

Oh, We end up in Tatsumi's house since we always play here.

Do you
think that
special
training was
for nothing?

あ？

Then
why we
did that
special
training

It means it
was
useless

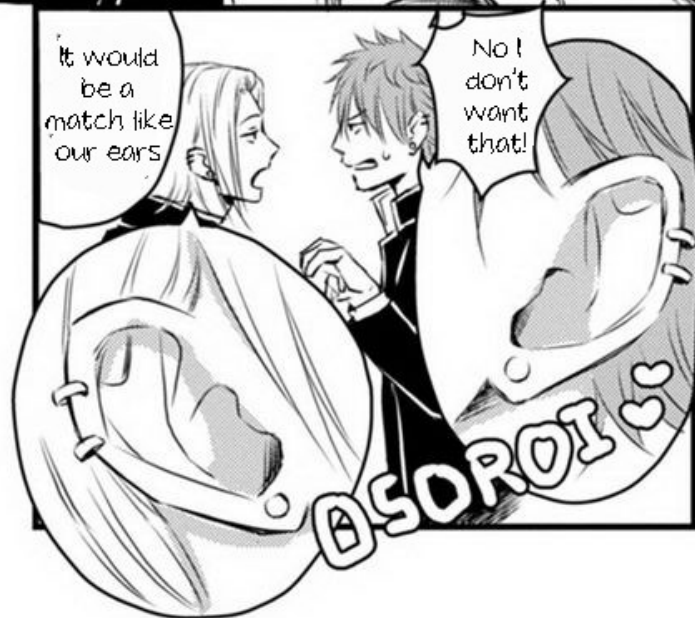

eh...

What do
you
mean...

Did you really
thought that we
would do something
like that to a man
just because it was
"Special Training"

