

The Kingdom has at last elected to send its knights to crush this grave threat.

In opposition to the succubi who prey on the energy of its citizenry at night...

Hmph... Don't you just hate persistent guys...?

I have you cornered! Give me your last words, you vile succubus scum!!

# 女体化騎士の受難

淫魔亮春婦堕ち

Enough...!

Let's finish this!!

They were rather tasty, though, weren't they?

They were the ones who attacked me! I had to suck them dry immediately. There was nothing I could do.

I must be victorious here, or I am not fit to face the corpses of my fallen brethren!

Enjoy your new job! ♥

My body's... Being sucked into this muck!!

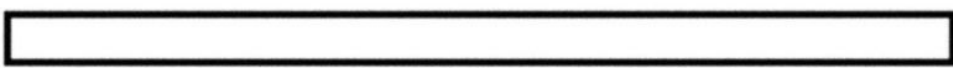

I may be defeated... But I won't die for free.

Have a taste of our secret magic: "Succubus Rebirth..."

I'm stuck?! What is this?!

Am I going to die, too...?

Ngh... My body's weight feels like it belongs to someone else... And my voice seems like it's too high...

So noisy... Hmm...? Am I... alive...?

What the...?!

The succubus! Where?! Uh...

Don't move, vile succubus!!

The second unit! Thank god for the relief...

Eh?

The size of these breasts is unbelievable...

もーやーやー

It's empty where my penis should be...

And this body... Is way too sensitive...!! No matter where I touch, it fills my with this sweet tingling...!

What the hell is this...?!

むーむー

My body turned into a demon...? A female demon?!

やーやー

What nonsense! That person is a man!

やーやー

Wait! Please! I'm Noell! Captain of the First Unit!

Mark down the First Unit as annihilated.

Let's return to the Kingdom.

Hm. The owner of the Demon Brothel offered a handsome sum to secretly deliver a succubus to them...

Perhaps we should capture this one and use her to compensate the rest of the knights.

Captain... It seems this one has no magical powers... Perhaps a newborn?

Demon Brothel

I paid a good amount of money to that group of knights for you.

And you're going to earn it all back for me as a whore.

Huh?!

You want me, a knight, to be a whore?!

A purchase has no say in the matter, I'm afraid.

You're already wearing the slave collar, too.

Ngh... I can't get it off!

You bastard... Stop fucking around!!

That's no way for a sow to talk to her master.

Do you understand the position you're in yet?

All my power is... gone!!

Come on now, I'm not a complete monster.

Or don't you want me to set your free once you earn enough money?

R... Really?!

I understand... I'll work for you as a whore.

Am I really going to have to pretend... to be a whore?  
And I'll need money if I'm going to get this feminization curse reversed...

I can't escape in this body and collar...

Just entice the man and make him cum. Should be simple enough... hopefully...

I've masturbated and had sex before...

Most succubi fall to the power of human cock and end up giving up.

Just do your best during your first session.

But... As soon as I make enough money, I'm outta here, you hear me?!

Now, if you will excuse me...

Let's just get this over with and make him cum...!

Allow me to serve you as best as I can...! ...Or something.

T... Today is my first day on the job here! My name is Noell.

Guh... A knight captain in a state like this...

That another guy's penis could be this big...

Uh... It's okay. Shall we get started?

Are you okay, miss...? I hope you aren't afraid of my cock...

Huh?!

It's huge...

It's like my hands are moving on their own... Is this an effect of the succubus-ification, too?

Wow...! You may be new around here, but your cock servicing skills on on par with a succubus!!

Uugh... And it's still getting bigger...

What's to blame for that... I can't tell.

But...

...?! What am I doing?!

The smell of his dick is making my head spin...

Hah... Fwah... Hahh... ♡♡
