Good evening.

I'm Kinoshita Touka, 27 and a half years old.

I'm leaving now~

I'm home~

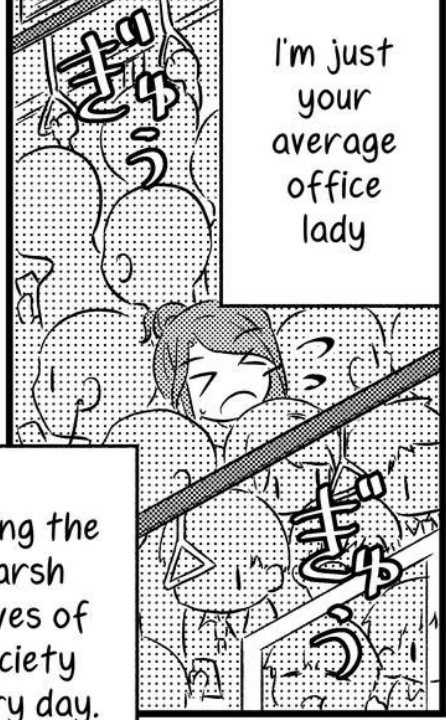

はっ

大根 240円

That's cheap!

ATL4-11 19:00~ 半額!!

I'm just your average office lady

facing the harsh waves of society every day.

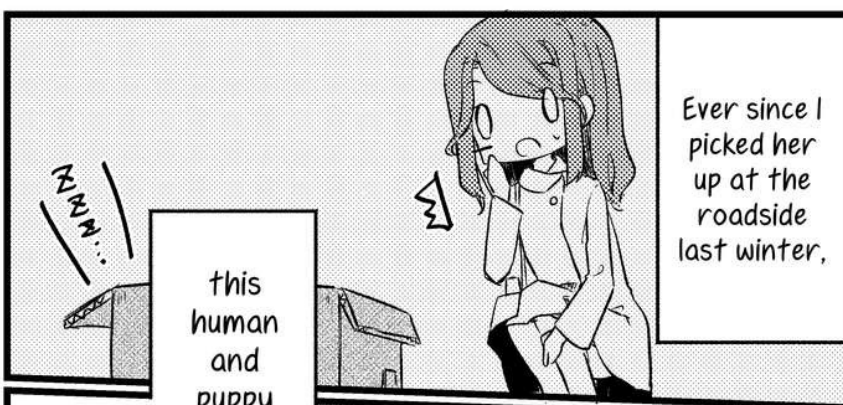

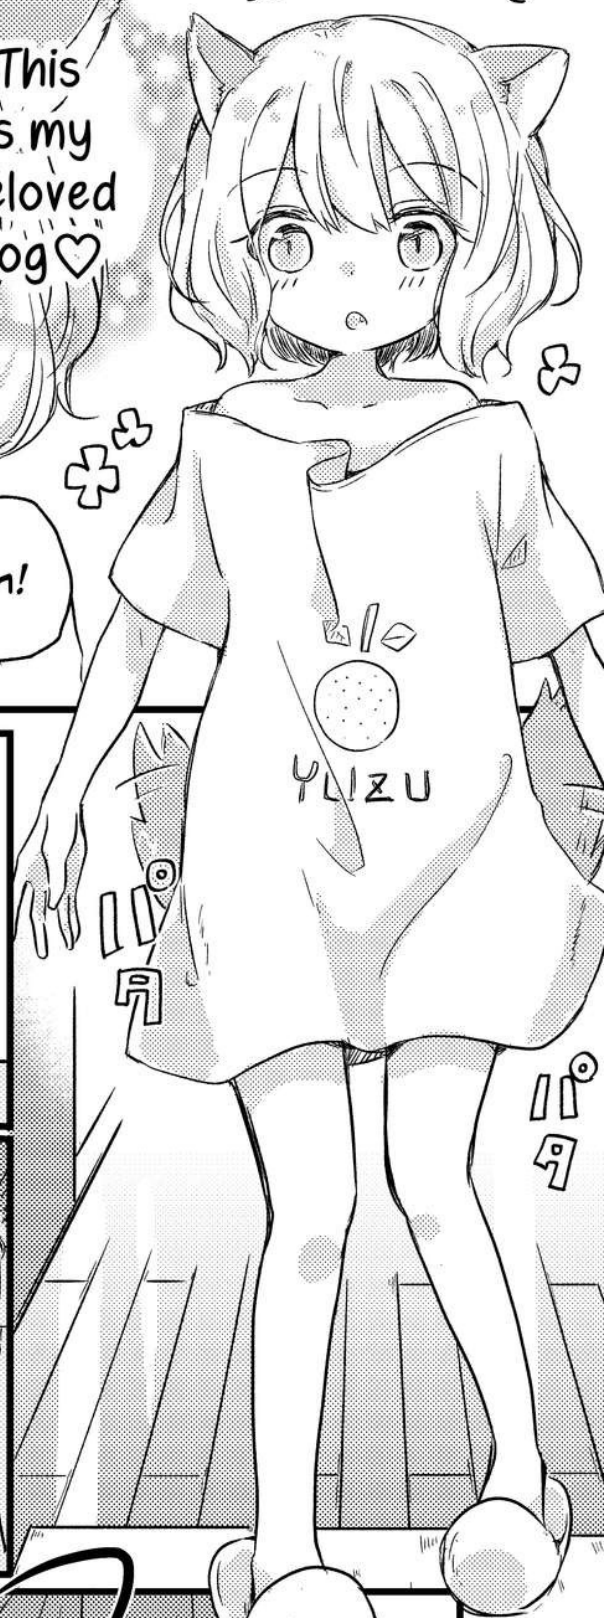

ちよーん 〇〇

Welcome home, Touka!

This is my beloved dog ♡

Yuzu-chan the chihuahua, 1 year and 2 months old (assumedly)!

Oh!

