Kh

Did you really think you could defeat me?

...THE MATCH IS OVER!!

Heh... Filthy half-blood.

Long ago, the Legendary Sorcerer Souther said...

THE WINNER OF THIS YEAR'S GRAND MAGIC TOURNAMENT IS...

UNBELIEVABLY, THE FIRST-YEAR FRESHMAN, ELIOTT~~~!!

Naturally.

"Chastity and Pure Blood"

Those were the only conditions required to become a Great Sorcerer.

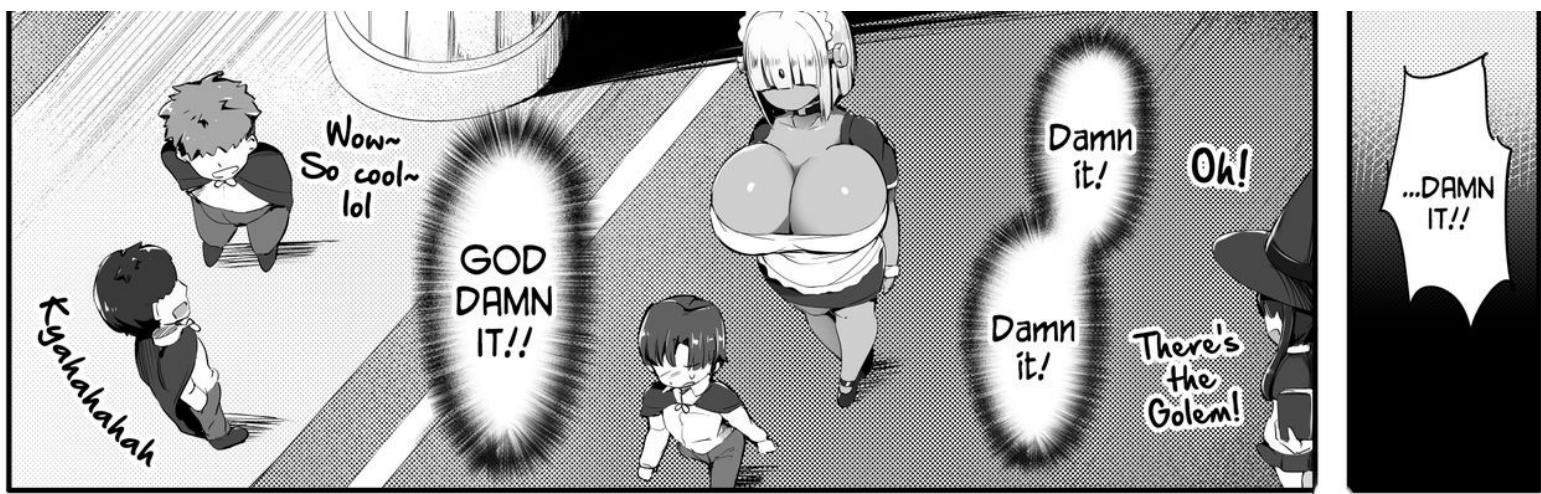

For his prize, the winner will be granted the right to a "Summon".

Elliott, please come forward.

That night...

!

GANYA

...What, you're still cleaning?

Tch...

You really can't do anything without being told, huh?

