Red-Eyes!

Central to this system of seniority that permeates the world, is, of course, the world,

must still show respect for those that come before them.

In this world, the length of one's career matters greatly. Even the strongest of newcomers,

You need to respect your seniors, you know?

As a maid of the Hyakkasou, you're still a beginner!

Hazing.

The rules, you say...

Hehe...

As the senior maid of the Hyakkasou, it falls on me to teach you the rules.

My, my. Does the famed Blue-Eyed Rakshasa so brazenly bully the new recruits?

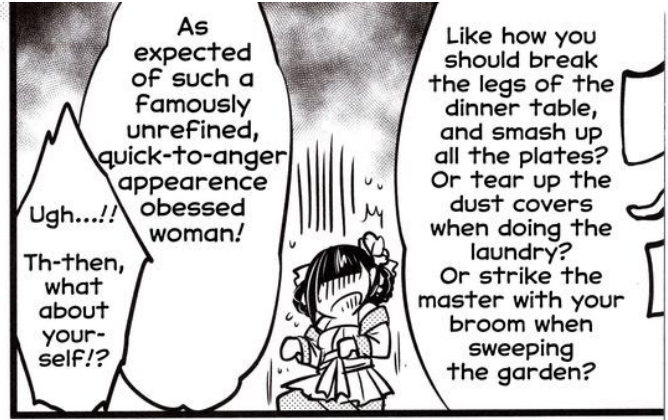

I am the master's slave woman, after all!

I can get this much done before breakfast time!

I'm not some mere maid!

Guuh...!
This perverted masochist...

Ugh...!!

Th-then, what about your-self!?

As expected of such a famously unrefined, quick-to-anger appearance obsessed woman!

Like how you should break the legs of the dinner table, and smash up all the plates? Or tear up the dust covers when doing the laundry? Or strike the master with your broom when sweeping the garden?

Ugh...

What about me?

...

I've been doing my job seriously and properly.

But of course.

Even though you came from the same world as me, you're so good at being a maid...

You can handle all the housework they throw at you, and you act so proper...

I
...
am
...

The master's ... his...

Ohoho-hoho!

Jealousy is a bad look for you!

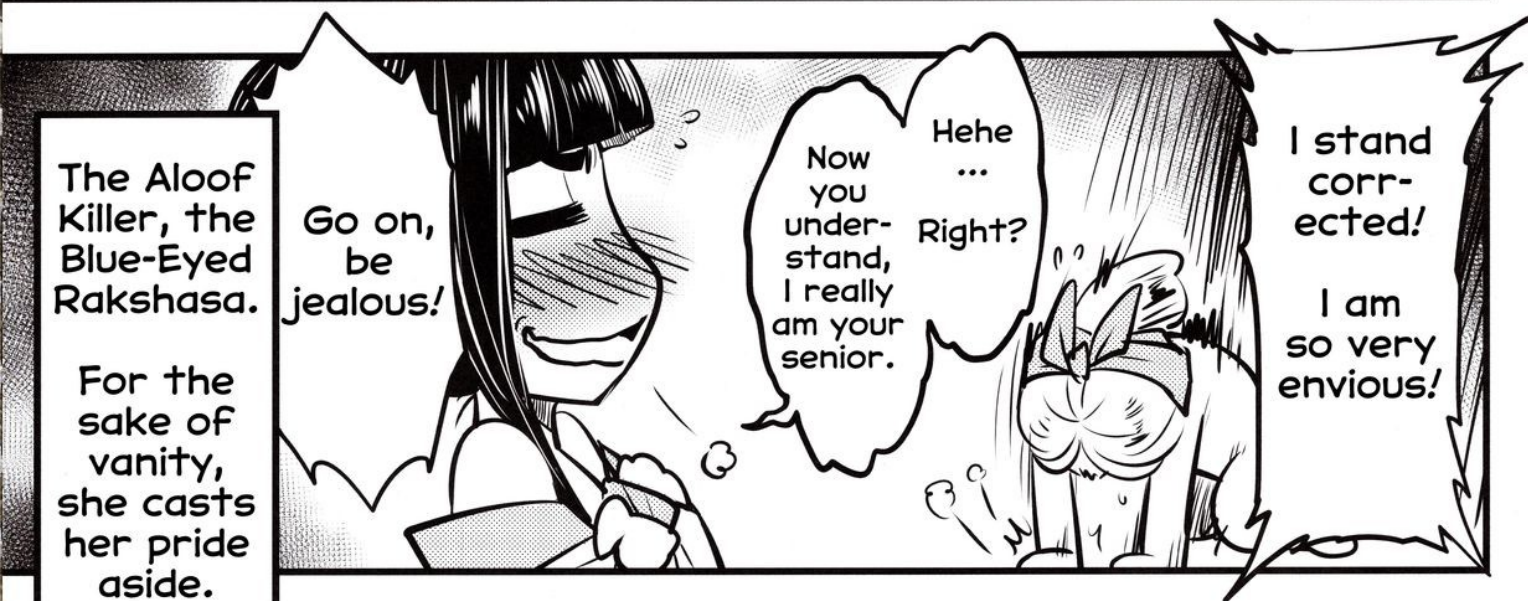

Come now Blue-Eyes! You act so proud, but what work can you even do?

Go on, tell me!

bedroom attendant...

Bed...

The Aloof Killer, the Blue-Eyed Rakshasa.

For the sake of vanity, she casts her pride aside.

Go on, be jealous!

Now you understand, I really am your senior.

Hehe ...
Right?

I stand corrected!

I am so very envious!

What's going on?

Hmmph.
I heard all this commotion.

I have come here to observe and learn from my senior's expert technique as she takes care of the master's god-like vigour.

And at night ...

She always takes away my used chopsticks, and steals my underwear from the laundry. I'm too scared to even imagine what she does with them!

She's always trying to touch me, all day, every day!

My stomach ...? No, who cares about that!?

Eeh!? How cruel!

What, you can't get over the fact that she almost cut your stomach open last time!?

There's no way I can do it with this woman. She's terrifying!

I don't mind that you're being so assertive, but...

I have the mistress' permission! What's wrong with a threesome!?

Shut it!

Are you feeling alright?

Pu
hi

hi
hi
hi
hi
hi
!?

My lord,
please allow
this lowly and
obscene
servant
to receive
your royal
fluids!

Meat Toilet

Mm...
Toilet,
toilet...

I left
it right
there...

Huh?
Where
did my
bedpan
go?

Hehe!
☆

Give me
back my
bedpan!

I was
assigned
to toilet
duties,
after
all!

Wow...
She
really
did it...

