Until the Unfortunate Tomboy Becomes Happy(?) Part 1

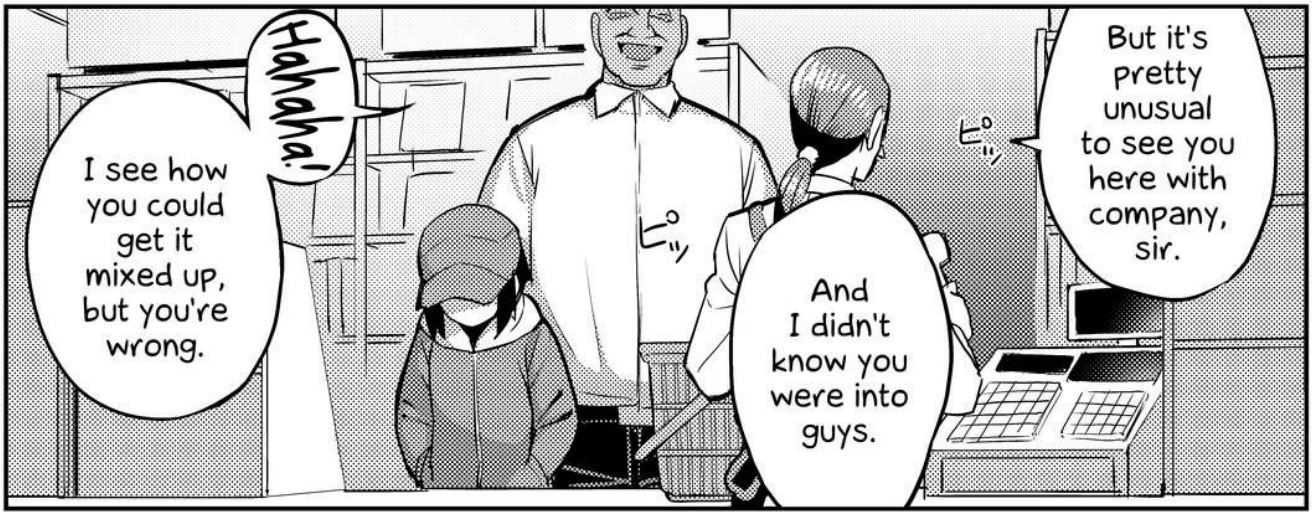

For 18+ only

Wow, I didn't expect you to pick such a gruesome one.
What... Th-Then I'll switch to this one...
I... I don't really want anything...
I'm not really sure, so I just picked one at random...
Have you decided which one you want yet?
Sex Toys for Men

I'll buy this one, please.
Thanks a lot.

No can do, you already chose this one, so we're going with it.
Uweh...

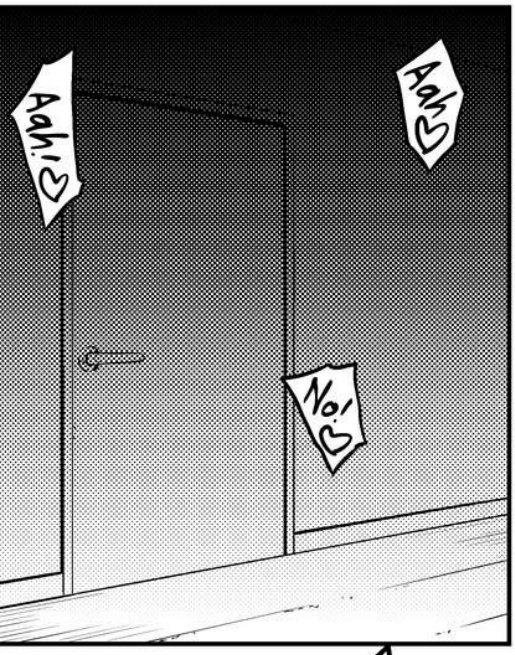

But it's pretty unusual to see you here with company, sir.
And I didn't know you were into guys.
I see how you could get it mixed up, but you're wrong.
Hahaha!

