DOUJIN ★ For Adult Only

綾瀬さんは

目立ちたいっ？

This girl's panties are for my, yagami-sama's collection extremely useful.

fu!
fu!
fu!

ん...?

But this is the luckiest I've been.

I've taken various photos after school before.

Is that ayase-san from my class!?

My data on her is a little scarce but she seems like a normal person.

She doesn't look particularly lady like.

There's not much time left...

What is she doing?

What is this person doing!?

かな…?

って…
えええええ!?

Is she taking lewd selfies!

It would be plain rude to not take advantage…!

There's no shutter sound so I'm fine, I definitely won't get caught...

はっ…!

おっ!!

No way you were that type of character!?

I've never been caught before.

I do things like cosplay and comiket.

A selfie account?

うん...

I thought it might have been the scenery so I wanted to do a shoot at school....

But it never does well...

Let me look at that for a bit...

What could it be..

Your style is good but,

I might be able to figure out why you can't get followers.

Wait there are lewd photos on there it's embarrassing.

Let's see...

What should I do?

えっ

That trends so old...

First off how about this giant fucking stamp?

I didn't want these photos leaking out so I hid my face.

うーん

For example try lowering your uniform's skirt.

Ya ga mi kun!

You should also narrow the themes and places you show off.

What about turning your body a little bit instead...

It's this stamps fault, it takes away from your body's charm.

Could we work together...?

Um...

I have a request...

...eh

I'll do anything as thanks

Really!?

I can be nice & teach you, but...

Amazing

す...

What should I do ...?

well ...

Any thing ...

Any-thing ...!?

do have a nice body sooo.

Now that you mention it you

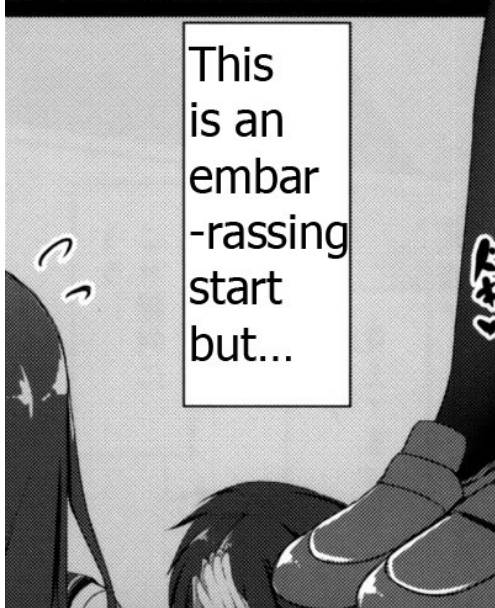

Than ...

I wanna go back right now...

This is still a bit too awkward to become a shot.

Yeah! Like that!

This is an embarrassing start but...

Oh, That's a nice expression!

Spread your legs.

Alright next...

She looks happy, that's good..

Don't move from that pose.

Ooh now that's daring

How about this?

I'm grateful for this photo but it's a little...

