

The real vore of the gaint girl

Anti-
digestion

Ah~

CRASH

CRASH

You, too eat!

How much do you eat?

I'm caught!

Catch

No!

I'm in the vore position.

End of consistency

Ah~

I bought a medicine some time ago.

"anti-digestion"

I must drink it.

Lush

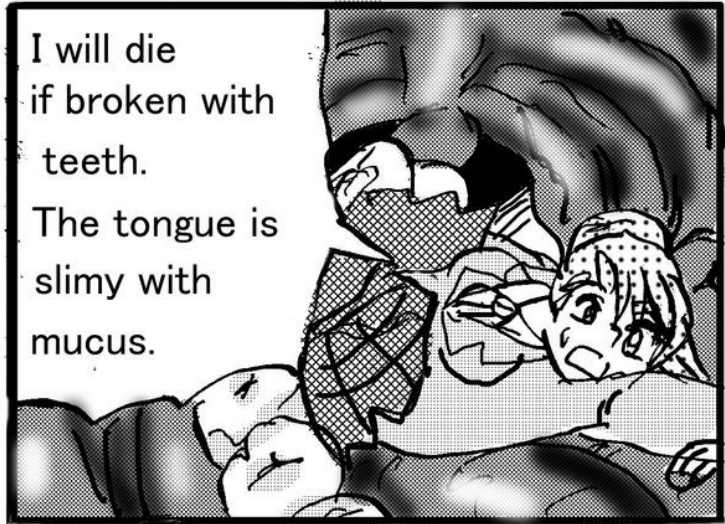

Anti-digestion
coating
This also allows
me to go
through the body.

Drop

I will die
if broken with
teeth.
The tongue is
slimy with
mucus.

Clothes
are
peeled
off

Thick

SUCK

SUCK

Stop!
I feel
so...

My body
feel
ecstasy

The hell
of a
pacifier

chew
-ing

Next time
I will be
swallowed.
I'll go
down,

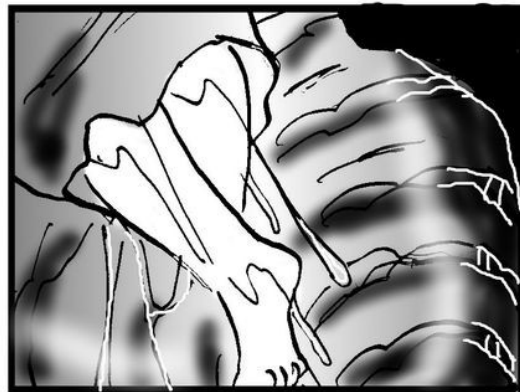

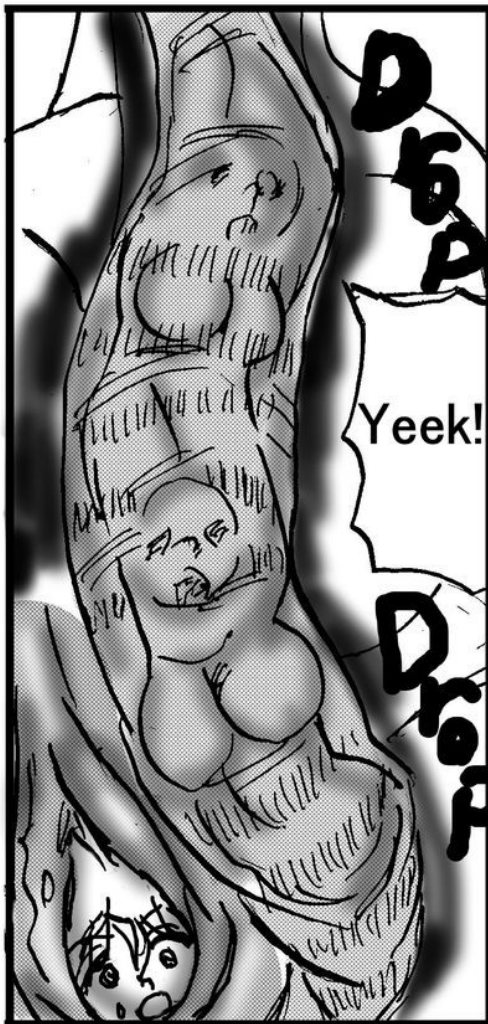

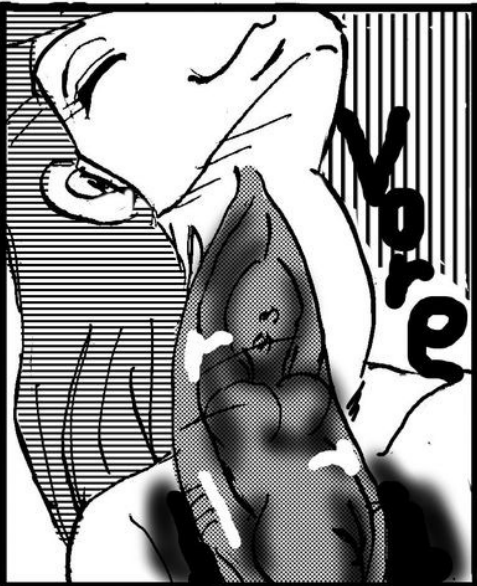

Waste

Oh!
Come on!
Come on!

I must
bear...
I have to
go down
early.

Sticky

Hollow

The powerful
gastric juice
melts them
mercilessly.

Jerke

This melts
them to
the bones
alive.

Their clothes
melt,
They become
naked, and
foam.

Jerke

Jerke

Ah...

Lick

She is digested
and has the
illusion of
ecstasy.
They have
no sight

I'm safety.
But...
Yeek!

What!

Kiss

Kiss

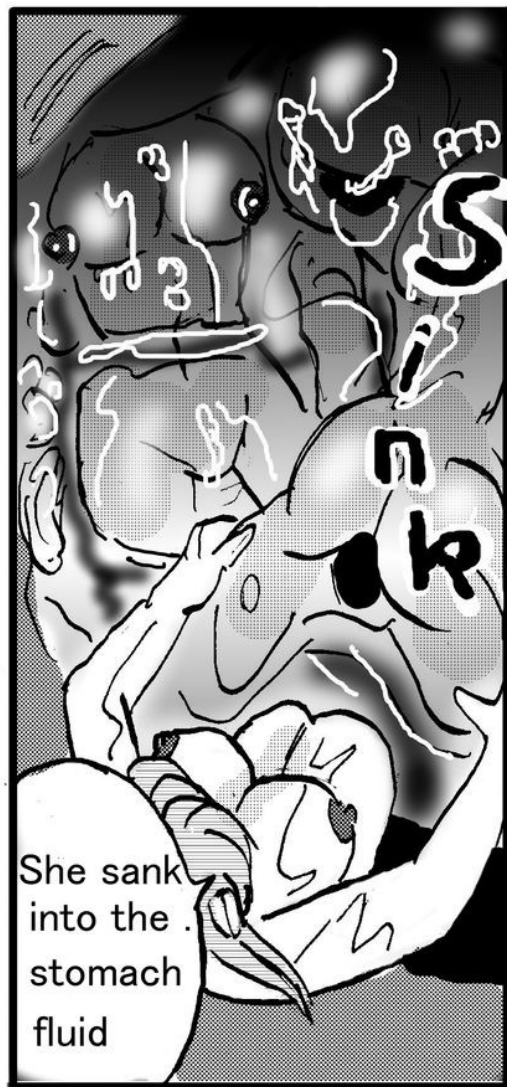

Ah

Lick

Lick

Lick

Up

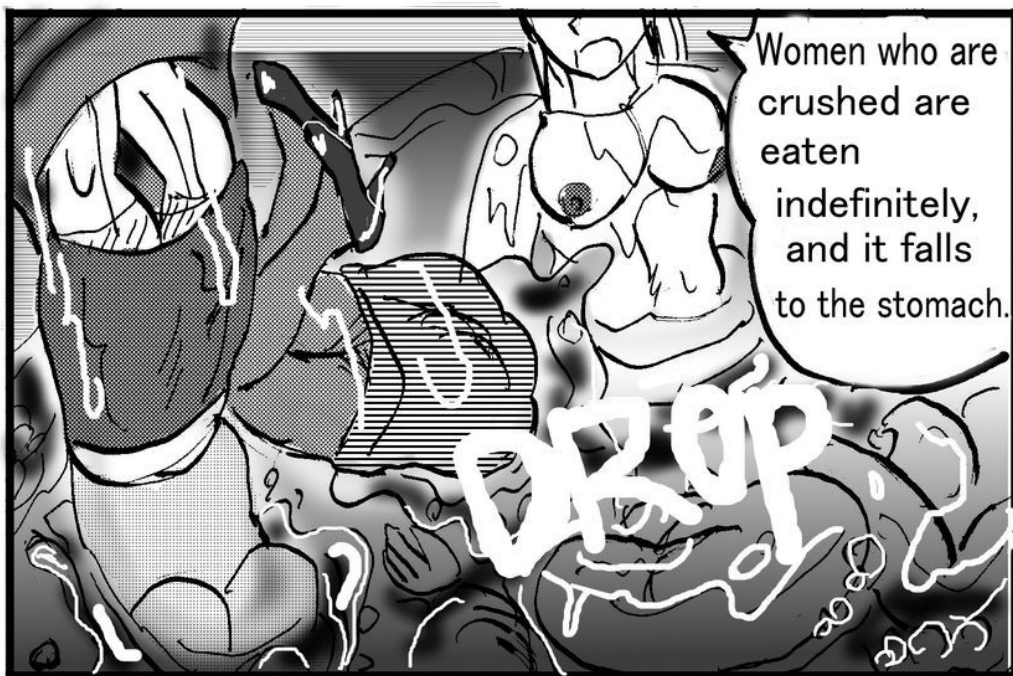

She sank into the stomach fluid

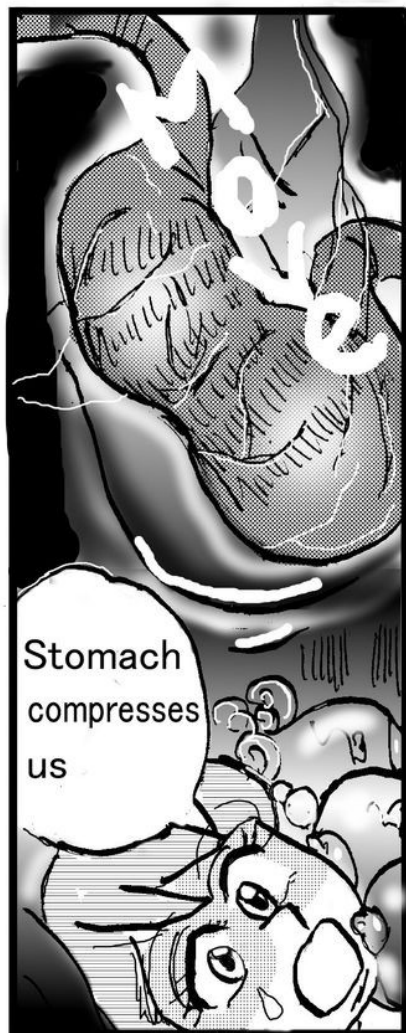

I'm no problem. But...

Will I keep seeing them digested from now on?

