Her looks and even her face resemble my sister.
---just like my first love.

Summer break. Late one night on the weekend, his niece Satsuki came to visit.
She was going to stay for a night, but had actually planned to sneak up on him.
Knowing his affections for his sister, Satsuki says she wants him to love her, but...

MAYBE I LOVE YOU - SUMMARY

■ Satsuki

Naoki's niece
Naoki and her mother (his older sister) were born years apart,
but the difference between her and Naoki's age isn't much.
Has liked Naoki for a long time, and has resorted to use of force.

■ Naoki

Moved away from his house and is living alone as a working adult.
Had feelings for his older sister.

You should have stayed at home for a bit longer.
You went straight home after New Year's and nothing even happened.
As if I'd let anything happen there.
I helped you with the travel expenses anyway.
Natsu-nee told me that she won't let you come here if you can't pay for yourself.
And I gave you a New Year's gift, didn't I?
Uuu...
You did... thank you for that.
I mean, why not find a part-time job?
My school doesn't allow us to.
Besides, Nao-chan lives so far away from home!
One~
Two~
Three~
The Shinkansen fare is too expensive~
The other ways of getting around are dangerous, so I'm not allowed...

Even Grandma said "I wish Nao would stay home for a little longer."
You can even change jobs to be closer to home~
Don't wanna.
The one who actually moved far away on purpose... Was me...

Besides, I don't know if my sister disapproved or gave a vague answer
And I don't want to prostrate a second time.
Eeeh...
Well
Us adults have talked about it, so you'll just have to be patient.
ぽんっ

Ehh
Have you heard anything from Natsu-nee?
She said "You should take some time to think about it and act accordingly".
...That's too vague.

Fufufu
In other words, it's official, isn't it?
Of course it isn't...

Let me be clear.
You and I can't get married.
Oh, yeah
I know, but is there a problem?
It could be a reason to go for a common law marriage.
Thanks~♡

