My name is Sugawara Ema. It doesn't bother me that much, but people often say there's nothing interesting about me aside from playing music and being a bit cuter than the average girl.

Alright, stop.

Guess it's pretty good! You've got some talent, Sugawara-chan!

For your age at least.

Stop sidestepping the problem like that! If I messed up, I want you to tell me what it is!

Sensei?

It's a bit unsettling when you sigh like that.

It's the weekend today, but since I'm going to take an entrance exam (for a college of music), I'm currently practicing.

Because of that, whether I like it or not, the time I spend with this shabby guy has been steadily increasing.

Alrighty then.

Let's close up for today. It's a good time to go home.

Eh? Could you be more specific?

Well, at least every day of mine has felt fulfilling thanks to these lessons, so I'm fine with it.

But I guess your musical voice is too sentimental. You go a bit overboard.

I'm serious, I think you're good at this.

To be frank, spending all of my time on music for such a long period of time has gotten really exhausting. I've refused to hang out with friends or go on dates too.

Before I knew it, I ended up completely alone...

...Mn!

Ah!

Ugu...

Gu...

I already told myself that I'd work hard to become a professional. But sometimes I just really want to let myself go and have fun somewhere.

This doesn't really feel that good...

Ha...

Nn ah...

But my memory is so hazy, I don't know if that actually happened.

I feel like at that moment, time just leapt forward an hour, or maybe thirty minutes.

Eh?

I've probably been overworking myself lately after all...

I think that the tuning fork was already inside of my bag by then.

Uu... For some reason I have so little energy...

Why was I sleeping here?

* These images may differ from reality.

This is Hana-chan's property! I'm no better than a creepy otaku dude who gets off on used panties! I'm just a 16-year-old high school girl and I've already fallen this low! Kyaaa!! I wanna die, I wanna die right now!! Please make it as painless as possible! If this gets out, I'll be bullied! I'll be expelled! This sucks, this sucks, this suuuuuuuucks...

I hate to admit it, but I'm the type who misplaces their smartphone and keys and stuff a lot.

Nice, thanks. I was looking for this yesterday. You saved me a bunch.

So you found this, Sugawara-chan?

Did he really keep me here just to talk about that pointless stuff?

Haah... Is that so...

By the way, sorry for coming late that time. Remember? I was about thirty minutes late last week.

Hey, how about you ring it a bit?

Eh?

But you already heard it a lot during the lesson!

Well, I kinda wanted to hear how it would sound when you ring it, Sugawara-chan. ♡ Just kidding.

Eeh? I guess I can, but why?

I'm pretty sure that tuning forks sound the same whoever rings them anyway.

How's this?

音楽室

DINING

You're always hanging around here after school, even though it doesn't pay.

By the way, Hana-chan, are you single?

...rk.

Just so you know, I'm thankful that you're here to coach me. It's just...

E-Even I won't be around to keep you company forever. It's not fun to spend your whole day every day on wo...

Eh... Nothing... Research, on the internet, like videos,

Wait a sec,
don't ask me
that, you big
old sexual
harasser!

If I do the
research,
I can pull
it off
fine.

Hown'h
hwame
hee ich
lite!

(Don't
blame
me if
I bite!)

Ooh, I'm
spooked!
lol

Sexual
harasser,
huh?

Not very
convincing
coming from
you when you're
savoring my cock
this much.

I'm one
hell of a
lucky
man today!

...yet now
you're
frantically
sucking
away at
my cock
in the
same
music
room you
take
lessons
in every
day.

To think
that you
usually
keep
that
indif-
ferent
face...

Since we're doing it anyway, I'd rather cum with your pussy. ♡

...Wait, I'm about to cum.

Honestly, it's gotten harder to pay attention to what he's saying.

Oh, by the way, I have a surprise for you today.

Eh?

I've turned into a fool who can only think of Sensei's cock inside me.

My mind is full of sex.

I won't stop even if you cry, alright? Prepare yourself.

Teachers often misunderstand what their students are thinking after all.

Oh, that's all it is? If you want me to touch you, you should tell me so.

Oho? What's wrong?

Umm, can you wait a second?

Hmmm~ I wonder what I should do...

Geez, I'm so embarrassed I could die...

So I should give you your "candy" as your reward.

Well, you did work hard at it today.

So stop talking like that. Stop teasing me...

I think I came a bit. This is so wild.

Fuu, guess you should get your memories back soon.

Huh...?

