Afterword

Hello, nice to meet you. I'm Takeda Aranbou.

Though it's not strictly my first time, this is nearly my first time doing an original porn comic. How did I do? I thought "It'd be great if this kind of girl really existed!" and that led to the creation of this book.

If the reaction is positive, I'd like to make a continuation.
I've got a couple ideas of what to do with Saki Asai.

- The Lewd Public Morals Committee Girl's Secret Training Request
- The Obscene Perversions of the Public Morals Committee Girl That She Won't Tell Her Parents.

These are some ideas I have regarding an erotic shift.

Maybe I'll have a sort of Obscenity Committee with the girls from her class.
The library committee, the gym committee, the girls who work in the infirmary...
I might make a series out lewd things being done with girls from
all sorts of school organizations.

I've been itching to draw an NTR story since the last winter Comiket.
As soon as this manuscript's done, I'll get right to it!

It took a lot of time this time, so I had no choice but to beg for help.
If it wasn't for Inori, this would never have been finished! Thank you so much!
It's already the day before the deadline and I still haven't inked this! Here I go!
See you.

Special Thanks
