Mine is also hard.

I see it.

So?

But then... does that mean that you like men? You're married aren't you?

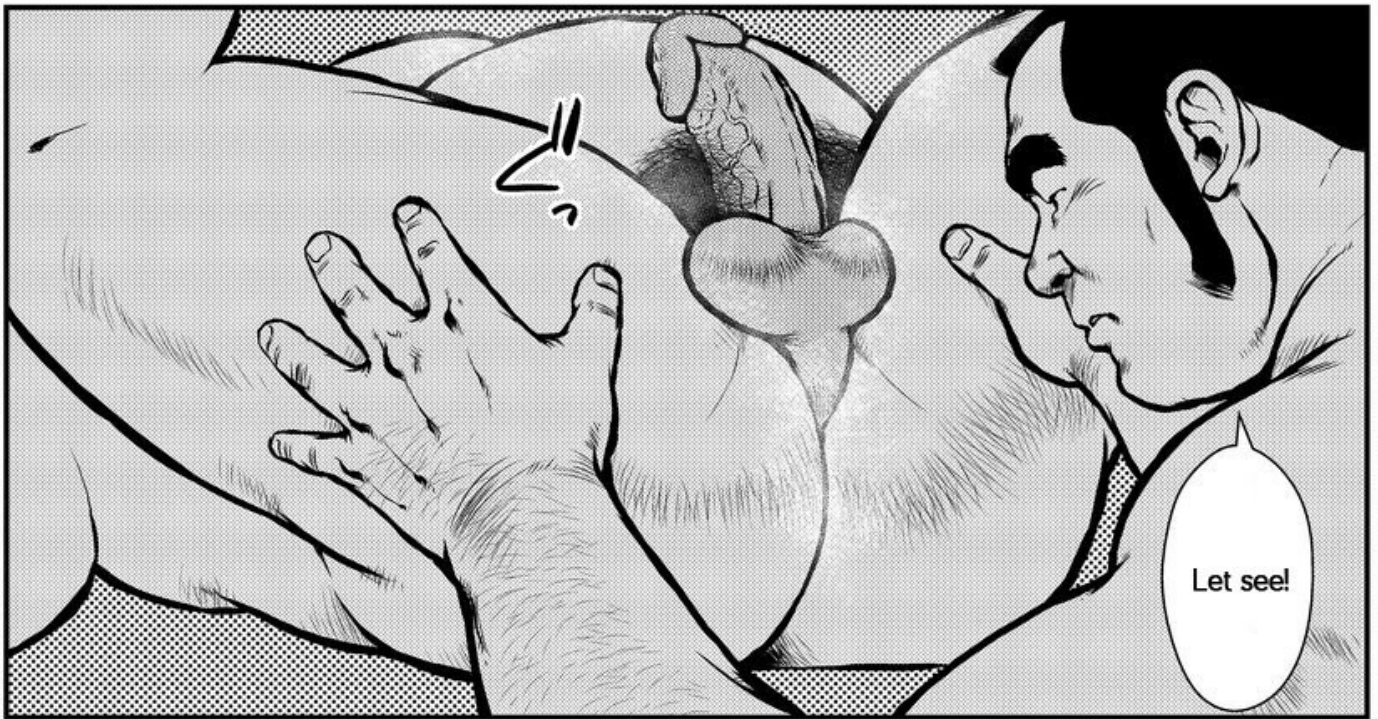

A tradition?

