original girls love comic by peachpulsar(mira)

Her and I  
are kissing,  
like we do  
every day.

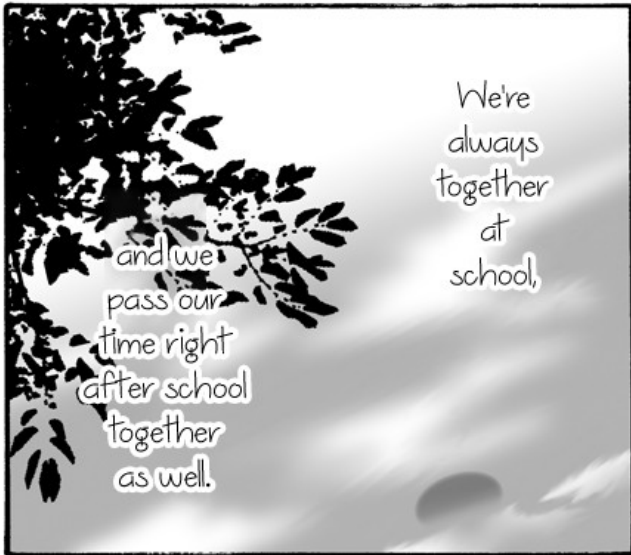

However,  
this isn't  
love.

Be-  
cause  
we're  
friends  
with  
each  
other.

Runa.

and we pass our time right after school together as well.

We're always together at school,

home.

Yuuka, you idiot. Let's go

You make a cute face when we're kissing, don't ya?

and when we go our separate ways, it's always quick and clean.

That said, we only ever talk about silly, inconsequential stuff,

I ain't giving you my classic lit. homework.

Show it to me, Yuuka!

Nope. You do this every time.

But I never understand classical literature!

What?

Her long hair, showing through the setting sun...

There is a distance, a range there that I

The sight of her retreating figure glimmers, and it's dazzlingly bright... and distant.

can't approach any further.

The defenseless hem of her skirt, blowing around in the wind...

For real?

For real

Every day.

I'm going to a prep school starting tomorrow,

so I'll be going home sooner!

I forgot!

Oh, that's right! Yuuka~

Huh?

About what?

I can tutor you with the school stuff, like I always have.

I mean, we do have exams to think about, so my parents told me to go. Since I'm dumb.

But then I feel bad for always robbing you of all your time after school, Yuuka.

You have your own studies to worry about.

I'm kissing her, but she really is just a friend.

So she didn't need to go to a cram school. She said before that she'd only go somewhere that she'd have zero chance of failing to get into.

Teaching you helps me remember, though, so I'm fine.

I also think... we should stop kissing and stuff.

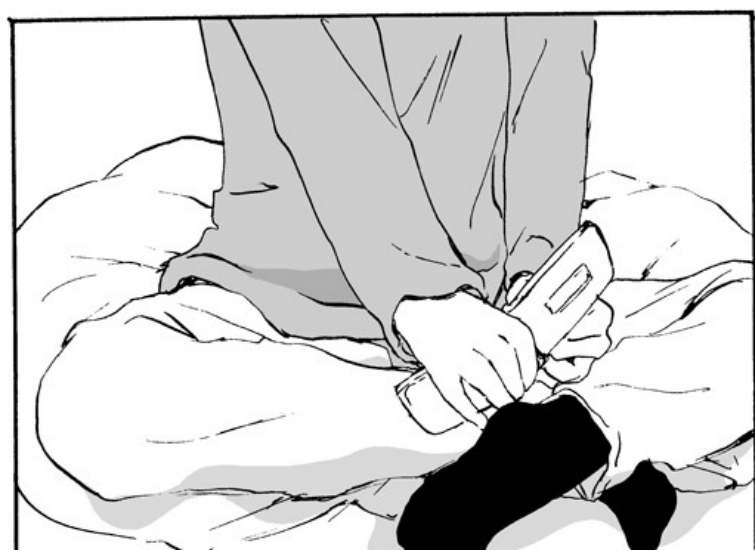

Mhm... But,

might not be a good thing, you know? That's what I've been thinking...

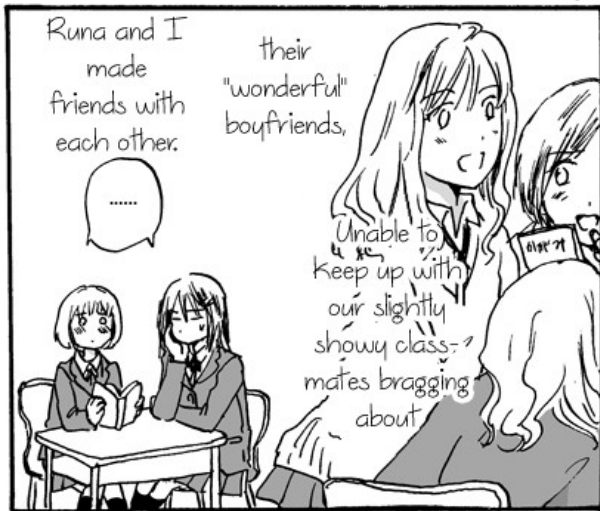

Playing pretend romance forever

.....

Sure thing.

Oh, so that's the real issue at hand.

Runa and I made friends with each other.

.....

their "wonderful" boyfriends,

Unable to keep up with our slightly showy classmates bragging about

and she was childish looking, and just very cute.

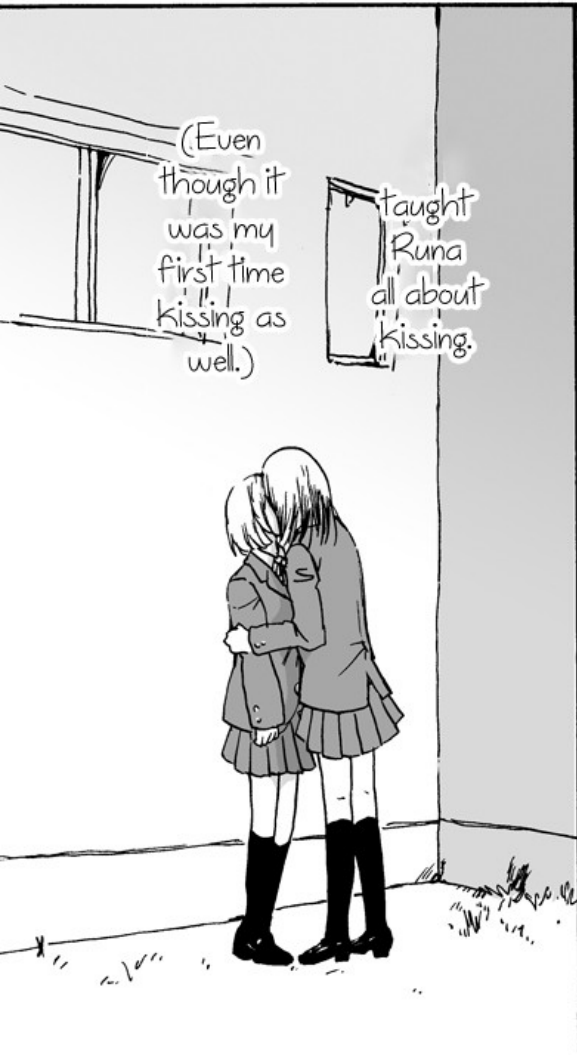

Runa, have you ever kissed someone? No?

What!? Huh!?

When I first met Runa at our school's entrance ceremony, she was shorter than she is now,

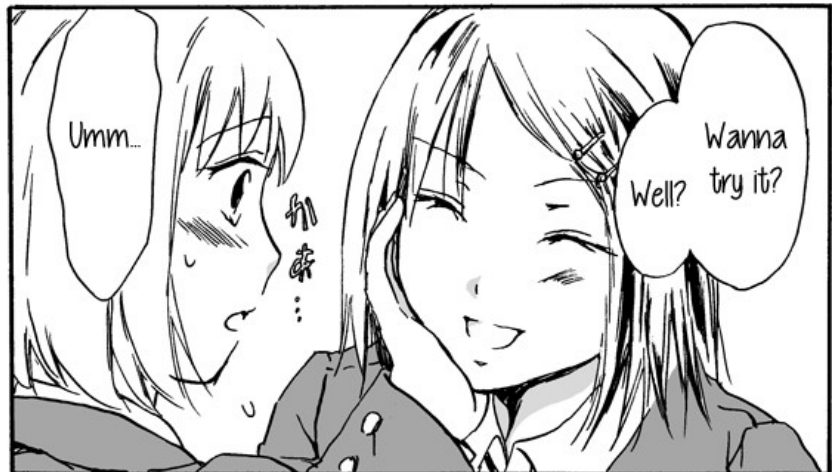

(Even though it was my first time kissing as well.)

taught Runa all about kissing.