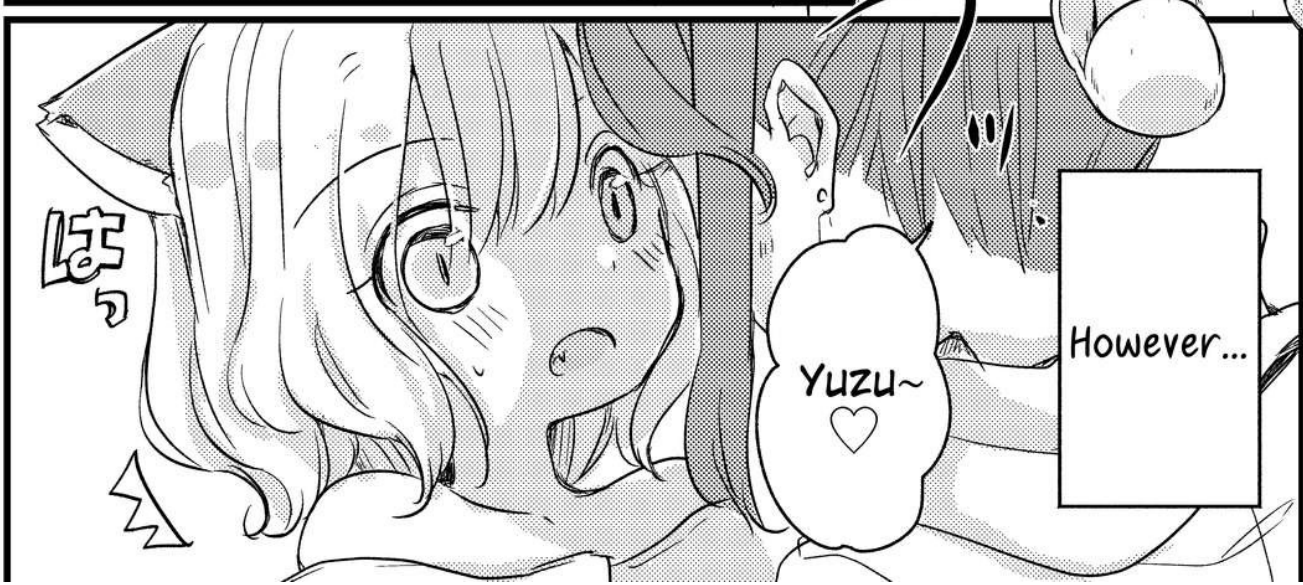

Ever since I picked her up at the roadside last winter,

this human and puppy

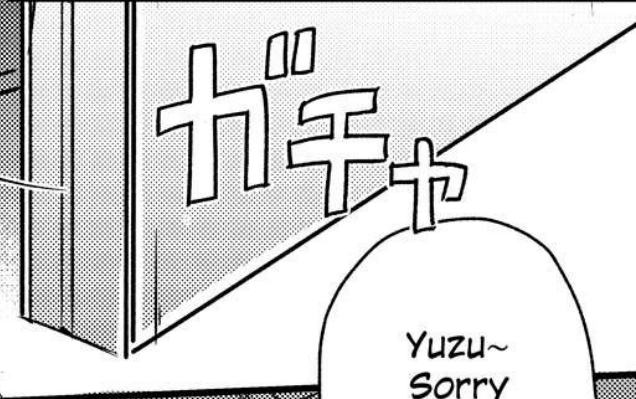

have spent every day living together ♡

Yuzu~ ♡

However...

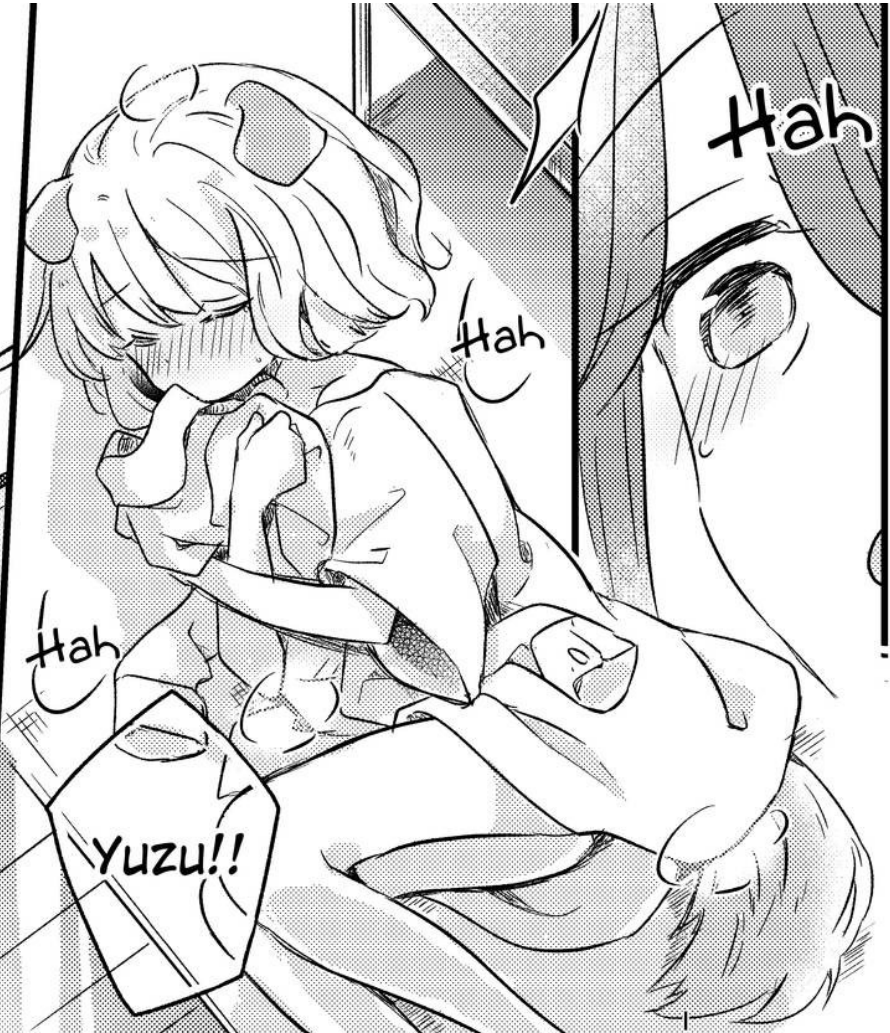

Ah...
Touka...
Welcome home...

What's wrong!?
Does it hurt
some-
where??

Hah

Hah

Hah

Yuzu!!

This is bad...
She's got
a fever...!

She's
burning
up...!

Hah

Hah

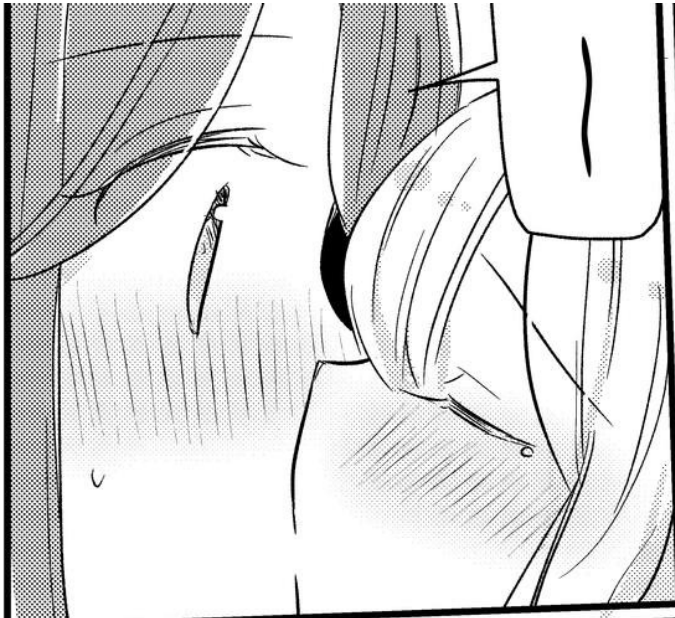

Don't
worry.

I'll take
you to
the
hospital
right
aw-...

It must
have been
painful on
your own,
right?

I'm
sorry.

Where did she learn a phrase like that!?

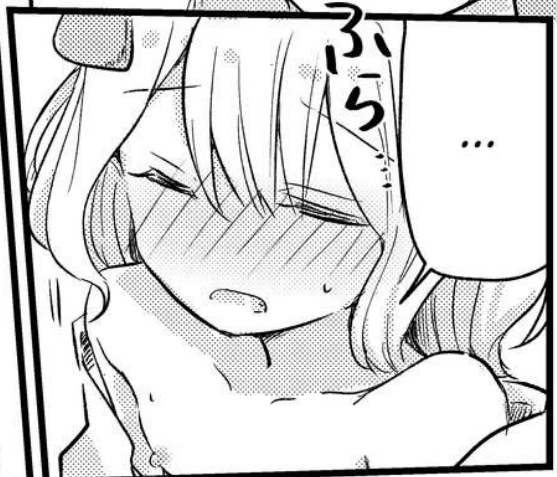

いっお

...want your babies, Touka...

