:00~ 半額!!

I'm just your average office lady

facing the harsh waves of society every day.

Welcome home, Touka!

Yuzu-chan the chihuahua, 1 year and 2 months old (assumedly)!

This is my beloved dog♡

Oh!

ちゃん 〇〇

YUZU

Ever since I picked her up at the roadside last winter,

this human and puppy

have spent every day living together♡

HAPPY DOG LIFE

Yuzu~♡

However...

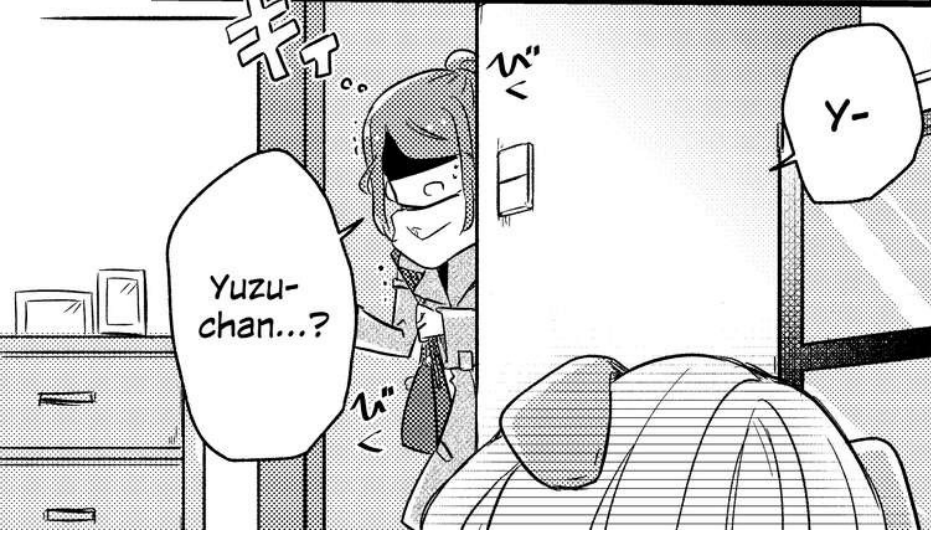

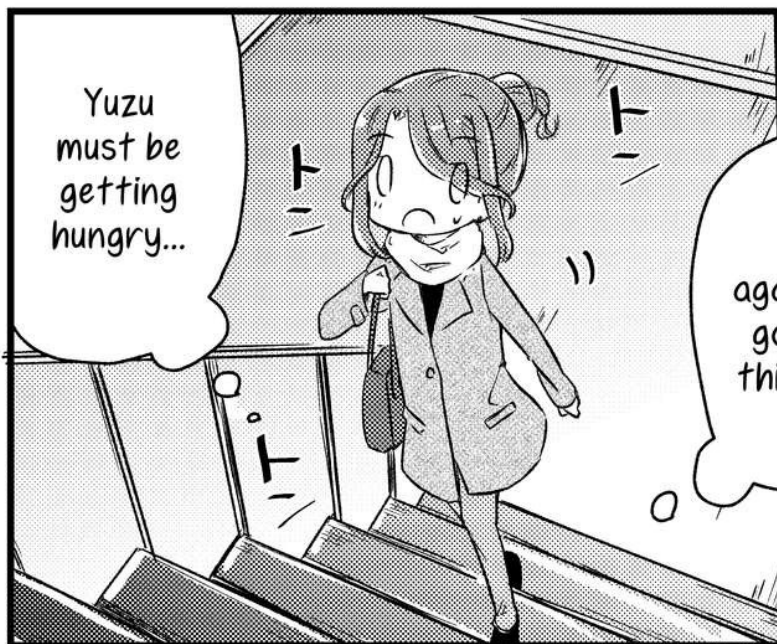

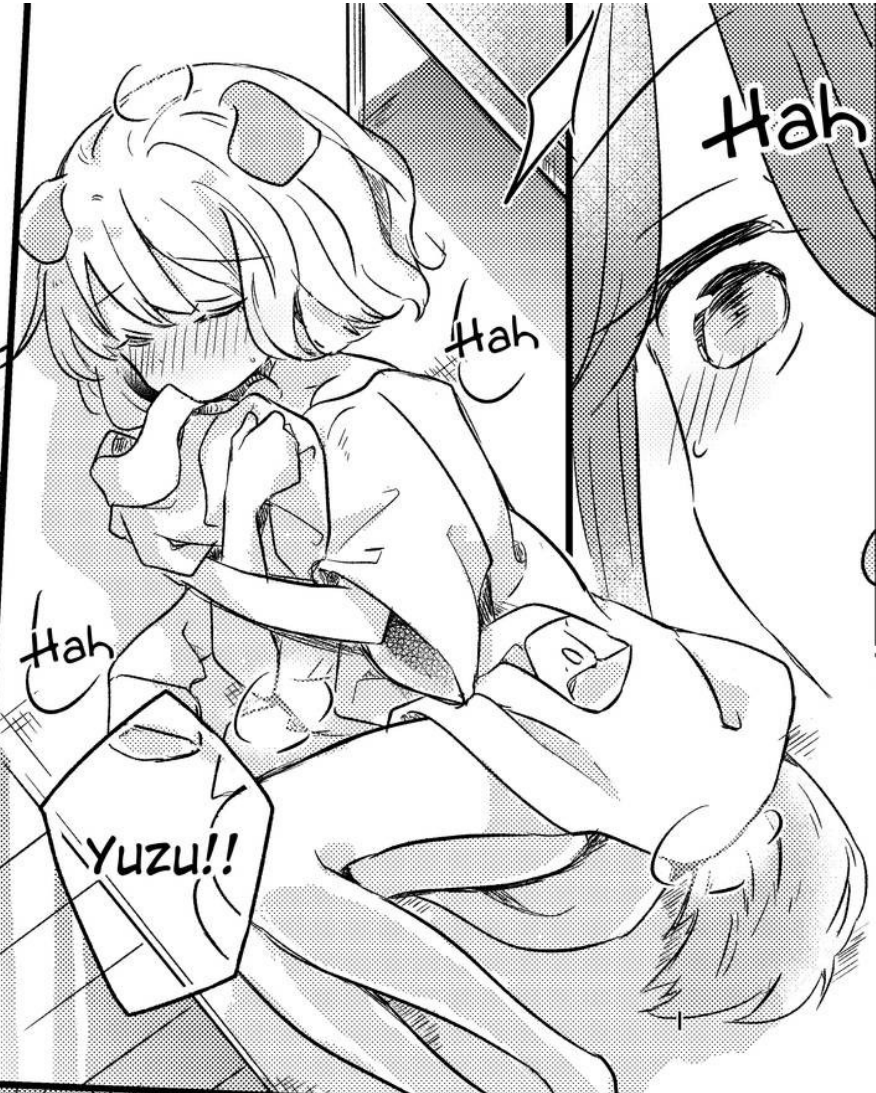

You're such a good girl, Yuzu~
Watching the house every day all by yourself~

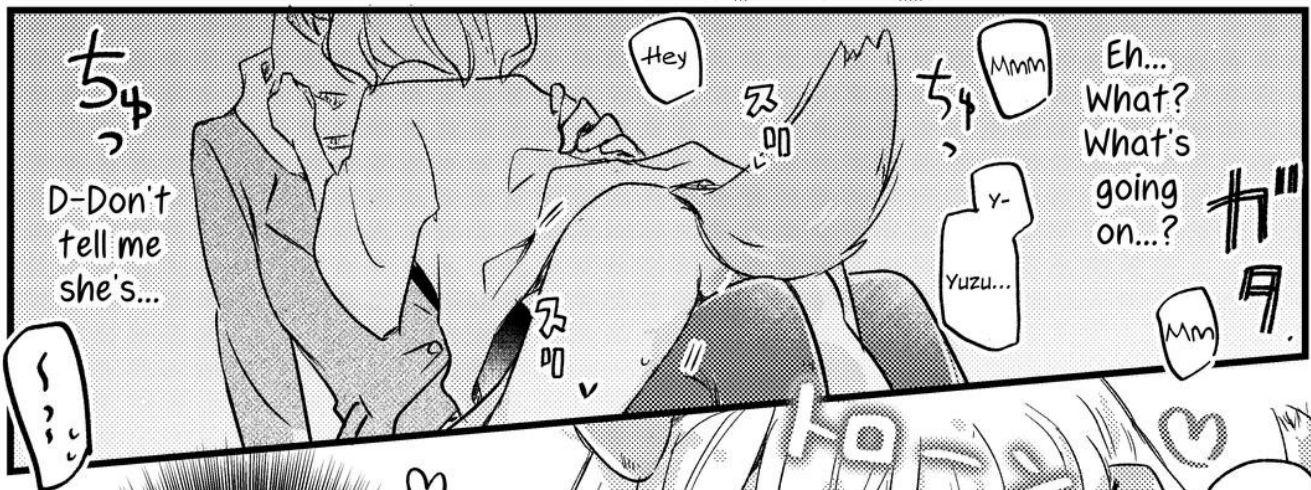

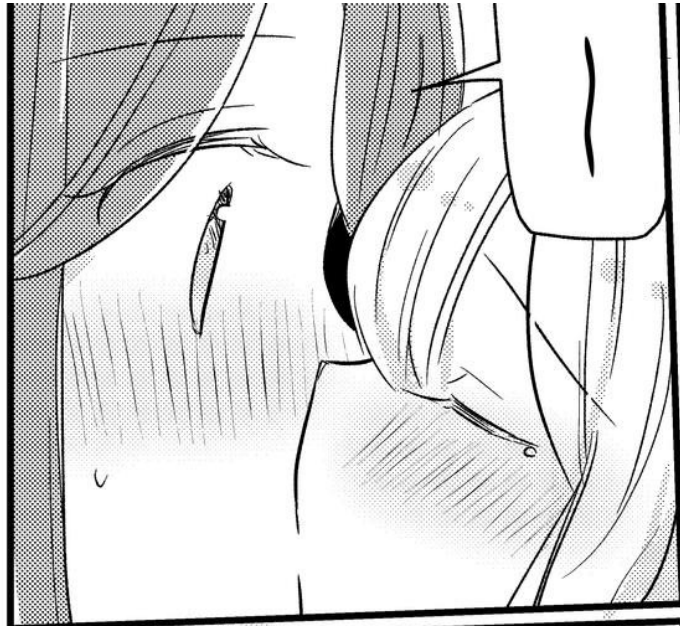

I'll try to get home a little earlier tomorrow~

My adorable dog has turned into a wolf!!

