

Fire
ball!

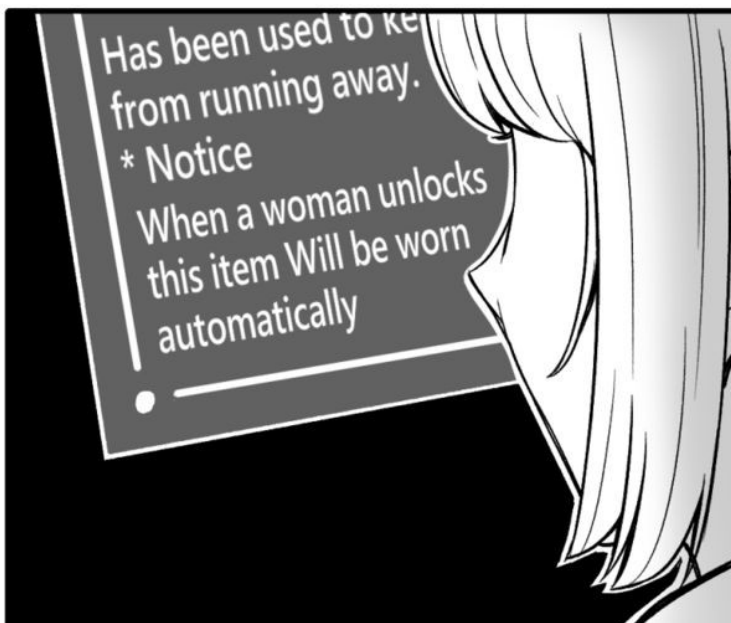

I got
nothing
today

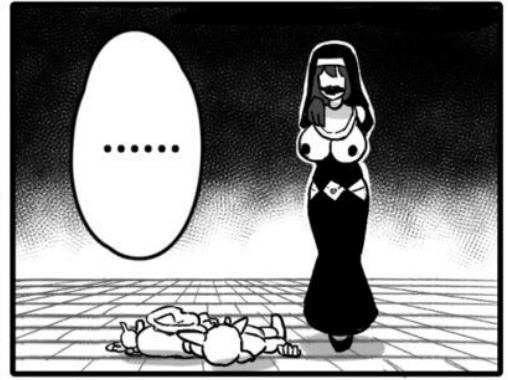

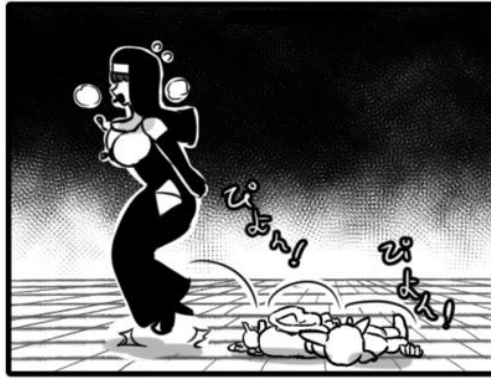

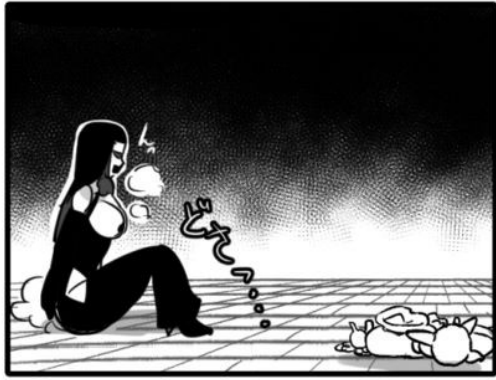

I need a
rare item
that I can
use...

My mouth is so tight clogged that I can't spell!

Are you kidding me?

In the middle of this dungeon?

My adventurer's life is over ...

My hands and feet are tied so I can't cover it ! embarrassed !

What the hell is this outfit?

may be a living
human amulet
of bad shamans!!

