Afterword

"I want to draw a porn book about some mob guys~" is what I thought, and they came out being the absolute worst (I'm so sorry, Shinya-kun).

Depicting the adults as scum makes the kid seem even more innocent and pure and makes his corruption all the more appealing, I think (Sorry, Shinya-kun).

Even though he got a new ball out of it, Shinya-kun lost something more important as well.

Don't just follow strange older guys somewhere.