Yuzu!

As her owner...

Yuzu's in so much pain!

A-At any rate, now's not the time for worrying!

I have to give her a helping hand!!

...

And so...

Th-That's just an expression.

You're not gonna strip?

This feels like a crime... She had the idea that I'd be stripping too...

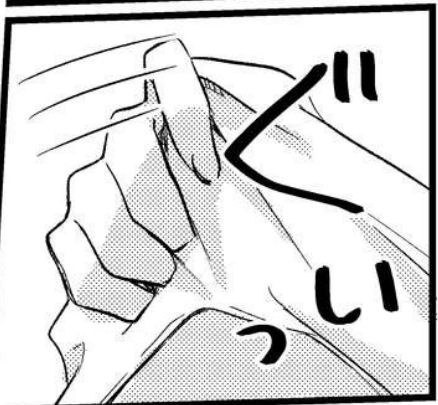

I don't really know much about dogs being in heat, but...

since her body's the same as a human's, the method should be the same, right...?

We can't exactly let the neighbors hear us...

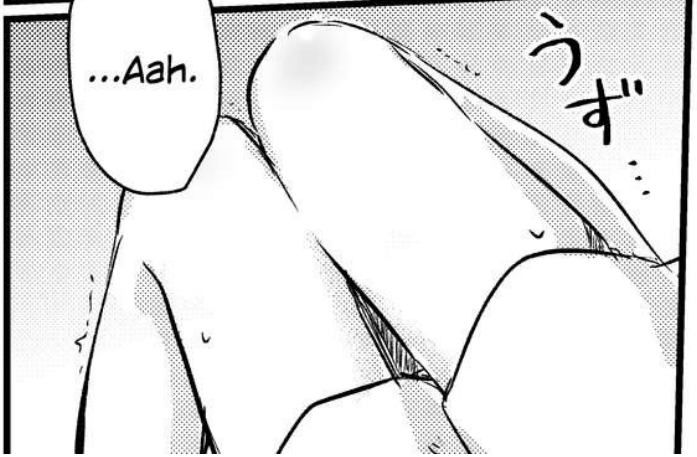

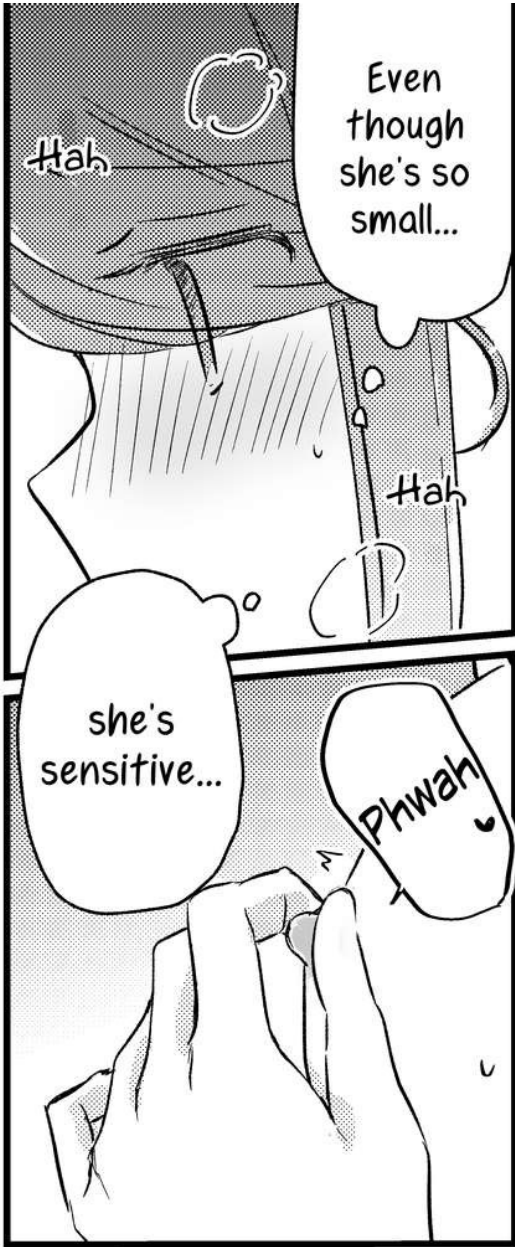

Wah! I can see everything...!!

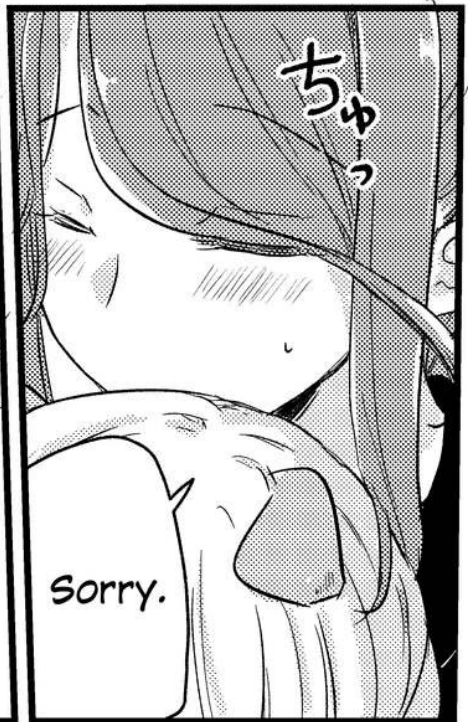

Ith this ovay...? (Is this okay..?)

Wait, I always see it, don't !!?

Thank you...

You've been holding in your voice this whole time, haven't you?

You're such a good girl, Yuzu.

ばっ

Feel free to let it out in my hand.

Wah !?

That tickles...!

