THE DAY WE MOVED INTO THAT HOUSE, I WAS RAPED BY A GHOST.

FROM THAT DAY FORWARD, THE GIRL WAS RAPED BY THE GHOST EVERY FRIDAY.
THIS IS A TALE POSSESSED WITH HER FOOLISHNESS, HER WORRIES, AND A TINGE OF HORROR.

CHARACTER INTRODUCTIONS

MIDORI NINOMIYA

The poor girl who was raped by a ghost on the day she moved in. She thinks she wants to do something about her situation but is unsure of what exactly. Confounded by her predicament, she had found herself getting whisked away by the trappings of pleasure once again. She is aware that this is not a good direction to be headed in.

THE GHOST

He is a lustful spirit, an impure soul which wanders with a powerful sexual desire. Every week on Friday he'll appear solely for Midori. Why this is currently remains unclear.

Haaa~
This month's "Shine! Girls' Style" had so much good stuff in it, ahh~

IT HAS BEEN SEVERAL WEEKS SINCE WE MOVED AND THE GHOST SHOWED UP, AND IT IS NOW THURSDAY...

My First Tampon

I've never used one before. Will I be alright?
As long as you carefully follow the instructions with the packaging, anybody can use them.

There really won't be any discomfort?
With use of the applicator to place the tampon in the correct position there will not be any pain or discomfort, so you can happily go on about your day.

I heard it could tear my hymen. Is that really true?
The hymen is a thin elastic piece of tissue that partially covers the entrance to the vagina. Located at the center part of this tissue is a hole around 2cm in diameter. This will be more than enough space for the 1cm diameter of a tampon. As long as you are not forceful, a tampon will not tear your hymen.

It seems like it would hurt to put in...
An "applicator" will help you guide the absorbent part of the tampon into your body. It's a painless process! When going to insert the applicator it helps to take a moment to relax your body. Let the tension out of your muscles and don't strain yourself.

What if I push it in too deep?
Deep inside the vagina is a small opening to the womb about 2-3cm in diameter called the cervix. Tampons range in sizes but are generally around 1cm in diameter. With the difference in size there is no way it can get stuck in there.

The tampon string won't break on me?
The tampon string is very durable and usually made of the same material as the tampon and is sewn onto the extra piece of tissue with a quick tug just

AFTER YESTERDAY'S PLAYDAY IT HAS NOW TURNED TO FRIDAY, AND CURRENTLY...

When I try to go to sleep this ghost always show up. He touches me, and it's really starting to bother me. I'm having a hard time dealing with it. Is there some way to get rid of it?

AFTER YESTERDAY I DID A BUNCH OF THINKING... WITH A HEALTHY DOSE OF WORRYING OVER MY CURRENT SITUATION. EVENTUALLY I ENDED UP CONSULTING THE INTERNET FOR HELP.

MOST OF THE COMMENTS JUST MADE FUN OF ME OR THREW OUT IDEAS THAT WEREN'T REALLY FEASIBLE, HOWEVER...

"Ghosts don't exist if you don't believe in em 😏"
"Did you try an exorcism?"
"Oh you're just pent up I bet."

 inochi...
Couldn't you just run away?
 fashionloli-conyurusa
Cool story bro, next!

Run away...

I can at least hide some-where...

Hmm, I can't really sneak out of the house at night, but...

He can only do all that stuff to me 'cause I'm here in my bed.

Yeah, that's right...

Huh, so sneaking out of bed was all it took to give him the slip. What is he doing? Is he looking for me...?

SO NOW I'M HERE HIDING OUT IN THE CLOSET...

If it's just some light touching I can keep quiet...

Should be fine, right?

But if I were out on the bed, right about now he'd usually be...

Mnnnh...

Just a little bit...

GHOST'S

THAT
DAY...

ガッ!

AND GHOSTS CAN BE FRIGHTENING THINGS.

IT'S NOT LIKE I'D FORGOTTEN OR ANYTHING.
HE IS STILL A GHOST...