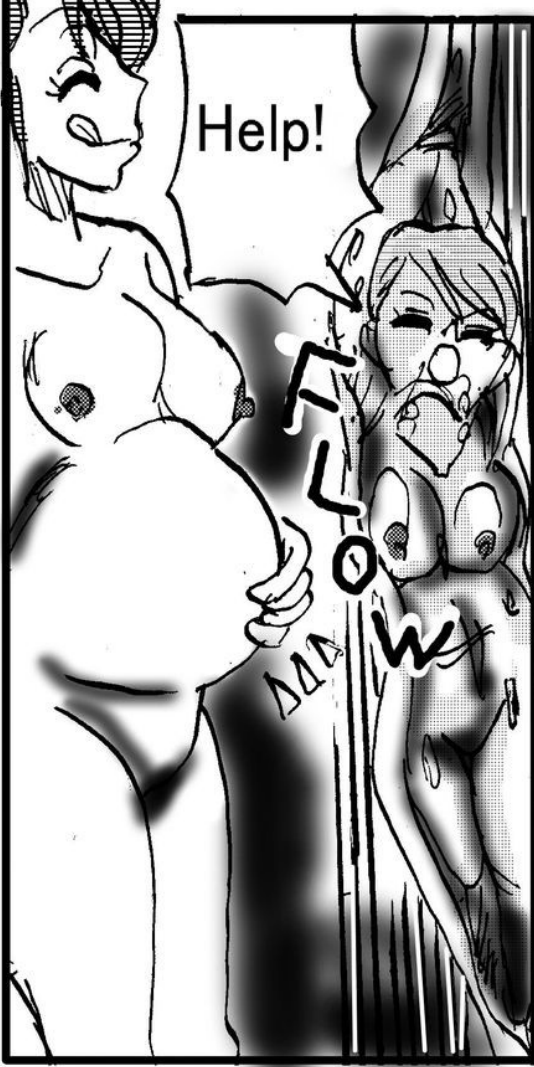

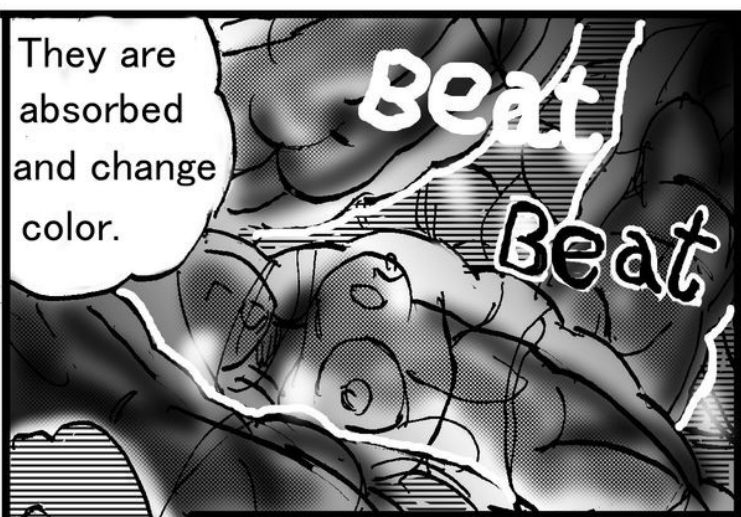

Women who are crushed are eaten indefinitely, and it falls to the stomach.

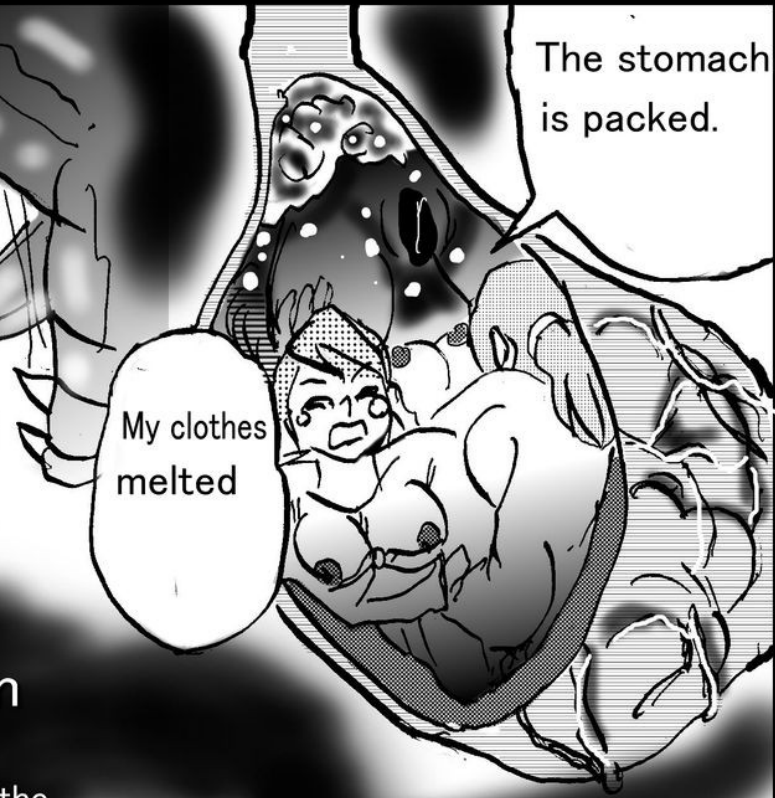

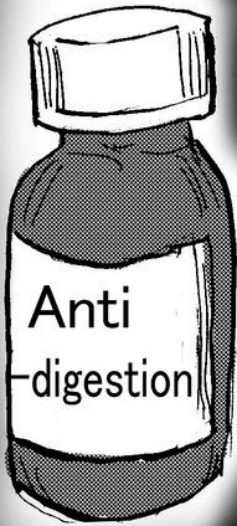

Stomach compresses us

Noo!

The stomach is packed.

My clothes melted

Drink before you are eaten

efficacy
Anti—Digestive
oxygen supply

attention
We do not guarantee the
mental burden of internal organs.

Women's
skinn is
slippy.

Come on...
Come on...

I will
be pushed
out of the
stomach.

They are
sucked in
the small
intestine.

The color
of their
bodies
changes
gradually.

I will
be washed
away.

I'm out.
Puha!

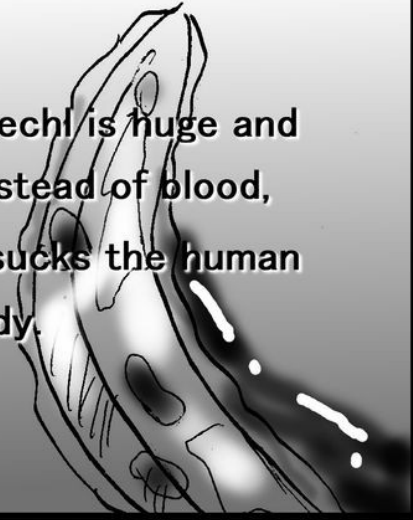

Man-sucking leech fear

Leech is a creature that lives in wetlands and forests and sucks blood from prey that passed by.

Leech is huge and instead of blood, it sucks the human body.

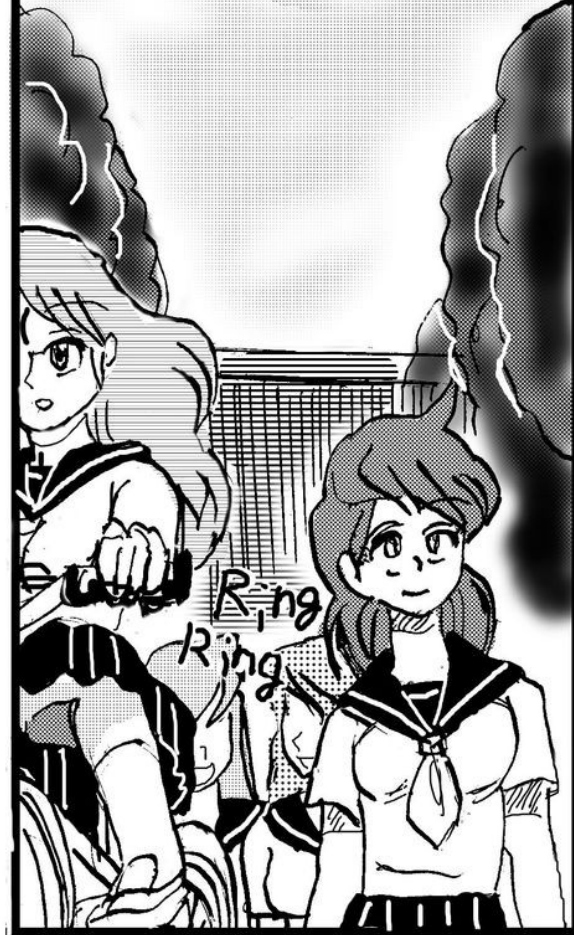

Bell
Bell

Occasionally, there are many incidents where students are missing in the school. That seems to have happened a lot this year.

Ring
Ring

Where is the girl
inside
Only clothes
remain....

Yee!

GRASP

Help me...

Nooo!

