

And with that, my university life took off.

See you later!

Hey, I'm not a kid anymore!

Ha ha ha! Sorry!

Well, I'm not very good at making friends...

On the whole, things are going fairly well.

Hey there, you got a sec?

Wanna grab lunch?

That was boring.

Sure, where?

Ew, anywhere but there.

So there are times when I feel a little lonely...

Just the uki cafe?

Well, how about...

This is... wrong...

Well, leave it to me! I'll give you the best cherry popping you could ask for!

Aha! I had a feeling you were a virgin.

Don't be silly, everybody does it!

Really...?

Is this normal?

I gotta say, you're real skinny without your clothes on!

You need to eat better!

Yep.

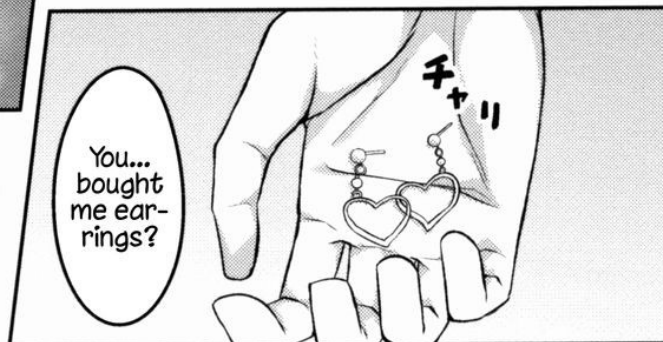

To show everyone that you belong to me.

That reminds me. Here, put these on.

...Thank you!

You... bought me earrings?

No, really, not here...

But that wasn't all...

You worry too much.

Since then, my appearance has gradually grown bolder in accordance with Yui's requests.

Like how to dress and do my hair...

He seems to prefer girls on the flashier side...

Every time something happened, he made me get a new piercing.

Trust me! You'll love it!

At first it was just my ears...
パール

Your new nipple piercings suit you so well! It'd be a waste not to show 'em off to everyone!

I SAID NO!

...but lately even my nipples and belly button...

I guess for now we'll say they're for my eyes only.

...All right, fine.

Yeah, this is perfect.

I'm so glad I asked that place.

'Cause, you know, most clinics in Japan have limitations on breast implants.

Course, that drove up the price, but this size was just too funny to pass up.

Y... yeah.

Seeing him this excited about my breast enhancement is a little... upsetting!

Aren't you happy now that you can finally give me a proper titjob?

I feel like he cares about these implants more than me...

Ooh, are you getting off on your first anal expedition?

Uh, nothing. You just lay there and enjoy yourself.

Wha...?

I reckon you're suited for this!

I haven't visited home for quite a while now...

And I don't even remember the last time I went to class...

I can hardly tell what's what anymore.

I wonder what Akkun's been up to?

Ooh, it's gaping open!

Looks like you'll do just fine.

Now, let's take a look.

I went and took up smoking after I started working here.

Now I don't have a single place where I can find respite.

At some point Yuu's friends began to use my room as they pleased.

Welcome home!

Oh, hey! Cumdump's here!

Uh... sorry.

I told you you'd be fucking these guys when you got back.

What took you so long?

Hm...

You're gettin' 'em even bigger? That's fuckin' awesome!

Um, Yuu...

I was told I'd be having surgery done on my chest and bottom next week...

Down The Drain - Part 2 - End

Oh, you're right!

We gotta knock her up!

Let's have another gangbang when she's ovulating!

That we can't milk those spectacular udders...

What is?

I gotta say though, it's kind of a shame.

We could get the surgeon to give her cow nipples too!

The impregnation option is pretty pricey from what I hear.

Then I don't care anymore. About anything.

What's a few bucks?

You've gotta spend money to make milk!

That's the spirit, gentlemen! Let's dream big!

Fuck my pussy more!