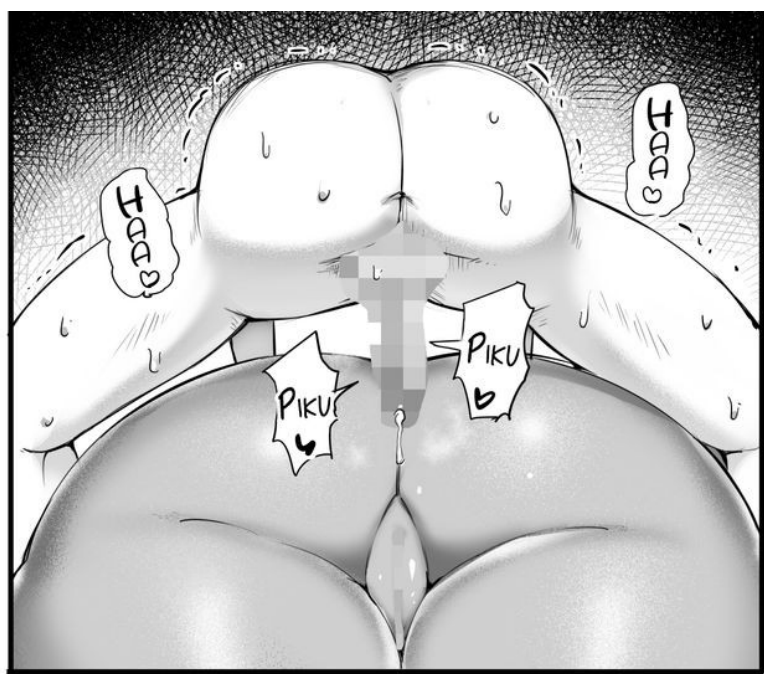

Still, her body's way too erotic...

become very
addictive...
♥

...He had
never felt
anything like
this before.
A form of
pleasure so
great that
he lost
consciousness.

Yes
Ma'am!

Everyone,
please
pay close
attention
to Elliott's
example!

Today,
our top
student,
Elliott,
will be
giving
us a
demon-
stration!

~Practical
Magic
Class~

At this
time, he
only felt
a slight
unease.

But...

Huh?
Wasn't
that a
little
weaker
than
usual...?

Must
be my
imagination...

Ooooh~
As
expected
of Elliott!

The
Tournament
Champion's
not to be
taken
lightly,
huh...

So
Cool

...Like this?

Her boobs are so amazing ~!!

This... This is it!

BIOOIOIOIO

So, let's milk these balls until they're completely empty~♥

I'm going to drain both your stupid semen and your Magic Power.

Does having your Magic Power sucked out feel good?

Your wee-wee's worth less than a piece of trash♥

My strength... Is leaving me...♥

PLEASE FORGIVE ME

Just had to use her p*ssy to take away all my Magic Power~~~!!!

Shoot out all your stupid semen for me~♥

Pew♥
Pew♥

Come on~♥

This is... A joke, right!?

She's stealing it... She's sucking it all out....!!

This stupid Scrap-Golem, whose only redeeming trait is her body...

Now, the Master-Slave relationship has been reversed.

PEW~~~♥

He was always looking down on everyone, so maybe that will teach him a lesson.

Hahaha...

Hasn't he been slacking off ever since he summoned "that thing"?

That's right, I haven't seen him around at all recently...

Seems like Elliott's been missing a few lectures lately.

...Did you hear?

~Baby Contract~

In exchange for this pleasure, his body will become more and more sensitive, until he's in a constant state of arousal.

This contract allows the "Baby" to cum from the tiniest amount of stimulation, so long as it's given by his "Mommy".

Raah~~ Mommy... ♡

Let me go ♡
I'm gonna leak again... ♡♡

Such a hopeless boy ♡

Oh my, again?

BIKU

BIKU

AUUUUU

I'm gonna melt....!

I'm gonna become useless~~~
♥♥♥♥♥

Inside her boobs...

My whole body's gonna melt away...

AAAAAAAAAAH

AAAAAAAAAH

**Even
when
she
cleans...**

**Before
long, he'll
be unable
to live
without his
Golem-
Mommy...**

He becomes weaker and weaker, as his whole body turns into an erogenous zone.

As he continues to lose to her soft butt and breasts...