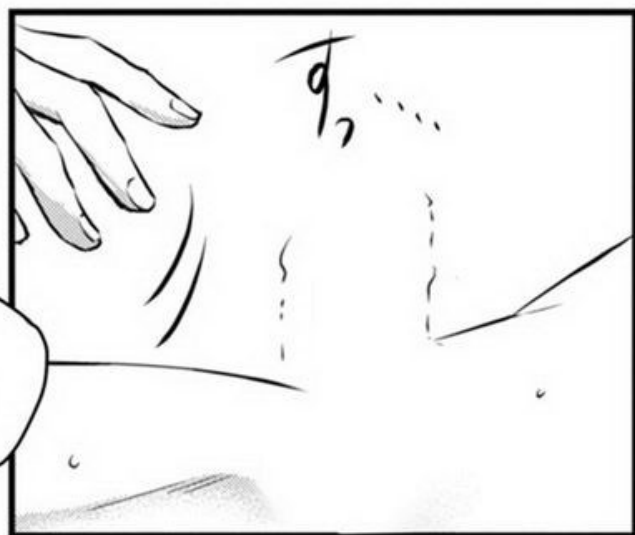

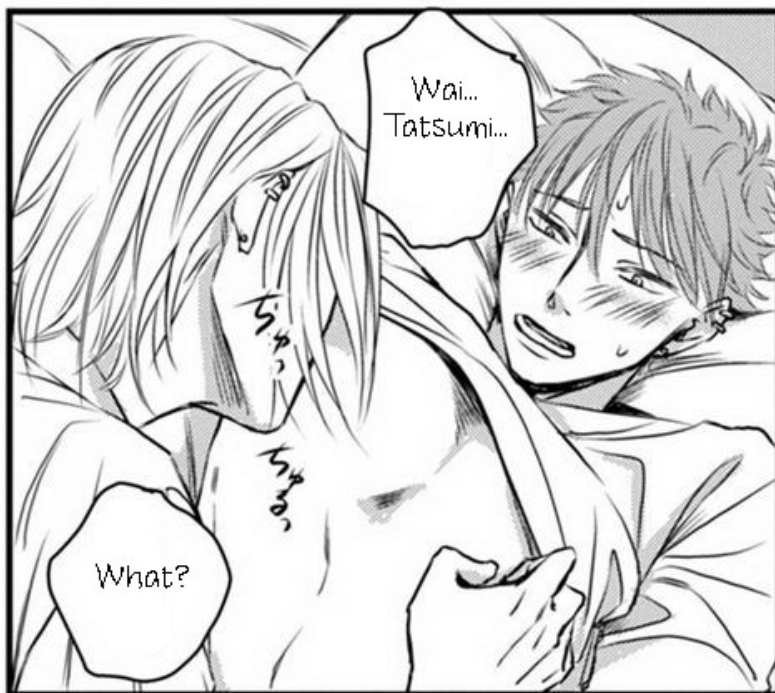

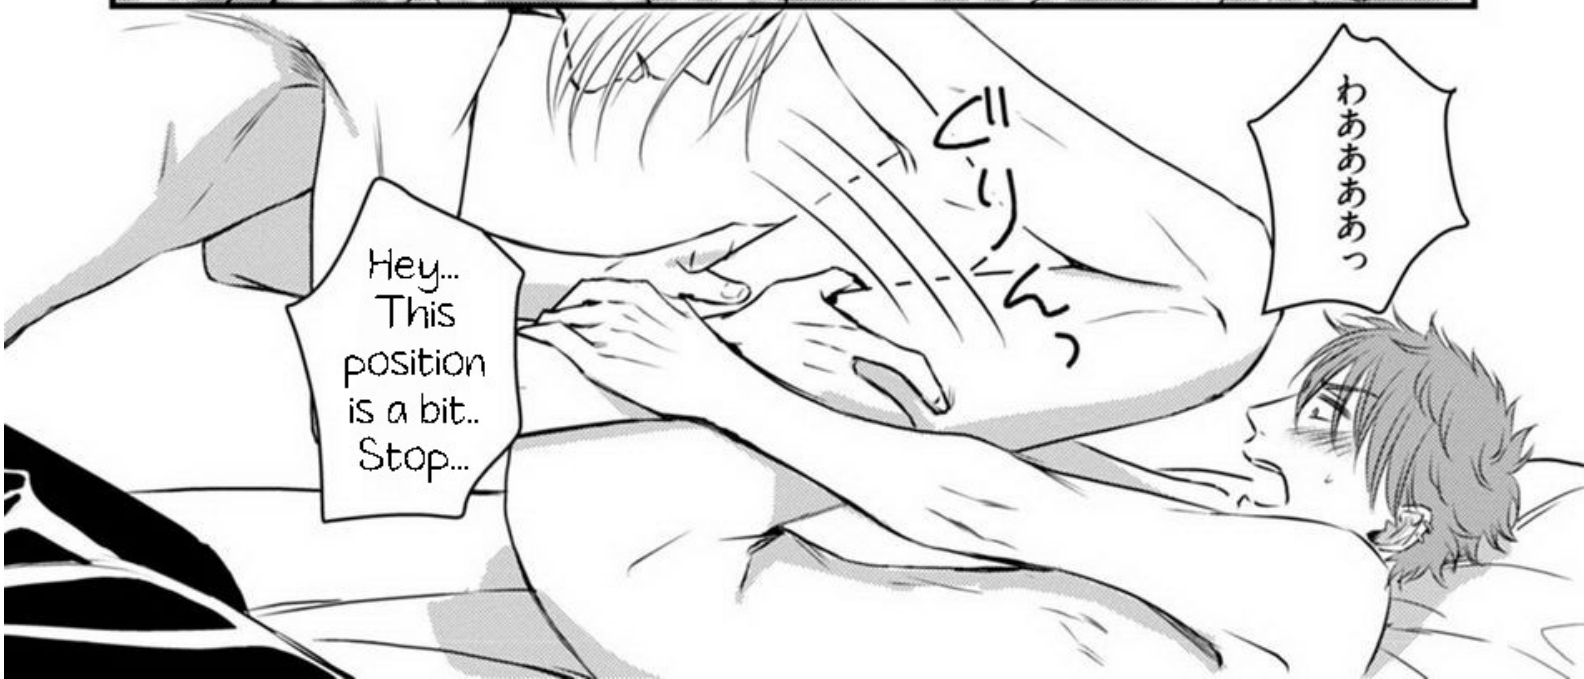

wel...

Is not
that I
don't...

EH? DO I

you
don't
want it?

You are an
idiot... I would be
faster if I just
ask your body...

EH?

WAI-
....

DO I WANT
THIS... OR I
DONT?

...

ah~ you
came as
soon as I
put it in

We're
just
getting
started

But

It's
here?

Where
does it
feels
good?

Could it
be
here?

every
wh...
good

It feels
good

Because I
am in love
with you

What
are you
doing?