S
P
I

crush
&
crush

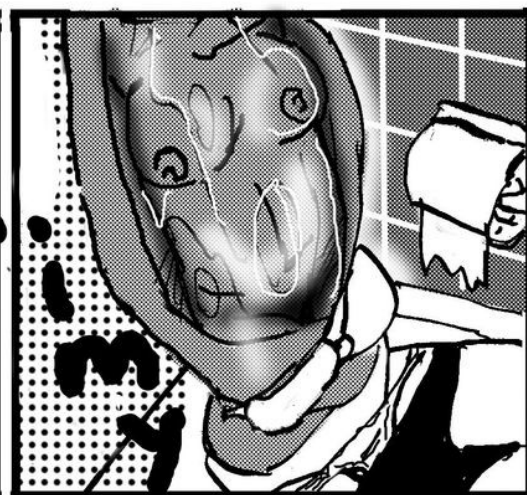

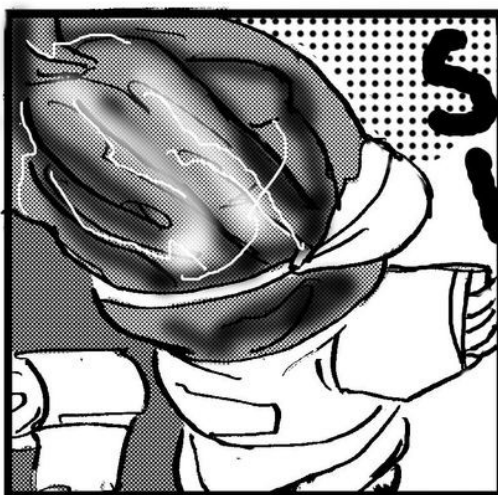

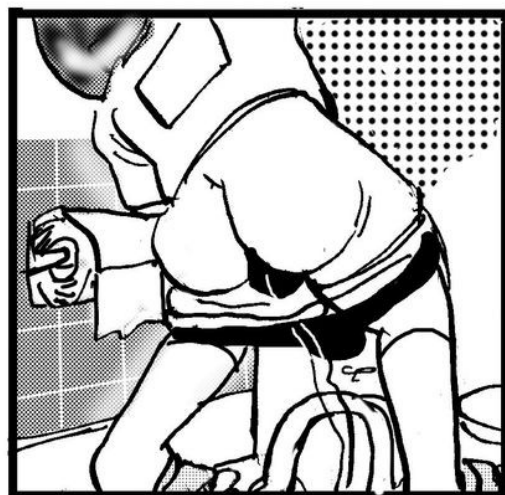

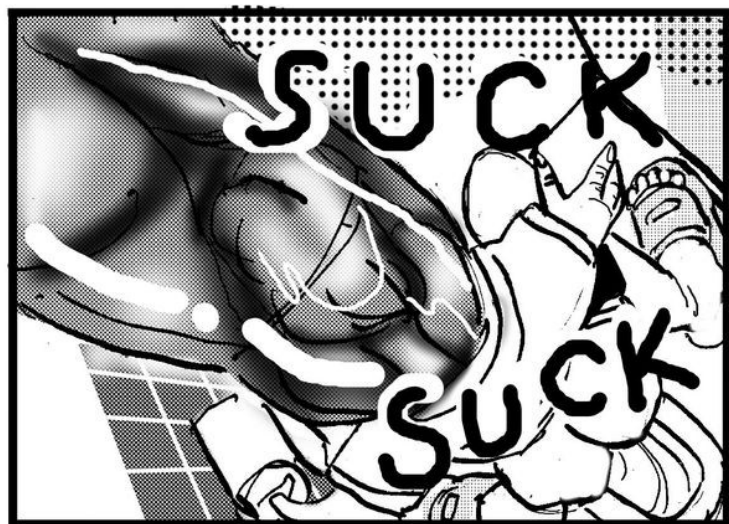

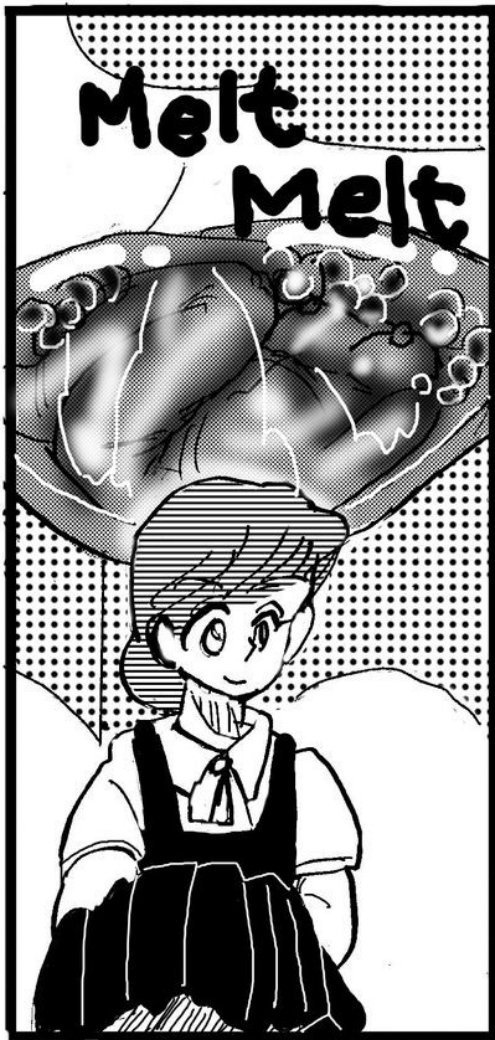

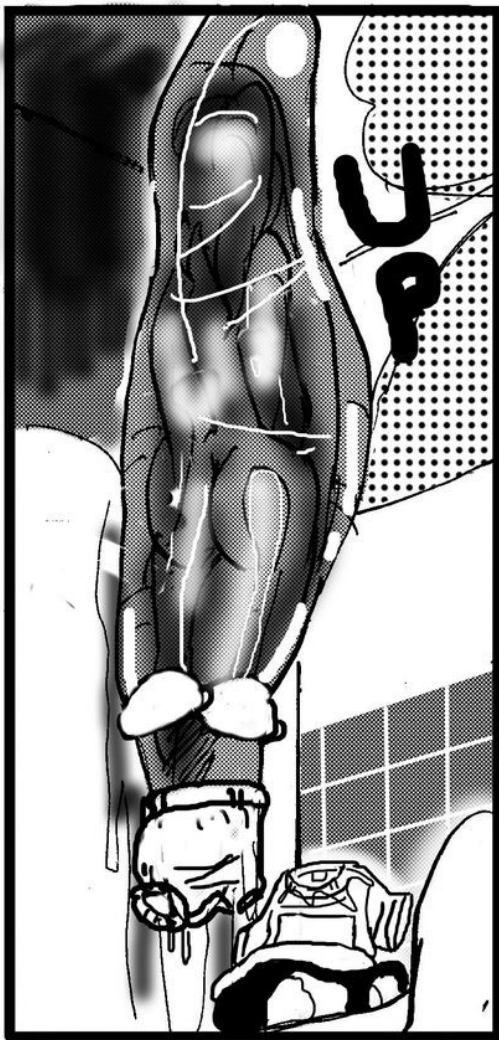

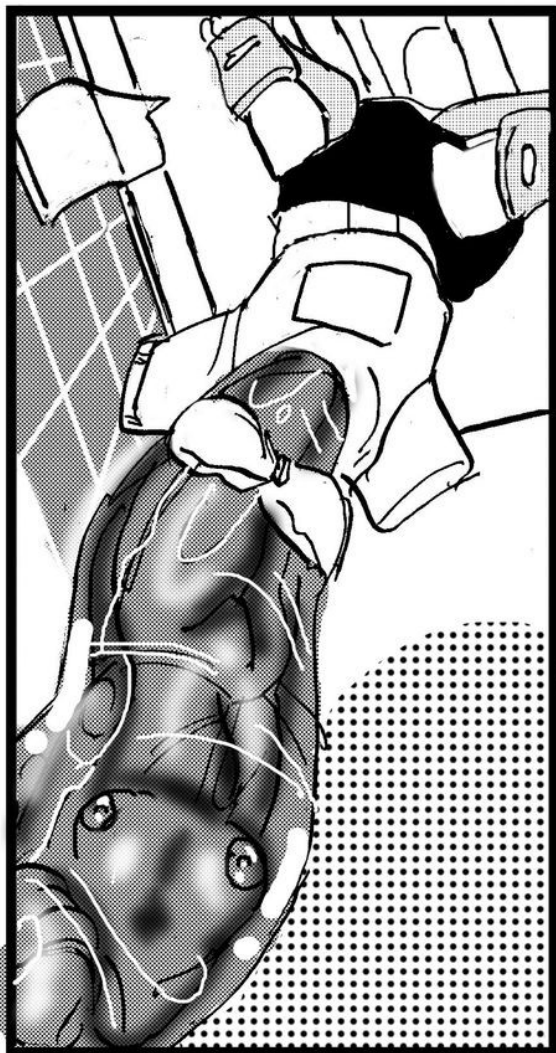

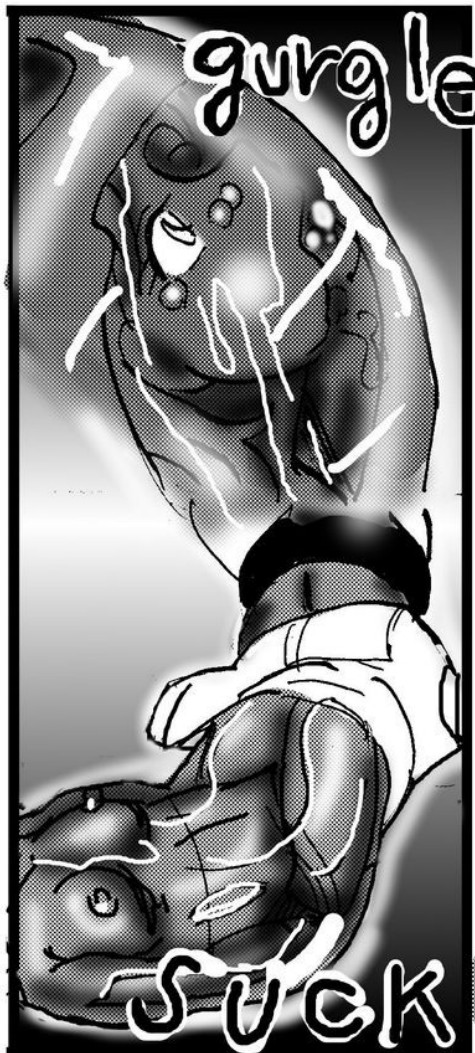

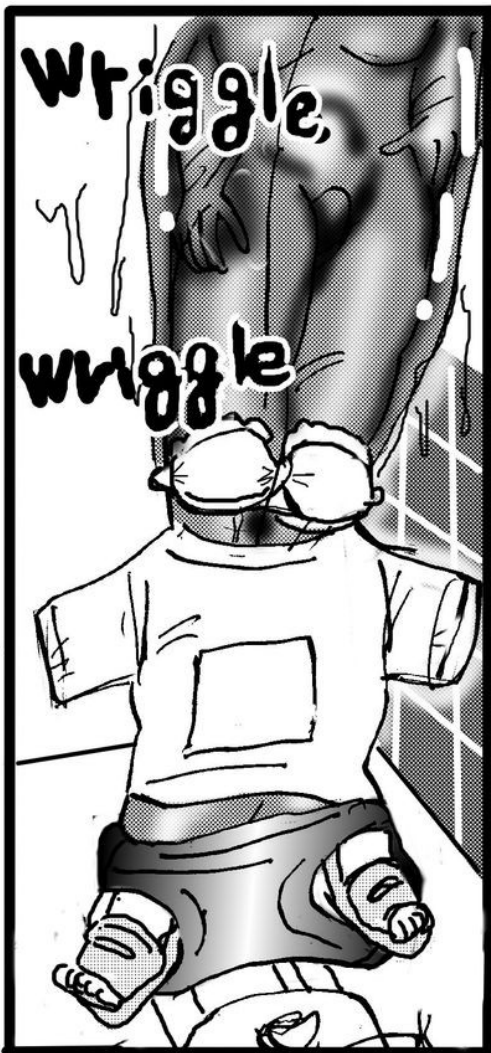

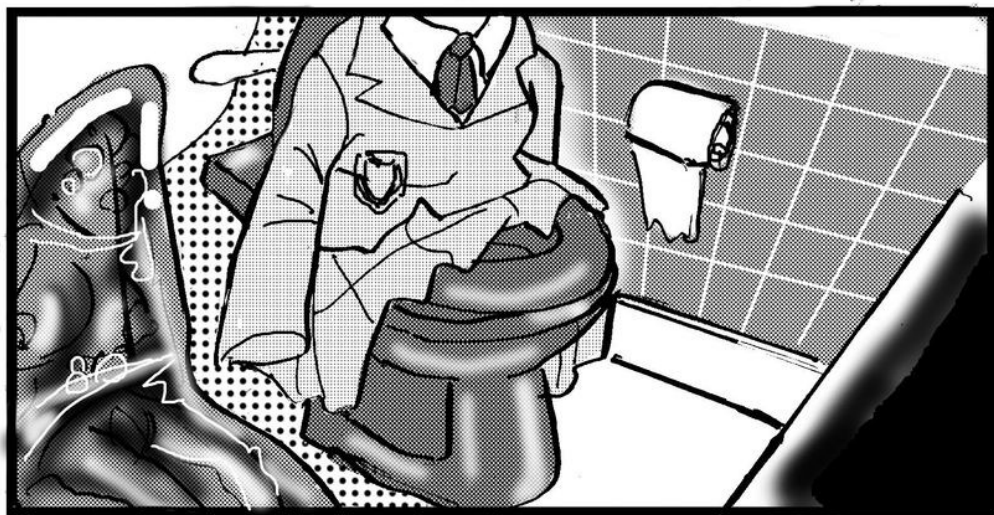