Come on, introduce yourself like I taught you.
Don't worry, he's a tight-lipped guy.

Having a stranger look at you is pretty exciting, right?
I'm glad you enjoyed it.

That was embarrassing and scary...
If I could, I...
You don't want to do it?
I have to do it even if I hate it, right?
How noble.
When I see you like that, Ibuki-chan...
I know... That's the kind of promise I made...
Aghi!
I can't help but want to bully you.
Too... hard!
Aah!
Yes, this is the promise I exchanged with Oji-san.

We lost our father when we were young, and we didn't have any relatives to rely on either.

The two of us were at a complete loss.

But several days later...

...this Oji-san suddenly visited us...

and said this...

"I want you two."

To put it simply, he was a rich pervert.

In exchange for taking care of us and paying off our debt,

he told us to let him do whatever he likes with our bodies.

I was shocked, mad, sad, and vexed all at once.

But there was a stack of cash in front of me...

...and I had to consider our life from then on and my little sister's future.

Thus, I made up my mind.

I think it's about time to use the bumpy vibrator we got before.
I agreed, but under one condition.
Aah♡
あん…
Apart from the size, it has a pretty gruesome shape.

Aah♡
It's hitting...♡
Aaah♡
Hehehe! It looks like a tight fit. Are you okay?
You don't have to force yourself if you can't stand it.
I-I'm fine!♡
I'm completely fine...♡
Aah♡
So, I beg you...
Leave my sister alone...♡
Keep all of this stuff... limited to me...
Aah♡

Yeah, I know. As long as you do as I say,
I won't lay a finger on Nagi-chan.
Aah♡
Aah Aah♡
Aaah♡
No!♡
In exchange for letting him do whatever he wants to me, he wouldn't lay his hands on my little sister Nagi.
For some reason, Oji-san promised to accept that condition.
Not that I had any guarantee he'd keep his word.

Oji-san has been taking much better care of us...
than I expected.
But ever since our relationship started three months ago...
Aah
He doesn't just give us allowance, but takes us to have fun on days off.
He also watches over our studies.
He takes perfect care of cooking, cleaning, and laundry.
He scolded Nagi once, but he was calm and civil about it.
He's interesting to talk to and is always smiling, so it's always fun around him.
But...
There are even times when I feel like he's the ideal guardian.
I felt uneasy at first, but Oji-san acted normal to Nagi.
Nagi has really warmed up to Oji-san thanks to that.

That is all just a façade.
Uwah!♡
Aah♡
No matter how nice he may act,
Oji-san is nothing but a pervert. A man with twisted fetishes unfit for society.
Aaah!
Aah
Aagh!♡

Today, he made me dress up in weird clothes and took me outside,
then made me pick a weird toy.
Aah♡
Aaah♡
He's a horrible person who used that toy to mess with my body for two hours.

Hah♡
Hah♡

Cum♡
I'm cumming!♡
More-over...
No!♡

He's mali-cious.
Aah♡

He watches my reac-tions...

Uwah♡
Aah♡
Just... how long are you... going to keep this up... ♡
Cut it out... already... ♡
Haha! You want to cum, but I won't let you.
I can't help myself when you look so cute in pain, Ibuki-chan.
Agh♡
Aah♡
And I'd like you to be more honest if possible.
Aah!♡
Aagh!♡

He means that he wants to hear it directly from me...
...when I clearly don't want to say it...
No♡
Aah!♡
Aah!♡
But...

.....
All right, fine...♡
I... I get it.♡
Haah♡
Haah♡
Put your... huge dick...♡
...in my... dripping pussy...♡
Oh♡
and... make me... cum...♡
Please...♡♡
Hehehe! Good girl.

All right, since you're finally being honest,
I have to give you a reward.
Ah♡
No...♡
Agh♡
Aaah!♡
Aaah!