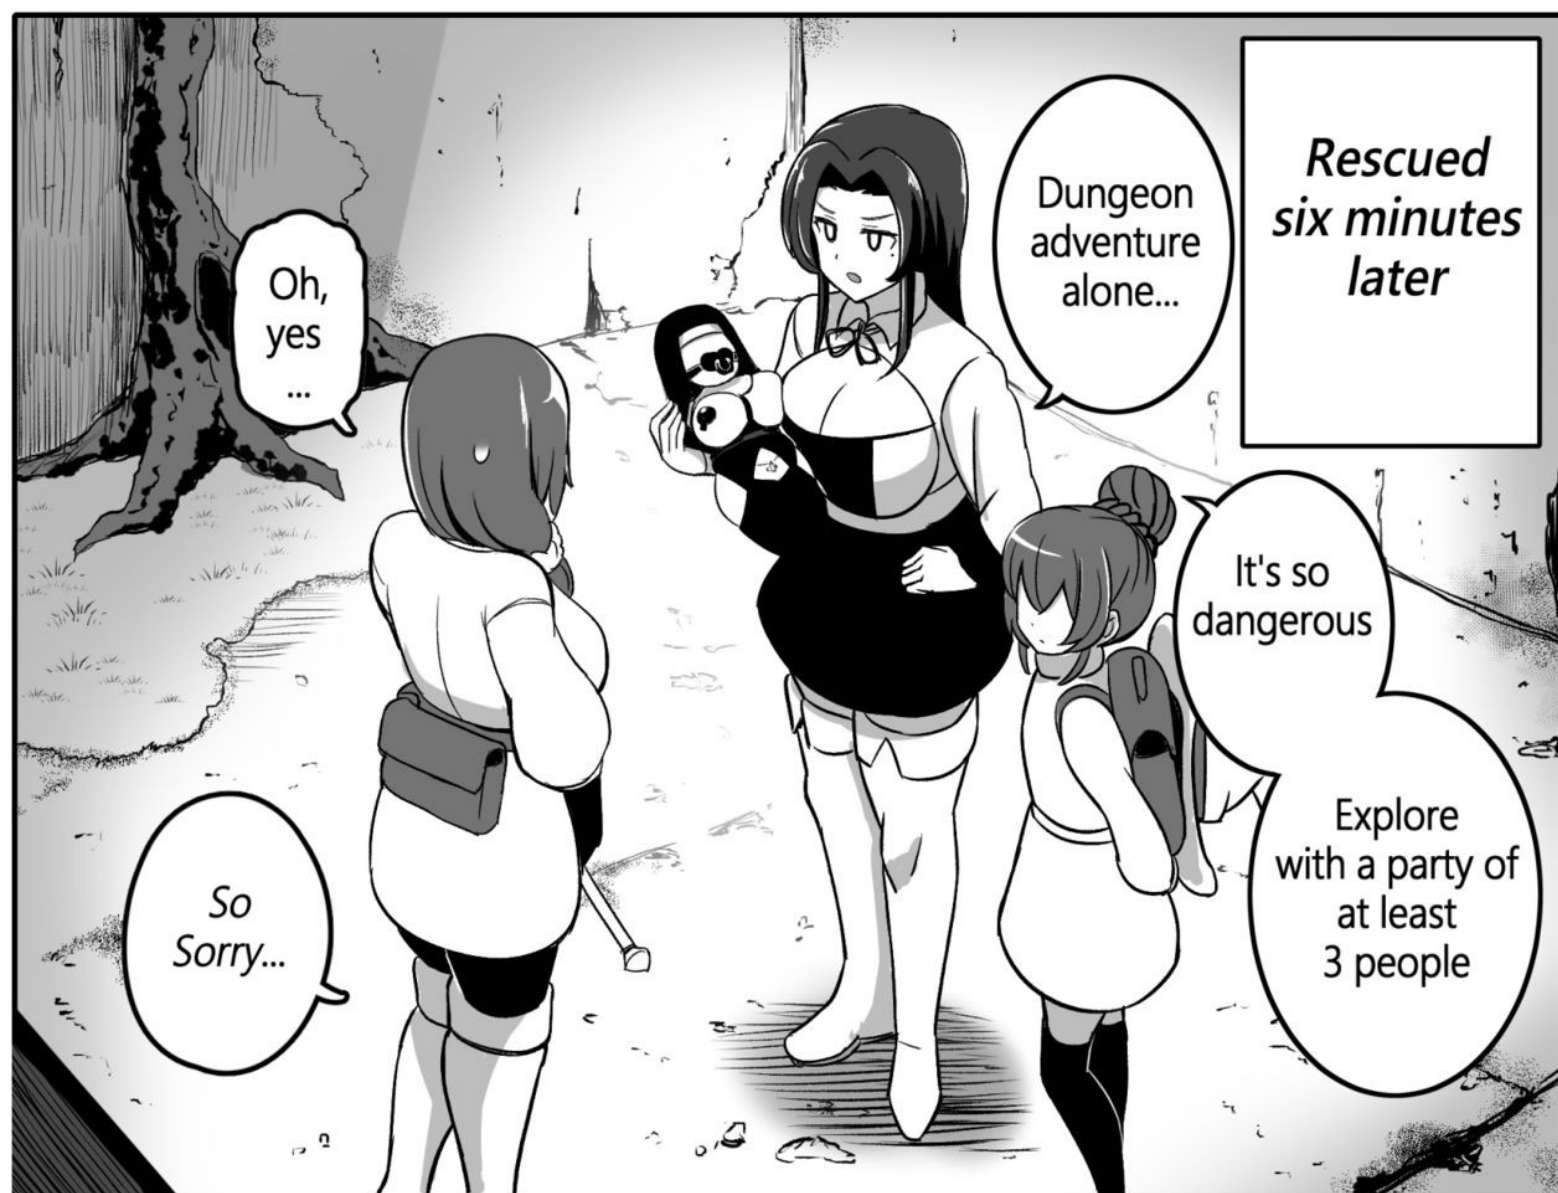

may be live as an orc's
fella slave forever!

I might be caught
by a goblin like this
and used like a pony!

What am I going to do
from now on ?!