Aah, what a thing to happen!

Take...

this off...

And she's lusting after me!?

Touka...

I'm such a bad woman!!

It's extra tough when I consider that I'm not exactly against it...!!

I'm not a puppy anymore.

I'm... an adult now.

Yuzu...

Why are you so against it?

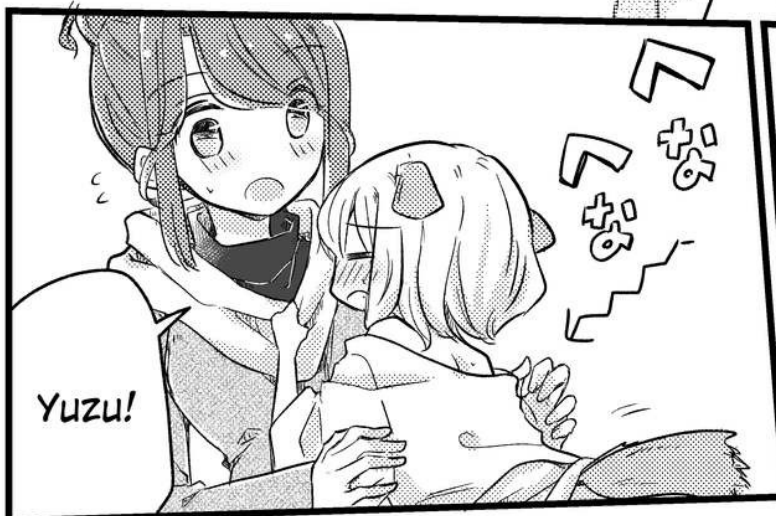

Is it because I'm still small...?

Where did
she learn a
phrase like
that!?

い
あ
ま
ま

...want
your
babies,
Touka...

Yuzu!

...

As her
owner...

Fu~ Fu~

A-At any
rate, now's
not the
time for
worrying!

Yuzu's in
so much
pain!

I have to
give her
a helping
hand!!

...

And
so...

Th-That's
just an
expression.

This
feels
like a
crime...

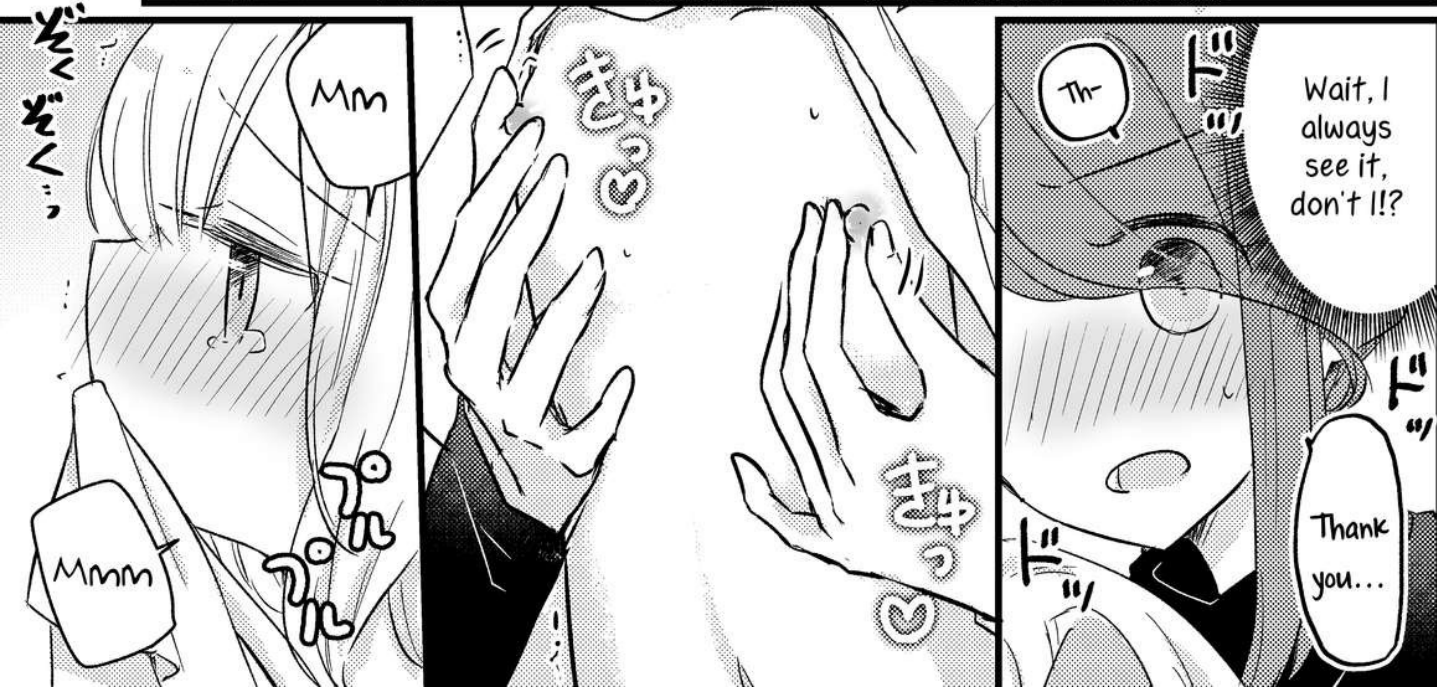

She had
the idea
that I'd be
stripping
too...