Oo oh

That's great! You came with such a nice voice!

ha ah...

And somehow it's all mixed up with pleasure...

ha

I feel something... something really dark inside me...

Ha-Hana-oka...

fu ah

ah

Sen... sei?

nh

My clothes...

You know what hypnosis is, right? At first I didn't believe in it at all, so I get how you feel right now, Ema-chan.

Well, I didn't think that hard about it, but I tried setting things up so that the two of us could be lovers.

I don't know what's going on, but I think this sweaty, grinning man is my music teacher, Hanaoka-san.

Hey there, Sugawara-chan. Oh, I guess Ema-chan sounds better.

Is this... the music room?

Before I totally didn't believe in hypnosis, but now I'm having amazing sex with my own student!

I'm having sex...

Also, something's inside of me down there.

I'm one hell of a lucky guy!

...with Hana-chan-sensei?

While I was searching for porn on the internet, I got a pop-up on a video site. It looked so dumb, I thought I'd just go ahead and pay for it anyway.

Oh no, my head's spinning...

Come on, it's the cock that fucks your pussy about three times a week! I guess you don't remember being fucked that well yet, though.

Don't you have anything to say, Ema-chan?

Ahh, I totally fucked up. I should have practiced this hypnosis thing more.

You were enjoying the hell out of your "forbidden sex with Sensei" just earlier after all.

C'mon now, don't cry. I can't get off like this.

Hey.

Like "why does a cute girl like me have to have sex with Sensei?" Something like that. Nothing?

Any thoughts on what you've done?

...was supposed to restore all of your memories.

Anyway, the last prompt I gave you...

C'mon, say something, geez!

Well, guess I have no choice. This reaction of yours was also within my expectations.

I see.

I didn't think that a diligent girl with no friends like Ema-chan would have actually fucked some teen brat before.

You've really made more out of your youth than I expected, Ema-chan.

God, I'm so envious of the lucky guy who took your first time.

Was he in the same grade as you? Was he your club senpai? How did he fuck you? Man, I'm so curious.

This really brings me back. It's the first time I fucked you, Ema-chan.

I was really shocked that you weren't a virgin. Wonder if I should upload this video somewhere?

Here's the second surprise I set up.

Oh yeah, how about I bring some tissue too? You better clean up too after all. You're such a mess right now.

What is he even saying?

I still don't think I can go home like this, so I'll take a quick trip to the bathroom.

I'll erase any unpleasant memories you have. Starting tomorrow we can return to a normal student and teacher relationship.

Sorry about everything. I won't use hypnosis on you anymore.

That's not even the problem.

Eh?

キキキキ

It's such a waste that this thing can't be used anymore.

Isn't that how it should normally work? Or am I just messed up for thinking that?

He was using a condom, so wouldn't it have been better if he just came inside me?

Hoh?

That can't be true, right?

Don't tell me I actually want to have sex with Sensei?

Wait a minute...

It's okay
if we...
umm...
do it raw
today...
I think

I mean...
If you
go...
...to the
bath-
room...

Umm...
You
might be
seen by
someone.

Wouldn't
that be
worse?

Kinda.

You
really
are a
good,

sweet
girl,
Ema-chan!

...adorable
and
sweet!

So
damn...

Hana-
sen...
Sei...

With
Sensei...

You're
honest
with
your
own
desires
too!

Aah!
It
feels
so

The same
teacher I
meet every
day whether I
like it or not...
I'm doing
it raw
with him...
Aah! ♥

M-My
first
unprot-
ected
sex...♥

Good!

Cuh...

Well,
even
if you
say
no...

Fue...

Ema
-chan?

...cum
inside?

Can
I...

You
said
I can...

...cum
inside
you,
right?

There's no
way I can
pull out
in time!

It feels...
sooo
gooood...

..stop
cum-
ming!

I
can't...

It
keeps
on
pouring
out!

It...

Uuh!

I'm
seriously...

...gonna
lost
my
mind...

Ema-chan.
She's cute.
She wasn't
supposed to
have particularly
large breasts,
but I ended up
drawing them
that way on
a whim.

I didn't plan
on making
such an
annoying
middle-aged
guy, but his
character
design looked
so annoying
I couldn't
help it.

Afterword

Daki Makura here, thank you for buying my book.
I can't think of anything other than yakiniku and
beer right now, so I guess I'll go eat some yakiniku.
I love everyone who bought my books, so look forward
to my next one!