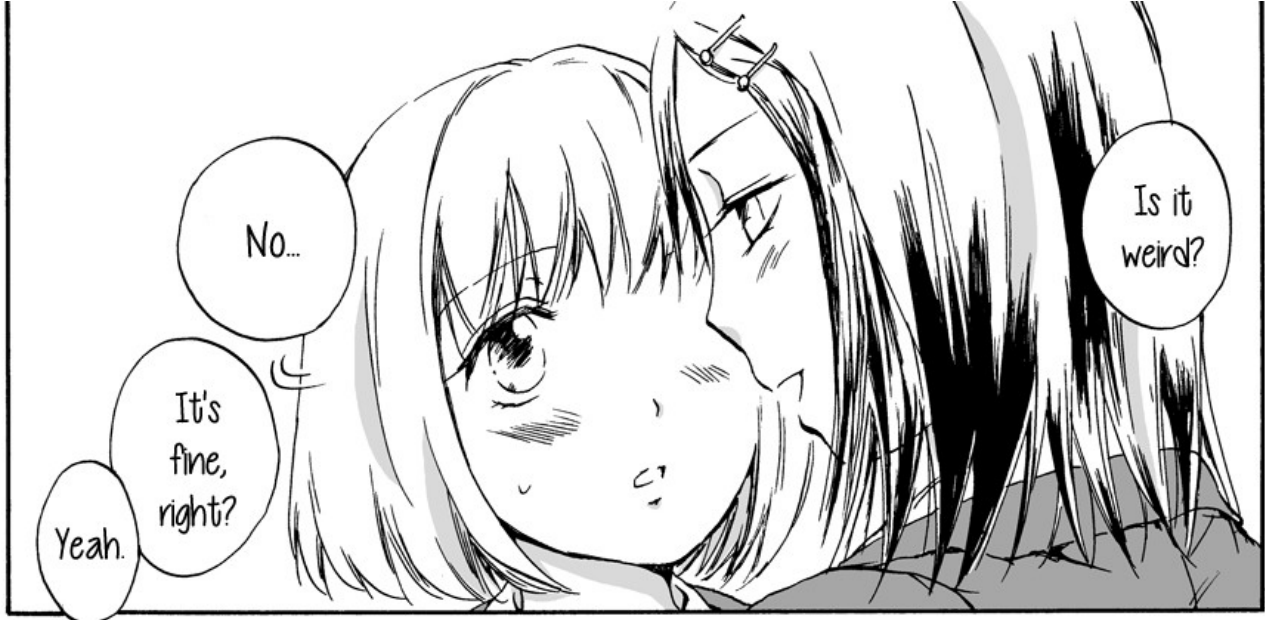

...So, I needlessly

Runa was even cuter as her entire face went beet red.

Umm...

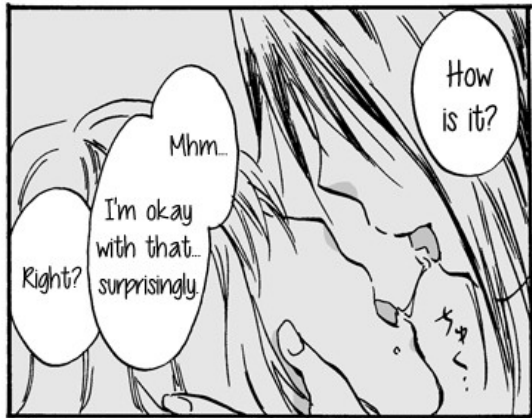

Wanna try it?

No...

Is it weird?

Yeah.  
It's fine, right?

Right?  
I'm okay with that... surprisingly.

How is it?

Ngh...

As second years, I tried sticking my tongue in for the first time.

I had already thought about that myself, even.  
The whole thing was so hackneyed.

.....  
"Pretend romance."  
She put that bluntly..

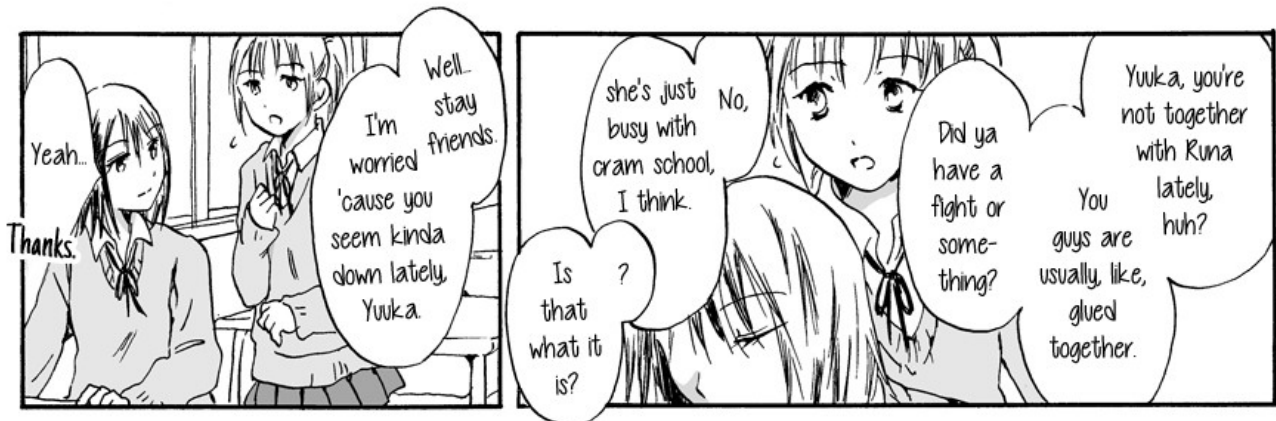

Forget a utensil? I'll lend you one.  
Yeah.  
I'll teach you.  
Don't understand your studies?  
Yeah.

Runa was somewhat helpless, and I was happy being able to lead her around and stuff.

began acting separately to each other at school.

After that, the two of us

Thanks.

Well... stay friends. I'm worried 'cause you seem kinda down lately, Yuuka.

No, she's just busy with cram school, I think.

Is that what it is?

Did ya have a fight or something?

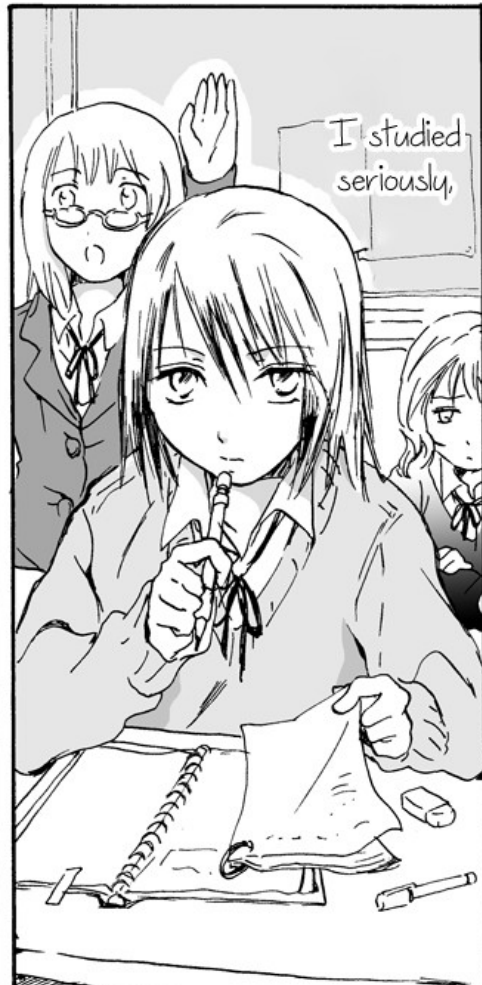

Yuuka, you're not together with Runa lately, huh? You guys are usually, like, glued together.

Going home all alone.

and Runa left by herself quickly after school & got out.

I studied seriously,

and lonely.

the usual scenery looked empty

Just from Runa not being there,

the one having Runa spoil her,

The one having Runa rely on her,

I already know.

oo Runa...

Runa, why?

Has Runa grown up into an adult?

the one relying on, and being spoiled by Runa was me all along.

and, most of all,

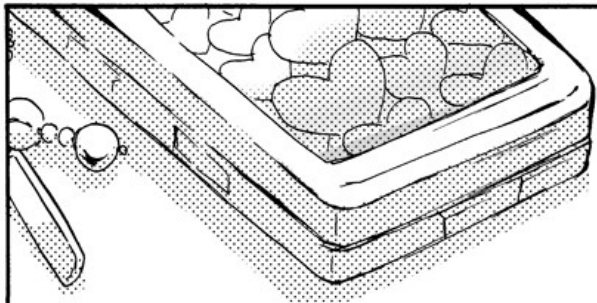

oo It's as if she went off somewhere by herself.

Maybe separating from each other

was the right thing.