ガッ! ガッ! ガッ!

ガッ!

THAT FIRST GLIMPSE OF HIS VOICE HAD A TONE THAT SEEMED TO BE HAPPY ON THE SURFACE, BUT...
IT ALSO STILL CARRIED A TINGE OF SADNESS...

ガッ!

THOUGH THERE WAS NO MISTAKING THE ANGER IN HIS VOICE THAT I HAD TRIED TO SNEAK AWAY.
THAT SCARED ME INTO TRYING TO GET AWAY AGAIN.

WHEN I THINK ABOUT IT, THAT PROBABLY JUST MADE HIM EVEN MORE ANGRY.

ガッ! ガッ! ガッ!

USUALLY I'D BE UNDER SLEEP PARALYSIS, BUT TODAY HE WAS ACTUALLY FORCING ME DOWN...

THEN HE STARTED LICKING ME DOWN THERE.

Wha?
Ah!

IT WAS A BIT SHOCKING SINCE HE'D NEVER DONE THAT BEFORE...

Ah...
Huh?
my Pajamas...

Slurp

Ah!

K!!!

Please ghost...

I COULD FEEL THE CHILL FROM HIS LONG TONGUE AS HE LICKED ME. IT WAS LIKE HIS TONGUE WAS STILL ALIVE.

HE STARTED DIGGING IN AND SUCKING MORE.

At least do this on the bed...

I COULDN'T MOVE AN INCH AT THAT POINT. IT WAS HARD TO TELL IF I WAS OVERCOME BY PLEASURE OR BY FEAR...

I STILL FELT AS GOOD AS I ALWAYS HAD...

EVEN AS I LAY THERE TERRIFIED... WITH THAT FRIGHTENING GHOST BEHIND ME...

THEN CAME THE MOMENT...

I TRULY FELT HAPPY.

THAT MOMENT WHEN HE PUT IT IN ME...

Squeezed

BUT I COULD TELL HE POUNDED MY TUMMY A BUNCH LIKE USUAL...

MY MEMORY AFTER THAT IS A BIT HAZY,

HE KEPT SPANKING MY BUTT TOO. I GUESS THAT WAS MEANT AS A PUNISHMENT.

Oh! ♥
Your penis is so deep it's poking my tummy! ♥

There! Ah! ♥
I never knew that spot was so good! ♥

IT ALL WELLED UP INSIDE ME, AND FOR THE FIRST TIME... I CRIED HELPLESSLY.

AND EVEN A PANG OF HEART-BREAK FOR SOME STRANGE REASON...
THAT MIX OF PURE FEAR, SOMBER SADNESS, PLEASANT TINGLING,

MY CLOTHES WERE LEFT TOSSED AROUND EVERYWHERE, AND ALL THE CARING GESTURES WERE GONE.

BEFORE I KNEW IT, THE GHOST WAS GONE, BUT THIS TIME WAS DIFFERENT THAN USUAL.

JUST WHAT'S GONNA HAPPEN TO ME AFTER ALL THIS...?

SEQUEL PREVIEW

PLEASE PREPARE FOR CHAPTER THREE, "ALL WE HAD IN THE HOUSE WAS GLADE!" (LIE)

Thank you so much for purchasing the e-version of "There's a Presence in My House: Hide-and-Seek Chapter"! I put out the physical versions of "A Playday to Herself" and "There's a Presence in My House: Hide-and-Seek Chapter" separately, but as I was drawing the hide-and-peek episode I had a plan to combine them which then became the e-version.

I plan to conclude the ghost series with the next one, though it seems like it's going to be pretty long. I may split that chapter up. I get the feeling the horror element on the next one will be around the same or a little lower than this one. I would be quite happy if you do choose to stick with me until the end.

I've bought so many tampons for my exes, but never once checked if instructions in them were on the packaging or as a separate booklet. Thank you for the contribution of more strangely specific shit in my search history for translation research.