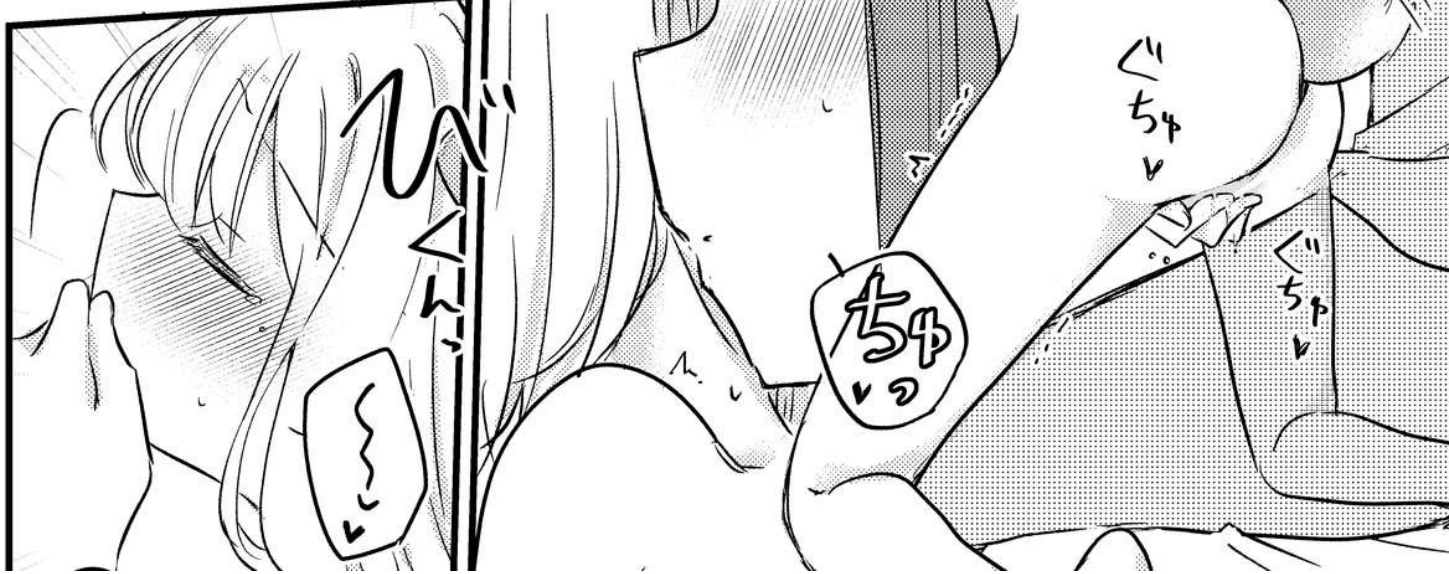

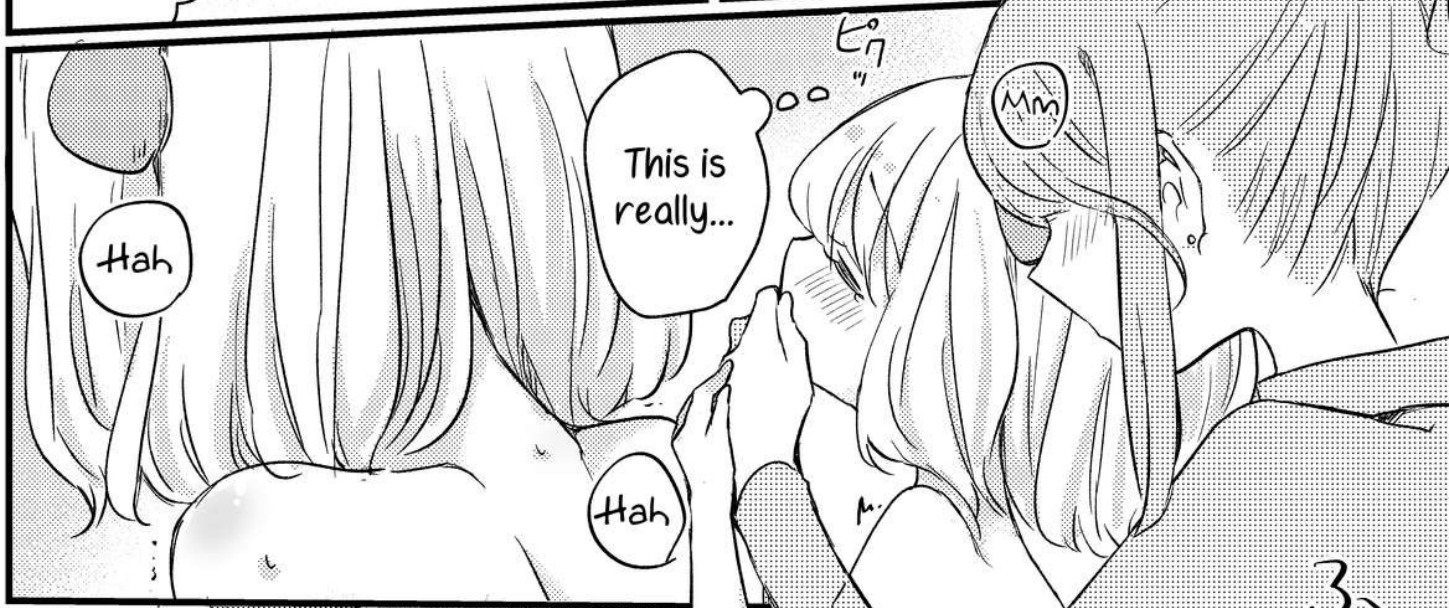

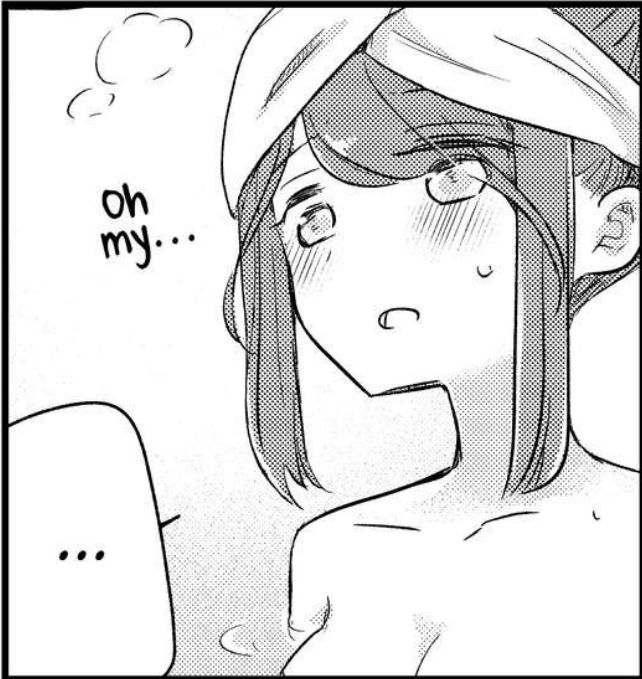

Geez, Yuzu.

I'll take this off, too.

Although saying that just makes it feel like even more of a crime...