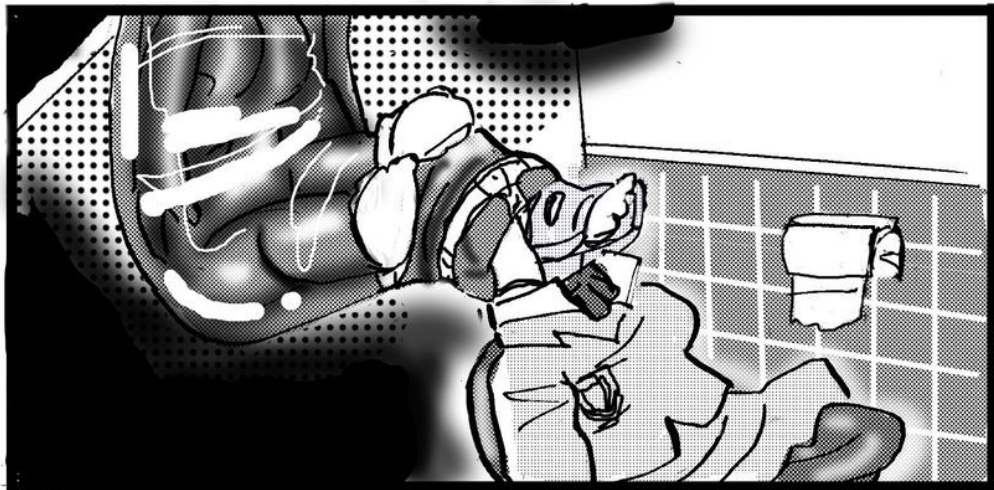

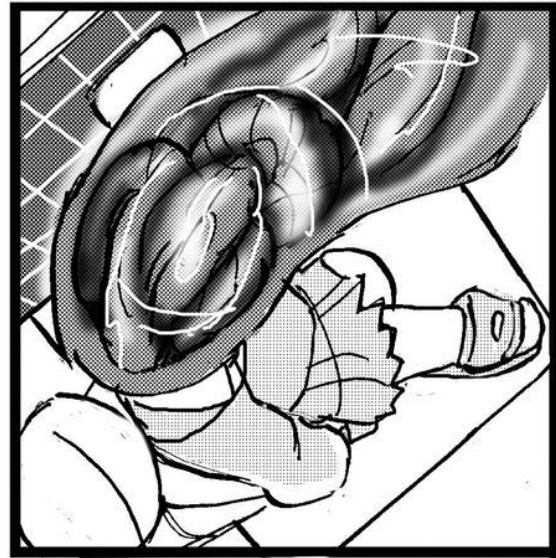

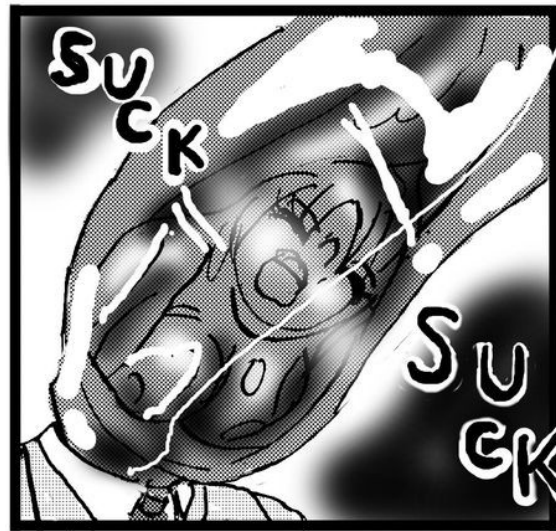

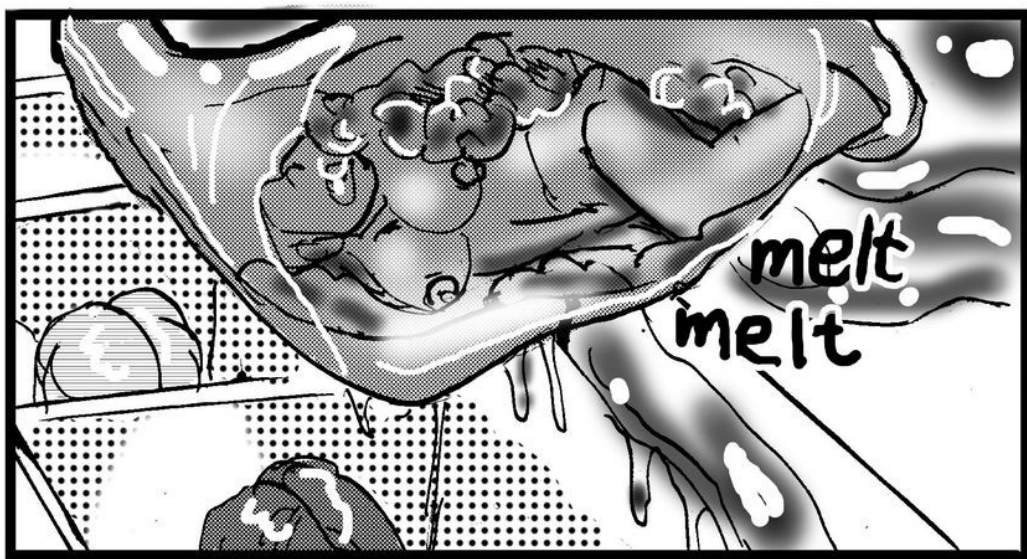

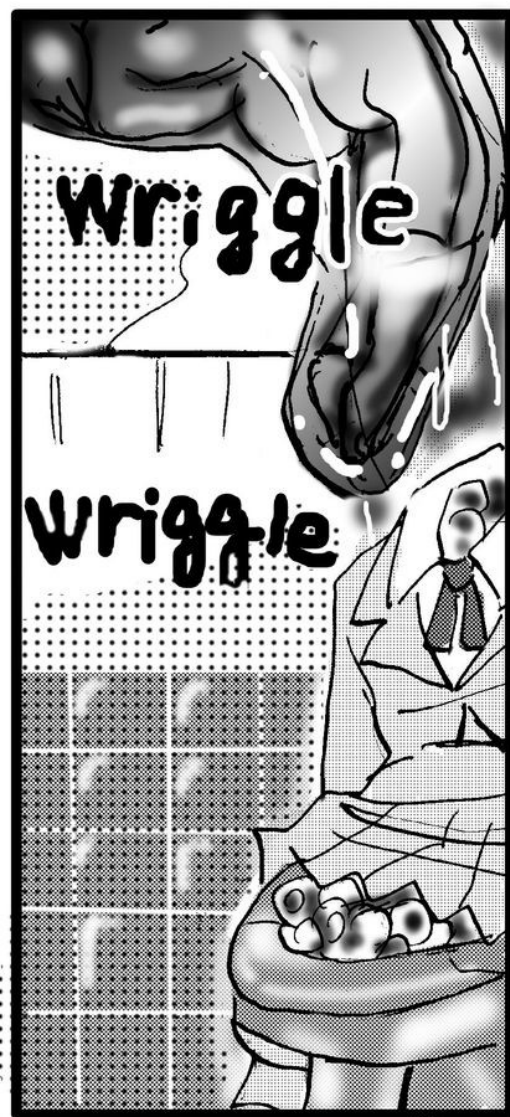

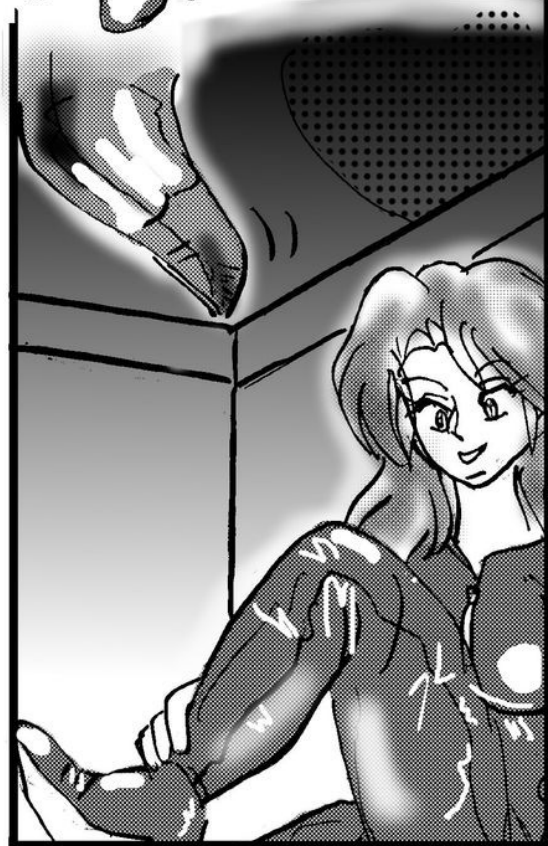

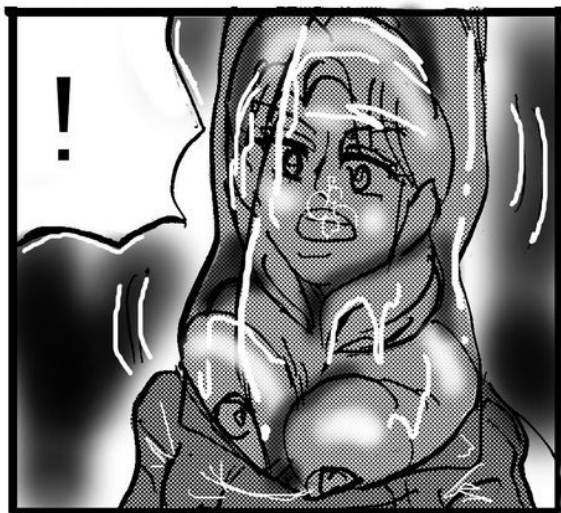

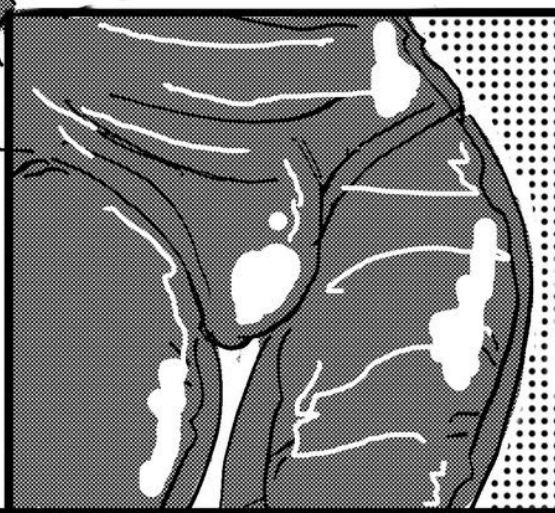

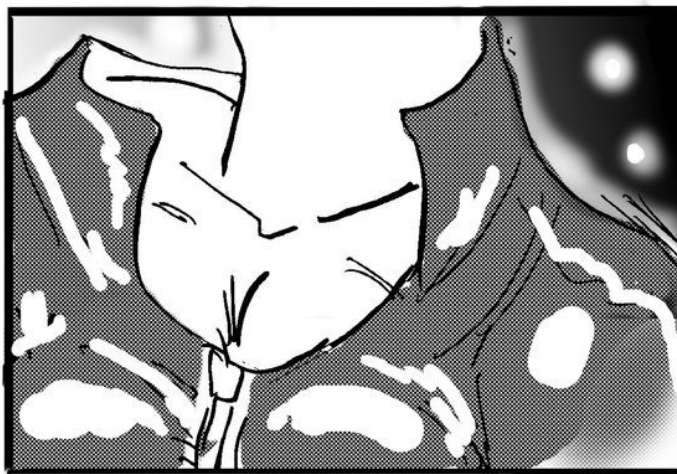

Thus, in every scene, it is aimed at the prey from above.

