An era of conflict between demons and knights.

Emperor Florins, year 235 of his reign.

The 'Empire' deployed a small number of elite knights called Holy Knights, who alone could defeat witches and demon kings, and set out to defeat them.

The forces of darkness, such as witches and demon kings, launched an offensive with a large number of troops against them.

The overwhelming power of the Holy Knights prevented them from putting up a fight.

(The Holy Knights can be seen regardless of the main story)

(Her name is Nova Infinity, modelled on former Keyakizaka 46, Yurina Hirate)

(Light silver armour, like the manga Claymore).

Page 2.

The demon king: Henrietta, who has a castle in a mountain range several hundred kilometres from the capital of the 'Empire'.

She has fiery red hair that stretches down her back and a chest the size of a volleyball.

His skin is a translucent white and he has horns on either side of his skin.

She has sharp eyes that look down on her opponents.

(<https://www.pixiv.net/artworks/86487277> Hair length is Miki, colour Haruka)

'My 12 Division's demon army is wiped out! In less than three days? The white one in the Reich is a monster!'

Henrietta raises her voice after hearing her men's report.

'Shit!!! How could you show such an appalling defeat with the other witches, the Demon Lord and others watching?'

Page 3.

'No longer can the small fry stand up to them?'

The Demon King, unable to bear to see his demon army's disastrous defeat, sighs and tells them Think of a plan.

How can we defeat the Holy Knights?

Just as he is thinking about this, a life-size mirror enters his sight.

He sees his own beauty. Long, beautiful hair, and full breasts, a well-trained body, and an ass that is as good as her breasts.

She is attractive as a woman, rich in magical power and no less powerful than a holy knight.

'I see, I myself should go to her.'

The Demon Lord comes up with a plan and enters alone to the magic circle in the basement.

'If I can increase myself, I can destroy the enemy in one fell swoop.

No longer will I have to rely on the mook demons!'

Page 4.

(He assumes full nudity and casts a spell.)

The demon king casts a spell while looking at a grimoire in the centre of the magic circle. Then, the magic circle glowed suspiciously and the light took away the vision of the Demon King for a moment.

As the light converged, the vision of the Demon King became clearer and there was Two Henrietta were present on the spot.

'Oh, oh!!! More! As expected of me. Isn't that perfect magic!'

Looking at each other, the two demon kings raise their voices.

Page 5.

'Now be my soldier and go and bury the Holy Knight!'

The two demon kings would point at each other and give each other orders. The Demon King is surprised by their synchronised behaviour.

'What are you talking about! You will be my soldier and go and defeat the Holy Knight!'

'What are you talking about! You will be my soldier and you will be the one to go and defeat the Holy Knight!'

They stare at each other with the same face as they face their opponents and have to argue with each other.

'Hey! Listen to the real me!'

'I am the real thing! Don't be so selfish!'

Page 6.

The demon king Henrietta then turns to the grimoire.

Something is wrong: her alter ego, who is supposed to be her household, is completely convinced that she is the real thing.

He looks at the notes in the grimoire, which state.

'When you duplicate yourself, you become a completely identical being. You cannot give orders, etc.

Also, once you split, you cannot return to your original state. Please note.'

'Don't write in such a small place!'

Two demon kings slamming a grimoire.

Not just their appearance, but their memories, their personalities and their thoughts? I see. No wonder they won't listen to me."

They looked at each other's bodies again.

While looking at his own body, which is bewitching and attractive as a woman, the Demon King thinks.

とある魔王の

'If we are the same me, then I suppose we must be thinking the same thoughts right now.
'With that kind of Me, I guess we're thinking the same thoughts without saying it.'

The Demon Lords then, as if in anticipation, simultaneously embraced each other's bodies. They are in exactly the same nude state and their tongues are violently entwined with each other's.

'Nchuuuuuuu.....'

'Puh-hah, as expected of me, a sex-crazed self, to try to corrupt myself.'

'Puh-lease, you too are trying to corrupt me, aren't you? Lover.'

'But it is you who will be corrupted by me! Numbuuhhhhhh.'

"Rerorororo-o."

'Nnnnghhhh, chuppah.'

'Nchuuuuh, chuppah, amuuuuh, puhaaaah!'