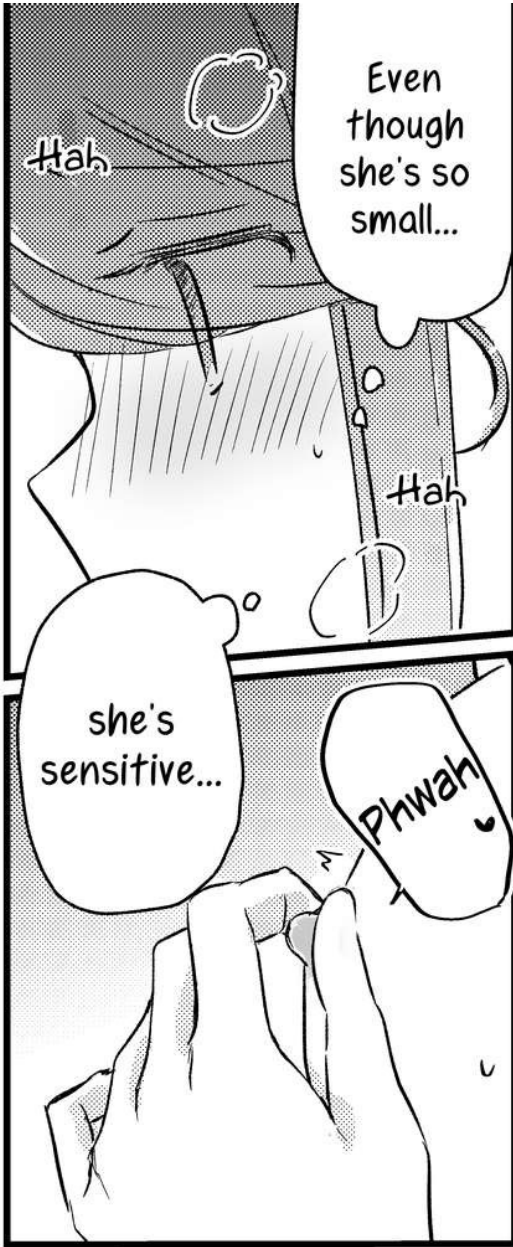

You're
not
gonna
strip?

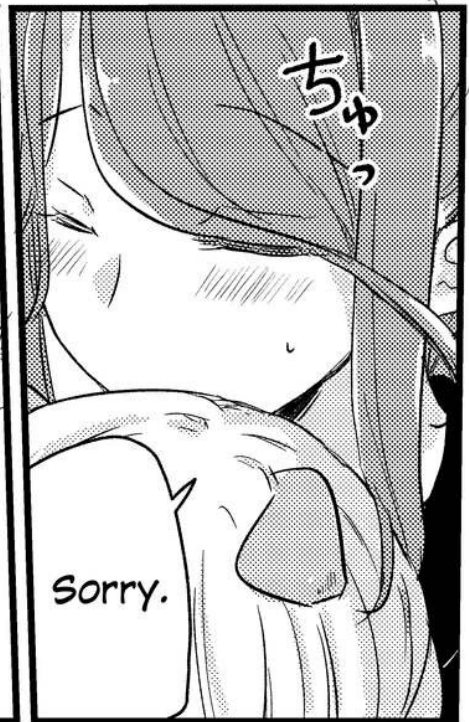

I don't really
know much
about dogs
being in
heat, but...

since her
body's the
same as a
human's, the
method
should be
the same,
right...?