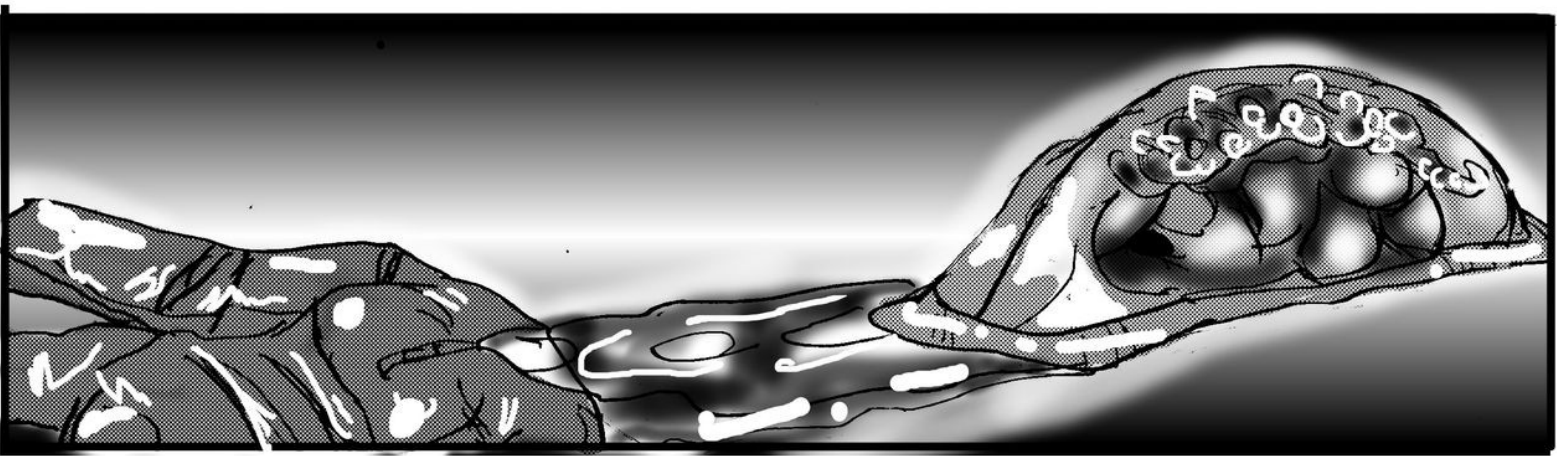

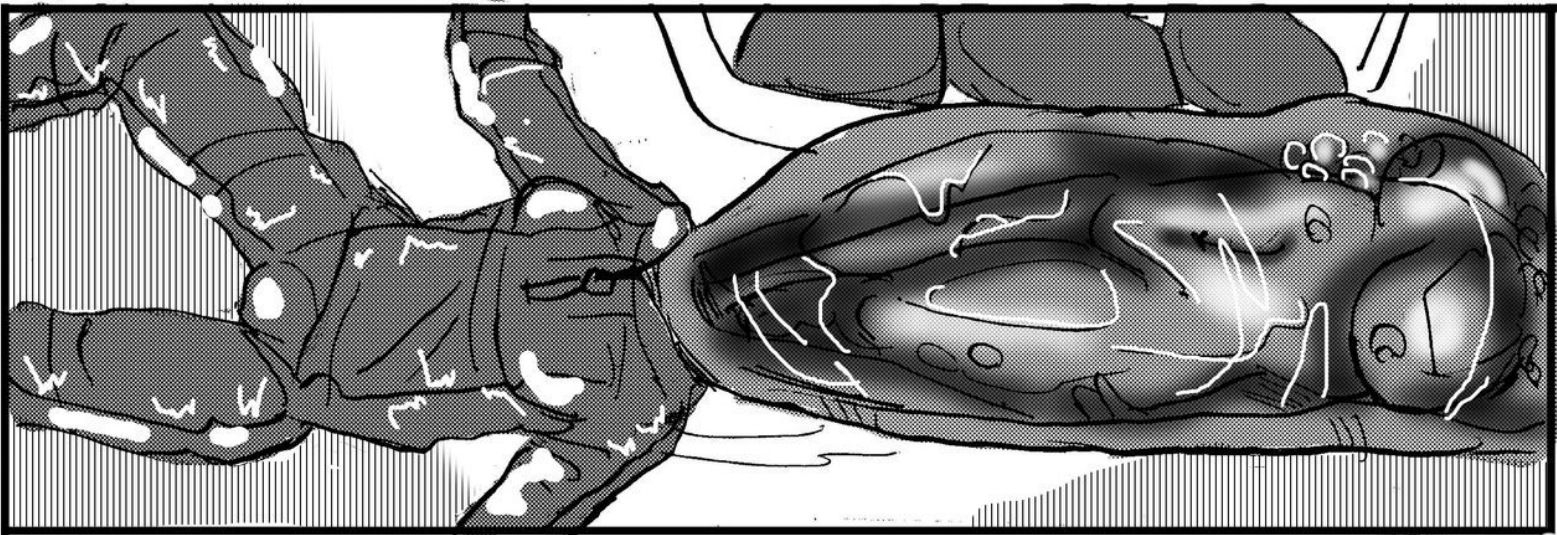

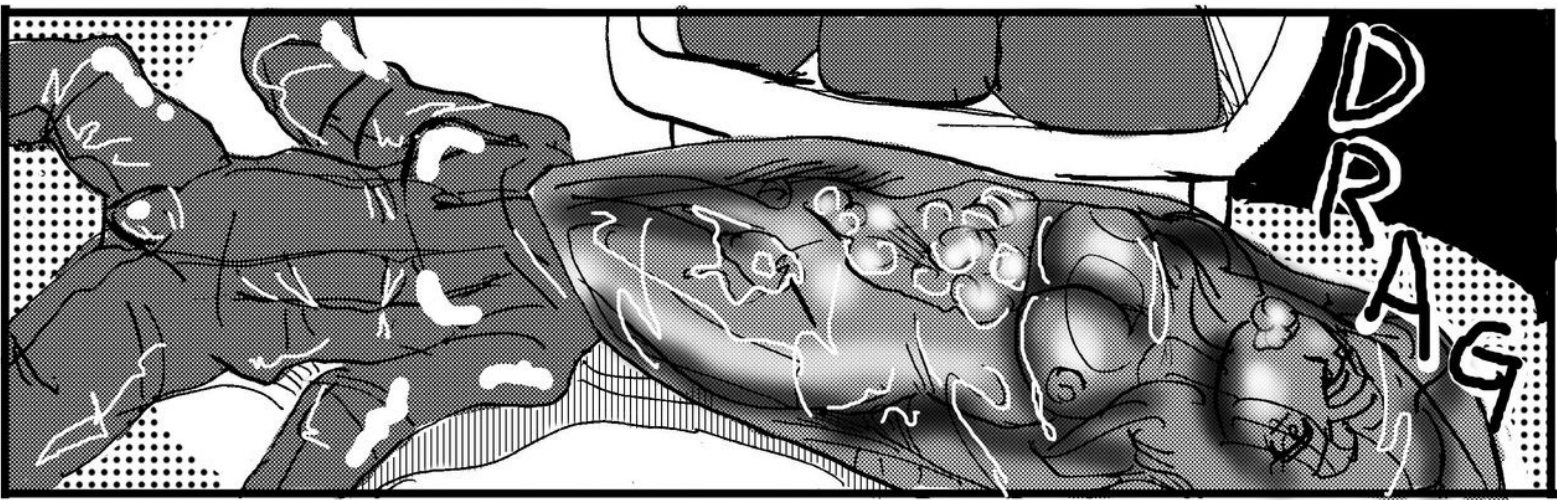

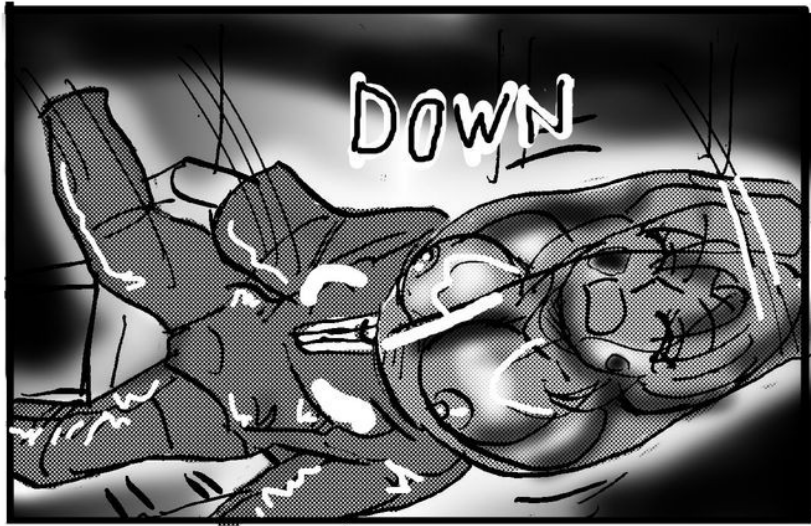

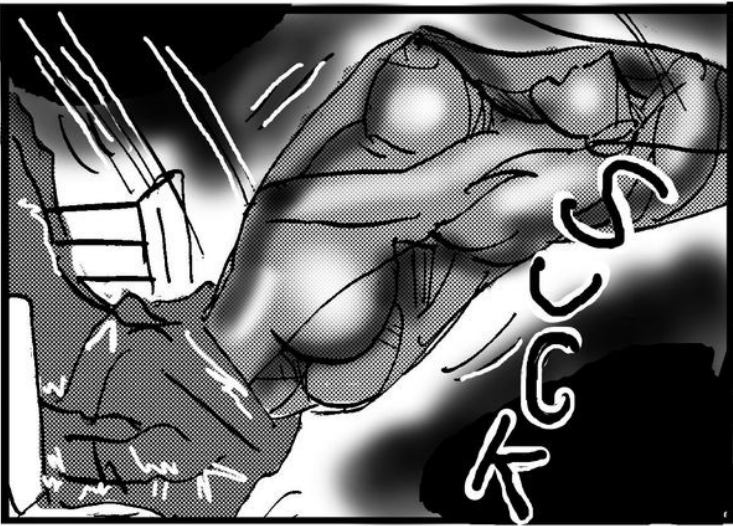

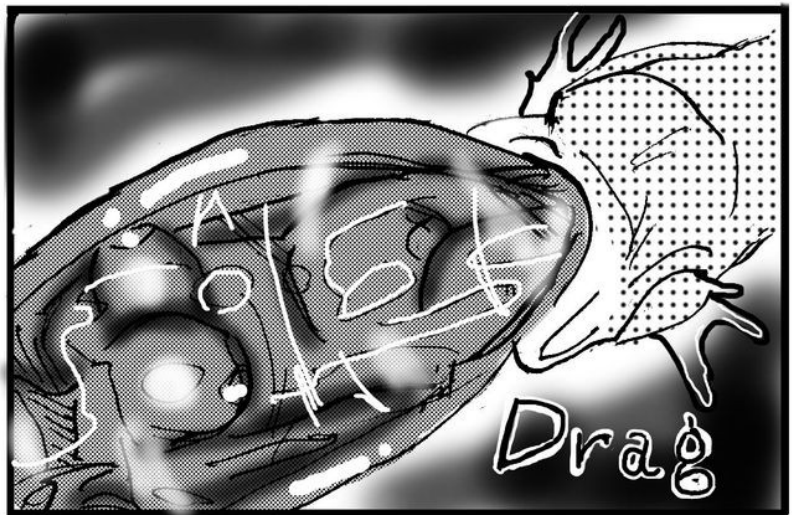

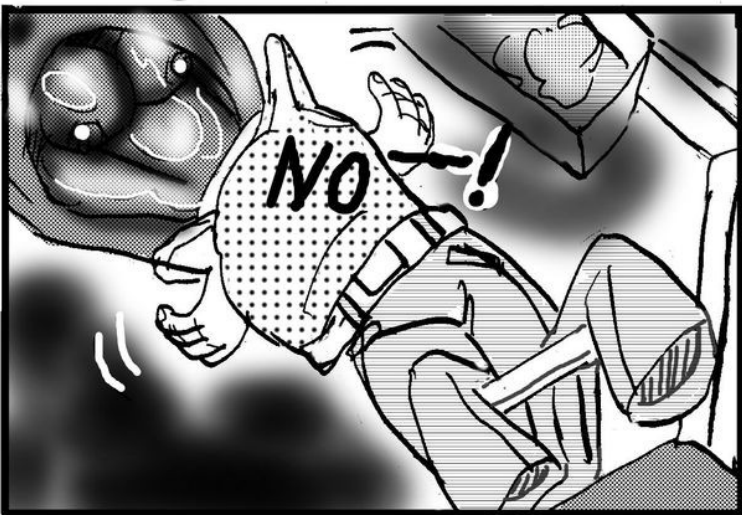

