Sayama Rika (24)

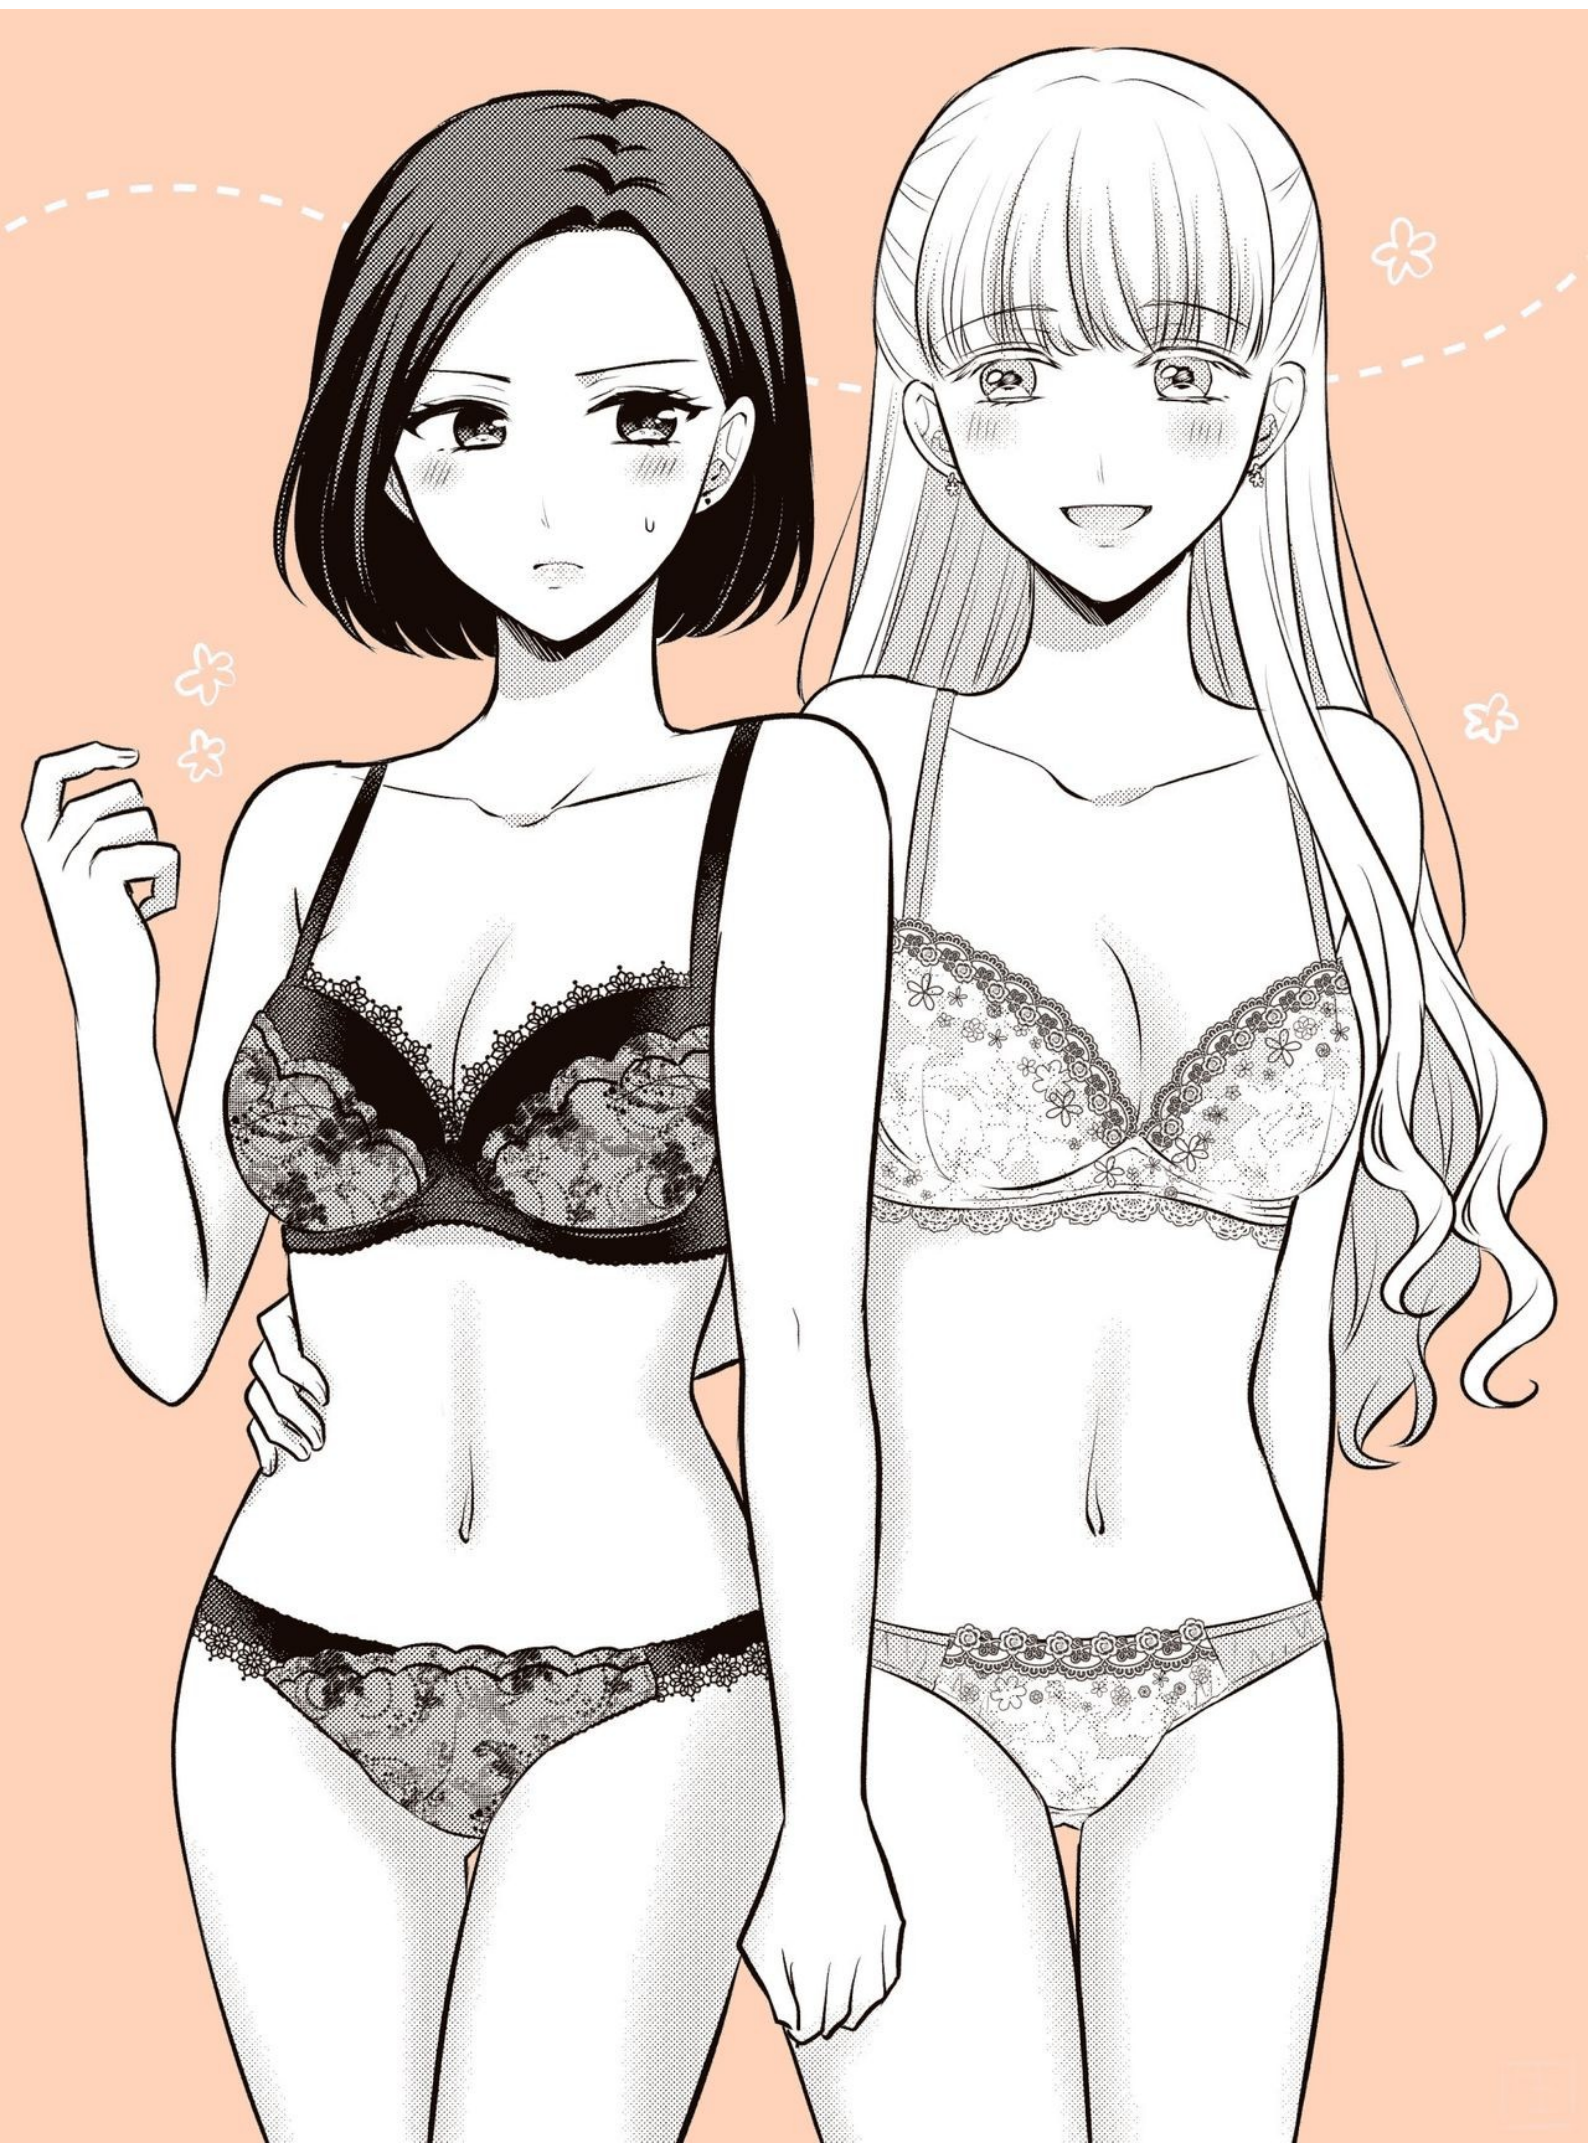

Amiable and adored by everyone for it. Loves women and, in truth, is the touchy-feely type. Likes Tougou's face and her reactions.