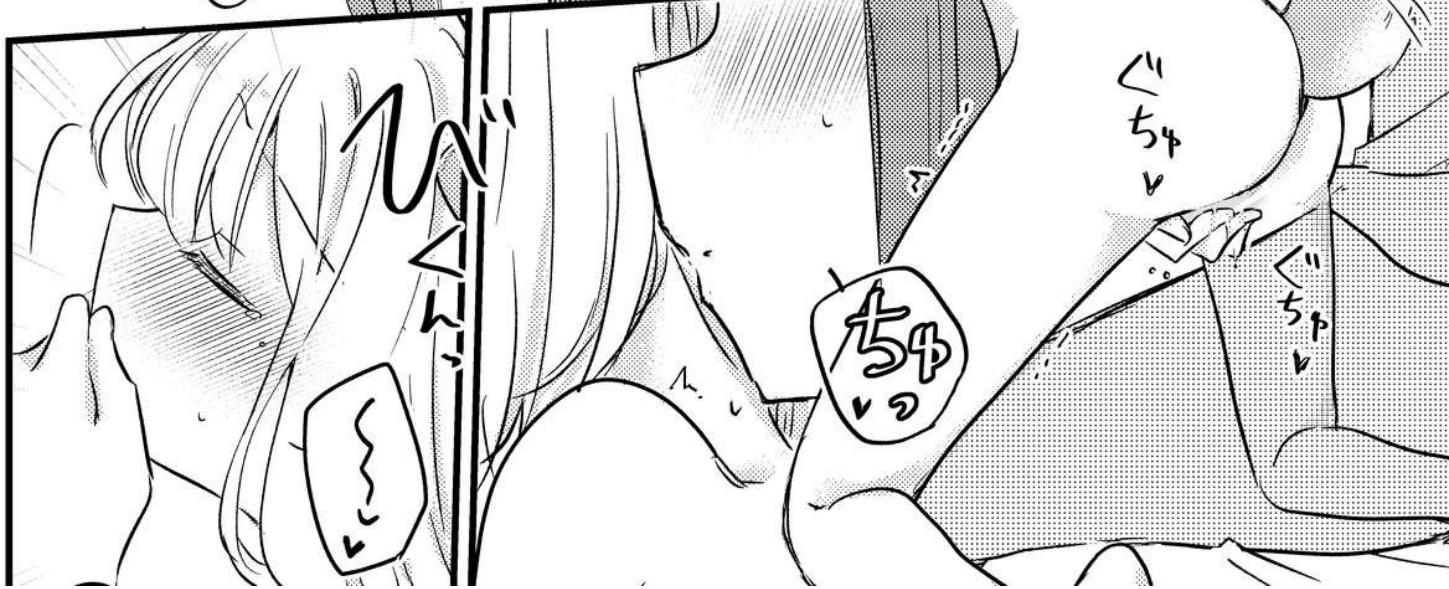

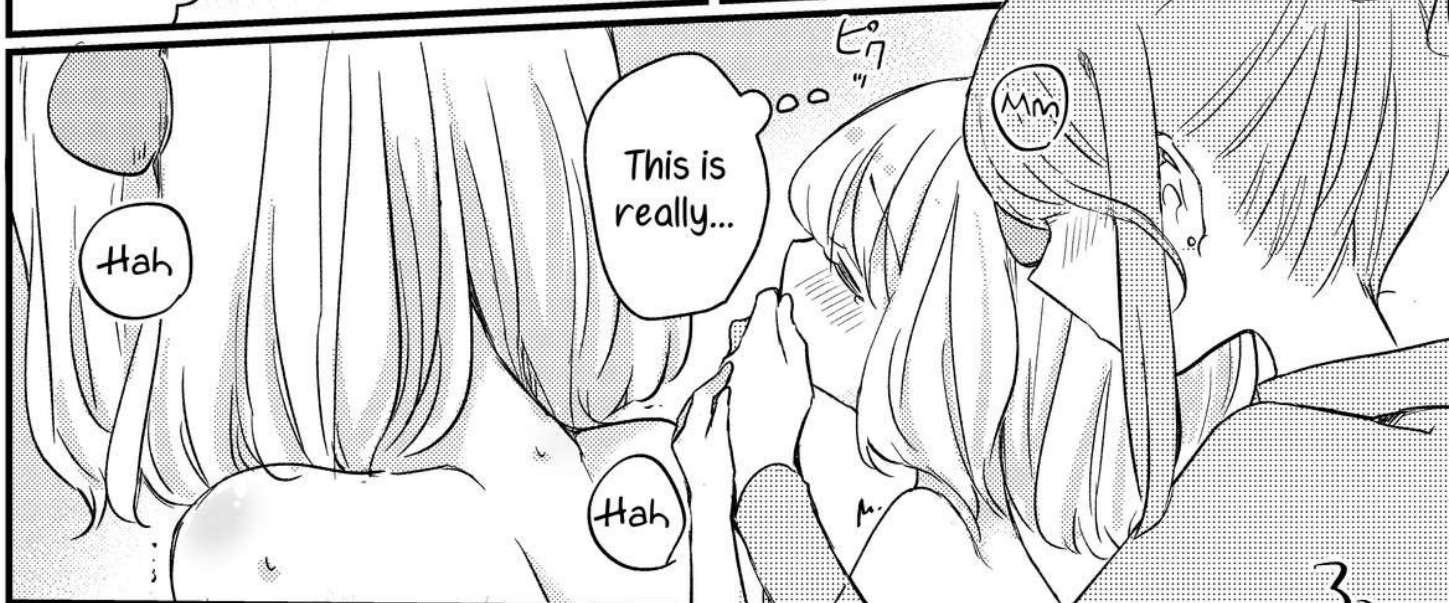

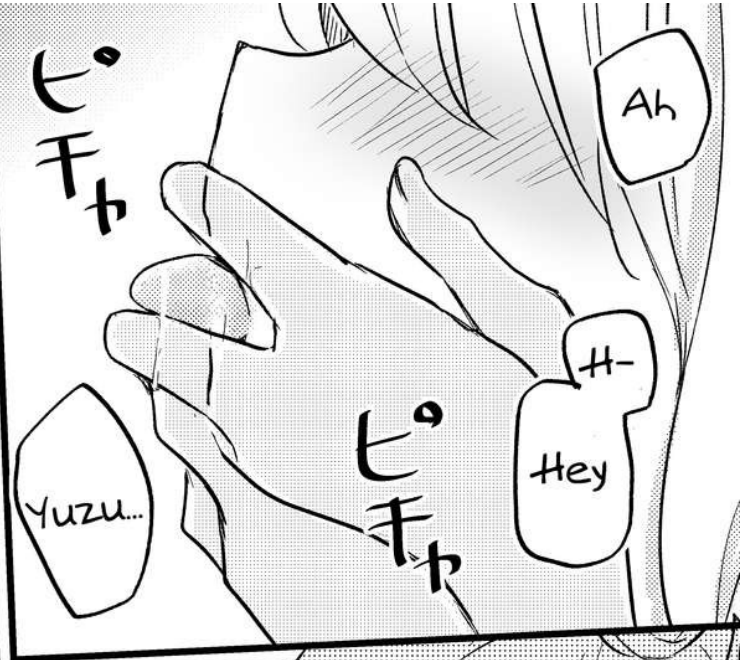

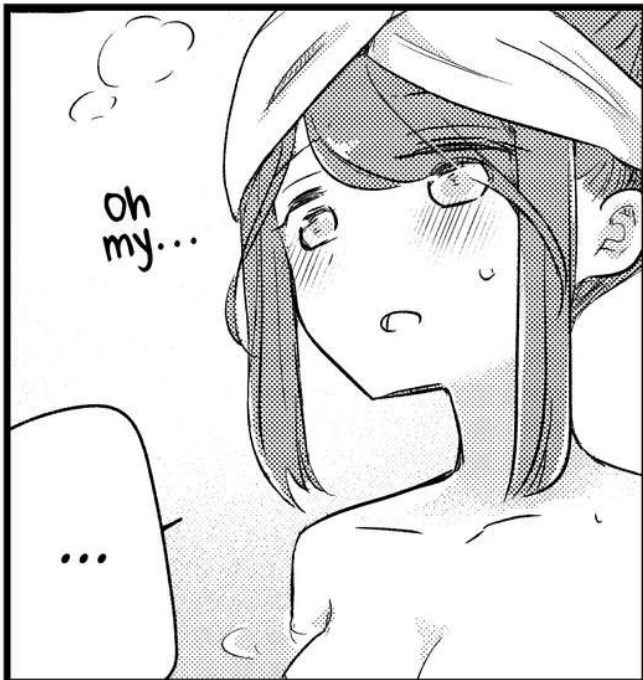

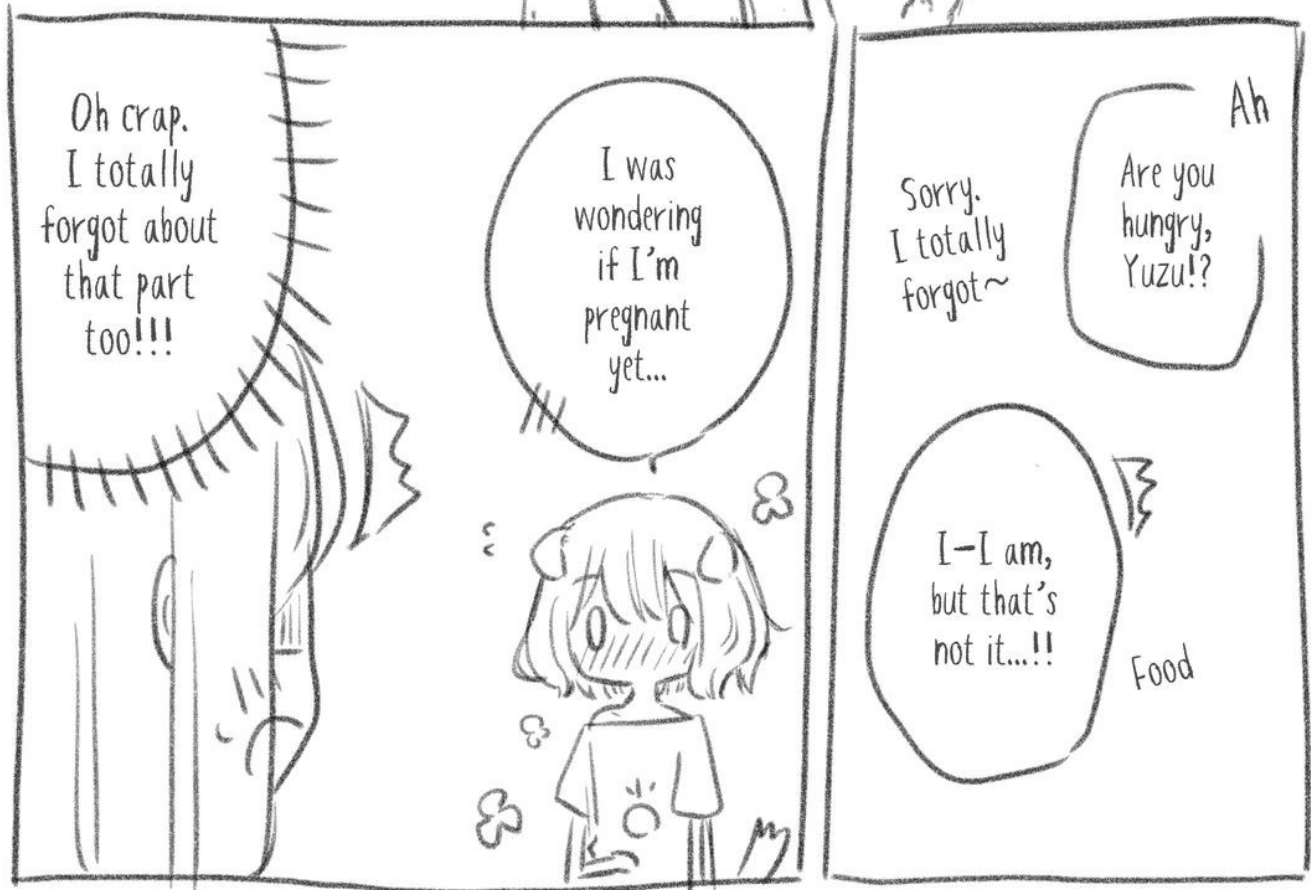

