But he's still a bit annoying.

I know he really cares for me.

I-I'm not like that...

4 7 POUT

That's always been...

Yuzuha, when people expect things from you, you always can't help but push yourself to meet them.

...a bad habit of yours.

Yeah?

Hey, Yuzu.

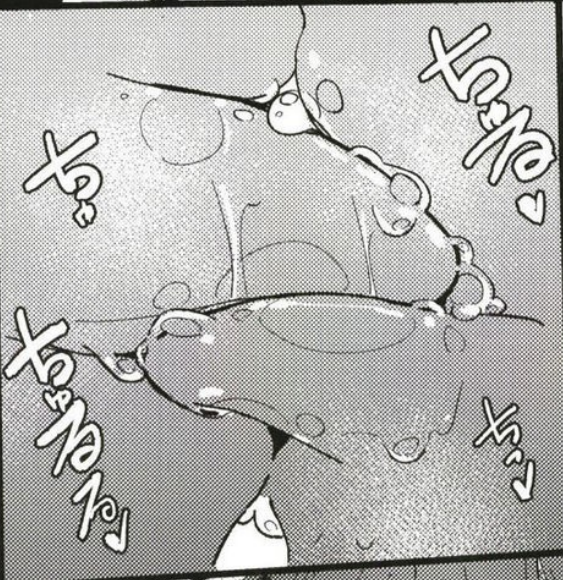

Eh?

Wha-
wha-
wha-
what's
happening?

Eh?

Anything
wrong?

You're
gonna
do it
now?

Not
really...

But I'd
like to
at least
take a
shower...

What's up with you all of a sudden?

I dunno.

But I do!

I don't mind.

I guess I just want to sleep with a girl.

Wait...

Aah...

I really...

...don't get... that...

Aahh...

Do you like it when I play with your slit?

You're just as easy to get off as ever.

What a kill-joy.

Don't ask Yuzuha that...

Dummy...

It's normal for me to be a bit surprised. We haven't done it in over half a year...

You're being weird, Onii-chan.

Not in the mood today?

I'm putting it in.

Suit yourself.

He's good at Kissing now too.

He's getting better at touching my body.

It didn't take long to hear him open the pack of condoms.

We're having sex for the first time in half a year.

Also,

ha

ah

We don't need to get all worried about the details.

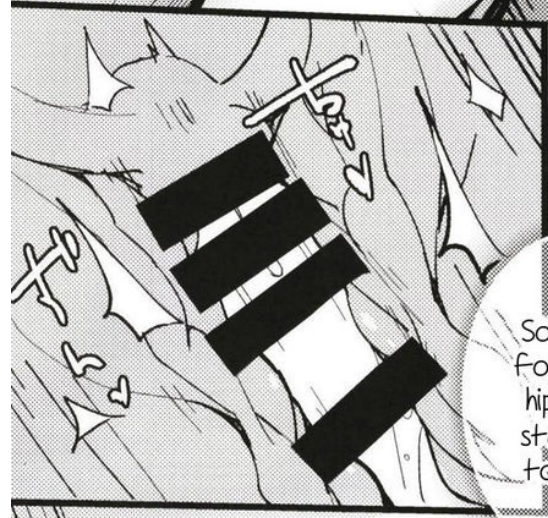

Shhh~

Just concentrate.