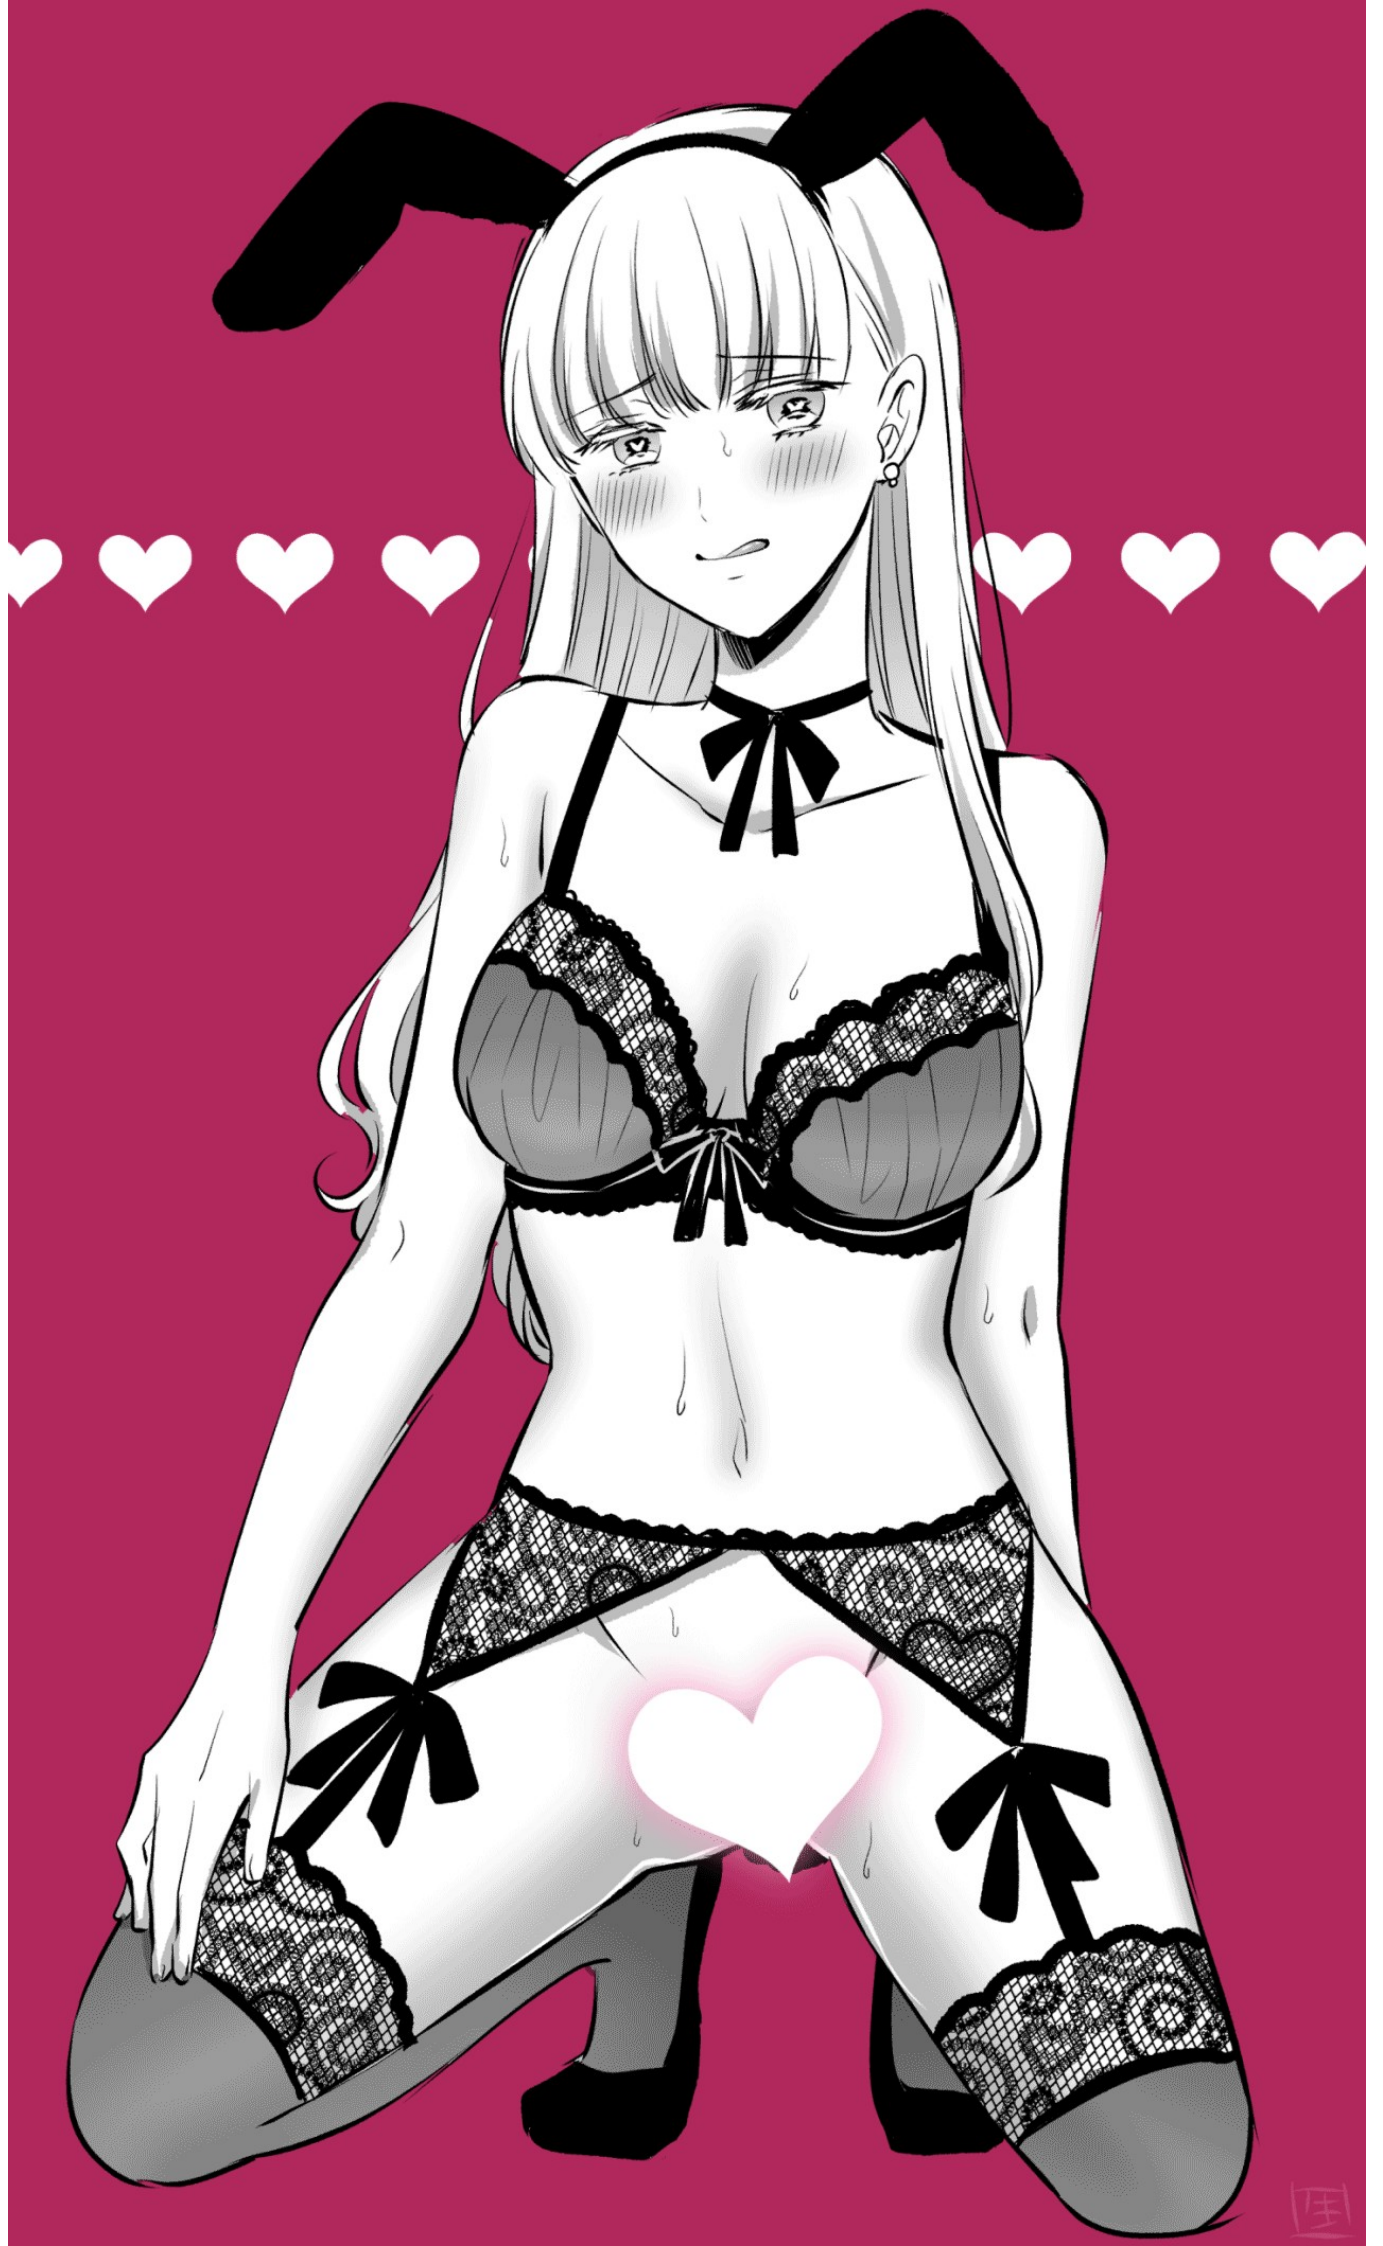

Tougou Haruka (26)

A strict work ethic makes it hard for others to approach her. Rika found out she only likes women, and takes advantage of that. Thinks Rika is the worst.

Last night I haphazardly put it down...

CONTENT CANNOT BE SHOWN

The other earring in this pair, I can't find it.