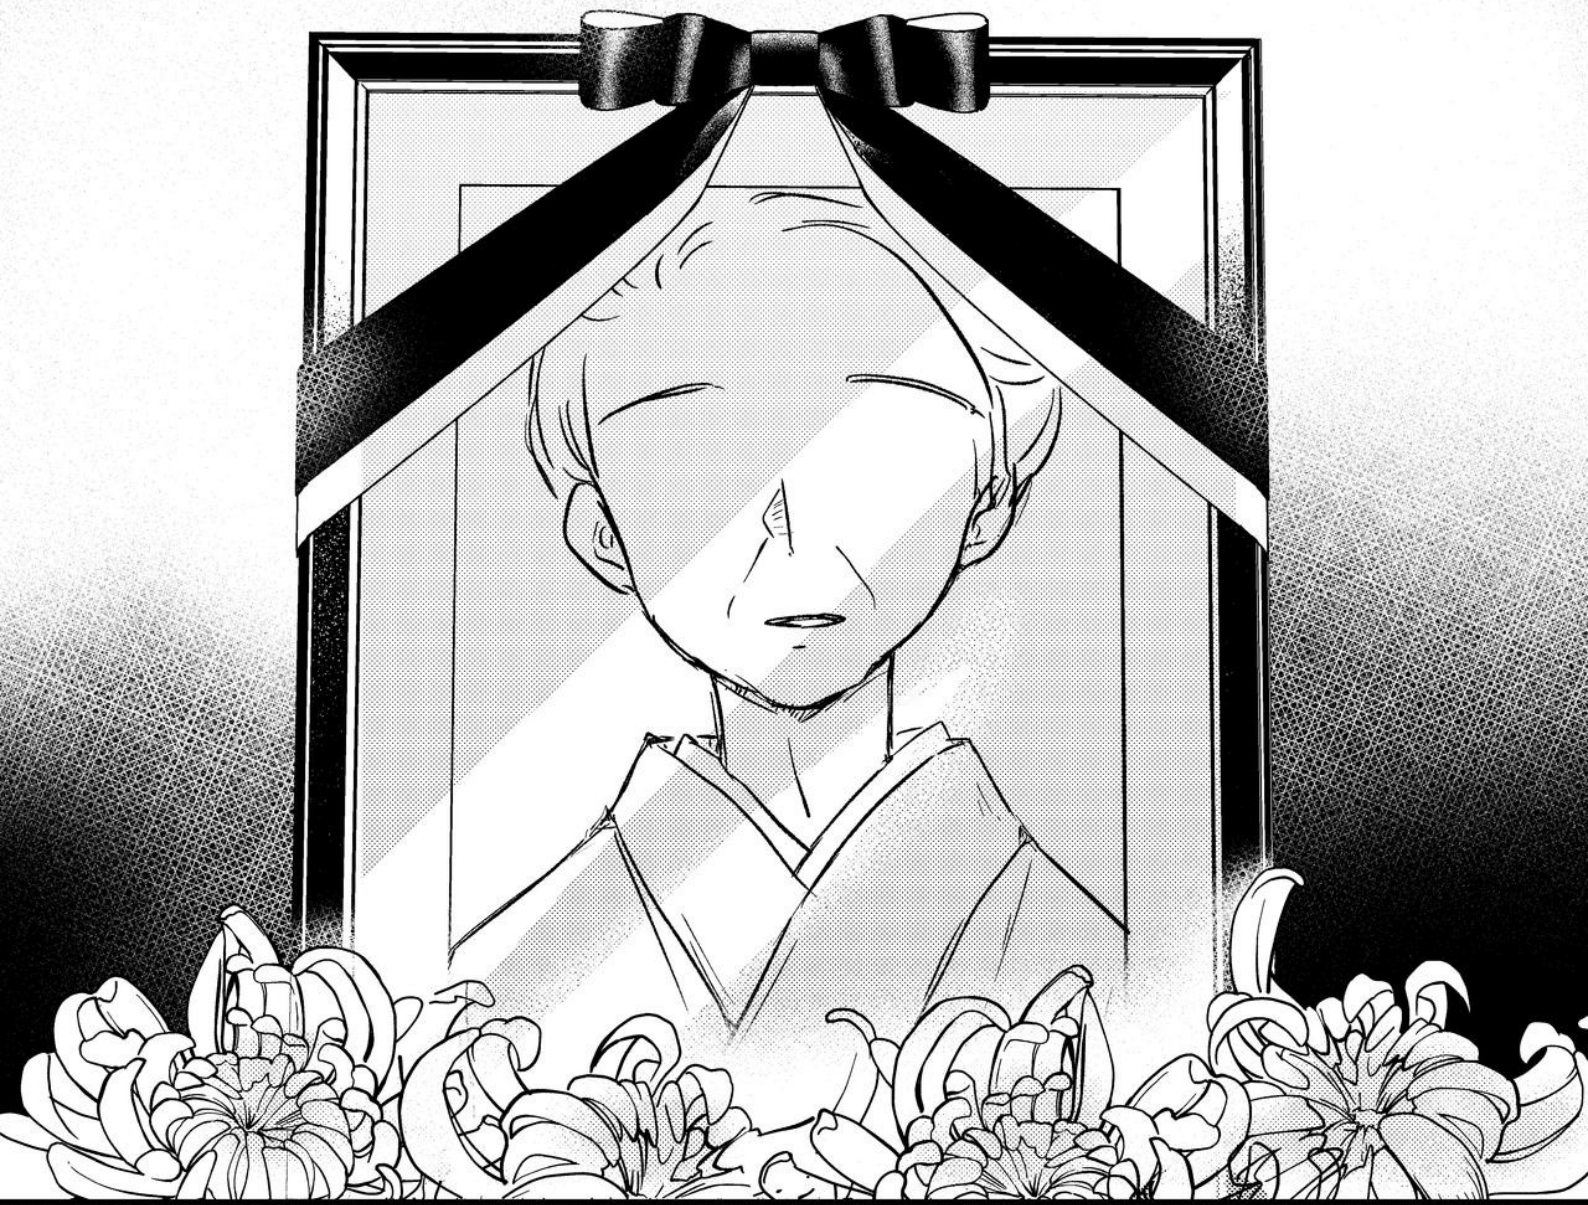

To a place with thicker walls...

END

It was
a very
cold day.

My
grand-
mother
passed
away.

What
should I
do from
now on...?

