Who do
you
think
you
are?

I don't like it when pigs like you act so cocky

What are you looking at? Did you even learn your lesson?

Ugh...

You're so filthy, just like a pig!

Hahaha! Lay down on the floor below my pussy.

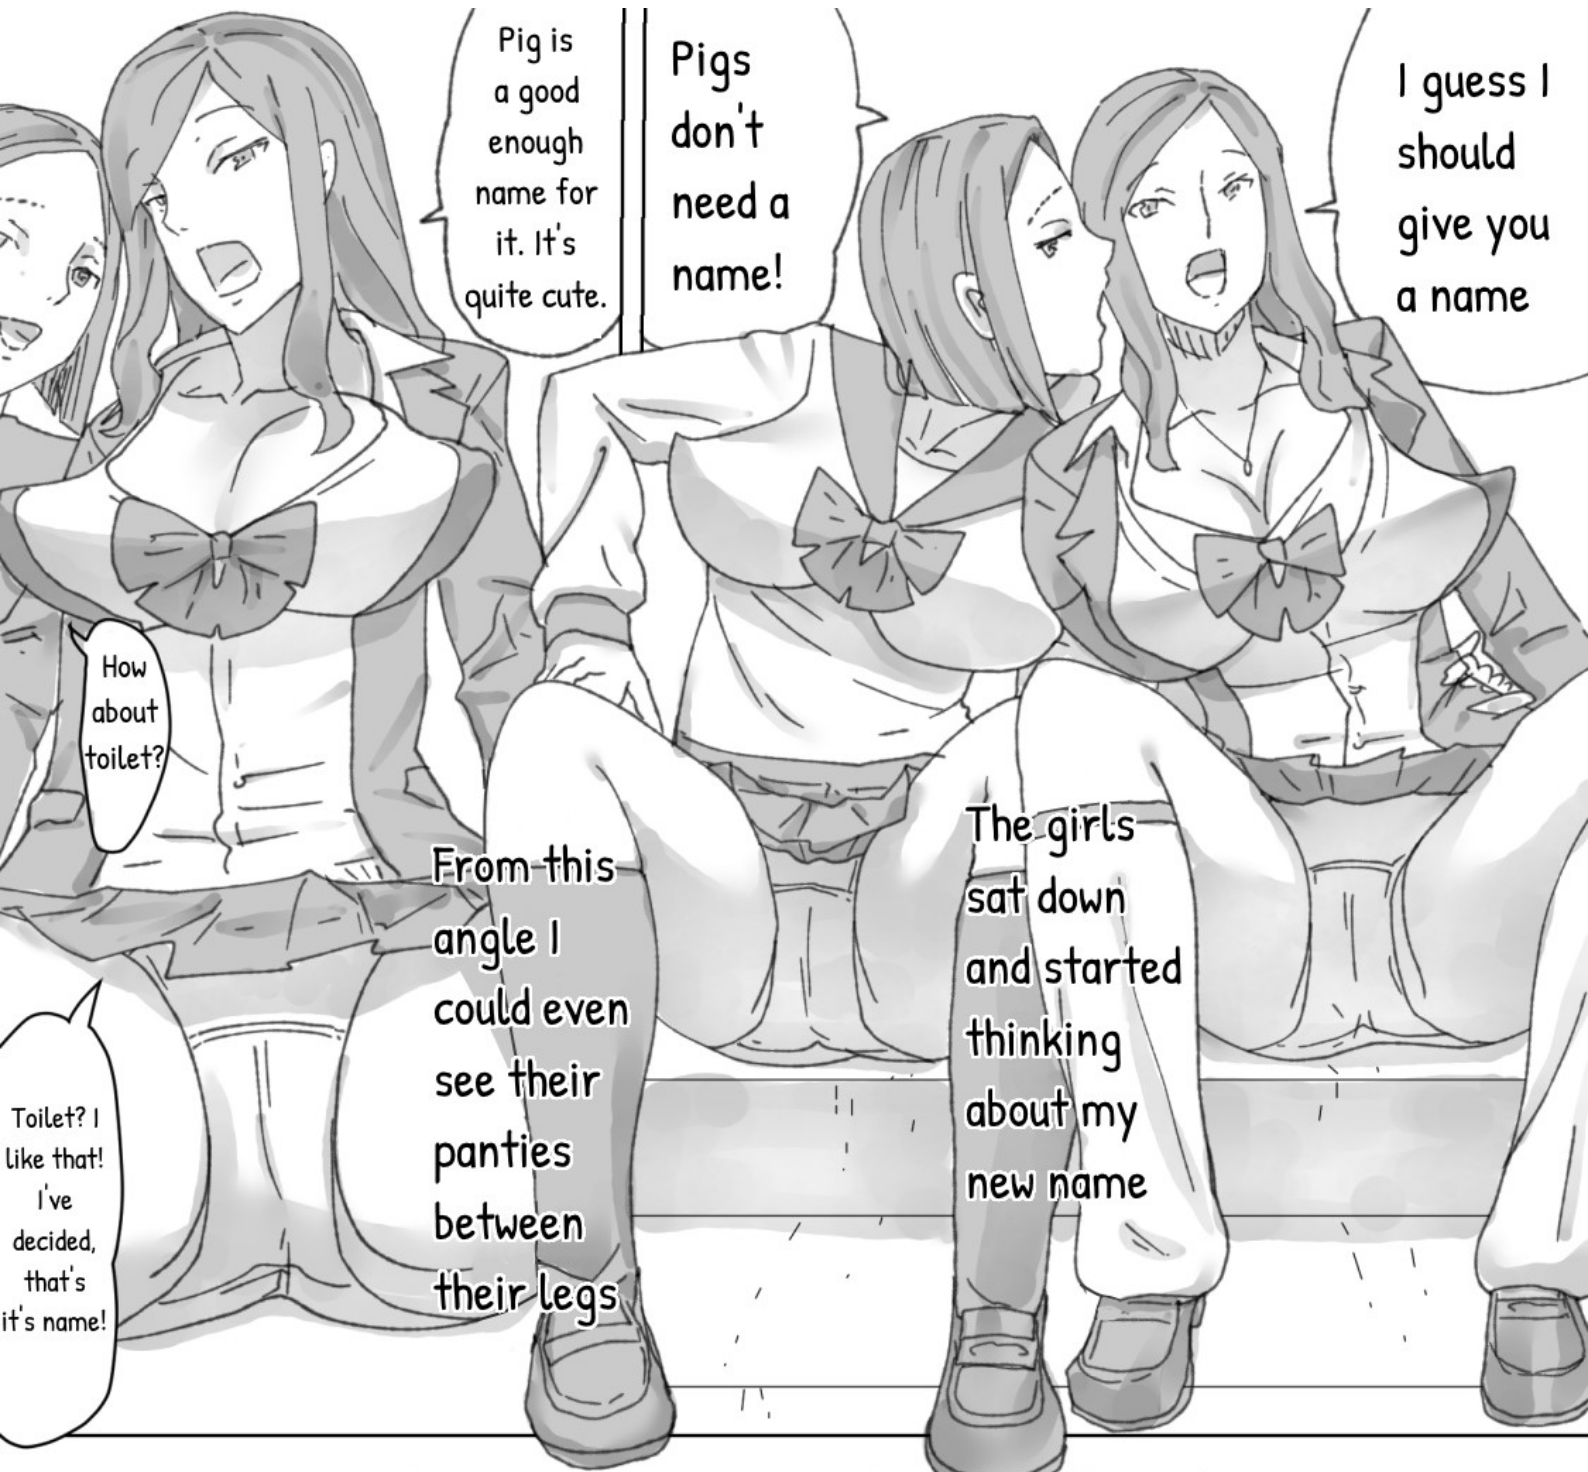

Yes, I do. Thank you.

My head is up here! You should be looking at me!