**He leaks,
stuck
in his
Mommy's
breasts...**

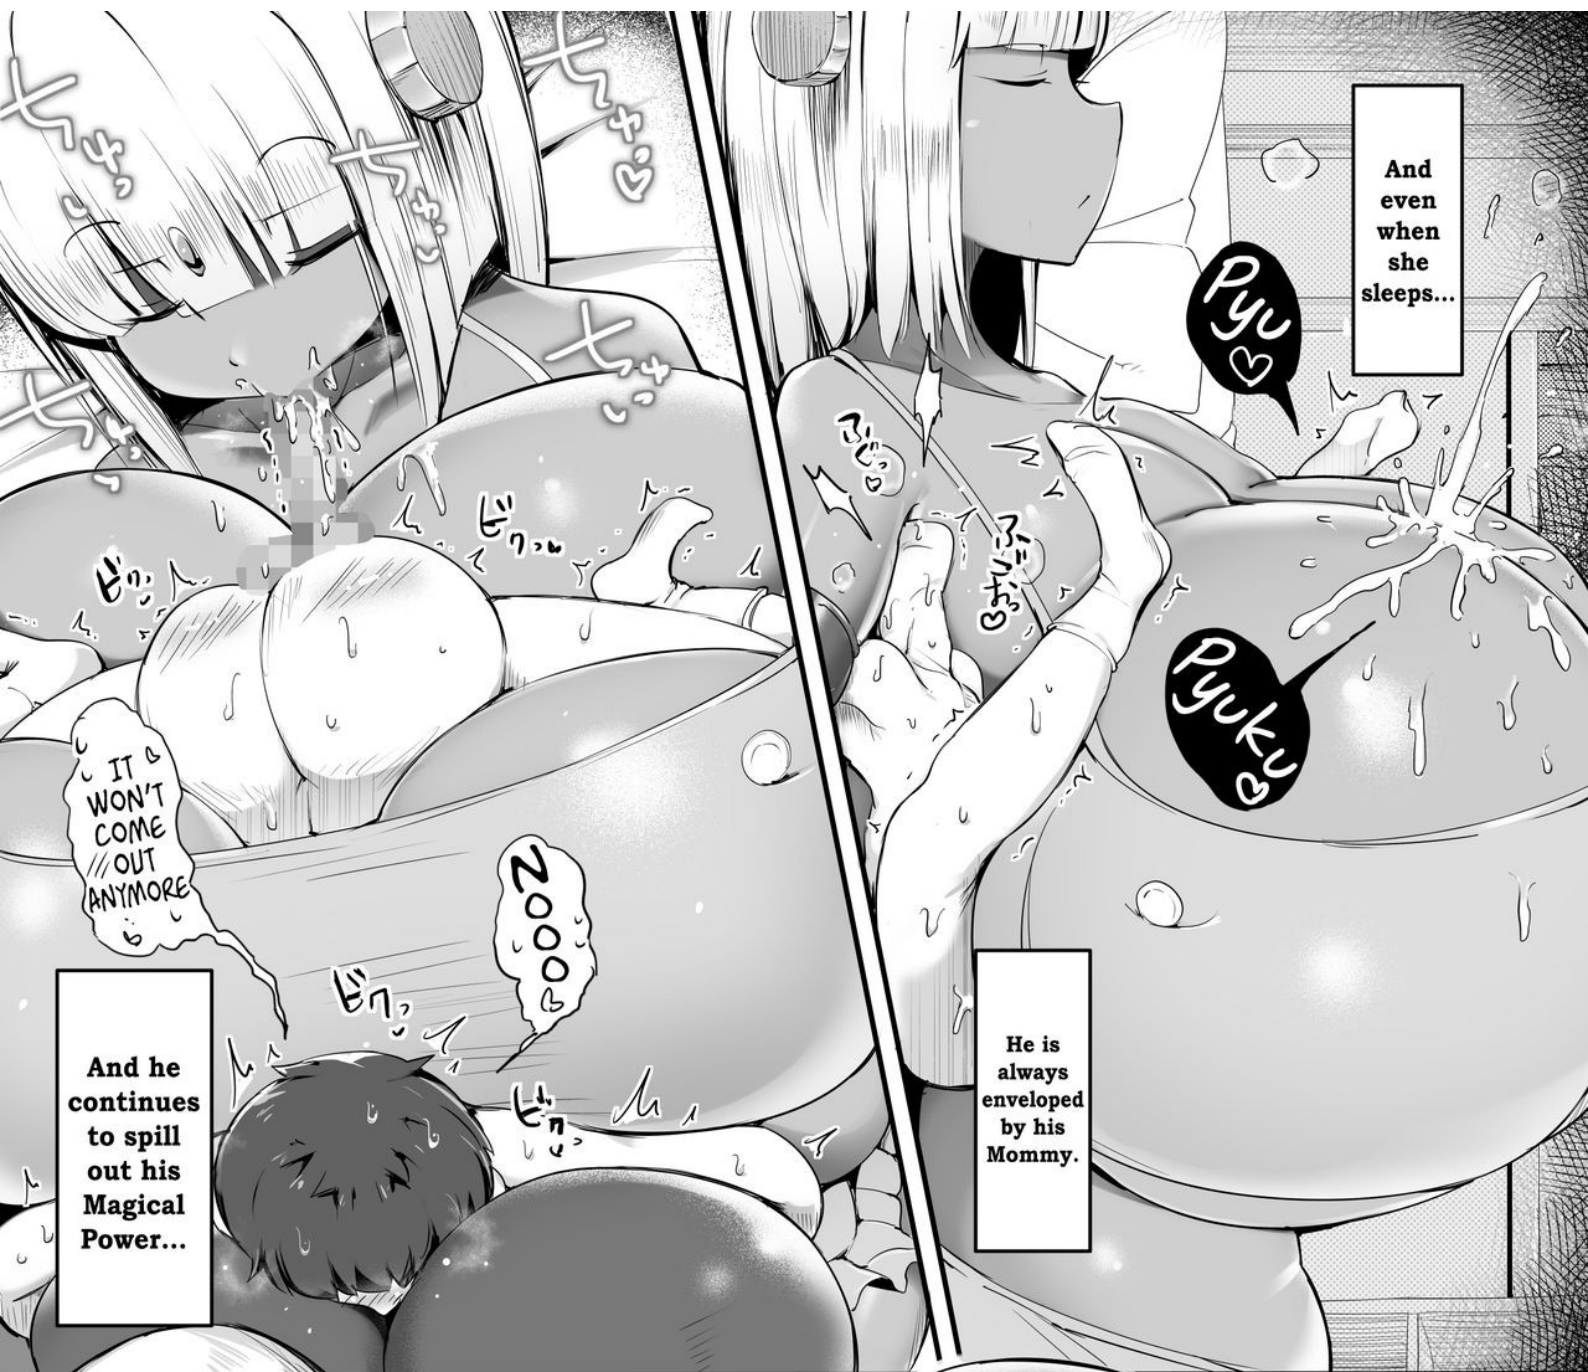

GIH
♡

AH
♡

DON'T
SQUEEZE
ME

And even when she sleeps...