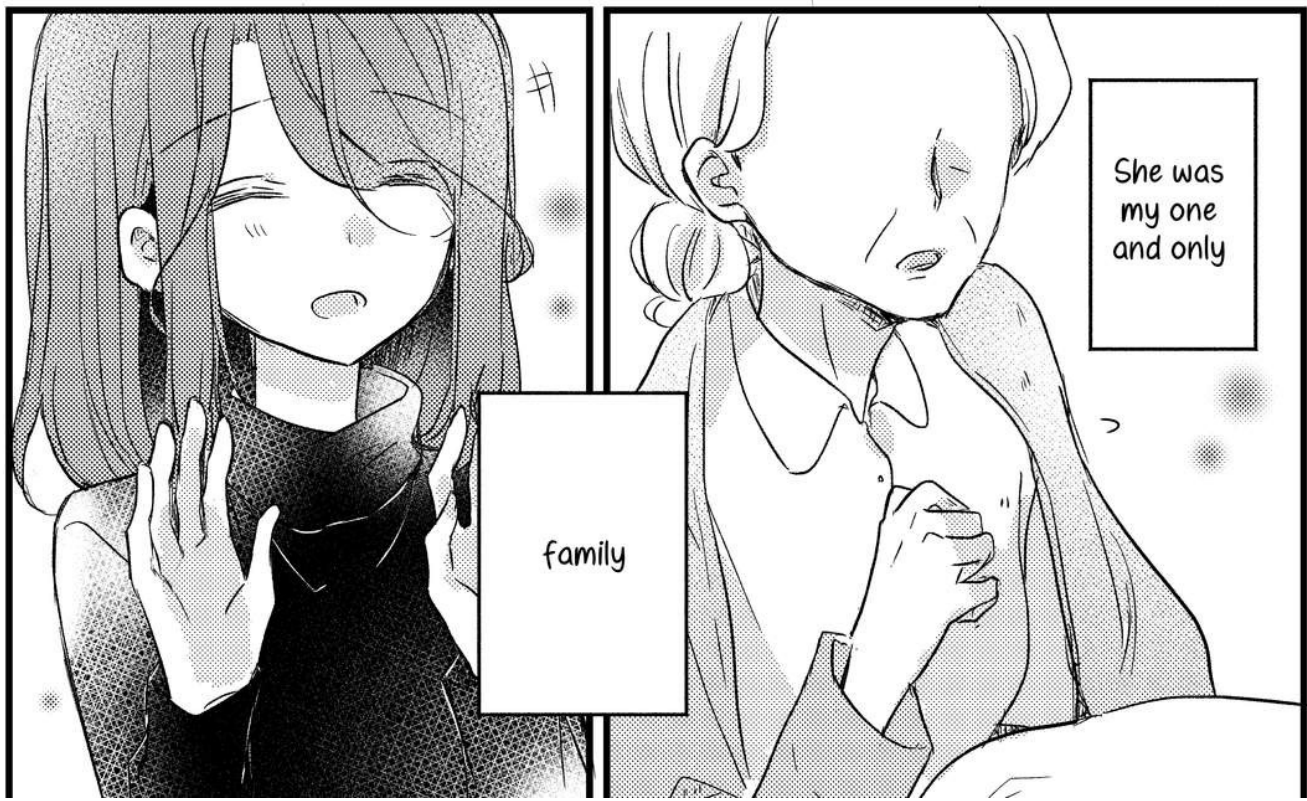

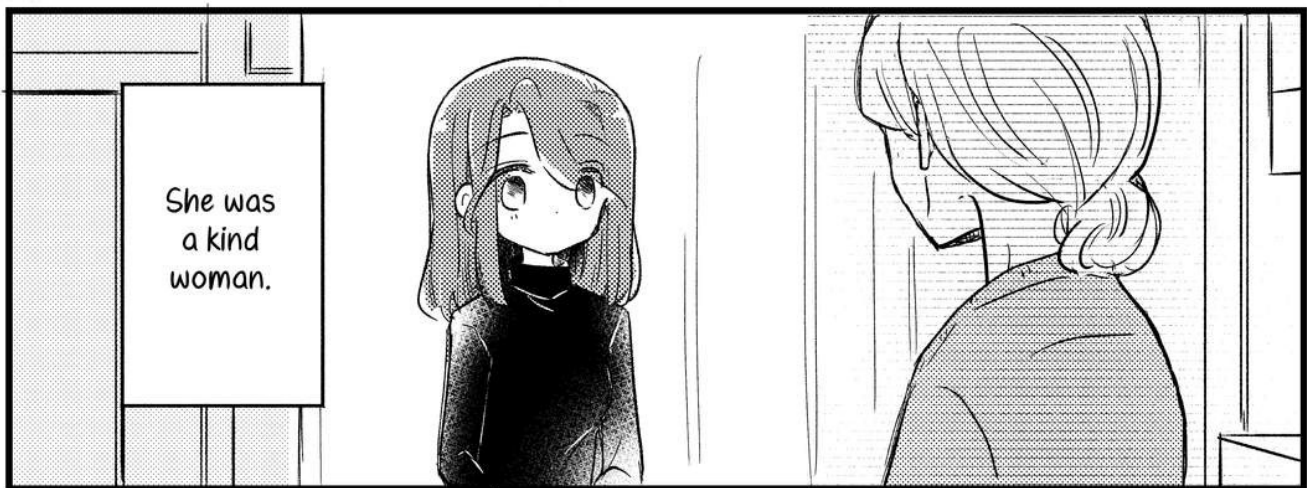

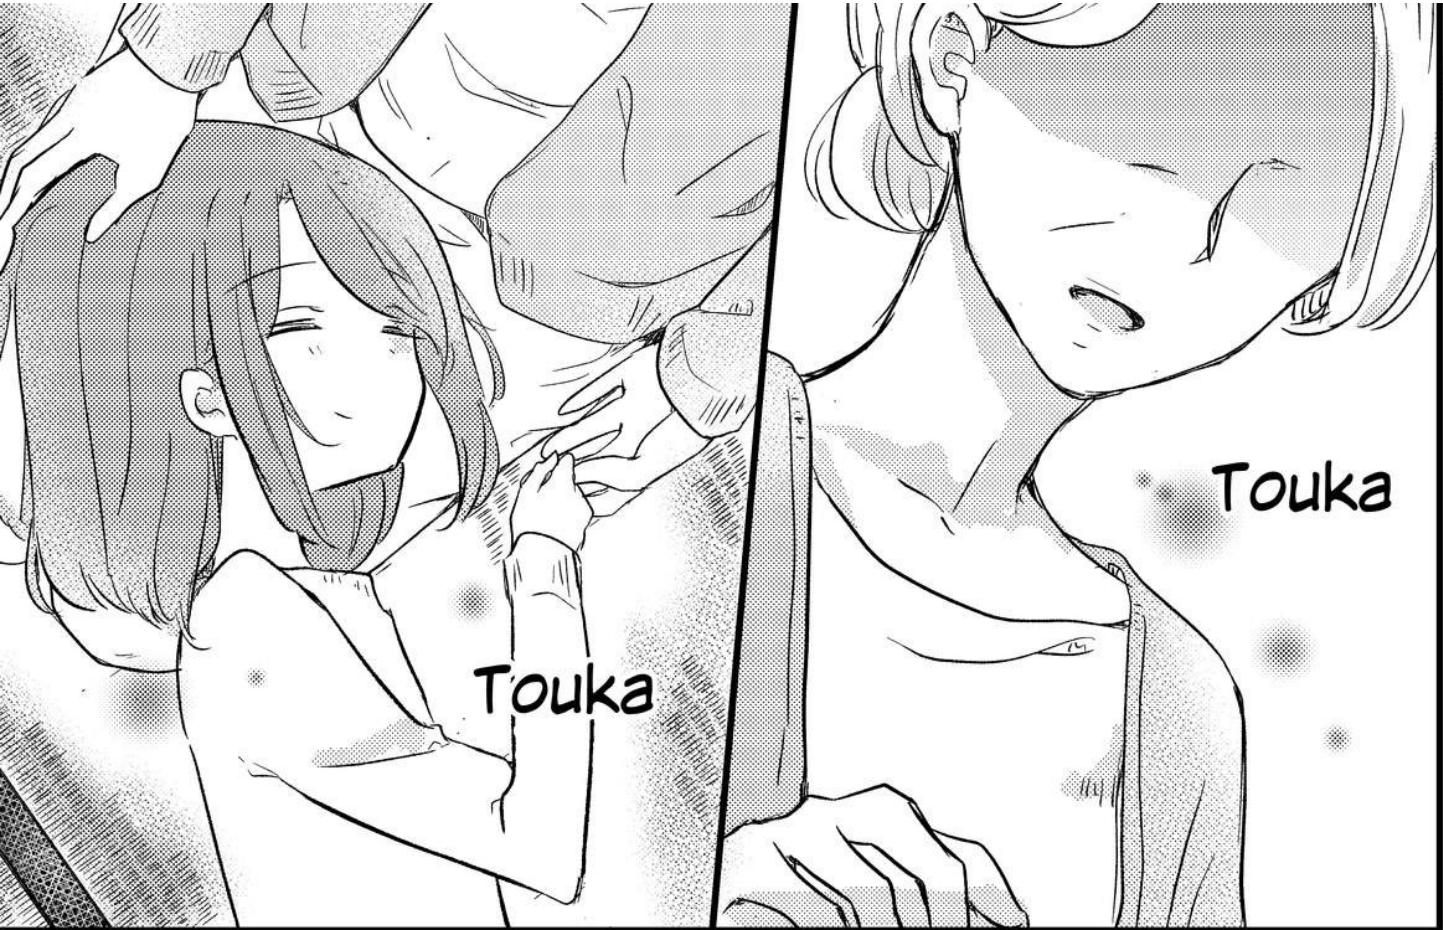

By the
time we
found it,

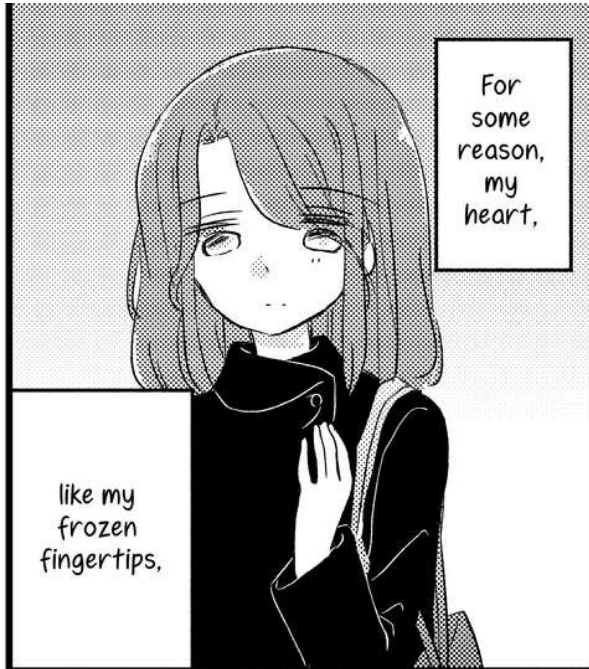

it had
already
spread
across
her entire
body.

It was
terminal
cancer.

Hah...

For
some
reason,
my