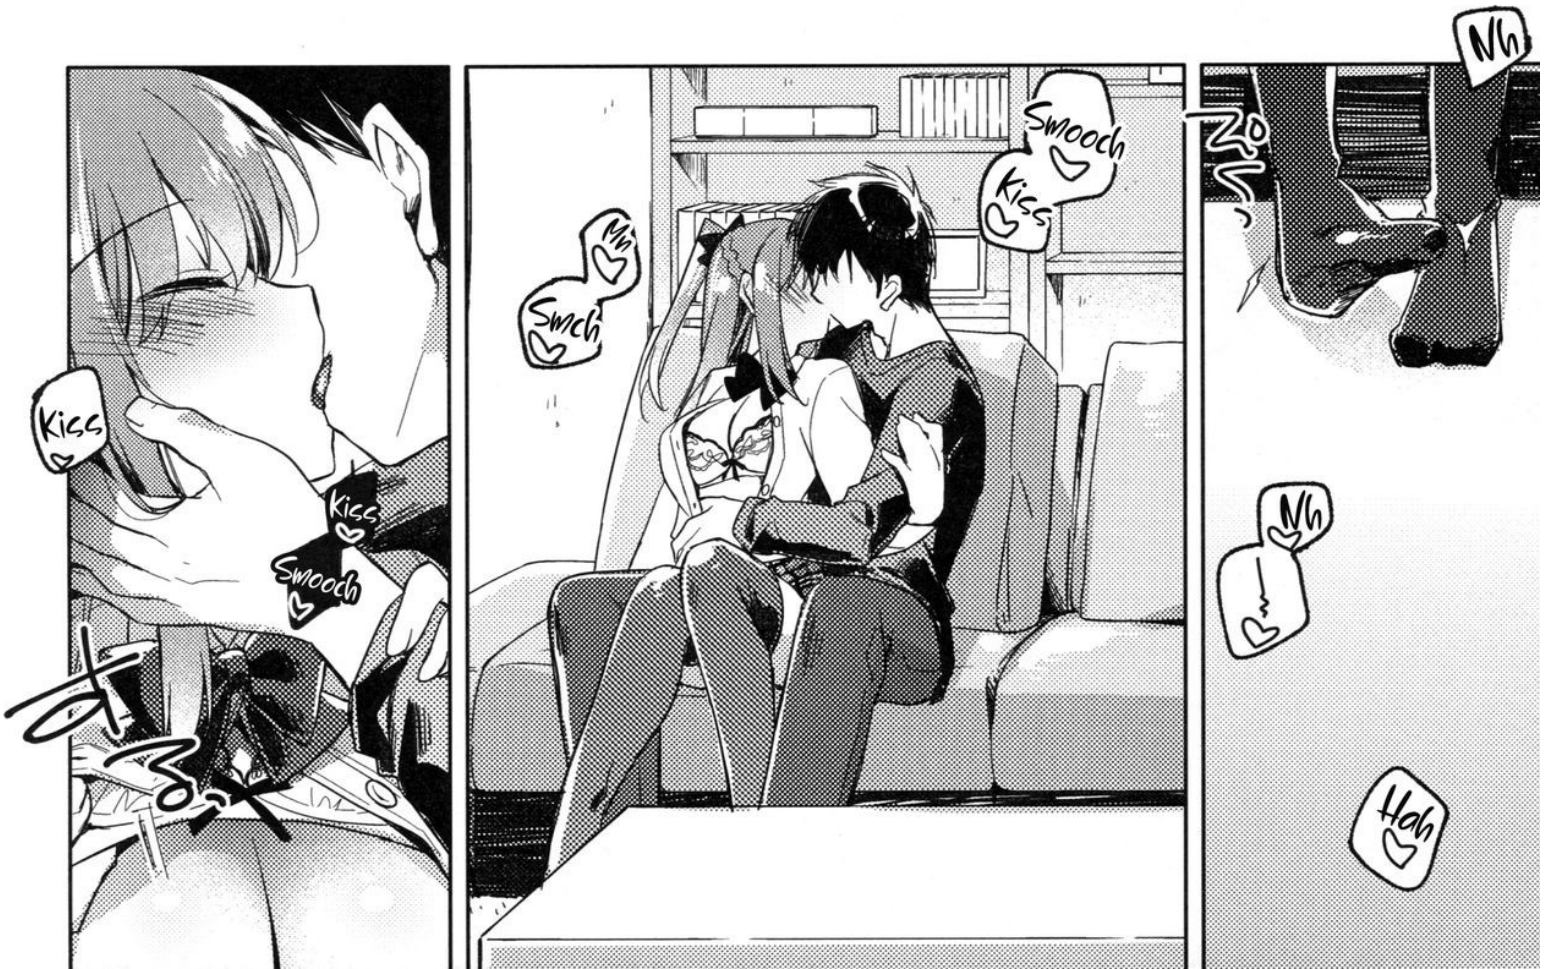

If Nao-chan adopts me, we can have the same last name.
...Ah, right
Wait...
You've thought this out that far?!
You're so positive, Satsuki.
I'm impressed.
See?

Satsuki.
You're in the way.
There's space next to me, see?
Eeeh~
I like it here.
……

?

Hya!
I'll want to touch you,
So please stop sitting there.

I want you to touch me.
T-Then...
I'm not moving.

You've got it hard...
Ah.
The weather today is great too.
If only I didn't need to work...
When I last came here, it got me curious.
Mama likes this kind of curtain, doesn't she?
I prefer light colors more ♡
Yeah.
She gave me that as a farewell gift.
I knew it!
The color looks like the one back home.