The demon king was kissing with tongues entwined many times, but he couldn't settle on receiving or attacking at all.

The demon kings, who had been pressing the same face against each other, pulled their faces apart, drawing threads of saliva between the tips of their tongues.

'They imitate me everywhere!

'You are the one who imitates me!

'Then how about here?'

'Nnhiiii! Oh, that's so strong!

'N-ho-oh! Oh, that's so violent!'

The two demon kings reach out their hands and grasp each other's ample breasts

'Aaahh! No, stop! If you squeeze me gently, I'll feel it! Nhiiii!'

'N-n-n-n-no! Oh, my God, you've got such nipples! Oh, my God, that feels so good! Ha-ha.'

'You, you! My breasts cannot be defeated'

My breasts will make you fall!

Having said that, the two demon kings put their arms around each other's backs and press their breasts against each other.

The nipples crush against each other, and the soft and elastic firm breasts crush against each other, causing too much stimulation on both sides.

Breasts that even spurt milk unintentionally.

とある魔王の

Page 10.

'My, how lewd you are to even spew milk, my dear.'
'You're the one who spewed milk, you perverted bitch.'
'You're the pervert! What do you say, you who are so wet!
'Hiyahiiiiiii!!! No, you're the one who's wet! You!!!!!!!'
'Hiiiiiiiiiii! Are you copying me again? Imitation!
'Nnhaa! Imitation! You do nothing but imitate me!

The demon kings who covered each other with milk...
Breasts pressed against each other, nipples still pressed against each other.

Page 11.

'Then I will drive you mad with lewdness, which you do not have.'

Having told them so, the demon kings cast their magic at the same time.
Then, from their crotches, male genitalia were produced that were thicker, bigger and more vascular than those of ordinary men.

'Hi! Well, you imitated me again! You!"
'Eeeeeee!!! If this happens, first!"
First, I'll make you look like a cad!"

Handing up the newly-grown male organ as it is.
The exact same hand handles the exact same male organ.

Page 12.

'Hiiguuh!!! Hnhaa! Hyahiiiiiii! Unnnn! Kufuuuuu!"
Aaahhh! Ah, ah ah ah ah! Nghaagh, aagh! Higi!!!!'

The demon kings, who kept moaning inaudibly, tried to make their opponents ejaculate somehow first.

He tried to rub his opponent's male organ against his own.

However, it was exactly the same for the other party, who vigorously pressed the inside of the bell against each other.

'Hiiiiiiiiiiiiiiiiii!!!'

とある魔王の

常

Page 13.

The extra stimulation causes the male organ to ejaculate.
But the male organ ejaculates vigorously, but the very same male organ collides with the overlapping, deep-kissing self in front of him.
Caught in the stimulation, the breasts also erupt.
And it, too, is about to flow into the breast that is exactly like the self in front of you.

'Nnghiiiiiiiiiiiiiiiiiiiiiiiiiiiiii!!
Hiyaaaaah!"

'And it's not! I can't ejaculate!
'Oh, I can't get milk from my tits!

They are also on the verge of making a goofy face, and they are shouting pleadingly to each other.

Page 14.

'If this happens, let's play here too I won't lose!
'Whole body, whole body, win ah! Wa, I am not going to be defeated!

Their legs entwine with each other and their secret places press against each other. The pubic nuclei crush against each other.
The breasts are pressed further together and the lips are placed on top of each other.
The moment when the bodies are brought closer together, the bell mouths are also more engorged and the nipples are also crushed together to a greater extent.
The fluids of the two demon kings exchange and flow into each other at once.

'Nnnnnnnnnnnnnnnnn ! ! ! !'

(Cross-sectional view of the exchange of bodily fluids)

Page 15.

Each other's body fluids running throughout the body.
The fluid that runs through their entire bodies causes their breasts to swell with milk, their male genitals and testicles to swell with semen, and their wombs to swell with love juices.
The exchange of whole-body fluids between themselves, the body reaches its limits and

'Puhhhh!!! This thing is breaking! My self is destroying me uuuuu! Hyaaaaaaaahhh!"

Their bodies are released and their whole bodies, covered in each other's fluids.
(Saliva, milk, semen, love juice)

'Haa, haa, haa..... this is going to fall on me, wa, me.'