heart,

like my
frozen
fingertips,

I wonder
why.

Even
though
I was
so
afraid

that
this day
would
come...

What
should I
do about
my night
job...?

I need to
resign
before
they find
out...

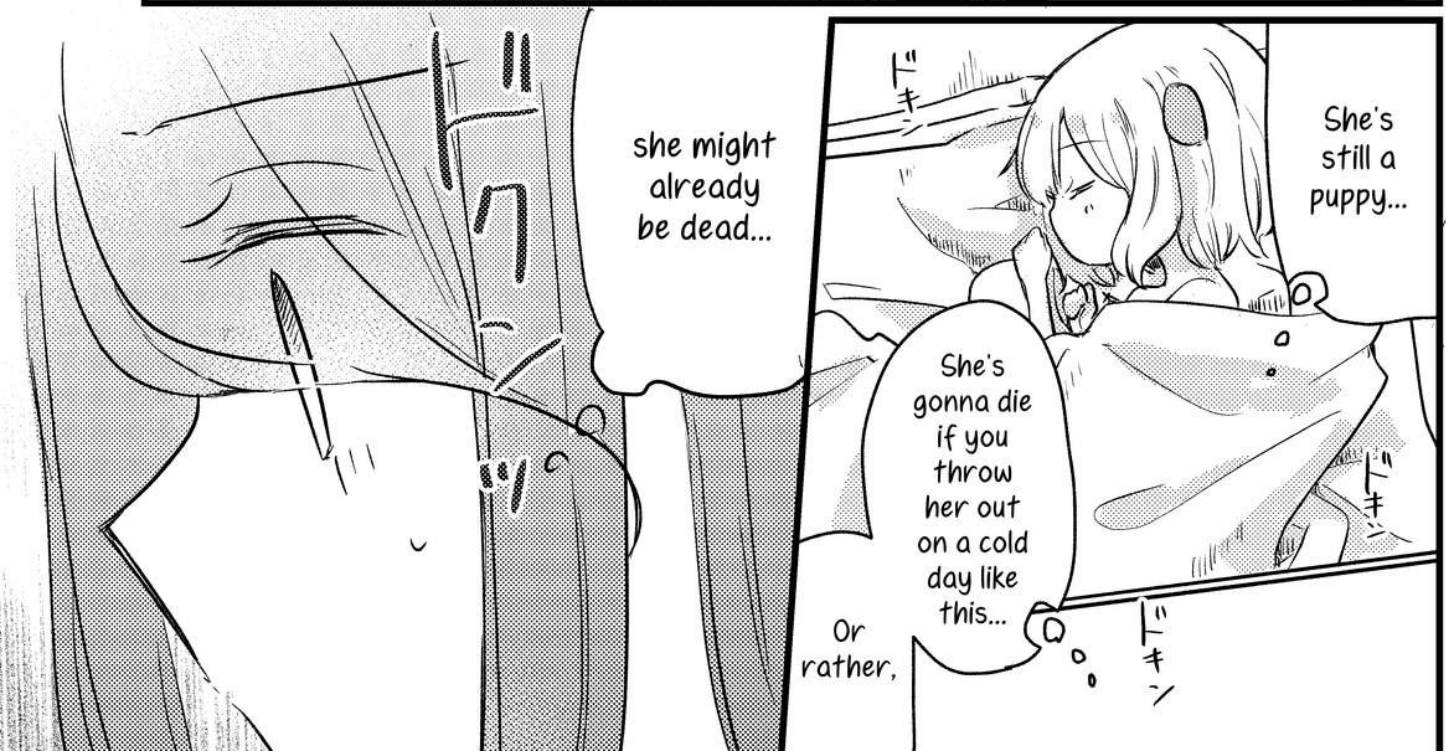

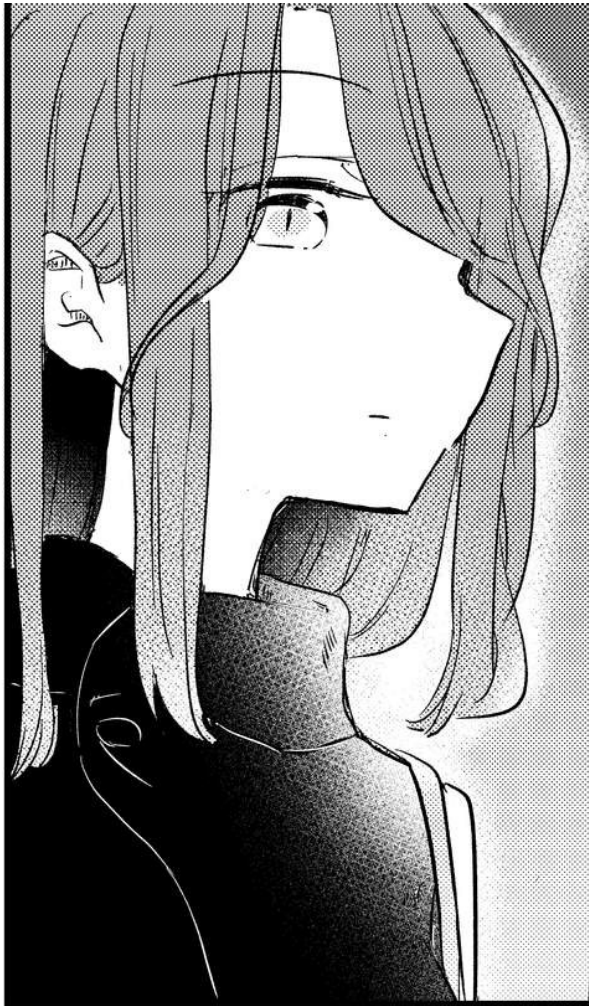

doesn't
feel a
thing.