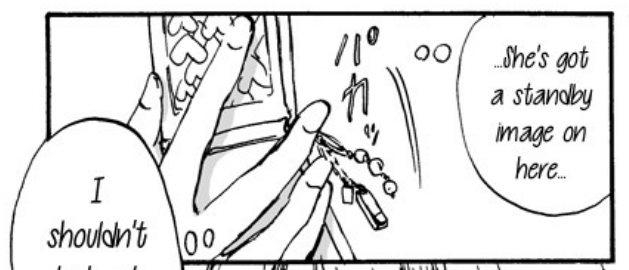

I get so sad that it hurts.

when I think back on the feeling of her lips,

But,

I shouldn't look at it...but..

...she's got a standby image on here..

...Maybe the reason that she's putting distance between us is because she's fallen in love with a man, or that she has a boyfriend now...

Runa's cell. Did she forget it again?

Huh?

Wahl  
My  
phone!  
Wait  
a  
sec~

Make it  
quick,  
Runa~

ハハハ

This is a  
photo of me.  
...When did  
she...

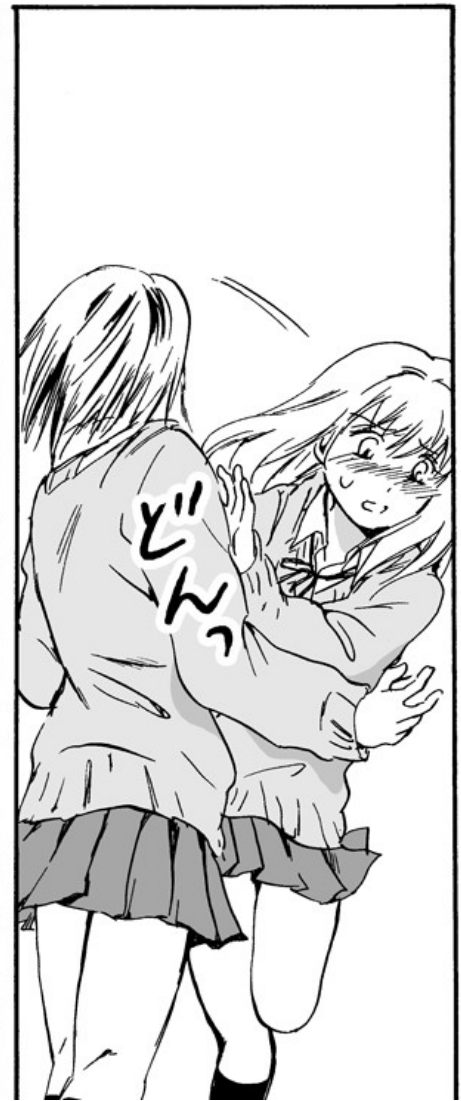

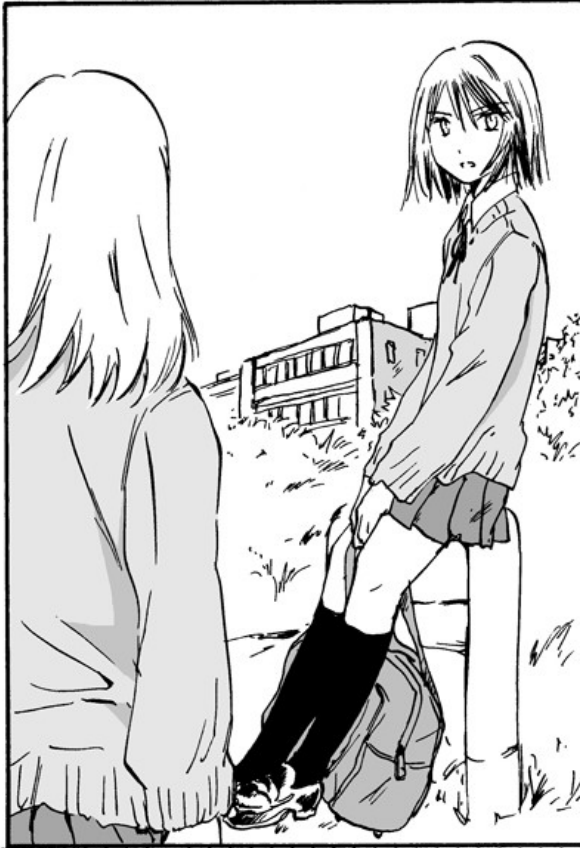

So...  
...rry...

"I don't know" is the only thing...

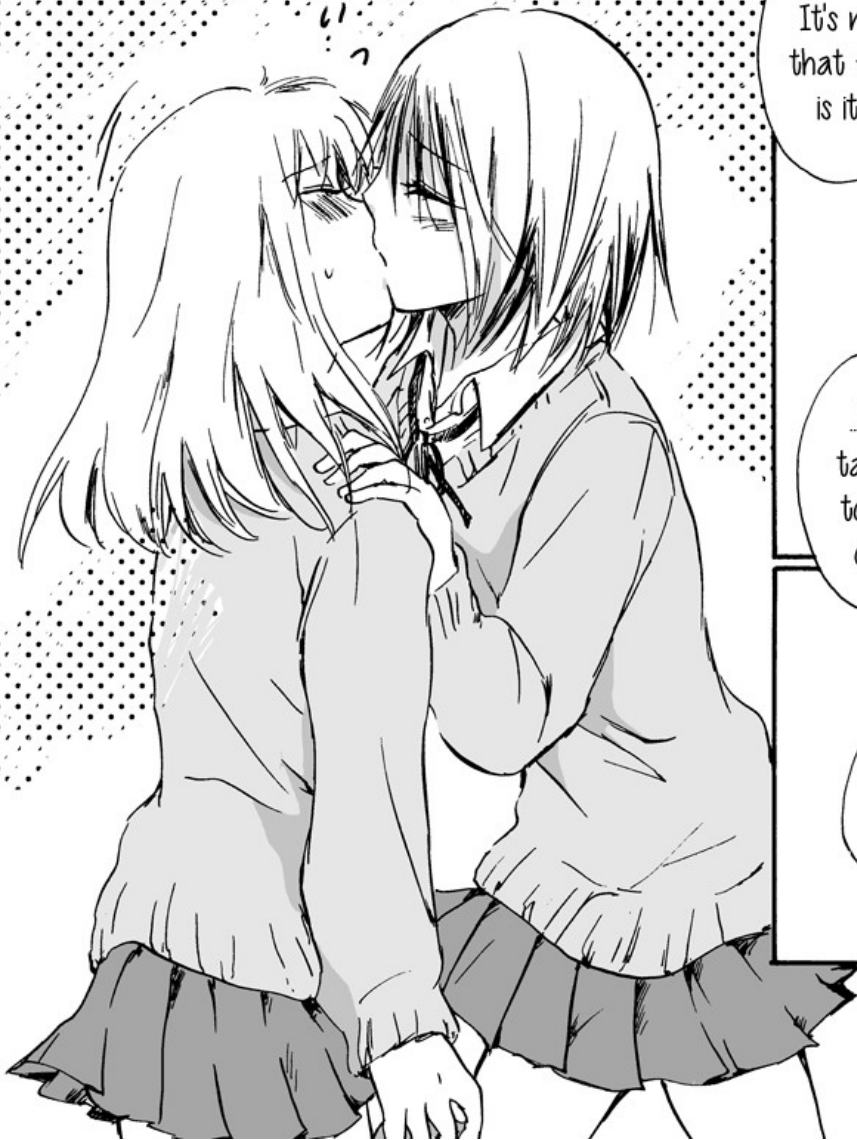

My emotions overflowed out of me...

I could possibly express.

Runa.

It's not that far, is it?

You're always going home right after school lets out.