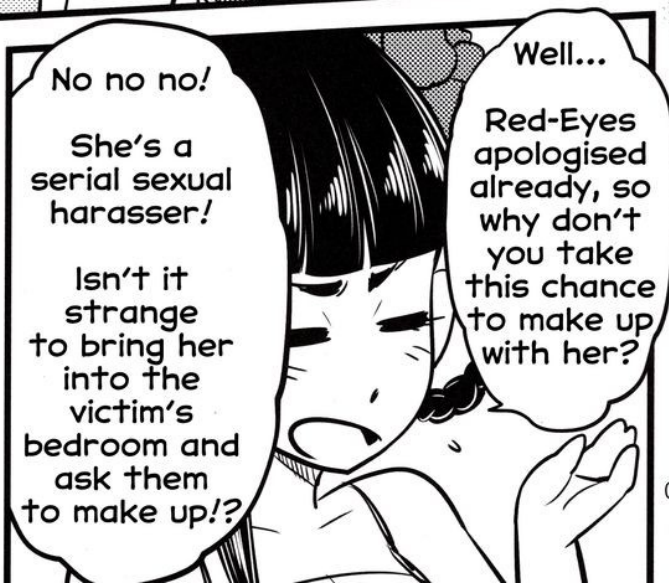

This is
sexual
discrimi-
nation!

Quite
whining!

Two
assertive
women have
come here
to devote
their bodies
to you!

If you
don't do
it, you're
not a
man!

No no no!