Pyu

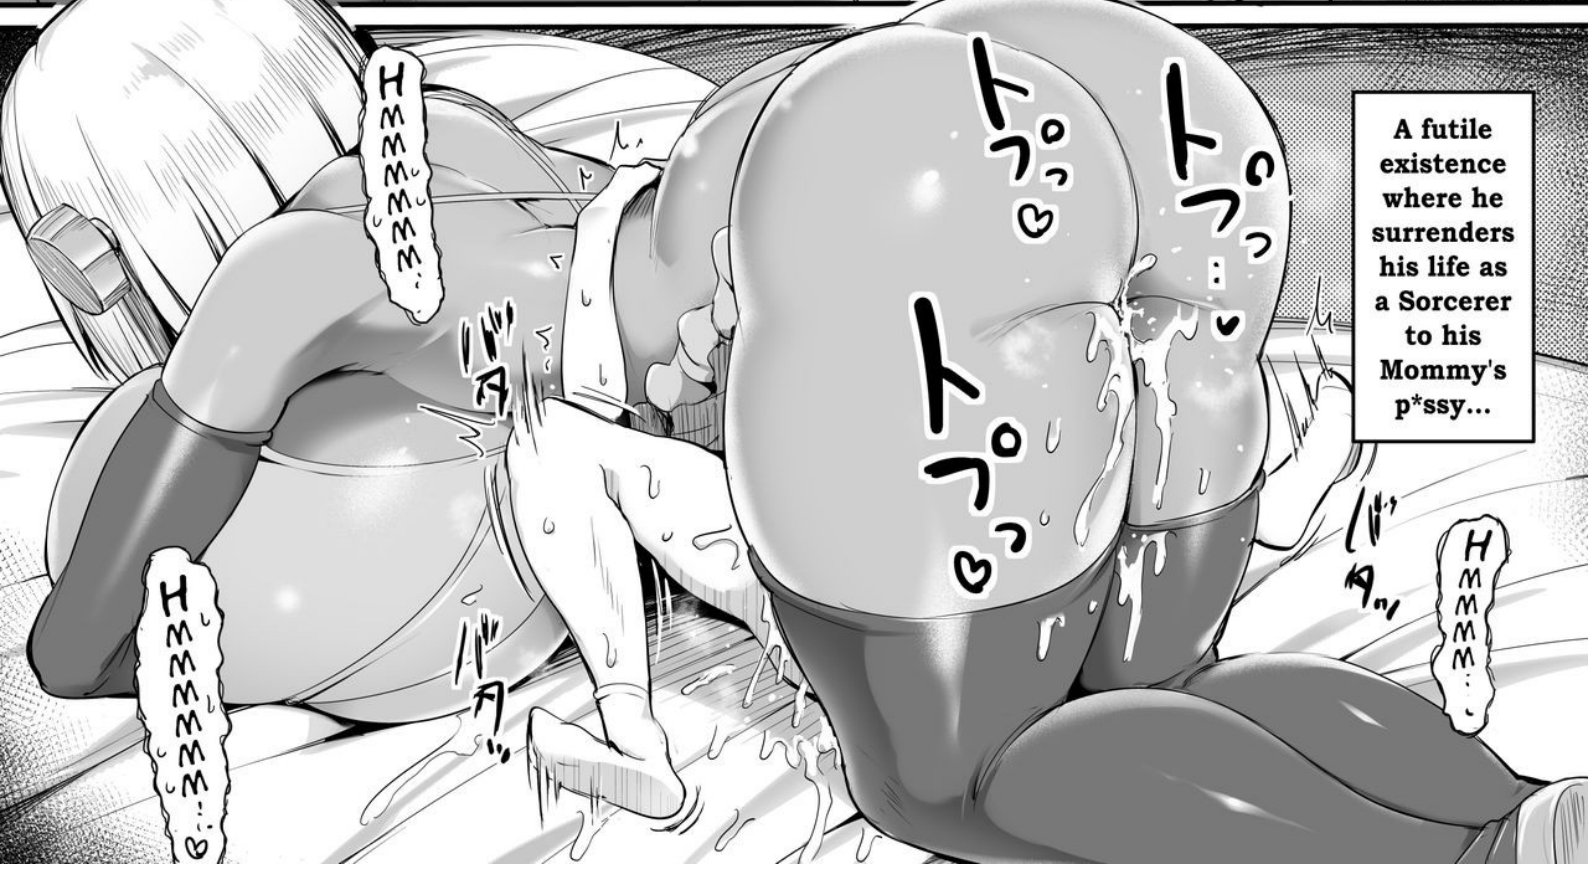

Pyuku

IT WON'T COME OUT ANYMORE

2000

And he continues to spill out his Magical Power...

He is always enveloped by his Mommy.

A futile existence where he surrenders his life as a Sorcerer to his Mommy's p*ssy...

Hehehehe...
Enjoying
yourself
there?

"Mommy"
and I are
gonna make
far better
use of all
that excess
Magic Power
of yours.

So just
relax, and
spit it all
out for us,
okay? ♡

See,
it feels
good,
right?

AHH...

AHH...

...Now
that
annoying
bloodline
has been
dealt
with.

Well