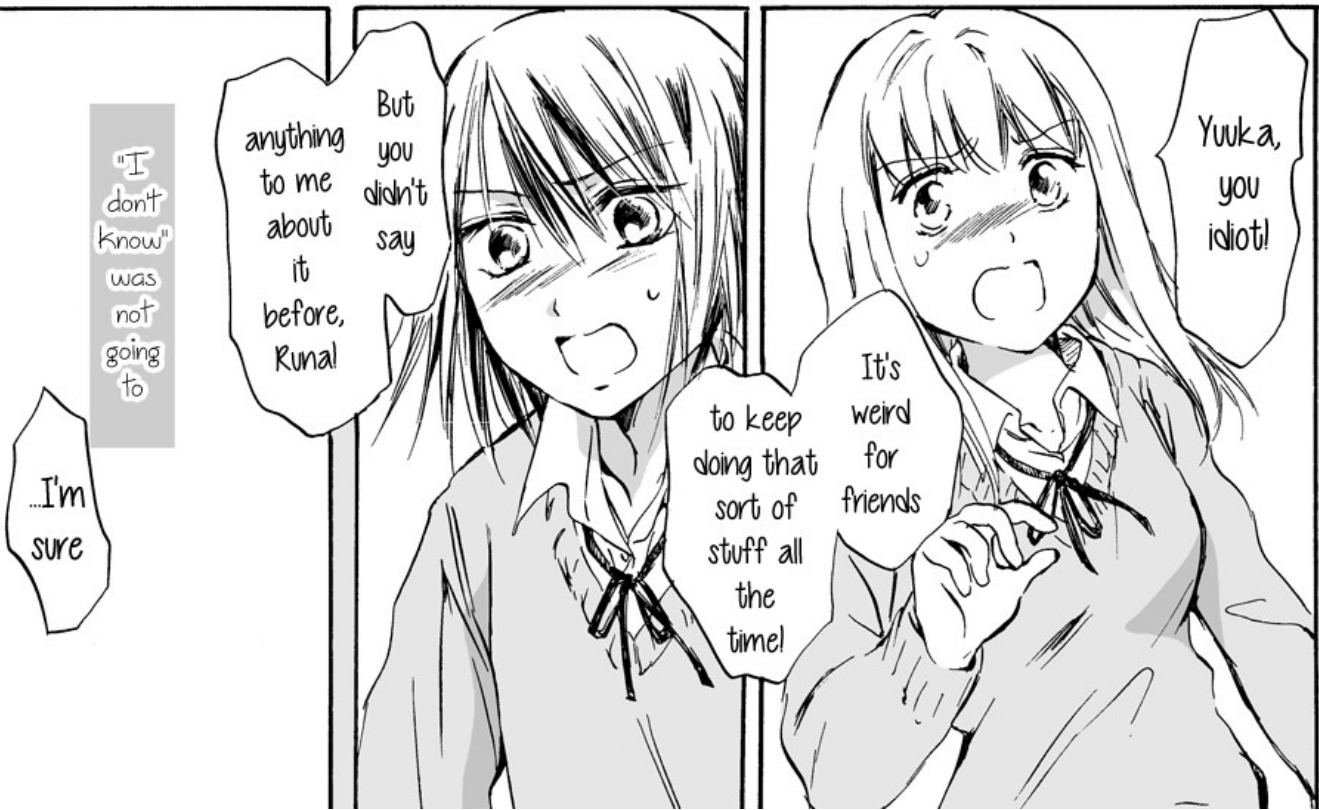

What about cram school?

I'm taking today off.

.....

"I don't know" was not going to

...I'm sure

But you didn't say anything to me about it before, Runal

Yuuka, you idiot!

It's weird for friends to keep doing that sort of stuff all the time!

be enough to try and deceive these feelings.

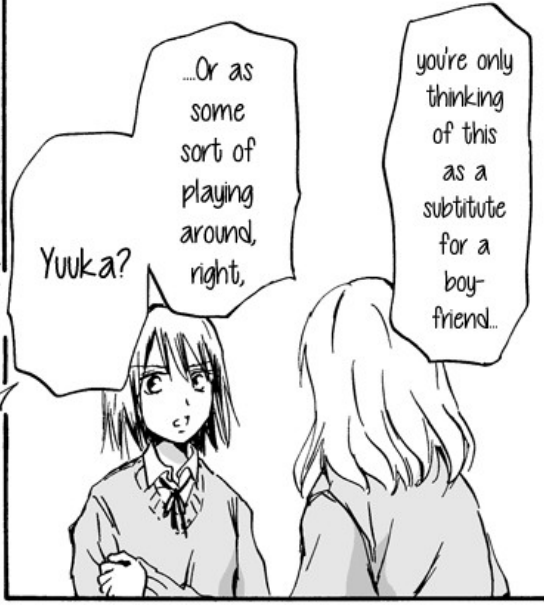

うん...

because it was convenient for you, Runa?

In fact, are you sure you didn't make friends with me

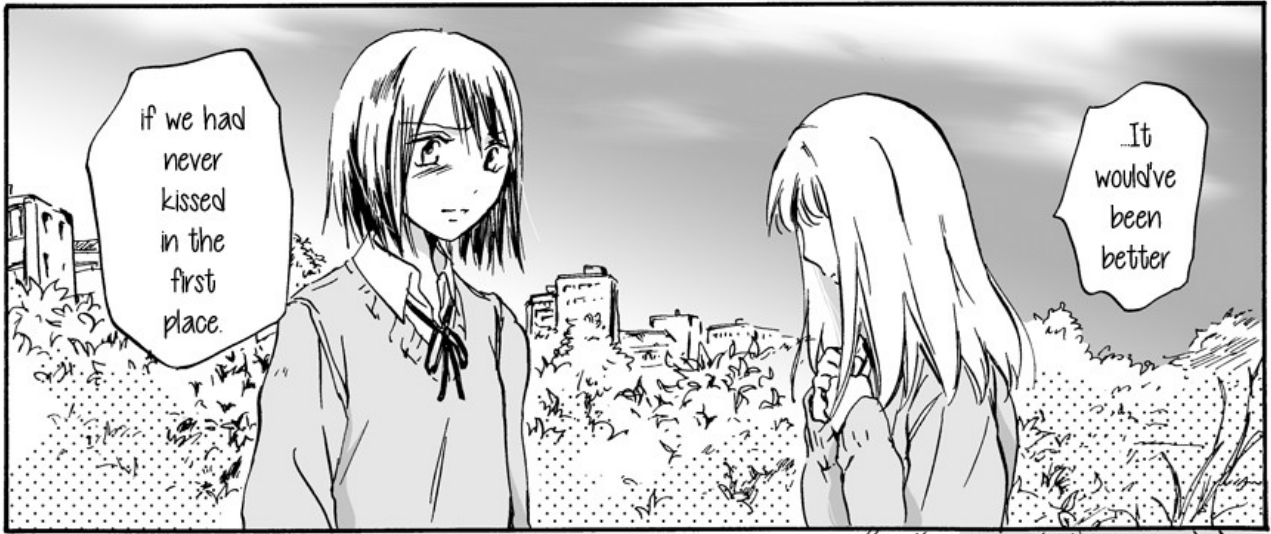

Did I ever say that?

Yuuka?

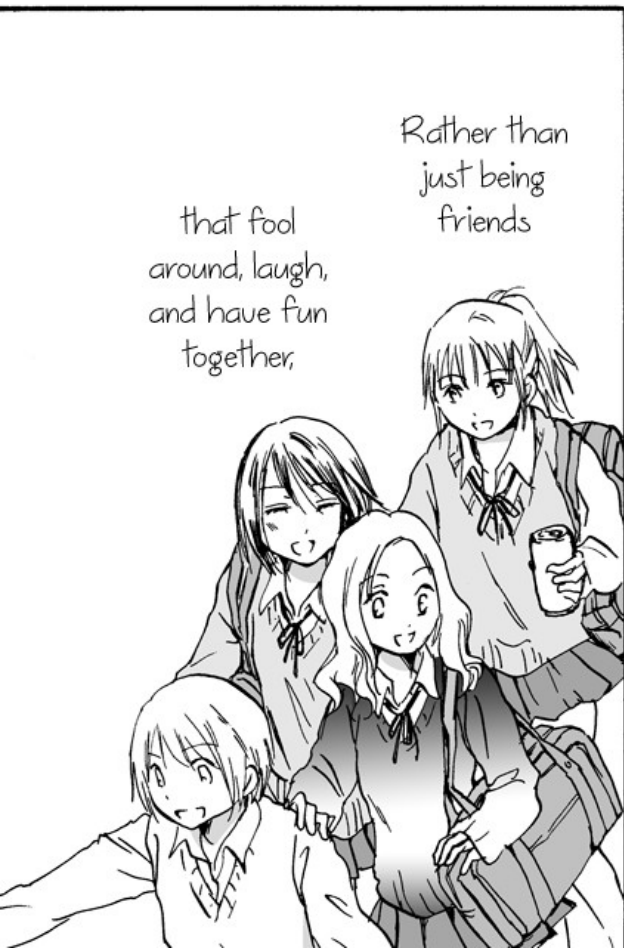

...Or as some sort of playing around, right,

you're only thinking of this as a substitute for a boyfriend..

if we had never kissed in the first place.

..It would've been better

that fool around, laugh, and have fun together,

Rather than just being friends

surreptitiously.