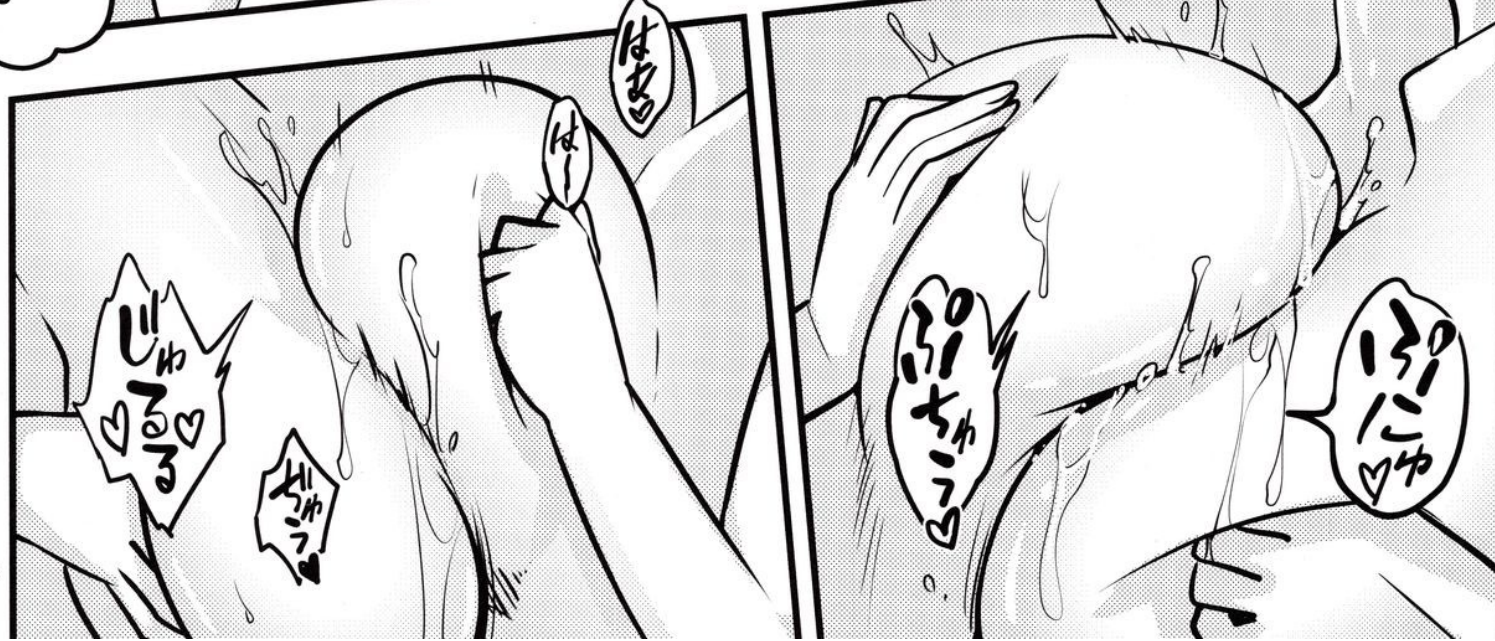

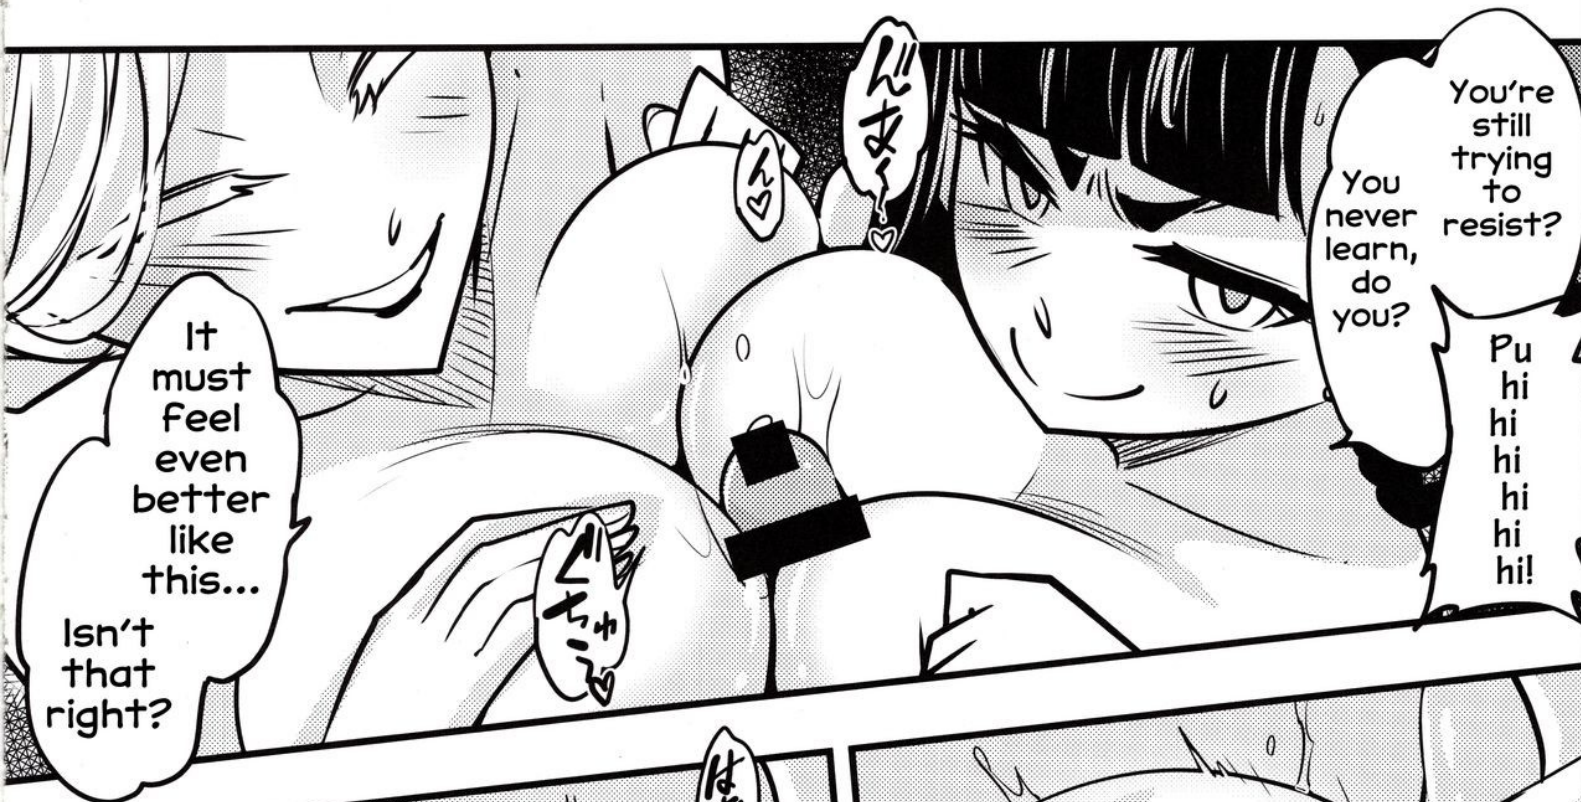

She's a
serial sexual
harasser!

Isn't it
strange
to bring her
into the
victim's
bedroom and
ask them
to make up!?

Well...

Red-Eyes
apologised
already, so
why don't
you take
this chance
to make up
with her?

06

Coordinated
Ass-
ault!!

How
about
this?

The
Rakshasa
and
Yaksha's
...

I-I'm...
going
to...

This
filthy
pig's
burning
hot
semen!

Nnaaaah!

It's decided!?

Ha...
Haa...
With
this...

Going
so far
as to
rape me,
just because
you were
thinking
"I want
to win"!

Now
I'm mad!
Botan-chan,
don't get
carried
away
like that!

...!?

Red-Eyes!

Let's do
one more
joint
attack
and...

Hmm...
Seems
he's not
so easy
to
defeat..

Huuuh!?

This damn masochist ...!

That's all it took to do her in!?

Great ...
Boar Emperor ...

After all, Botan-chan...

Setting aside your pride and choosing a method that doesn't suit you ...

アハハハハ

Led astray by that sow's taunting ...