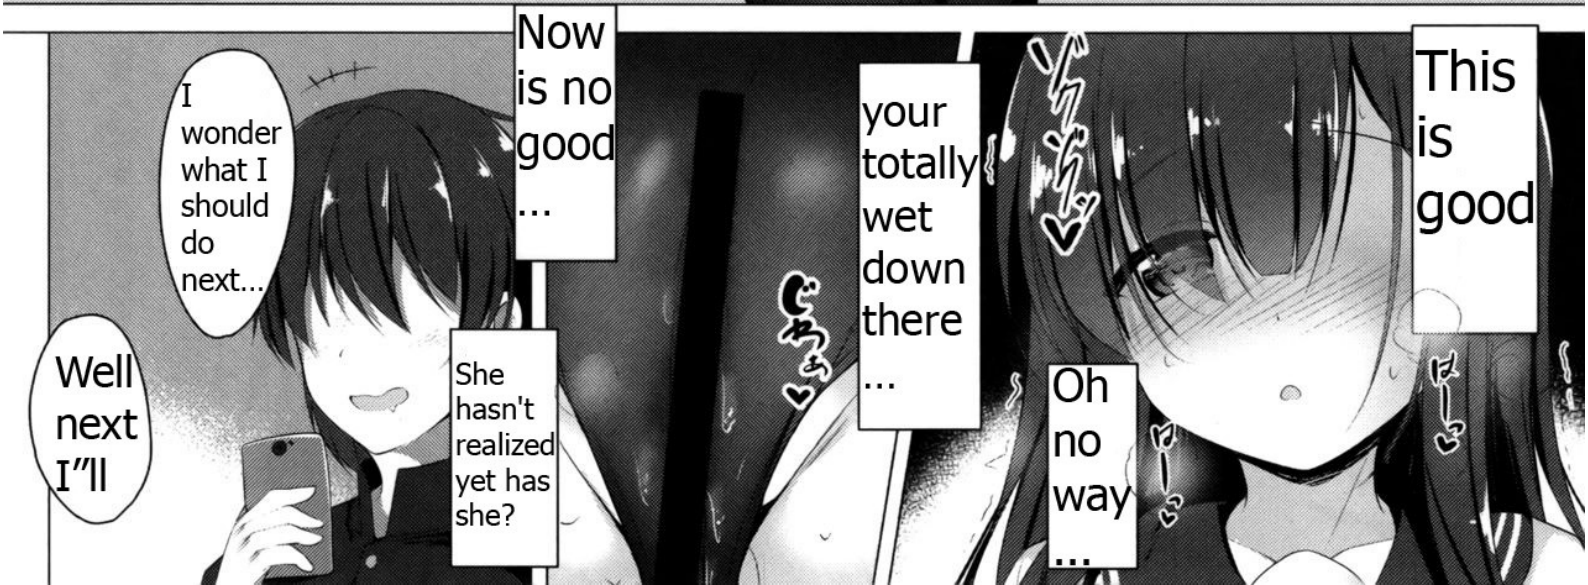

But ...

At this point I can't refuse

I can definitely see her panites but...

From here,

I wonder what I should do next...

Well next I'll

She hasn't realized yet has she?

Now is no good ...

your totally wet down there ...

Oh no way ...

This is good

It's flow-
-ing
down
...

It's the
best
that
can be
done!

What
is this
curr-
-ent
pose
...!?

Yamagi-
-kun
this is
already
more
embar-
-assing
than
expe-
-cted...

You
must
be
feeling
some-
-thing
right
here!

Ayase-
-san

You
see
...

Don't
worry
about
that!

Wait
...
stop
...

No
way
I've
been
found
out...

I was
just taking
some
amazingly
lovely
photos
of you!

You have the makings of a pervert.

It's because you're turned on right?

I could endure it rather than do this...

It keeps getting wetter and wetter.

うう...

Ok, I've stopped. From here do your best on your own.

Wait!

Than it's okay to continue?

Well that's ...

Your starting to feel quite firm down there...

Oh, but they've become so hard ...

Not my nipples ...

You boobs are quite big aren't they...

あー...

Right here

Crap my voice ...

Huh your clit is quite big isn't it? Could it be you do this often?

Hora

Than this will be the place I tease the most!

No, that's not right...

Ama-zing

You're squirting while you cum.

...そうだ!

Crap

Cum min-g

アハハ...

Time to take a photo!

This is gonna blow up!

This is the first time I've seen a post grow in popularity this quickly!

7000 2000

That was amazing Ayase-san ...

...

Wouldn't everyone discover the account?

Wait

Sorry I can't bear it anymore...

Aren't you still unsatisfied?

But...

...

Just don't

come inside me...

It
may
be
good.
♥

It's
forced
but..

