After that,
it get worse

In the middle of
pacifying, she get
suspicious of me
cheating, and this
time it took one
hour for explain..
By the time I went
to sleep, it was
already
3am

My wife
cried as if
her child
has lost
their charm
so I tried
to calm
her down

Yes

Let me
ask you
some
questions
why did
you
choose
our
clinic?

I am
visiting the
ED clinic

7

SUN	MON	TUE	WED	THU
1	2	3	4	5
			11	12
			18	19
			25	26

Okay
Let's do
it!
show
me your
penis!

Yes

So
that's
it

This...
Maybe the
way was
bad

I wanted
to change.
So, could
you tell me
how?

We're both
men, so you
don't have
to worry
about it

Eh?!
...

3;

Do you think
that other father
and those who
are embarrassed
by it are
ashamed?

Don't
tell me..

I'm not
really
sure

は、は、は、

A man who cares
about what other
men think

Is this
okay?!

Oh..

No...
Not really..

You have
something
good!

As expected,
the penis that
has made one
child is
different!

ちんぽ。

And I say
vulgarly
"It's a
floor
onahole"

Like this...

Rub the
dick on
the
floor

I'm
sorry ...
Me —

To be
seen ...

I'm doing
this stupid
thing

I didn't even
talk to other
people

Indeed, this
certainly
breaks your
penis
This will not
be enough
with just your
wife's hands
and eyes...

can't read these too!! → このまんがの知識は 70%です

I can do it anyway ...

Then

I'll loosen your anus

かああああ...

Did you teach your child on how to clean it?

Don't worry, there's a paper on it.. It's the evidence that you wiping it clean with a toilet paper..

I'm going to worry if I'm told that

Please relax!

Ngh!

せりり

せりり

んげん

んげん

んげん

Two of my
fingers
have
already
entered

Ngh!

Nothing..

What was
your
experience
of being
blamed by
women?

tbh, idk what this
meant... i just used google
translate lmao

He said that
he was doing
strange
masturbation
when he was
pent up

Did you
ever
reach out
to Mr.
Okazaki
Onani?

Hey !!

It's..
good...!!

But, I can't
have an
erection...!!

you think
it's
But, we strange,
are steadily
improving the
ejaculating
disorder

ON

I'll turn the switch on!

ひあつ

T- That's !!

Don't put it inside !!

Eh?

Well, it's getting much softer, so I will use the treatment device

Ah! There..

It's touching my stomach !

A device that sends a low frequency current to the prostate

could make ejaculation from the prostate steadily, even for an inexperienced people

This is definitely
an absolutely
dangerous
treatment!!

Are you okay,
Me?

My ass feels
strange!!

Ah?

Huh ...

Nnnn...

What ?

Apparently,

The effect is
wonderfull ...

Why

I didn't
touch the
penis

Despite being
treated with
these strange
devices ...

何

N...

No way...

Why do I
have a boner?
What are you
doing, Me?

何

何

It feels
good ...!!

何

何

何

What

Awesome

何

Did you try
to
masturbate
on the floor
just now?!

Don't do that,
please. If you
do that, the
treatment will
be meaningless

I'm sorry,
but I'll
tie your
hand

あああ

I want to
touch my
dick...!!

Are you
serious?!

I'll kill
you after
this!

I'm close
....

A... I'm
sorry...

Could you make
it stop ..?

I can't
you have help it
to use
the electric
current that
promotes
ejaculation
elsewhere

Not that...

Oh please
What do you
think about
the current
on your
nipples and
scrotum?

N- no more
...!!
I don't know
what that
means

My head seems
to melt...

Moreover,

Fingers and
toys aren't
enough

Only cumming
from the ass
became my habit
instead of a
floor onani, but
after all it was
not good with
sex

And I'm
today..

Can I
continue

The
treatment?

Sorry...

What should
I do for
today?