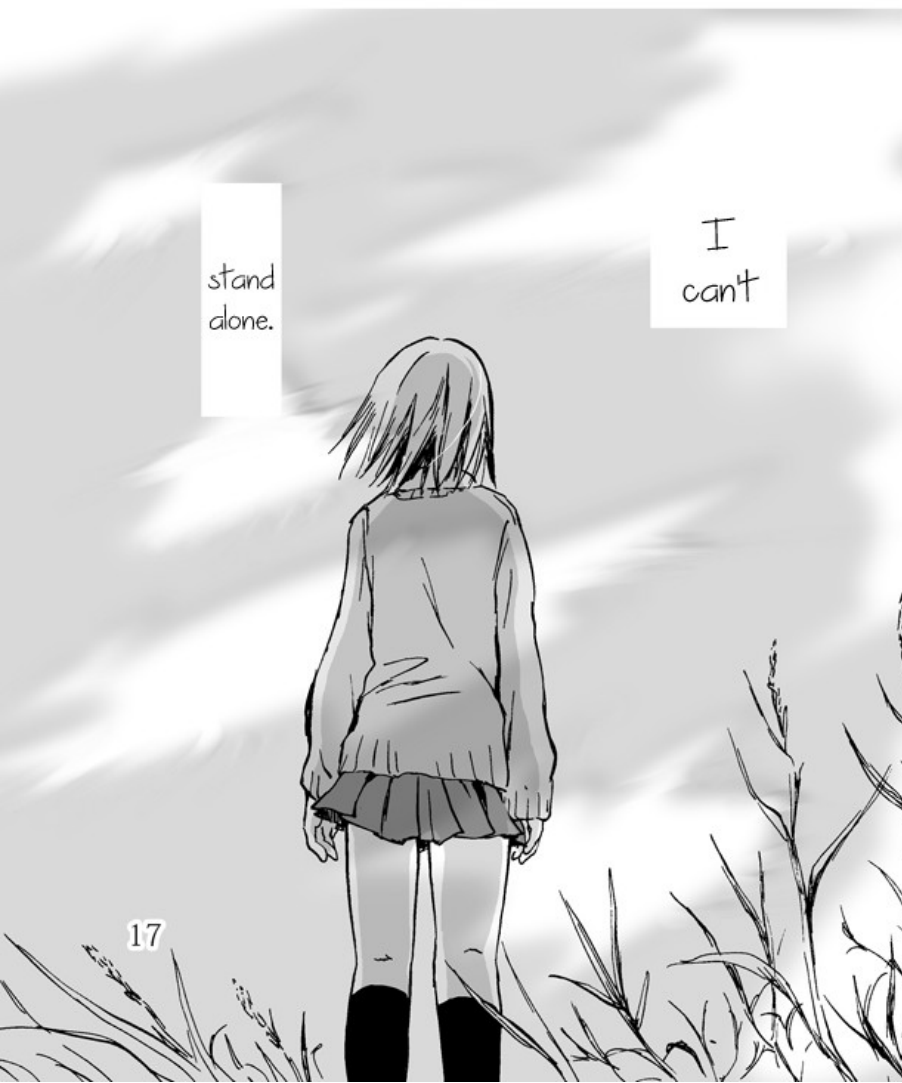

we chose  
to share  
our time  
together

I'm  
distancing  
myself  
from you,  
Yuuka.

And so, we  
couldn't stand  
alone.

stand  
alone.

I  
can't

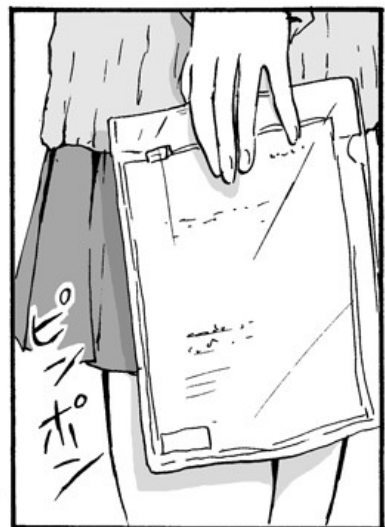

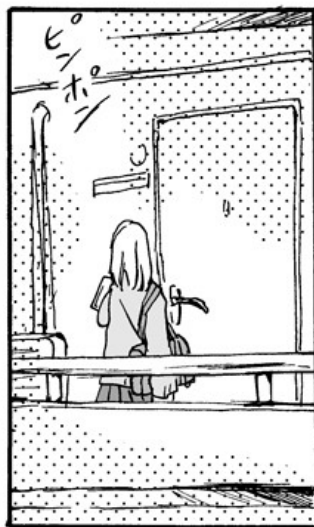

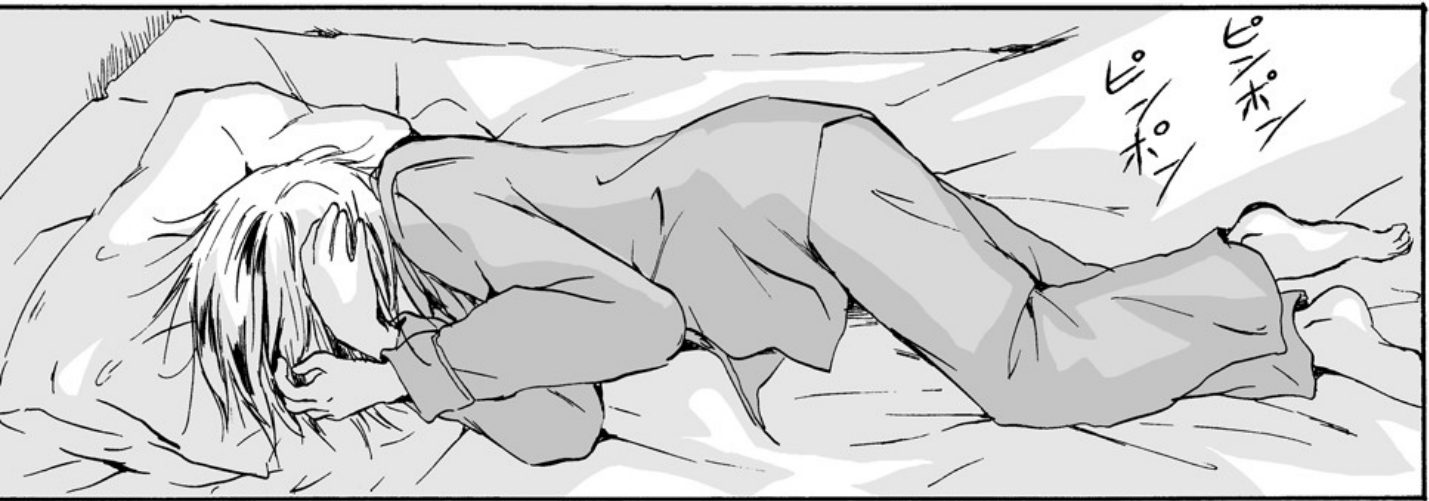

and I can  
get along  
all by  
myself.

We're  
going to  
graduate  
soon,

Bye-  
bye.

Joking, joking.

I'm skipping, not sick, so I won't give you a cold or anything.

!!

Wanna come in? I won't try anything.

Now that I think about it, this is your first time here, isn't it?

There really isn't anyone in your house during the day, huh, Yuuka?

if you're looking after me now, Runa.

You've really become an adult

Nope. I bet nobody here has even realized I'm not going to school.

But I couldn't help it. I was in love with you, Runa.

I think I've probably made you feel somewhat constricted... kinda uncomfortable.

Well, sorry... for the last three years.

...No, it's not the opposite.

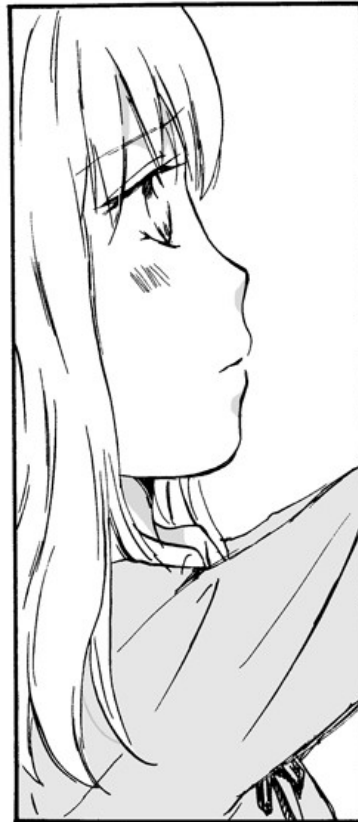

...I love you too, Yuuka.