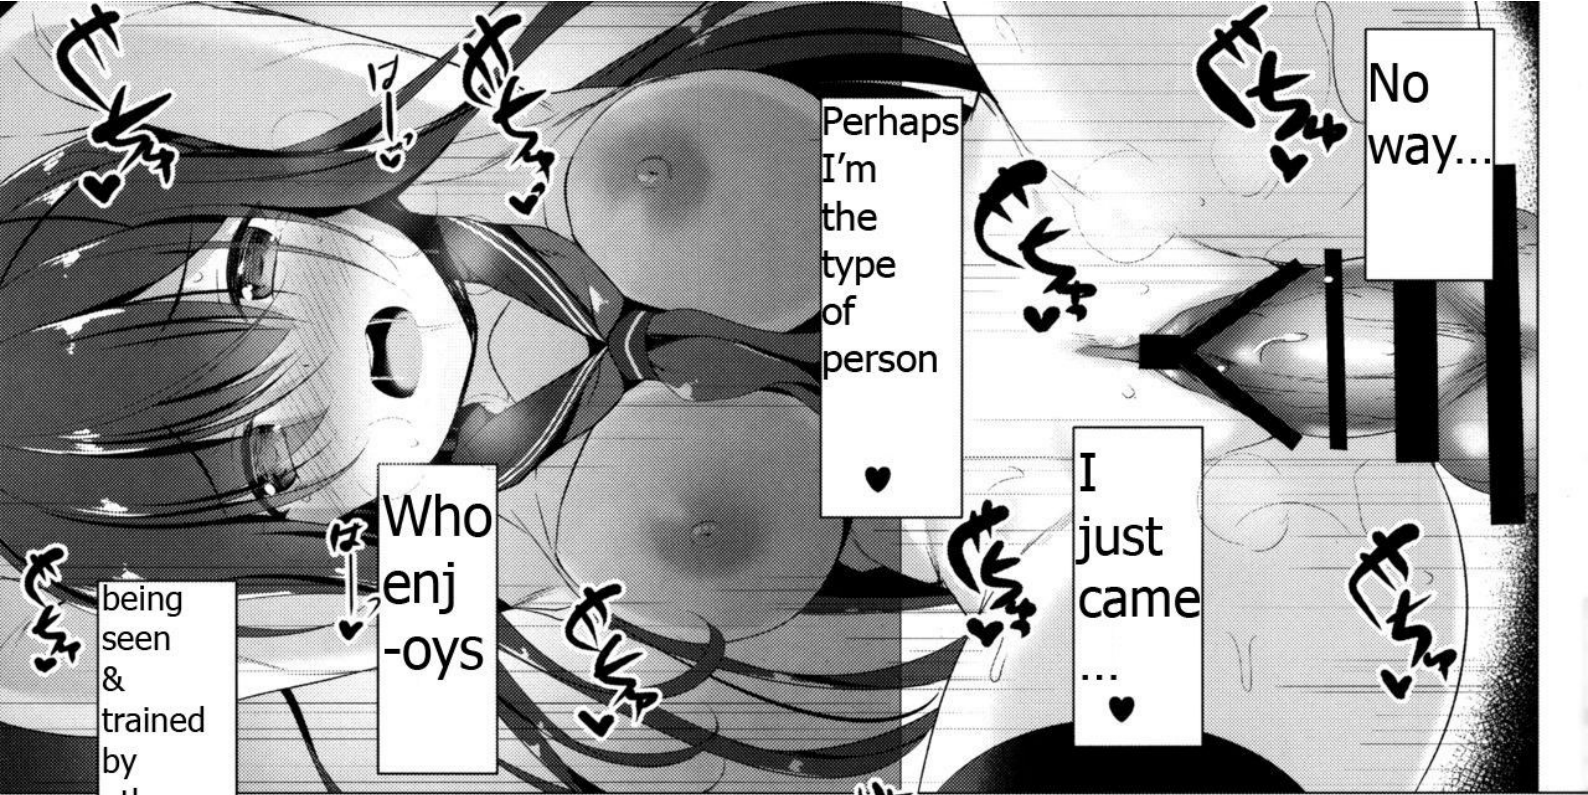

これ...

It
feels
good
...
♥

It's
scra-
ping
the
inside
of my
vagina...
♥

It's
okay if
I'm
rough
right?

I promised not to cum inside of you right?

You were about to cum ayase-san weren't you...

Wait just a little more

Why did you stop ...?

あ...