Nice, that's a good orgasm face.
You came the moment I put it in thanks to all the teasing, huh?
Does this mean you like my dick more than the toys?
Of course... I don't...

But if I don't say what he wants me to, this will never end...
I'll make sure to give you lots of pleasure now.
As if I would actually want this.

Or that should be the case...
It should, but...

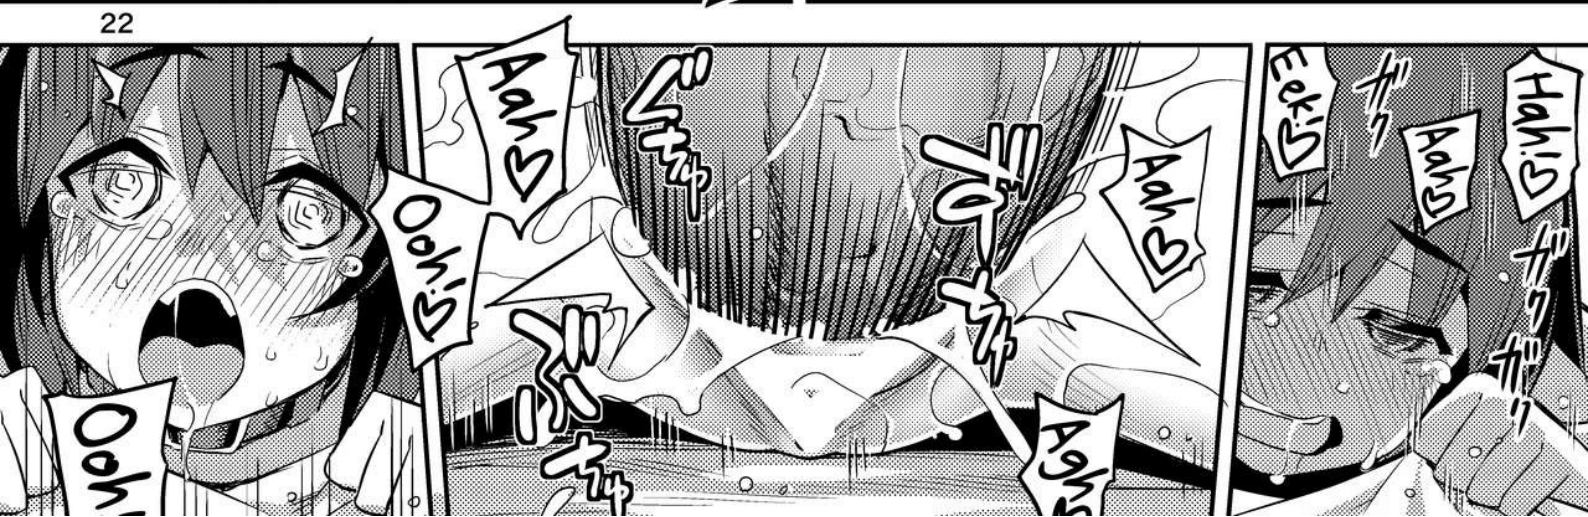

I'm... I'm cumming!♡
Cumming!♡
Aaah!♡
Cumm-!♡

No!♡
I'm still cumming!♡
Aah♡
Not... so deep♡
Don't grind it that hard!
Auh!♡
Urgh!♡

Aah♡
No!♡
Stop!♡
You're too rough♡
Aah!♡
Aah!♡
Aah!♡
My tummy aches...
...along with Oji-san's move-ments...

As that aching becomes bigger and bigger,
I'm filled with a sensation of something bursting open before long.
Aah♡
Eek!♡
Aah♡
Hah!♡
Cumming!♡
But then, I'm soon assaulted by another big aching sensation...
Aah♡
Ooh!♡
And get filled again...
Cumming!♡
Ah♡
Again!♡
I completely lose my mind...
Aah♡
Argh!♡
As that keeps repeating over and over...