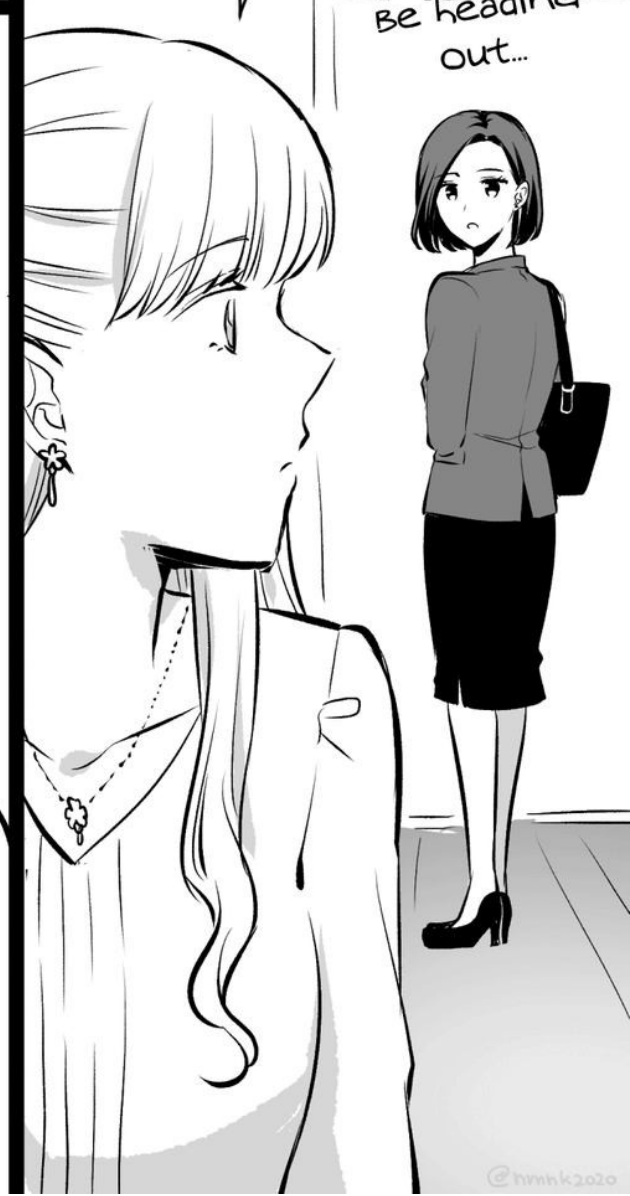

What's up?

We should be heading out...

No, it's fine.

It's not like I need it for work.

I can't get it off my mind, I feel like I'm partially responsible (?)...
Even though she said it's not important, she must hate that it got lost.

That's a good idea, if I do say so myself...
AH!!

That aside, tomorrow's White Day isn't it?
I've got to get Sayama a return gift.

For people at work as well...

But what should I...

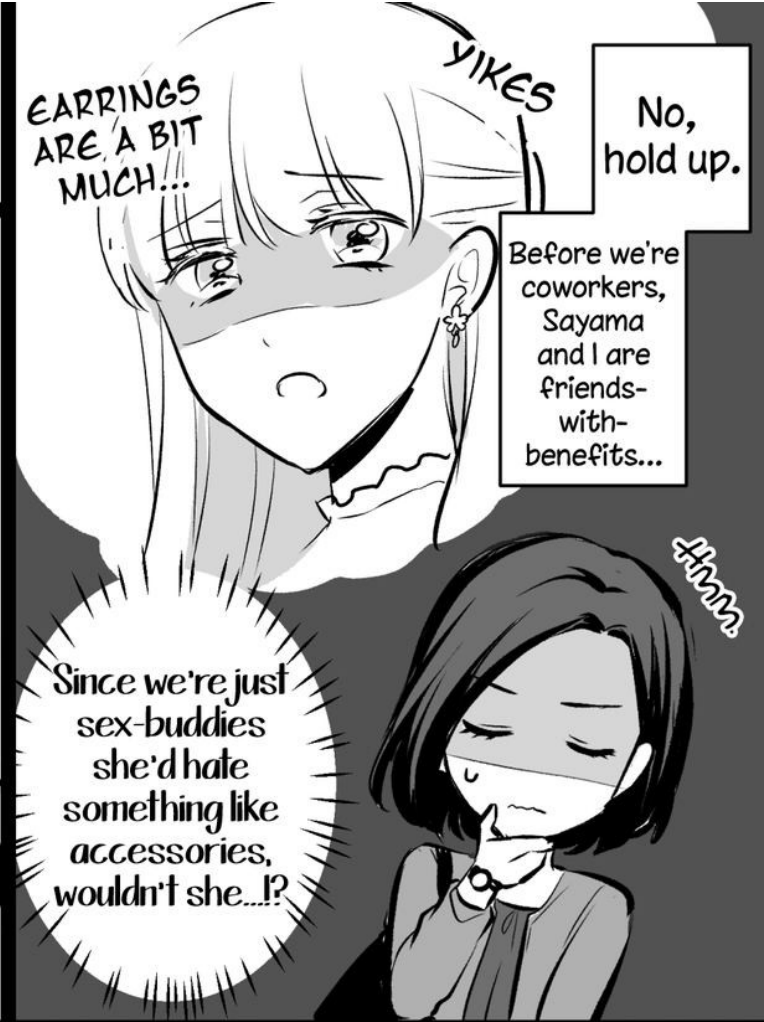

step

What ever.

creak

It can't be helped, since I don't have any better ideas!

EARRINGS ARE A BIT MUCH...

