

And since then I have gotten close with a certain female.

...
Oh!?

Oh hey,
Good evening
Hiroki
-kun!

Gosh
I am so
hungry...

CLICK

It's been
3 months
since I
started living
on my own-

Not really,
just getting
food from the
convenience
store ma'am.

She is
very
friendly
and loves
to talk.

Again?
That isn't
good for
you honey~

Are you
going
out?

You're
looking
real stylish
as usual~

Oh no,
you don't
have to
do that!

Come eat
at my place!
I'll make you
something
you like!

PLUMP
v

Uh,
W-
wait-

PULL!

You don't
have to be
so polite~
C'mon
in we go!

Her name
is Humie
Nakagawa.
She lives in
the house
next door
to me.

Well,
maybe
a little
TOO
friendly...

I'll make
you anything
just give
me a call~

With her
husband often
away for work
and her son
living in the
school dorm-

Ms.Nakagawa
would often
invite me
over for
dinner.

...Thank
you SO much
for dinner
ma'am...
Thank you
so SO
much...

Oh sweetie
it's fine~
It's no
big deal~

Hey
Dark
ling~

Now we
would meet
almost every
day, eating
meals
together.

I just moved
into this
neighborhood,
and my first
time living
alone, so
she was like
a hero to me.

I first met
her at the
supermarket,
and she
helped me
shop for
groceries.

Looking
for that?

As if
we are
married
...

And we
started
meeting
each other
more and
more.

We're
having
stew~

After that
day we got
close real
fast,

PFFT!!

Do you have a girlfriend?

So~ Hiroki -kun.

...and if she finds out about my feelings she'd despise me for sure!

No way~ Really?

N- no ma'am... I don't have one...

Oh girls these days~ I can't understand their taste in men!

How could they just pass on a young, handsome man like you?

...Oh silly me what am I even saying!

I definitely would have made a move on you!

I'm sorry if I made you uncomfortable!

If I met you in my 20's,

Uh...