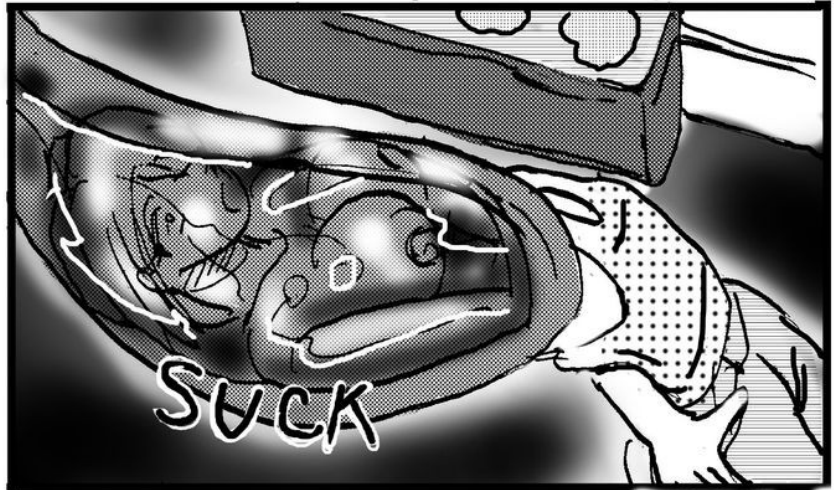

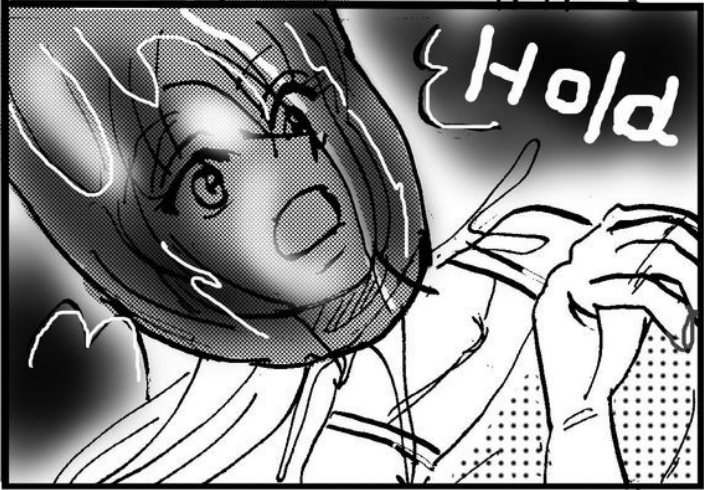

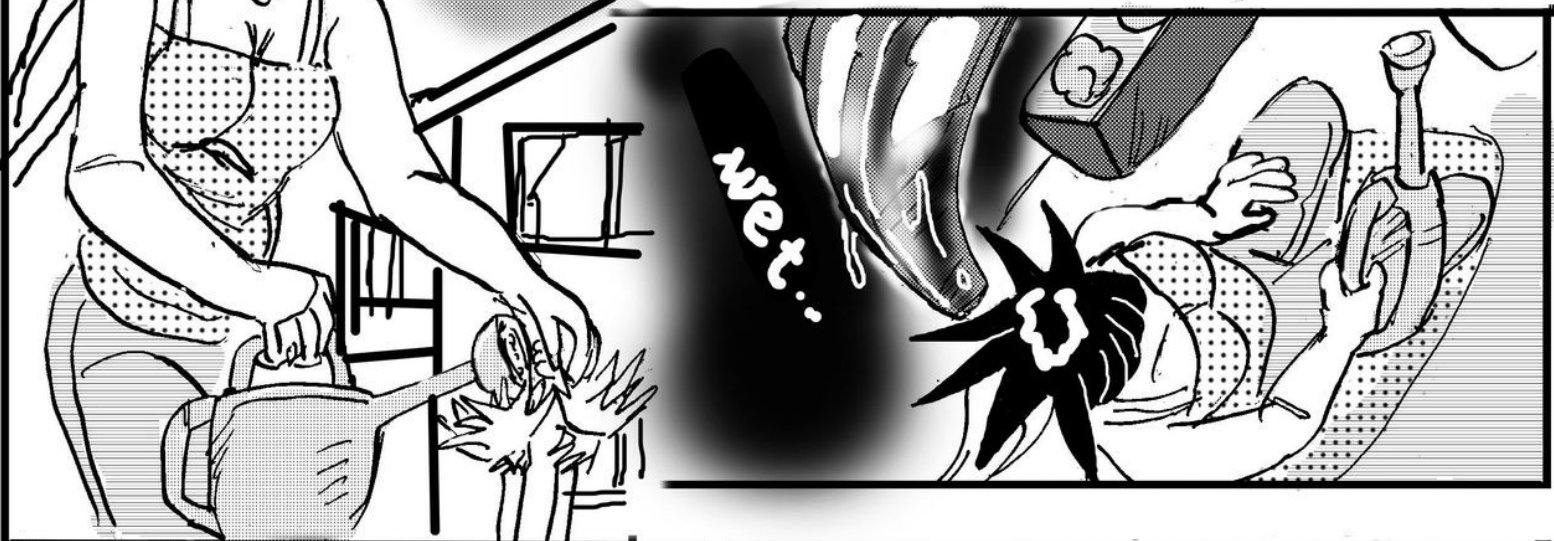

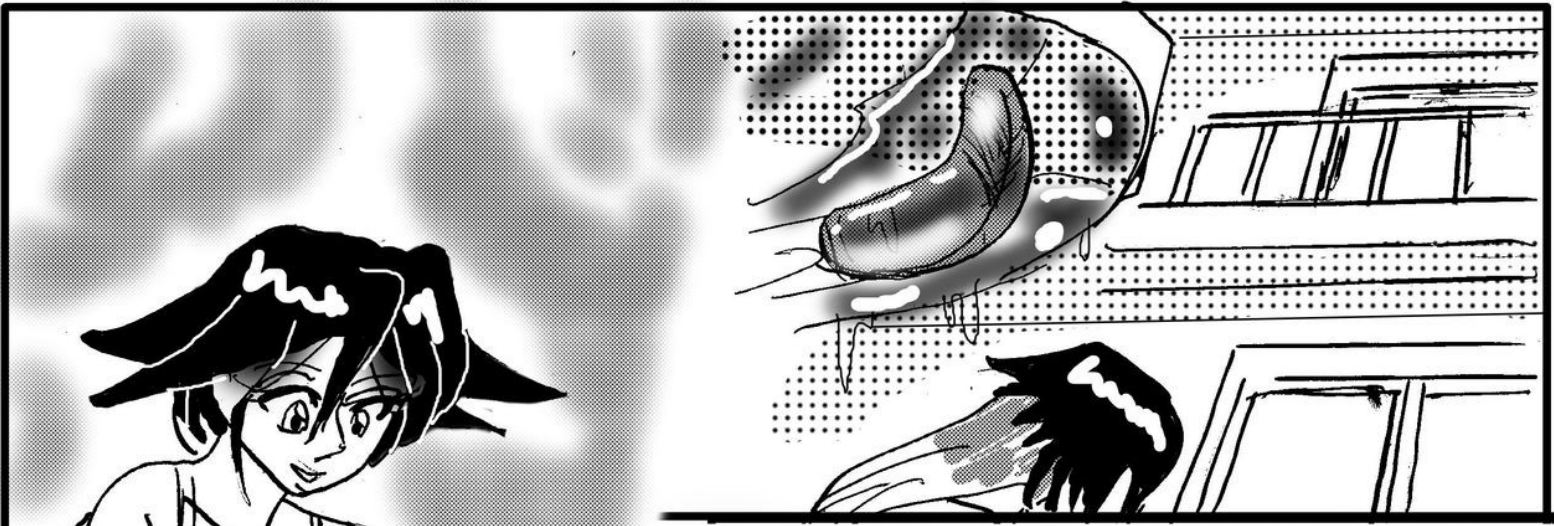

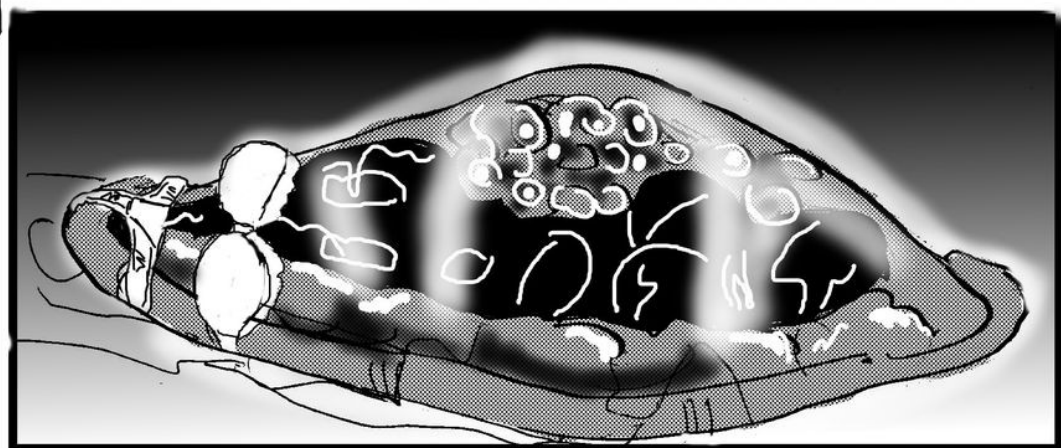

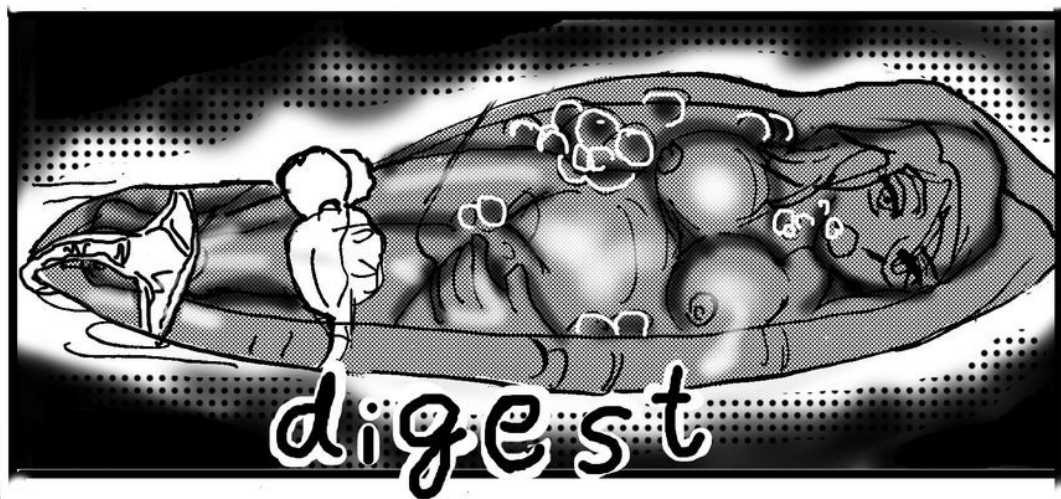

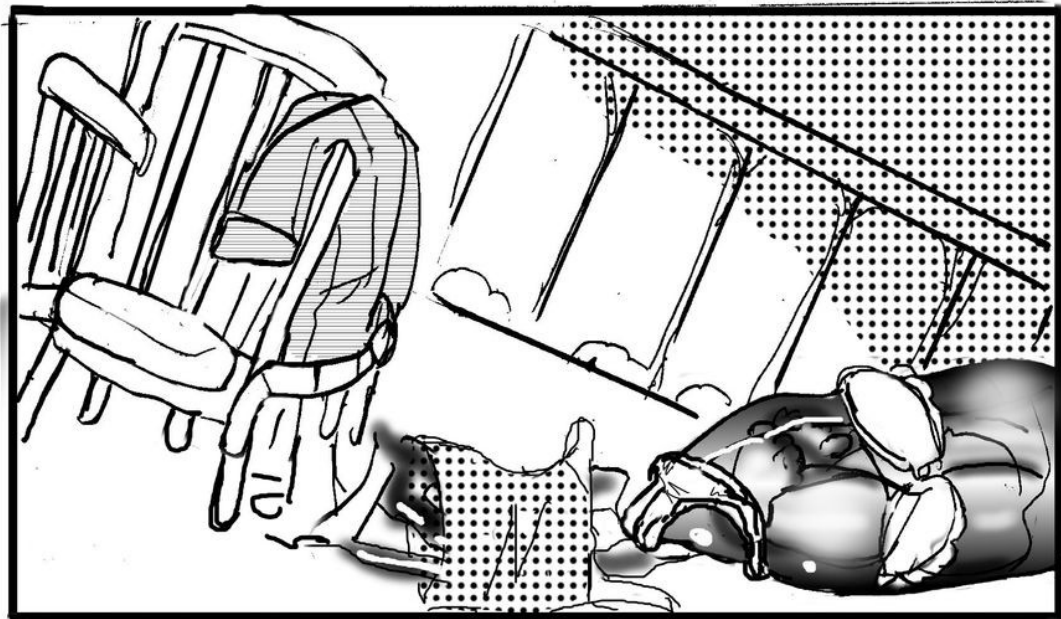