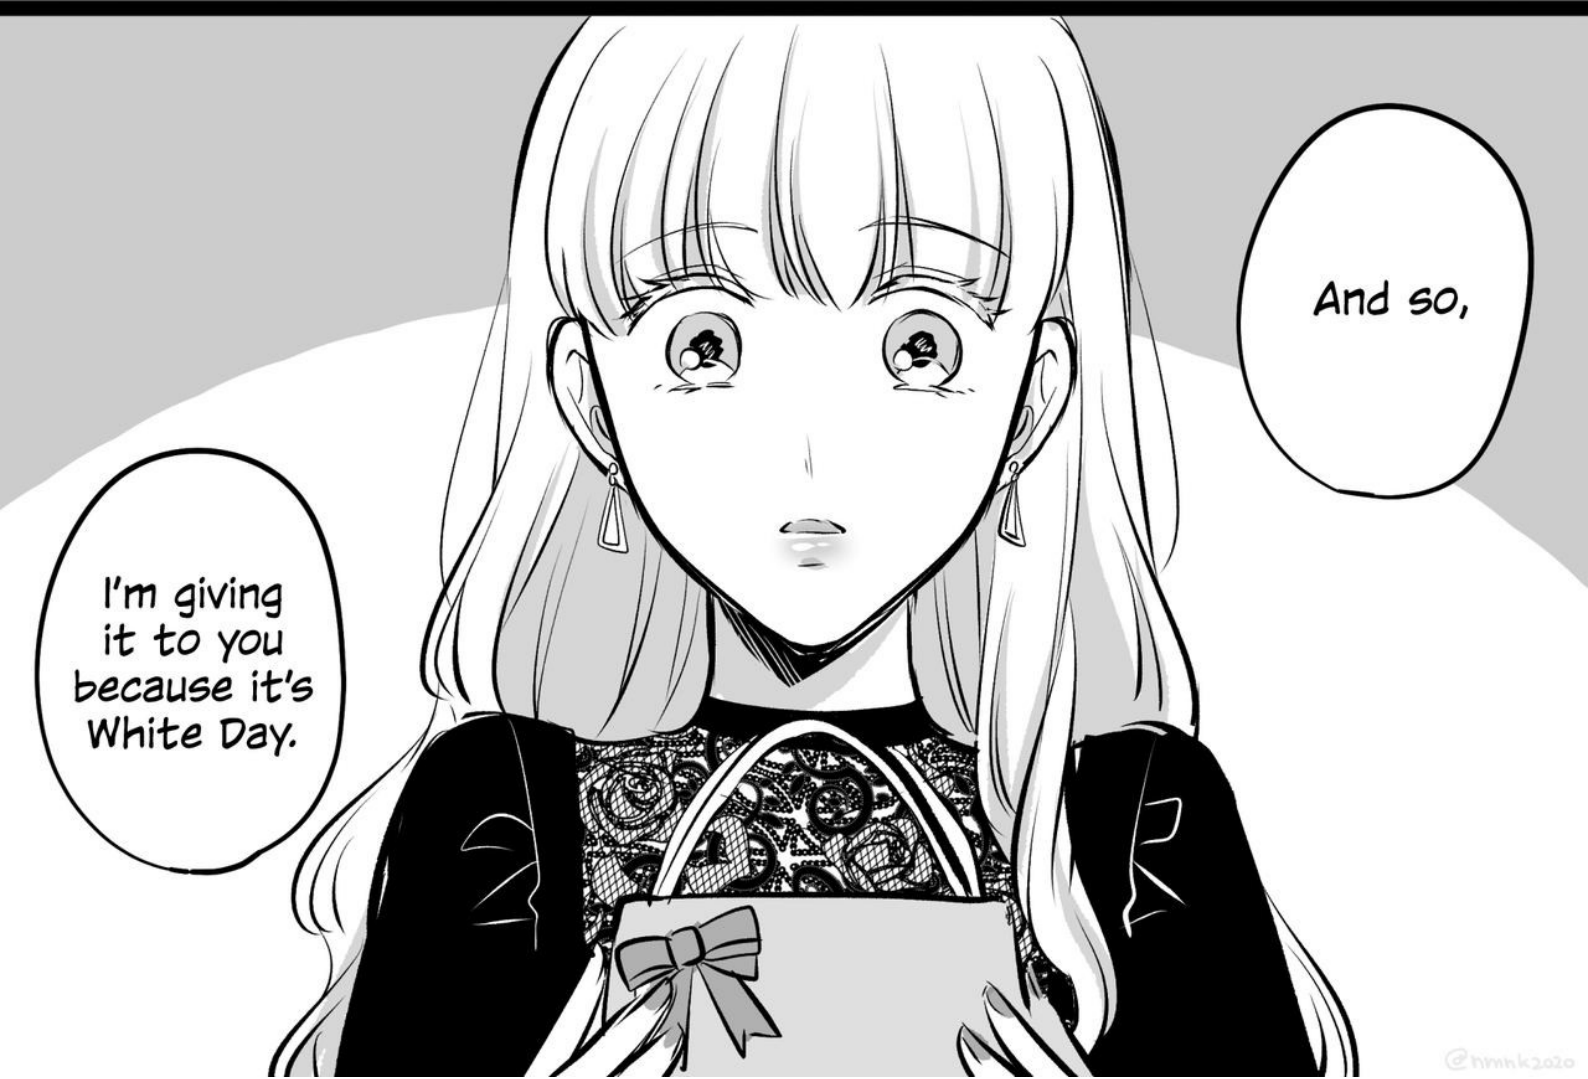

YIKES

No, hold up.

Before we're coworkers, Sayama and I are friends-with-benefits...

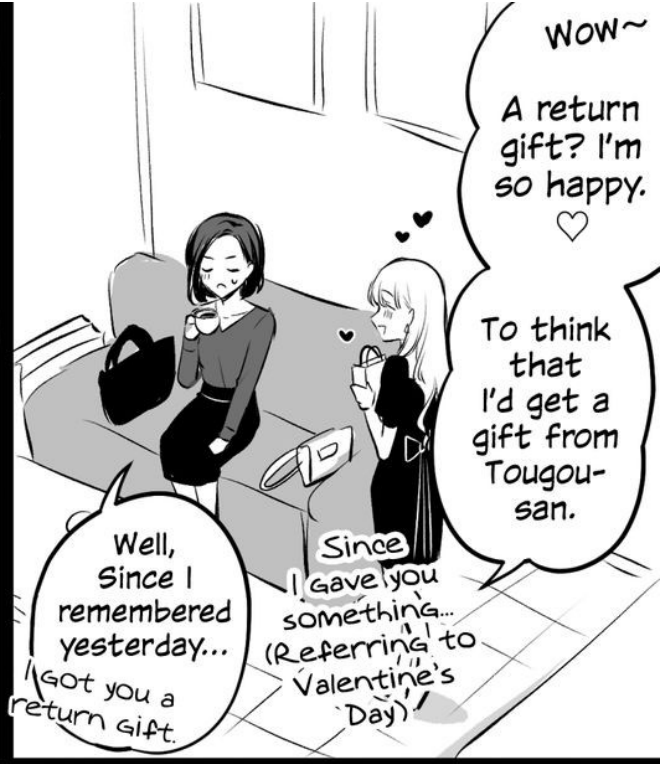

Since we're just sex-buddies she'd hate something like accessories, wouldn't she...!?

fmm

I'm giving it to you because it's White Day.

