AH...

WHAT DO YOU THINK, MURAYAMA-KUN?  
DID THIS HELP YOU OUT AS A REFERENCE?

HUH?

Thick

This person's name is Mamiya Kaoru.

モデル

We're both in the same high school, same class, and same manga re-search club.

O-oh, yeah. Sorry about that. Uuh... Well.

Th-the way the clothes are made were definitely a good reference.

Ahaha! That's good.

I had Kaoru be a model today so I can study how to draw...

...How-ever...

ニヤニヤ

...Even so, I'll admit that I have thought he was a little cute at times.

He's usually plain, aloof, and very quiet.

Believe it or not, he's a dude.

Interested in his unexpected answer, I decided to visit his house.

I HAVE GOOD REFERENCE MATERIAL AT HOME.

Don't you think drawing our uniforms is kinda difficult? Is there a trick to it, or...

I decided to go all out and ask him for help with my drawing...

U-um... one day,

I inconspicuously searched for an opportunity to become friends with him, and,

ANYWAY...

...WAIT, NO. REGARDLESS OF HOW GOOD HE LOOKS CROSS-DRESSING, HE'S A DUDE!

Ah! Murayama-kun! Welcome!

The Kaoru-kun that suddenly came to greet me there was like a different person, in both appearance and personality...

Comments: Sorry if I ruined this page for you, but I can't be the only one that thinks that ass looks like a face. It's the two black bubbles that do it. The flaccid penis even kind of looks like an elephant's trunk or something. Maybe I'm just out of my mind. Anyway, new artist here, but I liked it. Before anyone mentions it, which someone always does, "pew" is not a meme, it's a very literal translation of the sound effect. In fact, it's actually a transliteration of it, "pyu." It's generally (at least in my genre of choice) a weaker, sort of "cute" seeming ejaculation, as opposed to something like "byuu" or "byuru" being more of a traditional "splurt" sound. See, this is the kind of knowledge you can bust out to impress one of the Great Old Ones if they happen to want your cock, as is pictured above.