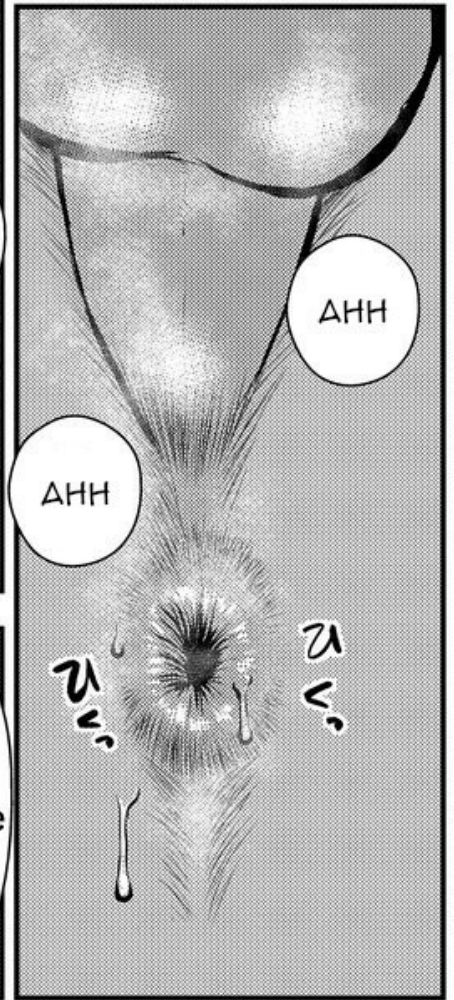

It's a tradition in the Association.

Well, who knows.

Ghhh...  
it's strange  
how it feels...

AHH

AHH

What do  
you mean?

You'll  
see.

It's gonna  
get really  
good.

You will  
no longer  
be able to  
live without it.

And you're  
gonna want  
to make up  
for all the things  
you didn't know  
until now.

3-1  
ん

I felt it coming in.

GHH

ama-  
zing!