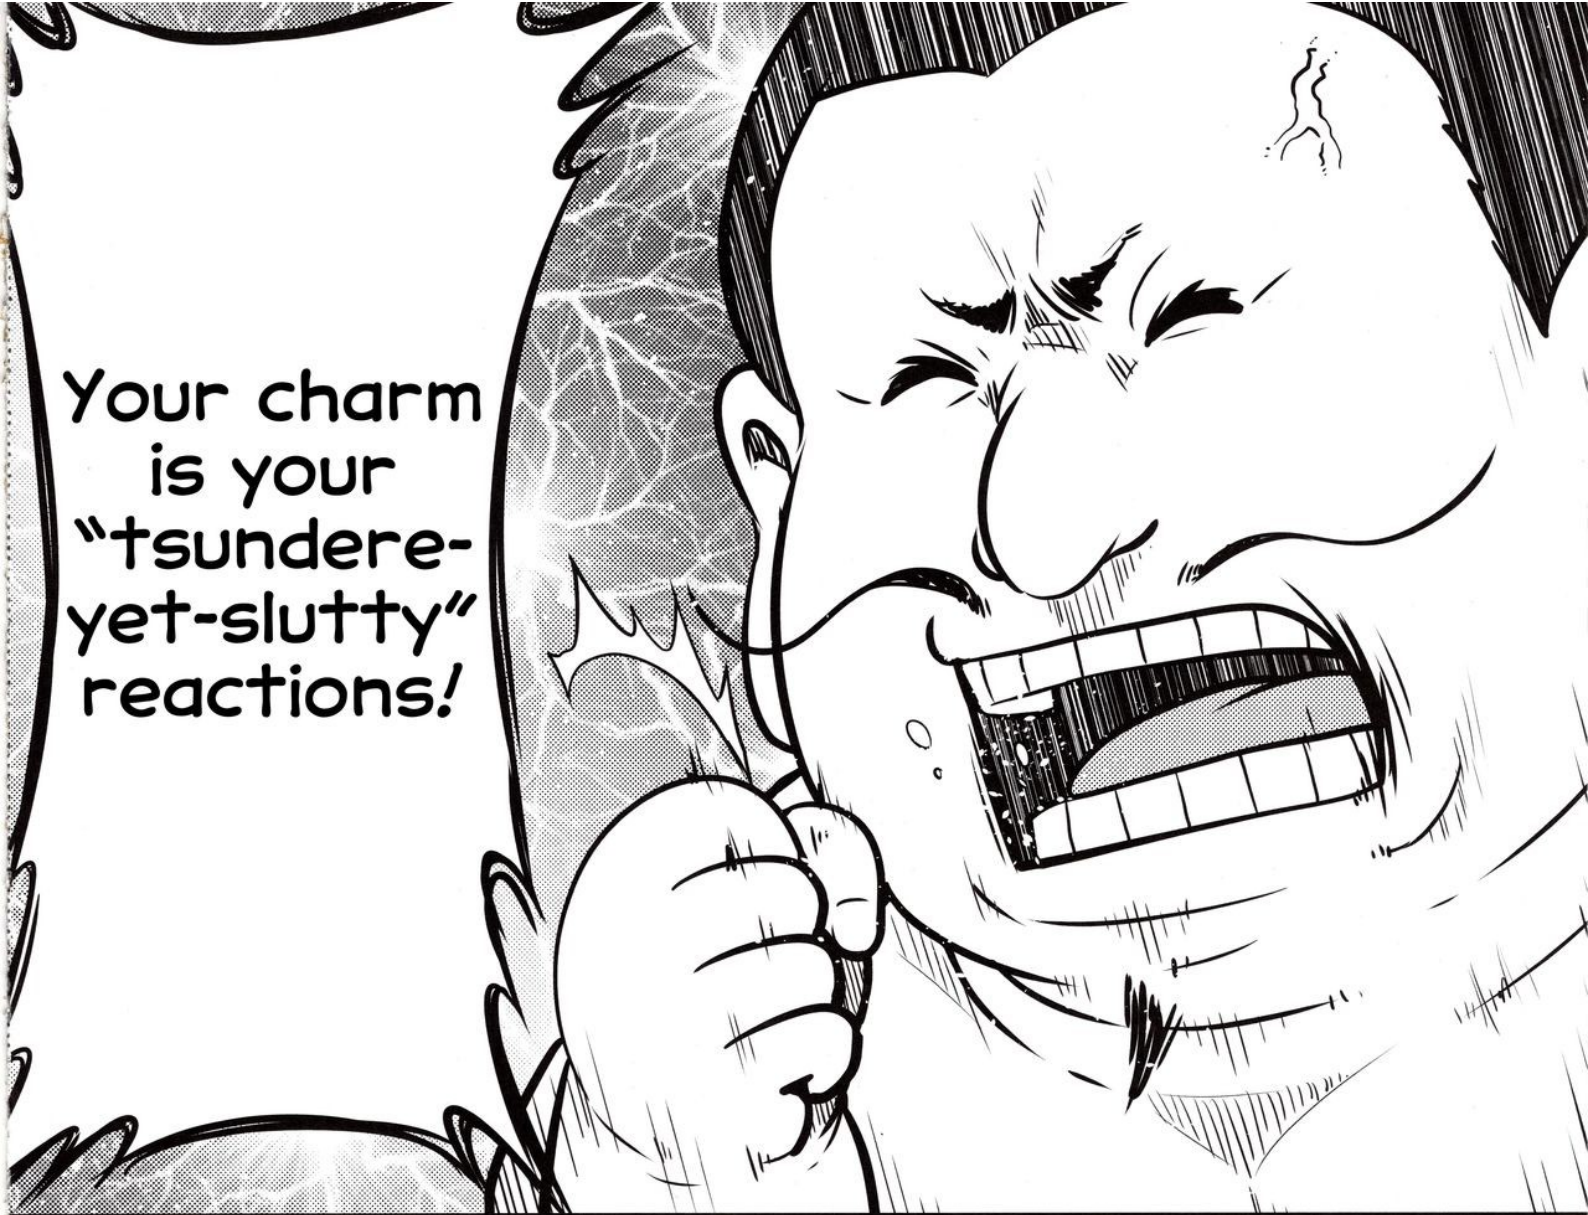

In the first place, the bedroom's no place for winning and losing.

"If I can't beat him alone, maybe the two of us can together?"
What's with you?
That kind of thinking's for the weak and pathetic.

Your charm
is your
“tsundere-
yet-slutty”
reactions!

She
cried.

After coming to her senses, she entered a state of self-loathing.

Uwaaaaah!!

ゴロ

ゴロ

But... that thing was so ...

Why did I do something so shameless ...

You raped me just to make me do this, didn't you! You knew my patience would break eventually!

How's this, sow? This is what you wanted, isn't it?

Hiiii-fuiii-iii!!!

Nnhii-iiii-iiii!!!

This
perverted
woman!

Nnnh...

Nffuuuuuu!

At
this
rate,
you
really
will
become
my
toilet!