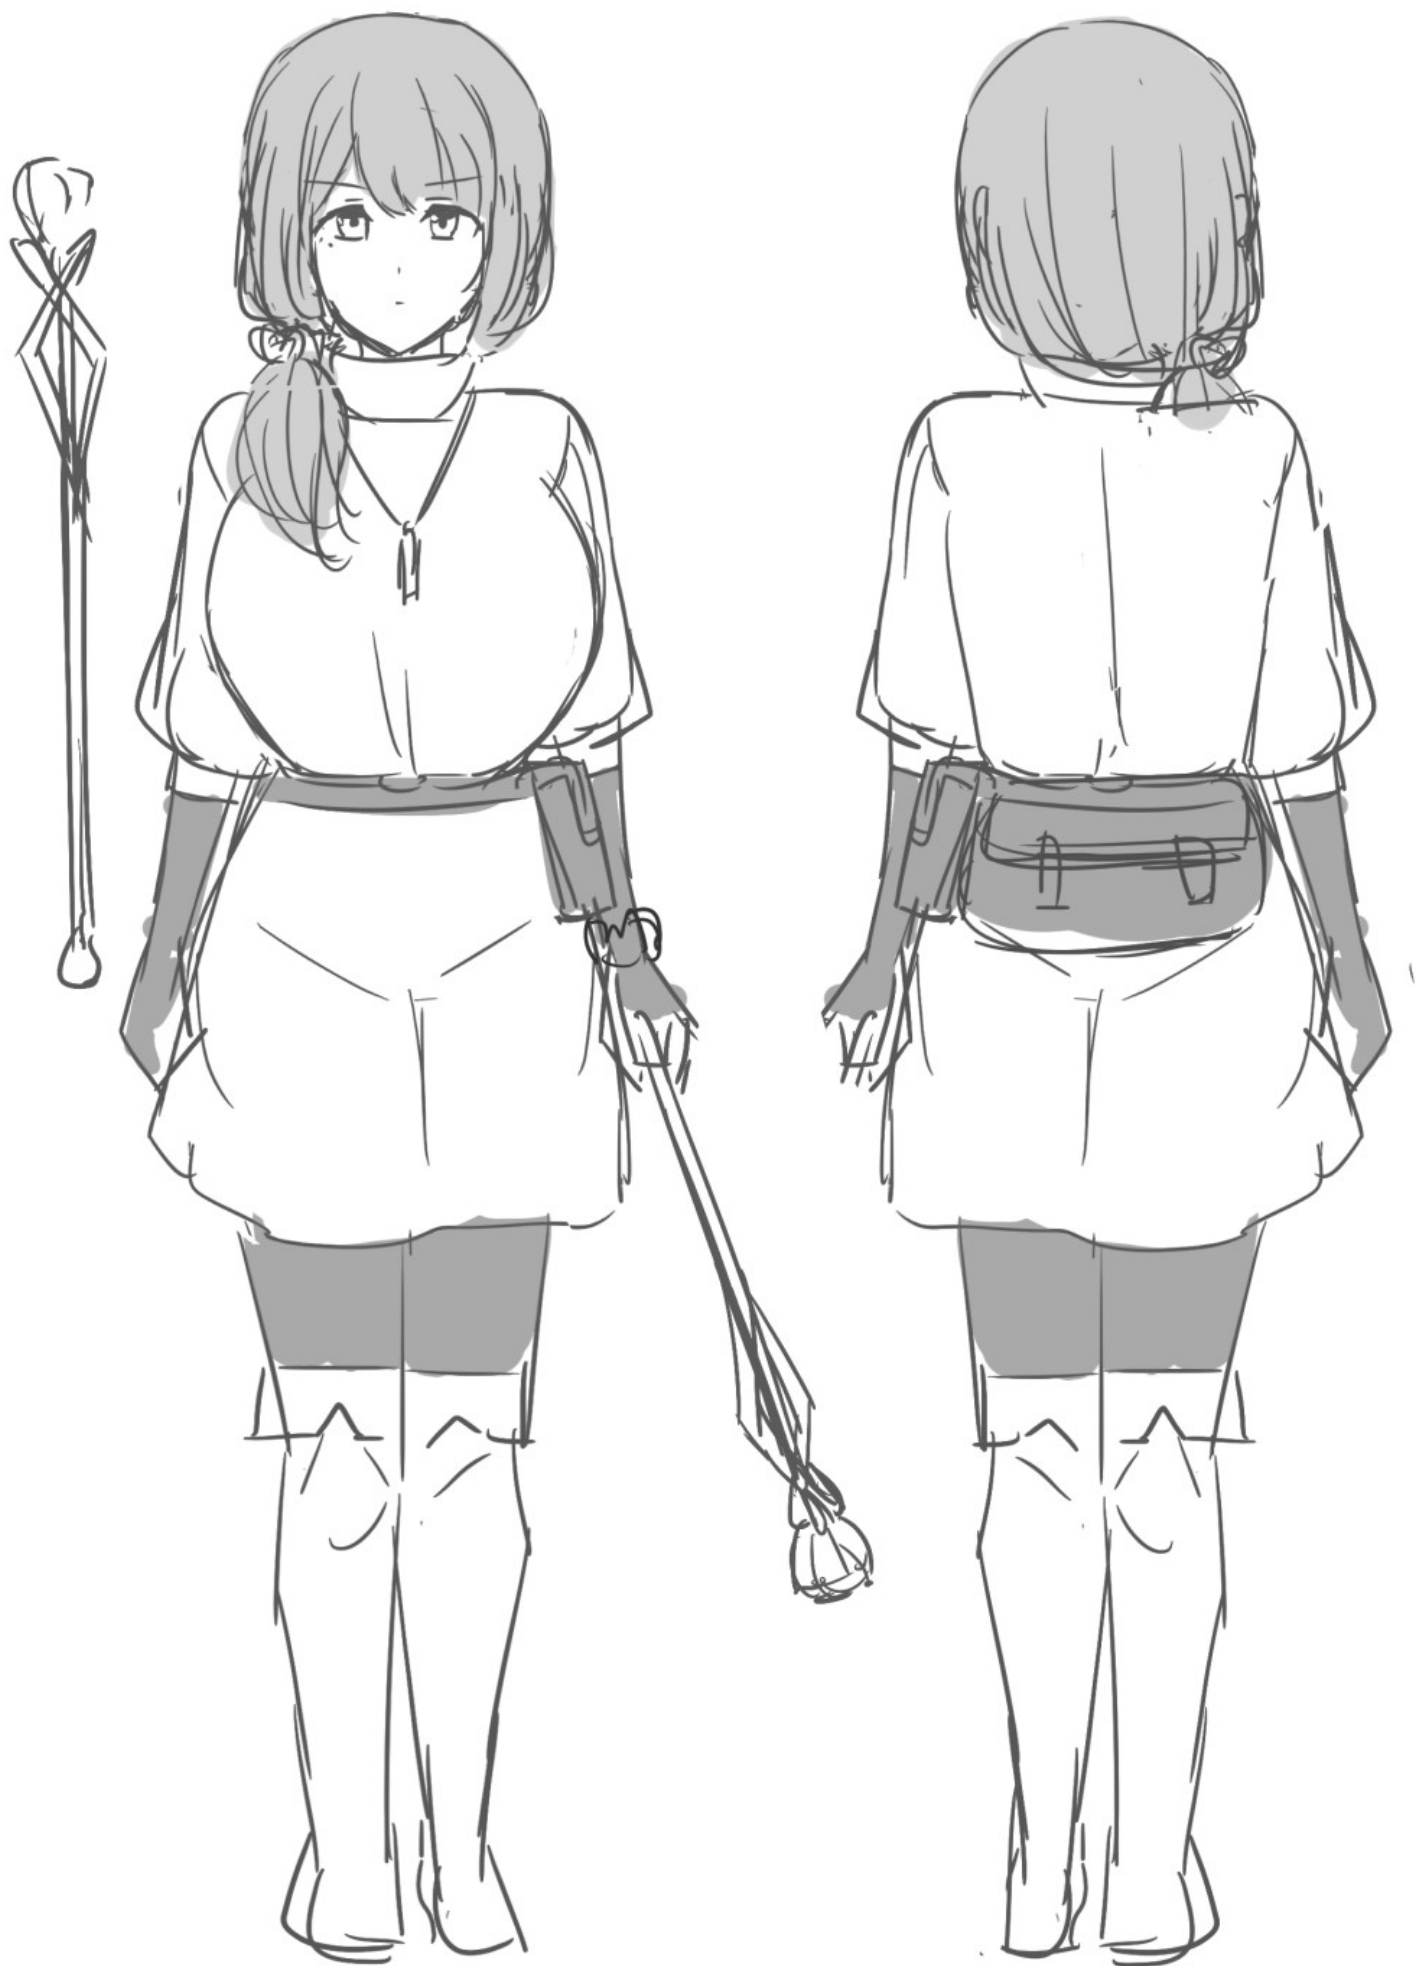

Corrupt
aristocrats
stigmatize a girl
they liked.