And so,

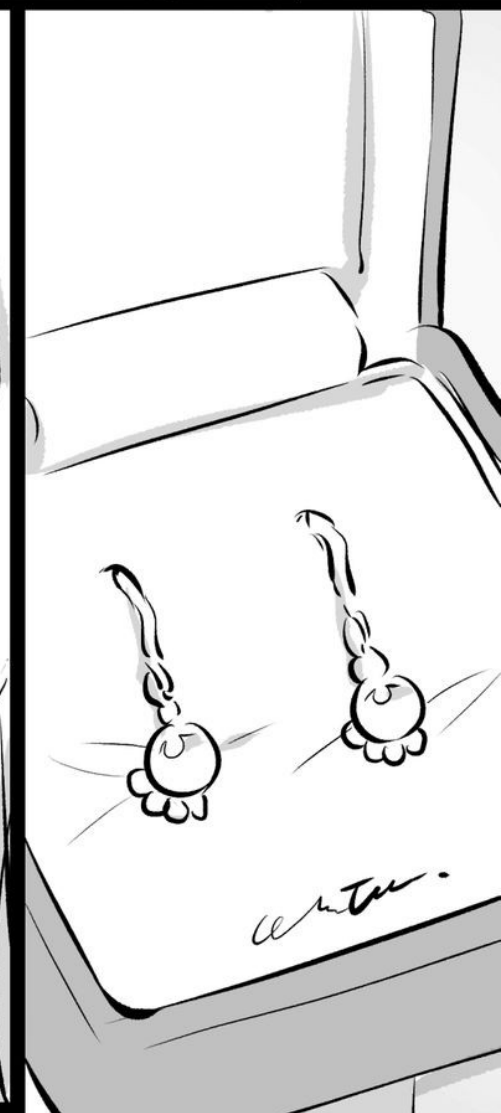

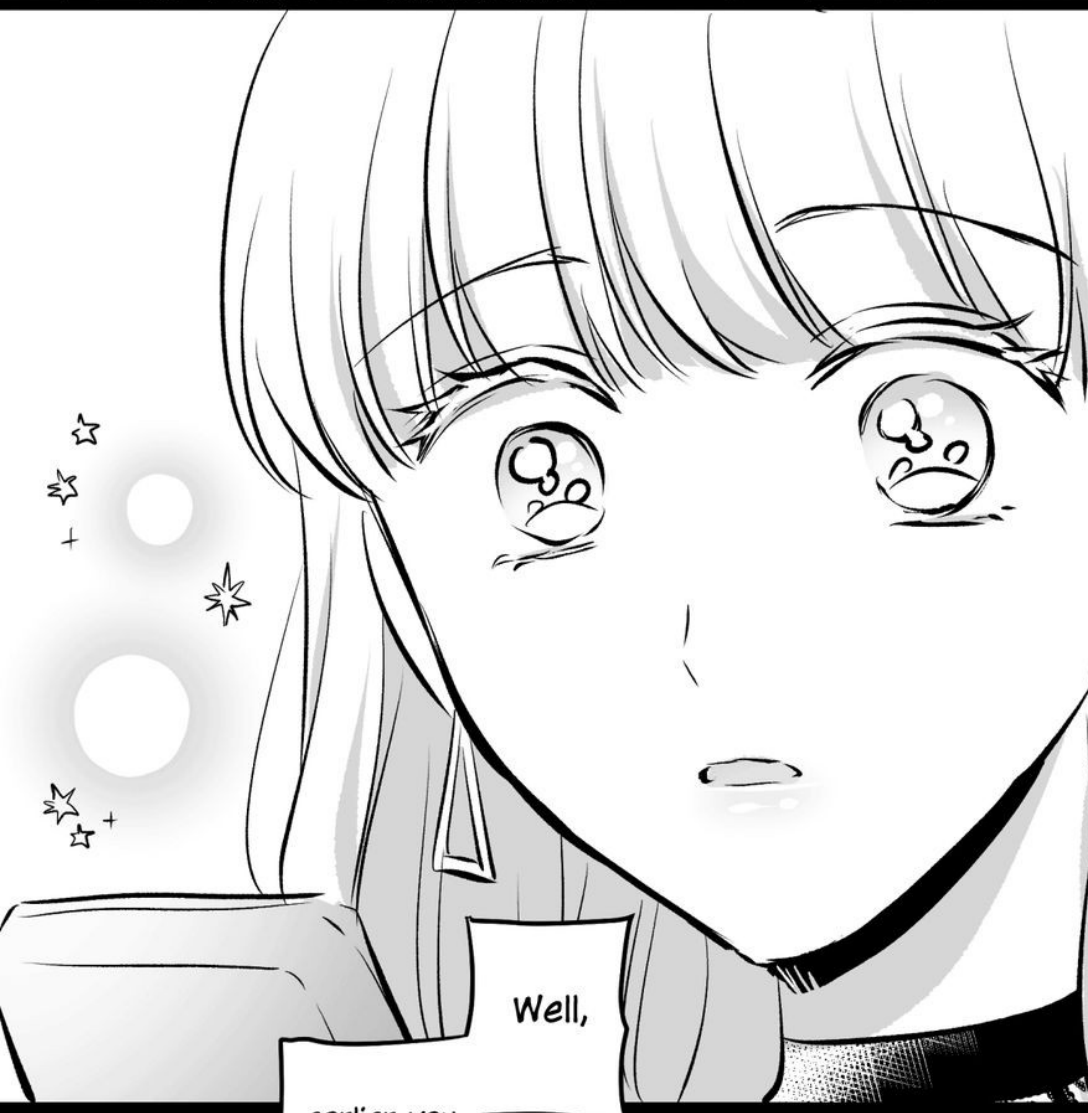

What can it be~ Cookies?
Or marshmallows...

Well, Since I remembered yesterday... I got you a return gift.

Since I gave you something... (Referring to Valentine's Day)

To think that I'd get a gift from Toujou-san.

Wow~ A return gift? I'm so happy.

earlier you lost your earrings right!?

I-I felt like I was partially responsible so...!

fret fret

You don't have to wear them...

Sayama?

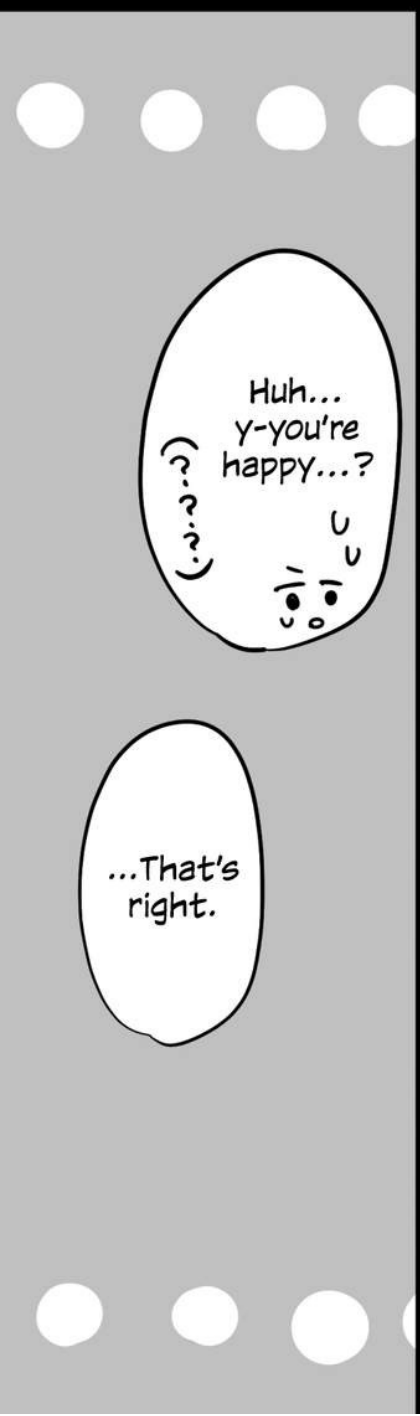

Hmph

You've said before that you wouldn't want something with a floral pattern.

