『き』続『え』

えきせいのなつかしい

When the mirror granted this wish, it created a world where boys have no interest in girls' bodies...

Please create that kind of world...

A world where boys don't have ecchi thoughts when looking at girls' bodies...

They're saying you're a deviant, and stuff...

It's really weird! People are spreading rumors in class...

It sure seems that way...

In this messed-up world, wearing clothes is seen as deviant behavior, like going naked in the normal world...

You'd believe that I'm... a deviant...?

Look, Mika...

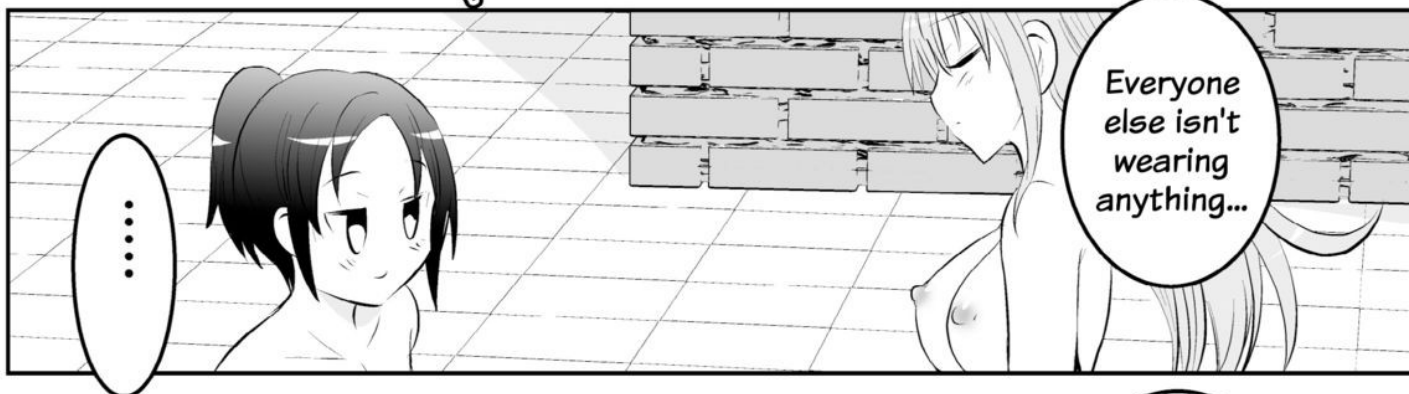

Being totally naked like this...?

Is this really okay?

Author's note

Thank you so much for reading the continuation
of "An Unperverted World"!

These five chapters of "An Unperverted World" were posted on
Fanbox/Fantia back in January. As an "exposure" manga, it
is very relevant to Suihei's "desires".

you can find exclusive original manga and illustrations.
Anyway, please enjoy~!