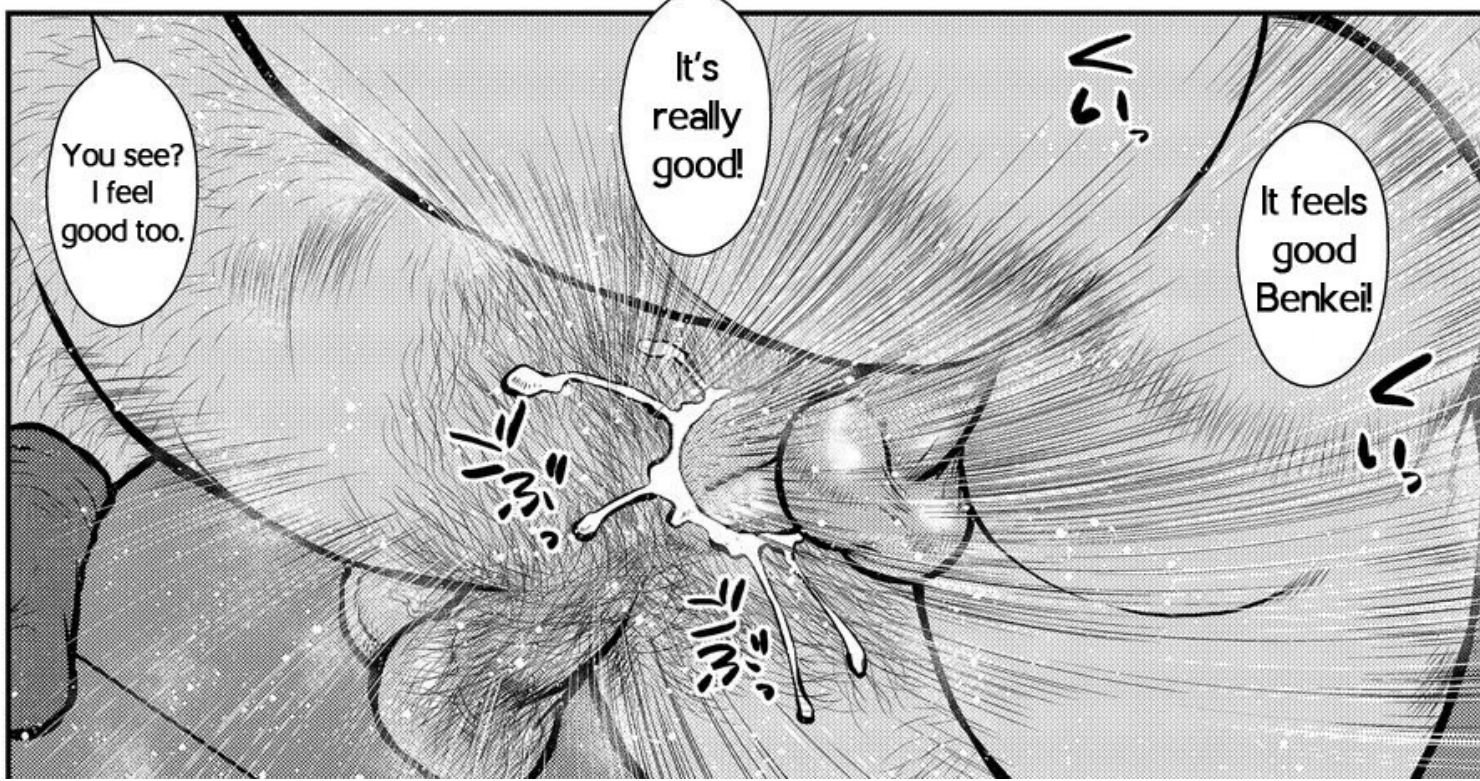

My dick  
is all in!

How it is  
possible?

It's like it  
wants to  
swallow it!

Wow!  
It tightens  
around me!

You see?  
I feel  
good too.

It's  
really  
good!

It feels  
good  
Benkei!

I came fast when it was my first time too.

Next time, we will...

It's just that you and I have a good connection

You know you will be the next President, Musashi.

No, that's not the point.

You were hiding your game, Benkei!

Wow! It's so good!

I don't think that's really possible.

Well, he doesn't like me anyway.

What about Daisaku?

But...

I don't know ...

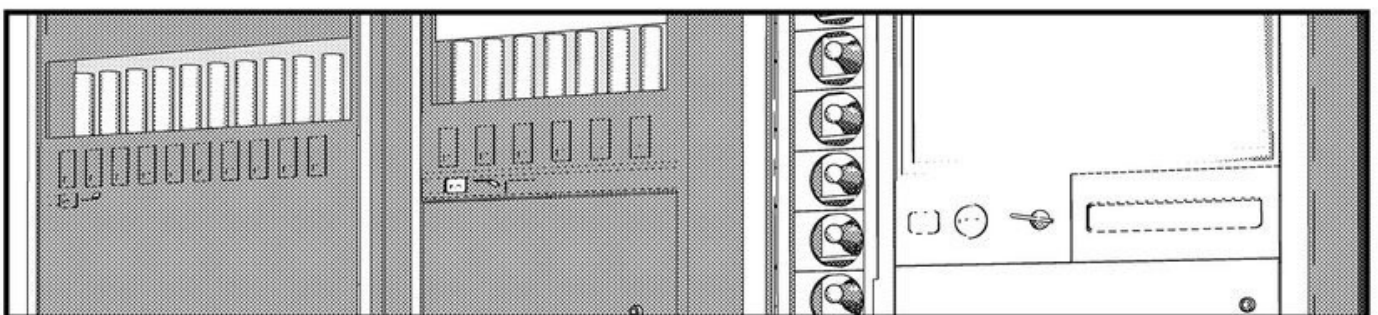

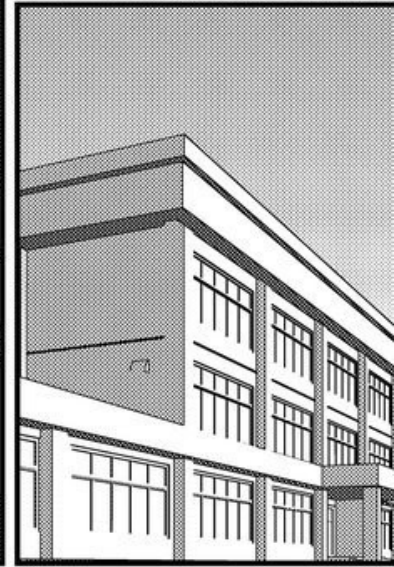

You know ...