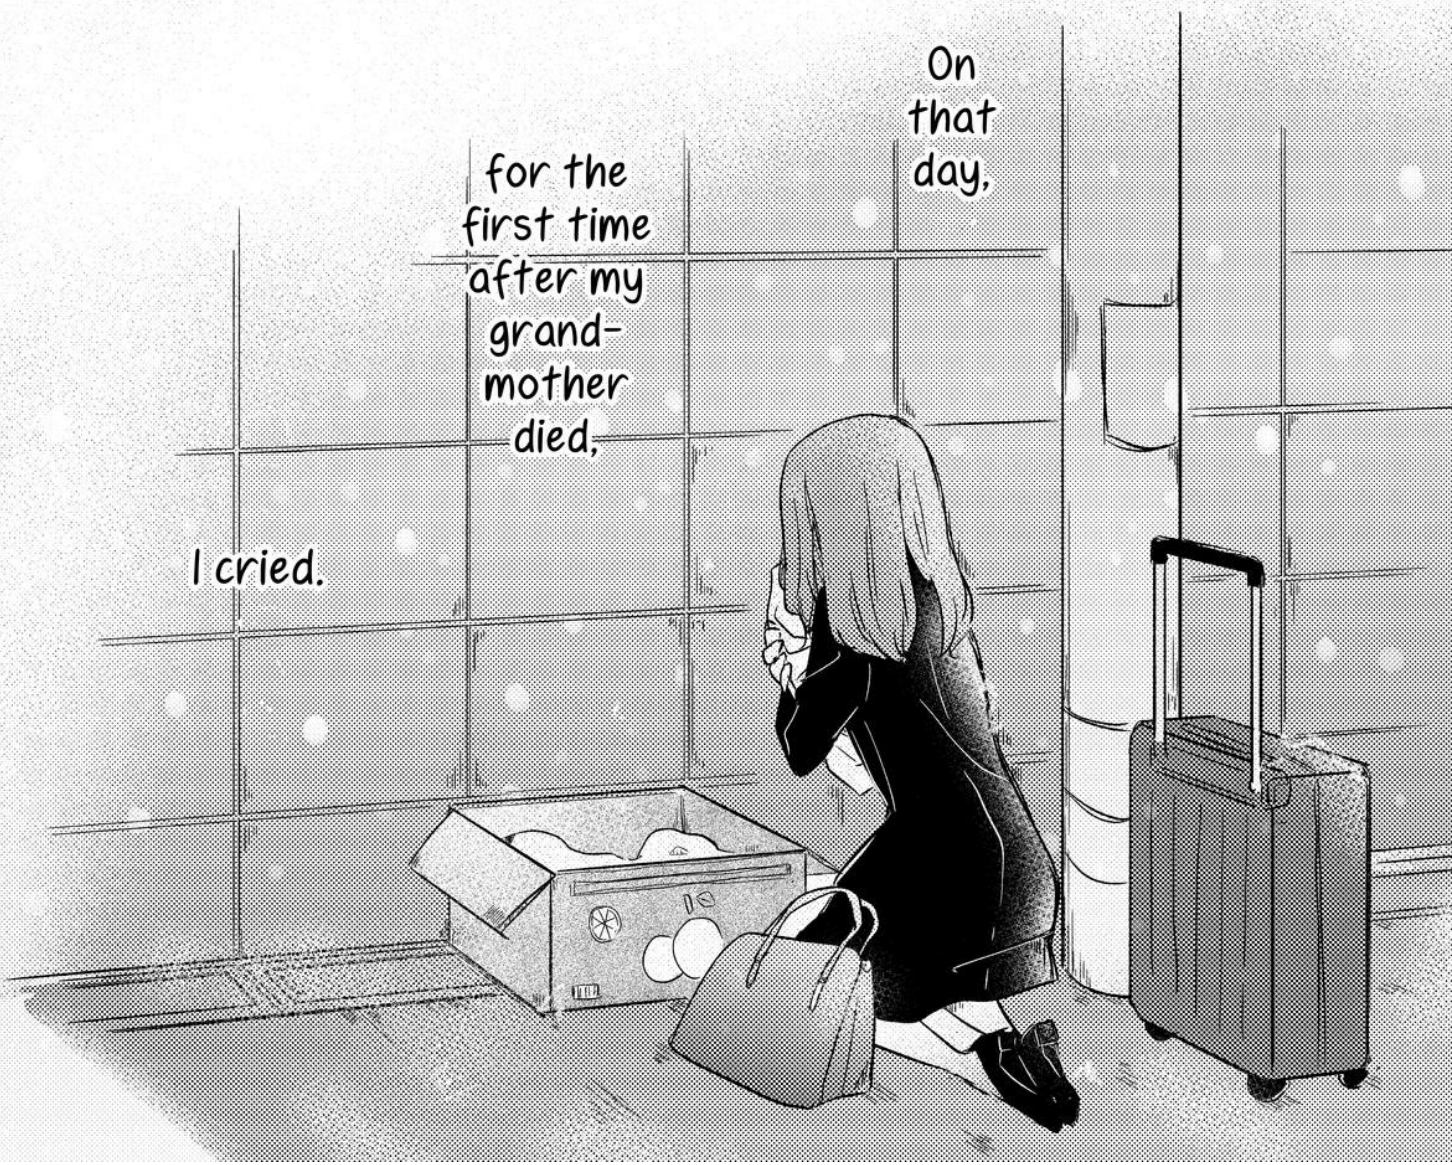

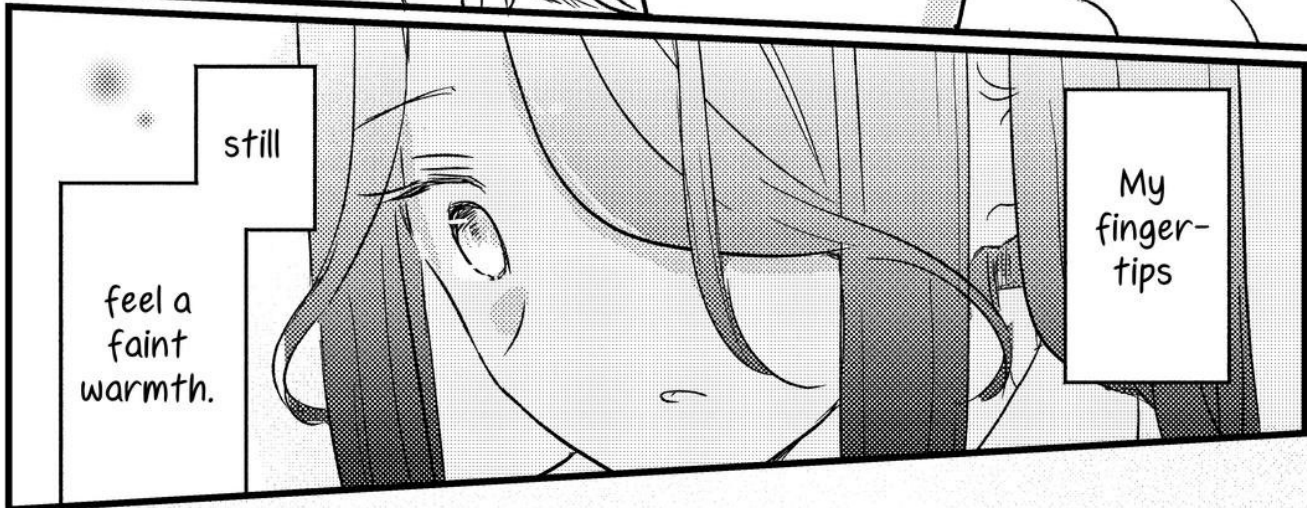

Ah...

Snow...

Special Thanks!