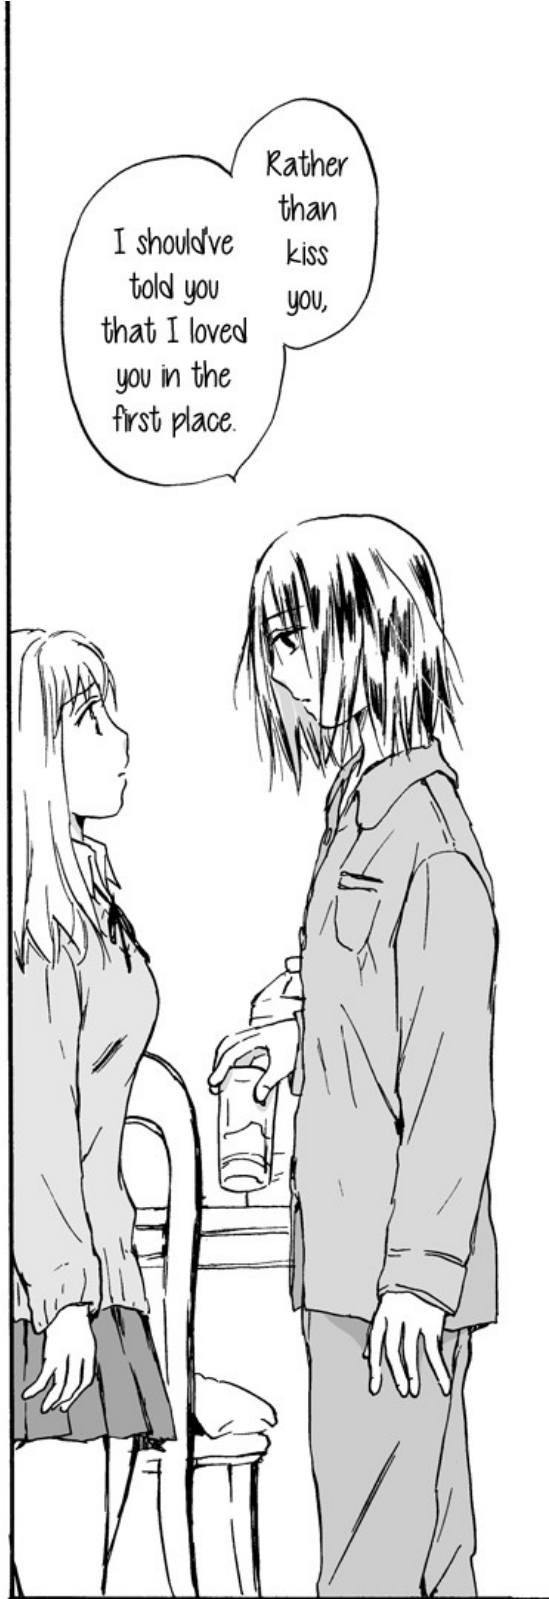

I loved you.

That's right. Runa...

That's all this is, right?

Sorry, Runa.

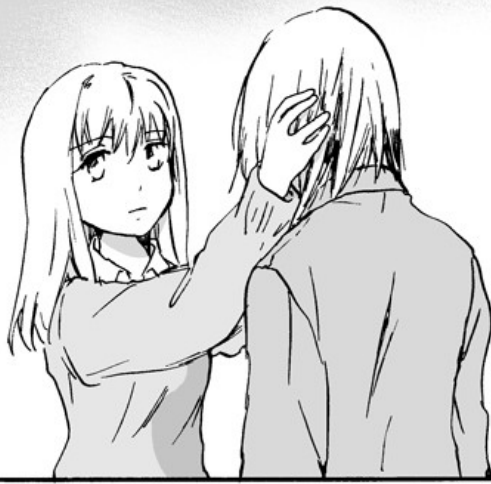

I should've told you that I loved you in the first place.

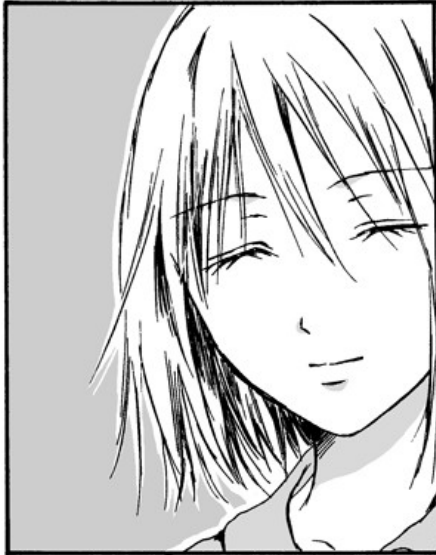

Rather than kiss you,

I was scared that it might make you dislike me...

If I told you, "I love you", you wouldn't want to be around me anymore...

..... I don't know.

do you really think two girls can make love work? I mean, You don't, do you?

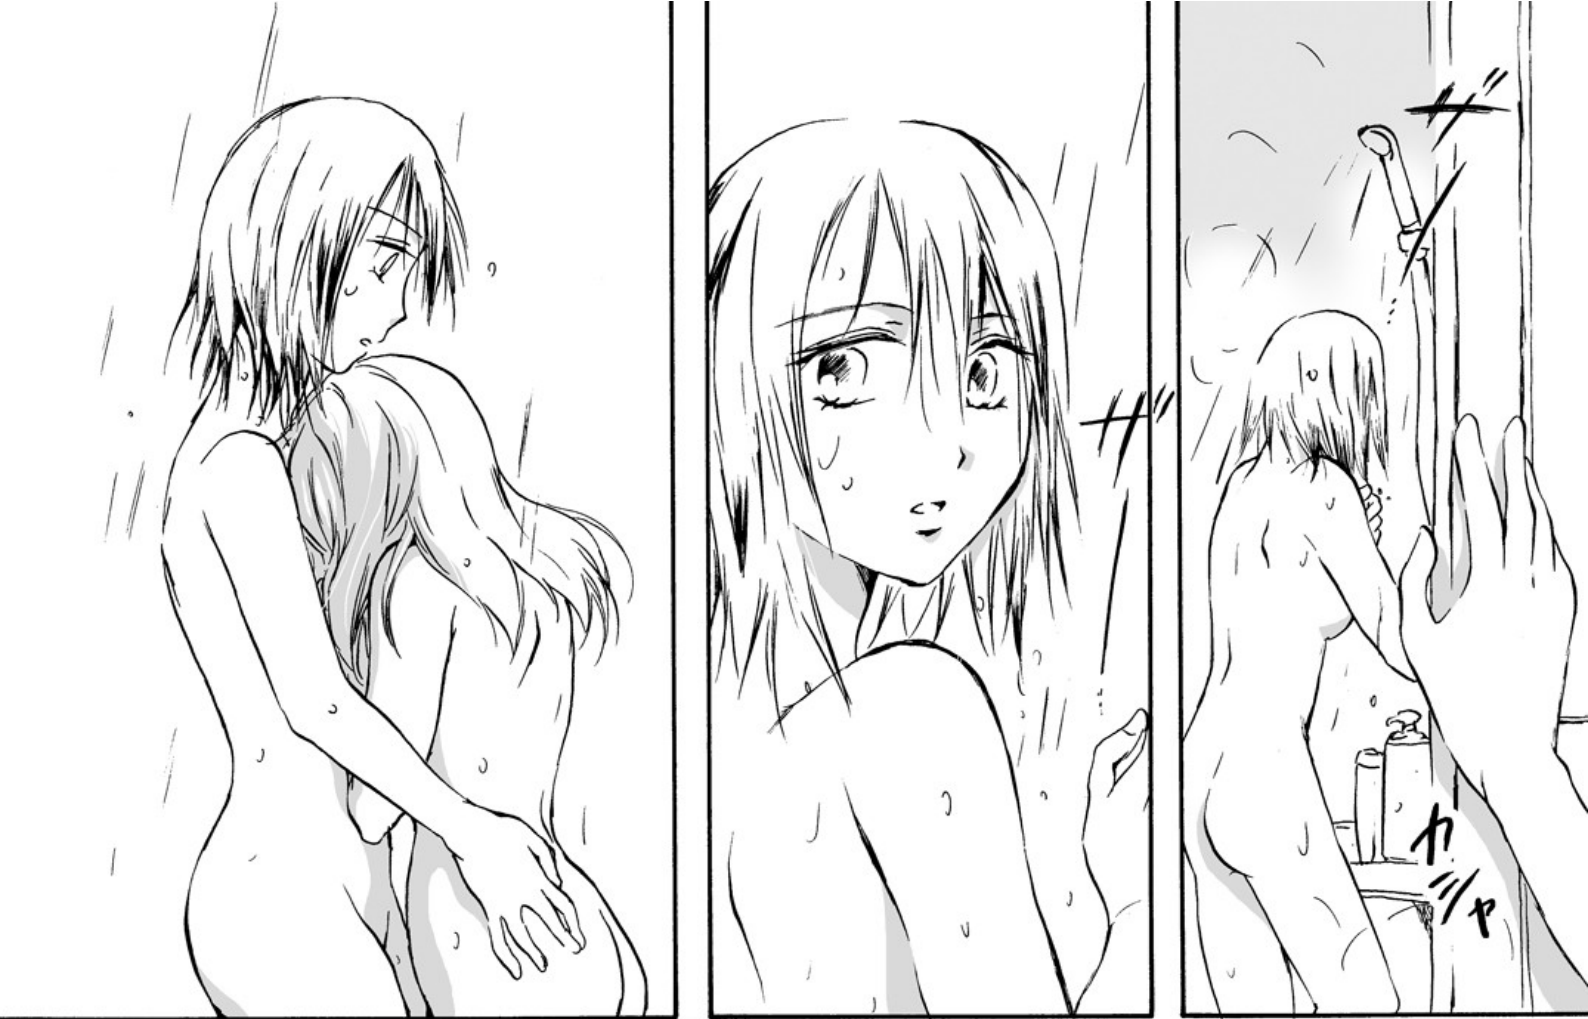

I'm taking a bath one. Haven't taken one in three days. Also, sorry to say this, but you smell a little, Yuuka.