3 3

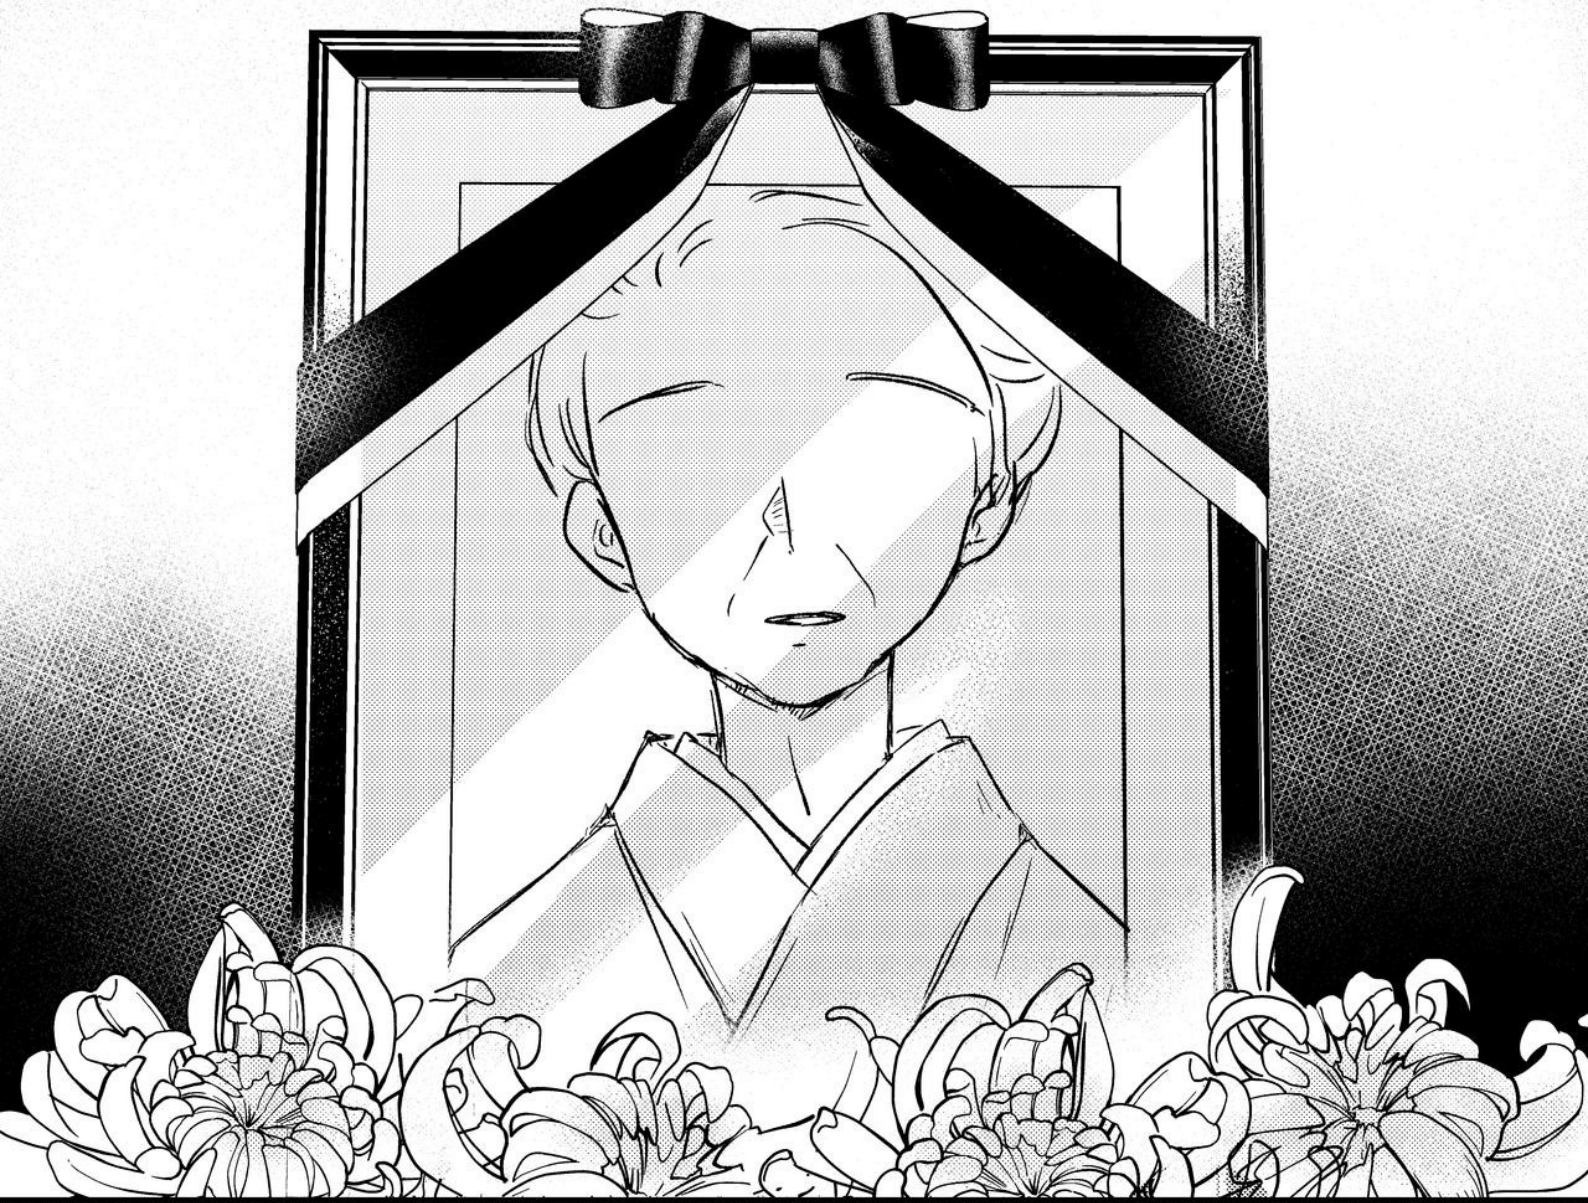

I was wondering if I'm pregnant yet...

I-I am, but that's not it...!!

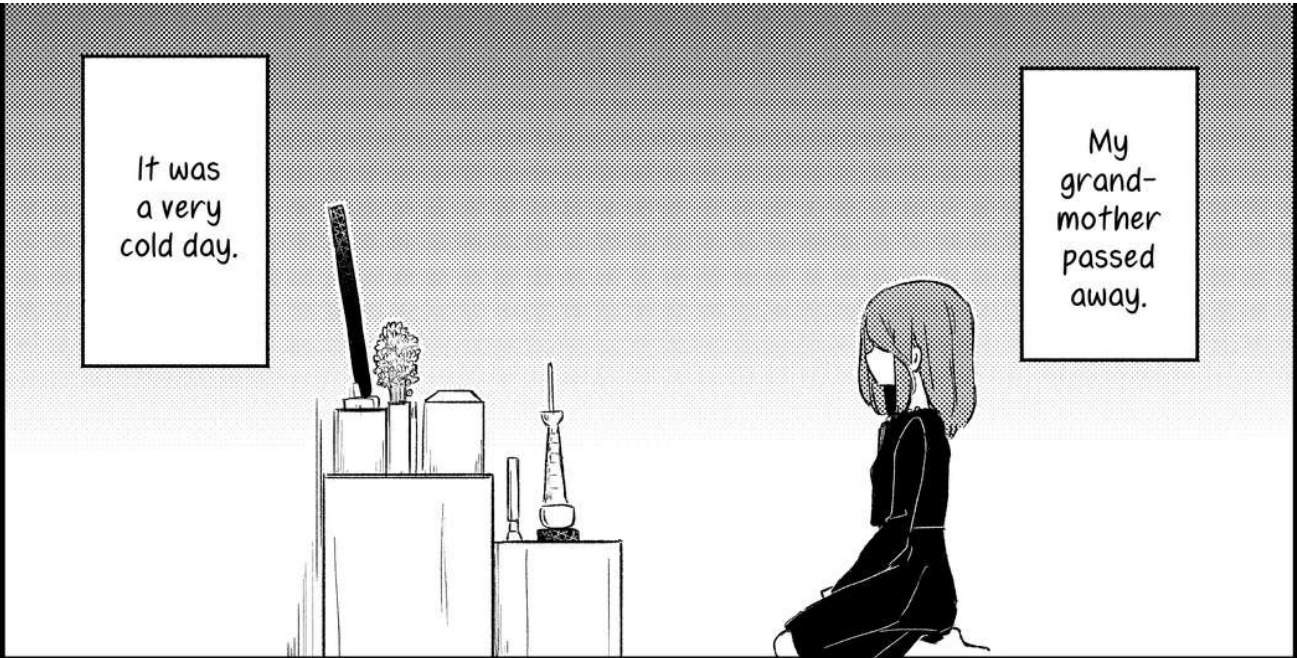

Food

It was a very cold day.