My mind goes com-pletely blank.
I even forget all of my ill will towards Oji-san.
Aah♡
Eek!♡
Uwah♡
Ah!♡

As a feeling of burning warmth washes over inside me...
Aaah!
Aaargh!
...I fully realize I'm a woman.

Aahoooooh!!♡
Aaah! Ooooh!♡
Aah♡
Oooh~...♡
A deep... climax...

At first, it felt weird and I hated it...
But lately, I...

Time for round two, Ibuki-chan.
Aah♡
I'm still not used to what comes after...

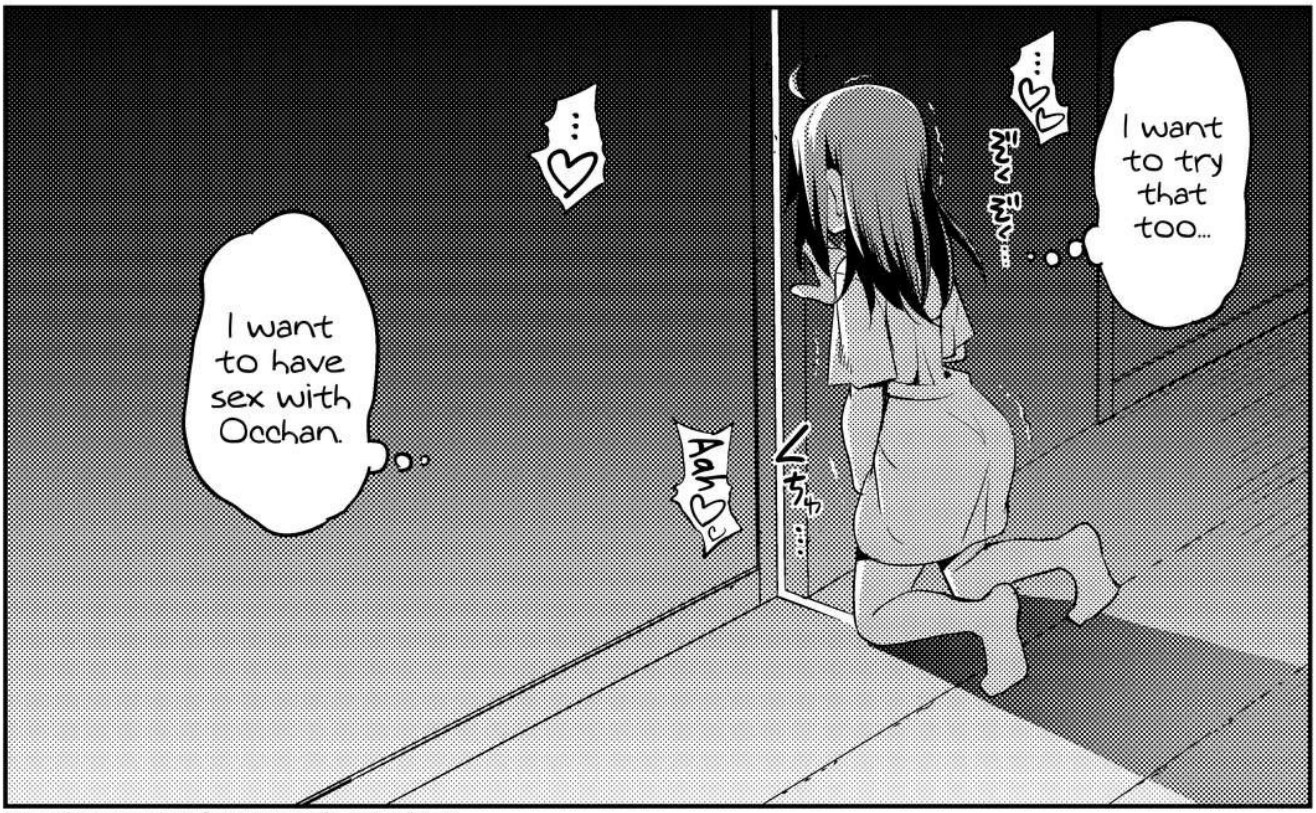

Although...
Haa♡
Haa♡
Aah♡

Hyah
Aah
Tomorrow is a day off, so I'll be sure to spoil you plenty.
Wait-!
Please!♡ Let me rest...♡
Uah!♡
ぢゅっ
ぢゅっ
Just how many times do we do it during the week-ends...?
I always faint halfway through, so I'm not so sure.
Aaah!♡ Aah!♡
For Oji-san, two or three times were a given.
ぢゅっ
ぢゅっ
But... I can't let this discou-rage me.
Because I have to protect Nagi...

Note: Occhan is an informal way of saying Ojisan.

■I'm going to continue this story for now.
I want to say I'll draw the next part for Winter Comiket,
but it will probably be some time next year.
Please wait patiently.

■Here's the first pregnant belly extra.
At first, I was planning on drawing a book where a bunch of stuff happens to a pregnant boyish loli, but some things happened and I took the pregnant belly out of this book, so you'll have to settle with this scribble for now.

■In the next page, you'll find a reprinting of the preview I drew in a previous event.

This girl you could easily mistake for a boy at first glance is Kouka Ibuki-chan.
Her family was having money troubles...
...but this nice Oji-san saved her to mate with her.
Now, he takes great care of her body and finances.
Hah!
Gah
Mm!
Fuh...

At first, Ibuki-chan always cried from the pain and disgust,
but she's grown accustomed to her pussy lately.
Oji-san licked her just a little bit,
and she started moaning in a dirty voice.
She's a complete pervert now.
Haa♡
No♡
Aah♡
No... I'm not...
...like that...
Aah♡

Unlike her pussy, she's yet to be honest herself.
Gush