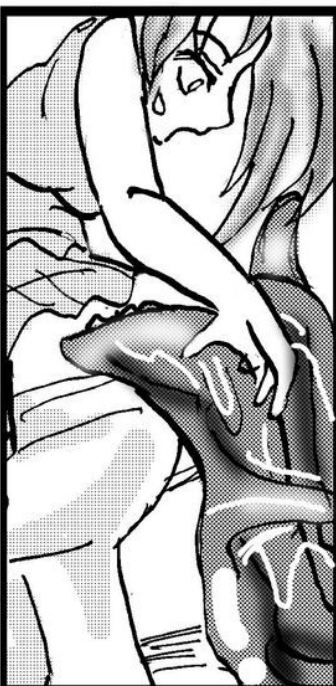

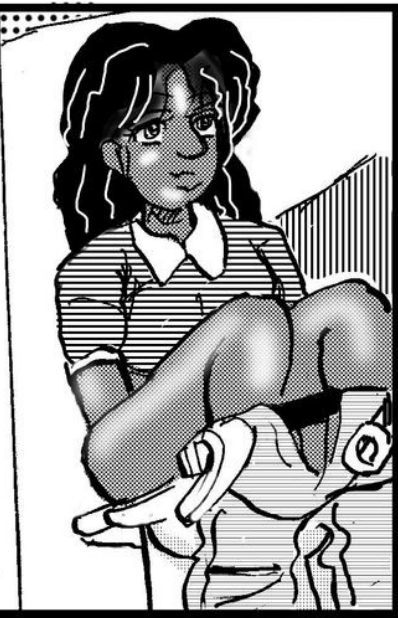

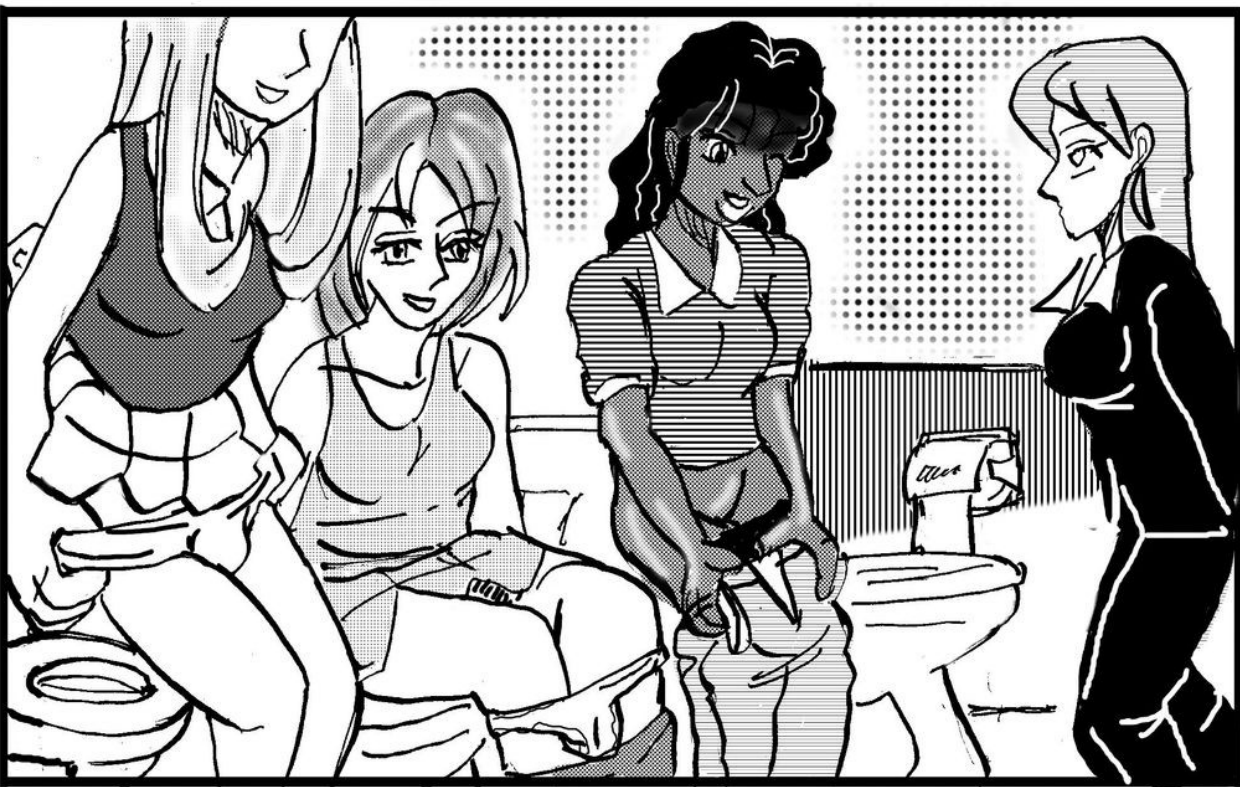

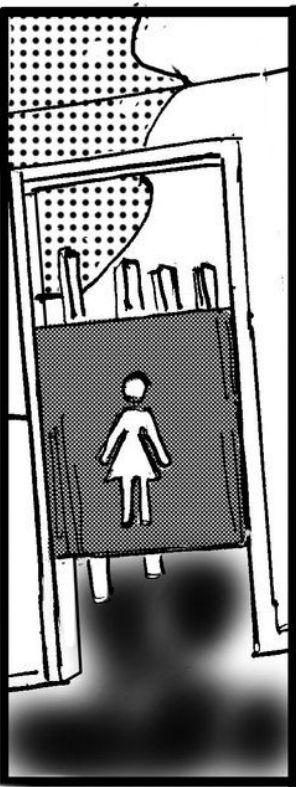

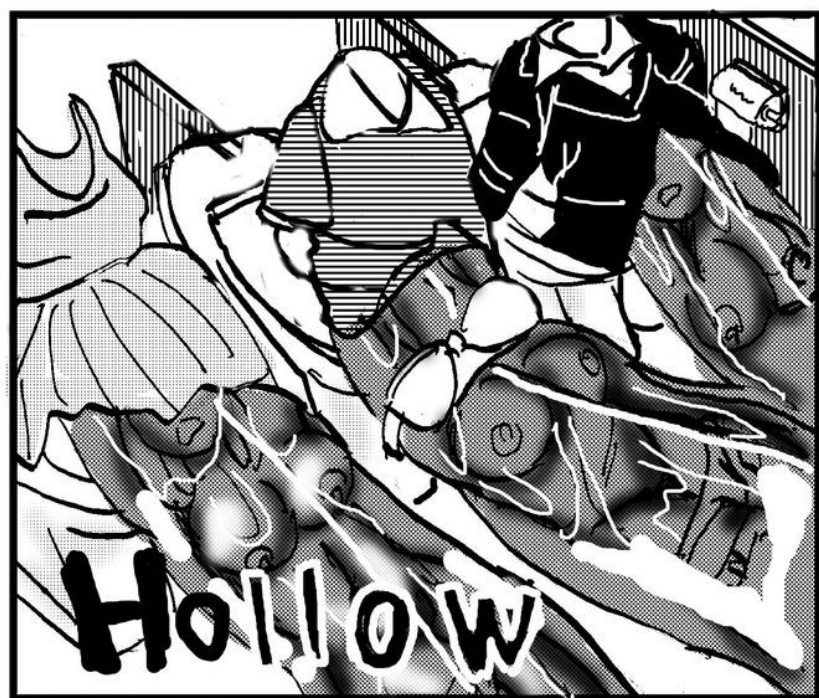

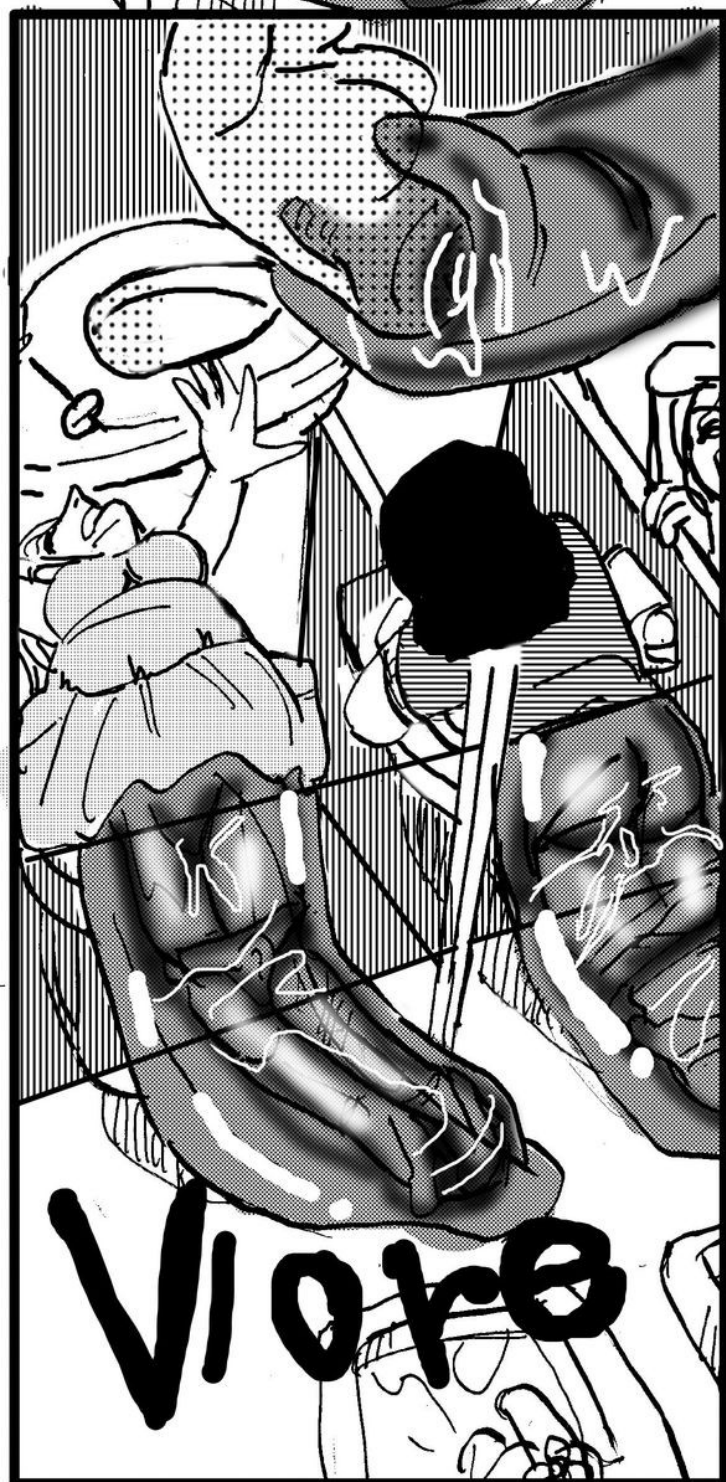

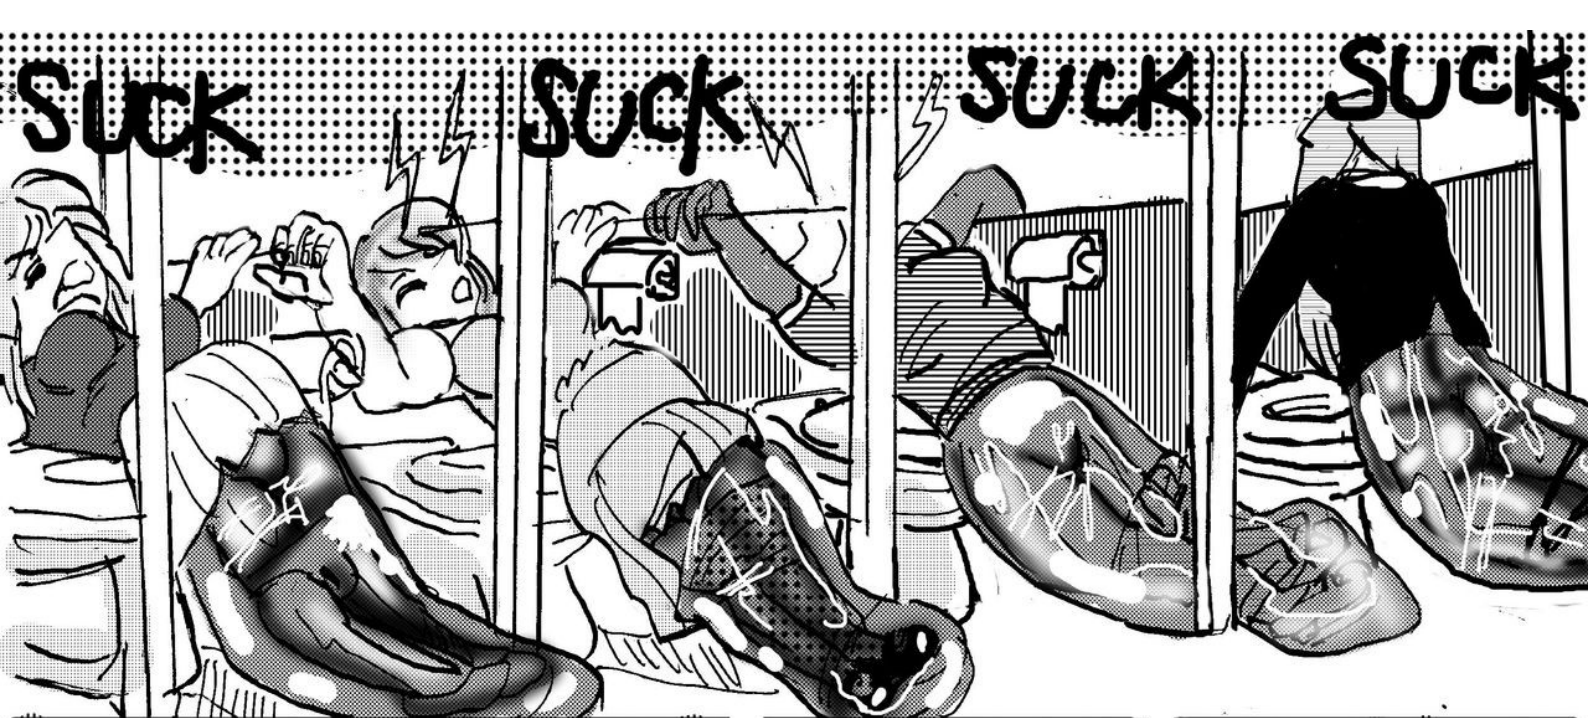