My grandmother passed away.

What should I do from now on...?

Hah...

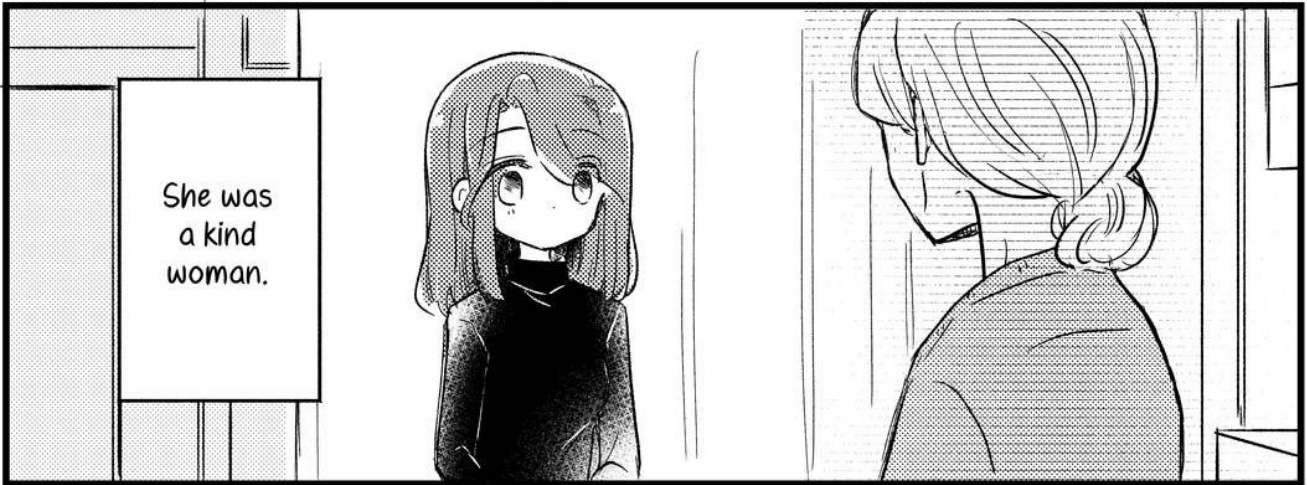

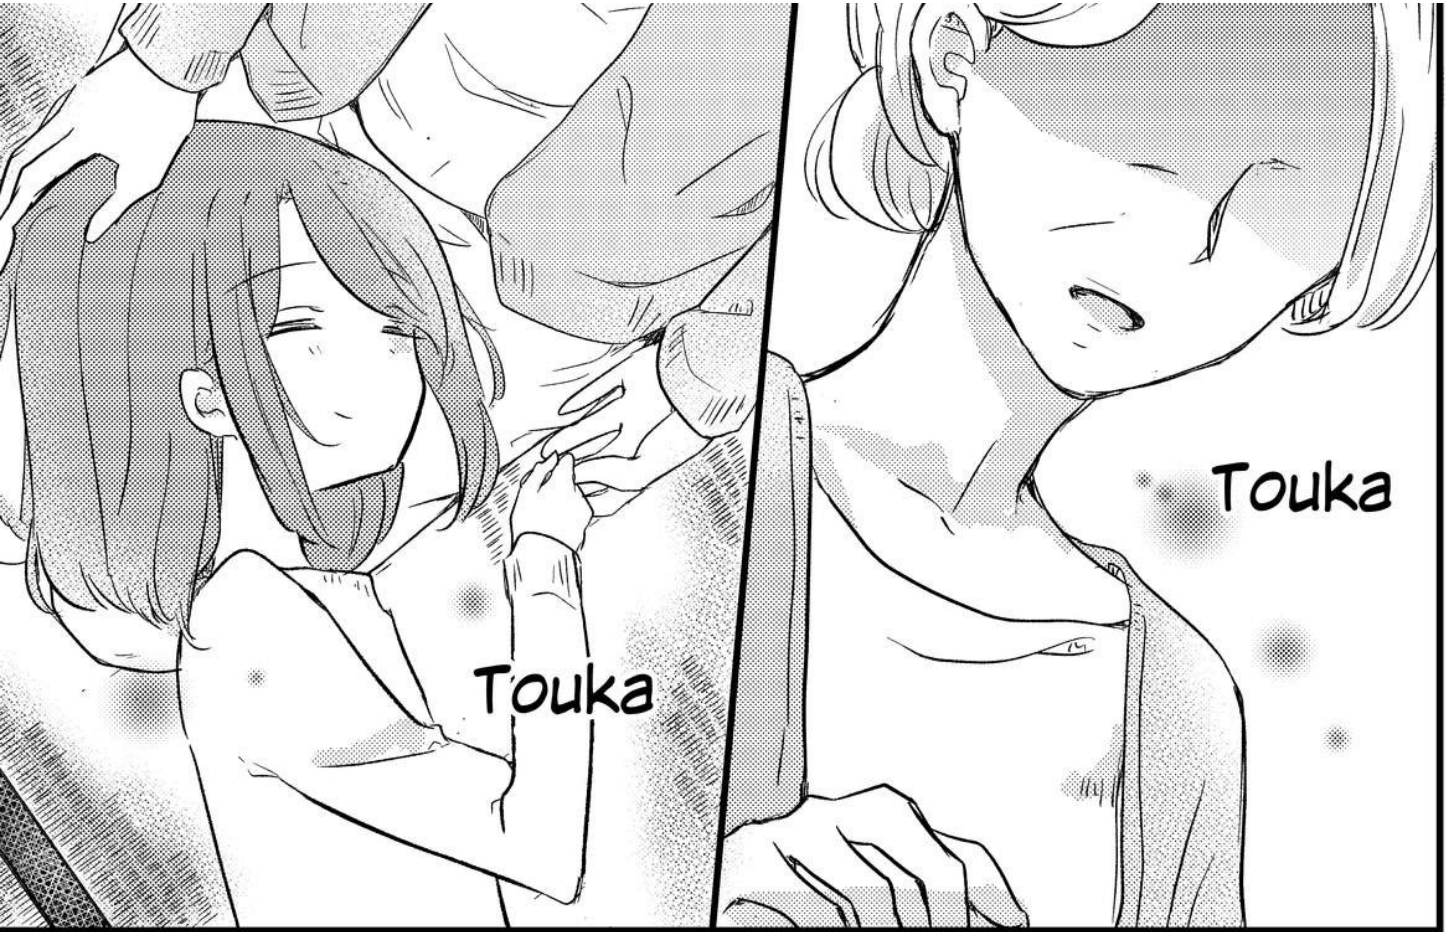

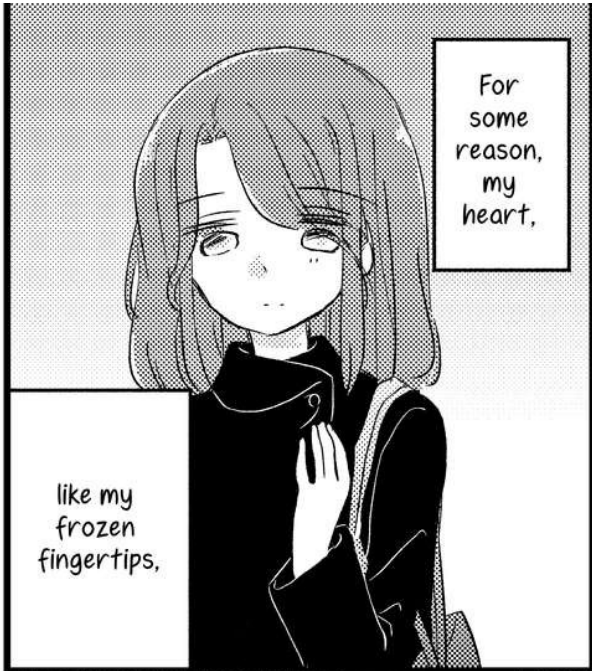

By the time we found it,

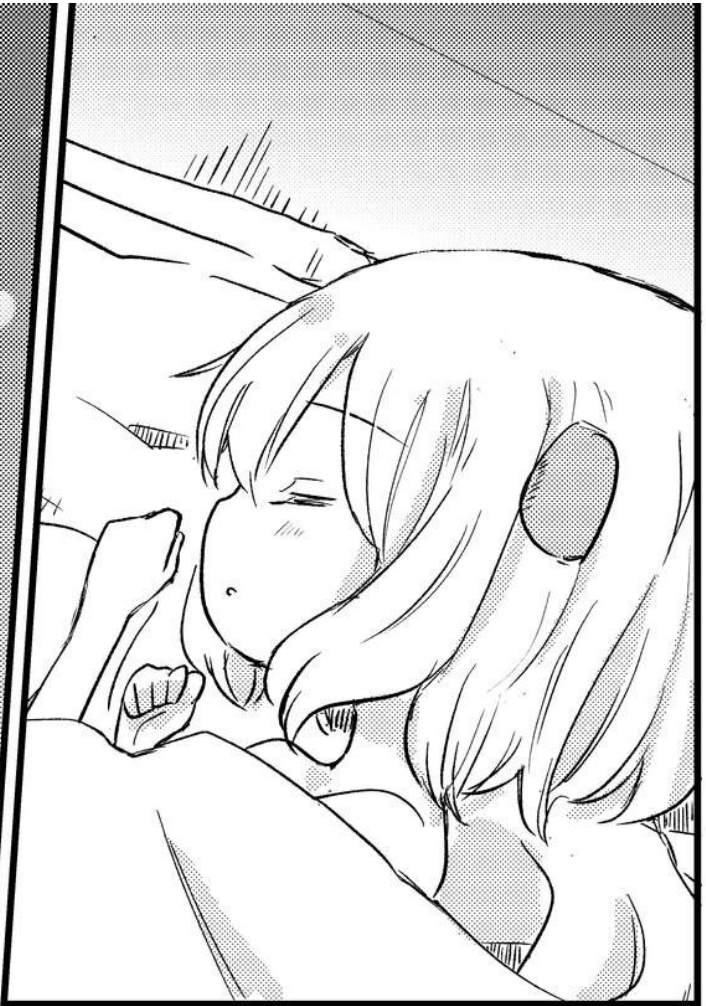