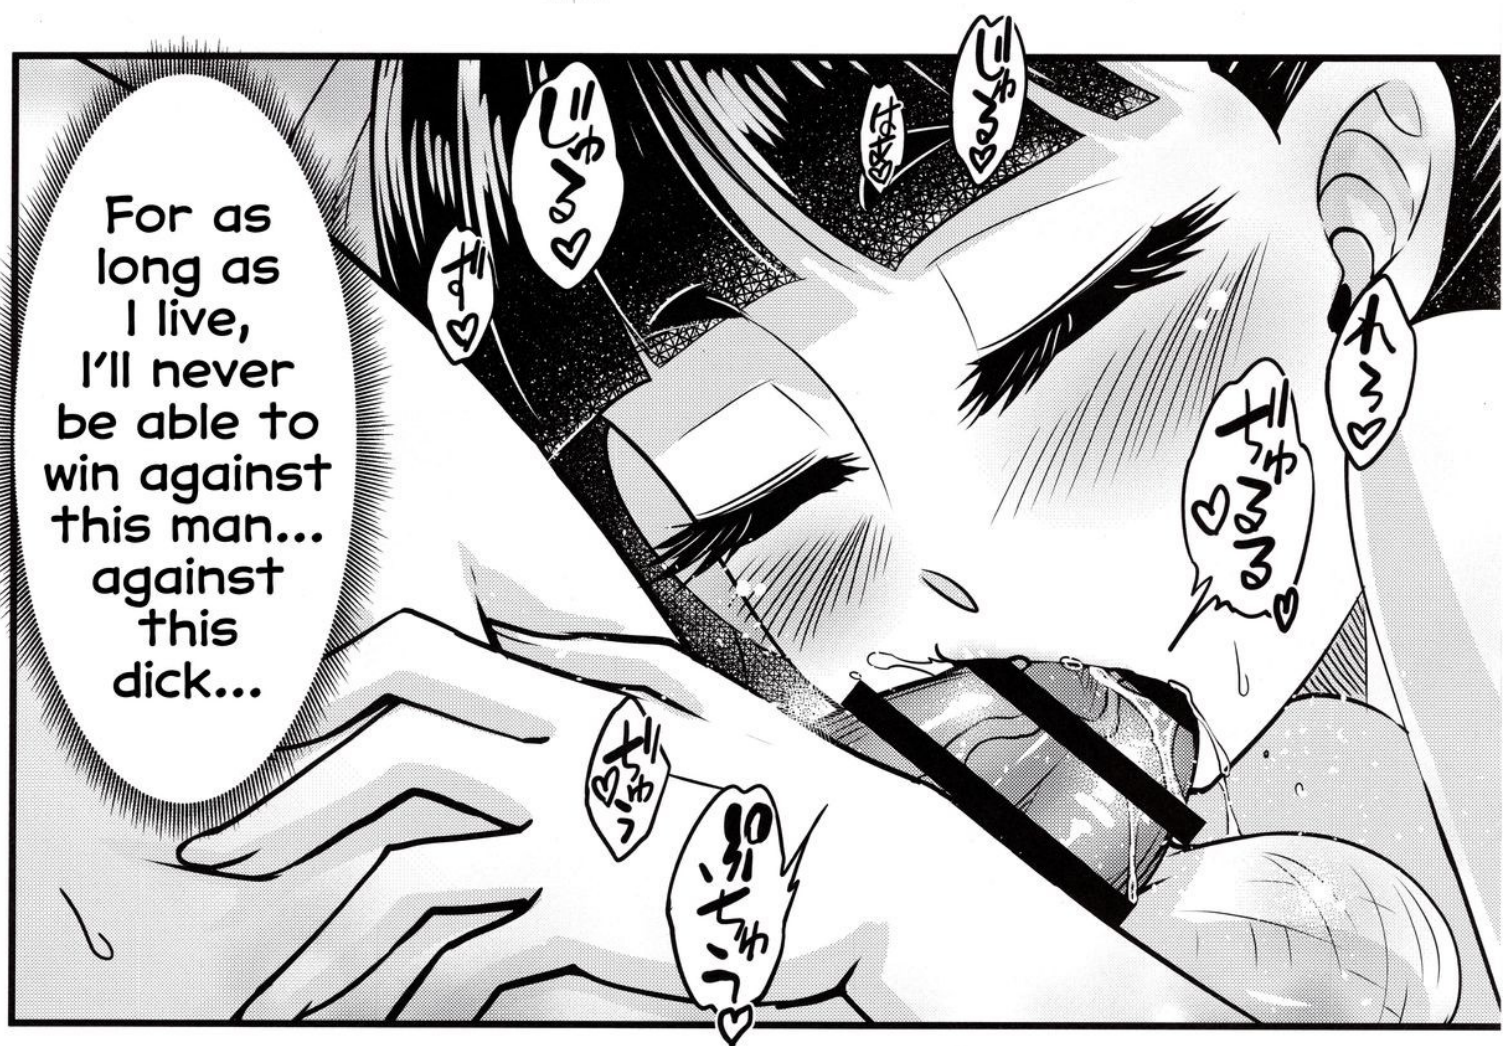

Is that
what you
want!?

He's
never
done it
like that
with me
before...