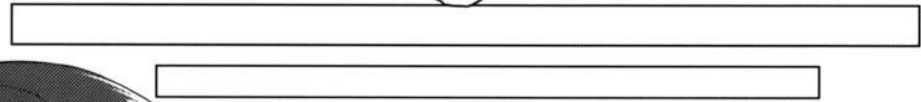

Hurry

That's fine

I beg you

Than

ん...

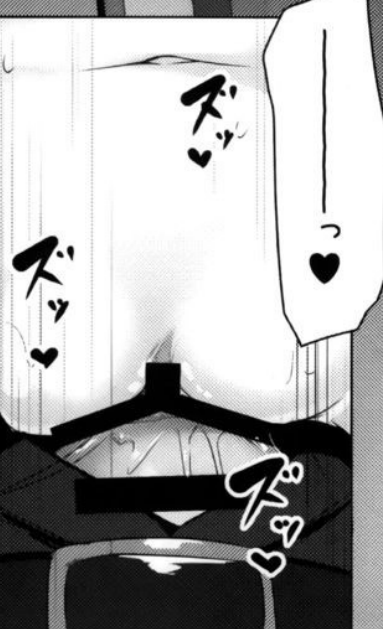

ん...♡

This position

Half is in...!

It's all in...♡

Ahhh

ん...♡

ん...♡

The rubbing in my insides feels good.

I want to put it in myself...

So your that type of person lol.

It's hitting my insides ...

It just went in so it feels amazing...

This is beyond good, I can't go back from this...

This is amazing ... ♡

あ... ♡

Your dick is amazing ♡

Crap ♡

Crap ♡

I can't stop my hips from moving. ♡

It's too late ♡

Cumming!

If I post this it will create a huge boost! thank goodness...!

But today you've made the best facial expression ever, I'm taking a photo!

Sorry Ayase-san.

I came inside you...

The Next Day
After School

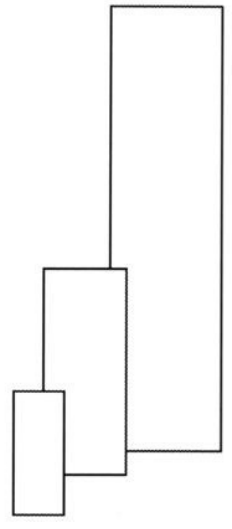

Not good
...

...

I'm coming after school today. I want to talk about yesterday's events.

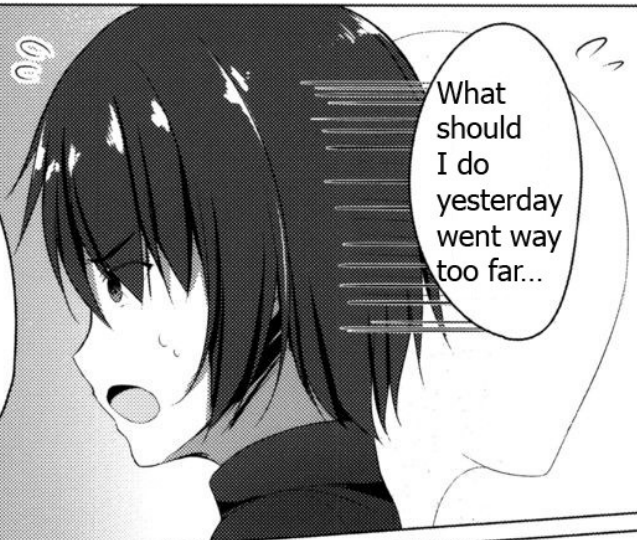

Huh sorry

Hurry and come in...

えっ...

What's wrong?

This might be the end of my existence ...

What should I do yesterday went way too far...

Sex!?

A photo shoot!

Do it again ...

Um ...

If your upset over yesterday's events..

Well I'm not actually promised.. we could continue so if you would...

To be Continued!

Best of luck with the corona virus everyone.
I want to be able to monetize this but am not
sure how best to do so. This translation is
something I made a few months ago and am
only now uplaoding with a few others.
There are a few things I want to potentially
do such as making a discord server, I could
also just be given money for the express
purpose of using that money to buy online
Copies of Doujin from Japanese sites than,
uploading them to the English internet, if you
have any recommendations you can send them
to the email listed previously or message me
on discord my account is auolofea#2861.