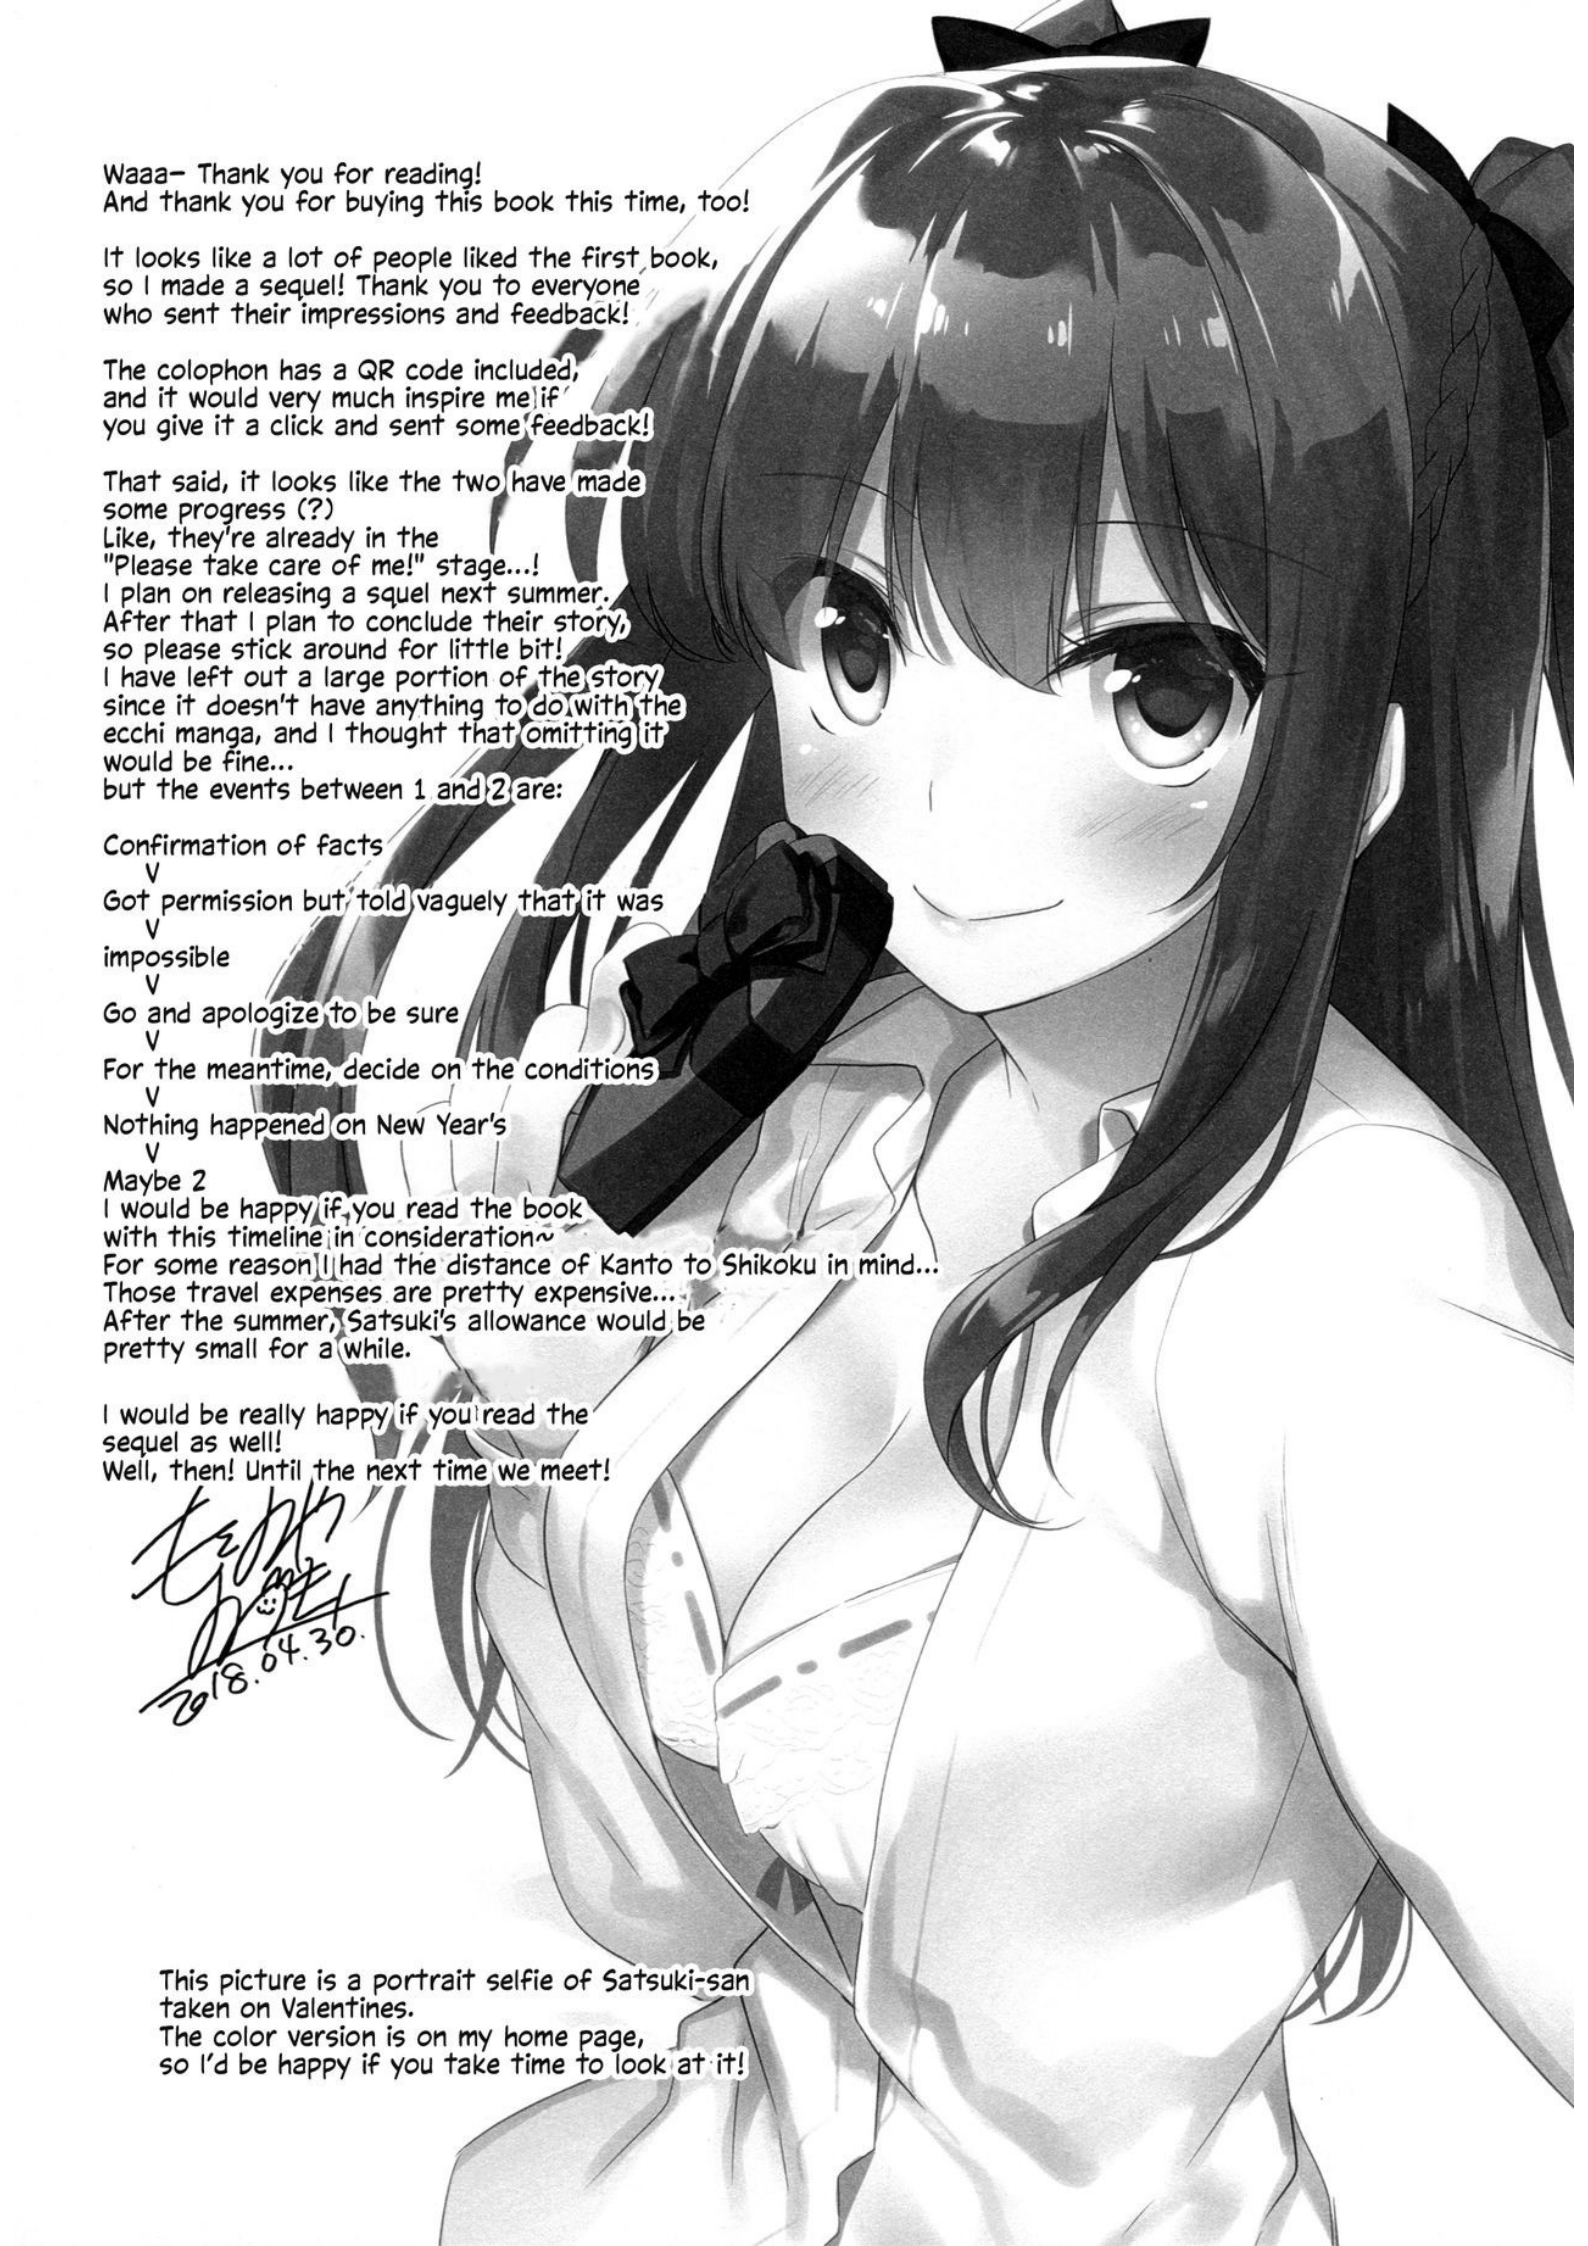

Work even on a long weekend, huh? Is your company one of those "slave drivers"?
Our school is on break!
No it isn't. Our work is on weekdays and we celebrate Golden Week.
I see.
Ah, can we hold hands to the station?
Sure.
Grip
Ehehe
Excuse me, then.
Holding hands is okay, isn't it?
We would be acting our age...
Nao-chan?

To be continued

Natsu-nee
Looks like she's going today, so please take care of her~
09:25
Okay.
09:29
She just got on the train.
07:49
I'll cover the travel expenses, So please don't get angry at her.
07:50
How sweet~
08:24
Thank you, Nao-chan.
08:24
But I will scold her about answering other people's calls without permission.
08:25
Please do.
08:34

Waaa– Thank you for reading!
And thank you for buying this book this time, too!

It looks like a lot of people liked the first book,
so I made a sequel! Thank you to everyone
who sent their impressions and feedback!

The colophon has a QR code included,
and it would very much inspire me if
you give it a click and sent some feedback!

That said, it looks like the two have made
some progress (?)
Like, they're already in the
"Please take care of me!" stage...!
I plan on releasing a squel next summer.
After that I plan to conclude their story,
so please stick around for little bit!
I have left out a large portion of the story
since it doesn't have anything to do with the
ecchi manga, and I thought that omitting it
would be fine...
but the events between 1 and 2 are:

Confirmation of facts
V
Got permission but told vaguely that it was
V
impossible
V
Go and apologize to be sure
V
For the meantime, decide on the conditions
V
Nothing happened on New Year's
V
Maybe 2
I would be happy if you read the book
with this timeline in consideration~
For some reason I had the distance of Kanto to Shikoku in mind...
Those travel expenses are pretty expensive...
After the summer, Satsuki's allowance would be
pretty small for a while.

I would be really happy if you read the
sequel as well!
Well, then! Until the next time we meet!

2018.04.30.

This picture is a portrait selfie of Satsuki-san
taken on Valentines.
The color version is on my home page,
so I'd be happy if you take time to look at it!