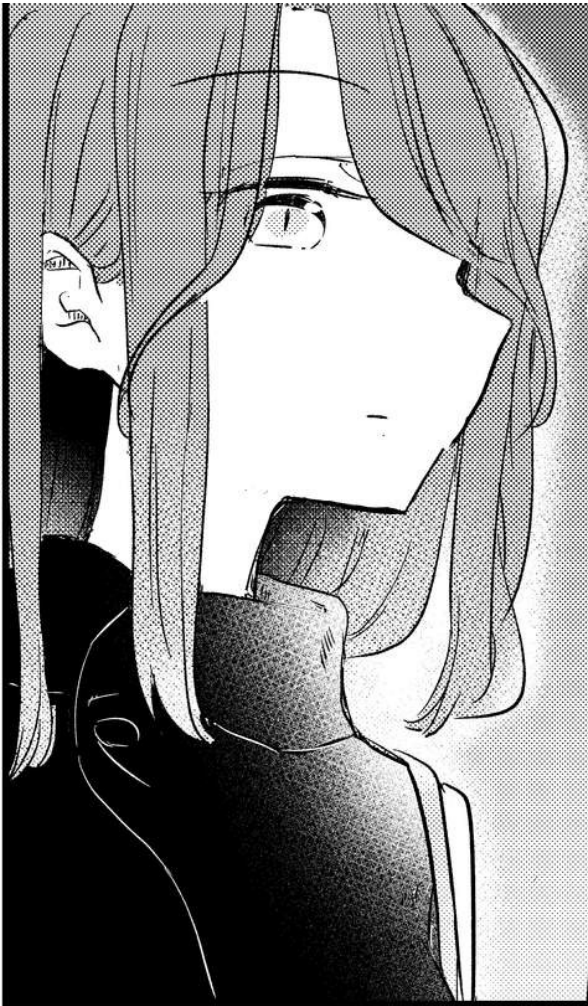

It was terminal cancer.

it had already spread across her entire body.

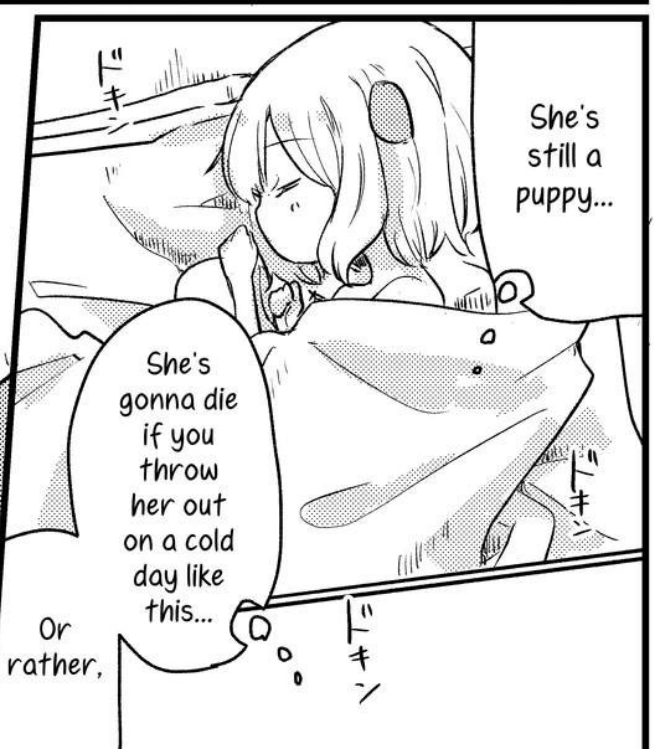

At this time of year...?

An abandoned dog...?

Eh...?
This girl...

she might already be dead...