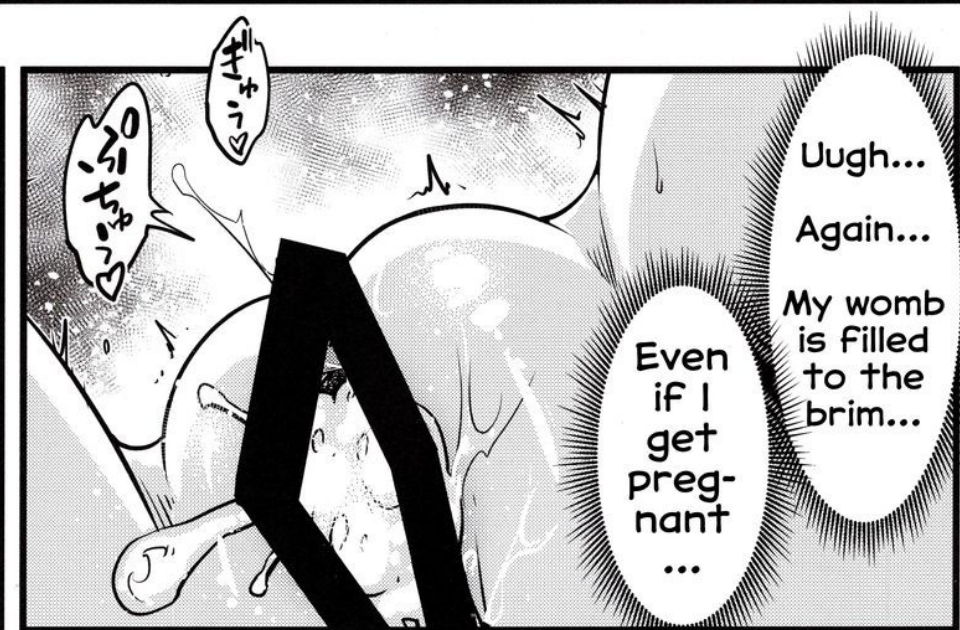

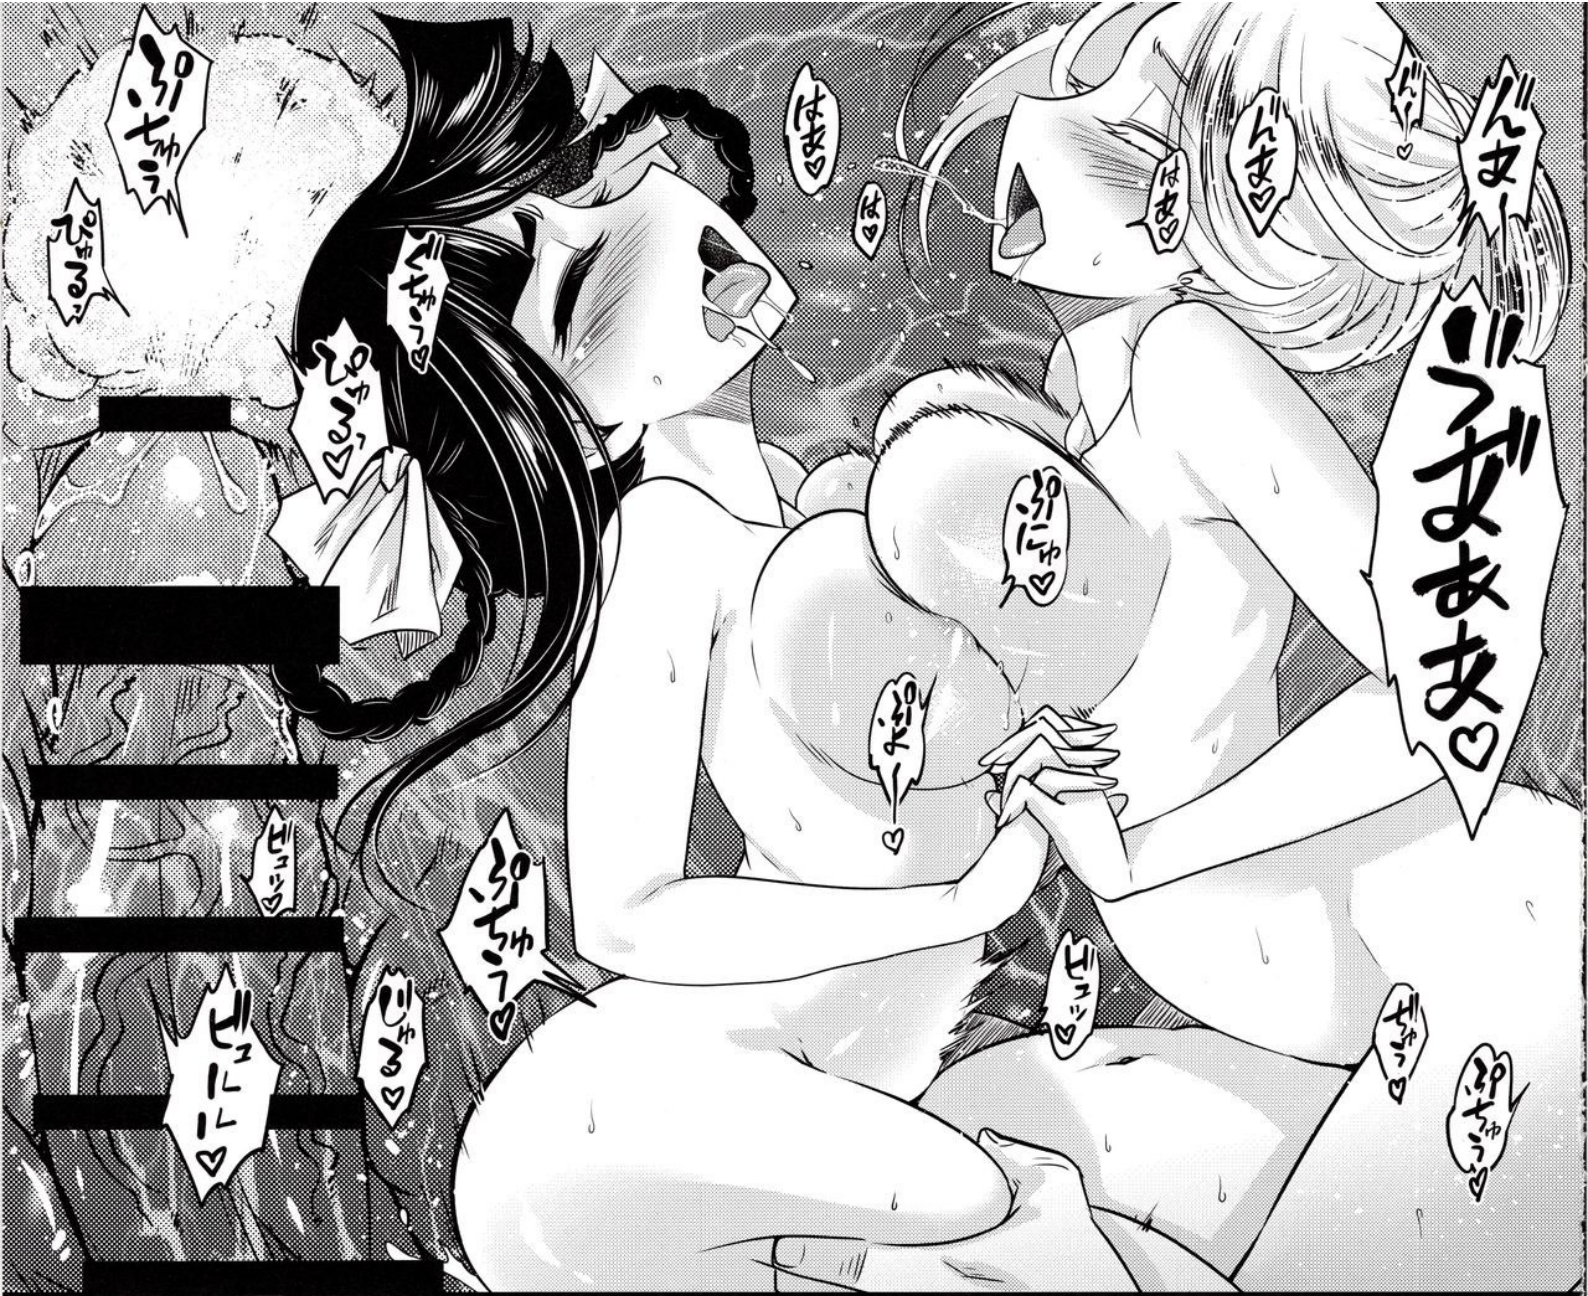

Does
it make
you happy
when I
slap
your
ass!?

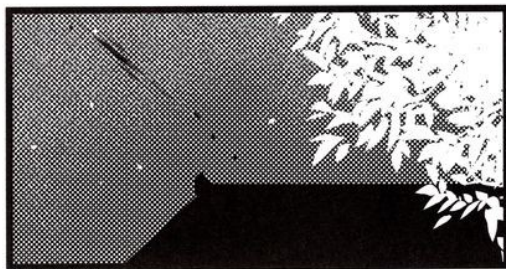

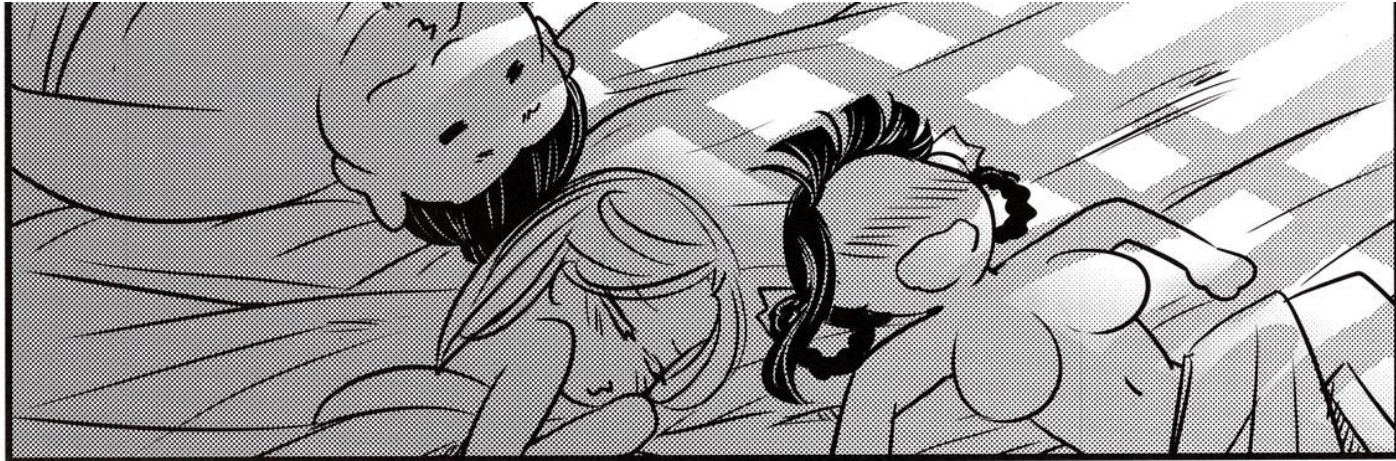

Could
it really
feel
that
good
...?