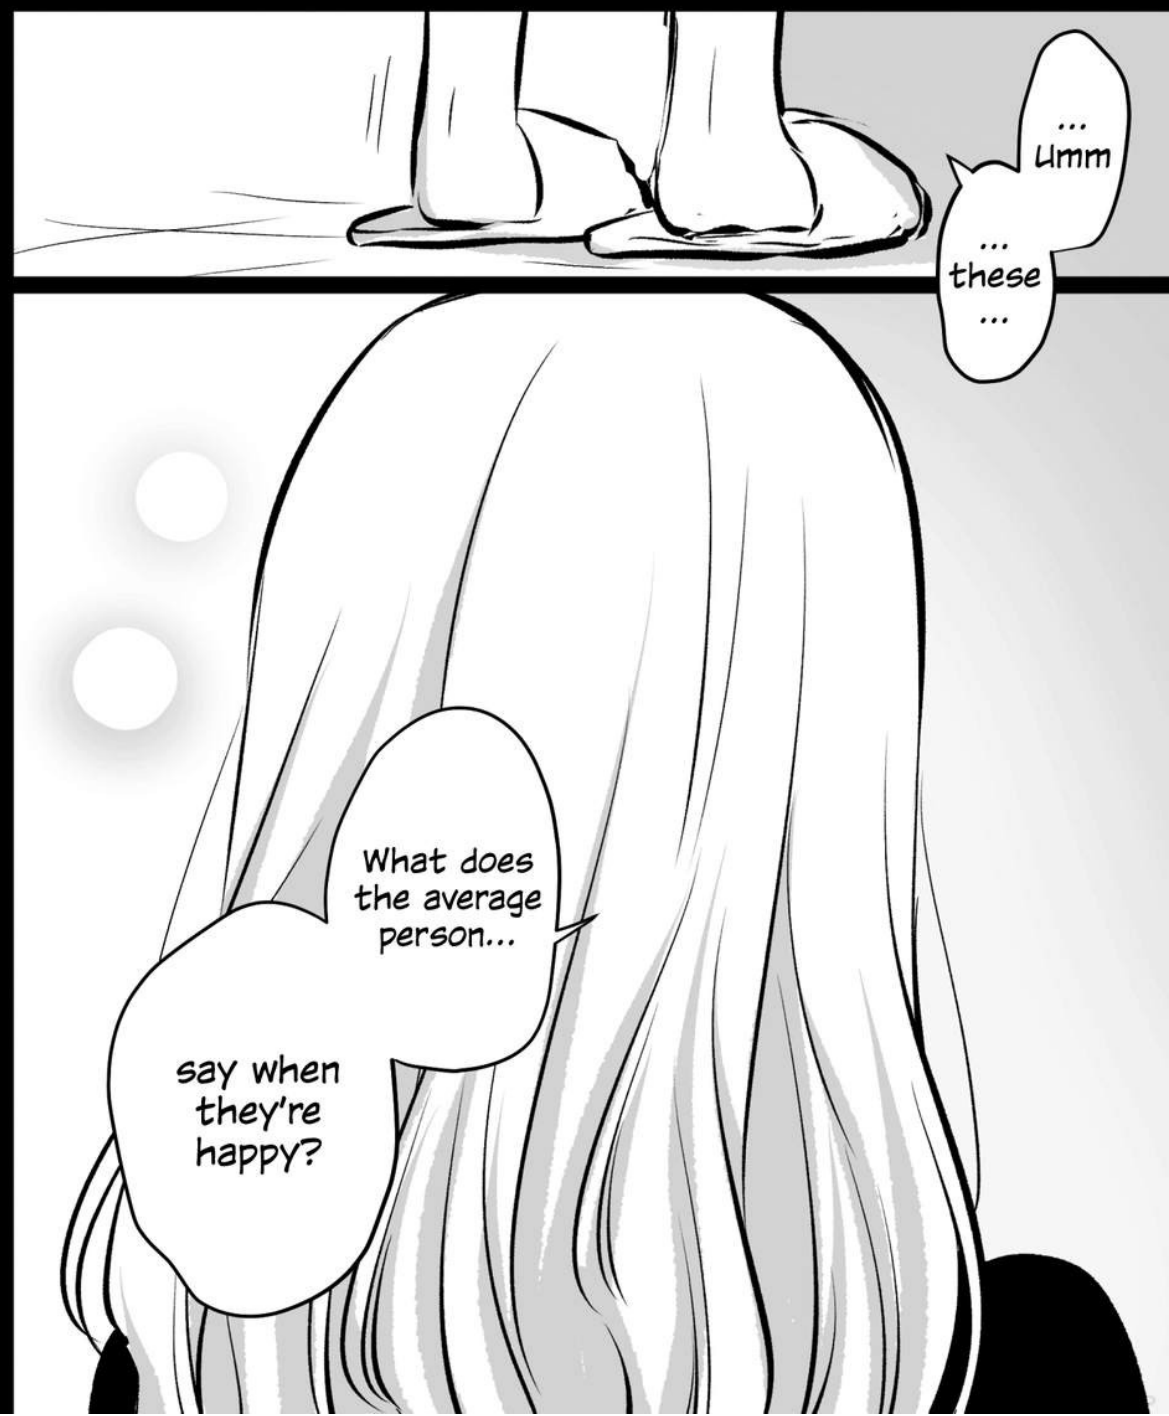

So I got something that I thought would suit you but...

If you hate it, you can always throw it away.

Huh... y-you're happy...?