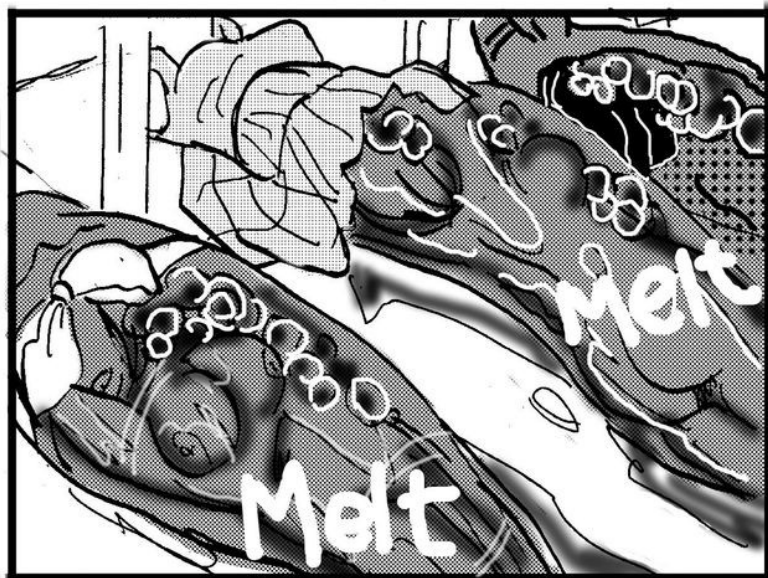

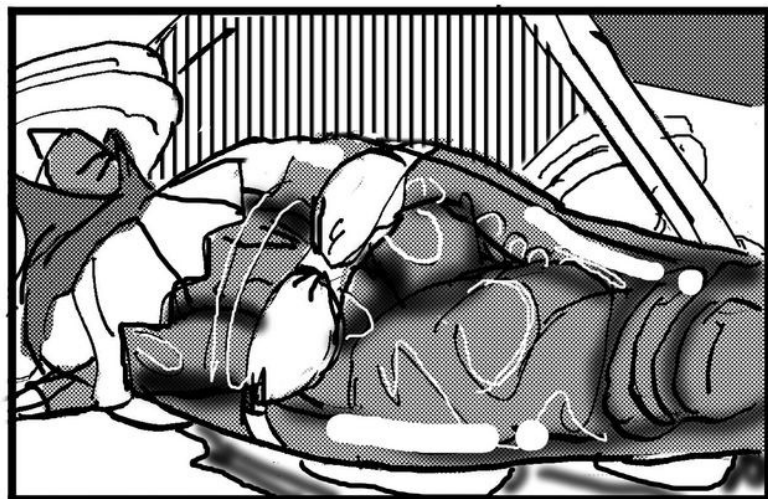

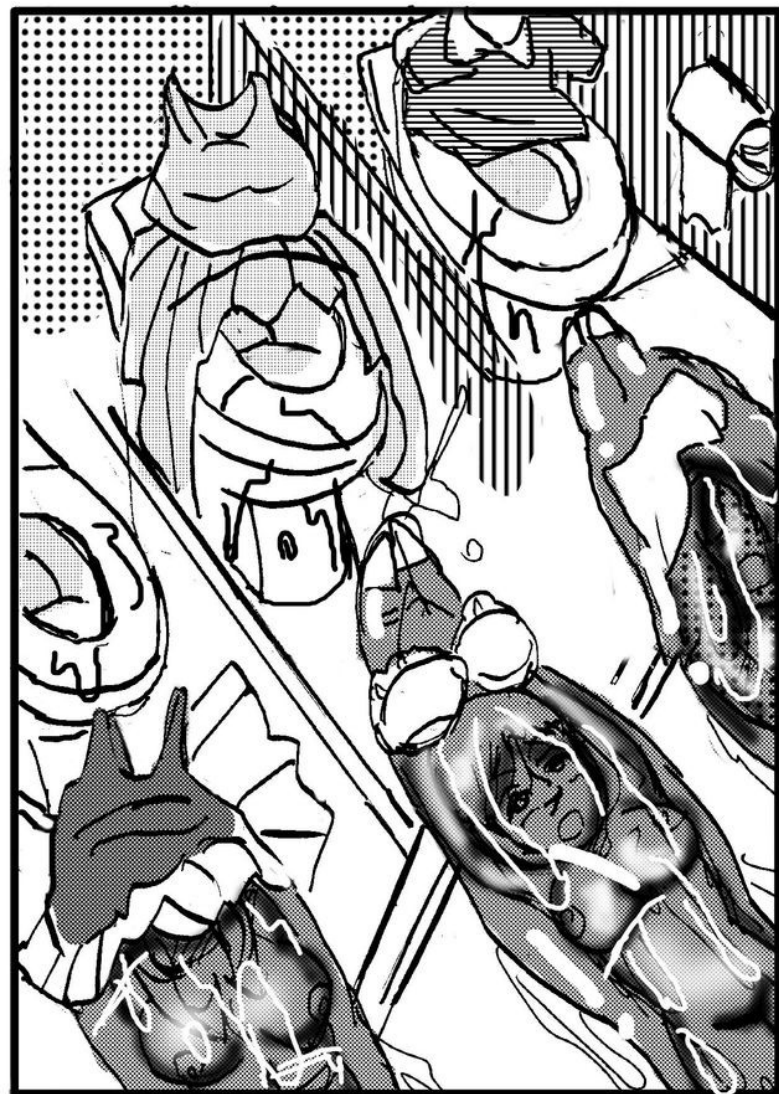

Illustration

Man-eating ameba

Amoeba is a single cell that takes in prey and digests it inside the cell. After digestion, the victim's clothes float in the body fluid.