Red
-Eyes
has
reached
a new
level of
obscenity!

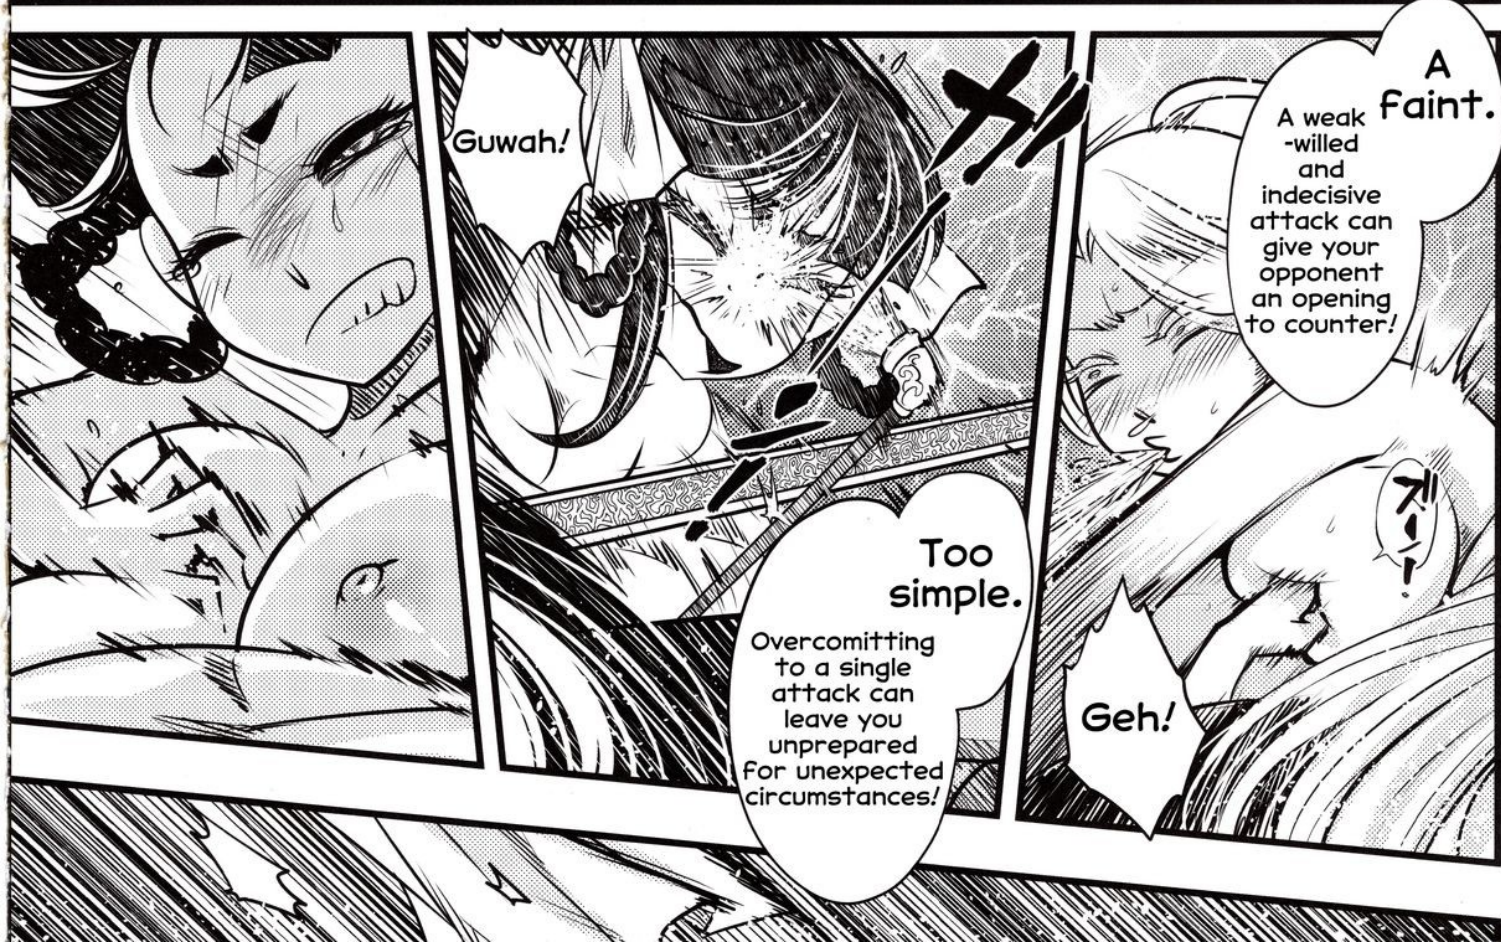

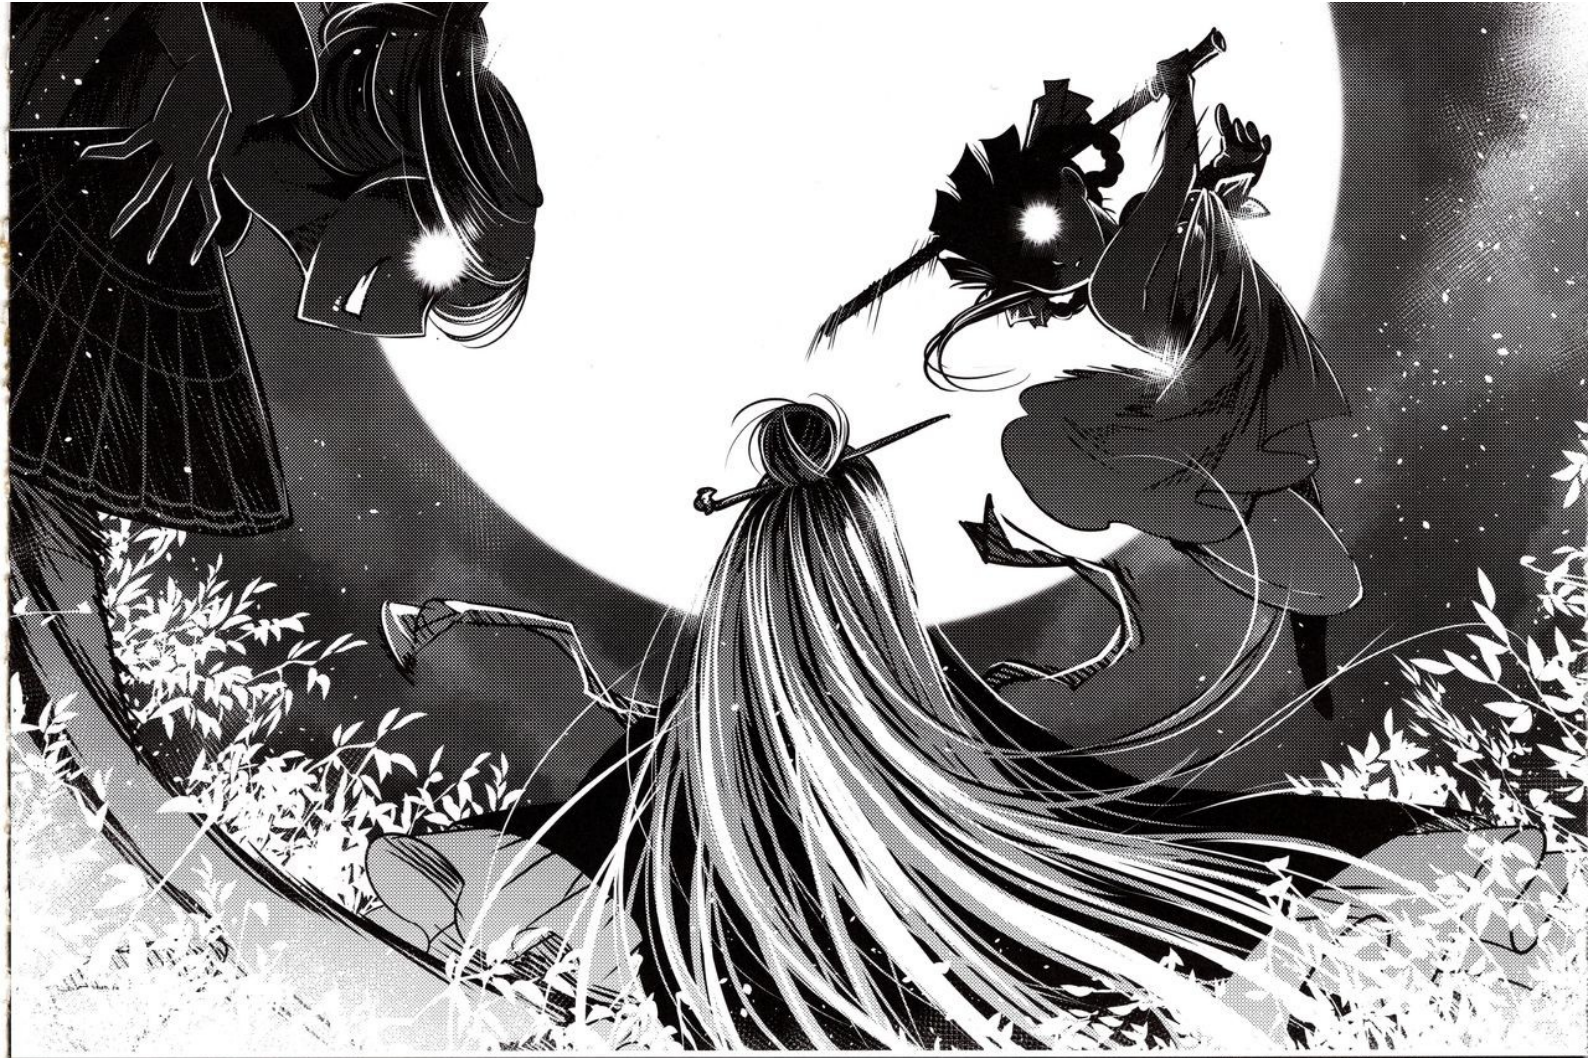

This must be the place...

The lair of the rumoured Demon from Hell.

The Hyakkasou.

To think
that rumours
of your terrifying
power and villainy
have spread across
the world, to the
point that they've
started calling you
demons...

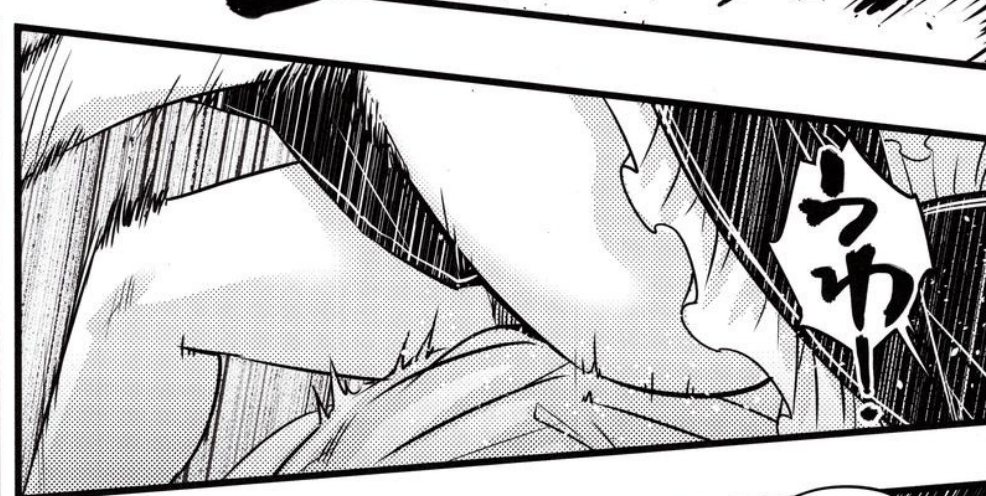

It can't
be...

That
person...

Over-
confi-
dence
leads to
reckless-
ness.

Over-
thinking
leads to
hesita-
tion.

Really...

If it was
just your
fighting ability
that had
atrophied,
that would be
one thing...

But it seems
your minds
have rotted
too!

Hiiiiiii!!!
That
hurts
that
hurts
that
hurts!!!

The only
thing about
you that's
grown is
your tits!

Uwah
...!

次回！精風淫雨！！

Next
time,
a
bubbling
power
emerges!

力のバブル化が起こった！

Q:
If even
the
Rakhasa
and the
Yaksha
working
together
can't
bring
down
the Boar
Emperor,
what can
be done?

A:
Call on
someone
even
stronger
than
those
two!