It was used to
take her
to the castle
in a silence

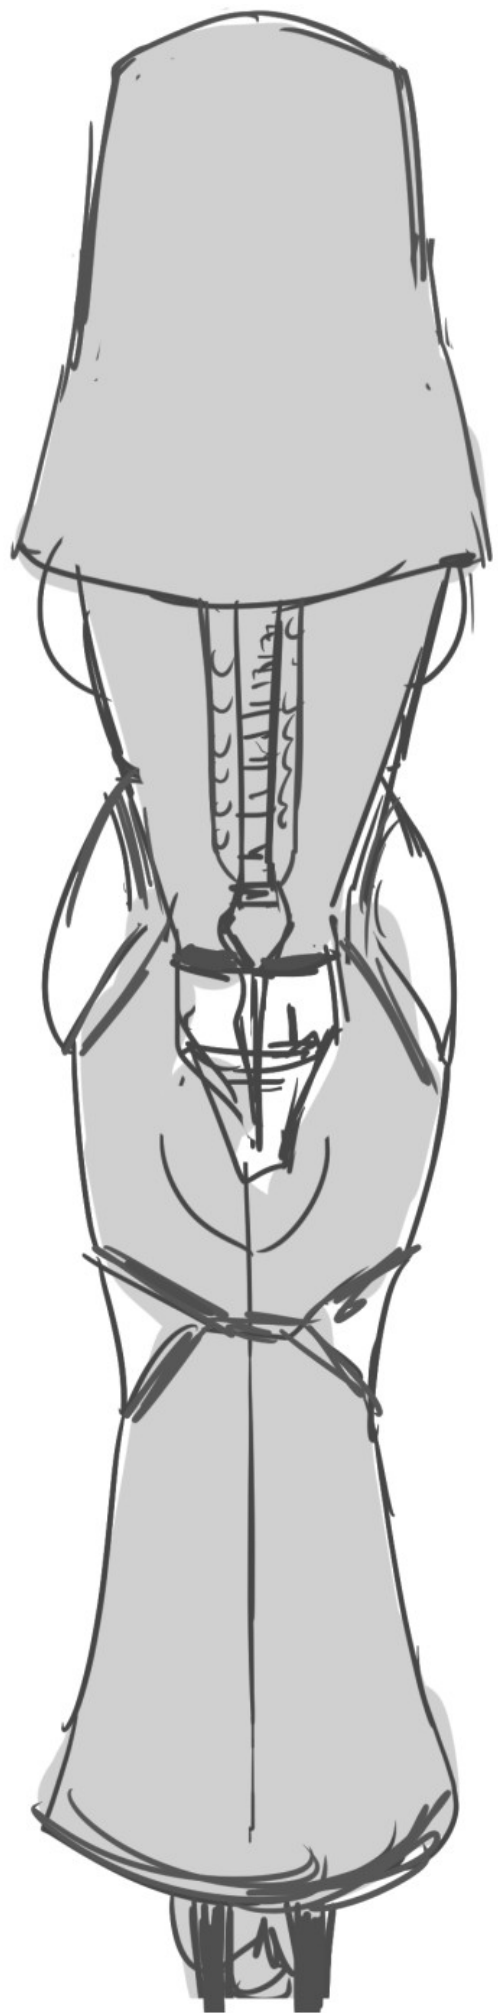

Deep
inside the
castle,
a woman is
trapped.

Most of them
live as
sex slave
of the nobility,
unable to
escape.