Answer me! Do you understand?

Pig is a good enough name for it. It's quite cute.

Pigs don't need a name!

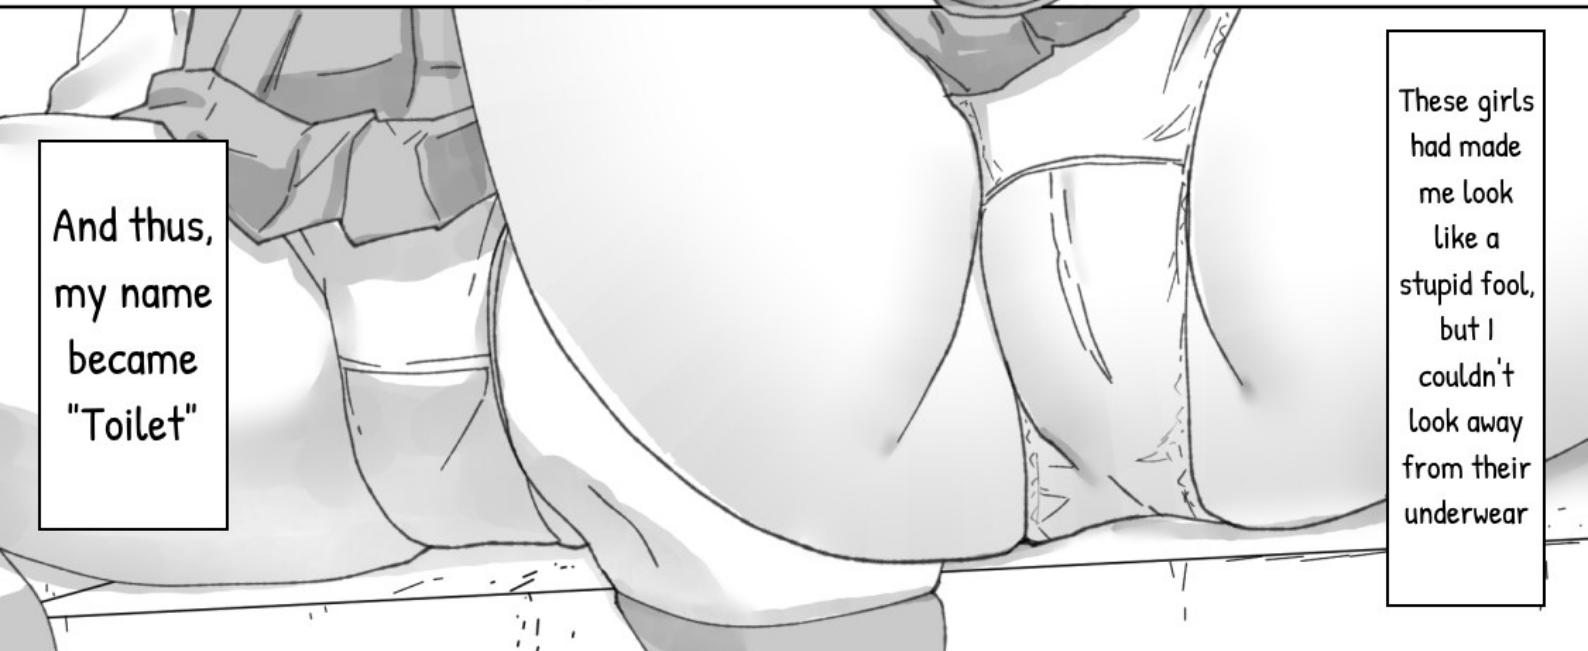

I guess I should give you a name

How about toilet?

From this angle I could even see their panties between their legs

The girls sat down and started thinking about my new name

Toilet? I like that! I've decided, that's it's name!

And thus, my name became "Toilet"

These girls had made me look like a stupid fool, but I couldn't look away from their underwear

He's probably never seen a pussy before in his life

Or would you rather see what's inside?

Do you like looking at my pants?