It's delicious! It's delicious! Have you not eaten anything?

It's delicious! It's just rice porridge, though. I didn't know you had such talent, Runa.

Wait,  
Runa.

Wait.

I always  
wanted to  
run after  
her and  
say it.

Probably  
from the  
first time  
I ever  
met you...

I've  
always  
loved  
you.

I  
love  
you.

I love you,  
Yuuka.

Kissing more,

It's fine, right?

and touching more, too.

Embracing and hugging each other,

R-Runa, this is...

Talking about all kinds of different things, more...

Weird?

...No.

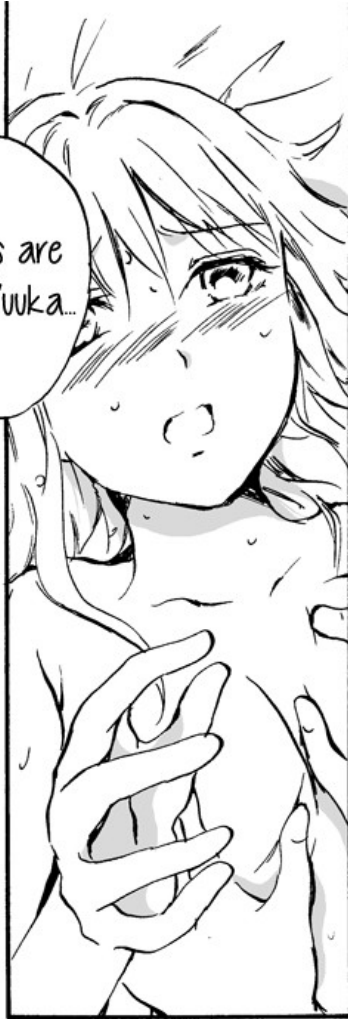

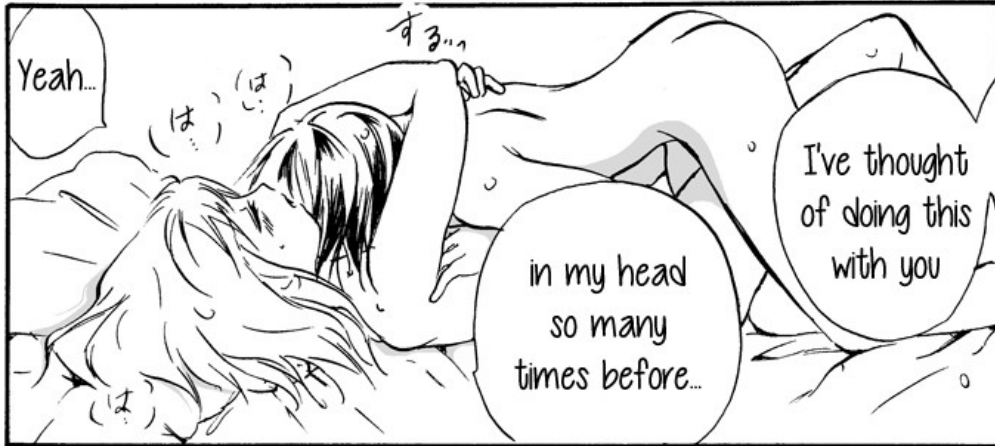

Uuu!

Yours are too, Yuuka...

They're soft, Runa...

Yeah...

I've thought of doing this with you in my head so many times before...

Sorry, Yuuka.

are making my head go numb.

Her hon-eyed moans

Surrounded by a sweet scent...

Fwa...

This isn't my imagination. Runa's naked skin is so warm, smooth, real...

It feels so good that I could go mad...

...Sorry.

I thought of it too.

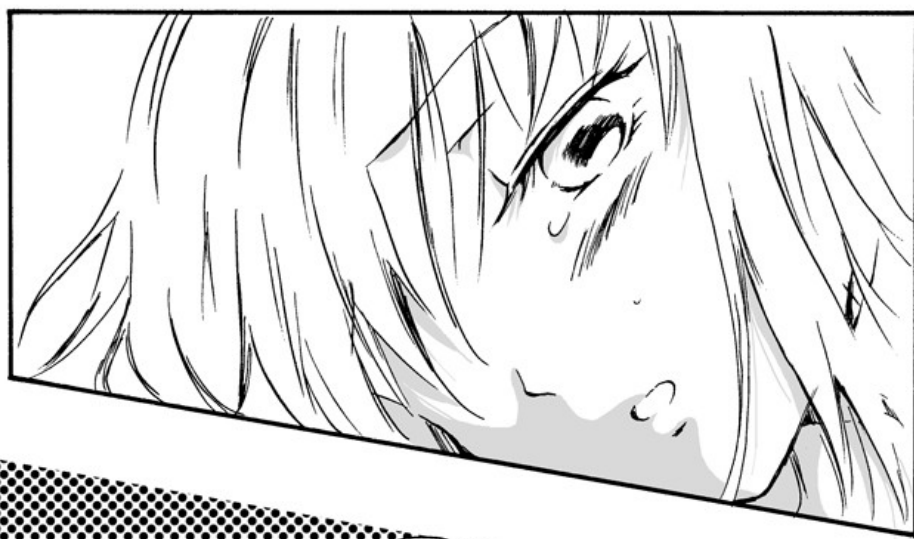

Hey, Runa, if we can't stand alone,

can we stand together?

walk together, or no?

Can we forever

truly love.

I'll test and see if this is

Yeah...

Stay together with me from now on.

Even after we graduate,

Runa.

Runa,

I love  
you...

We will go  
from friends  
to lovers.

That's the  
promise we  
made with  
this kiss.

31

You're  
all wet,  
Runa.

This  
is...

It's...  
not  
that,  
but...

no... Yuuka,

Ngh...

S-so  
are  
you,  
Yuuka...

You  
don't  
want  
to?

I'm always wet when I'm kissing you, Runa.

...I love you.

Ngh! Uuu!

Ah!

Fwa!

Ah!  
Ah...!

Ah!

Ah!  
Ah!

...I love you.

Runa...  
Aaah!

Ah!

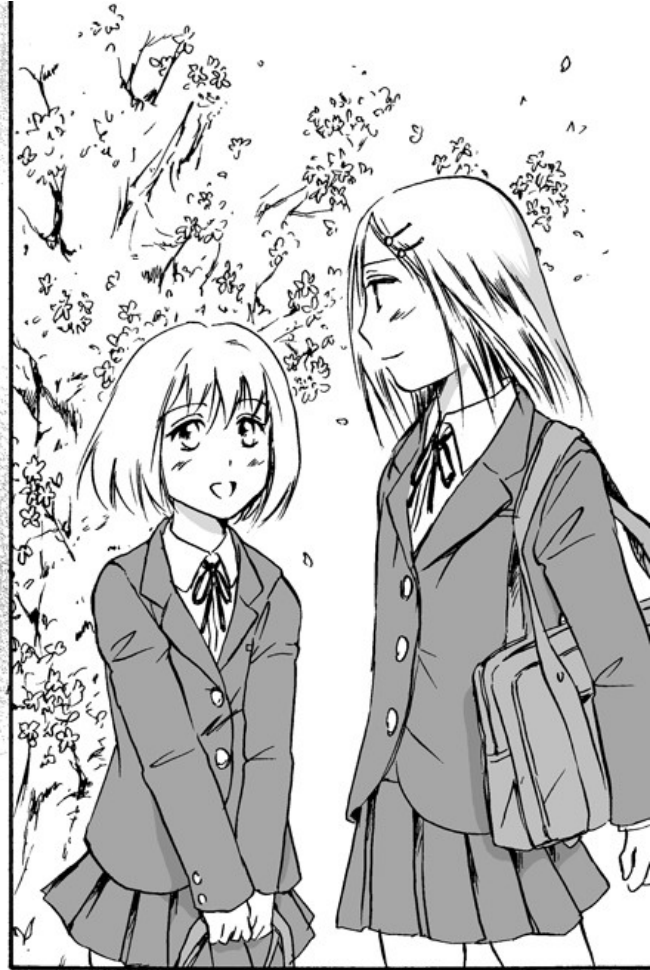

now  
can  
we,  
Runa?

We can't  
call this  
"Pretend  
romance"  
anymore.

That  
distant  
glimmer

becomes  
stronger  
as I  
embrace  
it in my  
arms.

