Chapter 1 I WISH I WERE A DOG

JUST WHERE... DID THEY GO?

...MY GYM CLOTHES.

This on top of the indoor slippers....

...could this be bullying?

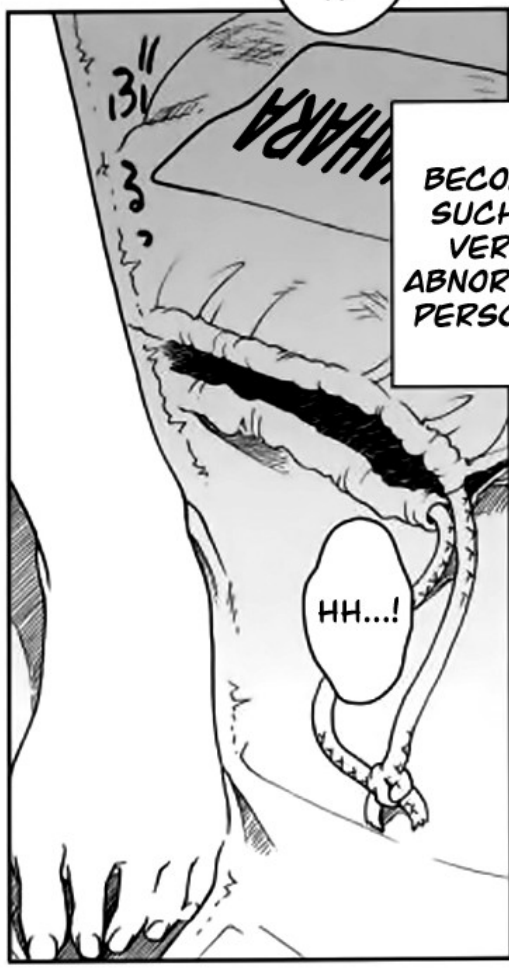

KUWAHARA

I've done it...

I've finally... gone and done it

I'M SORRY... RE-CENTLY, I'VE...

BECOME SUCH A VERY ABNORMAL PERSON...

HH...!

THAT EVEN KUWAHARA-KUN WOULD BE DIS-GUSTED.

HA...

UHH...

Nhh

WHAT I'M DOING, IT'S...

The truth is, I was the culprit in this case too.

It's time for what I had taken and kept aside...

THE END

D AND AND AND AND A

Good day, I am otakubeam.

I drew today's work with a sort of idea to make a spinoff-type (?) sequel to the already published "And-hand-tied" series.

From the beginning it never occurred to me that I was creating a "sniffing fetish"- directed work, and today I can only wonder once more at how scary a thing momentum can be.

THE END

ENDNOTE

This turned out to have a lot of characters that I liked, and thus a lot of material, and due to this lack of restraint it turned out kind of shaky. I apologize if it was hard to read.

And so it comes to a close. To everyone who has been following along since "Part 1" -- of course as well as everyone who hasn't, thank you very much for reading all the way to the end.