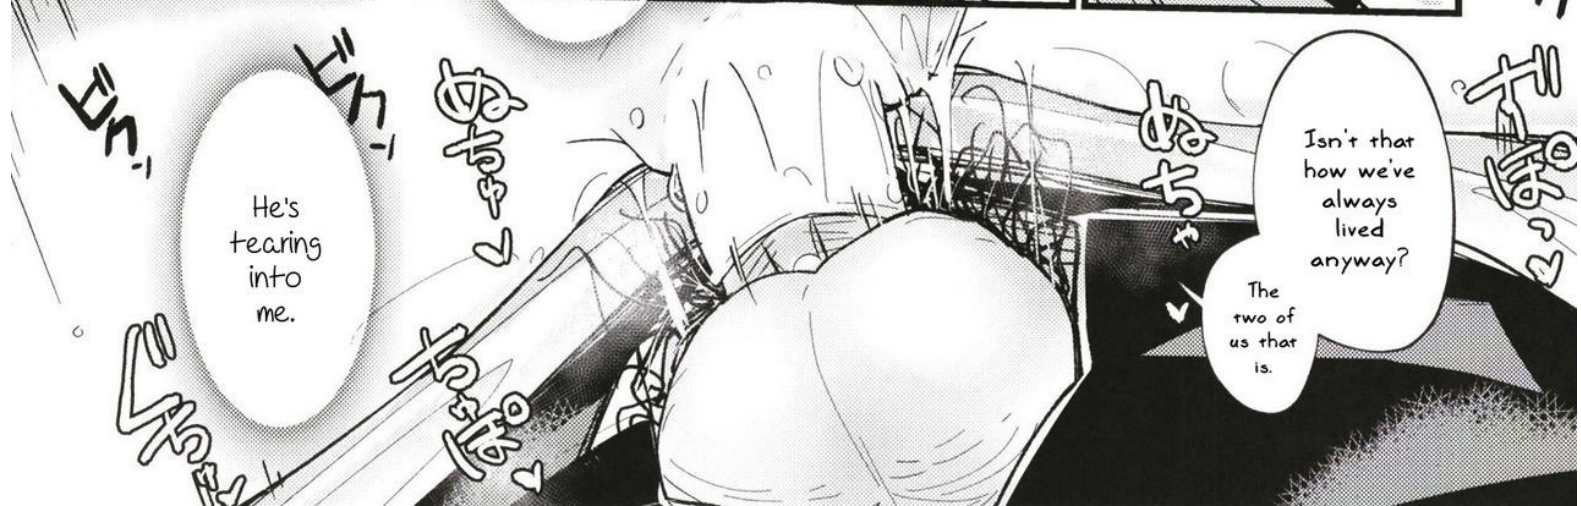

He's thrusting faster and faster.

And he's putting so much force into it.