We're  
going  
to  
become

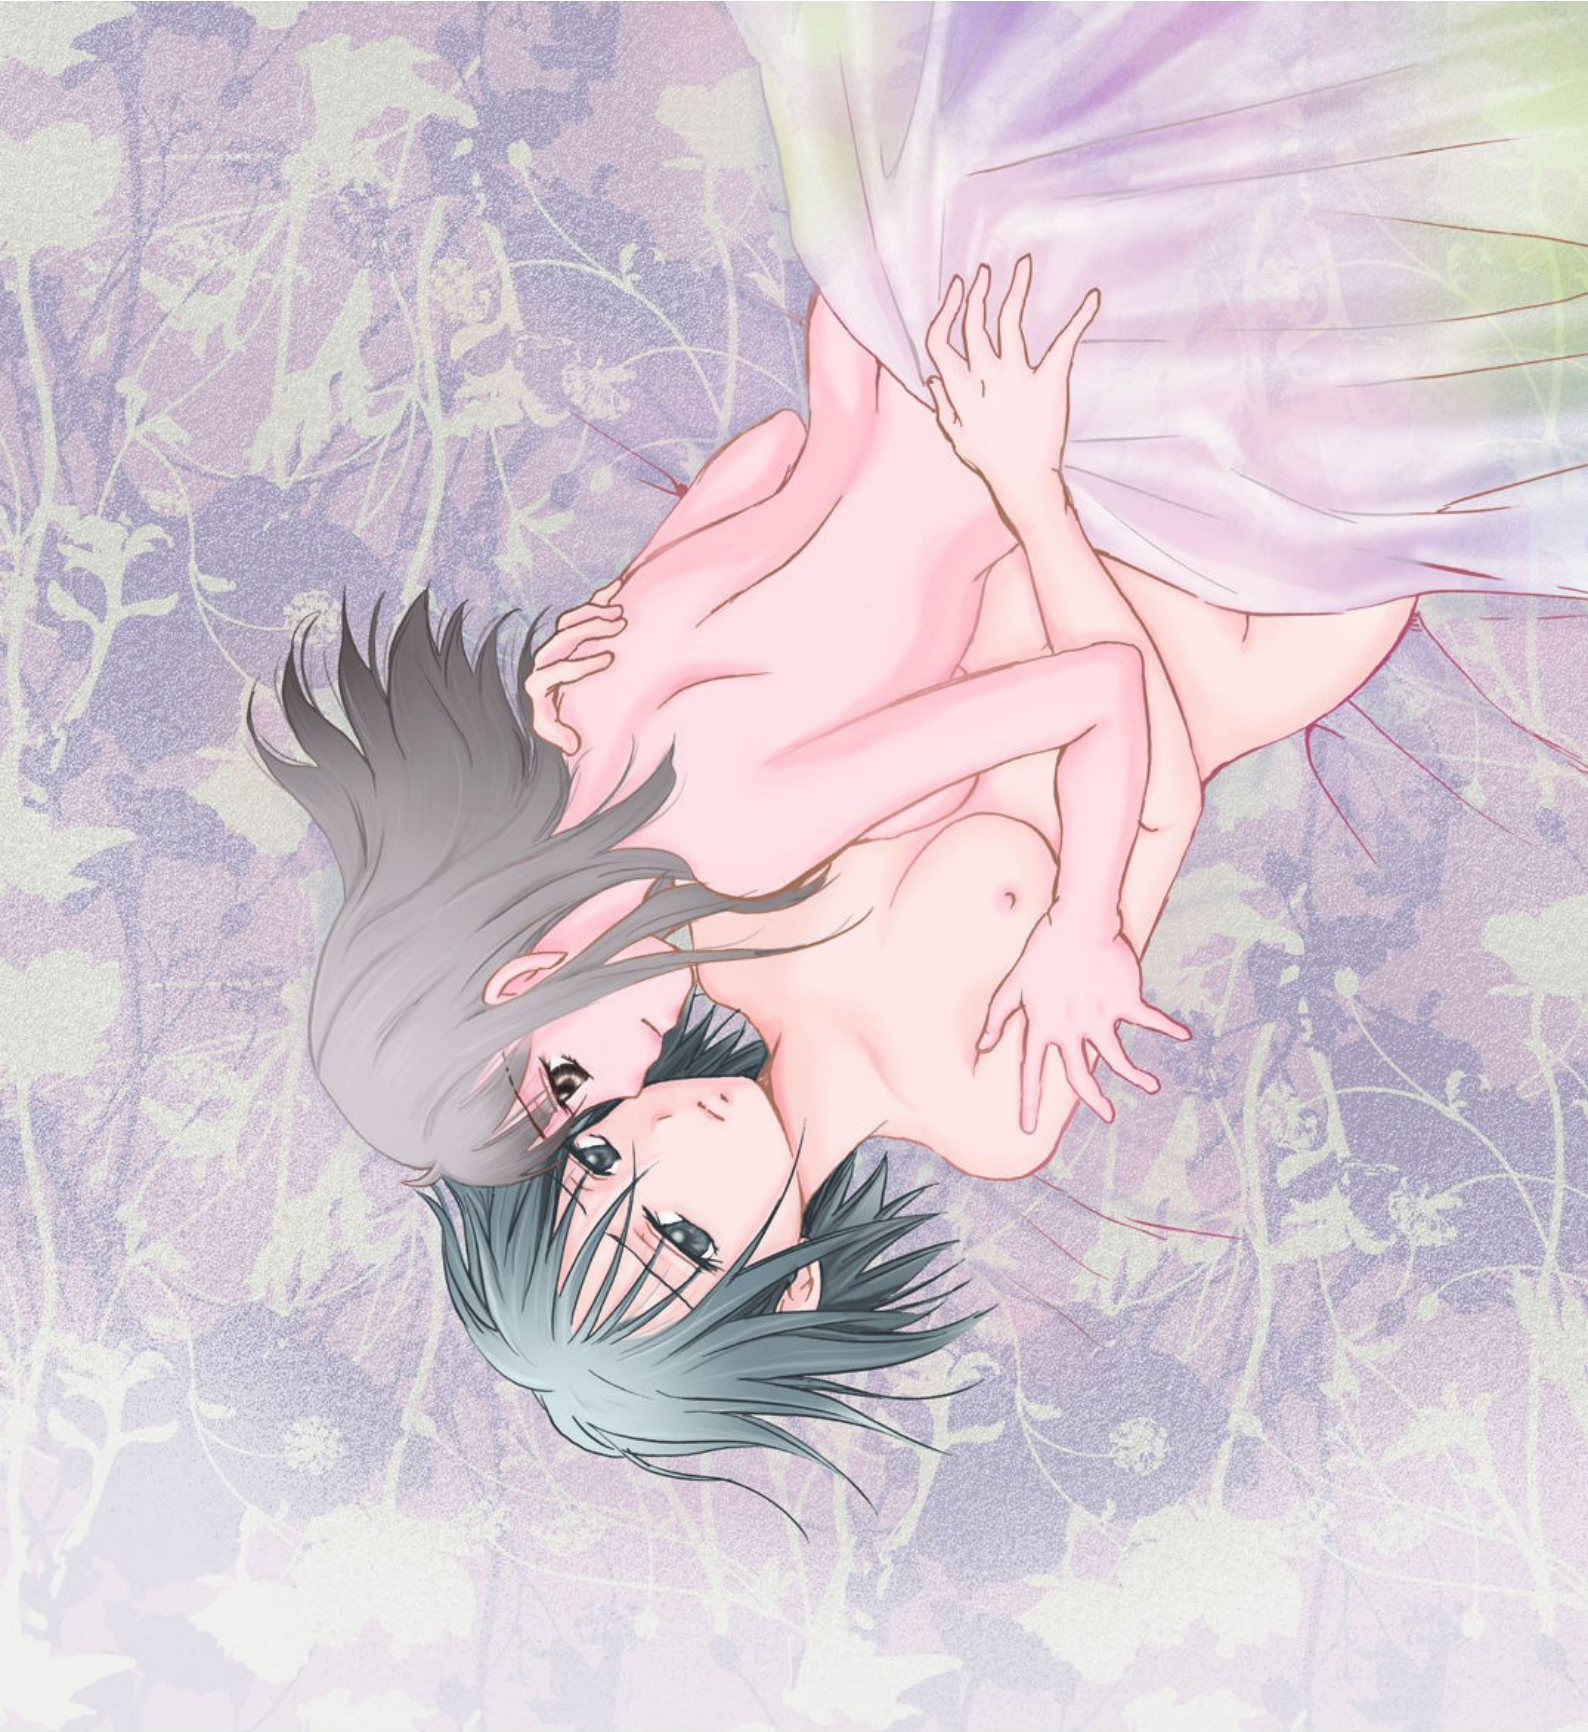

true  
lovers.