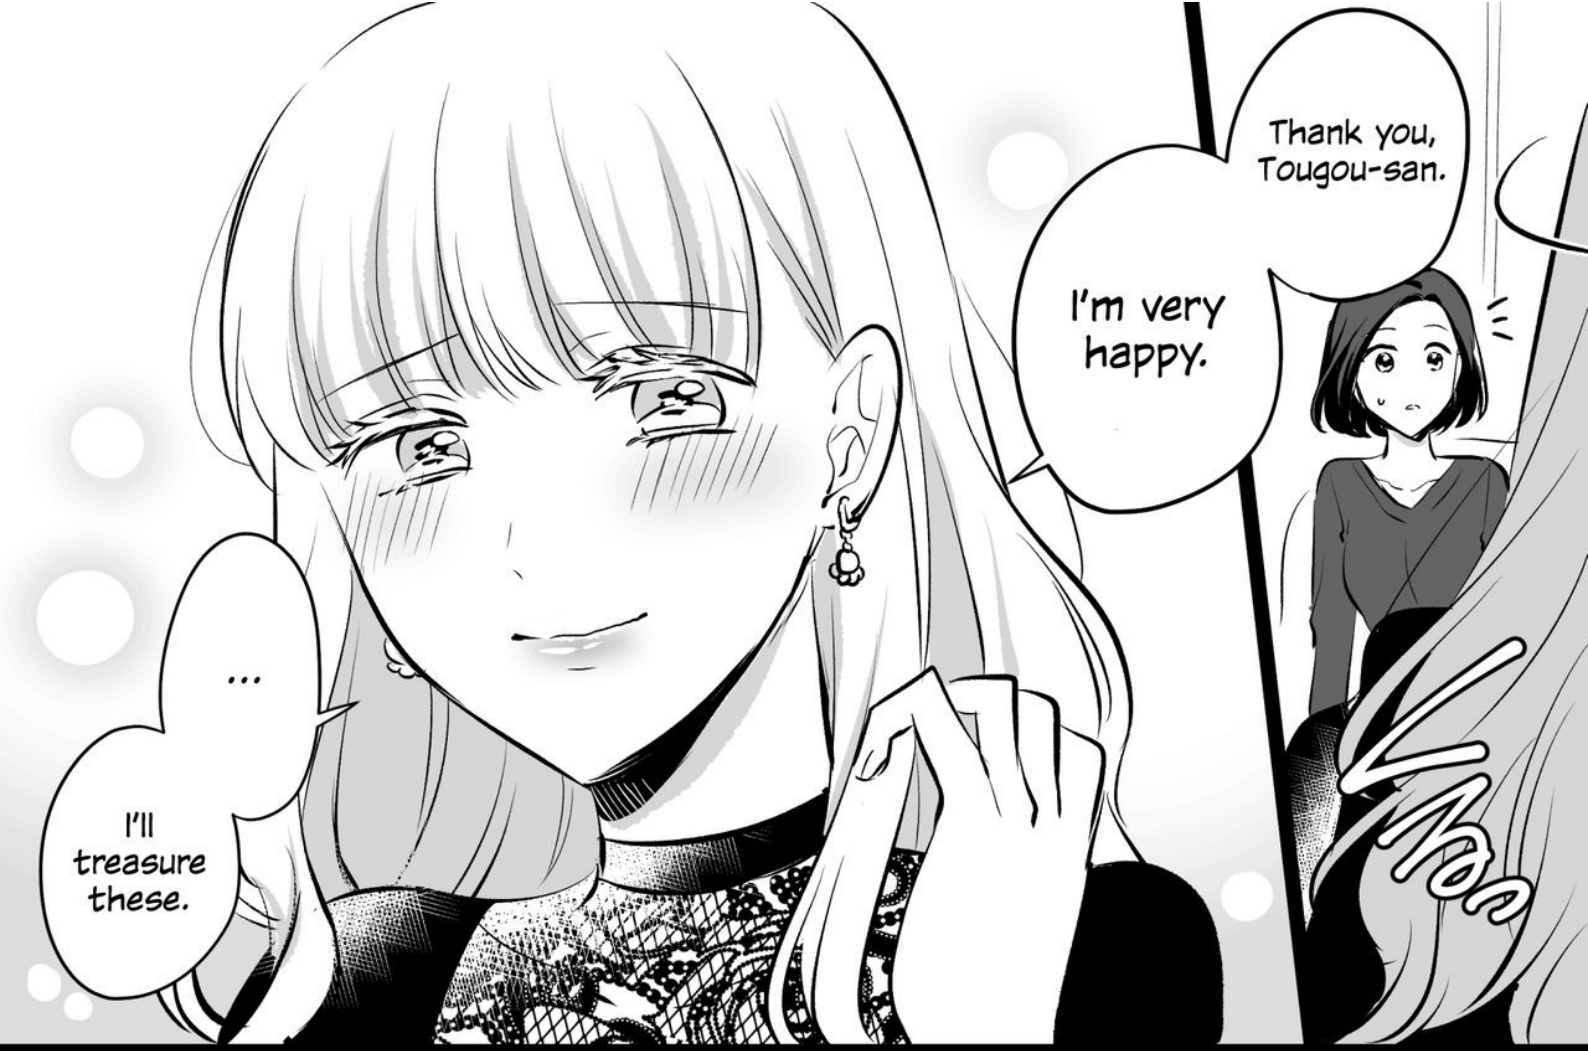

...That's right.

... Umm
... these
...

What does the average person...

say when they're happy?

...

I'll treasure these.

I'm very happy.

Thank you, Tougou-san.

What!?

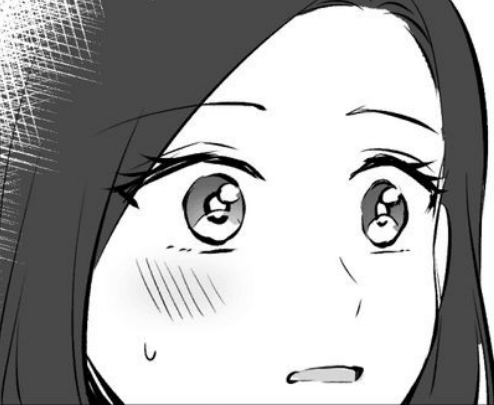

What's with you switching moods so suddenly!?

Ah

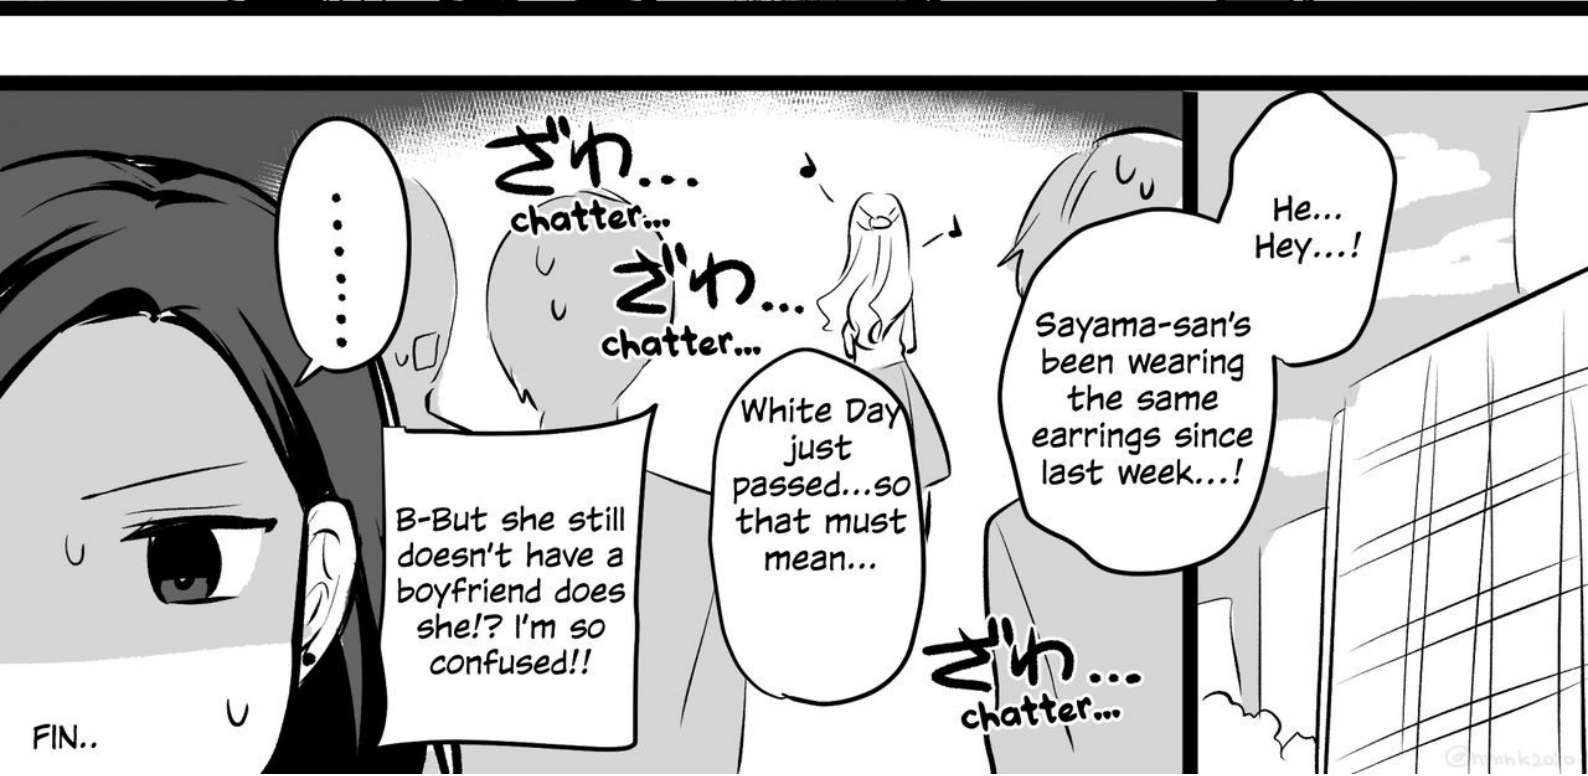

かほっ!!

I'm all turned on!

White Day just passed...so that must mean...

Sayama-san's been wearing the same earrings since last week...!

ざわ...

FIN..

It's a White Day gift but

I want to give it to my se-kouhai at work.

Do you have earrings that are cute but give off a good feel as well?

That's right-
With that in mind...

A kouhai at work!?

A White Day present that costs more than ¥10,000?