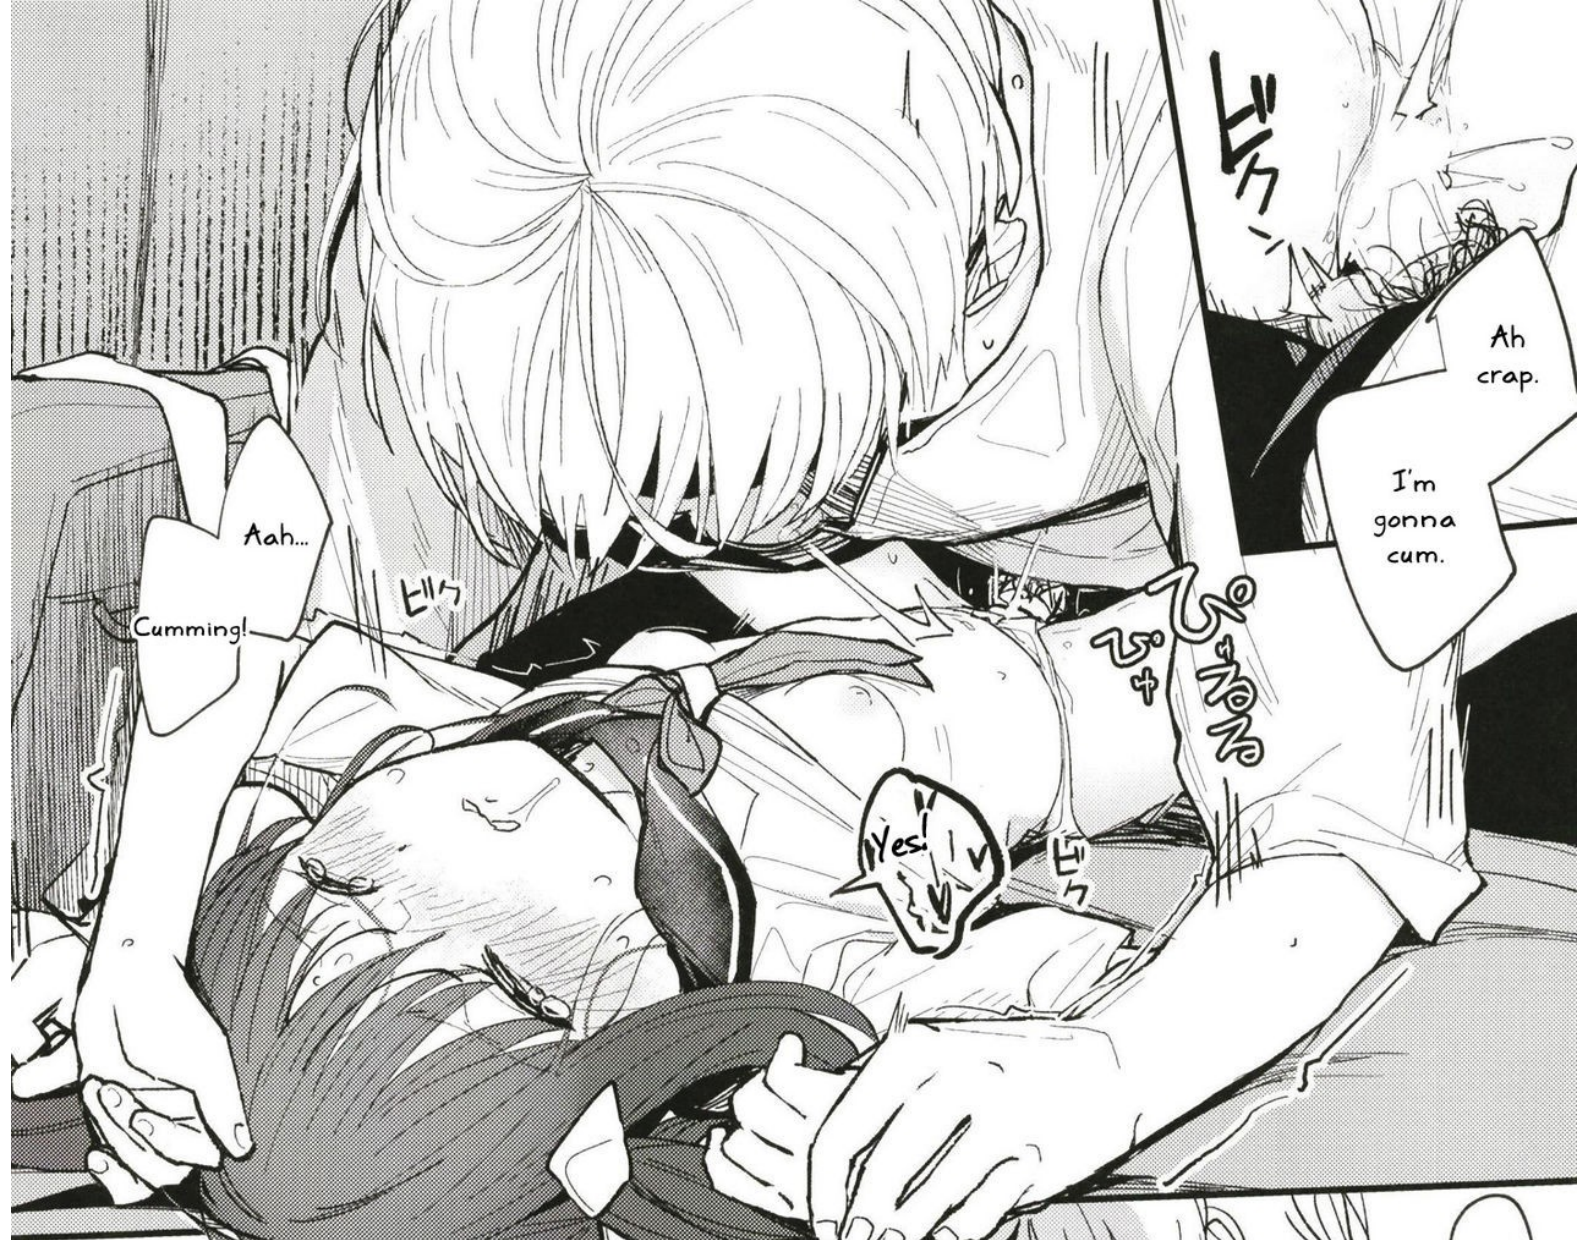

If we can feel good, nothing else will matter.

So much force my hips are starting to hurt.

He's tearing into me.

Isn't that how we've always lived anyway?
The two of us that is.

I
wanna
take a
shower.

Huh!?

アハハ

...?
Where
are
you
going?

You
really
should
consider
a girl's
feelings
more!

You perv!
Trash!
Rapist!

Did you
seriously
just say
that?

That's
not
what I
meant...

Oh, then
how about
we bathe
together?

It's
been a
while
since
we did
that.

Well,
whatever...

Don't worry, Onii-chan will listen to you later. We can take this one step at a time.

Gee, you should have told me that I didn't have to wear it from the start.

Don't tell me... You're so into it that you can't talk right anymore?

There's no need to push yourself so much.

Every time I even consider moving on from this relationship...

Every time I think that I might never get to do it with Onii-chan again...

...my head gets all messed up.

This book was meant to be more of an extra chapter kind of thing, so the main story hasn't really progressed at all. The next one will probably be a more serious story. Please look forward to it. Thanks for buying my book!