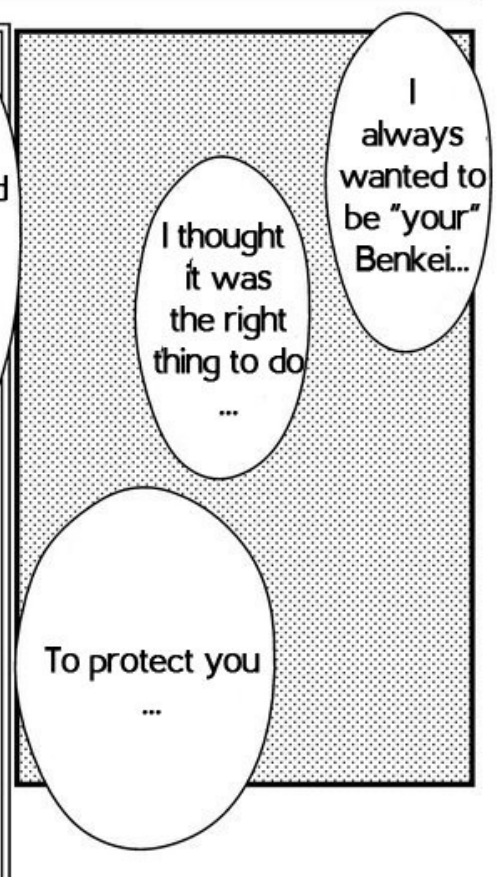

And what makes you say that?

Really?

No, I think you're wrong. On the contrary, Daisaku likes you very much.

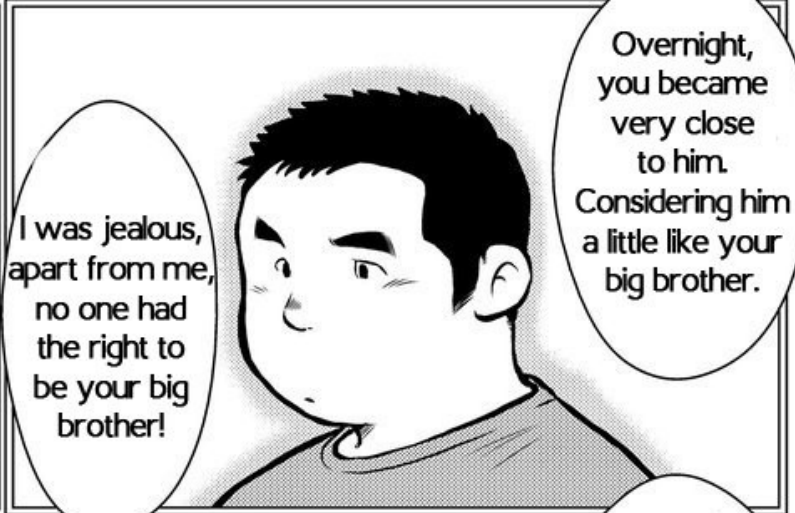

What?

I was jealous, apart from me, no one had the right to be your big brother!

Overnight, you became very close to him. Considering him a little like your big brother.

I should give him my place as an older brother

GHH

I thought if I couldn't beat him ...

Stop it! You're way too tall now!

I'm sorry!

And stop crying!

Daisaku ...

You don't really hate Benkei!

I was right!

Fuck! How can you love a man who can do such a thing?!

You're wrong. I'm not in love with Benkei... well, I think...

クソベンケー

That's enough !!!

A message?

~~~~~

I'm gonna crush him!

PFF!

Perfect!

クソベンケー

It's him.

Is he challenging me!?