'Haa, haa, haa....., I have to, ah, deal with the other person before I go mad.'

Talking to myself, I looked at the other's body and saw a bewitching and lewd figure covered in our own bodily fluids all over.

Unable to resist, the demon king attempts to forcibly rape his opponent as it is.

'I'm going to rape you first!'

But it resulted in both of us inserting ourselves at the same time.

'Hiiiiiiiiiiiiiiiiiiiiiiiiiiiiiiii! I'm inserting myself into you at the same time as you're inserting yourself into me!

Page 17.

No, get out!

You're the one who needs to get out!

'Kuu, you stupid bitch who can't tell! Kura!'

Having said this, they both wiggled their hips at the same time.

Only once, but at that moment, they ejaculate all at once.

Page 18.

'Oh, oh, yes, you only had to buck once, and yes, you came, you slut.'

'You're the one who wiggled your hips just once and ejaculated in a hapless manner!

'I'm not ready to be fucked! Hiiguuuuuuuuu!!!!'

I ejaculate a second time, easily.

(Oh, shit, oh, the chemistry is too good, my cunt, my cock feels too good ugh)

(My cock and my pussy are too good together, if I shake my hips around, I'm going to go over on my own.)

'Hyah! Wait, wait, stop your hips! With me, with me, I'm going again uuuuuuuu!'

Demon kings who still can't stop their hips.

Page 19.

'Well, I'm still cumming, oh my body won't stop, oh my body won't stop, oh my body won't stop, oh my body won't stop, oh my body won't stop!'

(Breasts pressed against each other, milk pouring in)

(Large quantities of semen pouring into each other by mutual insertion)

(Pitching sounds can be heard in her head)

とある魔王の

Page 20.

The Demon King continues to shake only his hips while holding each other, kissing and tonguing each other, while being close to each other in his favourite hole.

(Oh, oh, oh, this guy, how far is he going to stick to me!)

(Oh, oh, oh, he's, wow, he's tangling with me, what the hell is he doing!)

(Ugh, May! That's because you won't leave me!)

(You're the one who won't leave!)

(Huh?)

(Oh, that?)

((Why can't I hear the other person's voice when I'm kissing them?!?!))

The intense intercourse between two people of the same sex has broken down the walls of our minds.

You're in a position where you can hear both sides.

Page 21.

(HIGGH!!!! No, don't! When we talk to each other, you can't tell which voice is speaking or who is speaking.)

(HIGGY!!! Even the sensations you're feeling are flowing through me! This, this is the sensation of two of me.)

(Let go of me! Let go of me! If we don't do something, we'll drive each other crazy.)

(Don't pant at the head! My hearts are mingling with mine and I'm losing my mind!)

(No, no, no! I am... I am! (I am not me!)))

(Hiiiiiiiiiiii! Ogajiguaruuuuu!!! (I'm going mad!!!)

The voices in the minds of the two demon kings reverberate with each other as they piston in full body contact.

It gets more confusing.

Page 22.

'Nnghhhhhh!!! Iggy uuuuuuuuuuuuuuuuuuuuu!"

(Hyah! I, I, I, both of us iguuuuuuu! (I'm the only one who can feel it. Hiiiiiiiiiiii!)

While ejaculating profusely, milk spurts out from the gap between their mutually inserted secret parts.

Spurts out a mixture of semen and love juice.

Nova Infiniti, holding a grimoire and looking at the mountain range, the enemy stronghold. The number of demons has decreased over the past few weeks, and the neighbouring villagers have told us that the demon king has not been seen.

'It went well, didn't it?'

He called out to Nova, but when he turned around, he saw the other Nova ahead of him. The other Nova hugging her from behind.

'I don't think the Demon Lord would be able to get along with himself.'

The two Novas then lock lips.

Page 24.

The mountain range that was the residence of the Demon King..... its basement In that enclosed space, voices can still be heard today.

'Aaahhh! Enough, enough, listen to me! Nggi! Icuuuuuuu!'

(I want to have more sex with me, more child-bearing, fertile sex with me, hinoooooooooooooo!)

The two demon kings with swollen bellies repeatedly had mutual penetration sex with each other.
