Yes, I promise.

Thank you...
Akira-kun...
I love you...
so much♥

.....

But unlike you, I'm not into stealing things from people I care about.

I want to beat you up until you turn into a meat sack...

...But if you make my mom sad, or leave her like all the other girls you fucked-

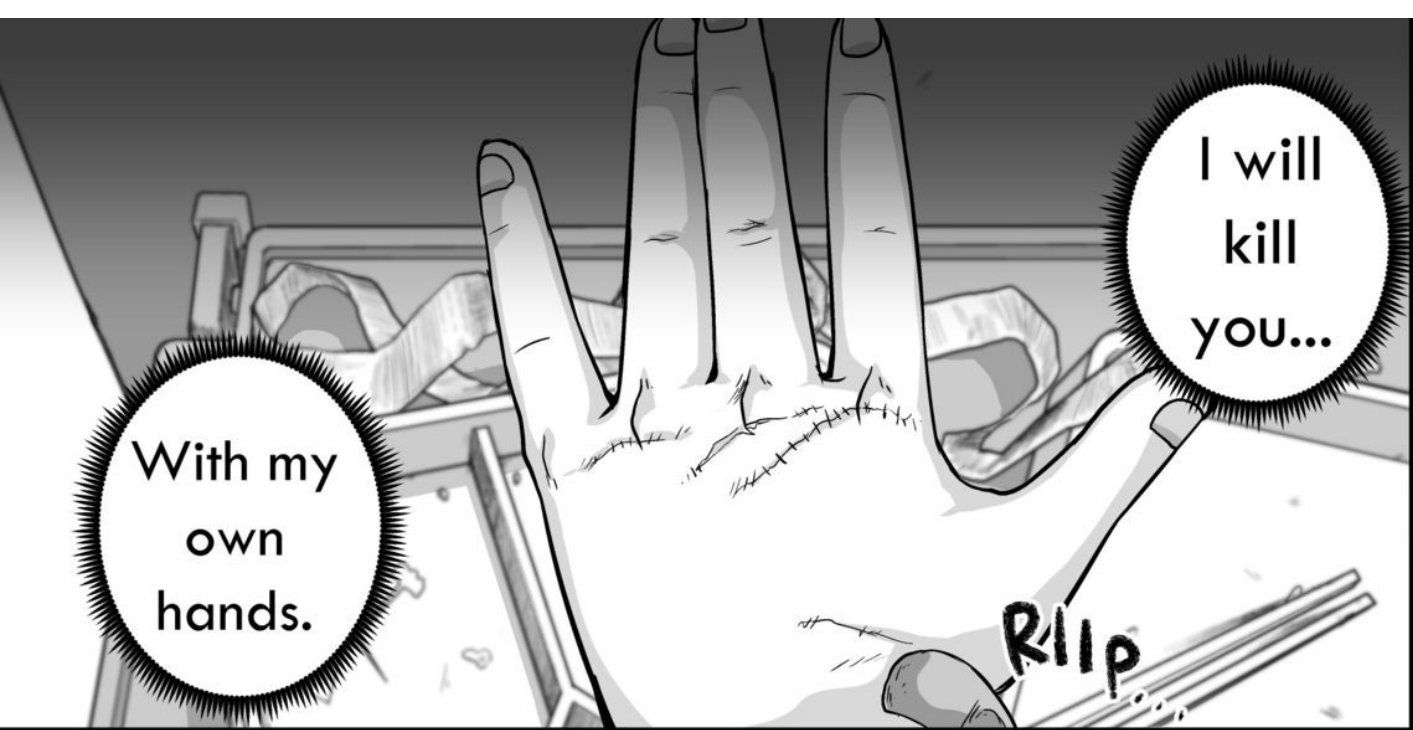

THUD...!

So I won't be in your way anymore.

Doesn't change the fact my mom needs you.

No matter how much I hate you-

With my own hands.

I will kill you...

RIIP

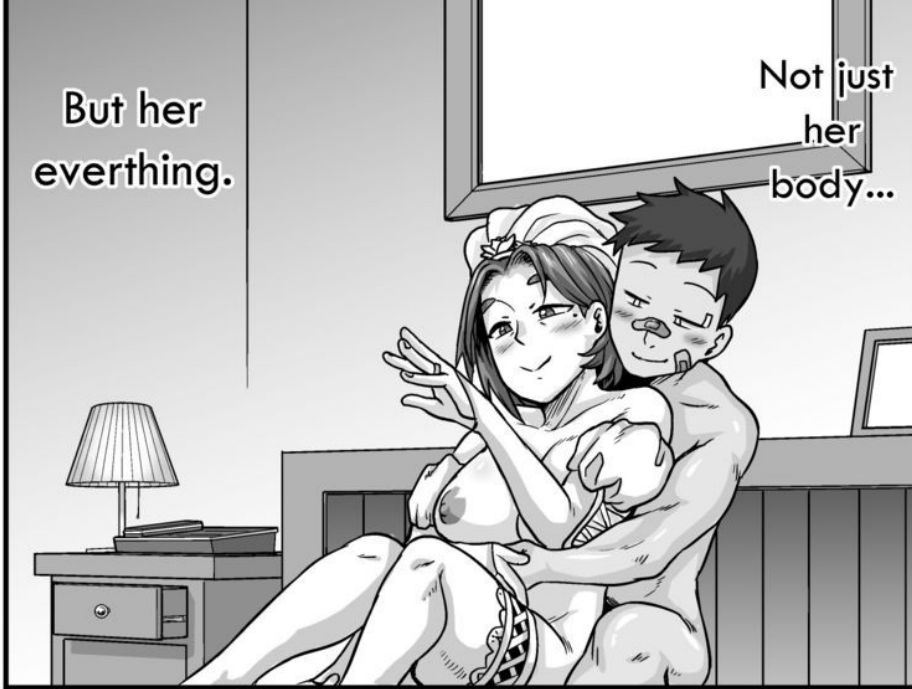

I promise Kenichi...

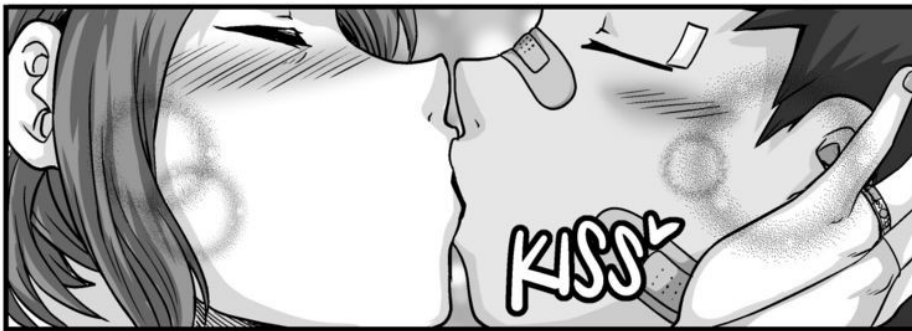

SLID

But her
everything.

Not just
her
body...

I'll love
your mother
for the rest
of my life...

The love
of my life.

I'm
sure you'd
...be happy
to see it♥

Because
Naomi-san is...

Um,
darling...I
actually have
something for
you too.

Because
she...
Isn't just
my Sex-Friend
anymore.