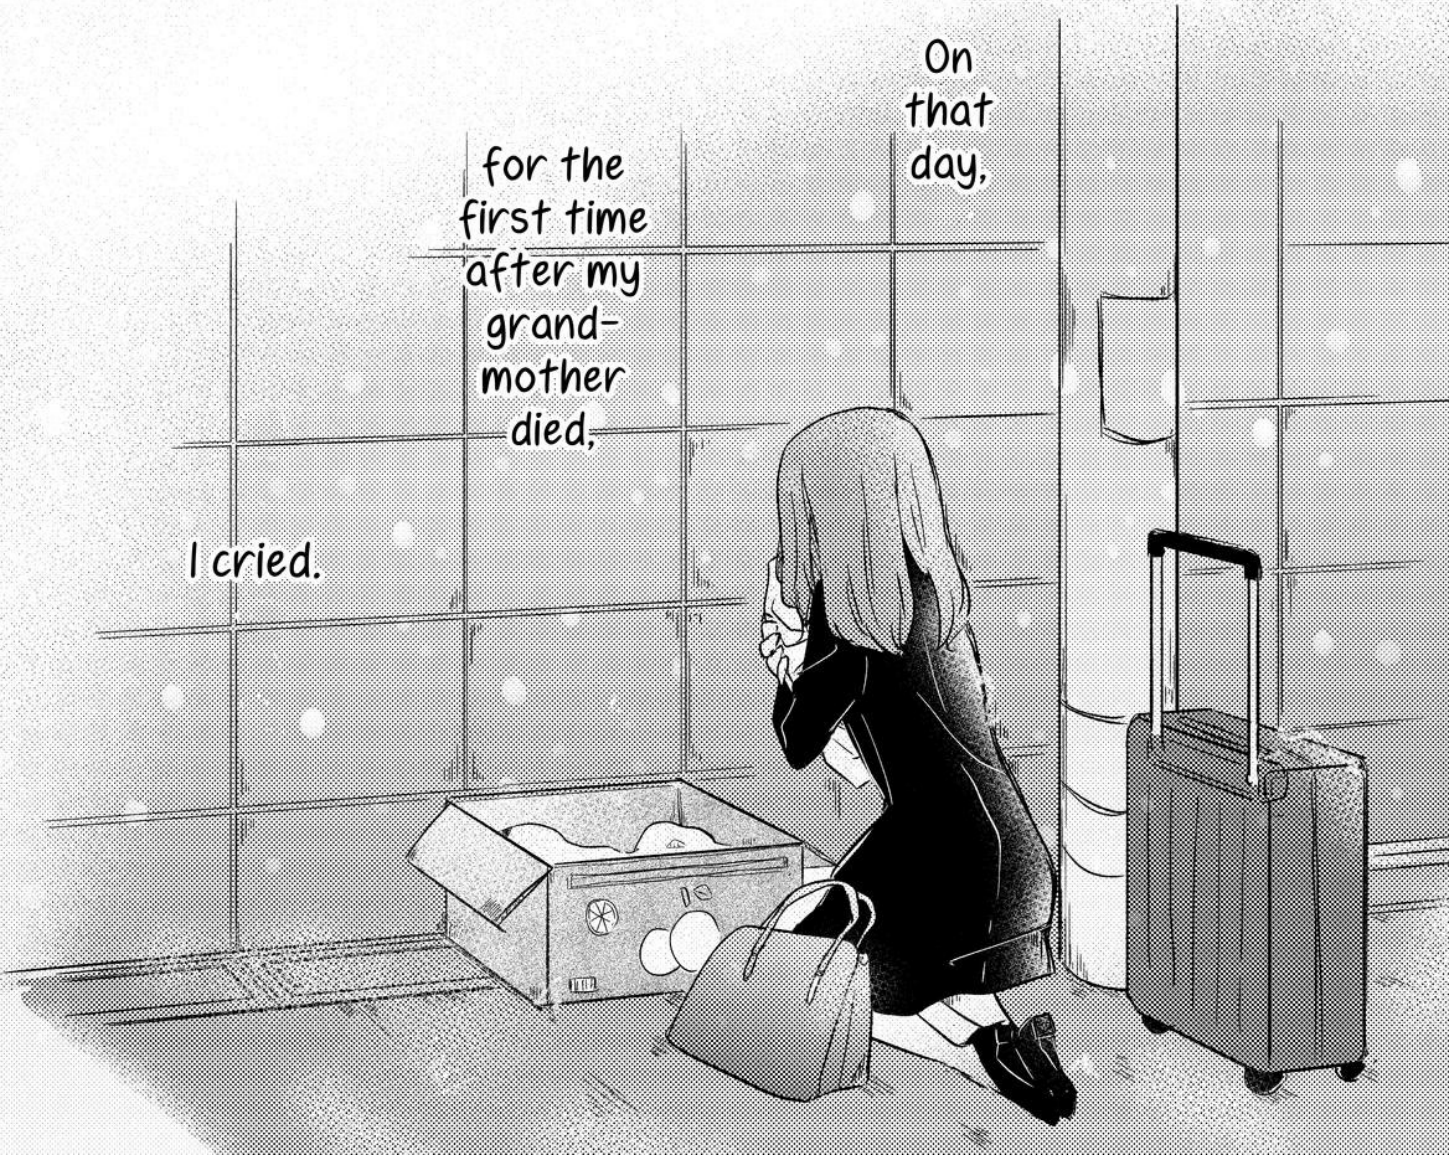

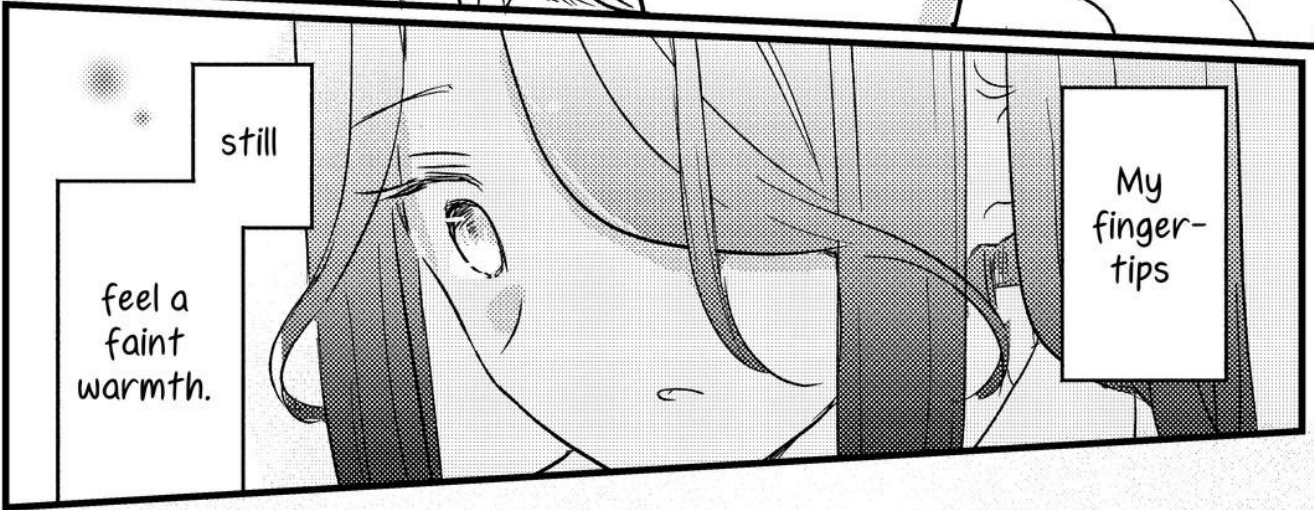

She's still a puppy...

She's gonna die if you throw her out on a cold day like this...

Or rather,

トキン

Special Thanks!