Well, despite looking like a boy, Ibuki-chan is a mature girl.
She won't admit to being a pervert on her own.
Fuh♡
Urk♡
But it's okay.

With a dick inside her, she'll understand even if she hates it.
Agh!?
Aaah!♡

All of her defiance was pointless.
From the bottom of her heart and her pussy, she's forced to realize she's nothing but a pussy slave.

Ibuki-chan cums from another creampie in her womb today.
Her mouth might say no, but she's a huge masochist deep down.
Ah♡

This and that happened, and a few months passed.
Ah...♡
Fwah...♡
Ibuki-chan's belly has gotten big and nice.
Well, that's what happens when she gets a creampie in her womb every day.
The dirty Oji-san is nice and rich, so immediately after they confirmed Ibuki-chan's pregnancy,
he promised to take care of their kid as well.
Aah...♡

Was she relieved when she heard that?
Ibuki-chan has gotten pretty dirty and assertive.
Well? Do you like it?
Does me... pregnant pussy... feel good?
Yes... I like it too...
I love it when you... rub against the entrance... to my baby room...
I've been cumming... for a while now...

Oji-san was really happy to hear that.
He fucked Ibuki-chan really hard from below.
She had completely gotten accustomed to being a pussy slave.
Her big, shaking pregnant belly was quite the view.
Ah!
Ah!?
Aah!

■ Here's the second pregnant belly extra.
It's doggystyle where her legs can't reach.
I love having girls treated like objects.
■ A used pregnant onahole.

■ Afterword

This is my first original doujinshi.
I've been wanting to draw an original doujinshi for some time now,
but I thought I could just do it for a magazine and kept putting it off.

But a pregnant loli is a little hard to put in a commercial magazine
for various reasons, so I decided to draw her in a doujinshi instead.

Well, I ended up not drawing the pregnant part, though...
I think I'll draw the tomboy loli and her little sister with big bellies fainting
from pleasure eventually, so I'd be happy if you stuck with me until then.

Until we meet again.
