They raised me to be a "good girl" for all my life.

Actually ...

My family is pretty strict...

I...

...think I might be.

So I wanted to try being a "bad girl" for once.

...Kind of.

But once I got into university, I started having a hard time relating to other people.

Being a "good girl" only isolated me. It felt unfair.

Don't worry.

I was also just lonely since I didn't have any friends.

Well...

So you came here? You're pretty brave.

Having your heart and body become one with someone else is a wonderful thing.

This isn't a bad thing.

And this isn't a scary thing either.

.....
!

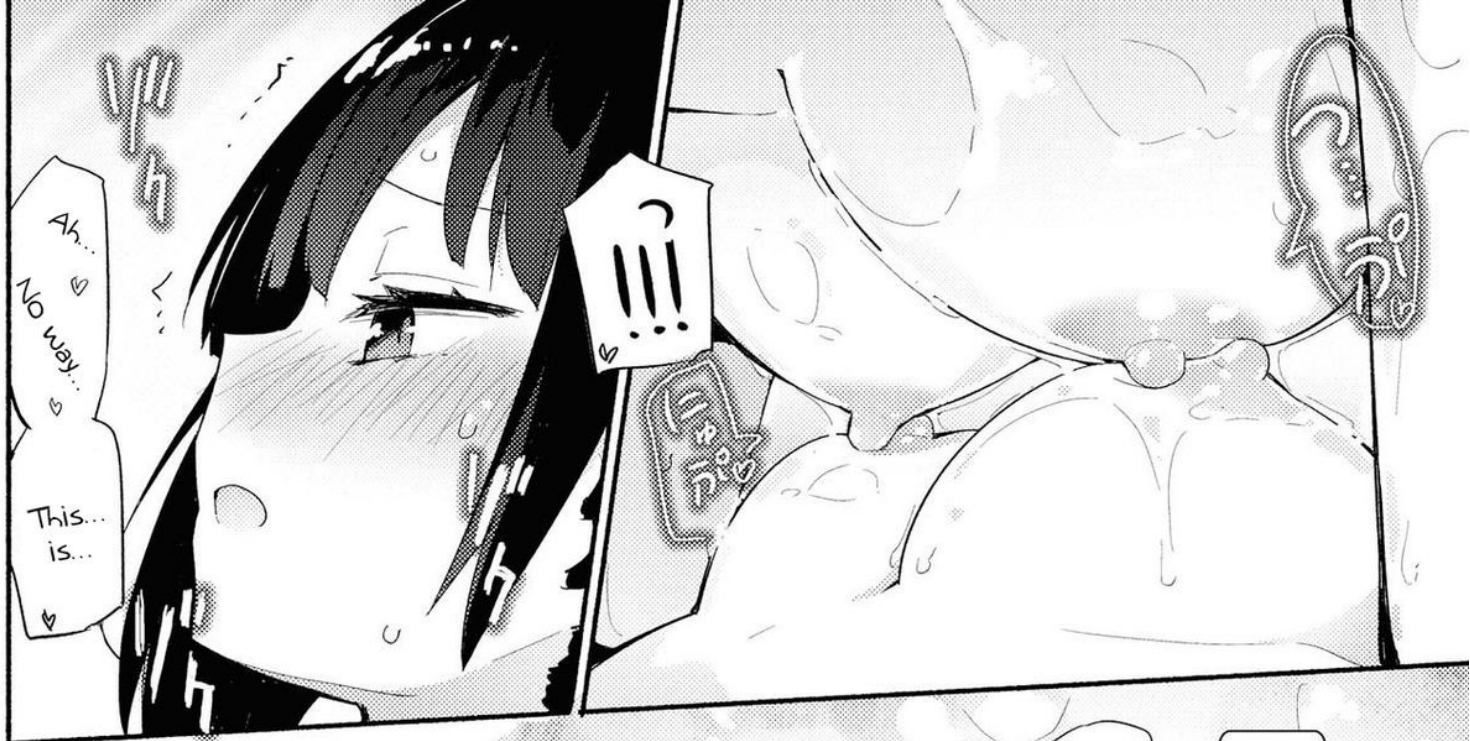

P...

Please do...

If I'm your first, Haruka...
Then I think I should try hard to give you some good memories.

Fufu. ♡

It's like our
bodies are
melting into
each other...

We're just
touching, but...
but it feels so
good...

Ah...
Ah...

It's so
slippery...

Fuwaaah...

Nn...

Nn...

It's because
this is the
first time...

...That I met
someone I
could relate
with.

Nh...

Nh...!
Mm...

I finally feel
like I've found
the one.

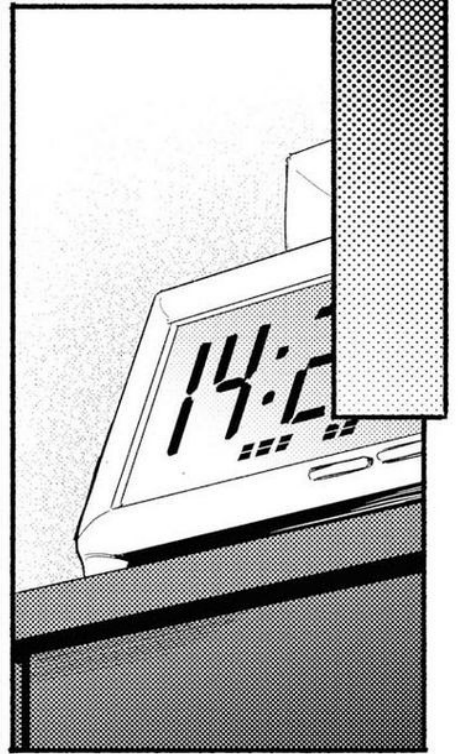

Haa...

Fufu.

Nnah...
Ah...

Yep.

It was mostly
just for fun.
And besides...

Did you quit
working at the
shop, Chiaki?

Yes...

Though I
kind of just
go wherever
I feel like.

I'm
surprised.

You've
gotten
used to
going out
at night,
huh?

That means I
can be with you,
Haruka.

Fufu. ♥

I can give
you lots
of service~

Huh?!

A... A
love hotel?!

Oh
right.

There's
this love
hotel I can
recommend.

So,

Where do
you want to
go today?
