

A detailed black and white line drawing of a traditional Chinese crossbow, known as a jianpu. The drawing shows the main body of the crossbow, which is a long, cylindrical tube. A long, thin arrow (jian) is attached to the front of the tube. The trigger mechanism (ji) is visible on the side of the tube, consisting of a small lever and a string. The drawing is oriented vertically, with the arrow pointing upwards. The style is that of a technical illustration or a detailed sketch.

I FIRST
GOT MY
SEXUAL
AWAKENING
CLIMBING
BAMBOO
TREES.

IN MY YOUTH,
BEFORE I HAD
FIRST HAD
AN ORGASM,
- I WOULD
OFTEN GO TO
THE BAMBOO
GROVE.

ME, A
BELOVED
GUILTY
PLEASURE
